SOUTH END ZONE & WOMBLE FOOTBALL CENTER

DUSTIN R. WOMBLE FOOTBALL CENTER, THE NATION'S LARGEST CONTIGUOUS FOOTBALL FACILITY

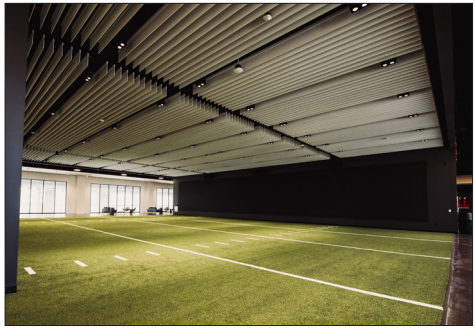

Texas Tech officially opened the South End Zone and Dustin R. Womble Football Center project during the 2024 season, featuring more than 340,000 combined square feet of space with a blend of world-class modern design and technology elements with Spanish Renaissance architecture well known to Texas Tech supporters. The $242 million project marks the largest contiguous football facility in the country, connecting the South End Zone Building to the Womble Football Center and the Sports Performance Center, which opened in 2017 as Texas Tech's indoor football practice facility and indoor track and field venue.

UNMATCHED PLAYER AMENTITIES

The entire facility significantly upgraded the amenities provided to the Red Raiders on a daily basis, notably with a two-story players' lounge, the "Uncommon Man" barber sharp, a state-of-the-art hydrotherapy recovery suite and a primary 12,000-square-foot locker room located in the Womble Football Center. Texas Tech will also maintain an 85-player gameday locker room in the south end zone located not far from a gameday lounge for recruits during pregame and then letterwinners after kickoff. The Red Raiders' main locker room is located in the Womble Football Center, which includes space for 120-plus athletes and modern primary designs from Hollman that are fully ventilated and contain USB charging ports and DreamSeat technology. The Womble Football Center also features a letterwinners lounge, giving former players direct access to the facility to watch practice from a balcony overlooking the outdoor practice fields.

PLAYER DEVELOPMENT & RECOVERY

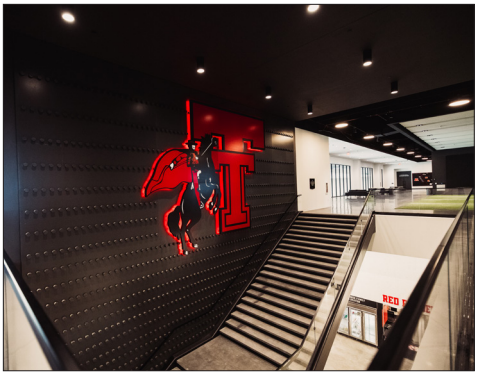

- The second floor of the Womble Football Center features the revolutionary 4,500-plus square foot multi-purpose Patrick Mahomes II Walkthrough Area designed for large-scale indoor team strategy implementation, instruction and technique evaluation only a few steps from the team meeting space and position rooms. The space includes a 25-by-20 yard turf surface in front of a 70-foot wide by 10.5-foot high LED screen that is the largest in both college football and the NFL for walkthrough areas. The LED screen will allow Texas Tech's coaches to simulate an opponent's formation and scheme, giving the Red Raiders real-time feedback through advanced technology during game preparations on the turf field.
- Texas Tech now boasts a 15,000-square-foot, two-level weight room, one of the largest in college football. The weight room area is located in the southwest corner of the Womble Football Center, giving the Red Raiders direct access into the Sports Performance Center and the outdoor practice fields.
- Joey McGuire and his staff moved into their new coaches' offices on the second floor of the South End Zone Building, giving them a stunning view overlooking Cody Campbell Field at Jones AT&T Stadium. The office location places McGuire and his staff steps from each position room and the skybridge connected to the Womble Football Center where offensive and defensive breakout rooms are located as well as a team meeting space and the state-of-the-art Patrick Mahomes II Walkthrough Area on the second level.
- Since his arrival, Joey McGuire has stressed the need for recovery. The Red Raiders have just that now with a Cryotherapy machine, red-light technology devices and multiple sleep deprovation and hyrdotherapy beds located both in a state-of-the-art training room and in a recovery room located just off the locker room. Texas Tech also utilizes five plunge pools, two in a spa area with direct access to the locker room and three others in the sports medicine area. The sports medicine area also includes it's own doctors wing for team physicians.

SOUTH END ZONE & WOMBLE FOOTBALL CENTER

GARY PETERSEN FIELD CLUB

The Red Raiders enter Jones AT&T Stadium each gameday through the Gary Petersen Field Club, a 12,000-square-foot premium space that is among the first of its kind in college football. It is one of several new premium areas as Texas Tech has added 17 new luxury suites to go along with 500 club and loge box seats and two spacious party decks. Texas Tech now boasts 102 premium suites throughout Jones AT&T Stadium to go along with more than 2,500 club and loge box seat options. The Red Raiders now enter behind the south goal post prior to kickoff each Saturday, trailing the Masked Rider in one of college football's greatest tradition. Fans in the field club get a premium look at this each gameday as the Red Raiders will touch the iconic Masked Rider saddle before being welcomed by a line of supporters moments before kickoff.

NEW TECHNOLOGY

In addition to the large-scale construction, Texas Tech also enhanced its gameday experience as part of the project, adding nine LED displays through Daktronics as well as a state-of-the-art sound system by Clair Audio, a national leader in large venue audio production. The added LED displays include the main videoboard on the north end of the stadium, expanding it to 37-feet high by 136-feet wide in size with 10-millimeter pixel spacing for excellent image clarity and contrast. Texas Tech also constructed two new video displays atop its South End Zone Building measuring 28-feet high by 48-feet wide, featuring content zoning abilities that are already a staple of the north end zone videoboard. All three new videoboards feature 10mm pixel pitch, providing every fan in the 60,000-plus seat stadium with the highest resolution display in college football.

MORE THAN $500 MILLION RAISED

The South End Zone Building and Womble Football Center closed The Campaign for Fearless Champions, one of the most-successful fundraising initiatives in university history that raised more than $500 million to transform Texas Tech's athletic facilities across every sport, while also pouring resources into the student-athlete experience through scholarship endowments and the creation of the J.T. and Margaret Talkington Office of Student-Athlete Development.

THE BEST GAMEDAY EXPERIENCE

Texas Tech previously enhanced the atmosphere inside Jones AT&T Stadium prior to the 2023 season with a new Musco LED lighting system to go along with a state-of-the-art playing surface from Hellas. The lighting system provides Texas Tech with the ability to utilize choreographed patterns designed to music during its pregame entertainment, in-between quarters and after touchdowns. The lighting system has already greatly enhanced the in-game fan experience, especially under the Jones AT&T Stadium lights where the Red Raiders have traditionally boasted one of the nation's top homefield advantages.

THE ICONIC DOUBLE T SCOREBOARD

The 2024 season marked the return of the iconic Double T scoreboard, a landmark on the Texas Tech campus since 1978. As part of the project, Texas Tech constructed a new Double T scoreboard atop the new South End Zone Building, using the same dimensions as its previous model but placing it at a much higher elevation. The new Double T Scoreboard is now 115 feet off the ground at its peak, giving students and alumni stunning views at various locations throughout campus.

