SATURDAY STORYLINES

TECH HOSTS BAYLOR UNDER THE LIGHTS

- Texas Tech will put its undefeated record at home on the line Saturday when the Red Raiders host Baylor under the lights at Jones AT&T Stadium. The Red Raiders are a perfect 4-0 at home this season following a 48-10 rout of West Virginia this past weekend at home.

- The Baylor game, which coincides with Patrick Mahomes II's induction into the Texas Tech Ring of Honor, comes in a 6:30 p.m. kickoff where the Red Raiders are 44-18 in night games since 2002, a 71.0 winning percentage during that span. Mahomes will become the eighth member of the prestigious Ring of Honor during a halftime ceremony.

RED RAIDERS 'TAKE THREE' VS. WVU

- Since his hiring, Joey McGuire has preached that Texas Tech will be "Take Three University," a phrase dedicated to the Red Raiders' team goal of creating three takeaways per game. McGuire got his wish for the first time in his tenure against West Virginia as the Red Raiders picked off three passes and forced a fumble in a convincing victory.

- The Red Raiders picked off West Virginia three times in the win, their most against a Big 12 foe since totaling the same number in the 2019 matchup against Baylor. Texas Tech is now plus-2 in the turnover margin during Big 12 games this season.

OFFENSE ROLLING INTO BAYLOR GAME

- Texas Tech is averaging 560.5 yards of total offense the past two games, marking the first time the Red Raiders have compiled at least 500 yards in consecutive Big 12 games since doing so versus Oklahoma State and Baylor early in the 2019 season. Tech is averaging an impressive 518.3 yards of total offense per game thus far during Big 12 play.

- The Red Raiders currently rank third nationally in passing yards per game, averaging 363.6 yards a contest despite using three different starters at quarterback to this point. Behren Morton has thrown for 704 passing yards the past two games alone in his first two career starts.

RED RAIDERS BY THE NUMBERS

6

Texas Tech is the only school since 2013 to covert six fourth down attempts in two different games of a season as the Red Raiders lead the FBS with 20 fourth down coversions on 32 tries.

10

Texas Tech limited West Virginia to only 10 points this past weekend, the fewest for a Big 12 foe since the Red Raiders topped No. 24 TCU, 20-10, to open their league schedule in 2013.

107

Number of receiving yards Xavier White is averaging over the last three games as the senior is coming off a career-high 139 yards against West Virginia. He has caught at least eight passes in each of those three games.

HEAD COACH JOEY MCGUIRE

There's been a key ingredient to Joey McGuire's success throughout his career: authentic relationships.

It's the reason he became beloved as a high school coach, leading Cedar Hill to three state championships despite inheriting a program that had never won a playoff game prior to his promotion. It's also why he was so successful in transitioning to the collegiate level, helping rebuild a Baylor program that turned into a Big 12 contender during his tenure.

Now, McGuire will look to do the same at Texas Tech where he enters his first season as head coach. McGuire, a 2020 inductee into the Texas High School Coaches Association Hall of Honor and a 2022 member of the Texas High School Football Hall of Fame, was named the 17th head coach in program history by Director of Athletics Kirby Hocutt on Nov. 9, 2021.

In the short time since his hire, it hasn't taken long to quickly see McGuire's extensive ties to the state of Texas at work as Texas Tech has already established itself as the unofficial home to the Texas High School Coaches Association (THSCA). Those ties have already paid dividends early in his tenure as McGuire and his staff were able to sign an impressive 2022 class that ranked in the top-40 nationally. It marked the highest-ranked recruiting class for the Red Raiders since the 2012 class.

Texas Tech's success on the recruiting trail has stemmed, in part, due to the relationships McGuire has formed throughout the state through his connections with the THSCA. It can also be contributed to the charter staff he assembled shortly after his hire, namely with several successful assistant coaches who, like McGuire, began their careers at the high school level.

McGuire created one of the most-memorable turnaround stories in Texas high school football history during his 14 seasons leading Cedar Hill. The Longhorns not only won at a high level under McGuire, but they transformed into one of the state's most dominant programs with its first state title in 2006 and then back-to-back state crowns in 2013 and 2014.

Cedar Hill was an impressive 141-42 during McGuire's tenure, going from an unknown to a state champion in only his fourth season as head coach. The Longhorns' dynasty featured 12-consecutive playoff appearances, nine bi-district titles and seven district crowns under McGuire, including another appearance in the state title game in 2012 where Cedar Hill fell to Katy.

McGuire, at only the age of 31, was promoted to head coach at Cedar Hill prior to the 2003 season following six seasons as an assistant coach. Cedar Hill had not recorded a winning season in the eight years prior to his promotion, a streak he quickly ended with a 6-4 campaign in his debut. McGuire was previously an assistant coach at his alma mater, Crowley High School, during the 1995 and 1996 seasons prior to his move to Cedar Hill.

The back-to-back state titles provided McGuire with several opportunities to depart for the collegiate level, a move he wouldn't make until after the 2016 season when Matt Rhule contacted him shortly after his hire as the new head coach at Baylor. Needing someone with extensive ties throughout the state of Texas, Rhule hired McGuire initially as his tight ends coach. The move was perfect timing for McGuire, who had remained at Cedar Hill to coach his son, Garret, for his final two seasons.

Baylor reached bowl eligibility three times with McGuire on staff and were in the midst of an eventual run to the Big 12 crown and a second appearance in the Allstate Sugar Bowl when McGuire was tabbed as Texas Tech's new head coach late in the 2021 season. McGuire served as Baylor's associate head coach during each of his final three seasons as he oversaw three different position groups during his tenure: tight ends (2017-18), defensive ends (2019) and outside linebackers (2020-21).

Following his success helping rebuild the Baylor program, Texas Tech was an ideal fit for McGuire, whose daughter, Raegan, was a recent graduate of the university. McGuire had visited Lubbock numerous times previously either to see his daughter or earlier in life when several life-long friends attended the university. McGuire likes to say he would have attended Texas Tech, himself, had he not met his wife, Debbie. He eventually earned his bachelor's degree in kinesiology from the University of Texas at Arlington in 1995.

The couple's two children are also highly successful in their own walks of life as Garret is entering his third season as a member of the Carolina Panthers coaching staff. He was previously a quarterback at Baylor from 2017-20 before joining the coaching profession. Raegan, meanwhile, is a fashion designer for AMUR in New York City. She is engaged to her fiancé, Joe Tocco.

INSIDE JOEY MCGUIRE & THE BRAND

THE BRAND

The core tenant of the Texas Tech football program under McGuire revolves around The Brand, which stands for his desire that the Red Raiders become the "toughest, hardest-working, most-competitive team in the country." On his final interview for the Texas Tech position, McGuire described his vision for the Red Raider program using The Brand, which President Lawrence Schovanec said "describes West Texas."

THE HALL OF FAMER

There likely isn't a power-five football program in the state of Texas with better ties to its high school coaches than at Texas Tech as McGuire hired five members of his charter coaching staff that have ties to the Texas High School Coaches Association. McGuire, himself, is already a legend at the prep level as a member of the THSCA Hall of Honor and the Texas High School Football Hall of Fame.

COVER GUY

McGuire received one of the highlights of his career this past summer as he graced the cover of *Dave Campbell's Texas Football* alongside longtime friend and UTSA head coach Jeff Traylor. The publication, dubbed the football Bible of Texas, documented McGuire and Taylor's rise from state champion high school coaches to successful collegiate head coaches with the appropriate title, "Forged on Fridays."

THE UNOFFICIAL HOME OF THE THSCA

Since his hire as Texas Tech's head coach, **Joey McGuire** has made it a point to brand the Red Raiders the "unofficial home of the Texas High School Coaches Association." Already a Hall of Famer, himself, McGuire hired a charter staff filled with experience at both the collegiate and high school levels with five assistant coaches who have previous ties to the THSCA as well as a slew of support staff members.

Texas Tech also has three current student-athletes on its roster whose fathers are prominent high school coaches in the state in Allen's Lee Wiginton, the father of redshirt freshman wide receiver **Haydon Wiginton**, Amarillo Tascosa's Ken Plunk, the father of sophomore defensive back **Joseph Plunk** and Eastland's James Morton, the father of redshirt freshman quarterback **Behren Morton**.

FIRST-YEAR HCs at TEXAS TECH

■ The 98th season of Texas Tech Football will feature a new look on the sidelines this fall as **Joey McGuire** take over as the 17th head coach in program history. McGuire will be looking to send the Red Raiders back to a bowl game for a second-consecutive season in his debut. If history repeats itself, McGuire could be in store for a solid debut season as 11 of the 16 previous head coaches have recorded a winning record in their first year. Texas Tech has advanced to a bowl game in seven of those seasons previously, most recently in the Holiday Bowl in 2013 under **Kliff Kingsbury**.

■ First-year head coaches have found success in their debut season over the past few decades as six of that past seven leaders of the football program have boasted a winning record in their debut season. That list features **David McWilliams** (1986), **Spike Dykes** (1987), **Mike Leach** (2000), **Tommy Tuberville** (2010) and **Kliff Kingsbury** (2013).

■ McGuire is the sixth head coach all-time to inherit a football program coming off a bowl appearance, joining the likes of **Steve Sloan**, **Rex Dockery**, **Spike Dykes**, **Tommy Tuberville** and **Kliff Kingsbury**. Of that group, only Tuberville and Kingsbury returned the Red Raiders back to a bowl game during their debut season.

■ Of the head coaches in Texas Tech's history, McGuire resembles Dykes likely the best, not only for his charm and engaging personality but also his ties as a former high school head coach. Dykes spent a decade at the prep level with stops as an assistant in Eastland, Ballinger, San Angelo Central and then head coaching roles at Coahoma, Belton, Big Spring, Alice and Midland Lee. After three years as Texas Tech's defensive coordinator, Dykes was promoted to head coach prior to the 1986 Independence Bowl, starting a successful 13 seasons that featured 82 wins.

RECRUITING SUCCESS UNDER MCGUIRE

■ Texas Tech has reaped the benefits of McGuire's ties to the state of Texas in the months following his hire as the Red Raiders signed their best signing class since 2012. The class, boosted by McGuire's hiring in November, was ranked as high as 39th nationally by Rivals, a steady improvement from its spot in the 70s prior to his hire.

■ Texas Tech is currently ranked in the top-20 nationally for the 2023 class by both 247Sports and Rivals heading into the 2023 season. If that ranking stands, it would mark the highest-rated recruiting class for the Red Raiders in program history.

■ One of the key factors in Texas Tech's recruiting success was the hiring of **James Blanchard** as Director of Player Personnel. Blanchard, who flew alongside McGuire to Lubbock as soon as he received the head coaching position, was recently named one of the top rising personnel and recruiting staffers in the country by the On3.com website.

CEDAR HILL CONNECTIONS

■ **Joey McGuire** made his name in the coaching profession during his 14 seasons leading Cedar Hill High School in the Dallas-Fort Worth metroplex. In his first season as Texas Tech's head coach, he'll have five former Cedar Hill standouts on his roster in super senior linebacker **Dimitri Moore**, redshirt freshman outside linebacker **Charles Esters III** and then three true freshmen in defensive lineman **Harvey Dyson III**, defensive lineman **Syncere Massey** and defensive back **Jalon Peoples**.

■ The draw of playing for McGuire was so large for Texas Tech's three true freshmen from Cedar Hill that all three committed the night McGuire was named the Red Raiders' new head coach. Their signing plus several other commitments following McGuire's hiring helped push Texas Tech to its best signing class since 2012.

■ **Dimitri Moore** is the only Red Raider on the 2022 roster who can actively say he knows exactly what it's like playing for McGuire. The sixth-year senior was on McGuire's final team at Cedar Hill in 2016 before embarking on a successful collegiate career with stops at Vanderbilt and Missouri State. Moore was a member of McGuire's final state championship team at Cedar Hill as a sophomore in 2014.

■ While he did not graduate from Cedar Hill, **Jordan Brown** attended the high school up until his senior year as he was a freshman when McGuire departed for Cedar Hill. His older brother, Laquvionte Gonzalez, was on a Cedar Hill team under McGuire that played in the Class 6A state title game as a senior in 2012.

NOT THE ONLY COACH IN THE FAMILY

■ Turn on a television any weekend this fall and you could possibly see another McGuire roaming the sidelines as **Garret McGuire** is currently in his third season as an offensive assistant with the Carolina Panthers. Garret McGuire previously played under his father at quarterback at Cedar Hill High School before enjoying four years as a backup at Baylor.

TEAM NOTEBOOK

RED RAIDERS SET FOR 81ST MEETING WITH BAYLOR

■ Texas Tech and Baylor will meet for the 81st time this weekend in a back-and-forth series that Baylor now narrowly leads at 40-39-1 all-time entering this weekend. Each of the last three meetings have gone down to the wire with a total of seven points being the combined margin of victory during that span.

■ The Red Raiders have won 10-consecutive games against the Bears in Lubbock, including all eight contests during the Big 12 era. Texas Tech needed a 25-yard **Jonathan Garibay** field goal to secure a 24-23 victory over the Bears in their last visit to Lubbock in 2020, keeping Baylor winless in road games since a 21-15 victory over the Red Raiders in 1990.

■ The two schools are in their fourth year of returning the Texas Farm Bureau Shootout back to campus sites after playing the previous 10 meetings in the Dallas-Fort Worth metroplex (2009-18). The Red Raiders were only 4-6 against the Bears during that span but are 18-8 over the course of the Big 12 era. Texas Tech is a combined 24-15-1 all-time in home games against Baylor, which includes a 20-14 mark at Jones AT&T Stadium.

■ Texas Tech and Baylor combined for only 47 points in the 2020 meeting between the two schools and 51 points a year ago, the fewest since the Red Raiders pulled off a 20-13 victory in 2009. From 2010-19, both teams averaged more than 35 points per game against each other as the Red Raiders and Bears scored at least 30 points each in all but one of those games.

