SPECIAL THANKS: Each year, the football media guide serves as a valuable resource to the history of Texas Tech University and its football program. Few have valued that history more than Rodney Allison. For that, we dedicate this year's media guide to our friend, Rodney Allison. Mahalo!

SEASON PREVIEW

▲ Texas Tech enters its third season under head coach **JOEY MCGUIRE**, who is the first head coach in program history to lead the Red Raiders to a bowl victory in each of his first two seasons as well as a winning conference record. Texas Tech defeated Ole Miss in the TaxAct Bowl in 2022 and then Cal this past season in the Independence Bowl.

THE BIG 12 LEADER IN ALL-TIME BOWL APPEARANCES

■ Texas Tech enters the 2024 campaign as the Big 12 Conference's leader in total bowl appearances as the Red Raiders have made 41 in their history, including one in each of the last three seasons. Texas Tech ranks tied for 20th nationally in all-time bowl appearances as the Red Raiders have one more than fellow Big 12 members BYU and West Virginia. The next closest from there is TCU with 36 bowl appearances in its history.

■ Texas Tech dispatched Cal in the Independence Bowl for its third bowl victory in as many years to end the 2023 campaign. It marked only the second time in program history where the Red Raiders have ended three-straight seasons with a bowl wins, matching the run from 2002-04 when Texas Tech won the Tangerine Bowl over Clemson, the Houston Bowl over Navy and the Holiday Bowl versus No. 4 Cal. Texas Tech's current run with a 34-7 rout in the 2021 AutoZone Liberty Bowl, which was followed by a 42-25 victory a year later over Ole Miss in the TaxAct Texas Bowl to close the debut season under Joey McGuire.

BIG 12 CONFERENCE BOWL LEADERS

New-look Big 12 leaders in all-time bowl appearances

School	Appearances
Texas Tech	41
BYU	40
West Virginia	40
TCU	36
Oklahoma State	34
Arizona State	33
Colorado	30
Houston	30

■ Texas Tech is the lone Big 12 Conference member and one of only seven schools nationally to win a bowl game in each of the last three seasons, joining the likes of Georgia, Minnesota and Maryland from the power-four ranks as well as Air Force, Fresno State and Western Kentucky. Of that list, the Red Raiders are joined by only Georgia and Maryland who have also defeated a team from a power-four conference each year during that stretch.

■ Texas Tech is currently in the midst of its longest bowl streak since its 2000-10 stretch, primarily under Mike Leach. Texas Tech has made a postseason appearance in four-consecutive seasons only twice in its history as, in addition to the run under Leach, the Red Raiders reached a bowl game four-straight years from 1993-96 under Spike Dykes.

■ Joey McGuire is the first head coach in program history to lead the Red Raiders to a bowl victory in each of his first two seasons. He previously joined Leach as the only other head coach to push Texas Tech to at least a bowl appearance over the first two seasons of his tenure.

ALWAYS BEEN GREATER THAN 12

■ The Big 12 Conference will once again welcome four new members for the 2024 season with the addition Arizona, Arizona State, Colorado and Utah, pushing the league's membership up to 16 schools for the first time. The Red Raiders will face three of those schools this season as Arizona State and Colorado will both travel to Jones AT&T Stadium, while Texas Tech will travel to Arizona early in Big 12 play.

■ The four new additions come only a year after the Big 12 was at 14 members following the arrival of BYU, Cincinnati, Houston and UCF. The Red Raiders faced three of those four this past year with the lone exception, Cincinnati, scheduled to travel to Lubbock on Sept. 28 this season. This will only be the second all-time meeting between the Red Raiders and Bearcats and the first since 1968, which resulted in a 10-10 tie in Lubbock to start the season.

■ Texas Tech has been league members with Arizona once previously as the two schools faced each other regularly as part of the Border Conference from 1931-59 up until the Red Raiders were invited to the Southwest Conference. The Red Raiders and Wildcats have squared off 33 times with Texas Tech controlling a commanding 26-5-2 lead in the series. The two schools last met in 2019 as non-conference foes with Arizona claiming a 28-14 victory at home.

■ Texas Tech and Arizona State are no stranger to one another, either, especially in recent years. All four all-time meetings between the two schools have come since 1999 as Texas Tech is 2-2 against the Sun Devils with wins in the 2013 Holiday Bowl and again in 2017 at home. The 2017 contest closed a home-and-home non-conference agreement between the two schools.

■ For Colorado, it is a return to the Big 12 Conference where it was a charter member in 1996 until its departure in 2011. Texas Tech and the Buffaloes were 3-3 against each other as Big 12 members and are 5-5 all-time in the series with four previous non-conference dates. Colorado is led by second-year head coach Deion Sanders, whose son, Deion Jr., was coached by Texas Tech head coach Joey McGuire as a freshman at Cedar Hill High School. McGuire transformed Cedar Hill into a Texas powerhouse with three state titles over his 14 seasons as head coach.

RED RAIDERS SET FOR SEVEN HOMES IN RENOVATED JONES AT&T STADIUM

■ Texas Tech will play five of its first seven games at home this season where the Red Raiders are a combined 10-3 overall under Joey McGuire. The Red Raiders have road trips to Washington State and Arizona during that stretch with home visits by Abilene Christian, North Texas, Arizona State, Cincinnati and Baylor. It is only the fourth time in the Big 12 era for the Red Raiders to start a season with five of their first seven games at home as Texas Tech also did so in 2000, 2005 and 2016.

■ The Red Raiders will open Big 12 play during that stretch with back-to-back home games, welcoming both Arizona State and Cincinnati to Jones AT&T Stadium. It marks only the second time since joining the Big 12 that Texas Tech has opened conference play with consecutive home games as the Red Raiders also did so in 2003, defeating both Texas A&M and Iowa State en route to an eventual 8-5 season.

■ Texas Tech is slated for seven home games this season in a renovated Jones AT&T Stadium, including five against Big 12 foes. In its history, Texas Tech has hosted seven or more home games in a season 13 times previously with the most recent being in 2022. The Red Raiders are scheduled to host seven home games in three of the next four seasons as part of its new non-conference scheduling model to prioritize home agreements.

TEXAS TECH SET FOR 100TH SEASON OF FOOTBALL

■ Texas Tech will kick off its 100th season of football Aug. 31 when Abilene Christian makes the short drive to Jones AT&T Stadium. The Wildcats were actually the seventh opponent for the Red Raiders in their inaugural season in 1925 with Texas Tech prevailing, 10-7, in Abilene. Despite the two programs being separated by a mere 170 miles, the season opener between Texas Tech and Abilene Christian will be the first meeting since 1949 and only the 10th overall. Abilene Christian will also serve as Texas Tech's season opener in 2026.

■ The Red Raiders will also be looking to secure their 600th all-time victory early in the season as Texas Tech is 597-481-32 over its 99 seasons of football. Following the Abilene Christian opener, Texas Tech will play three of its next four games at home as visits from North Texas, Arizona State and Cincinnati follow a non-conference road trip to Washington State.

FAMILIAR FACES ON THE OPPOSING SIDELINES

■ Texas Tech fans will notice a few familiar faces on the opposing sidelines this season as the Red Raiders will face five teams whose head coach was previously on staff here in Lubbock. That list includes Abilene Christian's Keith Patterson (defensive coordinator 2019-21), North Texas' Eric Morris (former letterwinner from 2005-08, offensive coordinator 2013-17), Baylor's Dave Aranda (graduate assistant 2000-02), TCU's Sonny Dykes (Texas Tech graduate class of 1993, assistant coach 2000-04, co-offensive coordinator 2005-06) and West Virginia's Neal Brown (offensive coordinator 2010-12).

RED RAIDERS PICKED NINTH IN BIG 12 PRESEASON POLL

■ Texas Tech will enter its third season under head coach Joey McGuire picked to finish ninth overall in the new 16-team Big 12, according to the conference preseason poll of media members that was announced by the league office in July. Five different league schools received at least one first-place vote in the poll as Utah led the way with 20 with Kansas State one behind with 19 followed by Oklahoma State with 14, Kansas with five and Arizona with three.

■ Texas Tech will not face three of the top-five teams in the preseason poll during the regular season in Utah, Kansas State and Kansas as well as four of the top eight teams overall as the Red Raiders will also not face UCF this season.

BROOKS, MCCRAY NAMED TO BIG 12 PRESEASON TEAM

■ Tahj Brooks and Drae McCray headlined the accolades collected by the Red Raiders from the Big 12 in its annual preseason awards, which were announced by the league in July. Brooks was one of two running backs selected to the preseason team, while McCray was the lone return specialist chosen.

■ Brooks, who opted to return to Texas Tech after one of the best seasons by a Red Raider running back in school history in 2023, will chase the all-time school record for career rushing yards, needing 1,167 to match Byron Hanspard's record of 4,219 yards from 1994-96. Brooks was an All-Big 12 first-team selection by the conference coaches and Associated Press in 2023 after recording 1,538 rushing yards and 10 touchdowns on the ground — the fourth-most yards by an FBS player last year.

■ McCray was one of the most electric kick returners in the nation a year ago. He was third in the country for total kick return yards (717), trailing only Zylan Perry of Louisiana-Lafayette (862) and Jacob De Jesus of UNLV (822), and he ranked tied for third in the FBS for most kick returns at least 30 yards (7) and 40 yards (3). McCray shared the FBS high with three kick returns of at least 50 yards on the season, which included a 100-yard touchdown return at home versus Houston on Sept. 30.

CLAY MCGUIRE RETURNS AS OFFENSIVE LINE COACH

■ Texas Tech will have a new but familiar face back on its sideline this season with Clay McGuire's return as offensive line coach. This will be McGuire's third stint on the Texas Tech coaching staff as he previously served in various roles from 2006-09, ultimately rising to special teams coordinator (2007-08) and running backs coach (2009) under Mike Leach before returning again in 2018 to be the co-offensive coordinator and running backs coach for Kliff Kingsbury. McGuire (no relation to Joey McGuire) returns to his alma mater following two seasons as the offensive line coach at Washington State, his second stint with the Cougars after serving in a similar capacity for six years under Leach from 2012-17.

■ Joey McGuire has established continuity on his coaching staff as eight of his 10 assistant coaches, including all three coordinators in Tim DeRuyter, Zach Kittley and Kenny Perry, as well as head strength and conditioning coach Lance Barilow are all entering their third season. Besides Clay McGuire, Justin Johnson is the only other position coach not in his third year as he joined the Red Raiders as assistant head coach, offensive passing game coordinator and wide receivers coach prior to the 2023 season.

FIVE RED RAIDERS NAMED TEAM CAPTAINS

■ Joey McGuire announced back in January the naming of five team captains for the 2024 season in senior running back Tahj Brooks, senior offensive lineman Caleb Rogers, junior quarterback Behren Morton, junior linebacker Jacob Rodriguez and senior linebacker Bryce Ramirez. The five captains, all previous members of McGuire's leadership committee during the 2023 season, were tasked with identifying and developing new leaders for the football program throughout spring practices as well as enhancing Texas Tech's player-led culture. This is the first time during McGuire's tenure he has named set captains as he previously relied on a leadership committee of upperclassmen from each position group.

THE UNOFFICIAL HOME OF THE THSCA

Since his hire as Texas Tech's head coach, **Joey McGuire** has made it a point to brand the Red Raiders the "unofficial home of the Texas High School Coaches Association." Already a Hall of Famer himself, McGuire has hired a staff filled with experience at both the collegiate and high school levels with four assistant coaches who have previous ties to the THSCA as well as a slew of support staff members.

Lee Wiginton is a former president of the THSCA.

NEWS & NOTES ON TEXAS TECH'S THIRD-YEAR HEAD COACH

- With a win over Cal in the Independence Bowl, McGuire improved to 15-11 overall (.577), which marked the fourth-highest winning percentage for a Texas Tech head coach through two seasons and the highest since **Steve Sloan** was 16-7 overall (.696) following the 1976 campaign. His 15 wins, meanwhile, mark the most for any Red Raider head coach through two seasons.
- McGuire became the first head coach in school history to win a bowl game in each of his first two seasons after the Red Raiders downed Cal in the Independence Bowl. Texas Tech previously knocked off Ole Miss to close his inaugural 2022 campaign at the TaxAct Texas Bowl.
- McGuire is now only the second head coach in program history to lead the Red Raiders to bowl games in each of his first two seasons, joining the late **Mike Leach**, who pushed Texas Tech to a bowl game in each of his 10 seasons. McGuire previously became the eighth head coach in program history to lead the Red Raiders to a bowl game in his debut season a year ago and the 12th head coach to lead Texas Tech to a winning record in his first year.
- Texas Tech has hit the 40-point mark seven times during McGuire's tenure as the Red Raiders are a perfect 7-0 in those games during his two seasons.
- There is defense in West Texas as Texas Tech was 5-1 this past season and is 9-1 overall under McGuire when holding opponents to 25 or fewer points. Texas Tech had not previously limited its opponents to 25 or less points six times during Big 12 play under McGuire and has done so in each of its two bowl victories.
- McGuire 's eight-win debut in 2022 finished one victory shy for the most by a first-year head coach in program history as **Dell Morgan** previously led the Red Raiders to a 9-2 record in 1941. McGuire led the Red Raiders to a 5-4 record in Big 12 that same season, becoming the first head coach to notch a winning conference record (above .500) in his debut season since **David McWilliams** did so in 1986. He is a combined 10-8 in Big 12 play now over his two seasons.
- The success the Red Raiders had in Big 12 play during the 2022 season pushed Texas Tech to its most conference wins since 2009 and a fourth-place finish in the standings, its highest since the league went to a 10-team format in 2011.
- McGuire is the only head coach in program history to defeat both Texas and Oklahoma in the same season after knocking off both in overtime in 2022.

RECRUITING SUCCESS UNDER MCGUIRE

- Under McGuire, Texas Tech's personnel department resembles an NFL front office, a unique approach in the world of college football. Texas Tech's personnel department is overseen by general manager James Blanchard, who was McGuire's first hire after accepting the Texas Tech position. Blanchard has the ability to offer any potential recruit he and his staff feel will fit at Texas Tech, allowing McGuire's coaching staff to prioritize player development.
- The setup has paved the way for consecutive top-25 classes as the Red Raiders ranked as high as No. 23 each of the past two years by the likes of Rivals and On3.com. Texas Tech's 2023 class ranked as high as No. 23 nationally by Rivals, marking its highest-rated class in more than a decade. Its 2024 class, meanwhile, was the highest-rated class in the Big 12 at No. 23 overall, a testament to McGuire and his staff's ties to the state of Texas.

WELCOME TO THE THREE STRIPE LIFE

- Texas Tech will have a new footwear, uniform, apparel and accessory partner beginning with the 2024 season after signing a 10-year agreement with adidas. The collaboration comes as part of adidas' evolving work with brand partner and Texas Tech alumnus Patrick Mahomes II, who will be the first adidas athlete to have his logo featured on official collegiate apparel. Texas Tech and adidas have already launched co-branded apparel featuring Mahomes' signature Gladiator logo.
- On a busy day in college athletics, the Texas Tech and adidas announcement reached 17 million users across social media platforms as part of a large-scale unveiling that incorporated "ripping the tape" off the partnership, a reference to the shirt Mahomes infamously wore the 2019 Men's Final Four.
- As part of the partnership, all eligible student-athletes at Texas Tech will have the opportunity to join the brand's historic NIL Ambassador Network, which gives all student-athletes at adidas-partnered Division 1 schools the chance to benefit from their Name, Image and Likeness. Since its inception, over 12,000 student-athletes nationwide across a variety of sports have participated in the network, earning a percentage of the sales they drive for key products and campaigns.

ONE OF THE NATION'S TOP RUNNING BACKS

Tahj Brooks entered the national picture as one of the nation's top running backs last season, validated not only in stats but also by being honored as a Doak Walker Award semifinalist and an All-Big 12 first team selection. Brooks ended the 2023 season ranked fourth nationally in both rushing yards and rushing yards per game after totaling 1,538 yards on the ground. It marked only the fifth time in program history where a Red Raider has rushed for at least 1,500 yards in a season and the first since Ricky Williams in 1998.

Brooks will now enter the 2024 season as the nation's second-leading returning rusher, trailing only Oklahoma State's Ollie Gordon II. He will be one of only two active FBS rushers to return with at least 3,000 career rushing yards, joining another Big 12 rusher in Kansas' Devin Neal. Brooks is just the seventh Red Raider in program history to reach the 3,000 career rushing mark.

NCAA FBS RUSHING YARDS LEADERS FROM 2023 SEASON

1. Ollie Gordon II (Oklahoma State)* — 1,732
2. Kimani Vidal (Troy) — 1,661
3. Cody Schrader (Missouri) — 1,538
4. Tahj Brooks (Texas Tech)* — 1,538
5. Omarion Hampton (North Carolina)* — 1,504

BROOKS RETURNS TO CHASE HANSPARD'S RECORD

■ Tahj Brooks may have surprised some when he opted to return for a super-senior season following his more-than-impressive 2023 campaign. His return puts the top spot on Texas Tech's career rushing chart clearly in Brooks' sights as he will need 1,167 yards to match Byron Hanspard's record. Brooks moved to seventh all-time in program history with 3,052 career rushing yards after his successful 2023 campaign where he recorded 1,538 yards on the ground, the fourth-highest total in program history.

■ Brooks registered eight 100-yard games last season, which came over the final 11 contests, primarily during Big 12 play. In the three games he did not eclipse 100 yards during that span, he had at least 95 in each contest. Brooks, who topped out with a career-high 182 rushing yards in the home finale versus UCF, now has 12 career games with 100 or more yards, which is fifth all-time in program history behind Hanspard with 21, James Gray with 18, Byron Morris with 16 and James Hadnot with 13.

■ Brooks will have his shot at one more career category as well as he needs 196 rushing attempts this season to match Hanspard's school record. For reference, Brooks carried 290 times this past season, which led all power-four rushers and ranked second nationally only behind Kimani Vidal of Troy. It marked the most fourth-most rushing attempts by a Red Raider in program history and the most since Ricky Williams had 336 in 1998.

■ Brooks found the end zone on the ground in seven of the last eight games of the regular season, failing to do so only in the finale at Texas. Prior to the trip to Austin, his streak of seven-straight games with a rushing touchdown marked the first time a Red Raider has done so since **Eric Stephens** between the last two games of the 2010 season and the first five of the 2011 campaign. The last time it was done in a single season was **Taurean Henderson** over the final eight games in 2004. His first rushing touchdown of the 2024 season will move him into a tie for ninth all-time in program history.

HARD TO TACKLE

■ According to *Pro Football Focus*, Brooks controled a commanding lead nationally with 96 forced miss tackles this season, which was easily the most among power-four players last season. The next-closest power-five player in that category was Quinshon Judkins formally of Ole Miss with 78 forced missed tackles. Kimani Vidal of Troy ranked second nationally with 94 forced missed tackles followed by Boise State's Ashton Jeanty with 82.

■ Additionally, *PFF* ranked Brooks fourth in the FBS for yards after contact with 998 this past season, including an astounding 151 against UCF. He trailed only a pair of Doak Walker Award finalists in North Carolina's Omarion Hampton, who has 1,072 yards after contact and Ollie Gordon's 1,,056 yards after contact, as well as Vidal of Troy with 1,056 yards.

MORE THAN JUST A RUSHER

■ Ask just about anyone in the Texas Tech football office, and they'll likely brag about Tahj Brooks' ability as a pass blocker just as much as his rushing skills. In Texas Tech's spread offense, Brooks is called upon heavily in protection as *Pro Football Focus* credited him with 105 pass blocking opportunities a year ago, which was tied for ninth in the FBS and third among power-four rushers.

■ *PFF* graded Brooks at 76.5 as a pass blocker, which was the highest for a power-four rusher with at least 70 opportunities on the season. Brooks ranked seventh nationally in overall pass-blocking grade as he surrendered only one sack on the season. In fact, it represented the only sack Brooks has been charged with during his career over 193 pass-blocking opportunities.

IT'S ALWAYS TAHJ TIME IN WEST TEXAS

Texas Tech has launched TahjTime.com, a promotional website for Red Raider senior running back Tahj Brooks for both national awards and to track his progress towards Byron Hanspard's career rushing record during his final season. The website, which plays off Brooks' popular celebration following each touchdown, debuted prior to his appearance at Big 12 Media Days in July and will be updated regularly throughout the 2024 season.

SOUTH END ZONE & WOMBLE FOOTBALL CENTER

▲ Texas Tech will complete ts largest facility investment in athletics history this season with the opening of the South End Zone and Dustin R. Womble Football Center project. The $242 million project marks the largest contiguous athletics facility in the country with more than 300,000 combined square feet of space.

THE LARGEST CONTIGUOUS FOOTBALL FACILITY IN THE COUNTRY

■ Texas Tech will officially open the South End Zone and Dustin R. Womble Football Center project this season, featuring more than 340,000 combined square feet of space with a blend of world-class modern design and technology elements with Spanish Renaissance architecture well known to Texas Tech supporters. The $242 million project marks the largest contiguous football facility in the country, connecting the south end zone building to the Womble Football Center and the Sports Performance Center, which opened in 2017 as Texas Tech's indoor football practice facility and indoor track and field venue.

■ Joey McGuire and his staff moved into their new coaches' offices on the second floor of the South End Zone Building in July 2024, giving them a stunning view overlooking Cody Campbell Field at Jones AT&T Stadium. The office location places McGuire and his staff steps from each position room and the skybridge connected to the Womble Football Center where offensive and defensive breakout rooms will be located as well as a team meeting space and a state-of-the-art walkthrough area on the second level.

■ Texas Tech is slated to open the Womble Football Center this fall as the two-story building will maintain its football strength and conditioning, sports medicine and equipment areas on the main level as part of the new layout. The Red Raiders' main locker room will be located in the Womble Football Center, which includes space for 120-plus athletes and modern primary designs from Hollman that are fully ventilated and contain USB charging ports and DreamSeat technology for every player.

■ The second floor of the Womble Football Center will feature a revolutionary 4,500-plus square foot multi-purpose walkthrough area designed for large-scale indoor team strategy implementation, instruction and technique evaluation only a few steps from the team meeting space and position rooms. The space will feature a 25-by-20 yard turf surface in front of a 70-foot wide by 10.5-foot high LED screen that will be the largest in both college football and the NFL for walkthrough areas. The LED screen will allow Texas Tech's coaches to simulate an opponent's formation and scheme, giving the Red Raiders real-time feedback through the advanced technology during game preparations on the turf field.

■ Texas Tech will boast a 15,000-square-foot, two-level weight room once completed, one of the largest in college football. The weight room area is located in the southwest corner of the Womble Football Center, giving the Red Raiders direct access into the Sports Performance Center and the outdoor practice fields.

■ The entire facility will significantly upgrade the amenities provided to the Red Raiders on a daily basis, notably with a two-story players' lounge, the "Uncommon Man" barber sharp, a state-of-the-art hydrotherapy recovery suite and a primary 12,000-square-foot locker room located in the Womble Football Center. Texas Tech will also maintain an 85-player gameday locker room in the south end zone located not far from a gameday lounge for recruits during pregame and then letterwinners after kickoff. The Womble Football Center also features a letterwinners lounge, giving former players direct access to the facility to watch practice from a balcony overlooking the outdoor practice fields.

■ The 2024 season will mark the return of the iconic Double T scoreboard, a landmark on the Texas Tech campus since 1978. As part of the project, Texas Tech constructed a new Double T scoreboard to sit atop the new south end zone building, using the same dimensions as its previous model but placing it at a much higher elevation. The new Double T scoreboard is now 115 feet off the ground at its peak, giving students and alumni stunning views at various locations throughout campus.

■ The Red Raiders will enter Jones AT&T Stadium each gameday through the Gary Petersen Field Club, a 12,000-square-foot premium space that is among the first of its kind in college football. It is one of several new premium areas as Texas Tech has added 17 new luxury suites to go along with 500 club and loge box seats and two spacious party decks. Texas Tech now boasts 102 premium suites throughout Jones AT&T Stadium to go along with more than 2,500 club and loge box seat options.

■ Texas Tech will debut a new team entrance during its Aug. 31 season opener against Abilene Christian as the Red Raiders will now enter behind the south goalpost prior to kickoff. The iconic Masked Rider saddle will be located in the Gary Petersen Field Club, giving fans in that area an opportunity to see the Red Raiders touch it one final time on their way into the stadium.

■ In addition to the large-scale construction, Texas Tech also enhanced its gameday experience as part of the project, adding nine LED displays through Daktronics as well as a state-of-the-art sound system by Clair Audio, a national leader in large venue audio production. The added LED displays include the main videoboard on the north end of the stadium, expanding it to 37-feet high by 136-feet wide in size with 10-millimeter pixel spacing for excellent image clarity and contrast. Texas Tech also constructed two new video displays atop its south end zone measuring 28-feet high by 48-feet wide, featuring content zoning abilities that are already a staple of the north end zone videoboard. All three new videoboards feature 10mm pixel pitch, providing every fan in the 60,000-plus seat stadium with the highest resolution display in college football.

■ The opening of the South End Zone Building to Jones AT&T Stadium officially closed The Campaign for Fearless Champions, one of the most-successful fundraising initiatives in university history that raised more than $500 million to transform Texas Tech's athletic facilities across every sport, while also pouring resources into the student-athlete experience through scholarship endowments and the creation of the J.T. and Margaret Talkington Office of Student-Athlete Development.

