Note:

The Pole Vault, Broad Jump runways and the High Jump aprons are TARTAN (Rubber). You must use short indoor spiked shoes or flats.

The Shot and Discus rings are concrete so flats will be used here. You will not be allowed on either of these without the correct equipment.

JONES RAMSEY, *Director*
ORLAND SIMS, *Asst. Director*
GREGORY GYMNASIUM · AUSTIN, TEXAS 78712

(FOR RELEASE AT 6 P.M. SATURDAY)

AUSTIN, Texas, March 12--America's greatest miler, 18-year-old Jim Ryun of Kansas University, will run the mile at the 39th Texas Relays here April 2, Relays Director Jack Patterson announced Saturday.

Ryun, freshman sensation at Kansas, set the American record of 3:55.3 last June 27 at the National AAU championships.

The former Wichita, Kansas, prep star (from Wichita East High) has run four sub-four minute miles and three sub-3:43, 1500-meter times, while chalking up victories in the California Relays, AAU, Carreras Invitational and in dual meets versus Poland and Germany. He also posted a 1:47.7 half-mile relay leg in anchoring his Wichita East high team to the national two-mile relay record.

Ryun will join a select field in the Jerry Thompson Invitational Mile on Saturday afternoon, April 2, at 3:45 p.m. in Memorial Stadium.

The Memorial Stadium record of 4:00.5 was set in 1955 by another Kansan, Wes Santee.

Ryun began his assault on the four-minute mile in 1963, his sophomore year in high school. He ran a 4:20 in April of that year and in June was down to 4:07.8.

(more)

In June of 1964 he cracked the four-minute barrier with a 3:59 flat at the Compton Relays.

Then came his surprising third place finish in the final Olympic Trials which put him in the Tokyo Games, where a cold hampered his performance.

In May of 1965 Ryun ran a 3:58.3 and followed this with a 3:58.1 at Modesto. Then came a third place 3:56.8 in Compton before he set the American record with his 3:55.3 at the AAU.

Ryun is hailed by many of his contemporaries as the world's top miler today because of his youth. The world record of 3:53.6 is held by France's Michel Jazy.

Joining Ryun in the Relays field at Austin will be the world's best shot putter, Randy Matson of Texas A&M. Matson, who set the existing mark of 70-7¼ at the Southwest Conference meet last May, will make his outdoor track and field debut at the Relays after spending the winter playing basketball for the Aggies. Matson also holds the Relays shot record (69-7) and discus standard (188-8).

John Hartfield of Texas Southern, who has high jumped seven feet twice this season, will defend his Relays record of 6-10½.

Crack relay teams from Oklahoma State, Kansas, Missouri, Nebraska, Oklahoma, Texas Southern, Abilene Christian, Texas Western, East Texas, Houston, Lincoln, Emporia Teachers and such outstanding conference teams as Rice, SMU and Baylor will be here.

Already announced as referee of the 39th Texas Relays is Bill Easton, former head coach at Drake and Kansas, now helping the Mexican government stage the 1968 Olympics games.

FEBRUARY 25, 1966

(For Release at 6 p.m. Saturday)

AUSTIN, Texas, Feb. 26 -- M. E. "Bill" Easton, former track coach at Drake and Kansas and now in charge of Olympic Games for the Mexican government, has been named referee of the 39th Texas Relays to be held at the University of Texas, April 1 and 2.

Easton concluded 18 years as head coach at Kansas last summer and is helping the Mexican government stage the 1968 Olympic Games.

Relays Director Jack Patterson announced the selection of Easton as referee for the big outdoor track and field carnival here next April.

Patterson, assisted by Cleburne Price, has announced a streamlined program of 43 events to be held Friday and Saturday, April 1 and 2.

Preliminaries will be held as usual Friday morning and afternoon with finals slated for Friday night and Saturday afternoon.

Among defending champions expected are Randy Matson, the world's top shot putter from Texas A&M, and John Hartfield of Texas Southern, who cracked the seven-foot high jump barrier in the recent Dallas Indoor meet.

Matson's Relays records are 69-7 in the shot and 188-8 in the discus. Hartfield set the Relays high jump standard last year with a 6-10¼ leap.