COLLEGE FOOTBALL PLAYOFF, BOWL BREAKDOWN

COLLEGE FOOTBALL PLAYOFF SELECTION PROCESS

The College Football Playoff (CFP) is the event that crowns the national champion in college football. The CFP Selection Committee ranks the top 25 teams at the end of the season, and the 12 playoff participants consist of the five highest-ranked conference champions, plus the next seven highest-ranked teams. The four highest ranked conference champions will be seeded one through four and receive a first-round bye. The schools seeded five through eight will host those seeded nine through 12 in first-round games. The quarterfinals and semifinals rotate annually among six bowl games – the Goodyear Cotton Bowl Classic, Vrbo Fiesta Bowl, Capital One Orange Bowl, Chick-fil-A Peach Bowl, Rose Bowl Game presented by Prudential and the Allstate Sugar Bowl. This year's quarterfinals will take place on December 31, 2025, and January 1, 2026, while the semifinals will be January 8-9, 2026. The College Football Playoff National Championship will be Monday, January 19, 2026, at Hard Rock Stadium in Miami. For additional information on the College Football Playoff, visit CollegeFootballPlayoff.com.

JOEY McGUIRE

Head Coach | Fourth Season

Joey McGuire enters his fourth season as Texas Tech's head football coach where he has quickly built the Red Raiders back into a regular postseason contender with three-consecutive bowl appearances and an emphasis on recruiting the best athletes from the state of Texas.

The 17th head coach in program history, McGuire was named to the position on Nov. 8, 2021, by Director of Athletics Kirby Hocutt. Since then, McGuire became only the second head coach in program history to lead the Red Raiders to a bowl appearance in each of his first three seasons, all while winning more conference games (16) than any other coach during that span.

Texas Tech is a combined 23-16 during McGuire's tenure as head coach, which has included at least five Big 12 victories in each of those three seasons. The Red Raiders, who wrapped the 2024 season with a 6-3 mark against conference opponents, their most since 2009, are joined by Kansas State as the only active Big 12 programs to record five or more league wins in each of the past three years, regardless of conference affiliation.

The Red Raiders' success under McGuire doesn't stop there. In three short seasons, Texas Tech has accomplished the following:

- McGuire is only the second head coach in program history to push the Red Raiders to a bowl appearance in each of his first three seasons, joining the late Mike Leach who did so in each of his 10 years in Lubbock.
- McGuire became the first head coach in program history to lead the Red Raiders to a bowl victory in each of his first two seasons as Texas Tech downed Ole Miss in the 2022 TaxAct Texas Bowl and then Cal in the 2023 Radiant Technologies Independence Bowl.
- McGuire pushed the Red Raiders to a 5-4 record in Big 12 play during each of his first two seasons, marking Texas Tech's first winning conference mark since 2009. After a 6-3 mark during the 2024 campaign, McGuire is now the only head coach in program history to lead the Red Raiders to an above .500 conference record in each of his first three seasons.
- In fact, Texas Tech had only recorded three-consecutive seasons with an above .500 conference record only once in its history prior to McGuire's tenure, which came during the 1995-97 campaigns when the university was transitioning from the Southwest Conference to its new home in the Big 12.
- Texas Tech has combined for 23 wins in McGuire's first three seasons, matching the late Mike Leach for the most by a head coach in that span in school history. He joins E.Y. Freeland (1925-28), Steve Sloan (1975-77) and Leach as the only head coaches in program history to record a winning record in each of his first three seasons.
- McGuire's eight-win debut in 2022 finished one victory shy for the most ever by a first-year head coach in program history as Dell Morgan previously led the Red Raiders to a 9-2 record in 1941.
- Texas Tech closed the 2022 season with a 42-25 victory over Ole Miss in the TaxAct Texas Bowl, marking its fourth-consecutive victory to close the season. The Red Raiders had not previously ended a season with four-straight wins since 1995.
- McGuire is the only head coach in program history to defeat Texas and Oklahoma in the same season after the Red Raiders defeated both in overtime during his debut season in 2022.
- The Red Raiders are a combined 15-5 at home over McGuire's three seasons, turning Jones AT&T Stadium into a consistent home field advantage. That record includes a 10-4 mark during Big 12 play.
- Red Raider fans have come to expect strong finishes under McGuire as Texas Tech is a combined 9-3 in the month of November in his three seasons despite having to start three different quarterbacks each of his first two years. Texas Tech's nine wins in November are the most for any Big 12 program during that span.

THE PATH TO THE NFL

Texas Tech has had five Red Raiders hear their names called during the NFL Draft throughout McGuire's tenure with the highlight being rush end Tyree Wilson, who was a top-10 pick following McGuire's first season. Texas Tech had multiple NFL Draft selections in each of the next two years as Dadrion Taylor-Demerson was chosen by the Arizona Cardinals in the fourth round followed by rush end Myles Cole in the seventh round of the 2024 draft.

Caleb Rogers, a stalwart on the offensive line with 55 career starts as a Red Raider, was picked in the third round of the 2025 NFL Draft by the Las Vegas Raiders, while running back Tahj Brooks was selected in the sixth round by the Cincinnati Bengals. Brooks ended his Red Raider career as Texas Tech's all-time leading rusher after breaking Byron Hanspard's longtime school record during the 2024

season. Brooks rushed for at least 1,500 yards in each of his final two seasons, becoming the first Red Raider and only the third player in Big 12 player to do so twice in a career.

For Wilson, he was picked seventh overall by the Las Vegas Raiders, becoming the highest-drafted Texas Tech defensive player in program history. Wilson earned first team All-America honors by the Football Writers Association of America (FWAA) following his 2022 senior season and was a first team All-Big 12 honoree after totaling 14.0 tackles for loss and 7.0 sacks over 10 games. He matched Ring of Honor member Donny Anderson as being the second-highest drafted Red Raider in program history (all positions) and the highest in the modern era.

Texas Tech also added three others to the NFL via free agency for the 2024 season as tight end Baylor Cupp was on the Kansas City Chiefs' roster through their run to the Super Bowl, while offensive lineman Cole Spencer was a member of the Tennessee Titans. Tyler Owens, meanwhile, was a key contributor on special teams for the Washington Commanders, appearing in 12 regular-season games for the NFC Championship Game participant. The Red Raiders have had more than 10 players earn NFL opportunities as an undrafted free agent or training camp invite in McGuire's short tenure.

McGuire previously developed four NFL Draft selections during his tenure at Baylor. That list included outside linebackers Terrel Bernard in 2022 and William Bradley-King, a seventh-round selection by the Washington Football Team in 2021, as well as defensive linemen James Lynch and Bravvion Roy in 2020. Lynch went in the fourth round of the 2020 draft to the Minnesota Vikings, while Roy was taken two rounds later by the Carolina Panthers. Bernard, meanwhile, was a third-round selection by the Buffalo Bills during the 2022 NFL Draft.

AN NFL FRONT OFFICE

Under McGuire, Texas Tech's personnel department resembles an NFL front office, a first-in-its-kind approach in the world of college football. Texas Tech's personnel department is overseen by general manager James Blanchard, who was McGuire's first hire after accepting the Texas Tech position. Blanchard has the ability to offer any potential recruit he and his staff feel will fit at Texas Tech, allowing McGuire's coaching staff to prioritize player development.

The setup has helped Texas Tech land several of the nation's top recruits, especially in the lucrative footprint of the state of Texas. The Red Raiders began McGuire's tenure with a 2023 class that ranked as high as No. 23 by Rivals, its highest recruiting record in more than a decade. Texas Tech followed with another highly-rated class in 2024, which led the Big 12 and again ranked as high as No. 23 overall nationally.

For McGuire, the Red Raiders have consistently prioritized recruiting the top high school talent in Texas, leaning into his staff's ties to the high school coaches throughout the state. Texas Tech has complemented that approach with several additions via the transfer portal where McGuire and his staff have delivered successful results via the likes of All-Big 12 selections like linebacker Jacob Rodriguez, wide receiver Josh Kelly, tight end Jalin Conyers and defensive back C.J. Baskerville, among others.

