THE RUNDOWN

- Kobe Clark moved into sole possession of third place on the school's all-time list for receptions last week, surpassing Josh Fink (2016-19) with a 17-yard catch in the second quarter against Jacksonville State. He finished his day with 143 receiving yards, giving him back-to-back games with north of 100 yards.

- Peyton Mansell took the team lead in rushing touchdowns after getting in the end zone twice on the ground last weekend. He now has five rushing scores for the season, while Tyrese White and Anthony Smith are on his heels with three apiece.

- Linebacker Hunter Kier continues to be one of the most consistent tacklers in the Western Athletic Conference, racking up another nine last weekend to maintain his team lead in that category.

- The Texans have won three of their last four games entering play this week, including last Saturday's 42-21 defeat of Lamar. Tarleton has gone 4-1 in Stephenville this year but has struggled to a 1-3 record away from home.

- Last weekend, quarterback Steven Duncan tossed for more than 300 yards for the second consecutive game, and he has thrown 11 touchdowns with just one interception over his last four games.

- Ryheem Skinner, Braelon Bridges and Derrel Kelley III each provided a rushing score for Texans against Lamar, as the multi-back Tarleton offense continues to spread the wealth while averaging 168 yards per game on the ground.

The Wildcats will look to new leaders this fall to continue that tradition, and several players have already emerged as frontrunners.

Tory Hargrove (team captain)

A healthy mix of returners and newcomers is set to provide flexibility and depth for ACU this fall, providing the Wildcats with a bevy of options in the defensive backfield.

Returners

Brian Bullock (team captain)

- Redshirt junior Brian Bullock was one of ACU's most consistent defenders last season, picking up just under six tackles per game last season. In consecutive games against Mercer and SFA, Bullock was a force for the Purple and White, totaled 15 tackles in that span.

"He's a young pup, but I'm really excited about how much he has progressed in a short time. We never have to question his effort, and he is being looked at as a guy that help us." - Drew Liddle

Kaleb Chester | Grayson, Ga. | 6-0 | 271 pounds

"He does everything right. He's going to give you everything he's got every time, and he is great for our room. He has good knowledge and is always wanting to do more." - Drew Liddle

Alan Hatten | Great Meadows, N.J. | 6-3 | 300 pounds

"He got to us a little bit later in the summer so he had a bit of a learning curve, but he tries hard to be as physical as anyone, and we think he can help us out." - Drew Liddle

Collin James | Springfield, Mass. | 6-4 | 273 pounds

"We really like what Collin has been doing. He's a physical guy and a good athlete, and he brings a certain mentality to our room that we really need. He wants to make his presence known on the field." - Drew Liddle

Reese Moore | Seminole, Texas | 6-6 | 273 pounds

"Reese really brings a lot of athleticism to the tackle spot after coming to us from a Power 5 school. He's a smart dude that understands the game, and he's really getting comfortable in our offense." - Drew Liddle

Derek Simmons | Jacksonville, Fla. | 6-5 | 311 pounds

"Derek is a sneaky athletic guy, and he's super competitive in everything he does. He's really come a long way over the summer, and we expect that he will compete for a tackle spot." - Drew Liddle

Bronson Warner | Chaska, Minn. | 6-3 | 310 pounds

"He's a very physical guy who we are excited about. He's a wide body, but he's not afraid of anything, and he will compete for a guard spot for us." - Drew Liddle

RUNNING BACKS

In the first two years of the Adam Dorrel era at ACU, rushing plays made up 41% of the offensive scheme, but the two most recent seasons have seen that number jump up to 48%. The 2019 and 2020 seasons have seen a combined 21 different Wildcats record a rushing attempt, making running back depth a consistent necessity.

"This is as deep of a running back unit as we have had. Each of these guys can fit the offense well and do what we need them to, and they all have their own individual specialties," running backs coach Bryce Baccarini said. "We are really excited about what this group has in store for the season."

Key Returners:

Jermiah Dobbins

- Dobbins became ACU's fourth-ever running back to earn All-Southland status last fall, rushing for 227 yards and five scores in just six games. The former Estacado High School standout averaged 5.4 yards per carry, with his season-long run of 27 yards coming against SFA.