Oklahoma State's crack two-mile foursome that set a world record last year of 7:18.4, will defend its title won here last year. Other University division baton crews expected to defend titles won in 1965 are Nebraska, Rice, Abilene Christian and Kansas.

College division relays winners last year were Texas Western, Texas Southern, East Texas, Lincoln and Emporia, Kansas Teachers.

MARCH 19, 1966

(FOR RELEASE SATURDAY AT 6 P.M.)

AUSTIN, Texas, March 19, 1966 -- Robin Lingle, former Missouri distance star who was outstanding performer here two years ago, will run in the Jerry Thompson mile at the Texas Relays April 2, Relays Director Jack Patterson announced Saturday.

Lingle, who owns a 4:00.3 mile clocking, joins a select mile field that already includes American Record Holder Jim Ryun of Kansas.

A third outstanding miler who will be in the field includes Jim Olson, Michigan freshman from Kirkwood, Mo., who ran a 4:06 mile as a high school senior last year.

Lingle anchored Missouri's two-mile (7:22.7) and distance medley (9:45.2) relay teams to Relays and state records in 1964 and was voted the top athlete of the Relays.

His top indoor times this winter include a 4:05.2 mile and a 1:51.1 half.

The 1966 Relays get underway with preliminaries Friday morning and afternoon of April 1. Finals will be held Friday night and Saturday afternoon.

Outstanding teams already entered include Grambling, Texas Southern, Abilene Christian, and crack relay teams from the Big Eight and Southwest conferences.

The Relays will be dedicated to six veteran officials who have worked many years as officials of the big track and field carnival, some since its inception in 1925.

(MORE)

The six to be honored include J. A. "Tiny" Gooch, longtime announcer from Ft. Worth; C. J. "Shorty" Alderson, former starter from Austin; H. C. "Bully" Gilstrap, clerk of the course for 25 years, from Austin; Wilbur Evans, former sports editor of the Austin American and ex-University sports news editor now SWC publicist; Ed Barlow, former timer and judge from Austin and Jack Curtis, former judge and timer, now of Abilene.

Randy Matson, the world's only 70-foot shot-putter, will defend his shot (69-7) and discus (188-8) records as will Texas Southern's seven-foot high jumper, John Hartfield.

All teams who won baton events last year will return. These include Kansas, Oklahoma State, Southern Illinois, Abilene Christian, Rice and Nebraska in the University class and Texas Western, Texas Southern, East Texas, Lincoln and Emporia (Kansas) Teachers.

Oklahoma State's crack two-mile team, which set a record of 7:18.4 last June on the West Coast, will be back to defend its Relays record.

While the accent is on quality, over 1200 athletes from more than 75 schools will be entered in the 39th Texas Relays.

Bill Easton, former Kansas coach now in charge of the Mexican Olympic team, will be referee.

MARCH 24, 1966

(Release on Receipt)

AUSTIN, Texas, March 24 --- Southern University of Baton Rouge, one of the world's top relay teams, has entered the 39th Texas Relays and will run five College Division baton events next weekend.

The Relays, featuring one of its classiest fields, get underway April 1 and 2 at Memorial Stadium on the campus.

Previously Jim Ryun of Kansas, the American record holder in the mile, entered the Jerry Thompson Invitational one-mile run to be held Saturday afternoon, April 2. Ryun will be joined by such top stars as John Camien, Emporia Teachers ex who has won four consecutive Texas Relays miles, Robin Lingle, Missouri ex, Jim Olson, Michigan frosh star and Richard Romo of Texas. A field of 12 top milers has been selected for the mile here.

Other headliners in the Relays next week include Randy Matson, of Texas A&M, world record holder in the shot put; Charles Greene, the NCAA sprint champion from Nebraska and John Hartfield, Texas Southern's seven-foot high jumper.

Southern University, making its first appearance at the Texas Relays, will run the same foursome here that set a world record of 3:04.5 in the mile relay last May at Modesto. This foursome includes Robert Johnson, Anthony Gates, Everette Mason and Theron Lewis. The team has clocked 3:08 this year already and also owns a 40 flat sprint relay time.

The Baton Rouge school will join such fine baton teams as Grambling, Texas Southern, Prairie View A&M, Lincoln, East Texas and others.