Texas Tech landed On3's top transfer portal class following the 2024 season as McGuire and his staff signed 20 newcomers to add to an already-talented list of returners such as Rodriguez, wide receiver Caleb Douglas and quarterback Behren Morton. The class, which also ranked in the top five nationally by both ESPN and 247Sports, delivered nine players who were ranked among the top-100 portal entrees by ESPN, including outside linebackers David Bailey (No. 9 overall) and Romello Height (No. 32 overall), offensive lineman Howard Sampson (No. 18 overall) and defensive lineman Lee Hunter (No. 19 overall), among others.

THE TEXAS HIGH SCHOOL FOOTBALL HALL OF FAMER

Texas Tech's early success should come at little surprise as McGuire previously helped build a winning program at Baylor following a stellar 14-year run at Cedar Hill High School in the Dallas-Fort Worth metroplex. McGuire, a 2020 inductee into the Texas High School Coaches Association Hall of Honor and a 2022 member of the Texas High School Football Hall of Fame, created one of the most-memorable turnaround stories in Texas high school football history during his 14 seasons leading Cedar Hill.

The Longhorns not only won at a high level under McGuire, but they transformed into one of the state's most dominant programs with its first state title in 2006 and then back-to-back state crowns in 2013 and 2014. Cedar Hill was an impressive 141-42 during McGuire's tenure, going from an unknown to a state champion in only his fourth season as head coach. The Longhorns' dynasty featured 12-consecutive playoff appearances, nine bi-district titles and seven district crowns under McGuire, including another appearance in the state title game in 2012 where Cedar Hill fell to Katy.

McGuire's turnaround of Cedar Hill quickly placed him among the state's most revered high school coaches as he was named the Texas Coach of the Year by MaxPreps, the Dallas Morning News and Chevy Silverado in 2013. He also earned Coach of the Year honors for Class 5A that season by the Texas Sports Writers Association (TSWA), Dave Campbell's Texas Football, the Dallas chapter of the National Football Foundation and the Padilla Poll. He garnered the honor again from the Padilla Poll in 2014. The Dallas Cowboys also honored him as the organization's high school Coach of the Year following Cedar Hill's first state title in 2006.

McGuire, at only the age of 31, was promoted to the head coach at Cedar Hill prior to the 2003 season following six seasons as an assistant coach. Cedar Hill had not recorded a winning season in the eight years prior to his promotion, a streak he quickly ended with a 6-4 campaign in his debut. McGuire was previously an assistant coach at his alma mater, Crowley High School, during the 1995 and 1996 prior to his move to Cedar Hill.

A two-time District Coach of the Year (2005-06), McGuire coached in all but two Under Armour All-America games during his tenure and was the head coach of the 2013 Semper Fidelis All-America Bowl, two events that feature the nation's top collegiate prospects. He was also the head coach for the north team in the 2014 Texas High School Coaches Association (THSCA) All-Star Game.

THE PATH TO COLLEGE FOOTBALL

The back-to-back state titles provided McGuire with several opportunities to depart for the collegiate level, a move he wouldn't make until after the 2016 season when Matt Rhule accepted the head coaching position at Baylor. Needing someone with extensive ties throughout the state of Texas, Rhule hired McGuire initially as his tight ends coach. The move was perfect timing for McGuire, who had remained at Cedar Hill to coach his son, Garret, for his final two seasons.

Baylor quickly turned into a Big 12 title contender within three years of McGuire's hire as the Bears finished 7-6 in only his second season on staff in 2018 after defeating Vanderbilt in the Academy Sports + Outdoors Texas Bowl. The Bears followed with one of their best seasons in school history in 2019, opening the season with nine-straight wins en route to an appearance in the Big 12 Championship game. Oklahoma edged the Bears in overtime, sending Baylor to an appearance in the Allstate Sugar Bowl and a top-15 final ranking to close the season.

Baylor reached bowl eligibility three times with McGuire on staff and was in the midst of an eventual run to the Big 12 title and a second appearance in the Allstate Sugar Bowl when McGuire was named Texas Tech's new head coach late in the 2021 season. McGuire served as Baylor's associate head coach during each of his final three seasons as he oversaw three different position groups during his tenure: tight ends (2017-18), defensive ends (2019) and outside linebackers (2020-21).

Baylor built a strong reputation as one of the top defensive programs in the country during McGuire's tenure, namely in 2019 when the Bears' defense featured both Lynch and Roy up front. The defensive line was possibly Baylor's most-prolific position group that season as the Bears set a program record with 46 sacks, including 13.5 from Lynch alone. Lynch departed Baylor as the Bears' single-season and career (22) sacks record holder as he was tabbed the Big 12 Defensive Player of the Year and a consensus All-American.

▲ **JOEY MCGUIRE** has quickly turned Texas Tech into one of the Big 12's top programs as the Red Raiders are one of two schools with a winning league record each of the last three seasons.

PERSONAL

Following his success helping rebuild the Baylor program, Texas Tech was an ideal fit for McGuire, whose daughter, Raegan, was a recent graduate of the university. McGuire had visited Lubbock numerous times previously either to see his daughter or earlier in life when several life-long friends attended the university.

McGuire likes to say he would have attended Texas Tech, himself, had he not met his wife, Debbie. He eventually earned his bachelor's degree in kinesiology from the University of Texas at Arlington in 1995. The couple has been highly-involved in the Lubbock community since their arrival, volunteering for numerous charitable organizations, including Covenant Children's Hospital and through their Women Behind the Brand clinic each summer.

The couple's two children are also highly successful in their own fields as Garret is in his first season as Texas Tech's running backs coach. The younger McGuire previously began his coaching career under Rhule as an offensive assistant with the NFL's Carolina Panthers during the 2021-22 seasons. He followed Rhule to Nebraska in 2023, serving two seasons as the Huskers' wide receivers coach, making him easily one of the youngest assistant coaches in the country. Prior to beginning his coaching career, Garret McGuire was a quarterback and special teams player at Baylor, playing in six games from 2017-20 where he was a two-time Academic All-Big 12 first team honoree.

Raegan, meanwhile, is a fashion designer for AMUR in New York City. Her designs have been worn by several high-profile figures, including Natalie Biden, the granddaughter to President Joe Biden, as well as Taylor Swift on her spring 2023 Eras Tour. Raegan and her husband, Joe Tocco, were married in May 2023.

MCGUIRE-ISMS

Listen to one Joey McGuire press conference and you'll likely be wondering: "what does that mean?" Well, here's a cheat sheet of the major terms the Red Raiders utilize on a day-to-day basis.

The Brand: The core tenant of the Texas Tech football program under McGuire revolves around The Brand, which stands for his desire that the Red Raiders be the "toughest, hardest-working, most-competitive team in the country." On his final interview for the Texas Tech position, McGuire described his vision for the Red Raider program using The Brand, which President Lawrence Schovanec said "perfectly describes West Texas."

What's Next!: No matter if something good or bad happens on the field, McGuire and his staff stress a "What's Next!" mentality, emphasizing that the focus should be on the next play or rep.

Take Three: The term "Take Three" is one many around the Red Raider football program have heard almost daily since McGuire's hiring. The phrase is a key element of Texas Tech's weekly Plan to Win document, highlighting the defensive goal of creating three takeaways per game. McGuire, who has "TAKE3" on the license plate on one of his vehicles, started the phrase early in his tenure at Cedar Hill High School.