- "Jermiah was thrown into the fire as a true freshman last year, but he's barely scratched the surface. He's an effortless runner who is hard to catch and hard to bring down. Jermiah is a special talent whose best football is definitely ahead of him." - Bryce Baccarini

Robert McKnight

- McKnight was used all over the field for the Wildcats in 2020, recording five rushes on the offensive side, a pair of tackles on the defensive side and a kick return on special teams.

- "Robert has bounced around positions, but we are glad to have him back in the running back room for this year. He has as tough as they come, and he is a huge senior leader for us." - Bryce Baccarini

Tyrese White

- White saw action in all six games last year and shared carries with Dobbins for the bulk of the season. The elder statesman saw his best game of the season come against SFA, when he hit paydirt in the first and fourth quarters.

- "Tyrese has been here the longest of anybody in this group, and I'm really excited for this year for him. He is a big-time playmaker with a high football IQ. He has great change of direction and a lot big play ability, but he can also lower his shoulder and help us in short yardage scenarios, as well." - Bryce Baccarini

Key Newcomers:

Anthony Smith

- Texas State transfer

- played in 11 games and rushed for 352 yards at Texas State

- former All-District selection

- "Anthony's probably the most versatile back we have, he's great with the ball in his hands and he can catch the ball well. He has a physically imposing frame, and we're really excited about the depth and big-play ability he brings." - Bryce Baccarini

Quae Walton

- all-time leading rusher at La Vega High School

- will also contribute on special teams

- "Quae has a lot of skill, and his vision is as good as it gets. He has incredible change of direction, and he can make decisions without losing speed at all." - Bryce Baccarini

THE BIG COUNTRY'S HOMETOWN TEAM

FULLBACKS AND TIGHT ENDS

As ACU continues to mix up looks in the backfield, fullbacks and tight ends will once again be heavily involved in the Wildcat offense in 2021. The group as a whole features a bevy of experience, but the depth will take a step forward from the 2020 season.

Fullbacks:

Rece Stafford | Frisco, Texas

"Rece started out as a linebacker, but he won the fullback job for us last year. He is tough as nails, deceptively athletic, incredibly quick and super strong. His toughness changes the dynamic of the offense." — running backs coach Bryce Baccarini

Charlie Moore | Cypress, Texas

"He's got some special pop. He has a really strong set of hands on him. He played defense in high school, but we are excited about what he can do." — running backs coach Bryce Baccarini

Easton Myrick | San Antonio

"Easton has converted from the wide receiver position and has progressed greatly since the transition. He has quickly bought into the physical and aggressive mentality that accompanies the position." — running backs coach Bryce Baccarini

Tight Ends

Noah Caldwell | Electra, Texas

"The COVID year gave him an extra year, so he is going to be a freshman on the field. He has gotten better in the spring, summer and into the fall. Noah is very athletic, and he will help us both on offense and on special teams." — tight ends coach Dimitri Donald

Colt Cooper | Quinlan, Texas

"Colt will help us a lot on special teams as a true freshman this year. He has some things to clean up technique-wise, but he's a state champion powerlifter. He has shown a lot of flashes in fall camp, and we are excited about him." — tight ends coach Dimitri Donald

Remington Lutz | Temple, Texas

"He's long, athletic and can threaten defenses vertically, but he can also come off the ball and block well. His experience will be a big part of our offense this season, and he's definitely the leader in the room." — tight ends coach Dimitri Donald

Grant Miles | Scottsdale, Ariz.

"Grant had a really good spring after coming to us from New Mexico State. We are looking forward to seeing him become a big contributor for us." — tight ends coach Dimitri Donald

Andrew Stripling | Marble Falls, Texas

"Andrew converted from quarterback to tight end this spring, which was the first time he had ever played the position. He still has some things to learn, but he's growing and developing nicely. He really showed some flashes in the passing game because he can run routes and catch the football well." — tight ends coach Dimitri Donald

QUARTERBACKS

"Our competition was highly contested, and both of these guys embraced the position battle as much as everyone else has," OC Josh Lamberson said. "Stone and Peyton are both team-first guys without an ego, and they truly celebrate each other's victories. They are always the first ones to give shoutouts after practice, and they will always deflect praise. They both lead from the front and don't leave anybody behind, and they are two of the hardest workers on our team."