Records Southern will go for at the Texas Relays include 40.5 by Texas Western in the 440, 1:23.3 by Grambling in the 880, 3:07.8 by TSU in the mile, 7:30.6 by TSU in the two-mile and 3:21.1 by East Texas in the sprint medley.

JONES RAMSEY/ORLAND SIMS
MARCH 25, 1966

(FOR RELEASE AT 6 P.M. SATURDAY)

AUSTIN, Texas, March 26 --- The finest sprint medley relay field ever assembled in Texas has been announced for the 39th Texas Relays next Friday night.

Relays Director Jack Patterson sent out invitations to the eight teams chosen on best times.

The eight select baton teams all are capable of breaking the Relays record of 3:19.4 set by Southern Illinois last year. In fact the host Texas Longhorns ran an amazine 3,19.5 last week at Odessa.

The University sprint medley relay will get underway shortly after 8 p.m. in Memorial Stadium next Friday night, April 1.

The eight teams include Southern Illinois, Texas, Rice, Oklahoma, Drake, Minnesota, Texas Christian and Abilene Christian.

This crowd-pleasing race features two opening 220-yard dash legs, a 440-yard carry and ends with a half-mile.

The eight teams, with their 440 men listed first, then their 880 men, include:

Oklahoma, Bill Calhoun and Lee Calhoun; Drake, Charles Winkenwerder and Larry Schlotterbeck; Texas, Bob O'Bryan and Preston Davis; ACC, Riley Dunn andCharles Christmas; TCU, Buz Gardner and Roger Hunt; Minnesota, Mike Gillham and Tom Ochs; Southern Illinois, Gary Carr and Jerry Fendrich and Rice, Jimmy Ellington and John Moss.

All of the above quarter-milers are capable of 46 to 47-flat carries while the 880 men are 1:50 or better half-milers.

(MORE)

"This is the best field we've ever had for the Relays," Patterson said. "I just hope we can break Preston (Davis) ahead of those other great half-milers," the Longhorn coach added.

At Odessa last week Texas set a school record with that 3:19.5 that saw Tommy Keene and Steve Langham open with 220 legs, O'Bryan running a 46.8 quarter and Davis winning with a 1:50 flat half.

Baylor's collegiate record of 3:17, set last year at Drake, may be in jeopardy Friday night. Baylor's great anchor man, Rex Garvin, has completed his eligibility.

Elsewhere on the Texas Relays scene, the Jerry Thompson mile run Saturday afternoon will feature the great Kansas freshman sensation, Jim Ryun, the American record holder at 3:55.3. Ryun ran that time last June while at East Wichita, Kansas high school.

Ryun should be in rare form for the Relays. He ran a 1:47 flat anchor on a sprint medley two weeks ago indoors. He grabbed the baton 30 yards behind a K-State freshman and won in the time of 3:24.1, which is only one-tenth of a second off the varsity American indoor record currently held by Oklahoma State.

Ryun will run against a field composed of John Camien, Emporia ex who is going for a fifth straight Texas Relays mile victory; Robin Lingle, Missouri Ex who owns a 4:00.3 clocking and Jim Olson, Michigan frosh great. A total of 12 milers are in the invitational field.

Through Saturday a total of 24 Universities and 28 Colleges had entered the Relays in addition to 37 schools in the Junior College-Freshman division.

TEXAS RELAYS FACTS
April 1-2, 1966 at Memorial Stadium, Univ. of Texas

What & When — 39th Texas Relays. First major outdoor track meet of year held annually since 1925 with exception of three depression years in 1930's. Finals will be held Friday night and Saturday afternoon.

How Many — In recent years Relays attracted over 1400 athletes from over 95 institutions and clubs.

Referee — Bill Easton, famous former coach at Drake and Kansas and now in charge of helping Mexico stage the 1968 Olympic Games, is referee of the Relays.

Dedication — This year the Relays will be dedicated to longtime former officials. Honored will be Wilbur Evans of the Southwest Conferon and former UT sports news director; Tiny Gooch of Ft. Worth, forme announcer of Relays; Shorty Alderson, former starter; Bully Gilstran, clerk of the course for 25 years; Ed Barlow, timer and judge and Jack Curtis, timer and judge. They will be introduced Saturday afternoon along with Queen Mary Esther Garner, UT sweetheart.