Analytics (and fourth downs): McGuire is not shy to admit the Red Raiders readily utilize analytics and measurable traits, not only in identifying future Red Raiders but also for in-game decisions. Texas Tech is a combined 71-for-118 on fourth-down attempts over his three seasons as the Red Raiders trail only Baylor for the most attempts over that span. It's not the fact that the Red Raiders are so daring under McGuire that's impressive. It's the fact that it's proven to be successful, too. The Red Raiders are a combined plus-134 over his three seasons in the plus/minus scale, which is determined based on the result of Texas Tech's ongoing drive or points scored by an opponent on a failed attempt. That approach evolved during the 2024 season, though, as Texas Tech went for it on fourth down only 29 times, significantly less than the combined 89 attempts the past two seasons.

Unofficial Home of the THSCA: There isn't a power-four football program in the state of Texas with better ties to its high school coaches than at Texas Tech as McGuire has hired numerous members to his coaching staff who previously worked at the prep level. McGuire, himself, is already a legend at the prep level as a member of the THSCA Hall of Honor and the Texas High School Football Hall of Fame.

JOEY MCGUIRE, THE OFFICIANT

Known as a players' coach, Joey McGuire has added another title in recent years: wedding officiant. He presided over the second wedding of a former player in 2023 for former defensive quality control assistant James Lockhart, who previously played for McGuire at Baylor. Lockhart is now the outside linebackers coach at UTRGV. McGuire previously performed the wedding for Sam Tecklenburg, another former Baylor player. He performed his third ceremony this past spring as he was the officiant for the wedding of longtime athletics administrator Sandy Collins.

▲ **PATH TO THE NFL:** In his short time at the college level, McGuire has mentored nine future NFL selections, including one first round selection in 2023 seventh overall pick Tyree Wilson. This number doesn't include the numerous Cedar Hill standouts under McGuire who later moved to the NFL after their college careers.

▲ **ALL ABOUT THE PLAYERS:** McGuire is known as a players' coach and culture builder who, in fact, has now officiated two weddings for former players with the most recent being James Lockhart during the summer of 2023. He added his third wedding this spring as the officient for longtime athletics administrator Sandy Collins.

KENNY PERRY

Associate Head Coach | Special Teams Coordinator | Fourth Season

No stranger to the state of Texas, Kenny Perry was one of Joey McGuire's first hires when he accepted the Texas Tech position prior to the 2022 season. In the three seasons since, Perry has already tutored Texas Tech's all-time leading rusher in Tahj Brooks as well as the school's career record holder for punting average in Austin McNamara and the single-season record holder for field goal percentage in Gino Garcia.

Perry served as both Texas Tech's special teams coordinator and running backs coach in each of his first three seasons on staff, helping push the Red Raiders to three bowl appearances and 16 wins during Big 12 Conference play. During that stretch, Texas Tech and Kansas State were the only two Big 12 schools with a winning league record in each of the past three seasons, regardless of conference affiliation. Perry will continue to oversee the Red Raiders' special teams as he enters his fourth season, while remaining a key voice in the offensive staff room.

Perry brings a similar background as McGuire as both were successful head coaches in the Dallas-Fort Worth metroplex before joining the collegiate ranks. He boasts more than 20 years of coaching experience, including 14 as a high school head coach and then a decade-plus at the college level with stops at TCU, Kansas, SMU and now Texas Tech.

In only three short seasons, Perry has transformed Texas Tech's special teams into one of the most-consistent units in the country behind McNamara, a pair of kickers in Trey Wolff and Garcia as well as a game-changing returner in Drae McCray. That success – a key element in Texas Tech's weekly Plan to Win document – has pushed the Red Raiders to three-consecutive seasons with at least five Big 12 wins, matching the longest streak in school history.

Texas Tech has consistently ranked inside the top 20 of multiple special teams categories throughout Perry's tenure, finishing sixth in the FBS for kickoff return defense (15.6) and eighth for field goal percentage (91.7) during the 2024 season alone. The Red Raiders previously ranked inside the top 20 of four special teams categories in 2023 after closing the season in second nationally for punt return average (19.5), sixth in kick return average (25.5), 10th in blocked kicks (3) and 19th for net punting (41.5). The Red Raiders ranked ninth in 2022 for kick return defense and inside the top 25 for both blocked kicks and kick return average.

McNamara ended his illustrious career as the Red Raiders' punter with a 45.91 career average, the highest in Texas Tech and Big 12 Conference history. His average ranked 10th in NCAA FBS history among punters with at least 150 career punts as McNamara also matched the FBS record by averaging at least 40.0 yards per attempt over 37 career games (minimum of four punts each game to qualify). McNamara averaged 46.3 yards per punt during his final season, his fifth mark that ranked in the top 10 in school history.

McNamara was tabbed the Big 12 Special Teams Player of the Year following the 2023 season, marking the first time a Red Raider has garnered the award. McNamara, a semifinalist for the Ray Guy Award, was also named to the All-Big 12 first team, making him the first Red Raider in program history to be recognized on the first team three times in a career. He later signed a free agent agreement with the Cincinnati Bengals organization.

In addition to McNamara, Perry has developed two consistent kickers during his tenure in Wolff and Garcia. Wolff reemerged as Texas Tech's primary field goal kicker during Perry's first season in 2022, finding the uprights on 21 of his 25 attempts, which ranked second all-time by percentage in single-season school history at the time. Wolff was one of the most reliable kickers in college football, especially in key moments, as he had nine field goals that came with under a minute remaining in the second or fourth quarters or in overtime. He had two game-winning kicks that season, sending the Red Raiders to memorable come-from-behind victories over both Texas and Oklahoma for the first time in program history.

Garcia provided Perry with another consistent kicking option a year later as he connected on 16-of-22 attempts during the 2023 season, which included 9-of-10 tries during Big 12 play. Garcia, like Wolff, was an honorable mention All-Big 12 selection that season after showcasing one of the nation's biggest legs. Garcia became the first Red Raider in program history to connect on three field goals of at least 50 yards in a season thanks to a 55-yarder versus TCU, a 54-yarder against Wyoming and a 51-yarder in the win over UCF.

Garcia followed by finding the uprights on 19-of-20 attempts during the 2024 season, setting the Texas Tech single-season record for field goal percentage. Garcia ranked fourth in the FBS for field goal percentage and had the second-highest clip among kickers with at least 15 attempts as he earned All-Big 12 second team honors by the league coaches. Garcia also set the Texas Tech record for consecutive field goals made with 16 during the 2024 season en route to closing his career ranked ninth for career made attempts.

All this is not to mention Perry's work as Texas Tech's running backs coach, either, where he mentored the school's all-time leading rusher in Brooks.

Brooks snapped Byron Hanspard's career rushing record late in the 2024 season as he finished with 4,557 yards, the most all-time by a Red Raider. That total ranked fourth all-time in Big 12 history, trailing only the Texas duo of Cedric Benson and Ricky Williams and Kansas State's Darren Sproles. Brooks also set the Texas Tech career records for 100-yard games with 23 and rushing attempts with a workload of 879 carries over his career. He also became the Texas Tech single-season leader with 11 different 100-yard games in 2024.

Brooks, a sixth round selection by the Cincinnati Bengals in this past spring's NFL Draft, turned into one of college football's most-consistent rushers under Perry as he was one of only three FBS players and the lone one from the Big 12 Conference to combine for at least 3,000 rushing yards over the 2023-24 seasons.

Over that stretch, Brooks recorded 22-consecutive games with at least 95 rushing yards, the longest streak for any FBS rusher dating back to 1996. He rushed for at least 100 yards in 19 of those games, all while ranking among the nation's top pass blockers with only three career sacks allowed in 287 pass blocking opportunities, according to Pro Football Focus.