■ This will be the first time Texas Tech has hosted Baylor in a night game at home since the 2000 season when the Red Raiders blanked the Bears, 28-0, behind 322 passing yards and two touchdowns from **Kliff Kingsbury** and a pair of rushing scores from **Ricky Williams**.

■ Texas Tech and Baylor boast one of the longest-running series in the Big 12 as the two schools have met annually since 1956 dating back to their time in the Southwest Conference. Baylor controlled a 19-17 advantage over the Red Raiders during their SWC tenure but immediately lost its next 15 games in the series upon entering the Big 12 in 1996.

TEXAS TECH, BAYLOR CONNECTIONS

■ Saturday's contest will mark the first for Texas Tech head coach Joey McGuire against his former school in Baylor. The Bears represented McGuire's first position at the collegiate level as he served in a variety of roles at Baylor, coaching the tight ends from 2017-18, the defensive ends in 2019 and then the outside linebackers in 2020-21. He was promoted to associate head coach prior to the 2019 season. His son, Garret McGuire, was a quarterback for Baylor from 2017-20.

■ Following his hire at Texas Tech, McGuire formed a staff full of connections to Baylor as 10 coaches or support staff members are either Baylor graduates or previously worked for the Bears at one point. That list consists of inside linebackers coach **Josh Bookbinder** (Baylor '09), tight ends coach **Josh Cochran** (graduate assistant 2017-18, quality control 2019), head strength and conditioning coach **Lance Barilow** (senior associate director of athletics performance 2021), director of player personnel **James Blanchard** (Assistant A.D. for scouting 2019 and 2021), director of football operations **Quintin Jordan** (director of football operations 2019-21), director of scouting **Brian Nance** (three-year letterwinner 2014-15, 2017; associate director of player personnel 2019-21), offensive analyst **Kirk Bryant** (graduate assistant 2017-18, quality control assistant 2019-20), operations and recruiting assistant **Harrison Hanna** (associate director of equipment services 2018-21), **James Lockhart** (two-year letterwinner 2018-19, graduate assistant 2021) and post-grad recruiting intern **Jake Pittman** (Baylor '22).

■ Bookbinder, in particular, has significant ties to the Bears as he is the grandson of legendary Baylor head coach, **Grant Teaff**, who remains the school's all-time winningest head coach after compiling a 128-105-6 record over 21 seasons from 1972-92. Bookbinder was previously on the Baylor staff prior to joining McGuire with the Red Raiders as he was a defensive quality control assistant from 2019-21.

■ Baylor head coach **Dave Aranda** has experience on the Texas Tech sidelines, meanwhile, as he was a graduate assistant for the Red Raider defense from 2000-02, the first three seasons under **Mike Leach**. He earned his master's degree in interdisciplinary studies from the university in 2002 before accepting the linebackers coach position at Houston for the 2003-04 seasons.

■ Aranda's staff also features a former Texas Tech great in Lubbock native and cornerbacks coach **Kevin Curtis**, who was a two-time All-American and three-time All-Big 12 safety for the Red Raiders from 1998-01. Following his successful playing career, Curtis was drafted in the fourth round of the NFL Draft by the San Francisco 49ers where he spent three seasons. He returned to his alma mater in 2013 as the defensive backs coach under **Kliff Kingsbury**, a position he held for three seasons. He and Tech interim head coach Sonny Cumbie spent one year together on the same staff in 2013 as Cumbie departed Lubbock following that season to accept the quarterbacks coach role at TCU. Curtis is a member of the 2022 class to the Texas Tech Hall of Fame and will be formally inducted Friday night during a ceremony at the Overton Hotel and Conference Center.

■ Another former Red Raider great is also on the Baylor staff in recruiting and personnel assistant **Aaron Hunt**, who remains Texas Tech's all-time career sacks leader after recording 34.0 during the 1999-02 seasons. Hunt is a former teammate of Curtis as well as current Texas Tech associate director for player development **Sammy Morris**, who was a senior during each of their freshman seasons in 1999.

■ The Baylor roster features defensive back **Byron Hanspard Jr.** on their roster, the son of Texas Tech Hall of Fame member and Doak Walker Award winner **Byron Hanspard**. The elder Hanspard remains the Texas Tech career rushing yards leader after totaling 4,219 yards on the ground to go with 29 touchdowns over his Red Raider career from 1994-96.

CAREER NOTABLES VERSUS THE BEARS

■ **Tahj Brooks** has found the end zone in each of the last two meetings against the Bears as he rushed 14 times for 48 yards and a pair of touchdowns in the 2020 victory over Baylor before adding another 14 carries for 40 yards and a score a year ago. All three of his touchdowns have come near the goal line with the longest coming from only two yards out in 2020.

■ **Adrian Frye** is the only Red Raider on the Texas Tech roster who will have faced Baylor five times following Saturday's game. He has six career tackles and a forced fumble in his career versus Baylor.

■ **Austin McNamara** has built a reputation as one of the nation's top punters the past three-plus seasons, delivering numerous booming kicks during that time. He's only failed to be called upon to punt one time in his career, which came in the 2020 game against Baylor where he only served as a field goal holder. McNamara has attempted seven punts in his other two games against Baylor, averaging 45.9 yards per punt with a long of 60 during that span.

■ **Reggie Pearson Jr.** set a career-high with 11 tackles in the 2021 matchup between the two schools as it marked his second career game with double-digit stops. Pearson's previous career high came as a redshirt freshman at Wisconsin in 2019 when he had 10 tackles at Nebraska.

■ **Donovan Smith** completed 16-of-24 passes for 263 yards and two touchdowns a year ago against Baylor in what was only the third start of his career. Smith's performance was highlighted by a 75-yard strike to T**ravis Koontz** midway through the fourth quarter, which remains the longest completion of his career.

■ **SaRodorick Thompson** is averaging an impressive 79.7 yards per game over his career against Baylor, his highest average against any Big 12 opponent. He has received 42 carries all-time versus Baylor, resulting in 239 yards and a pair of touchdowns. The bulk of that total came in 2019 when he recorded 153 rushing yards and two touchdowns on 28 carries. It marked the first 100-yard rushing game of Thompson's career as he has added four more over the last two-plus seasons. His 153 rushing yards and 28 carries remain career highs to this day.

MAHOMES SLATED TO ENTER RING OF HONOR THIS WEEKEND

■ Texas Tech great **Patrick Mahomes II** will become the eighth member of the prestigious Ring of Honor this weekend as he will be inducted during a halftime ceremony presented by American State Bank. Mahomes, who will also be enshrined in the Texas Tech Hall of Fame, will join a select group in the Ring of Honor consisting of legends such as **Donny Anderson** (2012), **E.J. Holub** (2012), **Dave Parks** (2012), **Gabe Rivera** (2014), **Zach Thomas** (2016), **Michael Crabtree** (2021) and **Elmer Tarbox** (2021).

■ Mahomes was surprised with the announcement of his pending Ring of Honor induction on Aug. 20 following the Kansas City Chiefs' preseason win over the Washington Commanders. Texas Tech Director of Athletics **Kirby Hocutt** and President **Lawrence Schovanec** joined Mahomes on the field to unveil his upcoming enshrinement as part of a video presentation on the Arrowhead Stadium screens. Mahomes will be inducted into both the Texas Tech Hall of Fame and Ring of Honor following a unanimous vote of the Ring of Honor committee this summer.

■ The fact that his induction is coming in a game versus Baylor is somewhat ironic as Mahomes recorded several of his best games against the Bears. Over his three starts against Baylor, Mahomes combined to complete 92-of-152 passes for an astounding 1,599 yards (533 yards per game average) and 14 touchdowns. His final game as a Red Raider came in the 2016 finale against Baylor where he threw for 586 yards and six touchdowns in Texas Tech's 54-36 victory.

FOURTH DOWN SUCCESS

■ Much has been said about **Joey McGuire's** aggressive approach to fourth downs this season as Texas Tech is 20-of-32 on conversion attempts already this season. The philosophy is one he gained an appreciation for while at Baylor last season as the Bears were among the most aggressive teams in college football, going 22-of-35 on fourth down attempts en route to a run to the Big 12 title. Baylor closed the 2021 season ranked tied for 10th nationally in most successful fourth-down conversions, which resulted in 86 points compared to only 17 points allowed for failed attempts.

■ This weekend's matchup will ironically put two of the most aggressive teams in the country against each other as Baylor and Central Michigan are tied for second in the FBS with 16 fourth down conversions, trailing Texas Tech's 20 to this point. Central Michigan is also second for most fourth down attempts with 29 this season behind the Red Raiders' 32.

■ Texas Tech has converted 64.5 percent of its fourth down tries, resulting in 79 points. Failed fourth downs have only resulted in 27 points for opponents thus far, with seven of those not being the fault of the Red Raider defense as N.C. State took a fourth down interception back for a touchdown.

■ McGuire's aggressive nature was a key reason for Texas Tech's victory in its Big 12 opener against Texas as the Red Raiders were 6-of-8 on fourth downs, marking the most conversions in a game dating back to 2000 and the most for a power-five program so far this season. The Red Raiders matched that total by going 6-for-7 on fourth downs against West Virginia, which were all in the first half. Dating back to 2013 when the NCAA began tracking single-game highs for fourth down conversions, Texas Tech is the only school to successfully move the sticks six times on fourth downs in two separate games in a season. Only UTEP has converted the same number of fourth downs in an FBS game this year as the Miners were also 6-of-8 on Oct. 8 against Louisiana Tech.

■ Texas Tech turned its six successful fourth down conversions into a season-high 27 points against the Longhorns, while its two failures did not hurt the Red Raiders as Texas was unable to convert into scoring drives of its own. The Red Raiders were 4-for-6 on fourth down tries in the second half of that game, which led to 20 key points down the stretch leading into an overtime victory.

A $200 MILLION INVESTMENT

■ Texas Tech announced its largest investment into the Red Raider football program to date in July as the athletics department unveiled plans for an approximate $200 million facilities project to construct a new south end zone building to Jones AT&T Stadium, which will connect to the new Dustin R. Womble Football Center. The newly-constructed facilities will include over 300,000 combined square feet and blend world-class modern design and technology elements with Spanish architecture well known to Texas Tech supporters.

■ Texas Tech will relocate its coaches' offices to the third floor of the south end zone, which will overlook Cody Campbell Field at Jones AT&T Stadium and connect to both the Womble Football Center and the Sports Performance Center through a skybridge. Plans are for the Womble Football Center to be constructed on the same land that currently occupies the present Football Training Facility, featuring two stories in height as well as the expansion to Sixth Street to further increase the overall square footage of the facility.

■ Texas Tech will maintain its football strength and conditioning, sports medicine and equipment areas on the main level of the Womble Football Center as part of the new layout. The second floor will connect to the skybridge, housing many of the football program's meeting spaces, including individual position rooms and the Spike Dykes Team Meeting Room. This floor will also feature a revolutionary 6,000-plus square foot multi-purpose walkthrough area designed to allow for large-scale indoor team strategy implementation, instruction and technique evaluation.

■ Between the south end zone project and the Womble Football Center, the two facilities will contain space for both recruiting and players' lounges, a new player locker room, a television studio for gameday and social media content as well as a significant investment into technology through digital signage and displays.

■ The project is slated for groundbreaking immediately following the 2022 football season in anticipation of opening in 2024.

■ The same could be said for its performance against West Virginia as Texas Tech's six fourth down conversions eventually led to 14 early points. The Mountaineers, meanwhile, stalled out on their lone drive that resulted from a failed Tech fourth down attempt as the Red Raiders are now plus-52 on their fourth-down decisions this season.

■ With five games still to play, Texas Tech's 20 successful fourth down conversions already rank as the third-highest total dating back to 2000. Texas Tech's most during that span came in 2002 when the Red Raiders moved the sticks on 25-of-40 tries on fourth down.

STRETCH NOT SEEN IN RECENT MEMORY

■ Texas Tech arguably faced the most difficult start to its season as the Red Raiders went 2-3 over a five-game stretch against ranked opponents that ended with Oklahoma State (week six). During that span, the Red Raiders recorded wins over then-No. 25 Houston and No. 22/19 Texas and fell in all three road trips to No. 16/12 N.C. State, No. 25 Kansas State and No. 7 Oklahoma State.

■ This is the first time in program history the Red Raiders have had five ranked opponents fall in the first six games of their schedule. In fact, the challenging start to the season ranks among the most difficult in recent memory as Texas Tech is only the fourth team since 1980 to face an Associated Press top-25 opponent in five of the first six games of a season. According to research from STATS, Inc., Texas Tech joins the likes of Michigan State (1987), Tennessee (1991) and Ohio State (1995) in facing similar challenging starts against AP top-25 teams.

■ Of those four schools, Texas Tech is the only school to feature a first-year head coach in **Joey McGuire**. He becomes the first head coach in the FBS since 1980 to face five AP top-25 opponents in the first six games of his debut season.

■ At the time of the Oklahoma State game, Texas Tech was the only school in the country to already face five top-25 opponents. Florida ranked second nationally as the Gators had already gone against three AP-ranked foes through that weekend.

■ The five-straight games against ranked opponents matched the longest streak in school history that was previously set in 2012. That season, the Red Raiders, similarly, went 2-3 during a stretch against No. 14 Oklahoma (L, 20-41), No. 4 West Virginia (W, 49-14), at No. 21 TCU (W, 56-53 in 3OT), at No. 4 Kansas State (L, 55-24) and against No. 22 Texas (L, 31-22).

■ With its win over Texas, the Red Raiders recorded multiple wins over ranked opponents in the same season for the first time since 2012 when Texas Tech topped No. 4 West Virginia and No. 21 TCU in consecutive games. Texas Tech still has one currently-ranked opponent still on its schedule in No. 8 TCU and three others that have appeared in the polls this season in Baylor, Kansas and Oklahoma. The Red Raiders have not dropped three ranked opponents in the same season since 2008 when the Red Raiders knocked off No. 19 Kansas, No. 1 Texas and No. 8 Oklahoma State over three-straight games.