■ Texas Tech previously enhanced the atmosphere inside Jones AT&T Stadium prior to the 2023 season with a new Musco LED lighting system to go along with a state-of-the-art playing surface from Hellas. The lighting system provides Texas Tech with the ability to utilize choreographed patterns designed to music during its pregame entertainment, in-between quarters and after touchdowns. The lighting system has already greatly enhanced the in-game fan experience, especially under the Jones AT&T Stadium lights where the Red Raiders have traditionally boasted one of the nation's top homefield advantages.

COACHING STAFF

JOEY McGUIRE

Head Coach | Third Season

Joey McGuire enters his third season as Texas Tech's head football coach where he has quickly built the Red Raiders back into a regular postseason contender with back-to-back bowl victories and an emphasis on recruiting the best athletes from the state of Texas.

The 17th head coach in program history, McGuire was named to the position on Nov. 8, 2021, by Director of Athletics Kirby Hocutt. Since then, McGuire has become the first head coach in program history to lead the Red Raiders to a bowl victory in each of his first two seasons after Texas Tech downed Ole Miss in the 2022 TaxAct Texas Bowl and then Cal in the 2023 Radiant Technologies Independence Bowl.

The Red Raiders' success under McGuire doesn't stop there. In two short seasons, Texas Tech has accomplished the following:

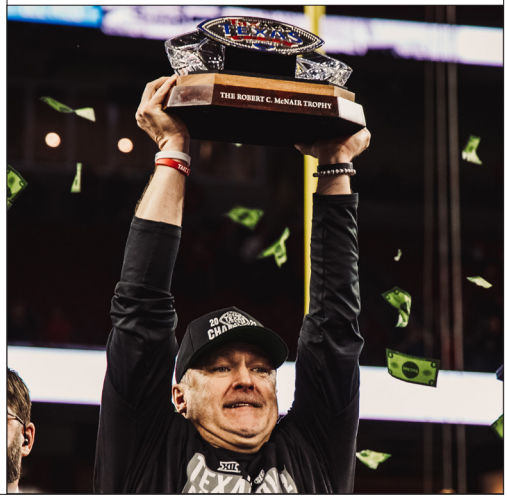
- McGuire is only the second head coach in program history to push the Red Raiders to a bowl appearance in each of his first two seasons, joining the late Mike Leach who did so over all of his 10 years in Lubbock.
- McGuire has pushed the Red Raiders to a 5-4 record in Big 12 play in each of his two seasons, marking Texas Tech's first winning conference mark since 2009. McGuire is only the second head coach in program history to lead the Red Raiders to an above .500 conference record in each of his first two seasons, joining the late Steve Sloan (1975-77).
- Texas Tech has combined for 15 wins in McGuire's first two seasons, the most for a head coach in that span in school history. McGuire's .577 winning percentage early in his tenure marks the highest for a Texas Tech head coach in his first two season since Steve Sloan led the Red Raiders to a 16-7 record (.696) over the 1975-76 campaigns.
- McGuire's eight-win debut in 2022 finished one victory shy for the most ever by a first-year head coach in program history as Dell Morgan previously led the Red Raiders to a 9-2 record in 1941.
- Texas Tech closed the 2022 season with a 42-25 victory over Ole Miss in the TaxAct Texas Bowl, marking its fourth-consecutive victory to close the season. The Red Raiders had not previously ended a season with four-straight wins since 1995.
- Entering the 2024 season, McGuire will be one of only two active Big 12 head coaches to have led his current school to a bowl victory in each of his first two seasons, joining Utah's Kyle Whittingham.
- McGuire is the only head coach in program history to defeat Texas and Oklahoma in the same season after the Red Raiders defeated both in overtime during his debut season in 2022.
- The Red Raiders are a combined 10-3 at home over McGuire's two seasons, turning Jones AT&T Stadium into a consistent home field advantage.
- Red Raider fans have come to expect strong finishes under McGuire as Texas Tech is a combined 6-2 in the month of November in his two seasons despite having to start three different quarterbacks each year.

THE PATH TO THE NFL

Texas Tech has had three Red Raiders hear their names called during the NFL Draft early in McGuire's tenure as rush end Tyree Wilson was picked in the first round in 2023, while defensive back Dadrion Taylor-Demerson went in the fourth round a year later followed by rush end Myles Cole in the seventh round. Texas Tech has also had more than 10 Red Raiders sign undrafted free agent contracts during McGuire's tenure.

Wilson was picked seventh overall by the Las Vegas Raiders, becoming the highest-drafted Texas Tech defensive player in program history. Wilson previously earned first team All-America honors by the Football Writers Association of America (FWAA) and was a first team All-Big 12 honoree after totaling 14.0 tackles for loss and 7.0 sacks over 10 games as a senior. He matched Ring of Honor member Donny Anderson as being the second-highest drafted Red Raider in program history (all positions) and the highest in the modern era.

McGuire previously developed four NFL Draft selections during his tenure at Baylor. That list included outside linebackers Terrel Bernard in 2022 and William Bradley-King, a seventh-round selection by the Washington Football Team in 2021, as well as defensive linemen James Lynch and Bravvion Roy in 2020. Lynch went in the fourth round of the 2020 draft to the Minnesota Vikings, while Roy was taken two rounds later by the Carolina Panthers. Bernard, meanwhile, was a third-round selection by the Buffalo Bills during the 2022 NFL Draft.



AN NFL FRONT OFFICE

Under McGuire, Texas Tech's personnel department resembles an NFL front office, a unique approach in the world of college football. Texas Tech's personnel department is overseen by general manager James Blanchard, who was McGuire's first hire after accepting the Texas Tech position. Blanchard has the ability to offer any potential recruit he and his staff feel will fit at Texas Tech, allowing McGuire's coaching staff to prioritize player development.

The setup has paved the way for consecutive top-25 classes as the Red Raiders ranked as high as No. 23 each of the past two years by the likes of Rivals and On3.com. Texas Tech's 2023 class ranked as high as No. 23 nationally by Rivals, marking its highest-rated class in more than a decade. Its 2024 class, meanwhile, was the highest-rated class in the Big 12 at No. 23 overall, a testament to McGuire and his staff's ties to the state of Texas.

THE TEXAS HIGH SCHOOL FOOTBALL HALL OF FAMER

Texas Tech's early success should come at little surprise as McGuire previously helped build a winning program at Baylor following a stellar 14-year run at Cedar Hill High School in the Dallas-Fort Worth metroplex. McGuire, a 2020 inductee into the Texas High School Coaches Association Hall of Honor and a 2022 member of the Texas High School Football Hall of Fame, created one of the most-memorable turnaround stories in the state's history during his 14 seasons leading Cedar Hill.

The Longhorns not only won at a high level under McGuire, but they transformed into one of the state's most dominant programs with its first state title in 2006 and then back-to-back state crowns in 2013 and 2014. Cedar Hill was an impressive 141-42 during McGuire's tenure, going from an unknown to a state champion in only his fourth season as head coach. The Longhorns' dynasty featured 12-consecutive playoff appearances, nine bi-district titles and seven district crowns under McGuire, including another appearance in the state title game in 2012 where Cedar Hill fell to Katy.

McGuire's turnaround of Cedar Hill quickly placed him among the state's most revered high school coaches as he was named the Texas Coach of the Year by MaxPreps, Dallas Morning News and Chevy Silverado in 2013. He also earned Coach of the Year honors for class 5A that season by the Texas Sports Writers Association (TSWA), Dave Campbell's Texas Football, the National Football Foundation Dallas chapter and the Padilla Poll. He garnered the honor again from the Padilla Poll in 2014. The Dallas Cowboys also honored him as the organization's high school Coach of the Year following Cedar Hill's first state title in 2006.

McGuire, at only the age of 31, was promoted to head coach at Cedar Hill prior to the 2003 season following six seasons as an assistant coach. Cedar Hill had not recorded a winning season in the eight years prior to his promotion, a streak he quickly ended with a 6-4 campaign in his debut. McGuire was previously an assistant coach at his alma mater, Crowley High School, during the 1995 and 1996 prior to his move to Cedar Hill.

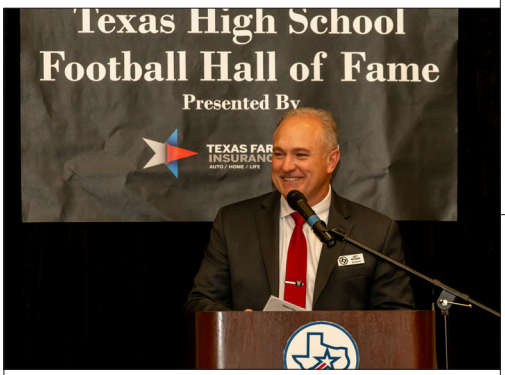
A two-time District Coach of the Year (2005-06), McGuire coached in all but two Under Armour All-America games during his tenure and was the head coach of the 2013 Semper Fidelis All-America Bowl, two events that feature the nation's top collegiate prospects. He was also the head coach for the north team in the 2014 Texas High School Coaches Association (THSCA) All-Star Game.

THE PATH TO COLLEGE FOOTBALL

The back-to-back state titles provided McGuire with several opportunities to depart for the collegiate level, a move he wouldn't make until after the 2016 season when Matt Rhule contacted him shortly after his hire as the new head coach at Baylor. Needing someone with extensive ties throughout the state of Texas, Rhule hired McGuire initially as his tight ends coach. The move was perfect timing for McGuire, who had remained at Cedar Hill to coach his son, Garret, for his final two seasons.

Baylor quickly turned into a Big 12 title contender within three years of McGuire's hire as the Bears finished 7-6 in only his second season on staff in 2018 after defeating Vanderbilt in the Academy Sports + Outdoors Texas Bowl. The Bears followed with one of their best seasons in school history in 2019, opening the season with nine-straight wins en route to an appearance in the Big 12 Championship game. Oklahoma edged the Bears in overtime, sending Baylor to an appearance in the Allstate Sugar Bowl and a top-15 final ranking to close the season.

Baylor reached bowl eligibility three times with McGuire on staff and was in the midst of an eventual run to the Big 12 title and a second appearance in the Allstate Sugar Bowl when McGuire was tabbed as Texas Tech's new head coach late in the 2021 season. McGuire served as Baylor's associate head coach during each of his final three seasons as he oversaw three different position groups during his tenure: tight ends (2017-18), defensive ends (2019) and outside linebackers (2020-21).



▲ **CHAMPIONSHIP PEDIGREE:** McGuire built a high school dynasty during his 14 seasons as the Cedar Hill head coach, leading the Longhorns to three Class 6A Texas state titles in 2006, 2013 and 2014.

Baylor built a strong reputation as one of the top defensive programs in the country during McGuire's tenure, namely in 2019 when the Bears' defense featured both Lynch and Roy up front. The defensive line was possibly Baylor's most-prolific position group that season as the Bears set a program record with 46 sacks, including 13.5 from Lynch alone. Lynch departed Baylor as the Bears' single-season and career (22) sacks record holder as he was tabbed the Big 12 Defensive Player of the Year and a consensus All-American.

PERSONAL

Following his success helping rebuild the Baylor program, Texas Tech was an ideal fit for McGuire, whose daughter, Raegan, was a recent graduate of the university. McGuire had visited Lubbock numerous times previously either to see his daughter or earlier in life when several life-long friends attended the university.

McGuire likes to say he would have attended Texas Tech, himself, had he not met his wife, Debbie. He eventually earned his bachelor's degree in kinesiology from the University of Texas at Arlington in 1995. The couple has been highly-involved in the Lubbock community since their arrival, volunteering for numerous charitable organizations, including Covenant Children's Hospital and through their Women Behind the Brand clinic each August.

The couple's two children are also highly successful in their own walks of life as Garret is in his second season as the wide receivers coach at the University of Nebraska. Garret McGuire, at only 24 years of age, was the youngest FBS assistant coach in the nation entering the 2023 season as he previously served two seasons under Rhule as an offensive assistant with the NFL's Carolina Panthers. Prior to beginning his coaching career, Garret was a quarterback and special teams player at Baylor, playing in six games from 2017-20 where he was a two-time Academic All-Big 12 first team honoree.

Raegan, meanwhile, is a fashion designer for AMUR in New York City. Her designs have been worn by several high-profile figures, including Natalie Biden, the granddaughter to President Joe Biden, as well as Taylor Swift on her spring 2023 Eras Tour. Raegan and her husband, Joe Tocco, were married in May 2023.

MCGUIRE-ISMS

Listen to one Joey McGuire press conference and you'll likely be wondering: "what does that mean?" Well, here's a cheat sheet of the major terms the Red Raiders utilize on a day-to-day basis.

The Brand: The core tenant of the Texas Tech football program under McGuire revolves around The Brand, which stands for his desire that the Red Raiders be the "toughest, hardest-working, most-competitive team in the country." On his final interview for the Texas Tech position, McGuire described his vision for the Red Raider program using The Brand, which President Lawrence Schovanec said "describes West Texas."

What's Next!: No matter if something good or bad happens on the field, McGuire and his staff stress a "What's Next!" mentality, emphasizing that the focus should be on the next play or rep.

Take Three: The term "Take Three" is one many around the Red Raider football program have heard almost daily since McGuire's hiring. The phrase is a key element of Texas Tech's weekly Plan to Win document, highlighting the defensive goal of creating three takeaways per game. McGuire, who has "TAKE3" on the license plate on one of his vehicles, started the phrase early in his tenure at Cedar Hill High School.

Analytics (and fourth downs): McGuire is not shy to admit the Red Raiders readily utilize analytics and measurable traits, not only in identifying future Red Raiders but also for in-game decisions. Texas Tech is a combined 57-for-89 on fourth-down attempts over this two seasons as the Red Raiders trail only Baylor for the most attempts over that span.

Unofficial Home of the THSCA: There isn't a power-five football program in the state of Texas with better ties to its high school coaches than at Texas Tech as McGuire has hired numerous members to his coaching staff who previously worked at the prep level. McGuire, himself, is already a legend at the prep level as a member of the THSCA Hall of Honor and the Texas High School Football Hall of Fame.

▲ **FROM CEDAR HILL TO D-1:** Over his 20 seasons at Cedar Hill, McGuire mentored an impressive 98 players who ultimately signed with NCAA Division-I programs as the Longhorns regularly boasted several of the nation's top recruits.

▲ **ALL ABOUT THE PLAYERS:** McGuire is known as a players' coach and culture builder who, in fact, has now officiated two weddings for former players with the most recent being James Lockhart during the summer of 2023.

▲ **PATH TO THE NFL:** In his short time at the college level, McGuire has mentored seven future NFL selections, including one first round selection in 2023 seventh overall pick Tyree Wilson. This number doesn't include the numerous Cedar Hill standouts under McGuire who later moved to the NFL after their college careers.

▲ **FAMILY PROFESSION:** Joey McGuire isn't the only coach now in his family as his son Garret enters his second season as the wide receivers coach at the University of Nebraska. Garret, who played for his father at both Cedar Hill and Baylor, was previously an offensive assistant with the Carolina Panthers.

KENNY PERRY

Associate Head Coach | Running Backs | Special Teams Coordinator | Third Season

No stranger to the state of Texas, Kenny Perry became one of the first hires to Joey McGuire's charter staff at Texas Tech when he joined the Red Raiders as associate head coach shortly after the 2021 season. In his role, Perry oversees the Red Raider special teams and running backs.

Perry brings a similar background as McGuire as both were successful head coaches in the Dallas-Fort Worth metroplex before joining the collegiate ranks. He boasts more than 20 years of coaching experience, including 14 as a high school head coach and then more than a decade at the college level with stops at TCU, Kansas, SMU and now Texas Tech.

In only two short seasons, Perry has transformed Texas Tech's special teams into one of the most-consistent units in the country behind punter Austin McNamara, a pair of kickers in Trey Wolff and Gino Garcia as well as a game-changing returner in Drae McCray. That success – a key element in Texas Tech's weekly Plan to Win document – has pushed the Red Raiders to back-to-back bowl victories and a winning Big 12 record in each of Perry's two seasons.

Texas Tech ranked inside the top 20 of four special teams statistical categories in 2023 alone, finishing second in punt return average (19.5), sixth in kick return average (25.5), 10th in blocked kicks (3) and 19th for net punting (41.5). The Red Raiders previously ranked ninth in 2022 for kick return defense and inside the top 25 for both blocked kicks and kick return average.

McNamara ended his career as the Red Raiders' punter with a 45.91 career average, the highest in Texas Tech and Big 12 Conference history. His average ranked 10th in NCAA FBS history among punters with at least 150 career punts as McNamara also matched the FBS record by averaging at least 40.0 yards per attempt over 37 career games (minimum of four punts each game to qualify). McNamara averaged 46.3 yards per punt during his final season, marking his fifth mark that ranked in the top 10 in school history.

McNamara was tabbed the Big 12 Special Teams Player of the Year following the 2023 season, marking the first time a Red Raider has garnered the award. McNamara, a semifinalist for the Ray Guy Award, was also named to the All-Big 12 first team, making him the first Red Raider in program history to be recognized on the first team three time in a career. He later signed a free agent agreement with the Cincinnati Bengals organization where he is expected to compete for the punter position leading into the 2025 NFL season.

In addition to McNamara, Perry has developed two consistent kickers during his tenure in Trey Wolff and Gino Garcia. Wolff reemerged as Texas Tech's primary field goal kicker during Perry's first season in 2022, finding the uprights on 21 of his 25 attempts, which ranked second all-time in single-season school history. Wolff developed into one of the most reliable kickers in college football, especially in key moments, as he had nine field goals that came with under a minute remaining in either the second or fourth quarters or in overtime. He had two game-winning kicks on the season, sending the Red Raiders to memorable come-from-behind victories over both Texas and Oklahoma for the first time in program history.

Garcia, like Wolff, was also an honorable mention All-Big selection a year later after he connected on 16-of-22 attempts, including 9-of-10 during Big 12 play. Garcia became the first Red Raider in program history to connect on three field goals of at least 50 yards or longer in a season thanks to a 55-yarder versus TCU, a 54-yarder against Wyoming and a 51-yarder in the win over UCF. The success of both kickers has come as long snapper Jackson Knotts has combined for no failed snaps throughout his career.

All this is not to mention Perry's work as Texas Tech's running backs coach, either.

In only his first season, Perry mentored one of the deepest running back rooms in the country as Tahj Brooks and SaRodorick Thompson combined for 1,375 yards and 14 touchdowns to become only the fourth Red Raider duo in the Big 12 era to both rush for at least 600 yards in a season. Behind a steady running attack, Texas Tech ranked in the top 30 nationally for total offense, scoring offense as well as rushing touchdowns en route to an 8-5 season and a victory in the TaxAct Texas Bowl.

Brooks will enter the 2024 season chasing Byron Hanspard's career rushing mark after a stellar 2023 campaign where he was the nation's fourth-leading rusher. The Red Raiders relied heavily on Brooks, who rushed for 1,538 yards and 10 touchdowns on the ground en route to earning All-Big 12 first team honors. Brooks became just the fifth Red Raider to rush for 1,500 yards in a season and the first to

do so since Ricky Williams in 1998. Brooks needs 1,167 yards this season to match Hanspard's career rushing record that was set after his historic 1996 campaign where he won the Doak Walker Award.

Perry arrived at Texas Tech after spending the 2020-21 seasons at SMU where he was a special teams quality control analyst his first year before being promoted to special teams coordinator for the 2021 campaign. SMU was a combined 15-7 during Perry's two years on staff, which included a pair of bowl selections.

SMU, similarly, boasted one of the top special teams units in the country during the 2021 campaign as the Mustangs rank eighth nationally for both kickoff returns (27.3 yards per return) and tied for 10th for total blocked kicks after getting their hands on four as part of an eight-win season. The Mustangs were able to create several explosive plays in the return game thanks to Bryan Massey, who ranked second in the FBS for kick return average (34.3) en route to earning All-AAC second team honors.

Massey took two kickoffs all the way to the end zone as a sophomore alone as he matched the SMU single-season and career records, while also ranking tied for second in the FBS. His 686 total kickoff return yardage, meanwhile, finished 12th nationally and was the 11th-highest total in SMU history to cap a breakout season.

SMU's special teams also featured one of the top kickers in the country during Perry's tenure in Chris Naggar, who was the American Athletic Conference Special Teams Player of the Year in 2020 as well as a Lou Groza Award semifinalist. Naggar connected on 17 of his 21 field goal attempts that season and 43-of-46 PATs as he ranked 19th in the FBS and led the AAC with 94 total points. Nagger closed the season one field goal shy of the SMU single-season record as he hit game-winning field goals against No. 24 Memphis and Tulane during the 2020 campaign alone.

Perry made his way to SMU following a stint as the special teams coordinator for the Dallas Renegades during the XFL's lone 2020 season and then four seasons at Big 12 counterpart Kansas. Perry joined the Kansas staff as co-defensive coordinator and cornerbacks coach in 2015, a role he remained in for two seasons before transitioning to special teams coordinator and recruiting coordinator for the 2017-18 campaigns.

Kansas was Perry's second Big 12 position as he started his collegiate career as the Director of High School Relations and Recruiting at TCU in 2013. Perry moved to an on-the-field role the following season, working with the TCU cornerbacks as the Horned Frogs finished 12-1 overall. TCU claimed a share of the Big 12 title that season and defeated No. 9 Ole Miss in the Peach Bowl behind a defense that featured two of Perry's standouts in second team Freshman All-American Ranthony Texada and second team All-Big 12 honoree Kevin White.

TCU landed Perry after he built a reputation as one of the top high school coaches in the state of Texas with successful runs at Sam Houston (2000-03), Haltom City (2004-05) and Arlington Bowie (2006-12). Perry compiled a 67-22 record during his seven seasons at Bowie alone, leading the Vols to the Class 5A playoffs each year. He was named the District Coach of the Year three times during his tenure and was tabbed the Dallas Morning News Coach of the Year in 2007.

Most importantly, Perry was highly-regarded among his peers as he was selected to the Board of Directors for the Texas High School Coaches Association (THSCA) during his time at Bowie. He is also a past director of the North Texas High School Football Association.

Perry was a four-year letterwinner (1988-91) as a defensive back at the University of Houston before earning his degree in 1993. Perry was a cornerback his first two seasons as a Cougar before moving to safety his final two years. He also served as a graduate assistant for his alma mater from 1992-94, working with the special teams and defensive backs.

▲ **THSCA STRONG:** Kenny Perry, like many others on the Texas Tech staff, served as a head coach at the prep level for 14 years before moving to the college ranks.

NOTABLE RED RAIDERS UNDER KENNY PERRY

TREY WOLFF, K

Wolff put together the best season of his career under Perry as he found the uprights on 21-of-25 attempts during the 2022 campaign. Wolff closed the season ranked second all-time in Texas Tech single-season history for successful field goals. He was responsible for the game-winning kick in two memorable overtime victories over Texas and Oklahoma that season, which marked the first time Tech had topped both schools in the same season.

AUSTIN MCNAMARA, P

McNamara closed his Red Raider career as the best punter in school history thanks to a 45.91 average that was easily the highest not only at Texas Tech but also in the Big 12 Conference record book. McNamara, who later signed as an undrafted free agent with the Cincinnati Bengals, was tabbed the Big 12 Special Teams Player of the Year as a senior in 2023 after averaging an impressive 48.2 yards per punt. His career average ranked 10th all-time in NCAA FBS history.

TAHJ BROOKS, RB

Brooks became only the fifth Red Raider in program history to rush for 1,500 yards in a season in 2023. Brooks, who will return for one final season of eligibility under Perry this season, totaled 1,538 yards and 10 touchdowns on the ground, earning All-Big 12 first team honors in the process. He will enter his final season as a Red Raider chasing Byron Hanspard's career rushing record as he currently ranks seventh all-time with 3,052 career rushing yards.

TIM DERUYTER

Defensive Coordinator | Third Season

Tim DeRuyter, one of the top defensive minds in college football and former head coach, enters his third season as Texas Tech's defensive coordinator.

The 2024 season will mark the 23rd-consecutive season DeRuyter has served as either a defensive coordinator or a head coach following previous stops leading successful defenses at California (2017-20) and Oregon (2021) before joining Joey McGuire's charter staff at Texas Tech. Prior to that, he was the head coach at Fresno State for four-plus seasons, leading the Bulldogs to two Mountain West Conference titles. DeRuyter, a 2018 semifinalist for the Broyles Award given to the nation's top assistant coach, has coached in 20 bowl games over his career and been part of six conference championship teams.

DeRuyter's experience building strong, aggressive defenses has paid dividends in his first two seasons as the Red Raiders have surrendered less than 30.0 points per game in consecutive years for the first time since the 2008-09 campaigns. Texas Tech is coming off one of its best seasons in recent memory as the Red Raiders allowed only 26.0 points per game in 2023 – their lowest average since 2009 – en route to their second-consecutive season with a winning Big 12 record.

The Red Raiders finished 8-5 overall in his debut season in 2022 thanks to four-consecutive victories to close the season, including a strong defensive performance to top Ole Miss in the TaxAct Texas Bowl. It marked the first time since 1995 the Red Raiders had ended a season on a four-game winning streak, which also helped Texas Tech record its most Big 12 victories in a year since 2009. The Red Raiders utilized another strong end-of-season finish to advance to the Radiant Technologies Independence Bowl this past season, topping Cal after shutting out the Golden Bears over the final three quarters.