Brooks became the first Red Raider in school history to rush for 1,500 in multiple seasons as he concluded his 2024 senior season with 1,505 rushing yards and 17 touchdowns in only 11 games to lead Texas Tech to six Big 12 wins, its most since 2009. In the process, he became only the third Big 12 player in history and the 48th FBS player since 1956 to record multiple 1,500-yard seasons. In addition, he was the first power conference rusher to total 1,500 rushing yards in 11 games or less since D'Onta Foreman of Texas in 2016. He previously rushed for 1,538 yards and 10 touchdowns as part of a breakout season in 2023 where he earned All-Big 12 first team honors.

The Red Raiders had not previously boasted a running back with at least 1,500 rushing yards in a season since Ricky Williams in 1998 prior to Brooks' memorable 2023 campaign. He previously split carries with SaRodorick Thompson in his first season under Perry in 2022 as the duo combined for 1,375 yards and 14 touchdowns to become only the fourth pair of Red Raiders in the Big 12 era to both rush for at least 600 yards in a season. Behind a steady running attack, Texas Tech ranked in the top 30 nationally for total offense, scoring offense as well as rushing touchdowns en route to an 8-5 season and a victory in the TaxAct Texas Bowl.

Perry arrived at Texas Tech after spending the 2020-21 seasons at SMU where he was a special teams quality control analyst his first year before being promoted to special teams coordinator for the 2021 campaign. SMU was a combined 15-7 during Perry's two years on staff, which included a pair of bowl selections.

SMU, similarly, boasted one of the top special teams units in the country during the 2021 campaign as the Mustangs ranked eighth nationally for both kickoff returns (27.3 yards per return) and tied for 10th for total blocked kicks after getting their hands on four as part of an eight-win season. The Mustangs were able to create several explosive plays in the return game thanks to Bryan Massey, who ranked second in the FBS for kick return average (34.3) en route to earning All-AAC second team honors. Massey took two kickoffs all the way to the end zone as a sophomore as he matched the SMU single-season and career records, while also ranking tied for second in the FBS. His 686 total kickoff return yardage, meanwhile, finished 12th nationally and was the 11th-highest total in SMU history to cap a breakout season.

SMU's special teams also featured one of the top kickers in the country during Perry's tenure in Chris Naggar, who was the American Athletic Conference Special Teams Player of the Year in 2020 as well as a Lou Groza Award semifinalist. Naggar connected on 17 of his 21 field goal attempts that season and 43-of-46 PATs as he ranked 19th in the FBS and led the AAC with 94 total points. Nagger closed the season one field goal shy of the SMU single-season record as he hit game-winning field goals against No. 24 Memphis and Tulane.

Perry made his way to SMU following a stint as the special teams coordinator for Bob Stoops and the Dallas Renegades during the XFL's 2020 season as well as four seasons at Big 12 counterpart Kansas. Perry joined the Kansas staff as co-defensive coordinator and cornerbacks coach in 2015, a role he remained in for two seasons before transitioning to special teams coordinator and recruiting coordinator for the 2017-18 campaigns.

Kansas was Perry's second Big 12 position as he started his collegiate career as the Director of High School Relations and Recruiting at TCU in 2013. Perry moved to an on-the-field role the following season, working with the TCU cornerbacks as the Horned Frogs finished 12-1 overall. TCU claimed a share of the Big 12 title that season and defeated No. 9 Ole Miss in the Peach Bowl behind a defense that featured two of Perry's standouts in second team Freshman All-American Ranthony Texada and second team All-Big 12 honoree Kevin White.

TCU landed Perry after he built a reputation as one of the top high school coaches in the state of Texas with successful runs at Sam Houston (2000-03), Haltom City (2004-05) and Arlington Bowie (2006-12). Perry compiled a 67-22 record during his seven seasons at Bowie alone, leading the Vols to the Class 5A playoffs each year. He was named the District Coach of the Year three times during his tenure and was tabbed the Dallas Morning News Coach of the Year in 2007.

Most importantly, Perry was highly-regarded among his peers as he was selected to the Board of Directors for the Texas High School Coaches Association (THSCA) during his time at Bowie. He is also a past director of the North Texas High School Football Association.

Perry was a four-year letterwinner (1988-91) as a defensive back at the University of Houston before earning his degree in 1993. Perry was a cornerback his first two seasons as a Cougar before moving to safety his final two years. He also served as a graduate assistant for his alma mater from 1992-94, working with the special teams and defensive backs.

NOTABLE RED RAIDERS UNDER PERRY

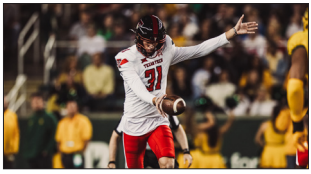

TAHJ BROOKS, RB

Brooks became only the fifth Red Raider in program history to rush for 1,500 yards in a season in 2023. Brooks, who will return for one final season of eligibility under Perry this season, totaled 1,538 yards and 10 touchdowns on the ground, earning All-Big 12 first team honors in the process. He will enter his final season as a Red Raider chasing Byron Hanspard's career rushing record as he currently ranks seventh all-time with 3,052 career rushing yards.

GINO GARCIA, K

Garcia was among the most-accurate kickers in college football under Perry as he found the uprights on 19-of-20 field goal attempts in 2024, setting the Texas Tech single-season record for field goal percentage in the process. Garcia also set the Texas Tech record for consecutive field goals made with 16 during the 2024 season en route to closing his career ranked ninth for career made attempts.

AUSTIN MCNAMARA, P

McNamara closed his Red Raider career as the best punter in school history thanks to a 45.91 average that was easily the highest not only at Texas Tech but also in the Big 12 Conference record book. McNamara, who later signed as an undrafted free agent with the Cincinnati Bengals, was tabbed the Big 12 Special Teams Player of the Year as a senior in 2023 after averaging an impressive 48.2 yards per punt. His career average ranked 10th all-time in NCAA FBS history.

MACK LEFTWICH

Offensive Coordinator | Quarterbacks Coach | First Season

In addition to bringing in one of the top transfer portal classes in recent memory, Texas Tech head coach Joey McGuire made quite the offseason statement with the hiring of Mack Leftwich as offensive coordinator and quarterbacks coach.

Leftwich, one of the top young play-callers in college football, arrived at Texas Tech following two seasons at Texas State where he developed one of the nation's top offenses as the Bobcats led the Sun Belt Conference and ranked in the top 15 nationally for total offense and scoring during both the 2023-24 campaigns. Texas State's success offensively pushed the Bobcats to their first two bowl appearances in school history and 16 combined victories, a significant improvement for a program that had not won more than four games since 2014.

Leftwich inherited a Texas State offense that ranked 110th in the country for scoring at only 21.1 points per game prior to his arrival in 2022. He quickly changed that narrative, though, as Texas State used a balanced attack to average 36.7 points per game in 2023 and then 36.5 points in 2024, easily its highest two single-season averages since the Bobcats joined the FBS level in 2012. The Bobcats led the Sun Belt in scoring average in each of his two seasons, finishing seventh in the FBS in 2023 and then 11th in 2024.

The son of an offensive line coach, Leftwich's offenses burned opponents both through the air and on the ground as Texas State ranked in the top 30 of the FBS rankings for both passing and rushing yards per game both seasons. The Bobcats led the Sun Belt in total offense per game each season, ranking as high as fifth in the FBS in 2024 after Texas State averaged 476.9 yards per game en route to setting the school record with 6,200 yards of total offense. Texas State previously ranked 15th nationally in total offense in 2023, averaging 457.6 yards per game, up from the 325.1 yards a contest and the No. 112 national ranking the Bobcats posted the year prior to his arrival.