Stone Earle | Keller, Texas (team captain)

A true freshman for the Wildcats last fall, Earle saw action in two games, completing both pass attempts against Army before serving as QB1 in the season finale against Virginia. The former Birdville High School standout went 19-of-31 and threw for 150 yards in first collegiate start, adding a two-yard touchdown pass to Kobe Clark in the second quarter.

Peyton Mansell | Belton, Texas (team captain)

Mansell was named ACU's starting quarterback to begin the 2020 campaign, and he finished the shortened season with more than 1,200 yards and five touchdown passes in just six games. The Iowa transfer's best performance came against Army last October, when he completed 23 of his 37 attempts for 279 yards and three scores.

WIDE RECEIVERS

The wide receiver position at ACU continues to be one that features a ton of athleticism and versatility, with former walk-on Kobe Clark highlighting the group after a couple of impressive seasons. With a nearly even split between pass plays and run plays, the Wildcats will once again ask a lot from their receiving corps, hoping to be able to mix in some big plays with a strong presence of consistency.

"There's a lot of different tweaks to our offense, and it's very important for the wide receivers to understand those," wide receivers coach James Curlee said. "I'm excited about the way the football IQ has grown in our room over the last year. Across the board, our offense has more big-play ability than we have in a while. We have to be able to get on the perimeter and make plays, but we also understand the importance of being able to block. We know how good the running back room is, and our guys have bought into that because we know that the run game helps open the pass game for us."

Key Returners:

Kobe Clark, redshirt junior | Sweetwater, Texas (team captain)

- ACU's leading returner among the wideouts, Clark hauled in 26 receptions for 362 yards and a team-high four touchdowns. Clark also turned a screen pass into the longest reception of the season, a 78-yarder that put the Wildcats inside the 10-yard line against SFA.

- "I'm really excited about the way he's continued to grow and be a leader in the wideout room. There's a craftiness that comes with playing this position, and he's got it. When he has a game plan at the line of scrimmage and something goes wrong, he can fix it immediately. One thing that sticks out to us is his ability to block in the run game." — James Curlee

Darius Lewis, redshirt freshman | New Orleans

- Lewis' 18 receptions were the third-highest for ACU last fall, and he averaged just under 30 yards per catch. He collected his first career touchdown against Angelo State, finding paydirt from 11 yards out early in the second half.

- "He has shown immense strides, and we are very excited about the fall that we think he is capable of having. He is very explosive, and his playmaking ability, football IQ and maturity have all increased." — James Curlee

Dax Neece, redshirt freshman | Albany, Texas

- Neece saw action in five games for the purple and white last fall, securing six catches for 65 yards. His targets and yardage both increased in each of the first four games, culminating in a season-high 33 yards against Mercer.

- "Dax does everything we need him to do, and he is always in the right spot at the right time. He's consistent, and we know we can rely on him in every situation." — James Curlee

Taelyn Williams, redshirt junior | Euless, Texas

- Williams collected six receptions for 122 yards last fall, doing so in just three games. His longest catch of the year came against UTEP, a pass over the middle that Williams turned into a 49-yarder.

- "Taelyn got hurt and didn't get to see much time on the field last year, but he has a high football IQ and can play multiple positions for us. He's versatile, and his vertical speed is very good, so we are excited about what he can do for us."

Key Newcomers:

Alex Spadone, redshirt junior | Houston

- transfer from University of San Diego
- 49 career receptions, 686 yards, and 7 TD at USD
- added 20 tackles and forced a fumble for the Toreros
- former standout at Houston's Bellaire High School

Davion Johnson, redshirt sophomore | Bedford Heights, Ohio

- transfer from Southwestern Community College
- 888 yards and 10 TD on 39 receptions (all team-highs) in 2019
- three-time All-Ohio selection in high school

Denver Holman, redshirt freshman | Belton, Texas

- transfer from Mary-Hardin Baylor
- former all-state returner at Belton High School
- brother-in-law of ACU quarterback Peyton Mansell