Under DeRuyter, the Red Raiders quickly adopted a "put out the fire" mentality through takeaways as well as red zone and fourth down stops. Texas Tech was, in particular, strong in those final two areas during the 2022 season, leading the Big 12 in both fourth down and red zone defense, while also ranking eighth and ninth in the two categories nationally, respectively. Additionally, the Red Raiders were among the top teams in the country in limiting opponents to only a field goal as Texas Tech led all power-five schools and ranked fourth in the FBS for red zone conversions that were the result of a field goal.

Part of Texas Tech's early success defensively stemmed from the play of Tyree Wilson, who flourished in DeRuyter's scheme, moving to the outside linebacker and rush end position that has consistently produced future NFL draft picks. Wilson put together his best season as a Red Raider under DeRuyter in 2022 as he totaled a career-best 61 tackles, including 14.0 behind the line of scrimmage and 7.0 sacks, despite missing the final four games due to injury.

Wilson's ability to impact opposing offenses earned him first team All-America honors by the Football Writers Association of America (FWAA), making him the 32nd Red Raider all-time to be named to the first team and the first defensive end to do so since Montae Reager in 1998. Wilson, also an All-Big 12 first team selection, was tabbed a first team All-American by *USA Today* and *The Athletic*.

Wilson became the third different rush end under DeRuyter to hear his name called in the first 10 picks of the NFL Draft that next spring as the Las Vegas Raiders selected him seventh overall, making him the highest-drafted Red Raider defensive player in program history. Wilson's selection tied for the second-highest drafted player in school history and is the highest pick in the modern era. Wilson was the fifth Red Raider all-time to go in the top 10 picks, joining the likes of Dave Parks (No. 1 overall, 1964), Donny Anderson (No. 7 overall, 1965), Michael Crabtree (No. 10 overall, 2009) and Patrick Mahomes II (No. 10 overall, 2017). All four of those individuals are already inductees into the Texas Tech Ring of Honors.

Wilson is one of 19 players to be drafted during DeRuyter's storied career, which includes two other top-10 selections in NFL great Von Miller at Texas A&M and Kayvon Thibodeaux at Oregon as well as a pair of second rounders in quarterback Derek Carr and wide receiver Davante Adams during his tenure at Fresno State. DeRuyter added two new names to his NFL pupils following the 2023 season as defensive back Dadrion Taylor-Demerson was selected in the fourth round by the Arizona Cardinals, while edge end Myles Cole was picked in the seventh round by the Jacksonville Jaguars.

Oregon closed DeRuyter's lone season on staff ranked No. 21/22 in the final polls after compiling a 10-4 record, which featured appearances in the Pac-12 Championship and the Valero Alamo Bowl. The Ducks boasted one of the nation's most opportunistic defenses in 2021 as Oregon closed the year ranked fifth in the FBS with 17 interceptions and 26th nationally with 22 total takeaways.

DeRuyter's unit featured two of the nation's top players in Thibodeaux and safety Verone McKinley III. Thibodeaux, who became the first Oregon defensive standout to earn unanimous first team All-American accolades. He was a finalist for the Bronko Nagurski Trophy and Chuck Bednarik Award and was later selected with the fifth overall pick in the 2022 NFL Draft by the New York Giants, marking the second time in Oregon history a defensive player has been chosen in the top five.

McKinley, meanwhile, was a consensus All-American after sharing the FBS lead with six interceptions from his second spot in the Oregon defense. McKinley combined with Thibodeau to give Oregon its first pair of consensus All-Americans since 2014 and only its third tandem in program history. McKinley was also a finalist for the Jim Thorpe Award, becoming only the second Oregon defensive back to be recognized as a consensus All-American and be named a finalist for the award.

DeRuyter's success at Oregon followed four successful seasons at Cal where he took a defense that allowed 42.6 points per game in the season prior to his arrival and immediately cut that in half by his second year. Cal ranked 22nd nationally in 2018 for scoring defense and No. 33 in 2019 after surrendering 20.4 and 21.9 points per game. The Golden Bears followed that by only giving up 26.5 points per game during his final season in 2020.

Cal held 20 of its last 24 opponents under DeRuyter to 24 points or less en route to a pair of postseason appearances at the 2018 Cheez-It Bowl and the 2019 Redbox Bowl. It marked the first time Cal had been to bowls in consecutive seasons

since the 2008-09 campaigns. DeRuyter had 20 of his players earn All-Pac-12 honors during his tenure with five Golden Bears ultimately hearing their name called during the NFL Draft.

Evan Weaver was a highlight of DeRuyter's defenses at Cal as the linebacker collected consensus first team All-America honors in 2019 after leading the country with a school record 182 tackles. Weaver, a finalist for the Butkus and Lombardi Awards, was tabbed the Pac-12 Defensive Player of the Year that season prior to being selected in the sixth round of the 2020 NFL Draft by the Arizona Cardinals. He was one of three Golden Bears to hear his name called in the 2020 draft and one of five Cal defensive standouts to head to the league during DeRuyter's tenure.

Weaver was one of two All-Americans to star at Cal under DeRuyter as fellow linebacker Jordan Kunaszyk garnered second team recognition from Sports Illustrated just a year earlier after finishing with a team-high 148 tackles. Kunaszyk was also a first team All-Pac 12 honoree that season, one of an impressive 130 All-Conference selections to play under DeRuyter during his three decades of experience at the collegiate level. DeRuyter moved back to his roots as a defensive coordinator following four-plus seasons at Fresno State where he compiled a 30-30 overall record. He led the Bulldogs to back-to-back Mountain West Conference titles in 2012 and 2013, marking Fresno State's first conference crown since the 1999 season. It was the first time the Bulldogs had claimed consecutive conference championships since the 1992 and 1993 campaigns.

His work with the Bulldogs was impressive early as he took over a 4-9 team from the season before and improved Fresno State to 20-6 overall and 14-2 in Mountain West play over a two-year stretch. Fresno State closed the 2013 season – his second in charge of the program – at 11-2 overall, matching the school record for most wins in a season. The Bulldogs boasted one of the top quarterbacks in college football under DeRuyter in Carr, who earned All-America honors in 2012 and 2013 and was named the MWC Offensive Player of the Year following those two seasons. He and Adams were two of six Bulldogs selected in the NFL Draft under DeRuyter as they were second round picks in 2014 and 2015, respectively.

Fresno State tabbed DeRuyter as its head coach following a pair of successful seasons as the defensive coordinator and assistant head coach at Texas A&M. The Aggies were a combined 16-10 in those two seasons with appearances in the Cotton Bowl (2010) and the Meineke Car Care Bowl (2011). DeRuyter was tabbed the interim head coach for Texas A&M's win over Northwestern in the Meineke Car Care Bowl.

Miller flourished under DeRuyter's direction with the Aggies, claiming the prestigious Butkus Award in 2010 as the nation's top linebacker. Miller garnered first team All-America honors for the second time in his career that season before eventually being selected No. 2 overall the next spring by the Denver Broncos during the 2011 NFL Draft.

Even with the departure of Miller the next season, the Aggies featured one of the nation's best front sevens after leading the country with 51 sacks (3.92 per game). Texas A&M also ranked third in the FBS with 8.0 tackles for loss per game as part of a defense that was 12th nationally in rushing defense, giving up only 101.9 yards per game.

Texas A&M was one of eight stops as a defensive coordinator for DeRuyter, who has also served in a similar role at Air Force (2007-09), Nevada (2005-06), Ohio (1995-98, 2002-04) and Navy (1999-00). DeRuyter has made three stops as a coach at the Air Force Academy, his alma mater, as he began his career as a graduate assistant under College Football Hall of Fame head coach Fisher DeBerry. He returned as a defensive assistant from 1989-92 while completing his seven-plus years of active military duty following graduation from the academy.

DeRuyter earned his bachelor's degree in management from the Air Force Academy in 1985 and added a MBA in market strategy from Regis University in 1992. DeRuyter, a four-year letterwinner for the Falcons prior to earning his degree, spent two years in private business before returning to coaching in 1994.

DeRuyter and his wife, Kara, have a son, Jake, and a daughter, Christina, graduates of Air Force and Texas A&M, respectively. Christina DeRuyter is a former Texas Tech staff member, herself, as she was the Director of On-Campus Recruiting from 2019-20. She currently serves in the same capacity at Michigan.

NOTABLE NFL DRAFT PICKS UNDER DERUYTER

VON MILLER, TEXAS A&M

Miller flourished under DeRuyter's direction during his time at Texas A&M, claiming the prestigious Butkus Award in 2010 as the nation's top linebacker. Miller garnered first team All-America honors for the second time in his career that season before eventually being selected No. 2 overall the next spring by the Denver Broncos during the 2011 NFL Draft. He is entering his 13th NFL season with the Buffalo Bills.

KAYVON THIBODEAUX, OREGON

Thibodeaux, who became the first Oregon defensive standout to earn unanimous first team All-American accolades. He was a finalist for the Bronko Nagurski Trophy and Chuck Bednarik Award in 2021 and was later selected with the fifth overall pick in the 2022 NFL Draft by the New York Giants, marking only the second time in Oregon history a defensive player has been chosen in the top five.

TYREE WILSON, TEXAS TECH

Wilson was selected seventh overall by the Las Vegas Raiders in the 2023 NFL Draft after earning first team All-America honors during his final season as a Red Raider. Wilson, who thrived as a rush end in DeRuyter's defensive scheme, became the highest-drafted defensive player in school history and the fifth Red Raider all-time to be selected in the top-10 picks overall.

ZACH KITTLEY

Offensive Coordinator | Quarterbacks Coach | Third Season

Zach Kittley, the architect behind one of the nation's top offenses at both Houston Baptist and Western Kentucky as well as now with the Red Raiders, enters his third season on the Texas Tech staff as offensive coordinator and quarterbacks coach.

Known as one of the top quarterback developers in college football, Kittley returned Texas Tech to its high-scoring ways during his debut season as the Red Raiders averaged 34.2 points per game en route to impressive 8-5 record that included a win in the TaxAct Texas Bowl over Ole Miss. The Red Raiders led the Big 12 and ranked ninth nationally in passing offense in 2022, averaging 302.0 yards per game through the air as part of a unit that was in the top-25 nationally and second in the Big 12 for total offense.

Kittley earned his reputation as a quarterback developer in his debut season as the Texas Tech offense managed to compile consistent numbers despite numerous injuries behind center. Texas Tech utilized three different starters at quarterback, all of which threw for at least 1,000 yards on the season. Texas Tech was only the second FBS program since 1996 to have three different quarterbacks throw for at least 1,000 yards in a season, joining Oklahoma State from the 2012 campaign.

The Red Raiders were forced to utilize three different starting quarterbacks again a year later in what Kittley describes as his "biggest season of growth as a play-caller." With significant injuries under center, Kittley turned to the ground game in Tahj Brooks, who became only the fifth Red Raider in program history to rush for at least 1,500 yards in a season. Brooks, a first team All-Big 12 first team honoree, ranked fourth in the nation in rushing yards to push the Red Raiders to another 5-4 mark in Big 12 play and a victory in the Radiant Technologies Independence Bowl over Cal.

Five different quarterbacks have started under center during Kittley's 26 games as offensive coordinator the past two seasons, including two true freshmen at the time in Behren Morton and Jake Strong. Morton returns for his junior season this fall after pushing the Red Raiders to a 6-1 record in games he started and did not leave due to injury in 2023. He garnered honorable mention All-Big 12 accolades by the conference coaches after throwing for 1,757 yards and 15 touchdowns over his eight starts.

The 2022 season began Kittley's second stint on the Texas Tech coaching staff as he previously served in various roles under Kliff Kingsbury from 2013-17, rising from a student assistant to graduate assistant and assistant quarterbacks coach his final three seasons. Kittley worked alongside Kingsbury in the development of Patrick Mahomes II as a graduate assistant, tutoring the future NFL MVP into becoming the nation's leading passer in 2016 and an eventual top-10 selection by the Kansas City Chiefs.

Mahomes closed his Red Raider career ranked third all-time in passing yards (11,252), touchdown passes (93), attempts (1,349) and completions (857) despite foregoing his senior season to enter the NFL Draft. Mahomes, who was also second in the school record for rushing touchdowns by a quarterback (22), is one of three quarterbacks in FBS history to record 5,000 yards of total offense twice in a career, joining fellow Red Raider signal caller Graham Harrell (2007-08) and Houston's Case Keenum (2008-09, 2011).

The Chiefs eventually selected Mahomes with the No. 10 overall selection, making him the highest-picked quarterback in program history and the seventh Red Raider all-time to be chosen in the opening round. It took Mahomes only two seasons from there to garner NFL MVP honors as he was named the league's top player in his first year as Kansas City's starter in 2018. He followed a year later by leading the Chiefs to a win in Super Bowl LIV, becoming the youngest quarterback in NFL history to be named Super Bowl MVP in the process.

Mahomes is one of two NFL Draft selections to tutor under Kittley as Western Kentucky gunslinger Bailey Zappe heard his name called in the fourth round this past May by the New England Patriots. Zappe became the highest-drafted quarterback in Western Kentucky following a record-setting final collegiate season where he snapped the NCAA FBS records for single-season passing yards (5,967) and passing touchdowns (62).

Zappe actually broke the previous FBS record set by Texas Tech's own B.J. Symons that stood nearly 20 years up until Western Kentucky's win in the Boca Raton Bowl. Zappe, just the sixth quarterback in FBS history to record at least 5,000 passing yards and 50 touchdowns, was named the Conference USA Most Valuable Player as well as the winner of the Earl Campbell Tyler Rose Award. He was a finalist for the prestigious Manning Award and a semifinalist for both the Davey O'Brien and Walter Camp Player of the Year awards.

Behind the arm of Zappe, Kittley transformed the Western Kentucky into one of the nation's most explosive offenses, averaging an impressive 44.2 points per game and 535.3 yards of total offense. The Hilltoppers closed the 2021 campaign as the FBS leader in passing yards per game (433.7) and first downs (384) and ranked second for both scoring offense and total offense and then 13th in red zone offense after scoring in 90.9 percent of their appearances inside the 20.

Kittley was hired by Western Kentucky after three seasons in a similar role at Houston Baptist where he, similarly, built one of the nation's top offenses at the FCS level. During its shortened 2020 season, Houston Baptist continually frustrated FBS opponents as Zappe, who later transferred to Western Kentucky after Kittley's hire, completed 65.6 percent of his passes for 1,833 yards and 15 touchdowns with only one interception over four games.

Zappe led the nation with 35 passing touchdowns in 2019 and ranked second in passing yards per game for a Huskies offense that was third nationally in passing offense with 334.3 yards per game through the air. Houston Baptist also ranked second in the Southland Conference and 12th nationally after posting 426.6 yards of total offense that season.

Houston Baptist was Kittley's first full-time coaching position after his time on the Texas Tech staff. The Red Raiders annually ranked among the nation's top offenses during his three seasons as a graduate assistant as Texas Tech led the country in total offense and passing offense and ranked fifth in scoring during the 2016 campaign. The Red Raiders, who averaged more than 30 points per game in each of those three seasons, were also second nationally in total offense and scoring offense in 2015.

A native of Lubbock, Kittley originally attended Abilene Christian to play basketball before transferring back to Texas Tech to complete his bachelor's in history in 2014. He earned his master's degree in interdisciplinary studies from the university in 2016.

Kittley and his wife, Emily, were married in February 2017 and are parents to three boys, Knox, Ford and Rhoads. Kittley is the son of Wes Kittley, Texas Tech's longtime Director of Track and Field who has led the Red Raiders to two national titles at the 2019 NCAA Men's Outdoor Championships and most recently at the 2024 NCAA Men's Indoor Championships.

WHAT THEY ARE SAYING ABOUT ZACH KITTLEY...

"I was fired up to hear the news that Coach Kittley was coming back to Texas Tech. He's worked his tail off to earn this opportunity, and I know how passionate he is about the university and the Red Raider football program. He invested a ton of time in me while we were there together and really helped me develop as a college quarterback. He certainly had an impact on my career, but beyond the field, he's an incredible person, and I couldn't be more excited to see him lead this offense." – **Patrick Mahomes**, NFL MVP and Kansas City Chiefs quarterback

"I have such a high regard for Zach and his ability to coach, develop and shape players. He did such an incredible job when we were together at Texas Tech, and he definitely had a profound impact on Patrick (Mahomes) and his development. Early on, it was clear what a high football IQ he has and he's built upon that at every stage of his career. For him to return to Lubbock is so special not only considering his own history there but obviously because of his dad's legendary status. I couldn't be more excited for him and for the Texas Tech program." – **Kliff Kingsbury**, former Texas Tech head coach and current offensive coordinator for the Washington Commanders.

"Coach Kittley bleeds Red and Black. He was very instrumental in my career and one of the big reasons I am still playing today. He's a great coach and even better person. I can't wait to watch him light up the scoreboard. Welcome home, Kittley!" – **Davis Webb**, former Texas Tech and NFL quarterback and current quarterbacks coach of the Denver Broncos.

JUSTIN JOHNSON

Assistant Head Coach | Offensive Passing Game Coordinator | Wide Receivers Coach | Second Season

Justin Johnson enters his second season at Texas Tech in his role as assistant head coach, offensive passing game coordinator and wide receivers coach.

Johnson, nicknamed "Coach Juice," arrived in Lubbock after a three-year stint at Baylor where he worked alongside head coach Joey McGuire during the 2020-21 seasons. A known name throughout the state of Texas, Johnson has also worked at both Houston, his alma mater, and Kansas in full-time roles.

Johnson, an All-Conference USA wide receiver at Houston, served as the running backs coach at both Baylor (2020-22) and Houston (2019) before moving back to the wide receiver room upon his hiring at Texas Tech. He was previously the wide receivers coach at Kansas for the 2018 season.

Over his three seasons in Waco, Johnson's running back room proved to be one of the best in the nation as the Bears averaged 219.3 yards per game on the ground in 2021, which led the Big 12 Conference and ranked 10th in the FBS. Baylor ultimately won the Big 12 title that season and appeared in the Allstate Sugar Bowl, one of two bowl appearances for the Bears during Johnson's tenure.

Abram Smith powered the Baylor running game that season as the converted linebacker led the Big 12 and finished fifth nationally with 1,601 rushing yards. Smith also ranked second in the conference and seventh in the FBS after averaging 114.4 rushing yards per game, which was boosted by his 6.23 yards a carry. Smith, an All-Big 12 second team honoree in 2021, closed the season ranked second in the Big 12 and 14th in the FBS for yards per carry en route to signing as an undrafted free agent with the New Orleans Saints.

Smith paired with fellow Baylor standout Trestan Ebner each of the first two seasons of Johnson's tenure as a strong 1-2 punch at running back. Ebner, one of the best all-purpose backs in the country throughout his Baylor tenure, garnered second team All-America honors as a return specialist after totaling 1,047 all-purpose yards and a team-leading six touchdowns (one rushing, three-receiving, two kick returns) during the 2020 COVID-shortened season.

Ebner was named the Big 12 Special Teams Player of the Year following both the 2020 and 2021 seasons as well as a first team All-Big 12 honoree as an all-purpose player by the Associate Press. He became the first player in Baylor history to total more than 1,000 career rushing and receiving yards after notching 1,775 all-purpose yards his super senior season alone. Ebner closed his career ranked second all-time in Baylor history with 4,542 all-purpose yards before being selected in the sixth round of the 2022 NFL Draft by the Chicago Bears.

Johnson moved north to Waco after one season coaching running backs at his alma mater where he helped Houston achieve its 18th-consecutive season with at least 1,500 rushing yards in 2019. The Cougars' rushing attack ranked 37th in the FBS that season, averaging 188.2 yards per contest.

Prior to his time at Houston, Johnson spent three seasons at Kansas, serving as the wide receivers coach in 2018 after two years as an offensive analyst. He was previously a quality control assistant for Houston to start his career in 2012 and then a graduate assistant at Texas A&M in 2013 where he helped the Aggies to a 9-4 record and a win over Duke in the Chick-fil-A Peach Bowl.

In between, Johnson worked at the prep level like many others on the Texas Tech staff, serving as an assistant coach at both Frankford Middle School and Plano West High School in 2014 and then Berkner High School in the Dallas-Fort Worth metroplex a year later.

Before beginning his coaching career, Johnson was a four-year letterwinner for Houston where he still remains one of the top pass catchers in program history. A first team All-CUSA selection as a senior in 2011, Johnson had an explosive final season as a Cougar, catching 87 passes for 1,229 and 12 touchdowns as he still ranks in the top 10 all-time in Houston history for single-season receiving yards and touchdowns.

Johnson capped his Houston career with a bowl record 12 catches for 148 yards in the Cougars' 30-14 victory over No. 23 Penn State in the 2012 Ticket City Bowl. Johnson was considered one of Houston's most versatile athletes during his playing career, competing on special teams and as a running back, wide receiver and tight end at various times for a Cougars program that played in three bowl games and two Conference USA Championship games.

Off the field, Johnson was a member of Houston's Student-Athlete Advisory Committee (SAAC) and was selected to participate in its Athletics Leadership Academy. He was awarded the Houston Committed Cougar Award twice.

Johnson earned his bachelor's degree in kinesiology and sports administration from the University of Houston in 2011. He and his wife, Aisha, have two children, Jayden and Kingsley.

C.J. AH YOU

Outside Linebackers Coach | Third Season

C.J. Ah You, a top developer of edge-type rushers in the country, enters his third season on the Texas Tech staff as the Red Raiders' outside linebackers coach. As part of Tim DeRuyter's aggressive defensive scheme, Ah You's room has quickly transformed into one of Texas Tech's biggest strengths in only two years.

The Red Raiders led the Big 12 and ranked 18th in the FBS for tackles for loss per game during Ah You's debut season as Texas Tech capped the 2022 campaign with four-consecutive victories, including a memorable win over Ole Miss in the TaxAct Texas Bowl. Texas Tech recorded eight stops behind the line of scrimmage in the win over Ole Miss with four coming from two emerging members of Ah You's position room in Myles Cole and Isaac Smith. That pushed Texas Tech's season total up to 91.0 tackles for loss, its most since 2003.

Texas Tech's performance in the Texas Bowl came without Tyree Wilson, who flourished under Ah You's direction, developing into a first team All-American and one of the top defensive prospects in the country. Wilson, an All-Big 12 first team honoree, was the Big 12 leader in tackles for loss per game and ranked among the national leaders in that category as well as sacks despite missing the final four games of the season due to injury.

Wilson became the 32nd Red Raider all-time to be named a first team All-American as he was recognized by the Football Writers Association of America (FWAA) following his final season in scarlet and black. He was the first defensive end or outside linebacker to be honored on a first team All-America list since Montae Reagor in 1998 and was the first to earn All-Big 12 first team honors since Brandon Sharpe in 2009.

His success on the field pushed Wilson up draft boards as he was ultimately selected seventh overall by the Las Vegas Raiders in the 2023 NFL Draft, making him the highest-drafted Red Raider defensive player in program history. Wilson matched Ring of Honor member Donny Anderson as being the second-highest drafted Red Raider in program history (all positions) and the highest in the modern era. Wilson was among the handful of prospects invited to attend the NFL Draft in Kansas City, allowing him to walk the stage to hug NFL Commissioner Roger Goodell and immediately find a waiting Ah You in the audience.

Ah You has watched one of his pupils hear his name called during the NFL Draft in each of his two seasons as Cole was selected in the seventh round this past spring by the Jacksonville Jaguars. Cole developed into a NFL Draft selection in two seasons under Ah You after transferring to Texas Tech prior to the 2022 campaign from Louisiana-Monroe.

The 2022 season kicked off Ah You's second stint in the Big 12 Conference where he previously starred at Oklahoma from 2005-06 before enjoying a five-year NFL career with the St. Louis Rams. Ah You, who began his college career at BYU before transferring to Snow College and then Oklahoma, was the Big 12 Defensive Newcomer of the Year as a junior in 2005 and garnered All-Big 12 first team honors a year later.

The St. Louis Rams selected Ah You in the seventh round of the 2007 NFL Draft after he started in 21 of 26 games as a Sooner where he recorded 88 tackles, including 22.0 for a loss, 11.0 sacks and four forced fumbles.

After completing his tenure with the Rams, Ah You immediately joined the coaching profession, returning to his alma mater as a defensive quality control assistant for the Sooners during the 2014-15 seasons. Oklahoma played in the Russell Athletic Bowl his first year on staff before qualifying for the College Football Playoff in 2015 after the Sooners won the Big 12 title.

His success in helping develop the Oklahoma front paved the way for his first full-time coaching possession at Vanderbilt in 2016 where he enjoyed a three-year stint as the Commodores' defensive line coach. Vanderbilt made two bowl trips during his tenure, playing in the 2016 Independence Bowl and the 2018 Texas Bowl.

From there, Ah You moved to the professional ranks, joining the resurrected XFL in 2019 to serve as the defensive line coach for the New York Guardians. He later served a minority coaching internship with the Los Angeles Chargers in the summer of 2020 after the XFL's lone season was canceled earlier that spring due to the start of the COVID-19 pandemic.

Ah You returned to the college ranks a year ago to accept a defensive quality control analyst position at USC. He had previously been named the defensive line coach at Nevada prior to his hire with the Red Raiders.