Texas State also set the school records for passing yards (3,522) and completion percentage (66.9) in 2023 behind quarterback TJ Finley, who became the Bobcats' all-time single-season leader for completion percentage (67.4), passing yards (3,449) and completions (279). The Bobcats snapped the school record again a year later with a 69.7 completion percentage thanks to Jordan McCloud, who ranked seventh in the FBS for completion percentage (70.2) as well as eighth in passing touchdowns (30), ninth in passing efficiency (158.6) and 19th for total passing yards (3,227). He also broke Finley's previous school record for completion percentage after converting 70.0 of his passes for 3,227 yards and a school record 30 touchdowns.

It wasn't only the quarterbacks who excelled under Leftwich as running back Ismail Mahdi led the FBS with 2,169 all-purpose yards in 2023. Mahdi, who also excelled in the passing game and as a kick returner, rushed for 1,331 yards and 10 touchdowns that season, which marked the most rushing yards in a season by a Bobcat since Claude Mathis in 1997. His 2,169 all-purpose yards ranked third all-time in Texas State history and were the most by any Bobcat since joining the FBS level in 2012.

Behind Mahdi, Texas State finished with its second-highest rushing total as an FBS program at the time with 2,427 yards on the ground as a team. Mahdi followed with 991 rushing yards in 2024 as Texas State improved its rushing totals, finishing with 2,707 yards on the ground to rank 15th in the FBS and second in the Sun Belt.

Leftwich, a two-time Broyles Award nominee by only the age of 30, joined the Texas State staff following five seasons at Incarnate Word. Leftwich was the Cardinals' offensive coordinator during his final season in San Antonio as he helped lead UIW to a Southland Conference title and the semifinal round of the FCS playoffs as the No. 7 national seed. It marked the furthest the Cardinals had advanced in the FCS playoffs in program history.

IUW led both the FBS and FCS levels with 51.1 points per game that season, which marked the second-highest average in NCAA FCS history. The Cardinal offense scored 50 or more points in seven different games in 2022 en route to also setting the Southland Conference record for total points in a season. It was quite the debut as a play-caller for Leftwich, whose offenses averaged 41.8 points per game between his time at both UIW and Texas State.

Leftwich previously began his tenure at UIW in 2018 as a graduate assistant under former head coach Eric Morris and was promoted to quarterbacks coach in 2019. He was part of the UIW coaching staff for three of its Southland Conference titles in 2018, 2021 and 2022.

Leftwich coached the quarterback position in each of his five seasons, helping identify three of the best signal callers in program history in Jon Copeland (2018-19), Cameron Ward (2020-21) and Lindsey Scott Jr. (2022). The trio all sit atop the UIW single-season records for both passing yards and passing touchdowns.

Ward, who later became the No. 1 pick of the 2025 NFL Draft after finishing his career at Miami, combined for 6,908 passing yards and 71 touchdowns during his two seasons at UIW, which remain the most in school history. He was tabbed a Freshman All-American by HERO Sports following the COVID-shortened 2020 season and then a second team FCS All-American by STATS in 2021. Ward also earned the Jerry Rice Award for the spring 2021 season, which is presented annually to the top FCS freshman in the country.

Ward set the UIW single-season records with 4,648 passing yards and 47 touchdowns in 2021 en route to leading the Cardinals to their first 10-win season in program history. Both marks were snapped a year later by Scott Jr., who threw for 4,657 yards and 60 touchdowns while also totaling more than 5,300 yards of total offense in his only season with the Cardinals. Scott also had the highest passing efficiency (197.4) and completion percentage (70.9) in program history as he threw 60 touchdown passes to only eight interceptions.

Scott Jr., who also rushed for 712 yards and 11 touchdowns on the ground, was honored following the season with the prestigious Walter Payton Award, which recognizes the Offensive Player of the Year at the FCS level. He was also tabbed the Southland Conference Player of the Year, becoming the first player in school history to earn the honor.

Like many others on McGuire's staff, Leftwich has experience at the high school level as he was the offensive coordinator at Lehman High School in Katy prior to his hire at UIW. He began his career as a student assistant at UTEP in 2016 where he worked directly with the offensive coordinator, serving in a quality control role and as the main on-field communicator with the quarterbacks on gameday.

Leftwich joined the UTEP staff following the end of his own playing career as a quarterback for the Miners from 2013-15. He was selected to the team's leadership council and was a three-time C-USA Academic Honor Roll selection. Leftwich

graduated from UTEP in 2017 with a bachelor's of multidisciplinary studies with a focus in mathematics and education.

Leftwich and his wife, Courtney, are parents to a daughter, Lennie Marie, and a son, Hays.. He is the son of longtime college football coach, Spencer Leftwich, who made stops at the likes of Arizona, Pittsburgh, UTEP and North Texas during his career. Leftwich's brother, Cutter, is also in the coaching profession as the assistant offensive line coach and run game coordinator at Oregon.

SHIEL WOOD

Defensive Coordinator | Inside Linebackers Coach | First Season

Shiel Wood enters his first season as Texas Tech's defensive coordinator and inside linebackers coach, bringing a reputation of immediately improving defenses from previous stops at Troy, Tulane and Houston.

One of the top up-and-coming defensive coaches in the country, Wood boasts 15 years of experience at the Division I level and has been a defensive coordinator each of the past four seasons. Wood arrived at Texas Tech following one season in a similar position at Houston where he helped the Cougars transform into one of the Big 12 Conference's top defenses in 2024.

Wood's defenses have ranked inside the top 35 for total defense in all four seasons since he was first named a co-defensive coordinator at Army in 2021. Since then, he has also made stops as the defensive coordinator at Troy in 2022, Tulane in 2023 and then Houston. He was also the defensive coordinator at Wofford, his alma mater, in 2017.

His defenses helped push Troy to a 12-win season and Sun Belt Conference title in 2022, while Tulane finished with 11 wins and an appearance in the American Championship in 2023. Troy ended the 2022 season ranked as high as No. 19 in the Associated Press poll, marking the first time in program history the Trojans had appeared in the final rankings. Army, meanwhile, was an impressive 9-4 overall during his lone season as co-defensive coordinator after a victory over Missouri in the Armed Forces Bowl.

Wood immediately improved a Houston defense that ranked 105th nationally for scoring (31.5) and 112th for total defense (423.9) in the year prior to his arrival, cutting those totals to 22.9 points and 324.8 yards per game in 2024. Houston ended the season ranked 25th nationally and second in the Big 12 for total defense as well as 28th for passing yards allowed after surrendering only 188.8 yards per game through the air, another drastic improvement from the 255.3 yards and 114th ranking prior to his arrival.

Opposing offenses have averaged less than 23.0 points per game against Wood's defenses since his promotion to play-caller at Army in 2021. Tulane ranked 23rd in the FBS after allowing 20.5 points per game in 2023, while Troy was eighth at only 17.1 points per game in 2022 and Army was 33rd nationally at only 22.3 points a contest. Wood's units at both Troy and Army ranked in the top 20 nationally

for not only scoring defense but also total defense and turnovers forced as well.

Wood has built a reputation for immediately improving defenses, particularly through turnovers. Both his defenses at Troy and Tulane ranked in the top 10 nationally for takeaways with the Trojans finishing eighth in the FBS with 27 turnovers gained, while the Green Wave were third a year later with the same amount. His defenses are averaging 22.3 takeaways per season over the past four seasons as Houston created 19 turnovers in 2024, while Army had 16 during its 2021 campaign.