A CHALLENGING START TO THE SEASON
Stats, Inc. research into the number of times since 1980 where schools have faced five top-25 teams in the first six games.

Year	School	Record*
1987	Michigan State	4-2
1991	Tennessee	4-2
1995	Ohio State	6-0
2022	Texas Tech	3-3

* indicates record through first six games.

■ The victory over Texas marked the first time in program history that Texas Tech defeated multiple ranked opponents in the first four games of a season. In its history, Texas Tech had started off only one other season with three of its first four games against ranked opponents as the Red Raiders last did so in 1978 against the likes of No. 9 Southern Cal, No. 6 Texas and No. 7 Texas A&M.

■ The victory over Houston marked Texas Tech's first win over a ranked opponent since early in the 2019 campaign when the Red Raiders surprised No. 21 Oklahoma State with a 45-35 victory inside Jones AT&T Stadium. It also marked Texas Tech's first win over a ranked non-conference opponent since defeating No. 20 Arizona, 24-14, at home to start the 1989 season. It snapped a streak of 13-consecutive regular season losses against ranked non-conference foes. The Cougars represented the first top-25 non-conference opponent to fall on the Red Raiders' schedule since Texas Tech fell at No. 17 Houston, 29-28, early in the 2009 season.

■ For **Joey McGuire**, he became only the second head coach in program history to defeat a top-25 team in his first game against a ranked opponent after topping Houston. He joins **Kliff Kingsbury** as the only other head coach to do so after the Red Raiders edged No. 24 TCU, 20-10, in what was only the third game of Kingsbury's tenure in 2013.

■ The win over Texas, meanwhile, helped McGuire join both Kingsbury and **JT King** (1961) are the only two head coaches in program history to record multiple wins against ranked opponents in their debut season. Kingsbury also topped No. 16 Arizona State in the Holiday Bowl to wrap the 2013 season, while King led the Red Raiders to victories over No. 21 TCU and No. 23 Baylor in 1961. McGuire would become the first head coach in program history with three ranked wins in his debut season with another top-25 victory this year.

■ Since both Houston and N.C. State remained in the top-25 polls prior to their matchups with the Red Raiders, it marked the first time since 2002 that Texas Tech has faced multiple ranked non-conference opponents in a season. The Red Raiders previously started the 2002 campaign at No. 12 Ohio State before traveling later to face No. 16 N.C. State in the fourth week of the season.

■ It was only the sixth time the Red Raiders have faced multiple ranked non-conference opponents in a regular season since joining the Southwest Conference in 1960. Texas Tech also faced multiple ranked non-conference teams in 1994 (No. 1 Nebraska, No. 21 Oklahoma), 1992 (No. 15 Oklahoma, No. 25 N.C. State), 1990 (No. 18 Ohio State, No. 8 Miami) and 1975 (No. 15 Oklahoma State, No. 13 Arizona).

■ Prior to the season, Texas Tech was one of only four power-five conference schools that were slated to face at least two non-conference opponents ranked in the preseason Associated Press top 25. That list also included Pac-12 programs Oregon and Stanford along with the SEC's Arkansas.

■ There was just one power-five program, Mississippi State, that had more preseason AP top-25 teams on its season schedule than Texas Tech with six. The Red Raiders' schedule pit them against five AP preseason top-25 ranked opponents as Texas Tech was one of 10 power-five teams that was faced with that type of 2022 schedule (Georgia Tech, Louisville, North Carolina, Syracuse, Stanford, Arkansas, Auburn, South Carolina and Vanderbilt).

NEWS & NOTES HEADING INTO BAYLOR

■ Texas Tech is a perfect 4-0 at home this season as a victory over Baylor would mark the Red Raiders' most home victories in a season since finishing 6-1 inside the friendly confines of Jones AT&T Stadium in 2019. The victory over West Virginia locked in a winning season at home for the Red Raiders with three games still remaining on the schedule (Baylor, Kansas, Oklahoma).

■ The victory over West Virginia improved the Red Raiders to 19-13 during the Big 12 era in the week following an open date. Texas Tech now has wins in four of their last six games following an open date with three of those victories coming against West Virginia (2019, 2020, 2022) and another versus Iowa State a year ago.

■ Following a stretch of five ranked opponents in the first six games, Texas Tech will look to win at least two of its final five games to become bowl eligible for the second-consecutive season and the 40th time in school history. Texas Tech is looking to return to a bowl in back-to-back seasons for the first time since the 2012-13 campaigns.

■ Texas Tech has had 39 different players start a game this season, which currently ranks fifth nationally in the FBS and third among power-five schools. The Red Raiders trail only New Mexico (47), Kentucky (40), Northern Illinois (40) and Colorado (40) .

■ According to Nielsen Media Research, Texas Tech's trip to Oklahoma State drew 1,633,000 television viewers, marking the most-watched Big 12 Conference game on FS1 since November 2017.

■ The loss to Oklahoma State snapped a streak of six-consecutive wins for the Red Raiders when scoring at least 30 points that dated back to early in the 2021 season. Texas Tech is 3-1 in such games this season after its victory over West Virginia.

MIDDLE EIGHT GOING THE RED RAIDERS' WAY

■ One of the key components of **Joey's McGuire's** official "Plan to Win" at Texas Tech is for the Red Raiders to win the middle eight minutes (last four of second half, first four of third quarter). Thus far, the Red Raiders are outscoring opponents 48-17 during that time.

■ The Red Raiders have been particularly effective heading into the half, scoring touchdowns with less than four minutes remaining against Murray State, Houston, N.C. State and Kansas State. The touchdowns versus both Houston and N.C. State came with less than a minute remaining and were the result of explosive plays from **Myles Price**, who went 54 yards to the end zone against the Cougars and 24 yards versus the Wolfpack.

■ Texas Tech went into the half feeling good at Kansas State after 10 quick points before the clock ran out as **Nehemiah Martinez** caught a six-yard touchdown pass with 1:24 remaining and **Trey Wolff** nailed a 51-yard field goal as time expired. The field goal from Wolff marked the longest of his career.

■ Points isn't the only thing that matters in McGuire's metrics as Texas Tech's ability to force turnovers helped the Red Raiders pull away from West Virginia. Texas Tech went into the half rolling after a **Dadrion Taylor-Demerson** interception with 13 seconds remaining and proceeded to pick off another after the break thanks to a **Malik Dunlap** interception of his own. That led to an **Xavier White** 55-yard touchdown strike from **Behren Morton** just two plays later to give the Red Raiders a 24-3 lead with 13:14 remaining in the quarter.

60 MINUTES JUST ISN'T ENOUGH

■ Texas Tech is now 9-7 all-time in overtime games after going past regulation to defeat both No. 25 Houston and No. 22/19 Texas. The win over Houston snapped a three-game losing streak in overtime contests as the Red Raiders' last overtime win came in 2016 with a 27-24 victory at TCU. Like **Donovan Smith**, Texas Tech also capitalized on the quarterback scramble in that win as **Patrick Mahomes II** found the end zone from 15 yards out in the first overtime, which was followed by a **Clayton Hatfield** 37-yard field goal to win it a period later.

■ Texas Tech overcame a 14-point deficit in the second half to defeat Texas, its largest since overcoming a similar amount in the 2021 season opener against Houston. Additionally, it marked the first time the Red Raiders had rallied from a deficit of at least 14 points to win a Big 12 game since trailing by 20 points in a 45-34 victory at Kansas in 2011. It also matched the second-largest deficit Texas Tech has ever rallied back from in its series against Texas as the Red Raiders overcame a 17-point deficit in its 1988 win at home.

■ Texas Tech has won multiple overtime games in a season for only the third time since the NCAA began allowing games to go past regulation in 1996. The Red Raiders also scored multiple overtime wins in 2012 (Kansas, at No. 21 TCU) as well as 2006 (at UTEP, bowl game versus Minnesota). The victory over Texas marked the first time in program history that the Red Raiders won back-to-back home games in overtime.

■ Texas Tech is now 4-4 all-time in overtime games against ranked opponents as prior to this season, the Red Raiders had only recorded wins over No. 23 Texas A&M in a memorable 2002 victory and then No. 21 TCU in 2013. The Red Raiders had gone to overtime in two of the last three seasons previously, falling at No. 22 Baylor and against No. 8 Texas in 2020.

■ Texas Tech is one of only four schools to play multiple overtime games this season as the Red Raiders are joined by Bowling Green, Houston and UTSA. Houston leads all FBS programs with three overtime games already this season.

OH BROTHER

■ Texas Tech has a pair of brothers on its team this year in super senior linebacker **Dimitri Moore** and true freshman defensive back **Jalon Peoples**. The pair, who previously starred at Cedar Hill High School where Joey McGuire was once the head coach, are the first set of brothers to appear on the Red Raider roster since **Tony** and **Alfredo Morales** were both members of the offensive line in 2015.

HOMETOWN PRIDE
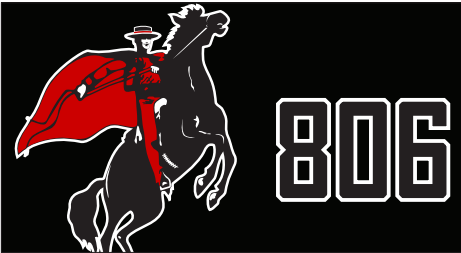

Texas Tech will recognize the hometowns of every student-athlete on its roster this season with a special decal on the back of each gameday helmet. The decal will feature a throwback Masked Rider logo with the area code associated with each student-athlete's hometown as part of a new initiative under head coach Joey McGuire in his first season.

PLENTY OF EXCITEMENT FOR MCGUIRE ERA

■ The excitement over **Joey McGuire's** hire has been felt across Texas Tech Athletics since last November as the athletics department saw significant increases in ticket sales heading into the season opener. Texas Tech boasts more than 7,000 new season ticket holders this year, pushing its total to more than 28,000, which ranks in the top 10 all-time in school history.

■ In addition to the rise in ticket sales, McGuire experienced sold out crowds throughout the state of Texas as part of the Red Raider Club Wreck'Em Tour. McGuire, who spoke to more than 50 groups since his hire this past year, sold out events in Dallas, Fort Worth, Midland, Abilene, San Antonio and Houston as part of the tour to greet donors and supporters throughout the state. Texas Tech also benefited from sold out crowds in Lubbock with more than 1,300 fans who attended the Red Raider Club Kickoff Luncheon prior to the season.

■ The hype is real: Game one of the **Joey McGuire** era marked the largest home opening crowd (58,823) since 2016 when Texas Tech hosted Stephen F. Austin (60,097). The attendance mark against Murray State ranked just outside the top-10 all-time in Jones At&T Stadium history.

■ Texas Tech announced a sellout for its win over Texas as 60,975 fans enjoyed the Red Raiders' victory over their in-state rival. That attendance number marked the fourth-highest in Jones AT&T Stadium history and its highest all-time in the series versus Texas. It was the first sellout for Texas Tech since doing so in back-to-back weeks late in the 2018 season against Oklahoma and Texas. Texas Tech has already announced a sellout for its Oct. 29 home game with Baylor.

■ Through four home games, Texas Tech has been at 96.2 percent of its capacity, which ranks 23rd in the country and fourth in the Big 12 Conference. The Red Raiders are averaging 58,150 fans per game, which is also the fourth-highest total currently in the Big 12.

NEW YEAR, NEW NUMBER

■ There are a few Red Raiders donning new jersey numbers for Texas Tech this season. To the right is a listing of 16 different Red Raiders who changed their jersey number this past offseason.

MINOR HOLDS ON TO COVETED NO. 3 JERSEY

■ Prior to preseason camp, **Joey McGuire** declared the No. 3 jersey will be the most coveted number on the Red Raider roster. The reason being is that it'll honor the late Luke Siegel, who passed away in August 2021 at the age of only 15. Siegel, the son of former Texas Tech tennis coach Tim Siegel, suffered a traumatic brain injury in a golf accident when he was nine but continued to fight as part of his recovery that generated widespread national attention. The No. 3 represented Luke's favorite number.

■ After more than 20 preseason practices, McGuire declared the winner was the same Red Raider who wore the number at the start of camp – sophomore defensive back **Kobee Minor**. Minor, who entered his third season as a Red Raider this fall, solidified his spot in the two-deep with a strong preseason camp and participated as the backup to Adrian Frye at cornerback in the season opener against Murray State. He switched to the No. 3 jersey starting with his 2021 redshirt freshman season.

■ As part of his announcement, McGuire praised Minor's performance during preseason camp, saying the following: "We were very honest with Kobee this summer and said 'you're going to have to fight to keep that number' and that's what he did. That type of fight defined Luke Siegel, so, in a way, it's almost perfect that Kobee honors his memory this season. I'm very proud of Kobee and what he's done to make this team better."

MORE ON THE SCHEDULE...

■ Texas Tech will host seven games in 2022, the most in a single season since 2009. In the previous 97 seasons of football, the Red Raiders have hosted seven or more games 12 times. Tech is a combined 66-21-1 in those 12 seasons.

■ Before the two become league mates, Texas Tech and Houston closed a four-game series against each other with the Cougars' trip to Lubbock in week two. The Red Raiders have now won 10 of the past 11 meetings against the Cougars and are 5-1 in the six meetings since the Southwest Conference folded after the 1995 season.

■ The Red Raiders traveled to N.C. State on Sept. 17 for the first meeting of a home and home series. The Wolfpack will make a return trip to Lubbock during the 2027 season.

■ The Red Raiders' Nov. 19 game against Iowa State this season will be the third November pairing in Ames in the history of the series. The first November matchup was Nov. 22, 2014 - kickoff temperature was 54 degrees at the 2:35 p.m. kickoff - which was a 34-31 win

JONES AT&T STADIUM HISTORY

■ Jones AT&T Stadium, home of Red Raider Football since Nov. 29, 1947, is arguably one of the most electric gameday atmospheres in all of college football. Armed with 60,000-plus rabid fans, Dave Curtis of The Sporting News proclaimed in May of 2010 that Jones AT&T Stadium was the "best home field advantage in all of college football."