Prior to beginning his professional career, Ah You earned his bachelor's degree in sociology from Oklahoma in 2006. He and his wife, Chynea, are parents to four daughters, Makiah, Atiana, Alei'a and Milani.

JOSH BOOKBINDER

Inside Linebackers Coach | Third Season

The 2024 football season will mark Josh Bookbinder's third as a charter member of Joey McGuire's staff at Texas Tech as he serves as the Red Raiders' inside linebackers coach.

Bookbinder's position room was among Texas Tech's best during his debut season as the Red Raiders were led by the duo of Krishon Merriweather and Kosi Eldridge in the middle of an aggressive defense that ranked among the nation's best in fourth-down stops and red zone efficiency. The Red Raiders gave up only 29.2 points per game, easily their lowest clip in more than a decade.

Merriweather and Eldridge played a large part in Texas Tech's success defensively, combining for more than 200 stops between the duo as the Red Raiders' leading tacklers. Merriweather led the team with 112 tackles, the most for a Red Raider since 2015, while Eldridge chipped in 91 of his own in easily his most-productive season of his career. The successful season earned Merriweather honorable mention All-Big 12 accolades.

Texas Tech surrendered only 26.0 points per game a year later as Bookbinder navigated around an injury to starter Jacob Rodriguez in the season opener, only for freshman Ben Roberts to develop into the Red Raiders' leading tackler. Roberts was named the Big 12 Defensive Freshman of the Year by the conference coaches and was a second team Freshman All-American by The Athletic after totaling 107 tackles, the most for a Red Raider freshman dating back to 1980.

Bookbinder reunited with McGuire after the two previously served on the defensive staff at Baylor over the previous three seasons. Bookbinder was a defensive quality control assistant during that span for a Baylor program that recorded a pair of 10-win seasons and appeared in two Big 12 Championship games, winning the conference crown in 2021. During his time with the Bears, Bookbinder worked under former Baylor and Carolina Panthers defensive coordinator Phil Snow, assisting with the safeties in 2019. From there, he transitioned to working with the outside linebackers under McGuire in 2020 before moving back to the safety position at the start of 2021 campaign.

Prior to his time at Baylor, Bookbinder was a defensive assistant for the San Antonio Commanders in the now-defunct Alliance of American Football (AAF). The Commanders were tied atop the Western Conference standings at 5-3 when the league folded midway through its inaugural season in 2019.

Bookbinder previously spent seven seasons at Liberty, rising from a defensive quality control assistant at the time of hire to eventually being named the Flames' linebackers coach. Liberty began its transition to the FBS level late in Bookbinder's tenure, kicking off the two-year process with a 48-45 upset win at his alma mater, Baylor, to start the 2017 season.

Liberty celebrated four Big South titles prior to its move to the FBS level, claiming the conference crown in Bookbinder's first three seasons on staff (2012-14) and again in 2016. That third conference crown helped Liberty receive its first-ever selection to the NCAA FCS Playoffs as the Flames finished the 2014 campaign ranked No. 17 in the country, their highest end-of-season ranking since 2008.

The Flames produced one of the FCS's top defenses during Bookbinder's first year as an assistant coach as Liberty closed the 2013 season ranked fifth in scoring defense (17.6 points allowed per game), ninth for total defense (313.9 yards allowed per game) and 16th in passing yards allowed per game (178.6). Liberty was also third nationally in turnover margin per game (1.3) and fifth with 19 interceptions.

Over this tenure, Bookbinder mentored several of Liberty's most-productive linebackers in its history, namely Nick Sigmon, who garnered All-Big South first team honors in 2013 and then second-team accolades as a senior in 2014. The four-year starter was one of one five linebackers to earn All-Big South honors under Bookbinder as Scott Hyland was a second-team recipient in 2013, while Nick Newman was a second-team selection following the 2014 and 2015 seasons and a first-team honoree in 2016. The list also features Dexter Robbins, a second-team honoree in 2016, as well as Solomon McGinty, who garnered second-team accolades in 2017.

Bookbinder began his coaching career as an undergraduate coach at Baylor from 2007-08. He served as a defensive quality control coach for the 2009 season at Richmond following graduation before spending two seasons at Division II Carson-Newman, coaching linebackers in 2010 and then the defensive ends and special teams in 2011.

A native of San Antonio, Bookbinder earned his degree in sports sponsorships and sales from Baylor in 2009. He and his wife, Ashley, are parents to two sons, Grant and Walt, and a daughter, Annie.

Bookbinder is the grandson of legendary Baylor head coach Grant Teaff and the son of Russ Bookbinder, who served as Vice Chancellor and Chief Marketing Officer for the Texas Tech University System from 2009-12. Teaff, a West Texas native and former Texas Tech assistant coach from 1966-68, remains the winningest head coach in Baylor history with 128 victories over his 21 seasons (1972-92).

JOSH COCHRAN

Run Game Coordinator | Tight Ends Coach | Third Season

One of the top up-and-coming coaches in college football, Josh Cochran enters his third season on Joey McGuire's charter staff as Texas Tech's tight ends coach and his first in the role of run game coordinator.

The Red Raiders were among the most prolific teams in the country through the air during Cochran's debut season as Texas Tech averaged 302.0 passing yards and 34.2 points per game as one of the nation's top offenses. Cochran's unit contributed five touchdowns through the air, including a pair of crucial scores in wins over Texas and Iowa State by Baylor Cupp, all while contributing to the running game for an offense that totaled 2,000-plus yards on the ground.

Cochran was credited with developing many of the run schemes that helped Tahj Brooks become the fifth 1,500-yard rusher in school history in 2023. Due to injuries at the quarterback position, the Red Raiders transformed from a pass-heavy offense to one that relied on Brooks significantly on the ground as he ranked fourth nationally in rushing yards. Cochran's tight end room was essential to Texas Tech's success on the ground as the Red Raiders boasted a winning Big 12 record for a second-consecutive season and defeated Cal in the Radiant Technologies Independence Bowl.

The duo of Cupp and fellow tight end Mason Tharp combined for 29 receptions and six touchdowns during the 2023 season as Tharp ranked tied for second on the team with four touchdown receptions despite missing five games due to an injury. Cupp, meanwhile, signed an undrafted free agent agreement with the Kansas City Chiefs following the season.

In his short time already in Lubbock, Cochran has already been recognized as one of the nation's promising young coaches as he was tabbed to the 30 under 30 list compiled by 247Sports in 2022 as well as the 40 under 40 honor roll put together by *Dave Campbell's Texas Football*. He was also selected to the AFCA 35 under 35 Coaches Leadership Institute out of field or more than 200 applicants.

The 2022 campaign marked Cochran's first overseeing tight ends as he previously spent the previous two seasons as the co-offensive coordinator and offensive line coach at Austin Peay. In his two seasons on staff, Austin Peay was a combined 8-4 in Ohio Valley Conference (OVC) play and had three wins over ranked opponents, which included No. 7 Jacksonville State and No. 13 Murray State during the 2021 spring slate.

Cochran's unit ranked among the best in the conference as he had five offensive linemen recognized on the All-OVC teams during his tenure, including a two-time selection to the first team in Bucky Williams. Colby McKee was also a two-time honoree on the second team for an offense that led the OVC in scoring (32.5 points per game) and total offense (419.2 yards per game) in 2021.

Austin Peay was Cochran's first full-time coaching role at the FBS or FCS levels after previously serving in various roles at both North Carolina (2020) and Baylor (2017-19). His tenure at North Carolina reunited him with his former college coach Mack Brown as he was an offensive quality control coach for an eventual Orange Bowl participant up until his hire at Austin Peay in November 2020.

Cochran was a graduate assistant and offensive quality control coach during his three seasons at Baylor, assisting with the Bears offensive line during that span. He was a member of a Baylor staff that appeared in two bowl games during that time, first at the Academy Sports + Outdoors Texas Bowl in 2018 and then the Allstate Sugar Bowl a year later following an 11-win campaign and an berth in the Big 12 Championship game.

Prior to Baylor, Cochran spent one season at East Texas Baptist University in 2015 where he was the offensive line coach, mentoring four All-American Southeast Conference selections during that year alone. East Texas Baptist featured the top-ranked scoring offense in Division III that season, averaging an impressive 49.9 points per game.

Cochran began his coaching career like several other members of the Texas Tech staff in the high-school ranks as the offensive line coach at Lindale High School in East Texas. He is a former member of the Texas High School Coaches Association, an important aspect of Texas Tech's football program.

A three-year letterman on the offensive line at Texas, Cochran was tabbed a Freshman All-American by Yahoo! Sports in 2011. He played in 31 games over his Longhorn career, making 23 starts before ending his playing career early in the 2013 season due to a chronic shoulder injury. In addition to his success in the trenches, Cochran was also a first team Academic All-Big 12 selection in 2012 and a four-time member of the Big 12 Commissioner's Honor Roll.

A native of Hallsville, Texas, Cochran earned his bachelor's degree in kinesiology from Texas in 2014 and then his master's in sports management from Baylor in 2019. He is married to the former Olivia Dietrichson. The couple welcomed their first child, Campbell, in March 2022.

ZARNELL FITCH

Defensive Line Coach | Third Season

Zarnell Fitch, another one-time Texas High School Coaches Association member on Joey McGuire's charter staff, enters his third season at Texas Tech as the Red Raiders' defensive line coach.

Fitch, no stranger to the Big 12 Conference, is regarded as one of the top defensive line developers in the country based on his work previously at TCU, his alma mater, and now with the Red Raiders. Texas Tech has recorded two of its best defensive seasons in recent memory during Fitch's tenure as the Red Raiders gave up 29.2 points per game in 2022 before lowering that mark to 26.0 this past season, their lowest average since 2009.

Texas Tech's success defensively has stemmed, in part, by the play of Jaylon Hutchings and Tony Bradford Jr., who were both honorable mention All-Big 12 selections in each of their final two seasons under Fitch. The two combined for 339 tackles, 56.5 tackles for loss and 26.0 sacks over 118 career games and 95 starts as one of the top interior defensive line duos in the country. In fact, they were the only pair of power-five interior linemen to create 30 or more quarterback pressures each during the 2022 campaign, according to *Pro Football Focus*.

Hutchings was credited with 50 tackles that season, the most for a Red Raider interior defensive line since current NFL standout Kerry Hyder in 2013. Bradford added 32 tackles of his own to go along with 5.5 sacks as part of an impressive tandem that ranked as the only pair of Big 12 interior defensive linemen to both record at least 30 tackles and 5.0 tackles for loss on the season.

That pressure allowed Texas Tech to rank eighth nationally in fourth-down defense, ninth in the FBS for red zone efficiency and 18th for total tackles for loss during the 2022 season where the Red Raiders finished 8-5 overall and recorded its best finish in the Big 12 standings in more than a decade.

Fitch arrived at Texas Tech after previously serving in a similar role at TCU prior to his hiring by McGuire. Fitch oversaw the TCU defensive line each of the previous six seasons with the Horned Frogs after beginning his tenure as the Director of High School Relations in 2014. Fitch served his alma mater in that role for two years before earning the promotion to a full-time position coach. Over his tenure, Fitch was part of six bowl teams at TCU and three seasons of 10 or more wins.

Over his tenure, Fitch helped TCU rank near the top of the Big 12 in combined sacks annually as the Horned Frogs found the quarterback 183 times over his six seasons, the third-highest total among conference members. During that time, TCU ranked among the top-40 schools nationally in sacks per game and tackles for loss per contest in four different seasons, rising to as high as No. 6 for sacks in 2016 and No. 10 in TFLs in 2020.

Fitch mentored 11 Horned Frogs who earned All-Big 12 honors during his tenure, a list that featured four first-team selections in Josh Carroway (2016), Ben Banogu (2017-18), L.J. Collier (2018) and Ross Blacklock (2019). Blacklock is among the most prominent defensive lineman of the Fitch era as he also garnered Big 12 Co-Defensive Freshman of the Year honors in 2017. As a senior, he helped boost a TCU defense that topped the league in nearly all major defensive categories en route to being picked in the second round of the 2020 NFL Draft by the Houston Texans.

Blacklock was one of two Horned Frog defensive lineman who heard their name called during the NFL Draft under Fitch as Collier was chosen 29th overall by the Seattle Seahawks in 2019. He was the first TCU defensive lineman to be selected in the first round since 2010 and only the third in program history to do so.

Fitch was a 2017 finalist for National Defensive Line Coach of the Year by FootballScoop.com after TCU notched 42 sacks that season, 11 more than any other conference team. The Horned Frogs were fifth nationally in rushing defense after allowing only 103.9 yards per game on the ground behind a dominating defensive line. Blacklock and Corey Bethley both earned Freshman All-American honors that season, while Banogu was tabbed the Big 12 Defensive Newcomer of the Year.

TCU had at least one defensive lineman recognized on the All-Big 12 teams in each of Fitch's six years as Aaron Curry was on the second team during his debut season in 2016, while Ochaun Mathis was a two-time selection to the second team in 2020 and 2021. Khari Coleman was also tabbed the Big 12 Co-Defensive Freshman of the Year under Fitch during the 2020 season.

Fitch's hire as TCU's defensive line coach returned him to the same position he once starred at for the Horned Frogs as he was a two-year letterman from 2004-05. A transfer from Navarro College, Fitch appeared in all 12 contests and made three starts as a senior, notably making a pair of interceptions that season, the final one of which coming in TCU's win over Iowa State in the EV1.net Houston Bowl.

Following his collegiate career, Fitch later spent time with the New York Jets, Baltimore Ravens and Washington Commanders as an undrafted free agent before eventually playing two additional seasons in arena football.

After retiring from football, Fitch joined the coaching staff at Lincoln High School in 2012, serving as an assistant coach for two seasons before being named head coach for the 2013 season. Fitch led the Tigers to a 7-4 record that season, which included a win over Dallas Carter in the Class 4A playoffs. He was also a special education teacher during his time at Lincoln.

Fitch earned his degree in communications and a minor in social work from TCU in 2006. Fitch and his wife, Mollie, have three sons, Zarnell III, Hunter and King, as well as two daughters, Haylee and Hope.

CLAY MCGUIRE

Offensive Line Coach | First Season (Seventh Overall)

The 2024 season will mark the start of Clay McGuire's third stint on the Texas Tech coaching staff where he will oversee the Red Raider offensive line. He was hired by head coach Joey McGuire as Texas Tech's offensive line coach on Feb. 16, 2024, after coaching the position for each of the past five seasons and more than 10 years overall.

McGuire previously served his alma mater in various roles from 2006-09, ultimately rising to special teams coordinator (2007-08) and running backs coach (2009) under the late Mike Leach before returning again in 2018 to be the co-offensive coordinator and running backs coach for Kliff Kingsbury. He is believed to be only the second assistant coach in school history to serve three different stints on the Texas Tech coaching staff, joining the late Carlos Mainord.

McGuire (no relation to Joey McGuire) returned to his alma mater following two seasons as the offensive line coach at Washington State, his second stint with the Cougars after serving in a similar capacity for six years under Mike Leach from 2012-17. Washington State transformed into one of the most-dominating offenses in the country under Leach as the Cougars averaged more than 30 points per game in each of McGuire's last five seasons. The Cougars played in five bowl games over his eight combined seasons in Pullman as McGuire has been part of 10 bowl teams during his coaching career.

Part of the Cougars' success stemmed from the offensive line as McGuire recruited and coached several All-Pac 12 selections, including Joe Dahl, one of the top offensive linemen in Washington State history. Dahl, who transferred to Washington State soon after McGuire's hire in 2012, earned second team All-America honors by USA Today as a senior in 2015 to go along with All-Pac 12 first team accolades. Dahl was later selected by the Detroit Lions in the fifth round of the 2016 NFL Draft, marking the first time a Washington State offensive lineman has been chosen since 2001. In addition, he was the highest Cougar offensive lineman taken since 1997.

McGuire sent another Cougar to the NFL ranks following the 2017 season as Cole Madison, a three-time All-Pac 12 honoree, heard his name called in the fifth round of the 2018 NFL Draft by the Green Bay Packers. The 2017 season also closed the career of another McGuire protégé in two-time All-America selection Cody O'Connell, who became only the second unanimous All-American in Washington State history in 2016 and was the school's first Outland Trophy finalist.

O'Connell was a consensus All-American in 2017 after closing his career by earning first-team accolades from the Walter Camp Foundation and The Sporting News. He was the first Cougar to earn first team All-America honors in consecutive seasons since running back Rueben Mayes in 1984-85 and the first offensive lineman ever to do so.

In addition, McGuire also mentored Andre Dillard, the No. 22 overall selection in the 2019 NFL Draft by the Philadelphia Eagles, as well as four-time All-Pac 12 selection Abe Lucas while with the Cougars. Dillard was the first Cougar offensive lineman in school history to be selected in the first round as his selection marked the third time in a four-year stretch one of McGuire's pupils entered the NFL via the draft. He started in 39 games at left tackle under McGuire, earning third team All-America honors as a senior in 2018 after allowing only one sack and 13 total pressures in 722 pass-blocking snaps.

In addition to his time at Washington State, McGuire has also mentored successful offensive lines recently at both Texas State (2019-20) and USC (2021). Those two stints followed his one season back on the Texas Tech staff where the Red Raiders averaged an impressive 37.3 points per game and 485.2 yards of total offense during the 2018 season.

McGuire, a four-year letterwinner as a blocking back for the Red Raiders from 2001-04, earned his first full-time assistant position five games into the 2007 season as he took over special teams duties, a role he earned on a permanent basis in 2008. Texas Tech opponents averaged just 6.7 yards per punt return once McGuire took over, while the kickoff coverage unit ranked second in the Big 12 in fewest return yards allowed.

Following his stint in Lubbock, McGuire joined Ruffin McNeil's staff at East Carolina where he helped reshape the Pirate's offense into one of the most explosive units in the country. East Carolina averaged 36.8 points per game in McGuire's first season alone as running back Jon Williams totaled 847 yards and 10 touchdowns on the ground. The Pirates were also drastically improved on special teams in 2010 as East Carolina ranked among the top-35 schools nationally in punt return average (30th), punt coverage (31st) and kickoff coverage (29th).

McGuire previously starred at quarterback and defensive end at Crane High School prior to becoming the first high school prospect to commit to the Red Raiders during the Leach era. He has two degrees from Texas Tech as he earned his bachelor's in history in 2004 and his master's in secondary education in 2007. His older brother, Cody, also played for the Red Raiders from 1994-97.

McGuire and his wife, Jeri, are the parents of two daughters, Jorja and Addison.

MARCEL YATES

Defensive Passing Game Coordinator | Secondary Coach | Third Season

Veteran defensive coach Marcel Yates enters his third season on the Texas Tech defensive staff where he serves as passing game coordinator and oversees the Red Raider secondary.

Yates, a former defensive coordinator at both Boise State and Arizona, arrived in Lubbock with a strong understanding of Tim DeRuyter's defensive scheme as the 2024 campaign will mark their fifth-consecutive season working together after previous stops at both Cal (2020) and Oregon (2021). Yates has more than 20 years of coaching experience at the collegiate level and has been part of 17 bowl teams over his successful career.

That experience has paid dividends as Texas Tech implemented a new system that has resulted in two of its best seasons in recent memory. The Red Raiders allowed only 29.2 points per game in Yates' debut season in 2022 before improving to 26.0 points per game average this past season, its lowest clip in more than a decade. In fact, it marked Texas Tech's lowest scoring average since the 2009 season, the same year the Red Raiders had previously recorded five or more Big 12 victories prior to each of the past two seasons.

The Red Raider secondary has shown significant improvement under Yates after surrendering only 256.8 passing yards per game in 2022, their lowest clip since 2014. Texas Tech lowered that average even further this past season, giving up only 229.2 yards per game through the air en route to an eventual victory over Cal in the Radiant Technologies Independence Bowl. The Red Raiders previously closed the 2022 campaign with four-straight victories following a win over Ole Miss in the TaxAct Texas Bowl.

Yates has had six members from his position room garner All-Big 12 accolades during his tenure with two earning second team honors in Malik Dunlap (2022) and Dadrion Taylor-Demerson (2023). The list of recognitions has also included Rayshad Williams and Marquis Waters as honorable mention selections in 2022 as well as C.J. Baskerville, Bralyn Lux and Dunlap this past season.

Taylor-Demerson closed his Red Raider career with 10 interceptions, including six that came during Yates' tenure, which ranked tied for 10th in program history. He later heard his name called during the 2024 NFL Draft as the Arizona Cardinals selected the safety in the fourth round. Taylor-Demerson became the 11th defensive back during Yates' career to be chosen in the NFL Draft and the sixth to go in the first four rounds. Yates has had three other defensive backs sign free agent agreements during his Texas Tech tenure in Waters (New York Jets), Williams (Las Vegas Raiders) and Tyler Owens (Washington Commanders).

Yates served in a similar role at Oregon where he was the secondary and passing game coordinator during the 2021 season. The Ducks boasted one of the nation's most opportunistic defenses in the country in 2021, especially in the secondary where Oregon recorded 17 interceptions. Oregon closed the season ranked fifth in the FBS for total interceptions and 26th nationally with 22 takeaways following an appearance in the Valero Alamo Bowl. The Ducks ended the regular season ranked 13th in the final College Football Playoff poll following an appearance in the Pac-12 title game.

Oregon's success defending the passing game continued a trend from Yates' season at Cal where the Golden Bears ranked 23rd nationally and second in the Pac-12 after allowing only 197.8 yards per game through the air. Cal closed the 2020 season by defeating Yates' future employer with a 21-17 victory over No. 20 Oregon at home.

Yates accepted the position at Cal following four seasons as the defensive coordinator at Arizona where he worked with both the defensive backs and linebackers during various points of his tenure, including former Red Raider linebacker Colin Schooler. Schooler was a Freshman All-American and the Pac-12 Defensive Freshman of the Year under Yates in 2017 after racking up 13.5 tackles for loss, all in conference play, which was the most by an Arizona freshman since at least 1997.

Prior to Arizona, Yates spent a combined 11 seasons at Boise State, rising from cornerbacks (2003-05) and defensive backs (2006-10) coach to eventually being

named the defensive coordinator (2014-15) for his alma mater. In between, Yates spent two seasons as the co-defensive coordinator and defensive backs coach at Texas A&M where he oversaw the defensive backs room.

Boise State won 87.6 percent of its games during Yates' tenure, compiling a 127-18 record after winning at least 10 games in nine of his 11 seasons with two undefeated campaigns. The Broncos qualified for a bowl game in each of Yates' 11 seasons on staff, while claiming eight conference championships (7 WAC, 1 Mountain West). Boise State wrapped both undefeated seasons with victories in the Fiesta Bowl, defeating No. 10 Oklahoma to wrap the 2006 campaign and then No. 4 TCU to end a memorable 2009 year.

Besides the slew of wins, Yates excelled in developing often overlooked prospects into successful college football players and eventual NFL selections. From 2007 to 2016 alone, seven of Yates' defensive backs heard their name called during the NFL Draft with two more that signed free agent deals on their way to long professional careers. Of those seven draft picks, four were selected in the first three rounds, which was highlighted by cornerback Kyle Wilson in the first round in 2010.

During his two seasons at Texas A&M, the Aggies were among the best teams in the country, wrapping the 2012 campaign at No. 5 in the Associated Press and USA Today Coaches polls after winning 11 games for the first time since 1998. Texas A&M followed with a 9-4 campaign in 2013, concluding that season at No. 18 in each poll.

Yates began his coaching career as an assistant secondary coach at Montana State. In his second season, the Bobcats won their first Big Sky Conference title and earned their first trip to the NCAA Division I-AA playoffs in 18 years.

Yates was a four-year letterwinner as a defensive back at Boise State (1996-99), which coincided with the school's first four years as a FBS program. His career culminated in the Broncos' first-ever bowl appearance and bowl win over Louisville in the 1999 Crucial.com Humanitarian Bowl.

Yates earned a degree in social science from Boise State in 2000. He has a son, Eric, and a daughter, Kaybrie.

Musgrave, a former student-athlete himself at Florida State, arrived at Texas Tech following one season at fellow Big 12 member Baylor where he worked alongside head strength and conditioning coach Lance Barilow during the 2021 season. Musgrave quickly joined the Red Raider staff after Baylor completed a 12-2 season with a win in the Allstate Sugar Bowl.

KIRK BRYANT
Senior Analyst/Asst. QB Coach
Third Season
Mississippi College '15
Baylor '19

Kirk Bryant enters his third season as a senior offensive analyst on the Texas Tech football staff where he assists offensive coordinator Zach Kittley with the Red Raider quarterbacks as well as opponent scouting.

Bryant arrived in Lubbock following two seasons as the inside receivers coach and recruiting coach at Austin Peay. Bryant was hired by the Governors prior to their 2021 spring season where Austin Peay finished 4-2 in Ohio Valley Conference (OVC) play, which included a pair of ranks wins over No. 7 Jacksonville State and No. 13 Murray State. Austin Peay was a combined 8-4 in conference games during Bryant's two seasons on staff.

Prior to his time with the Governors, Bryant spent four seasons at Baylor where he worked alongside head coach Joey McGuire. Bryant was an offensive graduate assistant with the running backs and wide receiver groups for the 2017-18 seasons before moving to a quality control role with the Bears' quarterbacks for the 2019-20 campaigns.