Wood has tutored 11 players over his career who have earned first team All-Conference honors, including seven the past three seasons alone. That list includes linebacker Carlton Martial, who was the Sun Belt Defensive Player of the Year under Wood's direction at Troy in 2022. Martial, a finalist for the Burlsworth Award, snapped the NCAA FBS record for career tackles that season after ranking third in the FBS as a senior with 11.2 tackles per game. Following the season, he earned second team All-America accolades from FOX Sports and Action Network as well as third team honors from Phil Steele Magazine.

Martial's success came after Wood mentored a pair of All-American linebackers at Army in Andre Carter and Jon Rhattigan. Carter earned third team All-America accolades in 2021 after finishing second in the FBS with 15.5 sacks and fifth with 18.5 tackles for loss. Rhattigan, meanwhile, earned second team All-America honors from USA Today and was finalist for the Bednarik Award, the first in Army history.

Carter and Rhattigan both joined the NFL as undrafted free agents following their careers at Army as Carter is currently a member of the Las Vegas Raiders, while Rhattigan has won two Super Bowls thus far in his professional career as a member of the Kansas City Chiefs. Wood added another former pupil to the professional ranks in 2024 as Troy edge rusher Javon Solomon was selected in the fifth round of the NFL Draft by the Buffalo Bills.

Wood's tenure at Army began in 2020 as the inside linebackers coach for a Black Knights program that led the country at only 275.3 yards allowed a game. Army also ranked second nationally for scoring defense at only 14.8 points per game as well as red zone defense (.645 conversion rate) and passing yards allowed per game (160.8). The Black Knights, who finished 9-3 overall, were also among the nation's best against the run, ranking 18th in the FBS after giving up only 114.6 yards per game on the ground against a schedule full of run-heavy offenses.

Wood has coached both linebackers and safeties during his career and has served as the special teams coordinator twice at both Georgia Tech (2018) and Georgia State (2019). He was part of bowl teams in both of those two stops as Georgia State played in the Arizona Bowl, matching its school record with seven wins in the process, while Georgia Tech was selected for the Quick Lane Bowl.

Wood began his coaching career on the opposite side of the ball, serving as the wide receivers coach at Wofford from 2007-10 before moving over to coach safeties from 2011-16. Wood spent a total of eight seasons as an assistant coach at Wofford, which culminated in him being named the Terriers' defensive coordinator in 2017. In all, Wofford won four Southern Conference titles and advanced to the FCS playoffs seven times during that span.

As defensive coordinator, Wood directed a unit that led the SoCon in rushing defense (121.7 yards per game) and ranked second in the league and No. 26 in the FCS for total defense at only 326.7 yards per game. Wofford finished 10-3 that season, winning the outright SoCon title with a 7-1 league record before advancing to the FCS quarterfinals where the Terriers fell to eventual national champion North Dakota State.

Wood, a native of Spartanburg, South Carolina, played wide receiver at Wofford from 2001-05 and was the Terriers' leading receiver in 2020 for a team that won the SoCon Championship and advanced to the semifinals of the NCAA Division I-AA playoffs.

Wood graduated from Wofford in 2007 with a bachelor's degree in government. He and his wife, Bernadette, are parents to two daughters, Fay and Grace. Bernadette Wood was also a student-athlete at Wofford, competing in soccer.

seasons with Wood as defensive coordinator

JUSTIN JOHNSON

Assistant Head Coach | Offensive Passing Game Coordinator | Wide Receivers Coach | Third Season

Justin Johnson enters his third season on the Texas Tech staff in his role as assistant head coach, offensive passing game coordinator and wide receivers coach.

Johnson, nicknamed "Coach Juice" throughout his career, arrived in Lubbock after a three-year stint at Baylor where he worked alongside head coach Joey McGuire during the 2020-21 seasons. A known name throughout the state of Texas, Johnson has also worked at both Houston, his alma mater, and Kansas in full-time roles.

Texas Tech boasted its first 1,000-yard receiver since 2018 during the 2024 season in Josh Kelly, who caught 89 passes for 1,023 yards over 12 regular-season games to earn All-Big 12 second team honors. Kelly was the nation's best receiver on third downs on the season as he ranked ninth in the FBS for total receptions and 19th for receiving yards per game, averaging 85.3 yards through the air a contest. Kelly's numbers were boosted by his ability to move the sticks as he easily led all FBS receivers with 32 receptions on third downs alone.

Kelly, an undrafted free agent signee with the Dallas Cowboys, combined with Caleb Douglas and Coy Eakin to form one of the top pass-catching trios in the Big 12 Conference as Texas Tech ranked third nationally at 296.7 passing yards per game. The Red Raiders led the Big 12 and were fourth in the FBS after averaging 37.6 points per game, their highest clip since Patrick Mahomes II's final season at quarterback in 2016.

Johnson, an All-Conference USA wide receiver at Houston, served as the running backs coach at both Baylor (2020-22) and Houston (2019) before moving back to the wide receiver room upon his hiring at Texas Tech. He was previously the wide receivers coach at Kansas for the 2018 season.

Over his three seasons in Waco, Johnson's running back room proved to be one of the best in the nation as the Bears averaged 219.3 yards per game on the ground in 2021, which led the Big 12 and ranked 10th in the FBS. Baylor ultimately won the Big 12 title that season and appeared in the Allstate Sugar Bowl, one of two bowl appearances for the Bears during Johnson's tenure.

Abram Smith powered the Baylor running game that season as the converted linebacker led the Big 12 and finished fifth nationally with 1,601 rushing yards. Smith also ranked second in the conference and seventh in the FBS with 114.4 rushing yards per game, which was boosted by his 6.23 yards a carry. Smith, an All-Big 12 second team honoree in 2021, closed the season ranked second in the conferenceand 14th in the FBS for yards per carry en route to signing as an undrafted free agent with the New Orleans Saints.

Smith paired with Trestan Ebner to form a strong 1-2 punch at running back during each of Johnson's first two seasons on staff. Ebner, one of the best all-purpose backs in the country throughout his Baylor tenure, garnered second team All-America honors as a return specialist after totaling 1,047 all-purpose yards and a team-leading six touchdowns (one rushing, three-receiving, two kick returns) during the 2020 COVID-shortened season.

Ebner was named the Big 12 Special Teams Player of the Year following both the 2020 and 2021 seasons as well as a first team All-Big 12 honoree as an all-purpose player by the Associate Press. He became the first player in Baylor history to total more than 1,000 career rushing and receiving yards after notching 1,775 all-purpose yards his super senior season alone. Ebner closed his career ranked second all-time in Baylor history with 4,542 all-purpose yards before being selected in the sixth round of the 2022 NFL Draft by the Chicago Bears.

Johnson moved north to Waco after one season coaching running backs at his alma mater where he helped Houston achieve its 18th-consecutive season with at least 1,500 rushing yards in 2019. The Cougars' rushing attack ranked 37th in the FBS that season, averaging 188.2 yards per contest.

Prior to his time at Houston, Johnson spent three seasons at Kansas, serving as the wide receivers coach in 2018 after two years as an offensive analyst. He was previously a quality control assistant for Houston to start his career in 2012 and then a graduate assistant at Texas A&M in 2013 where he helped the Aggies to a 9-4 record and a win over Duke in the Chick-fil-A Peach Bowl.

In between, Johnson worked at the prep level like many others on the Texas Tech staff, serving as an assistant coach at both Frankford Middle School and Plano West High School in 2014 and then Berkner High School in the Dallas-Fort Worth metroplex a year later.