Headliners — The Relays always attract many of the country's top trackmen. Several world records have been set here even though it's so early in the season. One world standard is still on the Relay books--Abilene Christian's 1:22.6 in the 880 relay set in 1961. Jim Ryun, Kansas freshman sensation and the best miler in America, will run the Jerry Thompson mile. He has run the mile under four minutes several times and as a high school senior set the existing American record of 3:55.3. Randy Matson, A&M's world record holder in the shot put (70-7¼) will make his debut at the Relays after playing basketball for the Aggies. Matson also holds the Relays and Stadium record in the discus (188-8 and 195-10½). John Hartfield of Texas Southern who has high jumped seven feet five times this year. He holds Relays record of 6-10½. TSU's great sprinters headed by James Hines and Clyde Duncan and other great relay men including George Adams who has a 1:49.5 half-mile.

Other Greats — In all 18 records were set last year. Oklahoma State's two-mile relay team set the world record of 7:18.4 after winning the Relays here last year. Baylor's sprint medley team set the collegiate record of 3:17.0 last year. Great relay teams from Southern Illinois, Texas Southern, Kansas, Nebraska, Missouri, Oklahoma, ACC and conference schools will be here.

Maybe More — While the Relays committee does not publicize entries until confirmed, an attempt is being made to bring in two great Louisiana teams that did not compete here last year --Grambling and Southern Southern, from Baton Rouge, tied the world's record in the mile relay last year with three freshman on its team. Grambling's Don Stebbins won the 100 two years ago. Vaulter John Pennel will be invited if the AAU and NCAA can get together.

Streamlined — The 1966 Relays will begin later and finish earlier because of a streamlining of the time schedule by Director Jack Patterson and Cleburne Price.

Best Ever — With committments already received the 1966 Relays promise to be the best ever.

(FOR MONDAY, MAR. 28, AFTERNOON PAPERS)

AUSTIN, Texas, March 28 --- A classy high jump field at the Texas Relays this weekend will be going for the seven-foot barrier.

Led by Defending Champion John Hartfield of Texas Southern, who has cleared seven feet four times this year, the field includes a half-dozen athletes who have cleared 6-10.

Hartfield won the Border Olympics high jump at 7-0¼. He set the Relays mark of 6-10½ last year.

Others in the University-College field Saturday afternoon, April 2, include Ron Tull of Oklahoma, 6-10 3/4; Roy Hicks of Texas Southern, 6-10; Steve Herndon of Missouri, 6-10; Bob Schmidt of Fort Hays 6-10; Emanuel Belland of Lincoln and Randy Geyer of LSU.

Tull won the recent Big Eight indoor with Herndon a close second. Schmidt is a former Relays winner.

Other top high jumpers in the field include Jim Johnson of Oklahoma and Rod Williams of Ft. Hays, each of whom has cleared 6-9.

The Relays get underway with preliminaries Friday morning and afternoon. Finals will be held Friday night and Saturday afternoon.

Headlining one of the top fields in years will be Randy Matson, Texas A&M's world record shot putter; Ralph Boston, Tennessee A&I ex who holds the world record in the broad jump and who is the 1964 Olympic champ; American mile record holder Jim Ryun of Kansas and Southern University's world record mile relay team that ran 3:04.5 last year.

Queen of the 39th Relays is Mary Esther Garner, arts and sciences senior from Houston who also reigns as University of Texas sweetheart.

Referee is Bill Eatson, former Drake and Kansas coach, now helping the Mexican government stage the 1968 Olympics. #####

(FOR MONDAY, MAR. 28, MORNING PAPERS)

AUSTIN, Texas, March 27 --- Eighteen new records were posted in the Texas Relays last year by a field that didn't have Southern University, Grambling or Miler Jim Ryun.

With the great stable of sprinters and quarter-milers from Southern and Grambling there's no telling how many more marks may be registered in the 1966 Relays opening here Friday, April 1.

The 39th Texas Relays will be held at the University of Texas Friday and Saturday with preliminaries scheduled for Friday morning and afternoon and finals Friday night and Saturday afternoon.