His position at Baylor followed a season as the wide receivers coach and operations director at East Texas Baptist where he coached a pair of All-American Southwest Conference selections in Chase Sojka (first team) and Richard Johnson (second team). The duo combined for almost 2,000 receiving yards that season with Sojka leading the team with 83 receptions for 1,074 yards, while Johnson posted 911 yards through the air on 52 catches.

East Texas Baptist featured the top-ranked scoring offense in Division III that season, averaging an impressive 49.9 points per game. Bryant worked that season under Scotty Walden, who would later bring both Josh Cochran and Bryant with him as part of his initial staff at Austin Peay.

Bryant began his coaching career as the wide receivers coach for his alma mater, Mississippi College, in 2015. Bryant, a native of Bullard, Texas, previously played three seasons at Mississippi State (2011-14), leading the Choctaws in receiving yards as a senior. He was the ASC All-Academic team in 2013 and a Gulf South Conference Academic Honor Roll recipient in 2015.

Bryant earned his bachelor's degree in accounting from Mississippi College in 2015 and then added a master's in sports management from Baylor in 2019. He is the son of Keith Bryant, who is currently the superintendent of Lubbock Cooper ISD.

DARCEL MCBATH
Analyst
First Season
Texas Tech '08

Darcel McBath, one of the top defensive backs in school history, enters his first season as an analyst on the Texas Tech football staff.

In his role, McBath assists with Texas Tech's advance scouting, providing weekly analysis of opponents on both sides of the ball for offensive coordinator Zach Kittley and defensive coordinator Tim DeRuyter. He will also "self-scout" the Red Raiders, identifying in-game tendencies on a weekly basis.

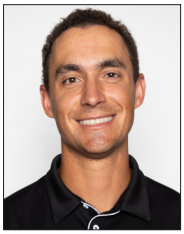
A longtime assistant under the late Mike Leach, McBath returns to his alma mater following four seasons as the cornerbacks coach at Mississippi State (2020-23) and two additional years in a similar capacity at Washington State (2018-19). He began his coaching career as a quality control assistant at North Texas in 2016 before moving to Washington State in the same role the following season.

Mississippi State boasted three of its top cornerbacks in its history under McBath as he mentored Martin Emerson, a third-round selection in the 2022 NFL Draft, Emmanuel Forbes, the No. 16 overall pick of the 2023 NFL Draft and Decamerion Richardson, who heard his name called in the fourth round this past spring. Forbes, a consensus All-America selection as a senior in 2022, ranked third in the country that season with six interceptions and set the NCAA FBS record after returning his sixth interception for a touchdown.

Prior to joining the coaching profession, McBath played five seasons in the NFL after being selected in the second round of the 2009 NFL Draft by the Denver Broncos. McBath spent two seasons with the Broncos before moving on for one season with the Jacksonville Jaguars and two seasons with the San Francisco 49ers where he was a member of the Super Bowl XLVII roster.

A native of Gainesville, Texas, McBath was a four-year letterman at defensive back for the Red Raiders from 2004-08. McBath earned All-Big 12 first team honors as a senior in 2008 after leading the nation with seven interceptions as part of one of the top Texas Tech teams in program history. The Red Raiders finished 11-2 that season, rising to as high as No. 2 in the polls following 10-consecutive wins to start the season, including to top-ranked Texas.

McBath earned his degree in general studies from Texas Tech in 2008. He and his wife, Malorie, were married in 2013 and are parents to two children, Ansleigh and Duke.



TYLER SCHOVANEC
Asst. Special Teams Coordinator/Specialist Coach
Third Season
Carroll '15, Case Western '17

Tyler Schovanec enters his third season on the Texas Tech coaching staff and his first as an assistant special teams coordinator and specialist coach. He was previously a special teams analyst prior to his promotion before the 2024 season.

The Red Raiders have ranked among the nation's top special teams units during Schovanec's two seasons back on the Red Raider sideline. Texas Tech ranked in the top 20 nationally of four special teams statistical categories in 2023 alone, finishing second in punt return average (19.5), sixth in kick return average (25.5), 10th in blocked kicks (3) and 19th for net punting (41.5). The Red Raiders previously ranked ninth in 2022 for kick return defense and inside the top 25 for both blocked kicks and kick return average.

That success has been the result of a strong core of specialists in punter Austin McNamara and a pair of kickers in Trey Wolff and Gino Garcia. Wolff was among the most accurate kickers in college football in his lone season under Perry and Schovanec in 2022 as he connected on 21-of-25 field goal attempts, which ranked second all-time in Texas Tech single-season history.

An honorable mention All-Big 12 selection, Wolff was reliable in key situations throughout the 2022 season as he had nine field goals that came with under a minute remaining in the second or fourth quarters or in overtime. He had two game-winning kicks during the season, sending the Red Raiders to memorable come-from-behind victories over both Texas and Oklahoma for the first time in program history. He later signed a free agent agreement with the Tennessee Titans after an impressive showing at his Pro Day.

Garcia followed Wolff with honorable mention All-Big 12 accolades of his own after connecting on 16-of-22 attempts this past season, including an impressive 9-of-10 field goal tries during Big 12 play. Garcia, who played for Schovanec earlier in each of their respective careers at Houston Baptist, used his strong leg to become the first Red Raider in program history to connect on three field goals of at least 50 yards or longer in a season.

McNamara, meanwhile, solidified his spot as the most-successful punter in school history as he was tabbed the Big 12 Special Teams Player of the Year as a senior in 2023. McNamara, also a semifinalist for the Ray Guy Award and an All-Big 12 first team selection that same season, wrapped his career with a 45.91 career average, the highest in Texas Tech and Big 12 Conference history and the 10th-highest in the NCAA FBS record book.

McNamara also matched the FBS record by averaging at least 40.0 yards per attempt over 37 career games (minimum of four punts each game to qualify). McNamara averaged 46.3 yards per punt during his final season, marking his fifth mark that ranked in the top 10 in school history. He later signed a free agent agreement with the Cincinnati Bengals organization where he is expected to compete for the punter position leading into the 2024 NFL season.

This is Schovanec's third stint on the Texas Tech staff as he was previously a special teams quality control coach and personnel assistant for the Red Raiders in 2017. Prior to that, he was an intern to then football chief of staff Kenny Bell during the summers of 2013-15, assisting with many of the day-to-day operations of the football program.

In between, Schovanec was an offensive graduate assistant at Case Western University in 2016 where he served as running backs coach. During his lone season, running back Jacob Burke earned second team All-Presidents' Athletic Conference

COACHING STAFF

honors after rushing for more than 1,000 yards while also ranking 18th in Division III with 16 touchdowns.

Schovanec joined the coaching staff after rounding out his playing career as a two-sport athlete in both baseball and football. The baseball program earned a berth to the 2016 NCAA Division III playoffs during his lone season. He previously played both sports at Carroll University in Wisconsin prior to transferring to Case Western for his senior season.

Schovanec received his first full-time coaching position at Houston Baptist in 2018 where he was the special teams coordinator and running backs coordinator for four seasons. Schovanec coached alongside Texas Tech offensive coordinator Zach Kittley for three of those seasons as Houston Baptist developed into one of the top offenses at the FCS level.

On special teams, Garcia set the HBU career records with 32 field goals and 84 extra points made over his three seasons as well as the single-season mark after finding the uprights 18 times during the 2019 campaign. Garcia was a first team All-Southland Conference honoree in 2021 as one of several Huskies who garnered all-conference accolades under Schovanec.

Kick returner Gamar Girdy Brito, who, like Garcia, set the HBU career marks for kick return yards and all-purpose yards, collected STATS FCS and Hero Sports All-America honors in 2019 to close his career as well as first team All-Southland Conference accolades. Punter Blake Patterson, meanwhile, was a two-time honoree as a second team selection in 2019 and a first team honoree the following year.

Schovanec, a native of Lubbock, received his bachelor's of science in business administration and management from Carroll in 2015 and a master's in management and finance from Case Western in 2017.

Schovanec married the former Sarah Gray in May 2024.

RYAN CONRY
Asst. Defensive Backs Coach
Third Season
Ohio State '18, Cal '22

Ryan Conry enters his third season on the Texas Tech staff and his first as an assistant defensive backs coach, working directly with defensive coordinator Tim DeRuyter and passing game coordinator Marcel Yates with the "Star" position.

Conry is more than familiar with both DeRuyter and Yates as he worked under both as a defensive graduate assistant at Cal during the 2019-20 seasons. The Golden Bears played in the Redbox Bowl in Conry's first season as Cal ranked 33rd nationally in scoring defense after allowing only 21.9 points per game. Cal was again among the Pac-12 leaders in scoring defense again a year later after surrendering only 26.5 points per game.

The Red Raiders have seen a similar rise defensively as Texas Tech gave up only 26.0 points per game in 2023, its lowest since 2009. Texas Tech has defeated power-five foes in its two bowl games during Conry's tenure, topping Ole Miss in the 2022 TaxAct Texas Bowl and then Cal in the 2023 Radiant Technologies Independence Bowl.

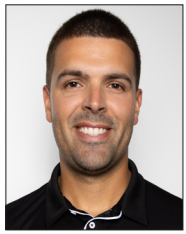
Between his time at both Cal and Texas Tech, Conry has worked with nine players who made their way to the NFL, a list that includes Jaylinn Hawkins, Ashtyn Davis, Camryn Byrnum, Elijah Hicks and Daniel Scott at Cal and then Marquis Waters, Dadrion Taylor-Demerson, Tyler Owens and Rayshad Williams during his two seasons at Texas Tech.

Waters, playing the "star" position in Texas Tech's defensive system, ranked second among defensive backs with 13.0 tackles for a loss as a senior in 2022 before signing as an undrafted free agent by the New York Jets. Taylor-Demerson, meanwhile, was selected in the fourth round of the 2024 NFL Draft by the Arizona Cardinals after a strong final two seasons where he combined for seven of his 10 career interceptions and was among the team leaders with 73 tackles both years.

All five defensive backs Conry worked with at Cal will enter 2024 on NFL rosters, meanwhile, as Davis, a finalist for the Burlsworth Trophy (nation's top walk-on), was selected in the third round of the 2020 NFL Draft by the New York Jets. Byrnum heard his name called in the fourth round a year later by the Minnesota Vikings, while Hicks was chosen in the seventh round of the 2022 draft by the Chicago Bears and Scott was picked in the fifth round of the 2023 draft by the Indianapolis Colts. Hawkins, an undrafted free agent, enters his fifth NFL season in 2024 as a member of the New England Patriots.

Conry was hired at Cal after previously serving as a student coaching intern while earning his undergraduate degree from Ohio State. Conry began his tenure with the Buckeyes as a recruiting intern for the 2014-15 campaigns before later working with the cornerbacks position room for the remainder of his tenure. Conry was part of the Ohio State program when the Buckeyes claimed the College Football Playoff National Championship in 2014.

Conry, a native of Shaker Heights, Ohio, earned his bachelor's degree in finance from Ohio State University in 2018 and then his master's in public health from the University of California-Berkeley in 2022.



TRENT VASEY
Asst. Running Backs Coach
Third Season
Western New England '17
Alfred University '19

Trent Vasey enters his third season on the Texas Tech coaching staff and his first as the assistant running backs coach. He was previously an offensive graduate assistant the past two seasons working with the Red Raider wide receivers.

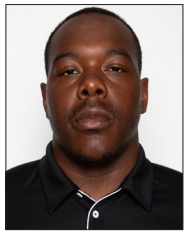
This is Vasey's second stint in the Big 12 as he served in a similar role at Kansas during the 2021 season. Vasey also worked with the wide receiver group for a Kansas program in its first season under Lance Leipold, one that ended with a late November victory over Texas in Austin.

Kansas was Vasey's first position at the FBS level after serving as the tight ends and recruiting coordinator at Stonehill College in his home state of Massachusetts for the 2019-20 seasons. Vasey added recruiting coordinator responsibilities to his duties for his second season with the Skyhawks after previously serving as the video coordinator for the 2019 campaign. Prior to that, Vasey was a graduate assistant coach at Alfred University in New York, working with both the tight end and running back rooms during his two seasons.

Vasey joined the coaching profession following a successful playing career as a four-year letterwinner at Western New England University. Vasey garnered all-conference accolades at tight end during his playing career, helping lead the Golden Bears to a New England Football Conference title and a NCAA Division III playoff appearance each of his final two seasons in 2015 and 2016.

During his collegiate career, Vasey served as the assistant director and coach of the Blue Chip Football Academy and Bulldog Football School. He also completed a coaching internship at Dean College during the summer of 2015 and was an administrative intern for the entire athletics department the following summer.

Vasey earned his undergraduate degree in sports management from Western New England in May 2017 and later his master's degree in business administration from Alfred in 2019.



TAYLOR YOUNG
Asst. Inside Linebackers Coach
First Season
Baylor '16

Taylor Young enters his first season on the Texas Tech coaching staff as the assistant inside linebackers coach, working directly with third-year position coach Josh Bookbinder.

Young's arrival in Lubbock reunites him with many on the Texas Tech staff from his time as a student-athlete at Baylor. Young was one of the Big 12's most-imposing linebackers over his four-year career, totaling 325 tackles, 39.0 tackles for loss and 15.5 sacks, all while earning All-Big 12 honors three times and also being named Big 12 Defensive Newcomer of the Year by the Associated Press in 2014 and the Defensive MVP of the 2015 Cotton Bowl.

Young, whose last season coincided with head coach Joey McGuire's arrival in Waco as an assistant coach, remains one of the top tacklers in Baylor history as he still ranks third in career tackles for loss, fourth for both career solo tackles and sacks and tied for eighth in total tackles. Young made 40 career starts at linebacker for the Bears. He was invited to training camp with the Arizona Cardinals after completing his collegiate career.

This will be Young's third coaching stint at the collegiate level as he was previously a graduate assistant for Baylor during the 2019-20 seasons as well as a quality control assistant at North Texas for the 2021 campaign. Young assisted the linebacker room at both schools, while also contributing to North Texas' special teams units during his lone season in Denton.

COACHING STAFF

Like many members of McGuire's staff, Young also has experience at the prep level as he served as the special teams coordinator and linebackers coach at Richardson High School in the Dallas-Fort Worth metroplex the past two seasons.

Young began his coaching career after earning his undergraduate degree in education from Baylor in 2016. He is expected to complete his master's of sport pedagogy from Baylor this fall.

- With Texas Tech's win over Cal in the Independence Bowl, McGuire improved to 15-11 overall (.577), marking the fourth-highest winning percentage for a Texas Tech head coach through two seasons and the highest since Steve Sloan was 16-7 overall (.696) following the 1976 campaign. SEASON NOTES

RUSHING RECORDS SET

■ Single-game: On Sept. 30, 2023, Cam'Ron Valdez (111) and Tahj Brooks (101) became the third duo in program history to gain more than 100 yards rushing in a single game. Valdez and Brooks joined the 1998 contest versus Baylor when Ricky Williams (159) and Rob Peters (106) did so as well as the 2012 New Mexico game when Eric Stephens (118) and Kenny Williams (105) both eclipsed 100 yards rushing.

■ Top Rushing games: Tahj Brooks owned eight 100-yard rushing performances in 2023, three of those joined the ranks of the Red Raiders' best single-game performances in program history. When he set his career-high of 182 rushing yards versus UCF on Nov. 18, 2023, it ranked as the No. 33-best rushing performance in school history. Meanwhile, his 170 yards at Baylor on Oct. 7, 2023, ranked No. T-48 and his 158 versus Tarleton State on Sept. 16, 2023 ranked No. T-58.

■ Single-season marks: Tahj Brooks' 1,538 yards rushing in 2023 ranked as the fourth-best single-season all-time by a Red Raider. Brooks' 290 rushing attempts also ranked No. 4 all-time, just short of Byron Morris' 298 attempts in 1993.

■ Career marks: Brooks' climbed to No. 7 all-time for career yardage at Texas Tech with 3,052 yards. He became the seventh Red Raider to eclipse 3,000 yards rushing in the season finale versus Cal in the Independence Bowl. Brooks will need 948 yards in 2024 to become the third Red Raiders to ever reach 4,000 yards rushing; he will need 1,167 yards rushing to reach Texas Tech's all-time rushing leader, Byron Hanspard (1994-96) and his 4,219 career rushing yards.

■ Career marks: Brooks' rose to No. 6 all-time in career attempts as he owns 593 in his career. Ricky Williams is the all-time leader with 789 career carries from 1997-2001. Brooks would need to tote the rock 196 times in 2024 to reach that mark.

SCORING RECORDS SET

■ Single-game: Kicker Gino Garcia imprinted his name in the all-time Top 10 for longest field goals twice in 2023. His 55-yarder versus TCU on Nov. 2 ranked as the third-longest field goal in program history matching four additional 55-yard field goals throughout program history. Bill Adams hit a 57-yard field goal in 1977 versus Texas A&M, the second-longest field goal, while Johnathan Garibay's epic 62-yard game-winner versus Iowa State in 2022 remains the all-time longest kick made in program history.

■ Single-season: Gino Garcia also joined a list of Red Raiders who enjoyed perfect PAT seasons as he went 40-for-40 in 2023. Garcia now owns one of 17 single-season perfect PAT seasons by an individual.

■ Single-season: Gino Garcia made 16 field goals in 2023, ranking as tied for the ninth-most made field goals in a single season. The Red Raiders' Trey Wolff set the record for the second-most made field goals just a year before in 2022 during Joey McGuire's first season as head coach with 21 made field goals.

DEFENSIVE RECORDS SET

■ Career marks: Dadrion Taylor-Demerson logged four interceptions in 2023, growing his career total to 10, which placed him tied for the 10th most interceptions in a career by a Red Raider.

■ Malik Dunlap joined a long list of Red Raiders that have returned an interception for a touchdown on Sept. 16, 2023, versus Tarleton State when he had a 54-yard interception return for a touchdown. It was the first return for a touchdown since Marquis Waters did so versus FIU on Sept. 18, 2021.

KICK RETURN RECORDS SET

■ Single-game: Drae McCray matched the record for most kick returns in a game with seven in the Red Raiders' game at Texas on Nov. 24, 2023. It matched Ben McRoy's seven returns versus Nevada in 2011.

■ Single-game: Drae McCray registered the seventh 100-yard kick return in program history with his electric return versus Houston on Sept. 30, 2023. The six other times it happened in Texas Tech history were by Jakeem Grant (2015), Ivory McCann (2001), Keith Henderson (1984), Donny Anderson (1965) and Jack Kirkpatrick did so twice in the same season in 1953.

■ Single-season: Drae McCray's 717 kick return yards in 2023 ranked as the sixth-most in a single season in program history while the 717 were the most in program history by a player in their junior season. His 26 returns ranked as the seventh-most by an individual in a single season.

PUNTING RECORDS SET

■ Single season: Austin McNamara's 46.3 yards per punt in 2023 ranked as the third-best mark in program history. Coincidentally, it trails his all-time program-best mark of 48.2 yards per punt set in 2021.

■ Career marks: Austin McNamara departs Texas Tech as the all-time leader for career punting average with a 45.9 average over five seasons. It best the No. 2 mark by a full two yards as Taylor Symmank's 43.7 career punting average ranks No. 2 in Texas Tech history.

■ Career Big 12 record: Not only did Austin McNamara depart as the all-time Texas Tech leader for career punting average, but topped Oklahoma State's Quinn Sharp (2009-12) for the best average in league history.

TEAM RECORDS SET

■ Penalties: The Red Raiders had just one penalty versus Houston on Sept. 30, 2023. It was the seventh time a Red Raider team had just one flag, matching a school record.

■ Turnovers: Texas Tech had just five fumbles lost during the 2023 season. It matched a program-best mark set during two other seasons (2000, 2001). The Red Raiders fumbled the ball only 11 times, which set a new program record for the fewest times to fumble the ball in a season.

■ Comebacks: Texas Tech had a 14-point come-from-behind victory against UCF after falling behind 14-0 in the first quarter. The Red Raiders went on to win 24-23, which ranked T-No. 12 as the largest comeback victory (records since 1960).

■ Honors: Austin McNamara, became the first Red Raider to become a three-time first-team All-Big 12 player. He was named to the first team in 2019, 2020 and again in 2023.

CAREER RECORD BOOK ON NOTICE IN 2024

■ Brooks opted for a super-senior season after his more than impressive 2023 campaign, which put No. 1 clearly in Brooks' sights for the program's most career rushing yards and most career rushing attempts.

■ Brooks climbed to seventh all-time in program history with 3,052 career rushing yards, sparked by his 1,538 rushing yards in 2023 that ranked as the fourth-most in a single season.

■ Brooks became the sixth Red Raider to rush 3,000 yards in a career by eclipsing the mark during the Independence Bowl.

■ He is one of 16 Red Raiders all-time to record 2,000 rushing yards in a career.

■ Brooks' 12 career 100-yard games, eight coming in 2023, places him in fifth place for the most in school history behind the likes of Byron Hanspard (21), James Gray (18), Byron Morris (16) and James Hadnot (13).

▲ After rushing for 1,538 yards in 2023, the fourth-most in the FBS, **TAHJ BROOKS** will be back in 2024 chasing Tech's all-time career rushing mark, needing 1,167 yards.

LARAMIE, Wyo. (AP) — Andrew Peasley through an 11-yard touchdown pass to tight end John Michael Gyllenborg on a fourth-and-7, and running back Sam Scott punched in the 2-point conversion as Wyoming stunned Texas Tech 35-33 in double-overtime on Saturday night at War Memorial Stadium in the season opener for both teams.

Tyler Shough, who finished with 338 yards passing and three touchdowns, had given the Red Raiders a 33-27 lead after finding Jerand Bradley for a 15-yard score, but the senior quarterback's conversion pass failed.

Scott's walk-off score sent the crowd of 26,450 pouring onto the field late Saturday following a game that was delayed for 78 minutes due to a lightning storm that moved through Laramie.

Peasley, who limped off the field at the end of regulation after absorbing a big hit by nose tackle Jaylon Hutchings, ran for a 5-yard touchdown on the first possession of overtime.

Tahj Brooks answered for Texas Tech with a 6-yard touchdown run on third-and-2 to force a second overtime. The Red Raiders stormed out to a quick 17-0 lead with the help of fumbles by Wyoming running backs Jamari Ferrell and D.Q. James. John Hoyland, who was voted to the preseason AP All-American second team, booted a career-long 56-yard field goal to stop the bleeding for the Cowboys and start a 20-0 run.

LUBBOCK, TEXAS (AP) — Bo Nix threw for 359 yards and two touchdowns, Jeffrey Bassa had a 45-yard interception return for a score in the final minute and No. 13 Oregon rallied for a 38-30 victory over Texas Tech on Saturday night.

Tyler Shough threw for three TDs and ran for 101 yards and another score against his former team, but it wasn't enough to extend the Red Raiders' school-record 23-game winning streak in home openers.

The Ducks (2-0) had twice rallied in the fourth quarter behind Nix, who led a pair of drives to go-ahead field goals, capped by Cameron Lewis' 34-yarder for a 31-30 lead with 1:10 remaining.

Shough was trying to answer for a second time with a drive to a field goal when Brandon Dorlus hit Shough as he was throwing. The ball went straight to Bassa, who stepped over Shough and ran free to the end zone with 35 seconds left.

Shough, who lost for just the second time in 10 games he started and finished in two-plus injury-plagued seasons since leaving Oregon, got Texas Tech to the Oregon 33 with 8 seconds to go. His desperation throw the end zone came up 2 yards short, and was intercepted by Bryan Addison.

The Red Raiders are 0-2 for the first time since 1990 after losing in double overtime at Wyoming in their opener. Gino Garcia was 2 of 6 for the season when he made a 45-yard field goal to give Texas Tech a 30-28 lead with 5:13 remaining. Shough rallied from a 22-yard loss on a strip sack and lost fumble and an interception to direct a three-play, 83-yard drive for a 27-18 lead after Nix was stuffed on fourth-and-1.

Nix answered with four third-down conversions on a touchdown drive before the Ducks went ahead 28-27 on Lewis' 23-yard field goal after Malik Dunlap almost pulled off a toe-tapping interception in the end zone.

Shough kick-started the Texas Tech offense by running 58 yards on a designed draw to set up the game's first touchdown, and Nix answered with a 72-yard scoring toss to Troy Franklin. Shough ended up with four turnovers while completing 24 of 40 passes for 282 yards. Nix was 32 of 44 without an interception, and Franklin finished with 103 yards receiving on six catches.

LUBBOCK, TEXAS (AP) — Malik Dunlap returned the first of his two interceptions for a touchdown, Tahj Brooks set a career high with 158 yards rushing and Texas Tech got its first win of the season, beating lower-division Tarleton State 41-3 on Saturday night.

The Red Raiders (1-2) led for good when Dunlap had a 54-yard interception return only 2 1/2 minutes into the game.

Tarleton State (2-1) trailed 41-0 until Adrian Guzman's 21-yard field goal with 5:04 left in the game. That came at the end of the same drive when Texans junior receiver Jaden Smith was taken off the field on a stretcher after being down near the goal line for several minutes while being treated by trainers from both teams.

ESPN's game broadcast said Smith had a neck injury and was being taken to a local hospital. It wasn't immediately known the extent of the injury though he gave thumbs-up with both hands as the motorized cart was driving off the field. He had an incredible one-handed catch for a 33-yard gain earlier in the fourth quarter.

Tech quarterback Tyler Shough was 10-of-20 passing for 123 yards with a touchdown and ran for another score before coming out of the game after only one series in the second half. Behren Morton, a four-game starter as a redshirt freshman last year when Shough was hurt, completed 8 of 13 passes for 72 yards with two touchdowns and an interception after that.