■ Since 2003, Texas Tech has invested $150 million into the facility with four major renovations, making Jones AT&T Stadium one of the best on-campus football facilities in the country. The renovations have included a $52 million West Stadium Building, the $34 million East Stadium Building and the $16 million north end zone renovation.

■ The stadium was officially renamed from Jones Stadium to Jones SBC Stadium in 2000 following major corporate gifts (in excess of $25 million) from SBC Communications (now AT&T). The stadium was renamed again in 2006 to Jones AT&T Stadium after SBC Communications formally changed its name to AT&T. The "Jones" in Jones Stadium comes from former Texas Tech president Clifford B. Jones and his wife Aubrey. The stadium was named in their honor upon its opening in 1947.

■ In addition to consistent renovations to Jones AT&T Stadium, Texas Tech unveiled the $48 million Sports Performance Center in 2017. The facility includes the Petersen Family Indoor Football Practice Facility, an indoor track and field competition complex with seating for 1,500 fans, a strength and conditioning area, the Becky and Kelly Joy Nutrition Center and the PlainsCapital Bank Sports Medicine Center.

■ Outside of the 2020 season where attendance was restricted to only 25 percent, Texas Tech has averaged more than 55,000 in all but two seasons (2019, 2021) since 2010 with a record mark of 58,934 fans during the 2014 campaign.

for Texas Tech. The second was Nov. 19, 2016 - kickoff temperature was 38 degrees with a 32 degree wind chill for the 2:35 p.m. kickoff - which was a 66-10 loss.

■ Home for Thanksgiving weekend: Turkey Day will be celebrated with a home game this season for the first time since 2010 when the Red Raiders welcomed Houston. Texas Tech has not hosted a Thanksgiving weekend game at home against a conference opponent since 2008 when the Red Raiders, edged Baylor, 35-28. This year's opponent for the weekend will be Oklahoma (Nov. 26).

■ Texas Tech closes the 2022 regular season at home versus Oklahoma on Nov. 26. The Red Raiders will be seeking their first victory over the Sooners since defeating the then-No. 1 team, 41-38, in 2011. Soon-there-after the much anticipated project on the South End Zone renovation will commence.

DEGREES IN HAND

■ Texas Tech entered the 2022 season with 20 student-athletes who are current college graduates, including 10 who earned their undergraduate degrees in Lubbock. The list of Tech graduates includes **Tony Bradford Jr.** (Sociology), **Patrick Curley** (Mechanical Engineering), **Kosi Eldridge** (University Studies), **Adrian Frye** (Sport Management), **Jaylon Hutchings** (Kinesiology), **Krishon Merriweather** (University Studies), **Gabe Oladipo** (University Studies), **Xavier White** (University Studies), **Tyree Wilson** (University Studies) and **Weston Wright** (General Studies).

■ In addition, 10 other Red Raiders transferred to Texas Tech after earning their degrees at various other universities. That list features **Keyon Blankenbaker** (American Studies; Wyoming), **Myles Cole** (Kinesiology; Louisiana-Monroe), **Dimitri Moore** (Cinema and Media Arts; Vanderbilt), **Vidal Scott Jr.** (Health Studies; Arkansas State), **Tyler Shough** (General Social Science; Oregon), **Cole Spencer** (Masters of Business Administration; Western Kentucky), **Chadarius Townsend** (Human Environmental Science; Alabama), **Marquis Waters** (Sociology; Duke), **Matthew Young** (Business Marketing; New Mexico State).

■ Townsend, in addition to his undergraduate degree from Alabama, obtained his master's of science from Texas Tech this past year in interdisciplinary studies with a concentration in essentials of business, educational leadership and sport management.

SUPER SENIORS

■ Any time a new head coach is introduced in this era of college football, many begin to wonder how that will impact the next year's roster in terms of transfers. For Texas Tech, the process worked in favor of **Joey McGuire** and his staff, who made it their first priority to acclimate themselves with members of the current roster. As a result, Texas Tech had six super seniors off last year's roster choose to return for one additional year of eligibility. That list includes linebackers **Krishon Merriweather**, **Kosi Eldridge** and **Matthew Young**, wide receiver **Chadarius Townsend** and defensive backs **Adrian Frye** and **Marquis Waters**.

■ McGuire and his staff were also able to add experienced depth to the roster through the transfer portal, signing the likes of five super seniors in linebacker **Dimitri Moore** (Vanderbilt/Missouri State), defensive back **Keyon Blankenbaker** (Wyoming), offensive lineman **Cole Spencer** (Western Kentucky and defensive lineman **Vidal Scott Jr.** (Arkansas State). Spencer, in particular, arrived at Texas Tech with 44 starts over his career at Western Kentucky where he earned first team All-CUSA honors a year ago under now Texas Tech offensive coordinator **Zach Kittley** and offensive line coach **Stephen Hamby**.

■ Texas Tech picked up its final super senior early in preseason camp as three-time Big 12 throws champion **Gabe Oladipo** joined the program. Oladipo, who holds the Texas Tech school records in both the hammer (211 feet) and weight throws (73'-7.25"), adds significant size to Texas Tech's defensive front, has recorded bench presses of 440 pounds and squad lifts of 875 pounds during his career.

NEW MASKED RIDER, HORSE MAKES DEBUT

■ One of the best traditions in college football will have several new faces this season as Texas Tech will debut a new Masked Rider in Caroline Hobbs as well as a new horse. The horse's official name, Centennial Champion, was unveiled Friday, Sept. 2 through the Texas Tech spirit programs following a fan vote with proud corporate partner, United Supermarkets.

DERUYTER RETURNS TO THE LONE STAR STATE

■ Following three stops on the West Coast, first-year Texas Tech defensive coordinator **Tim DeRuyter** is back in the state of Texas having last coached in the Lone Star State as the defensive coordinator at Texas A&M from 2010-11.

■ DeRuyter's last three stops included Fresno State (head coach, 2012-16), California (2017-20) and Oregon (2021).

➔ **Oregon:** DeRuyter's lone season on staff ranked No. 21/22 in the final polls after compiling a 10-4 record, which featured appearances in the Pac-12 Championship and the Valero Alamo Bowl. The Ducks boasted one of the nation's most opportunistic defenses in 2021 as Oregon closed the year ranked fifth in the FBS with 17 interceptions and 26th nationally with 22 total takeaways. DeRuyter's unit featured two of the nation's top players in defensive end Kayvon Thibodeaux and safety Verone McKinley III. Thibodeaux, who became the first Oregon defensive standout to earn unanimous first team All-American accolades was selected with the fifth overall pick in the 2022 NFL Draft by the New York Giants, marking only the second time in Oregon history a defensive player has been chosen in the top five. McKinley, meanwhile, was a consensus All-American after sharing the FBS lead with six INTs from his spot in the back end of the Oregon defense.

➔ **Cal:** The Bears ranked 127th in scoring defense the season before DeRuyter's arrival in Berkeley, but immediately improved to the point where Cal ranked No. 22 in 2018 (20.4 ppg) and No. 33 in 2019 (21.9 ppg). The Golden Bears followed that by only giving up 26.5 points per game during his final season in 2020.

➔ **Fresno State:** The Bulldogs had their first unanimous All-American in program history in defensive back, Phillip Thomas, under DeRuyter. He was also one of three finalists for the Jim Thorpe Award as he led the nation with eight interceptions in 2012. Fresno State won conference titles in DeRuyter's first two seasons and led the Bulldogs to a ranking as high as No. 13 during the 2013 season behind current NFL standouts Derek Carr and Davante Adams.

➔ **Texas A&M:** Future NFL great Von Miller flourished under DeRuyter's direction with the Aggies, claiming the prestigious Butkus Award in 2010 as the nation's top linebacker. Miller garnered first team All-America honors for the second time in his career that season before eventually being selected No. 2 overall the next spring by the Denver Broncos during the 2011 NFL Draft.

■ A&M was one of eight stops as a defensive coordinator for DeRuyter, who has also served in a similar role at Air Force (2007-09), Nevada (2005-06), Ohio (1995-98, 2002-04) and Navy (1999-00). DeRuyter coordinated one of the nation's most successful defenses at Air Force in 2009 when they were No. 5 in pass defense (154.31), No. 10 in scoring defense (15.69) and No. 11 in total defense (288.31).

TEXAS TECH QUARTERBACK ROOM

THE DEEPEST QUARTERBACK ROOM IN THE COUNTRY

■ After head coach **Joey McGuire** pushed the Red Raiders' quarterback battle from spring to preseason camp, he reminded offensive coordinator **Zach Kittley** that he'd likely never experience this type of talent in one single room possibly ever again in his career. Through the first half of the season, that depth has paid off as the Red Raiders have used three different starters behind center in senior **Tyler Shough** (one game), sophomore **Donovan Smith** (four games) and redshirt freshman **Behren Morton** (two games).

■ Texas Tech is one of six schools in the country to utilize at least three different starting quarterbacks this season, joining Rutgers, Colorado, Colorado State, Liberty and Northern Illinois.

■ Texas Tech is the only school in the FBS to have more than one quarterback that has thrown for at least 300 yards in multiple games this season as Smith has done so three times, while Morton is coming off a 379-yard performance at Oklahoma State and 325 passing yards against West Virginia. Texas Tech has thrown for at least 300 yards in six of seven games this season, which leads the Big 12 and ranks tied for second in the FBS behind only Washington (8).

■ This is now the sixth-consecutive season where Texas Tech has utilized multiple starting quarterbacks and the fourth time in the past five seasons where three different starters were used under center (2018, 2019, 2021, 2022). Since moving to a spread offense in 2000, Texas Tech had only used three different starting quarterbacks once previously, which came in 2009 with **Taylor Potts**, **Steven Sheffield** and **Seth Doege**. Texas Tech finished that season at 9-4 overall with a win in the Alamo Bowl.

■ This is the sixth-consecutive season where the Red Raiders have debuted a new quarterback who was making his first career start.

MORTON HITS 300-YARD MARK IN EACH OF HIS FIRST TWO STARTS

■ **Behren Morton** has displayed the type of potential that made him one of the top recruits in the 2021 class during to first two starts of his career as he threw for 379 yards and two touchdowns at Oklahoma State before following with 325 yards and two additional scores last weekend against West Virginia. His performance against Oklahoma State alone marked the 10th time since 1999 where a Red Raider has thrown for 300 yards in his first career start.

■ Morton became the eighth Texas Tech freshman to make his first career start at quarterback during the Big 12 era, joining **Kliff Kingsbury** (1999), **Seth Doege** (2009), **Baker Mayfield** (2013), **Davis Webb** (2013), **Patrick Mahomes II** (2014), **Alan Bowman** (2018) and teammate **Donovan Smith** (2021). Among that group, Morton was the sixth quarterback to make his first career start against a Big 12 foe.

■ During the Big 12 era (1996-present), Morton's 379 passing yards were the third-highest total for a Red Raider making his starting debut against a conference opponent. He trailed only the 490 passing yards **Steven Sheffield** compiled versus Kansas State in 2009 and the 415 yards **Davis Webb** totaled against Iowa State in 2013. Webb's outing is the only freshman performance that has topped Morton's numbers from the Oklahoma State game.

■ Despite it being his first career start, that didn't stop offensive coordinator **Zach Kittley** from airing it out as Morton recorded 62 passing attempts, the second-highest total for a Red Raider in his starting debut during the Big 12 era behind **Sonny Cumbie's** 66 attempts in 2004. It marked the most passing attempts for a FBS freshman making his starting debut since **Jared Goff** had 64 on Aug. 31, 2013, in Cal's season-opening loss to Northwestern.

■ Morton is only the second Red Raider in the Big 12 era and the only freshman quarterback to make his first career start against a ranked opponent as he joined **Jackson Tyner**, who was 1-of-5 in limited action at No. 6 Oklahoma in 2019.

■ Morton is the eighth Red Raider in the Big 12 era to throw for at least 300 yards in his first two career starts, joining the likes of **Nic Shimonek** (2017), Webb (2013), Mayfield (2013), Taylor Potts (2009), **Graham Harrell** (2006), **Cody Hodges** (2005) and Cumbie (2004). Of that group, only Webb is the only other Red Raider to do so versus Big 12 opponents.

Note: Tyler Shough's first career start took place during his previous time at Oregon. Also, Texas Tech's starting quarterback during the 1996-97 seasons was Zebbie Lethridge, who made his first career start as a redshirt freshman during SWC era in 1994.

A PAIR OF COACHES KIDS

■ For a program that prides itself on its relationship with the high school coaches in the state, Texas Tech has a pair of coaches kids competing for the role behind center in both **Behren Morton** and **Donovan Smith**. Morton was the highest-rated quarterback to ever sign with the Red Raiders after totaling more than 8,800 passing yards and 84 touchdowns in three seasons playing for his father at Eastland High School. He was a consensus four-star prospect, ranking sixth nationally among pro-style quarterbacks. Morton grew up in Lubbock for part of his youth as his father was the head football coach at Monterey High School in Lubbock for 11 years.

■ Smith's father, **DeAndre Smith**, spent the previous three seasons as Texas Tech's running backs coach before accepting the same position this offseason with the New York Giants in the NFL. Donovan Smith arrived at Texas Tech prior to the 2020 season out of nearby Frenship High School in the Lubbock area. He threw for more than 3,000 yards and 25 touchdowns as a senior after previously starring at Bishop Gorman High School in Las Vegas.

MAN FOR THE THEATRICS

■ **Donovan Smith** is 3-1 as a starting quarterback in games played at Jones AT&T Stadium over his career. In all three wins, each came in a dramatic fashion that sent his fellow classmates into a frenzy, rushing the field in celebration. The first win came via a 62-yard field goal as time expired versus Iowa State in 2021 followed by a pair of overtime victories this season against No. 25 Houston and No. 22 Texas. In the win over Houston, Smith, himself, escaped pressure and scored a touchdown from nine-yards-out in the second overtime that won the game after the Cougars converted a field goal with their second overtime possession.