American Record Holder Jim Ryun (3:55.3) of the Kansas freshman team, will go after the Jerry Thompson mile record of 4:00.5 next Saturday afternoon at 3:45. Another Kansas great, Wes Santee, posted the Relays record in 1955.

Southern's great runners from the Baton Rouge school could erase College division marks in the 440, 880, mile and two-mile events. Featured runner is Quarter-Miler Theron Lewis, who anchored his team to a world standard of 3:04.5 in the mile relay last May 29 at Modesto, Calif.

Grambling already holds the 880 mark of 1:23.3 set in 1964 and with Richard Stebbins could either lower that mark or push Southern or Texas Southern to new marks.

A total of 17 records were set last year, another one tied and still another one erased by an aiding wind. Rice's Bobby May bettered Fred Wolcott's 1939 high hurdles mark of 13.9 with a 13.7 clocking but a slight tail wind kept it out of the Relays bboks.

Terry Segura of the Southern Louisiana frosh tied Warren Brattlot's 14-6 vault record.

(MORE)

Here are the 17 new marks posted in 1965:

University Relays--four-mile relay 16:55.3 by Kansas; sprint medley relay 3:19.4 by Southern Illinois.

College Relays--440 relay 40.5 by Texas Western; mile relay 3:07.8 by Texas Southern; sprint medley 3:21.1 by East Texas and distance medley relay 9:54.4 by Emporia Teachers.

University-College special events--shot put 67-9 and discus 188-8 by Randy Matson of Texas A&M and high jump 6-10½ by John Hartfield of Texas Southern.

High School Relays--440 relay 42.2 by Corpus Christi Miller; 880 relay 1:26.7 by Houston Lee; mile relay 3:16.5 by Corpus Christi Ray; two-mile relay ~~[illegible]~~ 7:51.3 by Houston Westbury and sprint medley relay 3:29.1 by Corpus Christi Ray.

High School special events--high hurdles 14.1 by Charles Robbins of Waco University High.

Girls--100 yard dash 10.9 by J enda Jones of Texas Track Club and 440 relay48.0 by Texas Track Club.

MARCH 28, 1966

(RELEASE AT 6 P.M. MONDAY)

AUSTIN, Texas, March 28 --- Another fine group of Big Eight teams invade the Southwest this weekend for the 39th Texas Relays and one of their goals is the distance medley relay Friday night.

But Abilene Christian College, Southern Illinois and Houston have challenged such fine Big Eight clubs as Missouri, Kansas, Kansas State and Oklahoma State.

All of these teams are loaded with middle distance men to make the Friday night baton event one of the headliners for the Relays.

The Texas Relays start with preliminaries Friday morning and afternoon with finals set Friday night and Saturday afternoon. The distance medley will get underway at 7:15 p.m. Friday under the Memorial Stadium lights.

This is the race that opens with a 440 man, follows with a half-mile leg, picks up a three-quarter man and finishes with the mile run. It was this race that featured Missouri's Robin Lingle and Texas' Richard Romo two years ago. Lingle brought the Tigers home slightly ahead of Texas but it took the fastest race ever run in the state -- 9:45.2 -- to beat the Longhorns.

Kansas is defending champion with the great John Lawson but the Jayhawks will have their hands full from Kansas State's NCAA indoor mile champion Conrad Nightingale and Missouri's Charles Conrad. Missouri won the Arkansas relays last Saturday edging out K-State.

ACC can field a strong contender with Albert Van Troba on the 3/4 lap followed by Charles Christmas with the mile anchor.

(MORE)

Southern Illinois will be a favorite because of Gary Carr on the 440, Jerry Fendrich the 880 and Oscar Moore in the mile. Moore ran a 4:08 mile in the Florida Relays this past weekend and will make the perrennially tough Salukis a team to watch again.

Minnesota of the Big Ten has broken 10 flat and has its great miler, Mike Elwell.

Oklahoma State contends with Tom Von Ruden on the mile. He's a member of the world record two-mile relay OSU ran last year.

The Cougars of Houston have two sub 4:10 milers in Howie Ryan and Richard Levy.

Over 1300 athletes from 24 universities, 30 colleges, 39 JC-Frosh insititutions and 34 high school have entered the Relays so far.