Tarleton State, in the fourth and final season of its transition to the Football Championship Subdivision from NCAA Division II, entered the game averaging 518 total yards per game and leading the FCS with 52 points a game. The Texans were held to 342 total yards but avoided being held scoreless for the first time since midway through the 2015 season.

Texans quarterback Victor Gabalis completed 21 of 40 passes for 182 yards with three interceptions. Benjamin Omayebu had 12 catches for 76 yards. Brooks had 140 yards on 15 carries at halftime, already surpassing his previous career high of 134 yards set against Houston in the 2021 opener. He had only four carries in the first two drives of the second half before coming out of the game.

After a double-OT loss at Wyoming to open the season and a 38-30 loss at home last week to 13th-ranked Oregon, Shough's former team, the Red Raiders, did what they needed to do against an overmatched opponent. They avoided their first 0-3 start since 1971. They have won their last 21 games against FCS opponents since losing to North Texas in 1988 but missed out on their first shutout in five years.

MORGANTOWN, W.Va. (AP) — Nicco Marchiol threw a touchdown pass in his first start, CJ Donaldson added a short TD run and West Virginia held off Texas Tech 20-13 in their Big 12 opener on Saturday.

Texas Tech backup quarterback Behren Morton came on for the injured Tyler Shough in the first quarter and put together a pair of scoring drives. But Morton, who had thrown for 325 yards and two touchdowns against the Mountaineers a year ago in Texas Tech's 48-10 win, couldn't bring the Red Raiders back from a 13-3 deficit this time. Morton drove the Red Raiders from their 28 to the West Virginia 11, but he threw four straight incompletions, the last one with 11 seconds left.

On a day that saw former standout defensive end Bruce Irvin inducted into West Virginia's Sports Hall of Fame, the Mountaineers (3-1, 1-0 Big 12) limited Texas Tech (1-3, 0-1) to 56 total yards in the first half and 321 overall in a steady drizzle from the outer bands of Tropical Storm Ophelia.

Shough, who had sat out the two previous games against West Virginia with injuries, took hard hits on consecutive plays late in the first quarter and was driven off the field on a cart with an injury to his lower left leg.

The teams traded 79-yard scoring drives early in the fourth quarter. Morton found Jerand Bradley with a 6-yard scoring pass. Marchiol answered with a 9-yard TD toss to Kole Taylor to put West Virginia ahead 20-10.

Morton then threw a 16-yard pass to Bradley on third down to set up Texas Tech at the West Virginia 16. But Morton threw three straight incompletions and the Red Raiders settled for Gino Garcia's second field goal, a 34-yarder with 4:45 left. Morton finished 13 of 37 for 158 yards.

Marchiol, a redshirt freshman, got his first career start in place of Garrett Greene, who was held out with an ankle sprain sustained a week ago in a 17-6 win over Pittsburgh. Marchiol threw two interceptions — one that went off the hands of wide receiver Devin Carter. But Texas Tech managed only three points off those mistakes.

Marchiol put together enough sustained drives to make a difference. Donaldson ran for 34 yards on a 75-yard drive that ended with his 2-yard run late in the first quarter. Marchiol later ran 19 yards on third down to set up one of two field goals by Michael Hayes.

Marchiol led West Virginia with 72 rushing yards. But he didn't see several open receivers and was held to 12 of 21 passing for 78 yards. Brooks ran for 131 of his 149 yards in the second half for Texas Tech.

LUBBOCK, Texas (AP) — Drae McCray returned a kickoff 100 yards for a touchdown, Loic Fouonji blocked a punt for one of his two scores and the Texas Tech offense did the rest in a 49-28 victory over Houston on Saturday.

The Red Raiders (2-3, 1-1 Big 12) won the first Big 12 meeting of former Southwest Conference foes despite 335 yards passing and four first-half touchdowns from Houston's Donovan Smith, their former quarterback. Behren Morton threw for two TDs in his first start after Tyler Shough sustained a long-term injury for the third consecutive season with a broken leg in Texas Tech's league-opening loss at West Virginia last week.

Tahj Brooks and Cam'Ron Valdez rushed for 106 yards apiece, with Brooks scoring twice and Valdez getting a clinching 41-yard TD run in the fourth quarter. The teams combined for just 14 points after halftime — all by Texas Tech — after scoring 63 in the first half, which ended with the Red Raiders leading 35-28.

Texas Tech has its longest winning streak in the series at six games and has won 11 of the past 12 meetings going back to the SWC days, which ended in 1995. Smith's first TD toss gave the Cougars (2-3, 0-2) the first points on an opening possession against the Red Raiders this season before McCray tied it on the ensuing kickoff.

The Austin Peay transfer fielded the ball 2 yards deep in the end zone and almost stopped before the 15-yard line to avoid tacklers, then found an opening along the Houston sideline and got a final clearing block near midfield from Drew Hocutt, the son of Texas Tech athletic director Kirby Hocutt. Houston went 75 yards for touchdowns on each its first three possessions before finally stalling at its 33.

A little more than a minute after a 25-yard touchdown catch, Fouonji easily reached punter Laine Wilkins on a rush from the right side, kept running after the block and grabbed the ball chest-high on a bounce at the 5 for the easy score and Texas Tech's first lead at 28-21.

Samuel Brown had 113 yards receiving and a touchdown for the Cougars, who have lost their first two conference games for just the second time in 20 years, a span that started with Conference USA before a switch to the American Athletic.

The 239 yards rushing for Texas Tech were a season high, and they had 37 running plays against 22 pass attempts. The 59 plays were well below the average for an offense that ranks among the national leaders.

WACO, Texas (AP) — Behren Morton threw for 180 yards with three touchdowns while running for another score, Tahj Brooks ran 31 times for 170 yards and Texas Tech beat Baylor 39-14 on Saturday night.

A year after a four-touchdown loss at home against the Bears, Texas Tech (3-3, 2-1 Big 12) took the lead for good when Morton threw a 13-yard TD to Coy Eakin on its first drive. Morton completed 19 of 26 passes, including scoring strikes of 16 and 18 yards to Baylor Cupp on his only catches of the night.

Brooks and Morton both had TD runs in the fourth quarter. It was the fourth consecutive 100-yard rushing game for Brooks, whose 18-yard score made it 32-11.

Blake Shapen was 22-for-38 passing for 324 yards with a 71-yard touchdown to Monaray Baldwin in the fourth quarter for the Bears. Baldwin finished with five catches for 126 yards, but Baylor was held to 17 yards rushing on 30 attempts.

Baylor had won four of the previous five games in the series, including the last two since former Bears assistant Joey McGuire became Texas Tech's head coach midway through the 2021 season.

McGuire was in his fifth season on the Baylor staff when he was hired by Tech that November and moved to Lubbock immediately. He didn't take over game-day duties until after that season, so McGuire didn't travel to Waco for the 2021 regular-season finale when Baylor won 27-24. His first home loss with the Red Raiders was 45-17 to the Bears last October.

The Red Raiders won this game up front on both sides of the ball. Texas Tech had 11 tackles for loss and six sacks, while Baylor didn't create a negative play until Brooks was stopped for a 1-yard loss in the final five minutes. Texas Tech was 10-for-17 on third-down conversions.

LUBBOCK, Texas (AP) - Freshman quarterback Avery Johnson ran for five touchdowns, a first in FBS this season, while sharing time with starter Will Howard, and Kansas State beat Texas Tech 38-21 on Saturday night.

Johnson finished with 91 yards rushing as the Wildcats (4-2, 2-1 Big 12) bounced back from a surprising loss at Oklahoma State with an eighth consecutive victory in the series for the defending Big 12 champions.

Jake Strong led a 99-yard drive to the only lead for Texas Tech (3-4, 2-2) in his debut in the third quarter after replacing injured starter Behren Morton. But the freshman threw three interceptions after the Wildcats had gone back in front.

Morton, who was starting because of the third long-term injury in as many seasons to Tyler Shough, was slow to get up several times in the first half and was ruled out after the break because of an undisclosed injury. Strong's second series started at the Texas Tech 1-yard line, but his 13-yard pass got the drive going.

Strong ran 54 yards to set up an 8-yard scoring pass on third down, when he lofted a pass just as he was hit hard in the pocket and Jerand Bradley got a foot down as he fell out the back of the end zone to give the Red Raiders a 21-17 lead.

Johnson, whose only other touchdown came in a blowout of Southeast Missouri State in the opener, replaced Howard on the third series and scored on a 2-yard run for a 10-0 lead. Howard, a senior closing in on 30 career games, returned several times in the first half, but it was Johnson's show after the break.

His 30-yard run put Kansas State back in front for good at 24-21, and Johnson's 11-yard score put the Wildcats up 10 the first play after VJ Payne's 17-yard return of Strong's first interception.

After Kobe Savage corralled Strong's third interception in the end zone, Johnson led an 80-yard drive to the game-sealing score, a 3-yard run for his fifth TD. Treshaun Ward had 118 yards rushing as the Wildcats finished with 273 yards on the ground, the most allowed by Texas Tech this season. Tahj Brooks ran for 98 yards and a touchdown for Texas Tech, and Morton scored on a 1-yard plunge.

The Red Raiders just can't seem to escape injuries at quarterback. Shough had played the deepest into the season of the Oregon transfer's three years in Lubbock before breaking a leg. Now the question is how soon Morton might return, if at all. This could be a serious test of the QB depth chart

PROVO, Utah (AP) — Kedon Slovis threw for 127 yards and two touchdown passes, and BYU forced five turnovers to power a 27-14 victory over Texas Tech on Saturday night.

LJ Martin piled up 93 yards rushing on 10 carries. The Cougars (5-2, 2-2 Big 12) never trailed despite totaling only 277 yards on offense.

Jake Strong threw for 236 yards and a touchdown pass but also had three interceptions in his first start for Texas Tech. Tahj Brooks added 105 yards and a score on the ground. The Red Raiders (3-5, 2-3) lost in their first game in Utah.

BYU tallied three turnovers in the first half alone and scored 13 points off its four takeaways. The Cougars also made big plays on offense before halftime to jump on Texas Tech early.

Martin's 55-yard run on BYU's second play from scrimmage set up a 3-yard touchdown catch by Chase Roberts. Eddie Heckard then pounced on a fumbled ball in the end zone to put the Cougars up 14-0.

The Red Raiders finally got on the board in the second quarter when Xavier White caught a wide-open pass along the sideline and raced 72 yards for the score. BYU countered on a 4-yard touchdown catch by Darius Lassiter and a 35-yard field goal from Will Ferrin, extending its lead to 24-7 before halftime.

Moving the ball wasn't a problem for the Red Raiders early. They outgained BYU in total yardage over the first three quarters. Turnovers ultimately hindered their ability to turn drives into points.

LUBBOCK, Texas (AP) — Behren Morton threw for 282 yards and two touchdowns, with the go-ahead 44-yard score to Drae McCray with 10 1/2 minutes left, and Dadrion Taylor-Demerson's second interception was a game-clincher in the final minute as Texas Tech beat TCU 35-28 on Thursday night.

"So two things we did, we didn't turn the ball over and we caused turnovers. You know, if you do those two things, you got a great opportunity," Texas Tech coach Joey McGuire said. "It puts us in great situations."

Tahj Brooks ran for 146 yards on 31 carries, his sixth 100-yard game this season to become the first Texas Tech running back to surpass 1,000 yards in a single season since DeAndre Washington in 2015.

"Tahj Brooks, I was really proud of what he did. I thought Tahj was timely," McGuire said. "He could have gotten frustrated (but) he didn't. He stayed behind his pads and very few times did he ever cause a negative play." The Red Raiders (4-5, 3-5 Big 12) won for the first time in nearly a month. They had lost two games in a row before last weekend's open date.

Josh Hoover, in his third start for TCU filling in for injured Chandler Morris, completed 32 of 52 passes for 353 yards and a touchdown. But his second interception with 55 seconds left ended a potential game-tying drive when Taylor-Demerson picked it off at the Tech 19.

"It's kind of been the same story all year, honestly. We just make so many mistakes that we just can't have any kind of level of consistency, and we made some critical mistakes in the first half. We did some things that you just can't do," TCU coach Sonny Dykes said. "Our guys came back and played hard in the second half, took a lead, answered back. I knew we could. I knew we would."

Emani Bailey ran for two touchdowns in third quarter for the Horned Frogs, his 2-yard TD putting TCU up 21-20. But he finished with only 57 yards rushing, after coming in averaging 106 per game.

Taylor-Demerson's first interception, in the final minute of the third quarter, gave the Red Raiders possession at the TCU 16 and set up Brooks' 9-yard TD run before Morton's 2-point conversion throw to wide-open Jerand Bradley for a 28-21 lead.

LAWRENCE, Kan. (AP) — Gino Garcia hit a game-winning 30-yard field goal with 3 seconds to play and Texas Tech upset No. 19 Kansas 16-13 on Saturday as the Jayhawks struggled after losing quarterback Jason Bean in the first half.

Tahj Brooks ran for 133 yards and a touchdown as the Red Raiders (5-5, 4-3 Big 12) came back after Kansas (7-3, 4-3) tied the game on a 22-yard field goal by Seth Keller with :26 seconds left in regulation. Texas Tech opened as 10-0 lead in the first quarter as Brooks scored early in a 5-yard TD run. Garcia added a 32-yard field goal late in the quarter.

The Red Raiders extended their lead to 13-0 early in the third quarter on Garcia's second field goal before Kansas got back in the game on a Devin Neal 60-yard touchdown run early in the fourth quarter.

The Jayhawks marched 71 yards later in the fourth quarter and got within three points on a 24-yard field goal by Keller. He tied the game late but Texas Tech found a way to win as Behren Morton was 19 of 25 for 176 yards. Bean went down with an injury in the second quarter and returned for just one drive the rest of the game. Cole Ballard finished up and was 9 of 20 for 124 yards and an interception.

Tech's run game was too much for the Jayhawk defense to handle in the first half. The win leaves Texas Tech a win away from being bowl eligible.

LUBBOCK, Texas (AP) — Tahj Brooks ran for a career-high 182 yards while powering a game-clinching drive after E'Maurion Banks blocked a potential tying extra-point kick, and Texas Tech rallied for a 24-23 victory over UCF on Saturday night.

Behren Morton threw for two touchdowns in the home finale as the Red Raiders (6-5, 5-3 Big 12) won their third consecutive game in a battle for bowl eligibility. In coach Joey McGuire's debut last season, Texas Tech won its final four games, including a Texas Bowl victory over Mississippi. The Knights (5-6, 2-6), making their Big 12 debut, will have to win at home against Houston next weekend to secure an eighth consecutive season of bowl eligibility.

UCF couldn't hold a 14-0 lead, didn't get any points from inside the Texas Tech 5-yard line by letting time run out before halftime and settled for a short field goal on fourth-and-3 when trailing by a touchdown early in the fourth quarter. Despite all that, the Knights were a PAT away from a tie after John Rhys Plumlee's 71-yard touchdown pass to Javon Baker with 5:30 remaining.

Colton Boomer had made 85 consecutive PATs when a leaping Banks in the middle of the line got a hand on the kick to keep the Red Raiders in front 24-23. The Red Raiders then ran off the final 5 1/2 minutes behind Brooks, who carried eight times for 34 yards in the nine plays before Morton kneeled down twice. Morton had a first-down pass during the drive, and the clincher was a 4-yard run from Brooks on second-and-3 with 1:16 remaining. Brooks scored the go-ahead touchdown on a 13-yard run late in the third quarter.

UCF led 14-0 after the kicker Boomer ran 24 yards on a fake field goal to set up Harvey's second TD run of the first quarter, a 1-yarder. The Red Raiders, who will finish with a winning record in consecutive seasons for the first time since 2008-09 under the late Mike Leach, got even with Morton's scoring tosses of 15 yards to Drae McCray and 19 yards to Mason Tharp.

The Knights were in position to score before the end of the half. Out of timeouts with the clock running inside 15 seconds, Plumlee threw a shuffle pass to Harvey, who was stopped at the 2. UCF didn't come close to getting off a play to stop the clock.

Brooks won the battle of two of the nation's top 10 running backs by beating his previous career best of 170 against Baylor last month. Brooks has at least 100 yards in eight of the past nine games. Harvey finished with 78 yards, ending a five-game run of at least 100 yards that was the longest at UCF since 2007.

AUSTIN, Texas (AP) — Keilan Robinson returned a kickoff 95 yards for one of his two touchdowns, Bert Auburn made five field goals and No. 7 Texas overwhelmed Texas Tech 57-7 on Friday night to reach the Big 12 championship game.

Leaving with Oklahoma for the Southeastern Conference after this season, Texas (11-1, 8-1), has won six straight since a loss to Oklahoma. The Longhorns will face an opponent to be determined Saturday in the championship game Dec. 2 in Arlington.

Texas Tech (6-6, 5-4) was outgained 528 yards to 198. Quarterback Behren Morton was 5-0 in games he started and finished this season before Friday. But hounded by a fierce Texas pass rush, he completed 19 of 36 for only 88 yards with three interceptions. His Texas counterpart, Quinn Ewers, threw for 196 yards and one touchdown against one interception. Ewers was 17 of 26.

Texas Tech's Tahj Brooks, ranked third nationally in rushing yards per game with 122.5 coming in, gained 95 on 19 carries. Texas Tech briefly looked like it might be competitive. Trailing 10-0, the Red Raiders used a 55-yard kickoff return by Drae McCray, a 25-yard run by Brooks, and a pass interference penalty against Texas to set up a 2-yard touchdown run by Morton late in the first quarter.

Texas responded quickly with a 69-yard touchdown run by backup running back Jaydon Blue to start the second quarter. Blue had 121 yards on 10 carries. Later, after the teams traded interceptions, Auburn kicked his third field goal for a 23-7 lead. His second field goal, earlier in the quarter, set a school record of 16 straight without a miss.

Auburn wasn't finished. Texas Tech, which converted 6 of 8 fourth-down attempts while beating Texas last season, failed on its only attempt of the first half Friday. Texas, taking the ball at the Tech 45 with 31 seconds to produce something, finished the half with a 44-yarder by Auburn.

Robinson began the second half with his long kickoff return, Auburn added a career-best 54 yard field goal, and Jett Bush returned an interception 43 yards for a touchdown, catching the ball after it hit a Tech receiver's foot and popped up.

TEXAS TECH 34, CALIFORNIA 14

SCORE BY QUARTERS	1	2	3	4	FINAL
California	14	0	0	0	14
Texas Tech	7	17	7	3	34

SHREVEPORT, La. (AP) — Behren Morton completed 27 of 43 passes for 256 yards and three first-half touchdowns, leading Texas Tech to a 34-14 victory over California in the Independence Bowl on Saturday night.

Tahj Brooks ran for 98 yards and a score as the Red Raiders (7-6) shook off a terrible start. They shut out the Golden Bears (6-7) for the final three quarters to win the 47th edition of college football's 11th-oldest bowl game.

"The was the best, most complete game we've had all year," Texas Tech coach Joey McGuire said. "I really thought we played extremely hard, very physical." Texas Tech led 24-14 at halftime and Brooks, the nation's fourth-leading rusher, scored the only touchdown of the second half on a 7-yard run in the third quarter.

It was the third straight bowl win for the Red Raiders, who fumbled the opening kickoff. Cal freshman Fernando Mendoza then rifled a 25-yard touchdown pass to Monroe Young to give the Bears the lead 15 seconds into the game. California had a golden opportunity to extend it, but Mendoza was injured on a third-down scramble to the Texas Tech 5. Cal passed on the field goal and was stuffed after Jaydn Ott took a direct snap.

Texas Tech capped the ensuing 93-yard drive with a 27-yard touchdown pass from Morton to Coy Eakin before Mendoza returned on the next possession. "No way I can't go back into the game when we have everyone else fighting injuries," Mendoza said. He needed just 94 seconds to help the Bears regain the lead. Ott's 1-yard touchdown run was preceded by a 51-yard pass from Mendoza to Trond Grizzell.

"Everything after that didn't go very well," Cal coach Justin Wilcox said. Texas Tech had another immediate answer and tied the game at 14 with a 15-yard TD pass from Morton to Mason Tharp.

The Red Raiders' defense forced a three-and-out early in the second quarter and the offense continued to chew up yards — and points. A 14-yard strike from Morton to Loic Fouonji gave Texas Tech its first lead, 21-14. A short field goal by Gino Garcia just before halftime made it 24-14. Garcia added a 37-yarder in the fourth quarter. Ott finished with just 45 yards rushing on 16 carries.

"We were able to limit what he did, so we made them more one-dimensional," McGuire said. "Made (Mendoza) throw into coverages we wanted him to throw into." Texas Tech lost its previous two trips to the Independence Bowl, both to Ole Miss in 1986 and 1998.

RIVALRY TROPHY

BATTLE FOR THE SADDLE TROPHY - TCU

Texas Tech and TCU brought back an old tradition in 2017 with the return of the Saddle Trophy. The two schools played for the Saddle Trophy for 10 seasons from 1961-70 before the trophy suddenly disappeared. After discussions between both schools, a new saddle was created by M.L. Leddy's Boots and Saddlery in Fort Worth. It sits on a stand and includes the logos for both TCU and Texas Tech. The Red Raiders shut out a 21st-ranked TCU team in the first-ever battle for the Saddle Trophy in 1961, which at the time was dubbed the "West Texas Championship." The two schools ultimately finished 5-5 against each other during the "West Texas Championship" era and then continued to face each other annually from 1971 until the Southwest Conference's closure in 1995. The 2024 contest between Texas Tech and TCU in Lubbock will mark the 67th all-time meeting.

NATIONAL AWARDS

BILETNIKOFF AWARD

Presented annually to the nation's top receiver, regardless of position, by the Tallahassee Football Club Foundation.

Michael Crabtree • 2007, 2008

Crabtree became the first two-time winner of the Biletnikoff Award in 2008, cementing his status as one of the top wide receivers in college football history. Crabtree was the first Big 12 player to ever garner the prestigious award as well as the first player from a state of Texas school. To date, he remains one of only two players in history to be recognized with the trophy twice in a career.

Crabtree became the first freshman to win the Biletnikoff Award and the 14th overall winner when he took home the trophy for the first time in 2007. He set the Texas Tech single-season marks as well as the NCAA freshman records for receptions (134), receiving yards (1,962) and receiving touchdowns that season. His impressive debut has not been matched to this date as he still ranks third all-time in NCAA history for single-season receiving yards and first among power-five receivers. Crabtree followed with 1,165 yards and 19 touchdowns through the air as a sophomore en route to leading the Red Raiders to an appearance in the Cotton Bowl. His highlight moment came against Texas that season where he hauled in the game-winning catch from Graham Harrell, a 28-yard strike with one second remaining to top No. 1 Texas. It marked the first time in school history Texas Tech had defeated a top-ranked opponent.

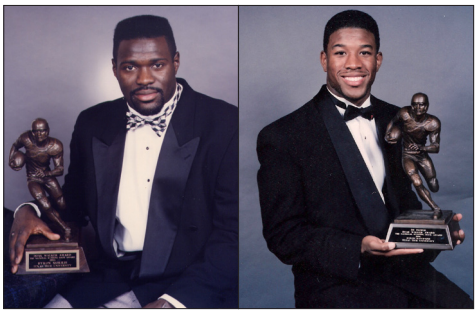
PAUL WARFIELD TROPHY

Presented annually to the nation's top wide receiver by the Touchdown Club of Columbus. The trophy ceased to exist after the 2018 season.

Michael Crabtree • 2007, 2008

Like the Biletnikoff Award, Crabtree became the first two-time winner of the Paul Warfield Trophy as he earned the accolade following each of his two seasons as a Red Raider.



DOAK WALKER AWARD

Presented annually to the nation's top running back by the PwC SMU Athletic Forum based in Dallas.

Byron "Bam" Morris • 1993

Morris was only the fourth all-time winner of the Doak Walker Award in 1993 as he rushed for 1,752 yards to break Earl Campbell's single-season Southwest Conference rushing record. Morris snapped the Texas Tech single-season marks for rushing yards and rushing touchdowns after finding the end zone 22 times via the ground, a record that still stands to this day. He led the FBS that season for points per game and ranked second in total points and rushing yards.

Byron Hanspard • 1996

Hanspard became only the sixth player in FBS history to rush for 2,000 yards in a season en route to winning the Doak Walker Award in 1996. Hanspard snapped Morris' previous single-season rushing record with 2,084 yards, needing only five games to reach the 1,000 yard mark alone, the fastest any player had done so in NCAA history. He remains the Texas Tech single-season record holder for rushing yards and attempts to this day as well as the all-time leader for career rushing yards (4,219). Hanspard was tabbed a unanimous All-American selection en route to leading the Red Raiders to an appearance in the Alamo Bowl. Hanspard, a second round selection in the 1997 NFL Draft, became only the third unanimous All-America honoree in program history.

THE HEISMAN TROPHY

Presented annually to the nation's top player by the Heisman Trophy Trust, Texas Tech has had seven Red Raiders finish in the top 10 of the voting since the award's inception in 1935. Donny Anderson and Graham Harrell are Texas Tech's highest finishers all-time in the voting, finishing fourth overall in 1965 and then 2008.