■ Smith has thrown for at least 300 yards in three of his four starts this season after finishing with 350 yards against Houston, 331 yards versus Texas and then a career high 359 yards against Kansas State. He also set career highs for attempts (58) against Houston and snapped his career mark for completions (38) versus Texas. Texas Tech is 3-1 in games now where Smith has thrown for at least 300 yards with the lone loss coming at No. 25 Kansas State.

■ The ball was in Smith's hands often against the Cougars as he made 79 total offensive attempts with 58 passes and 21 rushes. It marked the second-most total offensive plays by a Red Raider dating back to 2000, trailing only the 100 attempts **Patrick Mahomes II** made on a record-setting night against Oklahoma in 2016.

■ While Texas Tech quarterbacks have built quite the reputation for passing yards, it was Smith's legs that made an impact against Houston as he escaped for a 27-yard run late in regulation and then followed with the game-winning touchdown in double overtime. His 21 rushing attempts were the most by a Red Raider quarterback since **Zebbie Lethridge** had the same total in the 1996 season opener versus Kansas State, which was Tech's first as a Big 12 member.

■ On the ground, Smith has found the end zone with his legs in each of the last four games he has started as he has a team-leading 67 rushing attempts this season, the most for a Red Raider quarterback through six games dating back to 2000. He joins Mahomes and **B.J. Symons** (2003) as the only Red Raider quarterbacks since 2000 to throw for at least 1,000 while also rushing for four touchdowns over the first six games of a season. Mahomes did so twice during his final two seasons in 2015 and 2016.

■ Smith was named Texas Tech's starter prior to the Houston game after he came off the bench against Murray State and recorded one of the best performances of his still young career, helping the Red Raiders finish off a touchdown drive on his second play and then following with five-consecutive drives that found the end zone. Smith finished with 221 passing yards and a career-high four touchdowns in roughly a quarter and a half of action before he was replaced by **Behren Morton** on Texas Tech's drive that started at 7:56 in the third quarter. In that short time, Smith connected on three passes of at least 30 yards, all of which went for touchdowns. Smith found **Jerand Bradley** on a 30-yard scoring strike on the first play he entered the game, pushing Texas Tech's lead to 21-3 early in the second quarter.

■ Smith previously became only the second Red Raider freshman in program history to be named a bowl MVP this past year after he completed 15-of-28 passes for 252 yards and a touchdown, while rushing five times for 30 yards and another score to lead Texas Tech past Mississippi State in the AutoZone Liberty Bowl. Smith joined current New York Giants quarterback **Davis Webb** with that honor as he previously was named the MVP of the 2013 Holiday Bowl as only a freshman.

■ Smith's breakout game of the 2021 season came against Iowa State as he completed 25-of-32 passes for 322 passes for three touchdowns en route to pushing the Red Raiders to bowl eligibility for the 39th time in program history. He became the ninth Red Raider since 1999 to throw for at least 300 yards in his starting debut, joining a list that includes **Nic Shimonek**, **Davis Webb**, **Baker Mayfield**, **Steven Sheffield**, **Taylor Potts**, **Graham Harrell**, **Cody Hodges** and his one-time offensive coordinator **Sonny Cumbie**. Of that group, only Sheffield (2009 vs. Kansas State) and Webb (2013 versus Iowa State) were able to do so against Big 12 foes at the time.

SHOUGH NAMED STARTER OUT OF PRESEASON CAMP

■ **Tyler Shough** was named Texas Tech's starting quarterback coming out of preseason camp as the senior made the 12th start of his career against Murray State. Shough earned the job after a three-way competition between himself, sophomore **Donovan Smith** and redshirt freshman **Behren Morton**. Smith previously started the final four games of the 2021 season after Shough was injured, earning AutoZone Liberty Bowl MVP honors after leading the Red Raiders past Mississippi State.

■ This is the second-consecutive year Shough has earned the starting job out of preseason camp as he beat out Henry Columbi last fall. At the time, Shough became only the second Red Raider since 2000 to be named the starting quarterback out of preseason camp that did not begin his career at Texas Tech. **Nic Shimonek** garnered the starting nod for the Red Raiders in 2017 after originally beginning his collegiate career at Iowa before later transferring to Texas Tech.

■ Shough was limited to only four games in 2021 after suffering a season-ending shoulder injury in the Big 12 opener at Texas. He had completed 69.6 percent of his passes to that point (64-of-92), throwing for 872 yards and six touchdowns in that span.

■ Shough led the Red Raiders on a memorable come-from-behind victory in his debut a year ago as Texas Tech rolled off 31 unanswered points to top Houston, 38-21, at NRG Stadium. Shough completed 17-of-24 passes for 231 yards and a touchdown in the win, while also rushing for one other score. He followed with 174 passing yards the next week against Stephen F. Austin and then a career-high 399 yards against Florida International. He departed the Texas game after completing 9-of-11 passes for 68 yards in the first half.

WAITING HIS TURN

■ The journey to earning the starting nod didn't come without a few years of waiting for **Tyler Shough** at Oregon as he sat behind eventual first round selection **Justin Herbert** for his first two seasons with the Ducks. Herbert, the NFL AP Rookie of the Year in 2020 with the Los Angeles Chargers, was Oregon's starter in each of Shough's first two seasons with the Ducks prior to him being named the starter prior to the 2020 campaign.

NIL DONE RIGHT

■ With the topic of Name-Image-Likeness so prevalent in college athletics. it'd be hard to ignore the success **Tyler Shough** has made in this area as the senior utilized a sponsorship agreement for his engagement ring to propose to his now fiance, Jordan Wormdahl. The couple got engaged this past May as part of a summer vacation. Wormadhl is a former student-athlete, herself, as a soccer standout at the University of Oregon.

OFFENSIVE NOTEBOOK

KITTLEY RETURNS TO DIRECT RED RAIDER OFFENSE

■ Texas Tech fans will see a familiar face return to the Red Raider sideline this season in offensive coordinator and quarterbacks coach **Zach Kittley**. Kittley previously served in various roles under **Kliff Kingsbury** from 2013-17, rising from a student assistant to graduate assistant and assistant quarterbacks coach in his final three seasons. Kittley worked alongside Kingsbury in the development of **Patrick Mahomes II**, tutoring the future NFL MVP into becoming the nation's leading passer in 2016 and an eventual top-10 selection by the Kansas City Chiefs.

■ Mahomes is one of two NFL quarterbacks to tutor under Kittley as he spent the last three years mentoring **Bailey Zappe** at both Houston Baptist and Western Kentucky. Zappe, who heard his name called in the fourth round of the NFL Draft this past May by the New England Patriots, set the NCAA FBS records for single-season passing yards (5,967) and passing touchdowns (62) as a senior for the Hilltoppers, both records that were previously held by former Red Raider **B.J. Symons** (2003).

■ Kittley, who turned 31 in August, ranks as the third-youngest power-five offensive coordinator in the country, trailing only Charlie Weis Jr. at Ole Miss (29) and Tommy Rees at Notre Dame (30).

1-2 PUNCH PROVES TRUE IN RUNNING GAME

■ **Joey McGuire** wasn't lying when he said he felt the Red Raiders had a true 1-2 punch at running back this season with **SaRodorick Thompson** and **Tahj Brooks**. Through seven games, not much separates the two as Thompson leads the Red Raiders with 392 yards and three touchdowns on 79 carries, while Brooks has 322 rushing yards and six touchdowns on 70 attempts.

■ Thompson is already one of the most prolific Red Raiders in school history in finding the end zone as his 36 rushing touchdowns rank tied for fourth in program history. Thompson is currently fourth among active FBS players in career rushing touchdowns, trailing only Malik Cunningham (Louisville), Mohamed Ibrahim (Minnesota) and Adrian Martinez (Kansas State). He and Brooks have combined for 53 rushing touchdowns as a tandem as Brooks has 17 for his career, including a team-leading six this season.

■ Thompson eclipsed the 2,000 mark for career rushing yards against Murray State, becoming only the 14th player in school history to do so. In the process, he joined the likes of **DeAndre Washington** (2011-15), **Taurean Henderson** (2002-05), **Baron Batch** (2006, 2008-10) and **Shannon Woods** (2005-08) as the fifth Red Raider to reach the mark since 2000. In addition to those already ranked in the top 10, the following three Red Raiders also rushed for 2,000 yards during their respective careers: Woods (2,249), **Doug McCutchen** (2,222; 1970-72) and **Bobby Cavazos** (2,137; 1951-53).

NEWS AND NOTES ON THE OFFENSE

■ There likely isn't a receiver hotter in the country right now than **Xavier White**, who is coming off his second 100-yard performance over a three-game stretch after catching eight passes for 139 yards and a touchdown versus West Virginia. That career-high performance followed a similar stellar outing at Kansas State where he had nine catches for 120 yards. White, who had eight receptions for 62 yards and another score at Oklahoma State, is averaging 8.3 catches and 107 receiving yards over the last three games alone.

■ White's performance at Kansas State placed him in a select category as he joined **Taurean Henderson** as the only Red Raiders since 2000 to record multiple games with at least 100 rushing yards as well as two or more 100-yard receiving performances. White hit the 100-yard mark on the ground as a running back in 2020 versus Kansas State (113) and Kansas (135) and previously had 107 yards in the 2019 season opener versus Montana State. He currently shares the team high for receptions (31) with Myles Price and is the team leader with 409 receiving yards thus far.

■ Price has missed the last two games due to injury after recording 31 catches for 309 yards and a pair of touchdowns over the first five games of the season. Price had previously combined for 19 receptions in his past two games prior to the injury, including a career-high 13 catches in the win over Texas. It marked the most receptions by a Red Raider since **Antoine Wesley** set a single-game record for receiving yards off a similar 13 receptions in a 2018 victory over Houston. The performance also marked the 15th time since 2000 that a Red Raider has caught at least 13 passes in a game.

■ **Jerand Bradley** notched his second 100-yard performance of the season at Oklahoma State as he hauled in eight passes for 119 yards and a touchdown. For the season, Bradley has 27 catches for 359 yards and three touchdowns. He also had six catches for 108 yards in the season opener versus Murray State.

■ Entering this weekend, Texas Tech is the only school in the power five to have both five different receivers with at least 20 receptions this season as well as four different wideouts with at least 300 receiving yards.

ALL EYES ON TYREE WILSON

Tyree Wilson developed into a key piece of the Texas Tech defense in his second year as a Red Raider in 2021, setting the tone as the team leader for both tackles for loss and sacks a year ago. He finished with 38 tackles on the season (26 solo), with 13.5 for a loss and 7.0 sacks marking easily the most productive season of his collegiate career thus far. He was named an honorable mention All-Big 12 selection by the conference coaches before going on to earn Defensive MVP honors of the AutoZone Liberty Bowl. He was also recognized on the Associated Press All-Bowl Team for his performance in the Red Raiders' bowl win over Mississippi State.

The senior is building on his breakout junior season with an even more dominant senior season, shifting from a down lineman to a stand-up stance in the "EDGE" pass rusher role in first-year defensive coordinator Tim DeRuyter's system. DeRuyter has led a few of the more major menaces to the quarterback in recent history, including Kayvon Thibodeaux last season at Oregon and Von Miller at Texas A&M, both top-five NFL Draft selections.

Wilson has been projected as a potential first-round selection himself. ESPN had him 23rd overall in its Aug. 25 mock draft while a more recent mock draft in October by CBS Sports had Wilson drafted No. 11 overall.

DEFENSIVE NOTEBOOK

TRENDING IN THE RIGHT DIRECTION

■ To **Tyree Wilson**, leading the team with 13.5 tackles for loss and 7.0 sacks a season ago was just the beginning. For 2022, the goal is double digits in both categories. After seven games, the senior from Henderson, Texas owns the team lead in tackles for loss (9.5), sacks (6.5) and trails only mike-linebacker **Krishon Merriweather** (55) for the team lead in tackles (41).

■ Wilson continues to own the Big 12 lead for tackles for a loss, owning 9.5. That mark ranks tied for 16th in the FBS, while his 1.36 TFLs per game also leads the Big 12 and ranks tied for 16th best in the FBS.

■ Wilson's 6.5 sacks rank tied for 10th in the FBS and is tied for most in the Big 12 alongside Felix Anudike-Uzomah (Kansas State). Wilson's 0.93 sacks per game is also atop the Big 12 with Anudike-Uzomah and is tied for 8th-best in the FBS.

■ Wilson wreaked havoc on N.C. State on Sept. 17, amassing a career-high 3.5 tackles for a loss. It was the most in a single game by a Red Raider since **Jordyn Brooks** produced 4.0 versus No. 21 Oklahoma State on Oct. 5, 2019. It also marked only the sixth time since 2000 that a Red Raider since had notched 3.5 tackles for loss in a game.

■ Wilson shined once again on the road at No. 25 Kansas State, tallying up 2.0 sacks in a game for the second time in 2022 and for the fourth time in his career. In addition, he forced a fumble and also recovered a fumble to go with six tackles. The performance earned Wilson national accolades as he was tabbed the Defensive Player of the Week by the Reese's Senior Bowl the following Monday.

■ Productivity for Wilson has skyrocketed in the tackles category in this year's defensive scheme. Looking back to 2021, Wilson owned 20 tackles after seven games en route to 38 for the season (2.92/game). With 41 tackles after seven games already, Wilson owns 5.86 tackles per game, which is the 18th-best per game tackle rate in the Big 12.

■ Wilson led Texas Tech with a career-high 11 tackles against No. 16 N.C. State. It was the most in a single game by a Red Raider through the first five games of the season until **Krishon Merriweather** exploded for 17 at Oklahoma State in week 6. The 11 tackles marked the most by an edge, defensive line type player since **Pete Robertson** collected the same total in Texas Tech's victory at the 2013 Holiday Bowl.