Records in 18 events were set last year and a classier field is set for this weekend of America's first big outdoor track and field carnival.

Tickets are now on sale at the UT business office along with leading Austin firms.

MARCH 28, 1966

(FOR RELEASE AT 6 A.M. TUES. MORNING)

AUSTIN, Texas, March 29 --- Remember back in 1962 when Texas Southern entered the Texas Relays for the first time and established records in all six baton events?

In the ensuing years other teams have whacked away at TSU's record monopoly to the extent the Tigers hold only two existing marks -- a 3:07.8 mile relay and a 7:30.6 two-mile mark.

But don't shed any tears for Stan Wright's great teams any more. He's back in business in the record department.

Take his 440 and 880-yard relay teams last Saturday for an example. TSU ripped off a 39.9 440 clocking and followed this with a 1:23.4, both near the world marks of 39.7 by Stanford and 1:22.6 by ACC.

A foursome of Arnaldo Bristol, Roy Hicks, Clyde Duncan and James Hines ran the 39.9 which is .6 faster than the Relays record of 40.5 set by Texas Western last year.

In five outdoor meets this spring TSU has run 40.8, 40.5, 40.2, 40.4 and 39.9. When they get things smoothed down the way Coach Wright likes they may surpass the world mark of 39.7 Stanford ran last year.

And their 880 clocking is only a tenth off the Relays mark by Grambling two years ago.

But Texas Southern is only one of the great teams in the College division Relays here this Friday and Saturday--the 39th version of the great outdoor track and field carnival.

(MORE)

Such clock busters as Southern University of Baton Rouge, Grambling, Prairie View and Lincoln will challenge TSU's rights to the beautiful desk clocks that go to each College division winner.

Southern owns the world record in the mile relay at 3:04.5 set last May 29. These same four men (Anthony Gates, Everette Mason, Robert Johnson and Theron Lewis) ran a 3:07.4 race Saturday after running indoors.

Southern also has donw 7:30 in the two-mile relay which is lower than TSU's Relays mark.

Maybe such teams as these mentioned along with East Texas, the Louisiana state schools and others may keep Texas Southern from taking home all the loot here this weekend.

But with Duncan and Hines and company from Stan Wright's stable of sprinters recommending fast times, don't wipe the Tigers out.

TEXAS RELAYS FACT SHEET
April 1-2, 1966
Austin, Texas

ROMO READY

Richard Romo's 4:12 mile in the mud at Corpus Christi Saturday night proved the Texas senior star is fully recovered from his ankle injury that kept him out of 1965 outdoor competition. Romo's only Texas Relays competition will be in the Jerry Thompson open mile run on Saturday. He'll be in a fast field that includes Jim Ryun of Kansas; Robin Lingle, Missouri ex; John Camien, Emporia ex who has won four straight miles here, and Jim Olson, Michigan frosh star and others.

UT BATON CREW

Because Romo's doctor will not let him run more than the open mile this weekend, Coach Jack Patterson will enter but two "first string" relays and will have makeshift crews in the distance medley, two and four-mile relays. Texas' top two relays will be the mile (3:11.1 at Odessa with Bob O'Bryan, Preston Davis, Steve Langham and Tommy Keene) and the sprint medley (3:19.5 at Odessa with Keene and Langham on the 220s, O'Bryan on the 440 and Davis 880).

OTHER HORNS

In addition to the relay entries, Texas will have these entries in the 39th Relays Friday and Saturday: Toby Belt in the shot put, Mike Sowers and Steve Sansom javelin, Mark King pole vault, Romo in the mile and Bill Strong meduim hurdles. Belt had career best in shot at Corpus with 55-5 1/2 behind Randy Matson of Aggies.

LATE RELAYS INFO

Final team total in the 39th Relays as of Monday noon show 24 Universities, 30 Colleges, 39 JC-Frosh schools, 34 high schools, 5 girls teams and six unattached entries.

UNIVERSITIES

ACC, Arkansas, Baylor, Colorado State, Drake, Houston, Kansas, Kansas State, LSU, Minnesota, Missouri, Nebraska, North Texas, Oklahoma, Oklahoma State, Rice, Southern Illinois, SMU, Texas, Texas A&M, TCU, Texas Tech, Tulane, Wichita.