NATIONAL AWARDS

SAMMY BAUGH TROPHY

Presented to the nation's top quarterback by the Touchdown Club of Columbus. The award ceased to exist after the 2018 season. Texas Tech is one of only three FBS schools in the nearly 60-year existence of the award to have four different winners.

Kliff Kingsbury • 2002

Kingsbury became Texas Tech's first-ever recipient of the Sammy Baugh Trophy in 2002 after he threw for a then-school record 5,017 yards and 45 touchdowns en route to leading the Red Raiders to a 9-5 record and a victory over Clemson in the Tangerine Bowl. At the time, Kingsbury was only the third quarterback in FBS history to record 5,000 passing yards in a season as he closed his collegiate career as the NCAA record holder for completions, passing attempts and total offensive plays.

B.J. Symons • 2003

Symons replaced Kingsbury a year later and kept the Red Raider offense rolling to the tune of an NCAA-record 5,833 passing yards. In the history of the award, it marked only the third time where two different quarterbacks had claimed the Sammy Baugh Trophy in consecutive seasons. Symons ran away with the award as he led the nation in nearly every passing category, setting FBS records for passing yards and passing touchdowns (52).

Graham Harrell • 2007

Texas Tech had to wait until the 2007 season for its third all-time winner of the Sammy Baugh Trophy as Harrell claimed the award following a strong junior campaign. Harrell was only the sixth quarterback in FBS history to throw for 5,000 yards in a season at the time as he blistered opposing defenses to the tune of 5,705 passing yards and 48 touchdowns. Texas Tech boasted the nation's top passing offense again that season as the Red Raiders ultimately finished 9-4 overall with a win over No. 20 Virginia in the Gator Bowl.

Patrick Mahomes II • 2016

Mahomes was named Texas Tech's fourth winner of the Sammy Baugh Trophy in 2016 as he became the fifth Red Raider all-time to lead the country in passing yards. Mahomes did it in only 12 games, becoming only the third quarterback in FBS history to record at least 5,000 passing yards in 12 games or less. Mahomes was also a threat with his legs, rushing for 285 yards and 12 touchdowns to become only the third FBS quarterback in history to record 5,000 yards of total offense twice in a career. Mahomes, in his final season as a Red Raider, ranked sixth all-time in FBS history for total offense and 12th for passing yards.

JOHNNY UNITAS GOLDEN ARM AWARD

Presented to the nation's top quarterback by the Johnny Unitas Foundation.

Graham Harrell • 2008

Harrell capped his legendary Red Raider career by being named the winner of the Johnny Unitas Golden Arm Award following a memorable senior season. Harrell threw for 5,111 passing yards and 45 touchdowns as a senior en route to becoming the first Texas Tech quarterback to earn first team All-America honors. Behind Harrell's arm, Texas Tech won its first 10 games that season, rising to as high as No. 2 in the polls after downing top-ranked Texas with his memorable touchdown pass to Michael Crabtree in the final seconds. Texas Tech matched its school record with 11 wins on its way to the fourth Cotton Bowl appearance in program history.

Since 2009, the NCAA recognizes All-Americans selected by the Associated Press (AP), Football Writers Association of America (FWAA), American Football Coaches Association (AFCA), Walter Camp Foundation (WCFF) and Sporting News (TSN, from its historic name of The Sporting News) to determine consensus and unanimous All-Americans.

To be selected a consensus All-American, players must be chosen to the first team on at least half of the five official selectors as recognized by the NCAA. Second- and third-team honors are used to break ties. Players named first-team by all five selectors are deemed unanimous All-Americans.

▲ **MICHAEL CRABTREE** had one of the most dominant two-year stretches in college football history being a back-to-back unanimous All-American and back-to-back winner of the Biletnikoff Award over the 2007-08 seasons.

1961	E.J. Holub, C	1st	Dallas Texans (AFL)
1960	Ken Talkington, QB	2nd	Los Angeles Chargers (AFL)

The AFL held drafts from 1960-66, starting in 1967, after the NFL agreed to merge with the AFL, the two leagues conducted a "common draft" for three seasons, which was in turn replaced with the modern NFL Draft in 1970, upon the completion of the AFL/NFL merger.

1947	Ed Robnett	12th	San Francisco 49ers (AAFC)
1947	Roland Nabors, C	18th	New York Yankees (AAFC)

The All-America Football Conference (AAFC) was a major professional American football league that challenged the established National Football League (NFL) from 1946 to 1949. One of the NFL's most formidable challengers, the AAFC attracted many of the nation's best players. However, the AAFC was ultimately unable to sustain itself in competition with the NFL. After it folded, three of its teams were admitted to the NFL: the San Francisco 49ers, the Cleveland Browns and the original Baltimore Colts (not to be confused with the second Baltimore Colts franchise that revived the name in 1953 and later moved to Indianapolis).

SUPER BOWL ACCOLADES

SUPER BOWL MVP

Patrick Mahomes II (2020, 2023, 2024)

Mahomes earned Super Bowl MVP honors following each of Kansas City's now three world titles during his reign as quarterback as he received the Pete Rozelle Trophy after Super Bowl LIV (2020), LVII (2023) and LVIII (2024). Mahomes, at only 24 years of age, became the youngest player in NFL history to collect Super Bowl MVP honors after Super Bowl LIV. After he was named Super Bowl MVP for the third time, he established a list of three alongside Tom Brady (five times) and Joe Montana (three times) who have earned Super Bowl MVP honors three or more times. Mahomes, Brady and Montana are also in rarefied air among the game's greatest quarterbacks as the only trio to have also won two MVPs and three Super Bowl MVPs.

NFL HONORS

▲ **ZACH THOMAS** became the first Red Raider to be inducted into the Pro Football Hall of Fame in Canton, Ohio, as a member of the 2023 class. Thomas was a five-time All-Pro selection and one of the top tacklers in NFL history over his 13 professional seasons with the Miami Dolphins and Dallas Cowboys.

PRO FOOTBALL HALL OF FAME

ZACH THOMAS, LINEBACKER **CLASS OF 2023**

Miami Dolphins (1996-2007); Dallas Cowboys (2008)

Long regarded as one of the top linebackers in NFL history, Zach Thomas will now officially have his place in Canton to prove it as the Texas Tech and Miami Dolphins great has been announced as a member of the 2023 class for the Pro Football Hall of Fame. Thomas becomes the first Red Raider in program history to be named an inductee into the Pro Football Hall of Fame. Thomas is already a member of the College Football Hall of Fame as a 2015 inductee as well as the Texas Tech Ring of Honor and Hall of Fame.

Thomas, a five-time first team All-Pro selection, was one of nine NFL greats selected for enshrinement as part of the 2023 class, joining the likes of cornerback Ronde Barber, linebacker Chuck Howley, defensive tackle Joe Klecko, cornerback Darrelle Revis, cornerback Ken Riley, left tackle Joe Thompson, fellow linebacker DeMarcus Ware and head coach Don Coryell.

Over his 13 NFL seasons, including 12 in Miami, Thomas quickly established himself as one of the league's most-consistent players not long after being selected in the fifth round of the 1996 NFL Draft. There were 153 players picked in that draft class prior to Thomas, but few, if any, possessed the same drive that defined his career. Once considered too small for the position, Thomas silenced his doubters with 10 seasons of at least 100 tackles, eventually finishing his career with 1,734 stops, the fifth-highest total in league history (since records began in 1987). He was a seven-time selection to the Pro Bowl, the most all-time for a Dolphins defender, and a two-time NFL Linebacker of the Year honoree.

Behind Thomas, the Dolphins developed into one of the NFL's top defensive units. Thomas was named the 1996 AFC Defensive Rookie of the Year and soon after, helped push Miami to a run of seven-consecutive seasons in the league's top 10 for total defense. His prowess for reading opposing offenses earned Thomas the reputation from opposing quarterbacks, including Peyton Manning, as one of the most difficult players to either get out of position.

Thomas becomes the third Dolphins defensive player in team history to be named to the Pro Football Hall of Fame, joining linebacker Nick Buoniconti and defensive end Jason Taylor. He is the 11th player or coach from the Miami Dolphins to earn the NFL's greatest honor.

The 2023 class for the Pro Football Hall of Fame will be formally inducted Aug. 5 at Tom Benson Hall of Fame Stadium in Canton, Ohio.

NFL MVP HONORS

Patrick Mahomes II (2018, 2022)

Mahomes was named the NFL MVP for both the 2018 and 2022 seasons, becoming the first Red Raider in program history to earn the league's highest athletic honor. Mahomes is only the ninth quarterback to earn MVP honors twice and the 10th player all-time to do so. He was also recognized as the NFL Offensive Player of the Year in 2018, his first season as the Kansas City Chiefs' starter.

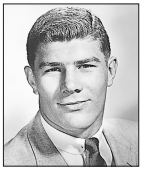
COLLEGE FOOTBALL HALL OF FAME

NATIONAL FOOTBALL FOUNDATION
COLLEGE FOOTBALL HALL OF FAME

The National Football Foundation and College Hall of Fame recognizes those who made an impact on college football during their careers. There are more than 900 members currently in the Hall of Fame, selected from a pool of more than four million players throughout collegiate football history. Six are from Texas Tech – E.J. Holub, Donny Anderson, Dave Parks, Gabe Rivera, Zach Thomas and Michael Crabtree.

Holub became Texas Tech's first-ever inductee into the NFF College Hall of Fame in 1986 and was later joined by Anderson in 1989. Texas Tech has added four more former players as inductees in recent years as Parks was enshrined in 2008 while Rivera earned the call in 2012 with Thomas following in 2015. Crabtree was Texas Tech's most-recent inductee as he joined the prestigious club in 2022 as the first player from the Big 12 era to be inducted. Former head coach Jerry Moore (1981-85) was also inducted into the NFF College Hall of Fame in 2014.

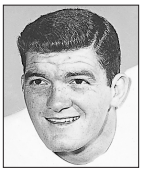


E.J. HOLUB, CENTER/LINEBACKER, 1958-60 — **INDUCTED IN 1986**

The great E.J. Holub became the first Red Raider to be enshrined in the College Football Hall of Fame when he was inducted as part of the 1986 class. Holub twice was named first-team All-America at center at Texas Tech (1959 and 1960) and was inducted into the University's Athletic Hall of Honor in 1978. Among other individual honors he has received, Holub was named by Sports Illustrated as Lineman of the Week following a 1960 performance against Baylor that saw him make 15 unassisted tackles and assist on eight others. . He was third in the voting for top lineman of the year. He played in the pros with the Kansas City Chiefs 11 years. In his first seven years with the Chiefs he was a linebacker. Problems with his knees caused him to switch to center, and he played four more years. He retired from pro football after his 12th knee operation.

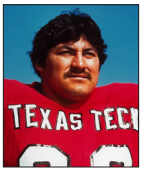
DONNY ANDERSON, RUNNING BACK, 1963-65 — **INDUCTED IN 1989**

Donny Anderson joined Holub in the College Football Hall of Fame as part of the 1989 class. Anderson was a three-time all-Southwest Conference halfback 1963-65 and two-time All-America halfback 1964-65. His credits for his senior year of 1965 were astonishing. He ran a kickoff back 100 yards against Oklahoma State, caught 10 passes against Arkansas, and scored 17 touchdowns on the season. The Sporting News named him co-winner (with Jim Grabowski of Illinois) of its Player of the Year Award. His 5,111 yards on all-purpose running was a Texas Tech record. This includes his career yardage by rushing, receiving, kick returns, and interception returns. He led the nation in this category in 1965. He was a two-time SWC MVP and placed fourth in the Heisman vote. Anderson played nine years of pro football after Texas Tech.



DAVE PARKS, SPLIT END, 1961-63 — **INDUCTED IN 2008**

Dave Parks became the third Red Raider to be enshrined in the College Football Hall of Fame as part of the 2008 class. A pioneer of Texas Tech football, Parks brought acclaim to the university as the first Red Raider ever to make the Associated Press' All-America first-team and to receive All-Southwest Conference honors twice. Parks established nearly every Texas Tech receiving record, including receiving yards in a game (132), season reception yardage (499), career receptions (80) and career receiving yardage (1,090). Parks was also a standout on defense and special teams. In 1962, he recorded the longest pass interception in school history (98 yards). The native Texan also punted and was honored as one of the nation's best blockers. In 1964, Parks became the first Texas Tech player selected as the first overall pick in the NFL Draft.



GABE RIVERA, DEFENSIVE LINE, 1979-82 — **INDUCTED IN 2012**

Gabe Rivera earned his rightful place in the College Hall of Fame in 2012, exactly 30 years after he ended his Red Raider career as one of the most dominant defensive linemen in Southwest Conference history. Rivera dominated the SWC during his four-year career that spanned from 1979-1982. One of the most feared defensive linemen in college football, Rivera compiled 321 career tackles, 34 tackles for loss, 14 sacks, 11 pass deflections and six fumble recoveries. He garnered consensus First-Team All-America honors his senior season in 1982 while also being named an Honorable-Mention All-American as a sophomore in 1980. Following an appearance in the Blue-Gray All-Star game at the end of his senior season, he was selected in the first round of the 1983 NFL Draft by the Pittsburgh Steelers.

JERRY MOORE, HEAD COACH (1981-85) — **INDUCTED IN 2014**

Jerry Moore remains the only Texas Tech head coach in program history to be enshrined in the College Football Hall of Fame as he was inducted as part of the 2014 class. Between his time at Texas Tech (1981-85) as well as North Texas and Appalachian State, Moore recorded 242 victories over his career before finishing his career in 2012 as the 16th-winningest coach in Division I (FBS and FCS) history. Moore totaled the bulk of those wins at Appalachian State after guiding the Mountaineers to three-consecutive FCS national titles from 2005-07. Moore was the only coach to win AFCA National Coach of the Year honors in three-consecutive seasons, he led his teams to 18 FCS postseason appearances, and he won a record 13-straight postseason games in contiguous years (2005-08).

ZACH THOMAS, LINEBACKER, 1992-95 — **INDUCTED IN 2015**

One of the most acclaimed players in Southwest Conference history, Zach Thomas got the call for the College Football Hall of Fame as part of the 2015 class. Thomas remains one of the most memorable Red Raiders in school history as he claimed unanimous first team All-America honors in 1995 following his stellar career at Texas Tech. A two-time first team All-American, Thomas was named the consensus SWC Defensive Player of the Year in 1994 and 1995. A finalist for the 1995 Butkus Award, he led coach Spike Dykes' Red Raiders to a share of the 1994 Southwest Conference title and three-consecutive bowl games, including the 1995 Cotton Bowl and a win in the 1995 Copper Bowl. He became a household name his senior year after his game-winning interception against Texas A&M, which he returned 23 yards for a touchdown with 30 seconds remaining in one of the most memorable plays in Texas Tech history.

MICHAEL CRABTREE, WIDE RECEIVER, 2007-08 — **INDUCTED IN 2022**

Crabtree became the sixth Red Raider to be enshrined into the College Football Hall of Fame in December 2022. It was fitting reward for Crabtree, one of the top wide receivers in college football history who was selected in his first year of eligibility. The first two-time Biletnikoff Award winner in history, Crabtree closed his career as the Texas Tech all-time leader with 3,127 receiving yards and 41 touchdown catches over only two seasons. He set the Texas Tech single-season marks and NCAA records for freshmen with 134 receptions, 1,962 receiving yards and 22 receiving touchdowns in 2007. Behind Crabtree, the Red Raiders finished 11-2 overall in a memorable 2008 season that saw Texas Tech rise to No. 2 in the national polls following a memorable win over top-ranked Texas. He had the game-winning catch against the Longhorns, capping a storied career where he was a two-time consensus All-American and first team All-Big 12 selection.

TEXAS TECH ATHLETICS ADMINISTRATION

▲ **KIRBY HOCUTT**, the second-longest tenured athletics director in school history, has led Texas Tech to unprecidented growth and success over the past decade.

KIRBY HOCUTT
Director of Athletics

Kirby Hocutt, a NACDA 2018 Under Armour Athletics Director of the Year, has guided the Texas Tech athletics department to unprecedented success since being named the 13th Director of Athletics in school history on March 2, 2011.

Under his leadership the past decade, Texas Tech has developed into one of the nation's elite athletics programs, a tenure highlighted by unprecedented revenue growth, significant investments into the student-athlete experience and a transformation of athletic facilities. Hocutt, the second-longest tenured athletics director in school history, has been at the helm during Texas Tech's most-successful period in school history, a tenure highlighted by all 17 athletic programs competing in the NCAA postseason or a bowl game.

Texas Tech's success in competition under Hocutt has only been complimented by an athletic profile with a list of achievements such as:

SUCCESS IN COMPETITION

Texas Tech's programs have not only competed but advanced deep in the postseason throughout Hocutt's tenure as seven teams - men's track and field (indoor and outdoor), women's tennis, men's basketball, women's golf, men's golf and baseball - have all finished among the top-eight teams in the country for their respective sports over his tenure. Texas Tech has claimed 18 Big 12 Conference titles during Hocutt's tenure, including eight from men's track and field, four in women's tennis, three in baseball, two in soccer and one in both men's basketball and men's tennis.

The 2018-19 academic year ranked as arguably the best in school history as the men's track and field team claimed the NCAA Outdoor title, the first national championship for a men's athletic program in school history. The Red Raiders added their second national title at the 2024 NCAA Indoor Championships, cementing their status as one of the premier track and field programs in the country under Hall of Fame head coach Wes Kittley.

Texas Tech also made its fourth appearance at the College World Series in a six-year span to close the 2018-19 academic year, concluding its trip to Omaha by finishing among the final four teams for the first time in program history. Texas Tech came close to another national title earlier that year as the Red Raider men's basketball program navigated its way to the Final Four for the first time before falling to Virginia in the National Final. The Red Raiders, who advanced to the Elite Eight round just a year before, also claimed the program's first-ever Big 12 regular-season crown.

Texas Tech's success athletically was highlighted by a top-15 showing in the 2017-18 Capital One Cup men's standings and a top-five finish for the 2018-19 year. Texas Tech ranked as the top men's program in the state of Texas following both years and posted its highest two finishes all-time in the Capital One Cup.

Hocutt has made several notable coaching hires over his Texas Tech career, none possibly more impressive, though, than baseball coach Tim Tadlock. Under Tadlock, the Texas Tech baseball program advanced to the College World Series for the first time in school history in 2014 and has since made three return trips to Omaha in 2016, 2018 and 2019. The Red Raiders are a mainstay atop the college baseball world, staying near the top of the national rankings with eight total NCAA Regional appearances.

In addition to Tadlock, Hocutt is also responsible for the hiring of Joey McGuire as head football coach. In only two seasons, McGuire has captivated the Red Raider fan base with an enthusiastic energy that has been matched by Texas Tech's performance on the field. The Red Raiders finished 8-5 in McGuire's debut season after defeating both Texas and Oklahoma in the same season for the first time in history and recording their most Big 12 victories in more than a decade. Texas Tech capped the season with a dominating victory over Ole Miss in the TaxAct Texas Bowl. The Red Raiders matched their Big 12 win total a year later en route to eventually defeating Cal in the Radiance Technologies Independence Bowl.

RESPECT THE PAST, INVENT THE FUTURE

Not long into Hocutt's tenure, Texas Tech unveiled the first athletics-specific fundraising campaign in university history in August 2014: The Campaign for Fearless Champions. The campaign includes four components: enhance athletic facilities, invest in the athletics scholarship endowment, grow the J.T. and Margaret Talkington Department of Student-Athlete Development and provide for the future of Texas Tech Athletics. The more than $300 million initiative has focused on benefiting all 17 Texas Tech athletic teams.

It's part of a key component of the Texas Tech athletics department under Hocutt: respecting the past, all while inventing the future.

Soon after the campaign's launch, Hocutt and Hall of Fame Coach Marsha Sharp created the Talkington Department of Student-Athlete Development to help prepare student-athletes for success after graduation. The department focuses on many life skills for student-athletes such as resume building, etiquette training, interview skills and leadership development. Since its inception in 2014, Texas Tech has mentored thousands of student-athletes through programming like the Suited for Success series and various internship opportunities across the country.

The student-athlete experience has been a key priority under Hocutt's leadership as Texas Tech opened the Cash Family Sports Nutrition Center in February 2020. The state-of-the-art facility is the day-to-day dining location for the university's more than 400 student-athletes, offering on-site meal preparations, a 220-person seating capacity as well as the Dean and Christi Quinn Education Kitchen for Texas Tech's nutritional staff to educate student-athletes on proper cooking prep and storage.

As part of The Campaign for Fearless Champions, Hocutt provided the vision and the plans to build the $48 million Sports Performance Center, which opened in the fall of 2017. The world-class facility houses an indoor track and field competition venue and the Petersen Family Indoor Practice Facility along with sports medicine, nutrition and strength and conditioning areas.

TEXAS TECH ATHLETICS ADMINISTRATION

Texas Tech officially opened the Dustin R. Womble Basketball Center in May 2021, a $32.2 million, nearly 59,000-square-foot training facility for the Red Raider and Lady Raider basketball programs. The facility is easily among the finest in college athletics, providing both programs with their own practice courts as well as a 6,500-square-foot strength and conditioning area, one of the largest of its kind in the NCAA that is on-par with similar team headquarters in the NBA. Texas Tech's final investment in the facility was the mounting of video boards in both gyms, making the Womble Center the only practice facility in the country at the time with interactive video boards.

Texas Tech has made several upgrades to Jones AT&T Stadium through The Campaign for Fearless Champions, including upgraded premium seating in the north end of the stadium as well as the north end zone colonnade. Texas Tech launched its most-significant investment into football to date in December 2022 as construction began on the $240 million south end zone and Dustin R. Womble Football Center project that opened prior to the 2024 season. The facility – boasting the iconic Double T scoreboard atop four levels – is the largest contiguous football complex in the country, providing McGuire and his staff ample space throughout the new south end zone building as well as the two-story Womble Football Center that is connected via a skybridge.

WELCOME TO THE THREE STRIPE LIFE

Texas Tech launched a historic 10-year partnership with adidas in July 2024 to align the Double T with not only the global apparel and footwear provider but also Texas Tech alum Patrick Mahomes II. Under this partnership, Texas Tech will utilize not only the adidas logo but also Mahomes' signature Gladiator logo, making the first time an adidas athlete partner's logo has been featured on official collegiate apparel.

SUCCESS IN THE CLASSROOM

Texas Tech student-athletes have excelled in the classroom under Hocutt's watch, raising the bar multiple times in terms of the highest term and cumulative grade-point averages in school history. Texas Tech student-athletes have combined for at least a 3.0 GPA over 19-consecutive semesters through the 2024 spring term. During this span, student-athletes have set new school records for the highest semester and cumulative GPAs in history.

ON THE NATIONAL LEVEL

Throughout his tenure at Texas Tech, Hocutt has been prominent on several national committees, possibly none more recognizable than his role on the College Football Playoff Selection Committee. Hocutt was named to the CFP Selection Committee in 2015 and served his second year as the committee chairman during the 2017 season. The CFP Selection Committee was responsible for selecting the top four teams in the playoff while also placing the next group of teams in the remaining New Year's bowls. Hocutt wrapped a five-year stint as a member of the NCAA Baseball Committee following the 2023 season.

Hocutt's success at Texas Tech was recognized in March 2018 as he was named an Under Armour Athletics Director of the Year by the National Association of Collegiate Directors of Athletics (NACDA). Hocutt was one of four sitting athletics directors at the NCAA FBS level to win the prestigious award.

PERSONAL

Hocutt arrived at Texas Tech following three years at the University of Miami (Fla.) where he was named Athletics Director on Feb. 8, 2008. He previously earned his first opportunity as an NCAA Division I athletics director at Ohio University in 2005 at only the age of 33.

A native of Sherman, Texas, Hocutt also served stints in the athletics departments at Kansas State (1996-97) and the University of Oklahoma (1998-2005). Prior to his time at Oklahoma, Hocutt served as the coordinator of licensing at the National Collegiate Athletic Association. He began his sports administration career as the assistant director of marketing and promotions at his alma mater, Kansas State University.

A former football student-athlete at Kansas State, Hocutt was a four-year letterman at linebacker while leading the Big 8 Conference in tackles as a junior in 1993. Hocutt, who was elected captain his senior year, was named to the All-Big 8 Conference team following his junior season. The Sporting News selected him in 1993 as one of the nation's top-20 "most underrated" players.

Hocutt earned his bachelor's degree from Kansas State in 1995 and his master's of education degree from the University of Oklahoma in 2001. He and his wife, Diane, have two sons – Drew Phillips and Brooks Ryan. Drew is currently a football student-athlete for the Red Raiders, while Brooks also attends Texas Tech.

TEXAS TECH ATHLETICS ADMINISTRATION

JONATHAN BOTROS
Deputy Athletics Director

Jonathan Botros, a native Lubbockite and two-time graduate of Texas Tech University, was named Deputy Athletics Director in June 2023 where he oversees the day-to-day operations of the athletics department as the second in command to Director of Athletics Kirby Hocutt.

In his role, Botros is the department's Chief Operating Officer (COO) and has helped oversee the development of Texas Tech's facility projects, namely the $240 million south end zone and Dustin R. Womble Football Center addition to Jones AT&T Stadium. He also serves as the sport supervisor for both the Red Raider football and men's basketball programs.

Botros was elevated to his new role after joining the athletics department in May 2016 as Senior Associate Athletics Director and chief financial officer. During that time, Botros helped Texas Tech navigate one of the largest periods of budgetary growth in its history with its budget rising to more than $128 million for the 2024-25 academic year, the highest in school history.