■ Wilson boasts an 86-inch wingspan at 6-foot-6 and 270 pounds, an ideal frame for an edge rusher who will likely be atop of many NFL Draft boards following this season.

WILSON CLOSE TO ENTERING SCHOOL RECORD BOOK

■ **Tyree Wilson** enters the back half of the season looking to etch his name in the Texas Tech record book as the senior needs 2.5 sacks to match the trio of Fred Petty (1991), Aaron Hunt (2002) and McKinner Dixon (2008) for ninth all-time in the school single-season record book. If Wilson were to reach that mark, it would mark the most sacks for a Red Raider in a single season since Pete Robertson had 14.0 in 2014, which ranks tied for fourth in program history.

■ Speaking of Robertson, Wilson is only 1.0 sacks shy of matching the former Red Raider great for 10th all-time on the Texas Tech career chart. Wilson has 15.0 sacks during his two-plus seasons over his 29 career games as a Red Raider. He previously totaled 1.5 sacks during his lone season at Texas A&M. If Wilson were to match his production from the first half of the season, that would push him to 20.5 sacks as a Red Raider, which would rank fifth all-time in program history despite only two full seasons and one more that was condensed due to the COVID-19 pandemic.

SWAT TEAM

■ Red Raider defensive backs **Malik Dunlap** and **Rayshad Williams** rank in the Top 30 of the FBS for pass breakups this season. Dunlap is T-16th with eight while Williams is T-29th with seven as each own seven this season. The national lead is 12 heading into this Saturday versus Baylor. Both amassed their respective totals thanks to one big game where the offense targeted their side of the field.

■ Williams had one of the top performances by a Red Raider in recent memory as he logged five pass breakups on the road at No. 7 Oklahoma State. It was the most in a single game since **Justis Nelson** recorded five pass breakups on Oct. 25, 2014 at TCU.

■ Williams is one of three FBS players to own a single game of five or more pass breakups this season. Joey Porter Jr. (Penn State) had six versus Purdue on Sept. 1, while Jakorian Bennett (Maryland) had five versus Buffalo on Sept. 3.

■ Dunlap, meanwhile, recorded four pass breakups in the contest on Sept. 17 at N.C. State in what was his return to Raleigh after spending the first three seasons of his collegiate career with the Wolfpack. Dunlap was thrown against a team-high seven times. He allowed one reception for four yards in a team effort that limited the Wolfpack to 159 yards passing.

■ While these two have plenty to be proud of swatting the ball away, Dunlap and Williams broke through in the same game (vs. West Virginia) last time out with their first career interceptions, respectively. Both with similair journeys, both in their fifth years as collegiate players … Dunlap spent three seasons at NC State and the last two at Tech while Williams three seasons at UCLA and the last two at Tech.

TACKLING MACHINE

■ Everyone knew **Krishon Merriweather** was a guy that could make tackles when he came to Texas Tech. He joined the Red Raiders after leading the nation at the NJCAA level, registering 153 stops as a sophomore in 2019 at Garden City Community College in Kansas. Merriweather was a NJCAA second team All-American, totaling 153 tackles over 11 games, which led the junior college ranks with 13.9 tackles per game. He also chipped in 10.0 for a loss and 3.5 sacks.

■ In now his third season as a Red Raider, Merriweather is up to 182 career tackles at the FBS level. He had 75 in his debut season in 2020 (nine games) and 52 stops in 2021 (13 games). Merriweather leads the Red Raiders with 55 tackles after the first seven games of the 2022 season, the most in his Red Raiders career seven games into the season and the seventh-highest total by a Red Raider dating back to 2000.

■ Dating back to 2000, there have been only 17 Red Raiders to record 15 or more tackles in a single game. Merriweather is one of only six Red Raiders to own 17 or more tackles in a single game as his performance at Oklahoma State marked the most stops by a Red Raider since **Jordyn Brooks** notched 19 versus the Cowboys in 2019.

■ The senior owns one of 16 performances in the FBS this season in which 17-plus tackles were recorded in a single game.

PUTTING OUT THE FIRE

■ The Red Raiders red zone defense is ranked No. 124 in the FBS as opponents are converting at a 92.0 clip (23-of-25). While opponents are converting at a high rate, no other team in the country is forcing more field goals. Opponents have settled for an FBS-high 13 red zone field goals, making up for more than half of the scores allowed by the Texas Tech defense when the opponent reaches the red zone. Ten converted field goals are the next closest opponent red zone field goal made - shared by two teams.

■ Last time out, West Virginia entered the red zone once. And per the trend in 2022, were held to kicking a field goal.

■ Texas Tech has allowed just two passing touchdowns to its opponents in the red zone. There are seven other teams in the FBS that have surrendered that few scored threw the air.

■ With Tech's aggressive nature on fourth downs, the philosophy to hold opponents to just a field goal is part of Joey McGuire and Tim DeRuyter's challenge to the defense to "put out the fire."

FIRST DOWN DEFENSE

■ It has not been easy on opponents to move the chains againt the Texas Tech defense this season. The Red Raiders rank No. 19 in the FBS in first down defense as they have held its opponents to a collective 120 first downs (17.1/game).

■ Then No. 7 Oklahoma State made the most damage against the Red Raiders defense this season, moving the chains 25 times, in Stillwater.

■ Texas Tech has limited opponents to 44 rushing first downs, which ranks tied for 17th in FBS for the least allowed.

■ Texas Tech's third down defense enters this week at No. 29 in the FBS, allowing a clip of 32.7 percent (34-of-104).

■ Its fourth down defense, meanwhile, is ranked at No. 58 in the FBS, allowing an average of 50.0 percent with only six attempts this season (4-of-8). That is a sharp contrast to what Texas Tech's opponents are facing with the Red Raider offense as Texas Tech has been among the most-aggressive teams in the country, converting 20-of-32 fourth down attempts of its own this season. The eight fourth-down attempts by opponents this season currently rank tied for sixth-fewest in the FBS this season, trailing only the likes of Auburn (3-for-5), Boise State (3-for-5), San Diego State (2-for-7), Purdue (3-for-7) and Air Force (3-for-7). The Red Raiders enter this weekend tied with Navy (5-for=8), Utah State (5-for-8) and Northwestern (7-for-8) for the fewest fourth down attempts against their defense so far this season.

TAKE THREE UNIVERSITY

■ The term "Take Three" is one many around the Red Raider program have heard daily since **Joey McGuire's** hiring. The phrase is a key element of McGuire's plan to win strategy, highlighting the defensive goal of creating three takeaways per game.

■ While the Red Raiders worked each week to achieve that goal, it finally came to fruition last time out versus West Viriginia. In fact, on this day it was a "Take Four" day as Tech intecepted three passes and forced a fumble. The Red Raiders' four takeaways, its most in a single game since Sept. 4, 2021 (vs. Houston), resulted in 17 points off the turnovers.

■ McGuire has preached that if you force three tunovers in a game, that gives you higher percentage chance to win any given day. Well, Tech is 3-0 this season when they have forced at least two takeaways (Houston-2, Texas-2, West Virginia-4).

■ Texas Tech owns a +2 turnover margin in Big 12 games after four games.

FROM THE SECONDARY TO BEHIND LINE OF SCRIMMAGE

■ Marquis Waters, a defensive back that plays the "STAR" in DeRuyter's system, recorded a career-high 3.0 tackles for loss last time out against West Virginia. Which is the third time a Texas Tech player has ammassed 3.0 or more in a single game joining Tyree Wilson and Phillip Blidi.

■ What makes Waters performance uniquie is he is a defensive back. It is the first time since Oct. 6, 2012 that a Texas Tech defensive back posted 3.0 TFLs or better as he joins Cornelius Douglas' performance vs. Oklahoma on. He's the only other DB to do so since 2000.

■ There have been 119 performance during the FBS season in 2022 where a player recorded a 3.0 or better TFL game. Waters is one of six defensive backs in that group of 119 to have such a game. The list along with Waters includes Soloman Rogers (Charolette, vs. UAB), Martez Manuel (Missouri, vs. La Tech), Anthony Johnson (Virginia, vs. Duke), Collin Gamble (California, vs. Colorado) and Jaquan Amos (Ball State, vs. Western Michigan). All six had 3.0 TFLs.

A DEFENSIVE BACK RARITY

Breakdown of the most performances of 3.0 TFLs or more by a defensive back in a single game this season in the FBS.

2022 FBS	Date	Opp.	TFLs
Marquis Waters (Tex Tech)	10/22	West Virginia	3.0
Soloman Rogers (Charlotte)	10/15	UAB	3.0
Colin Gamble (Cal)	10/15	Colorado	3.0
Anthony Johnson (Virginia)	10/01	Duke	3.0
Jaquan Amos (Ball State)	09/10	Western Mich.	3.0
Martez Manuel (Missouri)	09/01	La. Tech	3.0

FORCE UP FRONT

■ **Jaylon Hutchings** owns the third highest-graded interior defensive lineman (81.1) by Pro Football Focus in the Big 12 this season, and is one of four Big 12 interior defensive linemen with a grade better than 80 percent.

■ With his start on Saturday versus West Virginia, the staple of the front line made his 40th-consecutive start for the Red Raiders.

■ The nose tackle owns the sixth-most starts after the first seven games of the season with 25 and the most among down-lineman.

■ Led by Hutchings and the defensive line, Texas Tech limited opponents to less than 100 rushing yards in three of seven games in 2022. This trend started in 2021 as the Red Raiders held its opponents to less than 100 rushing yards in eight of 13 games last season. Dating back to 2000, last year's performance marked the first time that the Red Raiders had six or more games in a season where the opponent posted 100 rushing yards or less in a game.

■ Not many defensive linemen in college football have a carry on their career stat sheet, let alone two. Hutchings can proudly boast he might be the rare exception, however, as he totaled nine yards on the ground in 2019 as part of two fake punt attempts. Hutchings, a former running back despite his size at Forney High School, was included this summer on the annual "Freaks List" column by Bruce Feldman of *The Athletic*.

THE RIGHT FIT

■ Known for his versatility throughout his Texas Tech career, sixth-year senior **Kosi Eldridge** has found his place on the Red Raider defense as its starting "Will" Linebacker (weak-side linebacker). Eldridge, in his third season as a Red Raider, was utilized in multiple linebacker spots and a hybrid defensive back role in 2020, and as a defensive back in 2021, but was shifted to weak-side linebacker in fall camp and earned the starting job.

■ Eldridge ranks tied for second on the team in total tackles this season with 36 after the first seven games of the season. That number accounts for over half of his career total which is up to 67. He is in his fourth season of field time with the Red Raiders.

■ Eldridge shined versus Houston posting a career-high seven tackles, besting his previous high of four. Eldridge matched that total last time versus West Virginia and also had another strong performance earlier this season at N.C. State, racking up five tackles.

■ Arguably, one his most notable tackles may have been more important than his first sack since 2020 on a 3rd and 4 from the TTU15 that set Houston back 15 yards and forced an attempted 47-yard field goal that was missed on 4th and 19 late in the third quarter.

■ Eldridge recorded 1.0 TFL in each of the first two games at his new position to start the 2022 season. He entered this year with 1.5 TFLs in his Tech career with 1.0 in 2020 and 0.5 in 2021.

VETERAN SECONDARY

■ The Red Raiders' two-deep has eight defensive backs, including the Star position, with 176 starts among them in major-college football, including five with at least 20.

■ **Marquis Waters** returns from a season-ending injury to play Star, a hybrid position with safety, outside linebacker and slot cornerback responsibilities. Waters has 44 career starts while his back-up, Keyon Blankenbaker, a transfer from Wyoming, has 27 starts under his belt. Waters previously started in 24-consecutive games at Duke prior to transferring to Texas Tech ahead of the 2021 season.

■ On the corners, **Rayshad Williams** and **Malik Dunlap**, who are playing alongside each other at corner have 34 starts between them. Williams leads with 27, including 19-straight. Sixth-year senior **Adrian Frye**, meanwhile, owns 22 career starts of his own and was an All-Big 12 first team honoree as a true freshman in 2018.

■ Texas Tech also benefits from a pair of safeties in the back end with plenty of experience as **Reggie Pearson Jr.** (29) and **Dadrion Taylor-Demerson** (18) have 47 starts as a duo. Taylor-Demerson led the Red Raiders a year ago with three interceptions en route to earning honorable mention All-Big 12 accolades.

■ Frye, Waters and Blakenbaker are all in their sixth years at the collegiate level after exercising the additional season of eligibility the NCAA allotted players on rosters during the 2020 COVID season.

Texas Tech senior defensive lineman **Tony Bradford Jr.** has made it his mission since arriving on campus to better the community he now calls home. That determination earned him a significant honor this season as he has been named to the 2022 Allstate AFCA Good Works Team.

Bradford is one of 11 student-athletes from the Football Bowl Subdivision (FBS) and 11 more from the Football Championship Subdivision (FCS), Division II, Division III and NAIA ranks as well as one honarary head coach to make up the final roster of 23 award recipients from across college football on the Good Works Team. He is the only Big 12 student-athlete named to the prestigious team.

Bradford becomes the fourth Red Raider student-athlete all-time to be recognized on the Good Works Team, joining the likes of Brian Duncan (2008), Montae Reagor (1998) and Dane Johnson (1997). Former head coach Matt Wells was previously the honarary head coach on the 2021 team.

Over his four years on campus, Bradford has been a vocal proponent in getting the Red Raiders active in the Lubbock community on a regular basis and also seeking positive change throughout West Texas.

Bradford is the driving force behind a Texas Tech football program that has committed more than 2,000 hours of community service the past two years alone, contributing to visits to local elementary and junior high schools, the Ronald McDonald House, the Texas Boys Ranch, South Plains Food Bank, Habitat for Humanity, Burgers and Badges and area children's homes.

