BIG 12 CHAMPIONS FOR LIFE

Texas volleyball player Chloe Collins focuses on achieving her goals of winning on the court and succeeding as a corporate communications major, all while endearing everyone she meets with her poise and vibrant personality. Trevor Ryan's exceptional work ethic and "never give up" attitude paid off when he received his athletic scholarship to play football for Iowa State. Oklahoma senior volleyball player Micaela Spann takes advantage of her platform as a student-athlete to be a role model for younger students and to show them that dedication can help you with anything in life. Texas football alumnus Selvin Young allowed his focus and hard work on the field to become a shield from reality, until an injury caused him to recognize that he might have to learn what life would be like outside of the game.