TEXAS RELAYS FACT SHEET
April 1-2, 1966
Austin, Texas

ROMO READY

Richard Romo's 4:12 mile in the mud at Corpus Christi Saturday might proved the Texas senior star is fully recovered from his ankle injury that kept him out of 1965 outdoor competition. Romo's only Texas Relays competition will be in the Jerry Thompson open mile run on Saturday. He'll be in a fast field that includes Jim Ryun of Kansas; Robin Lingle, Missouri ex; John Camien, Emporia ex who has won four straight miles here, and Jim Olson, Michigan frosh star and others.

UT BATON CREW

Because Romo's doctor will not let him run more than the open mile this weekend, Coach Jack Patterson will enter but two "first string" relays and will have meskebilt crews in the distance medley, two and four-mile relays. Texas' top two relays will be the mile (3:11.1 at Odessa with Bob O'Bryan, Preston Davis, Steve Langham and Tommy Keene) and the sprint medley (3:19.5 at Odessa with Keene and Langham on the 220s, O'Bryan on the 440 and Davis 880).

OTHER HORNS

In addition to the relay entries, Texas will have these entries in the 39th Relays Friday and Saturday: Toby Belt in the shot put, Mike Sowers and Steve Samson javelin, Mark King pole vault, Romo in the mile and Bill Strong in 440 intermediate hurdles. Belt had career best in shot at Corpus with 55-5 1/2 behind Randy Matson of Aggies.

LATE RELAYS INFO

Final team total in the 39th Relays as of Monday noon show 24 Universities, 30 Colleges, 39 JC-Frosh schools, 34 high schools, 5 girls teams and six unattached entries.

JONES RAMSEY/ORLAND SIMS
MARCH 29, 1966

(RELEASE AT 6 P.M. TUES. EVENING)

AUSTIN, Texas, March 29 --- Three years ago Dyrol Burleson, Oregon's great miler who held the American record, was the headliner in the Jerry Thompson mile run at the Texas Relays.

But an unknown sophomore from Kansas State Teachers College of Emporia upset the great Burleson in the stretch with a 4:02.6 clocking.

John Camien, the Emporia star who has won four consecutive miles at the Texas Relays, and who anchored his team to two distance medley titles including the record 9:54.4 last year, returns to the 1966 Texas Relays and he's facing the American record holder again.

This time Camien's chief foe, and the prohibitive favorite in Saturday's open mile, is Jim Ryun, the Kansas freshman whiz who set the existing American standard of 3:55.3 last June running for East Wichita, Kansas high.

Ryun should be in excellent shape, too, because he recently ran a 12-lap indoor mile of 3:59.6 (fastest ever run indoors on a 12-lap course) and also put a 1:47 flat half-mile at the end of a sprint medley relay.

He's a good bet to erase Wes Santee's 10-year old Relays mark of 4:00.5 he set ~~here~~ in 1955.

Camien also is in top shape. He's been running in Europe and had a 4:00.3 clocking indoors this past winter.

Others in the Invitational field for the 3:45 p.m. Saturday race include Robin Lingle of Missouri fame who has completed his collegiate eligibility but who has a 4:00.3 to his credit; Missouri senior Charles Conrad; Richard Romo of Texas, Jim Olson of Michigan, Don Osborne of Colorado State, Al Van Troba of ACC, Richard Levy of Houston, Ken Gould of Omaha, John McDonald of SW Louisiana and John Mason of Ft. Hays state.

(MORE)

An Olympian as a high school junior, Ryun ran four sub-four minute miles before he entered Kansas as a freshman last September. It was in the AAU that he posted his American record of 3:55.3.

With good weather Saturday and the keen competition Texas Relay fans should see their first sub-four minute mile.

A total of 1313 entries were in late Tuesday including 24 Universities, 30 Colleges, 40 Junior College-Freshman teams, 35 high schools and six girls teams.

Headliners besides Ryun and the mile field include Randy Matson of Texas A&M, world record shot-putter; a classy high jump field led by John Hartfield of Texas Southern, a four-times seven-foot jumper this year plus six who have cleared 6-10; Oklahoma State's world record two-mile relay team; Southern University's world record mile relay crew; Texas Southern's great sprinters and a bunch of great baton crews.