Possibly his biggest impact has been felt on the youth of tomorrow as Bradford regularly meets with local youth athletes to encourage them to be a positive example for their community. Following the murder of George Floyd, Bradford helped organize community cleanups and voter registration drives in East Lubbock not far from the Texas Tech campus. While there, he was able to encourage and ultimately brighten the day of many underserved youth in East Lubbock through pick-up basketball games and various other activities. Bradford also helped organize peace walks on the Texas Tech campus and in East Lubbock to promote injustice issues and need for peace in communities.

In addition to his role in the community, Bradford has taken steps to advance his future career in law enforcement by serving as a security guard with the Texas Tech Police Department. Bradford, who lists becoming a police chief as his goal after football, has worked with the police department each of the past three springs to gain valuable knowledge of the profession. Thus, during the spring, Bradford will often go from a morning workout, to a class to potentially riding along with a member of the Texas Tech police department to protect his peers on campus.

He regularly worked Texas Tech's home basketball events, assisting with traffic control and in-venue security. His future work in law enforcement stems from his desire to not only help others but also to "be the change in the community." In his words, for society to change for the better, it will take leaders like himself to be part of that positive change.

The respect Bradford has gained off the field has led to a bigger voice for important topics on campus and within the Big 12 Conference. Bradford is a longtime member of the Texas Tech Student-Athlete Advisory Committee and was selected this year to represent the university as part of the Big 12 Champions for Life campaign. With that, he was able to attend the Big 12's annual meetings this May as a student-athlete voice and to also be recognized for his work in the community. Bradford was previously selected this past fall as one of two Big 12 representatives on the NCAA Division I Football Oversight Committee Student-Athlete Connection Group.

THE NATION'S TOP PUNTER

Through three seasons, Austin McNamara has firmly cemented his name in the Texas Tech record book as the senior punter started 2022 at the top of all three major punting categories in program history - career average leader (46.3), single-season average leader (48.2), and longest punt (87) in a game.

McNamara not only leads the way in the Texas Tech record book, but the Big 12 record book as well. It started with the longest boot by any Big 12 player in league history when he launched an 87-yard punt on Oct. 24, 2020 in Lubbock versus West Virginia. His career average entering the 2022 season (46.3) is the highest of any Big 12 player before him, just like his top spot at Texas Tech. The senior was tabbed to the 2022 Ray Guy Award preseason watch list this offseason prior to starting his fourth year handling Tech's punting duties.

SPECIAL TEAMS NOTEBOOK

MORE ON MCNAMARA...

■ Punter **Austin McNamara** entered the 2022 season with the top career average (46.3) in the FBS among career active leaders with at least a minimum of 100 career punts. That average has dropped to 46.0 as he currently owns the lowest season average of his four year career, averaging 44.1 yards per punt after seven games. Despite it being his lowest average of his four seasons, 44.1 would still rank tied for eighth on the all-time single season average Top 10.

■ McNamara set the program record for single season punting average (48.2) in 2021 after booting 42 punts for 2,023 yards. It smashed the Tech single-season record of 46.8 that was set by **Mark Bounds** in 1991. He is the only Red Raider with two of the top-five punting averages currently in the school record book.

■ By bombing eight punts of at least 50 yards in a single game, McNamara set a new single game FBS record on Nov. 20, 2021 against Oklahoma State. The performance broke the previous FBS record of seven that was set by Colorado's Mark Mariscal in a 2002 home game against Southern California. McNamara averaged 56.4 yards per punt overall against the Cowboys, which finished just shy of the Texas Tech single-game record of 57.0 yards an attempt that was set by **Alex Reyes** in a 2004 win versus Baylor (only three attempts).

■ For games that included nine or more punts, McNamara's 56.4 average ranked as the second-best performance in all of FBS football in 2021 behind San Diego State's Matt Araiza's 56.8 average (nine attempts) in a home game against New Mexico State. It marked the third-highest for any punter with at least nine attempts in a game dating back to 2000, trailing only the clips from Wake Forest's Dom Maggio in a 2019 contest at Clemson (57.7) and Araiza and his 56.8 average versus New Mexico State.

■ McNamara set social media on fire midway through the 2020 season with his booming 87-yard punt against West Virginia, which marked the longest by an FBS kicker since 2017 and the longest in Texas Tech and Big 12 history. McNamara broke the Texas Tech single-game record for the longest punt that was previously set by **R.W. Moyers** in 1945 against West Texas State. Moyers launched an 85-yard punt in the win, which is the only other punt of 80 yards or longer in school history.

■ In addition to his punting duties, McNamara is in his second-consecutive season as Texas Tech's primary holder on field goals.

WOLFF EMERGES

■ Texas Tech entered the 2022 season with its two kickers that battled it out during fall training camp, fifth-year Red Raider **Trey Wolff** and first-year transfer **Gino Garcia** (Houston Baptist), as "or's" on the depth chart. Wolff officially claimed the spot after week five.

■ After seven games, Wolff is 10-of-13 on field goal attempts while Garcia is 0-for-1. Wolff is 23-for-23 on PATs while Garcia is 7-for-7.

■ Wolff has already been called upon to play hero twice this season (vs. No. 25 Houston & vs. No. 22 Texas) and come through in clutch situations. He put a then-career-long 47-yarder between the uprights with 0:03 remaining on the game clock to push the Houston contest into the first of two overtime periods. Versus the Longhorns, Wolff connected on a 45-yard try with 0:21 left in regulation to give Texas Tech a 34-31 lead. Texas' kicker countered to tie the game, but it was Wolff who hit the game-winning 20-yard field goal in overtime to win the game. At K-State, Wolff closed the first half with a career-long 51 yarder.

■ Wolff is a perfect 6-of-6 on kicks 39 yards and closer. He is 4-of-7 on kicks greater than 40 yards.

■ After no field goal opportunities for either kicker in the season opener versus Murray State, Wolff connected for his first field goal since Nov. 7, 2020, a 25-yarder, in the first qtr. against Houston-he finished the game 2-for-3. Meanwhile, Garcia went 0-for-1 missing from 46 yards with 5:30 left on the game clock in the fourth quarter. Wolff was 1-for-1 on PATs and Garcia was 2-for-2 on PATs vs. Houston.

■ Wolff started his career very strong, going 20-for-22 showing on field goals in 2019, ranking him as one of the most accurate kickers in the country. He became only the second Tech player since 2000 to record a field goal percentage of 90.0 or higher (90.9), joining then-school-record holder **Clayton Hatfield** (92.9 percent) from 2016. Wolff went 1-for-5 in 2020 and did not attempt a field goal in 2021.

■ **Jonathan Garibay** unseated Wolff in 2021 and became the third Red Raider since 2000 to record a field goal percentage of 90.0 or higher, topping Hatfield's program record with a 93.8 percent average going 15-of-16 a year ago. Garibay ultimately earned All-Big 12 first team honors to join Hatfield and Alex Trilica as the only Red Raider kickers in league history to garner first-team honors.

■ Garcia, meanwhile, transferred to Texas Tech following three seasons at Houston Baptist and will have two full seasons of eligibility remaining. Garcia was a 2021 first-team honoree on the All-Southland Conference team. He was successful on 9-of-10 field goals, including ones from 59 and 48 yards. Garcia owns six career field goal makes of 48 yards or longer. The 59-yard kick ranks fourth all-time in Southland Conference history for distance. For his career, Garcia went 32-for-46 in three seasons at HBU.

ONE OF A KIND

■ When you don't hear the long snappers name too often, it's probably a good thing - he's doing his job - and that's what **Jackson Knotts** has been doing for the Red Raiders. Knotts was the only true freshman in 2021 to play in all 13 games last season. He was put on scholarship to start the spring 2022 semester, surprised in a team meeting on Jan. 12, 2021.

■ The Florida native is the son of former Florida Gator, Andy Knotts. His dad advocated long snapping, he wanted to play quarterback. He long snapped all four years in high school but also drew a starting safety role his senior season.

■ Knotts was also a track and field standout, with a javelin focus. He set a since-broken state high-school record in the javelin with a throw of 187 feet, 9 inches and finished third in the Class 4A state meet.
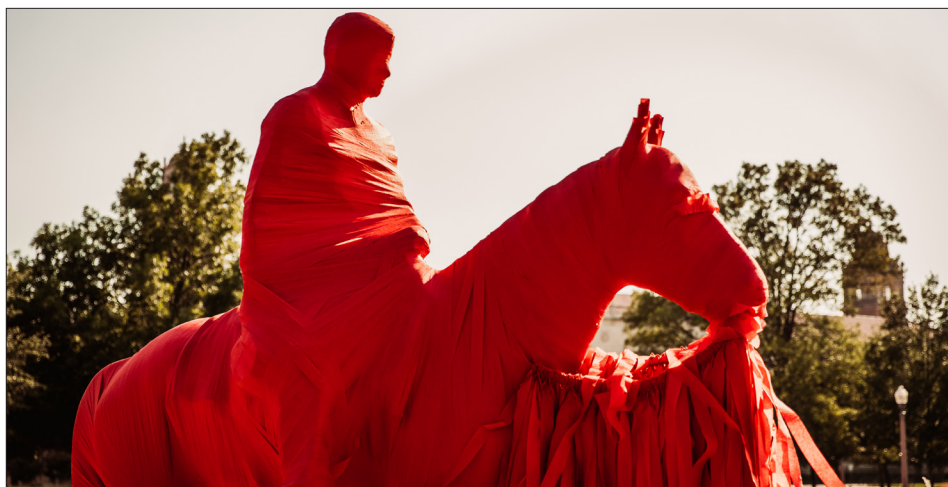

TEXAS TECH UNIVERSITY

THE STATE OF TEXAS' TOP ATHLETICS DEPARTMENT

■ With all the talk of conference realignment in the air, it's important to remember Texas Tech has led all schools in the state of Texas in the Capital One Cup men's standings in two of the last four complete athletic seasons after finishing third nationally in 2018-19 and then 14th for the 2017-18 athletic year. Below are several other facts regarding Texas Tech's success in competition.

RED RAIDERS IN THE NFL

SPORTS LARGEST CONTRACT

■ There isn't a bigger star in the NFL currently than Texas Tech's own **Patrick Mahomes II**. The one-time Red Raider gunslinger has transformed the NFL in only five professional seasons, claiming NFL MVP honors in 2018 before leading the Kansas City Chiefs to back-to-back Super Bowl appearances, including a win in 2020.

■ With his Super Bowl win over the San Francisco 49ers, Mahomes became the youngest player in history to be named NFL MVP and also win a Super Bowl. Mahomes, who at only 24 years of age, was tabbed Super Bowl MVP after leading the Chiefs to their second Super Bowl title in history and their first since 1970.

■ In July 2020, Mahomes signed the richest contract in NFL history as he and the Chiefs agreed on a 10-year extension worth up to $503 million. It marked the second time in school history where a Red Raider has signed the richest NFL contract as Ring of Honor member **Donny Anderson** previously did so with the Green Bay Packers upon being drafted in 1965.

■ Dating back to his time as a Red Raider, the 2016 Sammy Baugh Trophy winner is the only quarterback in history to throw for 5,000 yards at both the collegiate and NFL levels.

■ Mahomes was announced as the eighth member of the prestigious Ring of Honor in August as he will return to Lubbock the weekend of the Baylor game for his induction. Mahomes will also be enshrined that weekend into the Texas Tech Hall of Fame.

NEWS & NOTES ON RED RAIDERS IN NFL

■ Red Raider great **Danny Amendola** retired this offseason after 13 NFL seasons where he played in two Super Bowls as a member of the New England Patriots. Amendola caught 617 passes for 6,212 yards and 24 touchdowns during his illustrious NFL career.

■ **Jordyn Brooks**, a first-round draft pick in 2020, set the Seattle Seahawks team record a year ago after totaling 184 tackles over his 17 starts. It was only the second full NFL season for Brooks, who had 57 total tackles as a rookie in 2020.

■ Former Red Raider gunslinger and head coach **Kliff Kingsbury** enters his fourth season leading the Arizona Cardinals. Kingsbury guided the Cardinals to the playoffs a year ago with 11 wins, Arizona's most of his tenure.

Became the 14th Red Raider in program history to surpass 2,000 career rushing yards as he crossed the milestone in the season opener versus Murray State and joined the all-time Top 10 during the Oklahoma State game. Matched Ricky Williams' (1997-01) 36 rushing scores last time out, tying him for fourth all-time. A 37th score will tie Thompson for third all-time with Byron Morris (1991-93).

In just nine games last season, Brooks registered four 40+ yard runs, which tied the home run threat for the 10th most among FBS players as season ago. The production in 2022 is pacing once again with teammate SaRodorick Thompson (Carries: Brooks-70, Thompson-79/Yards: Brooks-322, Thompson-369/TDs: Brooks-6, Thompson-3). Brooks topped 100 yards for the first time this season last time out as well as recording his fifth career multi-TD game.

TEXAS TECH ROUTS MURRAY STATE 63-10 IN MCGUIRE'S DEBUT

LUBBOCK, Texas (AP) — Donovan Smith came off the bench to throw four touchdown passes, Tahj Brooks ran for three scores and Texas Tech blew out lower-division Murray State 63-10 in coach Joey McGuire's debut Saturday night.

Smith had scoring tosses on his first two passes after replacing Tyler Shough in the first half. McGuire indicated he planned to play both, but said at halftime Shough was injured and probably wouldn't return. Shough was on the sideline in the second half with a sling on his left (non-throwing) shoulder.

Brooks finished with 50 yards and scoring runs of 14, 3 and 23 yards, the last giving the Red Raiders a 42-10 lead late in the first half on the way to their 23rd consecutive victory in a home opener.

Texas Tech's first meeting with Murray State and 20th consecutive victory over an FCS opponent was similar to the lower-division matchups from 2010-19, when the average margin of victory was 40 points

McGuire, a lifelong Texan who was a Baylor assistant the past five years after winning three Texas high school state championships, didn't have to worry for long about becoming the fifth consecutive Texas Tech coach since 2000 to win his opener.

Murray State quarterback DJ Williams, the Ohio Valley Conference freshman of the year last season, sustained an apparent right leg injury on the final play of the first half.