A major point of emphasis for Botros has been the strategic management of Texas Tech's facilities debt as he helped decrease $115 million in debt upon his arrival in 2016 down to $50 million in only five years. That plan has been carried out simultaneously with the development of capital projects to construct more than $300 million dollars in new athletics facilities, namely the Sports Performance Center, the Dustin R. Womble Basketball Center, the Cash Family Sports Nutrition Center, a new baseball team clubhouse at Rip Griffin Park and now the south end zone and Dustin R. Womble Football Center.

As part of his CFO duties, Botros had oversight over the department's accounts receivable, purchasing and procurement, contracting, human resources, financial reporting and travel. He was also responsible for the development and monitoring of all capital project funding plans and served as the liaison to Texas Tech's Office of General Counsel, Office of Audit Services and the University's Senior Vice President for Administration and Finance.

In addition to his role as CFO, Botros oversaw the departments of information technology, facilities and game operations as well as equipment operations and the athletics department's relationship with The Rawls Course. He also served a lengthy tenure as the sport administrator for a Texas Tech track and field program that captured multiple Big 12 titles and won the 2019 NCAA Men's Outdoor National Championship.

Botros moved to the athletics department after previously serving as the managing director for administration and finance information systems management for Texas Tech University. In this role, Botros also served as a business management analyst for Texas Tech University's Chief Financial Officer, Noel Sloan.

Botros earned a bachelor's of business administration in marketing from Texas Tech University in 2004. He added a master's of business administration in finance in 2010.

Botros, a lifelong supporter of Texas Tech Athletics, resides in Lubbock with his wife, Danna, and their two sons, Kannan and Lincoln.

TEXAS TECH ADMINISTRATION

TEDD L. MITCHELL, M.D.
Chancellor, TTU System

Tedd L. Mitchell, M.D., was named the fifth chancellor of the Texas Tech University System (TTU System) on Oct. 25, 2018.

As chancellor, Mitchell is the CEO of a five-university higher education enterprise with an operating budget of more than $3 billion. The TTU System consists of Texas Tech University (TTU), Texas Tech University Health Sciences Center (TTUHSC), Angelo State University (ASU), Texas Tech University Health Sciences Center El Paso (TTUHSC El Paso) and Midwestern State University (MSU Texas).

Collectively, the System enrolls approximately 63,000 students, has an endowment valued at more than $1.7 billion and operates at 24 academic locations in 20 cities (18 in Texas, two internationally).

Mitchell works collaboratively with the TTU System Board of Regents, the TTU System Administration and university presidents to enhance the System's profile and support shared missions of advancing higher education, health care, research and community outreach. Additionally, Mitchell guides the TTU System's engagement with elected officials in Austin and federal leaders in Washington, D.C., to further increase funding and support.

During the 88th Texas Legislature in 2023, Mitchell led the System to monumental success as the System's five component universities received significant funding to support strategic institutional initiatives. This investment from the state incorporated nearly $130 million dedicated to exceptional items across the System, including the establishment of the Texas University Fund (TUF). With an initial investment of more than $3 billion, the TUF supports research institutions, including TTU, the University of Houston, the University of North Texas and Texas State University. The initial distribution for TTU was $44 million.

Mitchell was named a finalist for The Dallas Morning News (DMN) 2022 Texan of the Year. Among the 12 finalists selected, Mitchell was recognized for leading the TTU System's efforts to establish the state's first dental school in over half a century and the state's first veterinary school in more than 100 years. Both programs finished their first academic year in the spring of 2022, a feat the DMN touted as getting rural Texans on the radar of the state legislators in Austin and a mission to boost health care and agriculture across small towns across Texas.

Mitchell was instrumental in securing the System's partnership with MSU Texas, which officially joined as the fifth member institution of the TTU System on Sept. 1, 2021, following the 87th Texas legislative session when Gov. Greg Abbott authorized House Bill 1522.

Historic milestones were achieved under Mitchell's leadership in 2019 during the 86th Texas Legislature when legislative support and approval were provided to establish the TTU School of Veterinary Medicine in Amarillo and the Hunt School of Dental Medicine at TTUHSC El Paso. The addition of these two schools made the TTU System one of only nine in the nation to offer programs for undergraduate, medical, law, nursing, pharmacy, dental and veterinary education, among other academic areas.

Mitchell also implemented a values-based culture at the TTU System Administration, where all employees embarked on a journey together to identify and establish a set of commonly shared values. Nearly 200 team members determined People First, Integrity, Community, Respect and Exemplary Service to be the five shared values of the TTU System Administration.

Mitchell first joined the TTU System when he was named the eighth president of TTUHSC on May 17, 2010. He held a dual appointment as chancellor and president for approximately one year until deciding to close his presidential tenure in 2019, after nearly a decade at the helm of TTUHSC. He is the longest-tenured president in the 52-year history of the university and led the institution to monumental milestones, record growth in enrollment, academic excellence and physical campus expansion.

During Mitchell's tenure as president, TTUHSC and its leadership spearheaded the university's first fundraising campaign, a $100-million initiative. They also successfully implemented a values-based culture at the university and its six academic locations across the state. In 2013, Mitchell helped transform TTUHSC's regional site in El Paso into a standalone university and the System's fourth institution, TTUHSC El Paso.

Before arriving at TTUHSC, Mitchell served as president and CEO of the Cooper Clinic in Dallas, an internationally recognized center of excellence in preventive and sports medicine. Mitchell earned a Bachelor of Science at Stephen F. Austin State University in 1983. He is an Ashbel Smith Distinguished Alumnus of the University of Texas Medical Branch, where he received his Doctor of Medicine in 1987. In 2012, he was honored as a distinguished alumnus of the Department of Internal Medicine. He is a Fellow of the American College of Physicians and the American College of Sports Medicine. From 1988 to 1996, he served as a captain in the U.S. Army Reserves (Medical Corps).

His research interest is focused on the effects of activity and lifestyle on health. Mitchell has authored or co-authored dozens of scientific papers, abstracts and book chapters. He is also a frequent lecturer, nationally and internationally, on the physiology of exercise and the effects of exercise on aging, fitness and overall quality of life. In 2002, Mitchell was appointed by President George W. Bush to the President's Council for Physical Fitness and Sports and served until 2009.

As health editor and a weekly columnist for USA Weekend from 1998 to 2010, Mitchell published more than 600 articles. He received the 2006 Clarion Award and the 2008 Walter C. Alvarez Award for Excellence in Medical Communication from the American Medical Writers Association. His writing led to collaborative efforts with other health experts, culminating in the publication of the books Fit to Lead, Move Yourself and Fit to Lead II.

Mitchell is married to Janet Tornelli-Mitchell, M.D. They met while in medical school and practiced together for nearly two decades. As the TTU System's first lady, Tornelli-Mitchell has led a health and wellness initiative offered to TTU System employees through the Employees Retirement System of Texas benefits program.

The Mitchells have three children: Katherine Schwartz, an assistant district attorney in Dallas; Charlie, a petroleum engineer and TTU alumnus, who is pursuing a master's degree at Harvard University; and Chris, a TTU and Villanova alumnus, who is pursuing a career in the military. They have three grandchildren, Isabelle Grace, Cooper Benjamin and Luisa Blake.

DR. LAWRENCE SCHOVANEC
President

Under Lawrence Schovanec's leadership, Texas Tech University has reached new heights, exceeding benchmarks in student enrollment, research awards and expenditures, and fundraising.

After receiving his doctorate in mathematics from Indiana University, Schovanec joined Texas Tech's faculty as an assistant mathematics professor. Today, as the university's 17th president, his tenure at Texas Tech has spanned more than four decades. He's served as a department chair, dean, provost, and, since 2016, university president.

Since Schovanec's appointment, Texas Tech has received more than $1 billion in philanthropic gifts, and the university's infrastructure has seen considerable improvements through the investment of more than $900 million in campus facilities.

Enrollment at Texas Tech has increased by nearly 5,000 students under Schovanec's leadership, and in 2020, the university exceeded 40,000 students for the first time. One year earlier, Texas Tech reached two milestones: The U.S. Department of Education designated Texas Tech a Hispanic-Serving Institution, and the Texas Legislature approved the establishment of the Texas Tech University School of Veterinary Medicine, the state's first in over a century.

While the increase in enrollment is notable, Schovanec is particularly proud of the significant progress made in student success, highlighted by a more than 40% improvement in Texas Tech's four-year graduation rate.

Reaffirmed a "Very High Research Activity" institution by the Carnegie Classification of Institutions of Higher Education, the university's research expenditures have grown by more than 40% since Schovanec became President, now exceeding $230 million in total research expenditures.

Continued support from the State of Texas has positively changed the university. As an advocate for Texas Tech and higher education more broadly, Schovanec has prioritized demonstrating the value and return on such investments that benefit not only Red Raiders but the state and the nation.

Published primarily in the areas of biomechanical and physiological control systems and solid mechanics, Schovanec has spoken extensively at international conferences and other professional venues. He's a strong sponsor for educational and outreach activities in science, technology, engineering, and mathematics and has received more than $3.2 million in external funding, primarily from the National Science Foundation.

In addition to his role as president, Schovanec serves on the executive board for the Inter-American Organization for Higher Education, representing the United States. He is also a member of the NAFSA Board of Directors.

Previously, he was chair of both the Texas Council of Public University Presidents and Chancellors and the Texas International Education Consortium board. From 2021-2023, he chaired the Big 12 Board of Directors.

Schovanec and his wife Patty, a member of the mathematics faculty, are inspired every day by the students, each of whom brings unique experiences and perspectives that add to the fabric of the Texas Tech experience. Together, they share the values of grit, determination, and hard work – traits displayed daily by Red Raiders across the globe.

TEXAS TECH UNIVERSITY

▲ **TEXAS TECH UNIVERSITY** was founded in 1923 as Texas Technological College before eventually being renamed Texas Tech University on Sept. 1, 1969.

HISTORY OF TEXAS TECH UNIVERSITY

Texas Tech University was created by legislative action in 1923 and has the distinction of being the largest comprehensive higher education institution in the western two-thirds of the state of Texas. The university is the major institution of higher education in a region larger than 46 of the nation's 50 states and is the only campus in Texas that is home to a major university, law school and medical school.

Originally named Texas Technological College, the college opened in 1925 with six buildings and an enrollment of 914. Graduate instruction did not begin until 1927 within the school of Liberal Arts. A "Division of Graduate Studies" was established in 1935 and eventually became known as the Graduate School in 1954.

By action of the Texas State Legislature, Texas Technological College formally became Texas Tech University on September 1, 1969. At that time the schools of Agricultural Sciences, Arts and Sciences, Business Administration, Education, Engineering and Home Economics also became known as "colleges." Architecture became a college in 1986. Two colleges changed their names in 1993 to reflect the broadening fields each serves: the College of Agricultural Sciences became the College of Agricultural Sciences and Natural Resources and the College of Home Economics became the College of Human Sciences. The Honors College was established in 1998, and the College of Visual and Performing Arts opened in 2002. Mass Communications became a college in 2004 and became the College of Media & Communication in 2013.

The Texas State Legislature authorized funds in 1965 for establishing the Texas Tech University School of Law, and the Law School's first dean was appointed in 1966. The first class of 72 students enrolled in 1967. The Law School was approved by the American Bar Association in 1970 and is fully accredited by the Supreme Court of Texas (1968) and the Association of American Law Schools (1969).

As a member of the National Collegiate Athletic Association, Texas Tech began competing in the Big 12 Conference in 1996 after a 35-year membership in the former Southwest Conference.

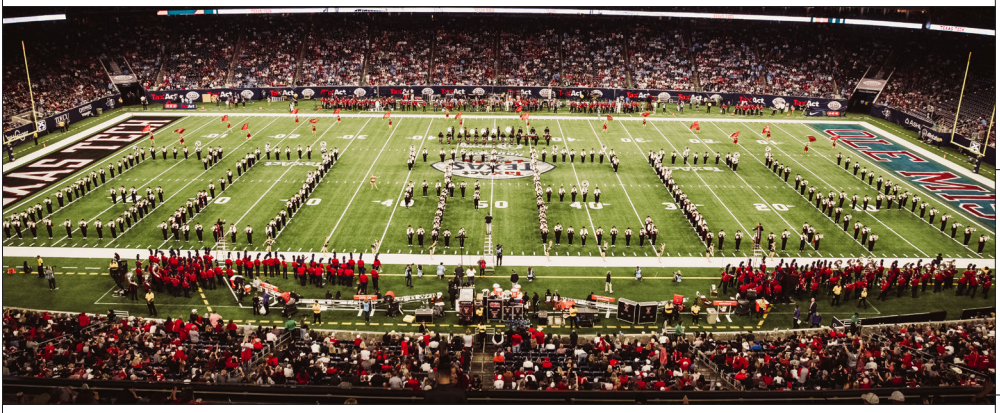
TEXAS TECH TRADITIONS



▲ The **GOIN' BAND FROM RAIDERLAND** features more than 400 members, representing the oldest student organization on campus after being established in 1925.

ARBOR DAY

When Texas Tech first started, most of the funds went towards the buildings, but the campus was lacking its landscape. Then, in 1937, President Bradford Knapp decided to dedicate one day every spring to beautify the campus. On the first day of this now annual tradition, 20,000 trees were planted. This Tech tradition still goes on today as student and teachers plant trees and beautify the campus on Arbor Day.

BANGIN' BERTHA (SADDLE TRAMP BELL)

Saddle Tramps carry Bangin Bertha, a bell on a trailer, to all home football games and homecoming events. Bertha was designed in 1959 by Saddle Tramp Joe Winegar, and was donated by the Santa Fe Railroad. Bangin' Bertha is considered a spirit-raiser and a big tradition at Texas Tech.

BLARNEY STONE

On St. Patrick's Day in 1939, Texas Tech University unveiled that they had discovered a piece of the Blarney Stone. According to the legend the stone was discovered by a group of petroleum engineers while they were on a field trip. After doing tests it was discovered that the stone was a piece of the original Blarney Stone. The stone now lies on a stand in front of the old Electrical Engineering Building. It is said that seniors that kiss the Blarney Stone upon graduation will receive the gift of eloquent speech.

CARILLON

In 1973, Ruth Baird Larabee made a donation to Texas Tech University to buy and install a carillon in memory of her parents. The Charles and Ruth Baird Memorial Carillon is located in the west tower of the administration building at the center of the Texas Tech campus. The beautiful music of the 36-bell instrument ring out over the campus during times of celebration and solemnity. Students, faculty, and staff, as well as visitors to the university, have enjoyed the music for 30 years. The carillon became one of Texas Tech's treasured traditions.

The carillon was refurbished and extended in 2005, adding additional bells to make 3 ½ octaves. The bourdon (the largest bell) weighs approximately 800 pounds, and the smallest, only about eight pounds. Twelve of the bells were cast by Whitechapel Bell Foundry in England, 24 were cast by the Paccard Foundry in France, and the newest bells, by Meek & Watson Foundry in Ohio. The estimated value of this collection of bells today is $250,000.

According to The Guild of Carillonneurs in North America, "A carillon is a musical instrument composed of at least 23 bells, arranged in chromatic sequence, so tuned as to produce concordant harmony when many bells are sounded together. It is played from a keyboard that allows expression through variation of touch."

Every year since its inception, the Carol of Lights has featured carillon music. Additionally, each year on the Fourth of July at 1:00 p.m., the carillon is played in conjunction with the ceremonial ringing of the Liberty Bell in Philadelphia. Summer Sunday evening concerts are another Tech tradition.

CAROL OF LIGHTS

To celebrate the holiday season, Texas Tech holds an annual event called the Carol of Lights. The event starts off with the Texas Tech University Combined Choirs performing selections of classic holiday songs at the Science Quadrangle. When the lighting ceremony commences, Students, as well as those who came for the show, stand in awe as over 25,000 red, white, and orange lights illuminate the 13 buildings surrounding memorial circle.

This tradition started in 1959 when Harold Hinn came up with the idea and provided the funds to cover the science quadrangle and the administration building with lights. Unfortunately students were away on Christmas break and did not see the display. The following year, the Residence Hall Association created the Christmas Sing, which is now known as the Carol of Lights. Today, the Carol of Lights is one of Texas Tech's favorite traditions.

DOUBLE T BENCH

Located in the courtyard behind the Administration Building, this special bench was given by the seniors of the class of 1931. It was an announced tradition that no freshmen were allowed to sit on it.

DOUBLE T SADDLE MONUMENT

Before the football team runs onto the field, they touch the sculpture of a saddle. The saddle was dedicated by the Saddle Tramps to Double T, one of the many Masked Rider Horses that served proudly over the years.

DOUBLE T

There is no other symbol more recognized with Texas Tech than the Double T symbol. Though no one has yet stepped forward to claim credit for its design, historical evidence points to Texas Tech's first football coach E.Y. Freeland, who put the Double T logo on sweaters for the football players.

FIGHT SONG (FIGHT! RAIDERS! FIGHT!)

Fight, Raiders, Fight! Fight, Raiders, Fight!
Fight for the school we love so dearly.
You'll hit 'em high, you'll hit 'em low.
You'll push the ball across the goal,
Tech, Fight! Fight!

We'll praise your name, boost you to fame.
Fight for the Scarlet and Black.
You will hit 'em, you will wreck 'em.
Hit 'em! Wreck 'em, Texas Tech!
And the Victory Bells will ring out!
----Written by Carroll McMath

GOIN' BAND FROM RAIDERLAND

The Goin' Band from Raiderland is one of the largest spirit raisers on campus and among the finest bands in the country. The original band in 1925, numbering only 21 members, was dressed in matador uniforms. In recent years, the band's 400 members have returned to variations on that original look. The Goin' Band performs at home and away football games, parades and at other special events. Following home games, devoted fans stick around to join the band in their traditional march out of Jones AT&T Stadium, through the engineering key, around the circle, by the Administration Building and ending at the band parking lot behind the Music Building. The band was the 1998 recipient of the prestigious Sudler Trophy as the nation's top marching band.

GUNS UP

The "Guns Up" sign is the widely recognized greeting of one Red Raider to another. It is also the sign of victory displayed by the crowd at every athletic event. The sign is made by extending the index finger outward while extending the thumb upward and tucking in the middle, little and fourth fingers to form a gun.

The sign can be traced back to L. Glenn Dippel, a 1961 alumnus of Texas Tech. He and his wife Roxie were living in Austin and faced the daily presence of the "Hook 'em

TEXAS TECH TRADITIONS

▲ **THE WILL ROGERS STATUE** is wrapped with red crepe paper before every home football game, one of the most-popular traditions at Texas Tech University.

Horns" hand sign used by University of Texas fans. So, the Dippels decided to retaliate. They looked to mascot Raider Red and his raised guns for their inspiration and in 1971 developed the Guns Up hand symbol. The Saddle Tramps and Texas Tech cheerleaders immediately adopted Guns Up and a new tradition was born.

HOMECOMING

Homecoming is an exciting week full of activities for Texas Tech students. Such activities include a bonfire, parade, float competitions, open houses, award programs, and of course the homecoming football game. Another favorite event, which has been around since 1954, is the election of the homecoming queen.

MASKED RIDER

The Masked Rider is the oldest and most popular mascot of Texas Tech University that still exists today. Originally the Masked Rider started as a dare in 1936 and was then called the ghost rider, because no one knew the rider's identity. These ghost riders circled the field at home football games and then disappeared.

The Masked Rider did not become an official mascot until 1954, when Joe Kirk Fulton led the team out onto the field at the Gator Bowl. Fulton, wearing Levi's, red shirt, a black cape and mounted on a black horse, awed the crowd as the team made one of the most sensational entrances ever.

MATADOR SONG (ALMA MATER)

Fight, Matadors, for Tech!
Songs of love we'll sing to thee,
Bear our banners far and wide.
Ever to be our pride,
Fearless champions ever be.
Stand on heights of victory.
Strive for honor evermore.
Long live the Matadors!
----Music by Harry Lemaire, words by R.C. Marshall

RAIDER RED

Prior to the 1971 season, the Southwest Conference passed a rule that prevented members of the conference from taking live animals to non-home games unless the host team had no objections. So Jim Gaspard, a member of the Saddle Tramps, created Raider Red from a drawing by the late Lubbock cartoonist Dirk West as an alternative to the Masked Rider. Raider Red's student persona is kept a secret from the Tech community. Red is a public relations mascot who shakes hands with the crowds at athletic events and poses for pictures. Raider Red fires his two 12-gauge shotguns using powder-filled shells after every Tech touchdown and field goal.

SADDLE TRAMPS

Formed by Tech student Arch Lamb in 1936, this all-male booster organization supports men's athletics at Texas Tech. The name Saddle Tramp came from the stories of traveling men who would come to a farm for a brief time, fix up some things and move on. Lamb said he decided that he could fix up some things himself before moving on, and the Saddle Tramps were born. Since that time the Saddle Tramps believe if something was for the betterment of Texas Tech then they would work at it.

These Midnight Raiders "paint the campus red" with crepe paper before big home games, form the legendary "Bell Circle" moments before kickoff, ring Bangin' Bertha, participate in parades and other campus events (including the Carol of Lights), and ring the Victory Bells after Red Raider victories.

TEXAS TECH SEAL

Designed by the campus' master planner, William Ward Watkin, in 1924, the Texas Tech Seal's symbols are the lamp, which represents "school," the key for "home," the book for "church," and the star for "state." Cotton bolls represent the area's strong cotton industry and the eagle is suggestive of our country. The seal first appeared on Tech diplomas in 1948, but it wasn't officially approved as "The" Seal of Texas Tech University until 1953. On April 27, 1972, the seal was placed at the Broadway and University entrance to the campus in what became known as the Amon G. Carter Plaza. It is made of red granite and stands 12 feet high. It has been referred to by students through the years as "the Oreo."

TTAA CLASS RING AND CEREMONY

Since 1999, the official Texas Tech Alumni Association Class Ring has been the universal symbol of academic achievement at Texas Tech. The single ring is a tradition that was brought back from the 1950s that encompasses the Double T, Masked Rider, Administration Bell Tower, and the Texas Tech seal. Cast inside each ring is "Strive For Honor," taken from "The Matador Song." Rings are presented by the University president at the Official Ring Ceremony in the Merket Alumni Center.

VICTORY BELLS

In 1936 victory bells were given to Texas Tech as a class gift. The bells rang for the first time at the 1936 class's graduation. It is said that after the win over TCU, the following year, the bells rang throughout the night. The bells kept Lubbock residents up all night. Thereafter, the bell ringing was limited to 30 minutes. Saddle Tramps ring the bells after Texas Tech victories and during special occasions. The Victory Bells - one large and one small, which combine to weigh 1,200 pounds - hang in the east tower of the Administration Building.

WILL ROGERS AND SOAPSUDS

One of the most well-known landmarks on campus is the statue of Will Rogers and his horse Soapsuds. This memorial was dedicated on February 16, 1950 by longtime friend of Rogers, Amon G. Carter. Carter believed Texas Tech was the perfect setting for the statue and that it would fit into the traditions and scenery of West Texas.

The statue stands at 9'11" tall and weighs 3,200 pounds; its estimated cost was $25,000. On the base of the statue, the inscription reads "Lovable Old Will Rogers on his favorite horse, 'Soapsuds,' riding into the Western sunset."

Today, Texas Tech tradition and legends surrounds the statue. According to one legend, the plan to face Will Rogers so that he could be riding off into the sunset did not work out as it would cause Soapsuds' rear to be facing downtown. To solve this problem, the horse and Will was turned 23 degrees to the east so the horse's posterior was facing in the direction of Texas A&M, one of the school's rivals.

Before every home football game the Saddle Tramps wrap Old Will with red crepe paper. Will Rogers and Soapsuds have also been wrapped up in black crepe paper to mourn national tragedies.

THE MASKED RIDER PROGRAM

▲ **THE MASKED RIDER** remains one of the most recognizable traditions in college football after Joe Kirk Fulton first led the team out onto the field at the 1954 Gator Bowl.

MASKED RIDER HISTORY

On Jan. 1, 1954, Texas Tech fans attending the Gator Bowl in Tampa, Florida, witnessed the evolution of a beloved tradition that Red Raider fans would embrace for decades to come. Dressed in black with a long flowing cape and mounted on a solid black horse, Joe Kirk Fulton caught the eyes of the nation when he charged onto the playing field to lead the Red Raider football team. Ed Danforth of the Atlanta Constitution wrote: "No team in any bowl game ever made a more sensational entrance." The dramatic entry by the horse and rider electrified the crowd as well as the Red Raiders, who beat Auburn, 35-13.

Roughly 70 years later, the Texas Tech Masked Rider is one of the most recognizable college mascots in the country. Wearing black riding clothes, mask, bolero hat, and scarlet cape, and perched atop Centennial Champion, a jet black quarter horse, the Masked Rider is a colorful symbol of school spirit and pride. The Masked Rider leads the team onto the field before each home game and appears at other Red Raider sporting events. The rider and horse also represent Texas Tech at rodeos, parades, civic events, and school activities around the state.

In total, Texas Tech has featured 62 different Masked Riders in its history on 15 different horses. Ellie Brown, a senior animal science major with a concentration in pre-veterinary medicine from Canyon, Texas, has been selected as the 63rd Masked Rider for the 2024-25 academic year.