WEDNESDAY
(RELEASE FOR XXXXXX AFTERNOON PAPERS
at 6 A.M. WED.)

AUSTIN, Texas, March 29 --- A revised sprint medley field has been drawn for the University division of the Texas Relays Friday night.

Relays Director Jack Patterson announced the seven teams in the field would be Oklahoma, Drake, Texas, Minnesota, Baylor, SMU and TCU. One lane is being left open until the Thursday night scratch meeting of the coaches and officials.

The host Longhorns will be a favorite in the event along with Oklahoma and Drake. Texas ran a 3:19.5 -- just one-tenth off the Relays record by Southern Illinois last year -- at the West Texas Relays in Odessa recently.

Southern Illinois, ACC, Oklahoma State and Rice withdrew from the field for various reasons after the 8-team field was selected.

Baylor holds the collegiate record in this event with a 3:18 flat at last year's Drake Relays. Three of those four men return, led by Wayne Brandt and Dick Bourland.

SMU will featured Jim Bankhead while TCU will be a contender with Roger Hunt on the half-mile anchor.

Oklahoma's Calhoun brothers, Bill and Lee, make the Sooners a contender while Drake's last two runners include Charles Winkenwerder and Larry Schlotterbeck.

Texas' foursome of Tommy Keene, Steve Langham, Bob O'Bryan and Preston Davis set a new school record with thhat 3:19.5 at Odessa.

Over 1300 athletes begin competition Friday morning with preliminaries set morning and afternoon. Finals of the 39th Relays will be held Friday night and Saturday afternoon.

MARCH 30, 1966

FOR RELEASE AT 6 P.M. TODAY (WEDNESDAY, MARCH 30)

AUSTIN, Tex., March 30 --- A shade limited in quantity because of schedule conflicts, the 39th Texas Relays' high school field is virtually unlimited in quality, with some of the state's top schoolboys due to be in attendance at Memorial Stadium Friday and Saturday.

The state's best high hurdler, the No. 1 and No. 2 shotputters and the top high jumper head up the [redacted] field for this weekend's eight high school events -- and their talents pose threats to existing meet records, including the Relays' third oldest mark.

Clarence Johnson of San Antonio's St. Peter Claver is given a good chance to wipe out the 20-year-old 6-5 high jump record, set in 1946 by Houston Lamar's Vern [redacted] McGrew. Johnson had a brilliant 6-8 1/2 leap at the Border Olympics -- and he should be pushed toward a record this weekend by Doyle Lawhorn of Carthage, who has cleared 6-6.

Mike Robbins of Waco's University High is poised to attack the [redacted] Relays' 14.1 high hurdles mark which he shares. Robbins, who last spring tied the existing mark owned by Houston Jones' Johnny Morriss, owns the state's best hurdles time (13.6) and is a big [redacted] favorite to defend his 1965 championship.

Along with the high jump, there should be an excellent two-man duel in the high school shot, with Bill Elfstrom of Galveston and defending champion Ronnie Lightfoot of Copperas Cove both within throwing distance of the Relays record of 60-9 1/2, set in 1963 by Toby Belt of Houston Westbury. Elfstrom has the state's best throw this spring at 60-5 1/2, while Lightfoot -- his 1965 Relays winning throw was 58-8 1/4 -- has tossed the iron ball 60-1 1/2 this spring.

Although the 9.6 record appears safe, the Relays 100-yard dash should be one of the top high school events. Four entries have best marks of 9.8 this season -- Tommy Colgin of San Marcos, Joe Hutchinson of Austin Anderson, Roy McKinney of Austin Anderson and Ronnie Harris of Austin McCallum.

In the 440 relay, Baytown, which has the state's third best time (a non-winning 42.3 at the Border), is the top outfit entered. Its closest competition should come from San Marcos, which has run a 42.6.

But San Marcos is favored in the mile relay, having a best this season of 3:22.2, and with defending Conference AAA quartermile champion Charles Callihan running the anchor leg.

Not enough times have been logged in the two-mile and sprint medley relays yet this spring to give a clear indication of the favorites in those events.