Williams was scrambling before setting up to throw with the Racers trying to get a touchdown as time ran out before the break, and his right leg buckled as he lost control of the ball and crumpled to the turf. Williams was helped off the field, unable to put any pressure on his right leg.

Loic Fouonji and Jerand Bradley had two touchdown catches apiece. Fouonji opened the scoring on a 30-yard catch from Shough before Smith's first TD toss, a 30-yarder to Bradley.

Fouonji's 39-yard catch from Smith gave Texas Tech a 28-10 lead early in the second quarter, and Bradley's 14-yard scoring grab made it 56-10 early in the third.

Bradley, a sophomore, had his first career 100-yard game with 108 yards on six catches, and Fouonji finished with four catches for 77 yards.

Smith was 14 of 16 for 221 yards without an interception before getting replaced by Behren Morton in the third quarter. Shough was 6 of 10 for 154 yards as Texas Tech finished with 472 yards passing and 605 total.

SMITH'S HEROICS IN 2ND OT PUSH TECH PAST NO. 25 HOUSTON

LUBBOCK, Texas (AP) — Donovan Smith put Texas Tech at risk of losing with his arm. The sophomore quarterback rescued the Red Raiders with his legs.

Smith ran 9 yards for a touchdown in the second overtime, lifting Texas Tech to a 33-30 victory over No. 25 Houston on Saturday.

A back-and-forth finish ended with the Red Raiders (2-0) beating a ranked nonconference opponent in the regular season for the first time since 1989, a span of 14 games.

It was the last meeting between the former Southwest Conference rivals before they become league foes again when the Cougars move from the American Athletic to the Big 12 next year.

After Houston's Bubba Baxa opened the second OT with a 20-yard field goal, Smith broke into the open field and ran untouched to the end zone, sending Texas Tech students and fans streaming onto the field.

Baxa kicked a go-ahead 35-yard field goal with 37 seconds remaining in regulation after Gervarrius Owens returned Smith's third interception to the Texas Tech 21 in the final two minutes.

Smith answered with a 27-yard scramble on the next play, sparking a drive to a tying 47-yard field goal from Trey Wolff with three seconds to go. Wolff replaced Gino Garcia, who missed from 45 earlier in the fourth quarter.

"It's always what coach (Joey) McGuire preached, you could look at this game and that's exactly what he said, 'What's next?'" said Smith, who threw for 351 yards with three picks and six sacks that cut his rushing total from 86 to 28 yards.

"That's something I did this game. Everyone on the sideline was encouraging and, 'Hey, what's next? We got this, we don't got to worry about nothing.'"

The Cougars (1-1) erased a 17-3 halftime deficit, getting even early in the fourth quarter when Jayce Rogers stepped in front of a pass from Smith and returned it 54 yards for a TD. Still, Houston's 12-game regular-season winning streak ended.

Houston had 11 penalties for 121 yards, including two personal fouls on the same possession that twice let the Red Raiders keep the ball when the Cougars would have taken possession in the first half.

TEXAS TECH FALLS AT NO. 16 NC STATE, 27-14

RALEIGH, N.C. (AP) -- Aydan White returned one of his two interceptions 84 yards for a touchdown to lead a strong defensive effort that carried No. 16 North Carolina State past Texas Tech, 27-14 on Saturday night.

Facing the Bowl Subdivision's top passing offense, N.C. State's veteran defense harassed quarterback Donovan Smith and shut down any ground game the Red Raiders tried to muster. The highlight was White's fourth-down pick of Smith's overthrown second-quarter ball, with White taking the interception down the left side with three teammates sprinting to escort him all the way to the end zone.

White also had a sack on a cornerback blitz, one of four for the Wolfpack (3-0). Jakeen Harris came up with a fourth-down interception near midfield with 8:38 left as Texas Tech (2-1) tried to make a late push.

The defensive effort offset a shaky day by the Wolfpack's offense, which had its own troubles with stalled drives and score-negating mistakes. Demie Sumo-Karngbaye — who lost a sure TD catch when he was stripped near the goal line and fumbled out of the end zone — scored twice, the second on a 38-yard catch off a trick-play pass from Thayer Thomas for a 27-7 lead early in the fourth.

Smith ran and threw for scores to lead the Red Raiders, as his 3-yard keeper cut the deficit to 27-14. But after Texas Tech forced a three-and-out to get the ball back, Smith fired incomplete on three straight passes before Harris picked him off over the middle to keep the Wolfpack in control.

The Red Raiders elevated expectations for first-year coach Joey McGuire, whose team was picked to finish ninth in the 10-team Big 12 but upset a ranked Houston team last weekend. The defense made things difficult on the Wolfpack. But the team didn't get its offense going until falling behind and lost a muffed punt to go with its three picks.

N.C. State: Much of the attention has focused on the presence of preseason Atlantic Coast Conference player of the year Devin Leary at quarterback. But the defense that returned 10 starters from a unit that ranked 14th in FBS in scoring defense (19.7) and 21st in total defense (331.6 yards) carried this win as N.C. State managed 270 total yards. Lineman C.J. Clark had two sacks while the Wolfpack smothered the Red Raiders' rushing game by allowing 54 yards on 26 carries.

Texas Tech linebacker Bryce Ramirez was carted off in the first quarter with a serious leg injury. He was injured when teammates tackled Wolfpack running back Jordan Houston, with the pile rolling over Ramirez's left leg that was planted in the turf. The leg was twisted abnormally as he laid on the grass, with team training staffers using a towel to cover the lower left leg as they began treating him. He was later taken to a hospital trauma center.

WOLFF OVERTIME FIELD GOAL PUSHES TEXAS TECH PAST NO. 22 TEXAS, 37-34

LUBBOCK, Texas – Texas Tech fans flooded the field in celebration for the second straight home game after Trey Wolff drilled a 20-yard field goal for a 37-34 overtime win over No. 22 Texas on Saturday at a sold-out Jones AT&T Stadium.

The Red Raiders (3-1, 1-0 Big 12) opened Big 12 play with the thrilling overtime victory over the Longhorns (2-2, 0-1 Big 12) after Wolff had given Tech a 34-31 lead with a 45-yard field goal with 21 seconds remaining in regulation. Texas drove down the field in three plays and hit a 48-yard field goal to force overtime but would see running back Bijan Robinson fumble after a hit by Krishon Merriweather on the first play of overtime. Reggie Pearson Jr., who had an interception earlier in the game, recovered the fumble to set Tech up to win the game.

Tech trailed 24-14 at halftime after the Longhorns scored two touchdowns in the final six minutes of the half. The Red Raiders had led 14-10 after a Smith touchdown pass to Brooks before Texas regained momentum to scored on its final two possessions. Smith threw for 104 yards and a touchdown on 18-for-23 passing in the first half along with rushing for one touchdown and running for 14 yards on three carries. Thompson led Tech with 35 yards rushing on nine rushes, while Brooks had 29 yards on five carries and Price had six receptions for 38 yards going into the second half. Texas had 229 of total offense in the first half led by Card who was 13-for-18 passing with 168 yards and one touchdown.

The Red Raiders trailed by 10 at the break after they had taken their first lead of the game at 14-10 after a 17-yard touchdown pass from Smith to Brooks with 12:06 remaining in the second quarter. The screen pass to the home sideline came on a 2nd and 10 and capped a 13-play, 83-yard drive.

Tech seemed to grab momentum with Pearson picking off a pass from Card at the 20 and returned it 25 yards to the Tech 45-yardline on the next possession. A three-and-out by the Red Raiders was followed the Longhorns regaining the lead at 17-14 on a 39-yard connection between Card and Worthy with 6:07 remaining until halftime. The lead grew to 24-14 on an 8-yard touchdown run by Robinson with 24 seconds remaining in the opening half. Robinson's run had him at 44 yards rushing on six carries in the first half.

Both teams opened the game with first-drive touchdowns with Robinson hauling in a 35-yard touchdown pass from Card on the Longhorns opening possession followed by Smith running it in from 4 yards out for the first Red Raider touchdown. Smith's touchdown came on 4th and 5 to complete an 18-play, 75-yard drive. It was his third rushing touchdown of the season and sixth of his career.

TECH COMES UP SHORT AT NO. 25 K-STATE

MANHATTAN, Kan. (AP) -- Adrian Martinez rushed for 171 yards and three touchdowns and threw for another score, leading No. 25 Kansas State past Texas Tech 37-28 on Saturday.

Martinez was 12-for-19 passing for 116 yards for Kansas State (4-1, 2-0 Big 12), while Deuce Vaughn had 170 rushing yards for the Wildcats, who extended their winning streak against the Red Raiders to seven games. Donovan Smith was 34-for-48 passing for 359 yards and two TDs for Texas Tech (3-2, 1-1). Smith also rushed for a touchdown.

Tech cut the lead to 13-7 with 1:24 left in the first half. After gaining just 48 yards of total offense, the Red Raiders went 86 yards on nine plays, capped by a 6-yard touchdown pass from Smith to Nehemiah Martinez. Trey Wolff kicked a 51-yard field goal for Tech before the break, then tied the score at 20-20 with a 39-yard field goal midway through the third quarter.

K-State answered with its second two-play drive of the game. Vaughn ran 69 yards to the Tech 8-yard line on the first play after the kickoff. Following an offensive holding penalty, Martinez found Phillip Brooks with an 18-yard touchdown pass.

The lead didn't last long, as Smith hit Xavier White with a 12-yard touchdown pass to cap a seven-play, 75-yard drive. Wolff missed a 42-yard field goal, denying Tech its first lead of the game.

Martinez then scored on his second big run of the day, 69 yards untouched up the middle of the field. Tennant's 32-yard field goal gave the Wildcats a 30-20 lead with 9:07 left. A fumble on the next series gave K-State the ball at the Tech 27-yard line and the Wildcats iced the game with Martinez's third rushing touchdown.

Smith scored from 3 yards out for Tech's final touchdown with 2:23 left.

RED RAIDERS FALL AT NO. 7 OKLAHOMA STATE

STILLWATER, Okla. (AP) — Spencer Sanders ran for two touchdowns and passed for another and No. 7 Oklahoma State beat Texas Tech 41-31 on Saturday.

Sanders passed for 297 yards and ran for 56, and Bryson Green had five catches for a career-high 115 yards for the Cowboys (5-0, 2-0 Big 12). Texas Tech redshirt freshman Behren Morton got his first career start in place of Donovan Smith. He completed 39 of 62 passes for 379 yards and two touchdowns for the Red Raiders (3-3, 1-2).

Jerand Bradley caught eight passes for 119 yards and a touchdown and Trey Cleveland caught nine passes for 110 yards for a Texas Tech team that was playing its fifth straight ranked opponent and already had claimed wins over Houston and Texas. Morton completed 24 of 39 passes for 220 yards and both scores in the first half to help the Red Raiders take a 24-20 lead at the break. Tech gained 347 yards on 57 plays in the first two quarters.

Sanders rolled out and scored on a 2-yard touchdown run to trim Texas Tech's lead to 31-29 in the third. Sanders' shovel pass to Jaden Bray tied the score with 3:18 left in the third quarter. On Texas Tech's next possession, Morton made one of his few mistakes. Oklahoma State linebacker Mason Cobb intercepted him and returned the ball 13 yards to the Tech 19. Tanner Brown's fourth field goal of the game gave the Cowboys a 34-31 lead with 3 seconds left in the third quarter.

Texas Tech: The Red Raiders were again competitive against a top-flight opponent. It was just a matter of a few plays here and there. Tech's other losses were 27-14 at North Carolina State and 37-28 at Kansas State. Four of Tech's final six games are at home.

TECH CRUISES PAST WEST VIRGINIA, 48-10

LUBBOCK, Texas (AP) — Behren Morton threw two touchdown passes, Tahj Brooks ran for two scores and Texas Tech used a fast start to beat West Virginia 48-10 on Saturday.

Coming off a bye week and playing in Lubbock for the first time in nearly a month, the Red Raiders (4-3, 2-2 Big 12) scored 17 points off of turnovers, broke a two-game losing streak and improved to 3-0 at home. Texas Tech seized control with touchdowns on its first two drives and the Red Raiders' high-tempo offense kept West Virginia off balance. Texas Tech surpassed 100 offensive plays, including 55 in the first half when it converted six of seven times on fourth down.

"I was proud of this team for bouncing back," Texas Tech coach Joey McGuire said. "I was really proud of the way they responded, how fast we played. I thought they showed what kind of shape our guys are in." Brooks had 17 carries for a season-high 107 yards, including first-quarter TD runs of 1 and 19 yards. Morton, a redshirt freshman, was solid again in his second straight start. He completed 28 of 45 passes for 325 yards after throwing for 379 two weeks ago in a loss at No. 11 Oklahoma State.

McGuire said Morton, who had been nursing a sore ankle, woke up sick on Saturday. McGuire said Morton's performance was a testament to the team's medical staff to get him ready to play. Upon learning that Morton was throwing up, McGuire recalled that head athletic trainer Andrew Krueger told him, 'Well, he probably won't worry about his ankle today, so that's probably a good thing.' "He gets an IV before the game and comes out and does everything we ask."

After Texas Tech's Malik Dunlap intercepted an underthrown ball on West Virginia's first drive of the third quarter, the Red Raiders' Xavier White caught a pass from Morton and weaved 37 yards through traffic for a 55-yard touchdown. White later had a 27-yard catch along the sideline to set up Morton's 12-yard scoring toss to Loic Fouonji for a 31-3 lead. White had eight catches for a career-high 139 yards.

Texas Tech entered the game with one of the worst turnover margins in the Bowl Subdivision. The Red Raiders intercepted three passes and recovered a CJ Donaldson fumble near midfield. After the fumble recovery, SaRodorick Thompson scored on a 13-yard run for a 38-10 lead to start the fourth.

Texas Tech kicked a short field goal after JT Daniels' career-high third interception. It marked the fifth road loss of at least 25 points for West Virginia under fourth-year coach Neal Brown.