Before beginning his coaching career, Johnson was a four-year letterwinner for Houston where he still remains one of the top pass catchers in program history. A first team All-CUSA selection as a senior in 2011, Johnson had an explosive final season as a Cougar, catching 87 passes for 1,229 and 12 touchdowns as he still ranks in the top 10 all-time in Houston history for single-season receiving yards and touchdowns.

Johnson capped his Houston career with a bowl record 12 catches for 148 yards in a 30-14 victory over No. 23 Penn State at the 2012 Ticket City Bowl. Johnson was considered one of Houston's most versatile athletes during his playing career, competing on special teams and as a running back, wide receiver and tight end at various times for a Cougars program that played in three bowl games and two Conference USA Championship games.

Off the field, Johnson was a member of Houston's Student-Athlete Advisory Committee (SAAC) and was selected to participate in and graduated from its Athletics Leadership Academy. He was awarded the Houston Committed Cougar Award twice. Johnson earned his bachelor's degree in kinesiology and sports administration from the University of Houston in 2011.

Johnson and his wife, Aisha, have two children, Jayden and Kingsley.

C.J. AH YOU

Outside Linebackers Coach | Fourth Season

C.J. Ah You, a top developer of edge rushers in the country, enters his fourth season on the Texas Tech staff as the Red Raiders' outside linebackers coach.

Over his tenure, Texas Tech has made three bowl appearances, defeating Ole Miss in the 2022 TaxAct Texas Bowl and then Cal in the Radiance Technologies Independence Bowl. The Red Raiders have been among the Big 12 Conference's most-consistent programs with 16 league wins the past three years as Texas Tech and Kansas State are the only two conference schools to post a winning league record each season, regardless of conference affiliation.

The Red Raiders led the Big 12 Conference and ranked 18th in the FBS for tackles for loss per game during Ah You's debut season as Texas Tech capped the 2022 campaign with four-consecutive victories, including a memorable win over Ole Miss in the TaxAct Texas Bowl. Texas Tech recorded eight stops behind the line of scrimmage in the win over Ole Miss with four coming from two emerging members of Ah You's position room in Myles Cole and Isaac Smith. That pushed Texas Tech's season total up to 91.0 tackles for loss, its most since 2003.

Texas Tech's performance in the Texas Bowl came without Tyree Wilson, who flourished under Ah You's direction, developing into a first team All-American and one of the top defensive prospects in the country. Wilson, an All-Big 12 first team honoree, was the Big 12 leader in tackles for loss per game and ranked among the national leaders in that category as well as sacks despite missing the final four games of the season due to injury.

Wilson became the 32nd Red Raider all-time to be named a first team All-American as he was recognized by the Football Writers Association of America (FWAA) following his final season in scarlet and black. He was the first defensive end or outside linebacker to be honored on a first team All-America list since Montae Reagor in 1998 and was the first to earn All-Big 12 first team honors since Brandon Sharpe in 2009.

His success on the field pushed Wilson up draft boards as he was ultimately selected seventh overall by the Las Vegas Raiders in the 2023 NFL Draft, making him the highest-drafted Red Raider defensive player in program history. Wilson matched Ring of Honor member Donny Anderson as being the second-highest drafted Red Raider in program history (all positions) and the highest in the modern era. Wilson was among the handful of prospects invited to attend the NFL Draft in Kansas City, allowing him to walk the stage to hug NFL Commissioner Roger Goodell and immediately find a waiting Ah You in the audience.

Ah You watched one of his pupils hear his name called during the NFL Draft in each of his first two seasons as Cole was selected in the seventh round in 2024 by the Jacksonville Jaguars. Cole developed into an NFL Draft selection in two seasons under Ah You after transferring to Texas Tech prior to the 2022 campaign from Louisiana-Monroe.

The 2022 season kicked off Ah You's second stint in the Big 12 Conference where he previously starred at Oklahoma from 2005-06 before enjoying a five-year

NFL career with the St. Louis Rams. Ah You, who began his college career at BYU before transferring to Snow College and then Oklahoma, was the Big 12 Defensive Newcomer of the Year as a junior in 2005 and garnered All-Big 12 first team honors a year later. The St. Louis Rams selected Ah You in the seventh round of the 2007 NFL Draft after he started in 21 of 26 games as a Sooner where he recorded 88 tackles, including 22.0 for a loss, 11.0 sacks and four forced fumbles.

After completing his tenure with the Rams, Ah You immediately joined the coaching profession, returning to his alma mater as a defensive quality control assistant for the Sooners during the 2014-15 seasons. Oklahoma played in the Russell Athletic Bowl his first year on staff before qualifying for the College Football Playoff in 2015 after the Sooners won the Big 12 title.

His success in helping develop the Oklahoma front paved the way for his first full-time coaching possession at Vanderbilt in 2016 where he enjoyed a three-year stint as the Commodores' defensive line coach. Vanderbilt made two bowl trips during his tenure, playing in the 2016 Independence Bowl and the 2018 Texas Bowl.

From there, Ah You moved to the professional ranks, joining the resurrected XFL in 2019 to serve as the defensive line coach for the New York Guardians. He later served a minority coaching internship with the Los Angeles Chargers in the summer of 2020 after the XFL's lone season was canceled earlier that spring due to the start of the COVID-19 pandemic.

Ah You returned to the college ranks a year ago to accept a defensive quality control analyst position at USC. He had previously been named the defensive line coach at Nevada prior to his hire with the Red Raiders.

Prior to beginning his professional career, Ah You earned his bachelor's degree in sociology from Oklahoma in 2006. He and his wife, Chynea, are parents to four daughters, Makiah, Atiana, Alei'a and Milani.

JOSH COCHRAN

Run Game Coordinator | Tight Ends Coach | Fourth Season

One of the top up-and-coming coaches in college football, Josh Cochran enters his fourth season as a charter member of Joey McGuire's staff at Texas Tech where he serves as the Red Raiders' tight ends coach. He is in second year in the role of run game coordinator.

Cochran is the lone member of Texas Tech's offensive staff who joined McGuire upon his hiring in 2022. Since then, Cochran has been part of three bowl appearances with the Red Raiders, including victories over Ole Miss in the 2022 TaxAct Texas Bowl and Cal in the Radian Technologies Independence Bowl. Texas Tech has won 16 games during Big 12 play during that span, joining Kansas State as the only two teams with a winning conference record each of the past three seasons, regardless of league affiliation.

Cochran was credited with developing many of the run schemes that helped Tahj Brooks become Texas Tech's all-time leading rusher behind back-to-back 1,500-yard seasons in 2023 and 2024. Brooks pounded opponents on the ground, ranking among the national leaders in rushing yards both seasons en route to becoming only the third player in Big 12 history and the first Red Raider all-time to post multiple 1,500-yard rushing seasons. Cochran's tight end room was essential to Texas Tech's success on the ground as Brooks set the Texas Tech record with 23 career 100-yard games, including 19 that came during those final two seasons.

The Red Raiders are coming off their best season offensively during Cochran's tenure as Texas Tech ranked in the top 10 nationally for passing offense, total offense and scoring. The Red Raiders averaged 37.6 points per game – the fourth-highest clip in the country – while also averaging 452.7 total yards and 296.7 passing yards, which both finished ninth in the FBS. It was the second time already in Cochran's tenure that Texas Tech averaged at least 30 points per game as the Red Raiders previously averaged 302.0 passing yards and 34.2 points per game as one of the nation's top offenses during Cochran's first season in 2022.

Cochran has coached three NFL free agent signees during his tenure as Baylor Cupp joined the Kansas City Chiefs following the 2023 season, while Jalin Conyers and Mason Tharp were signed by the Miami Dolphins and Houston Texans, respectively, this past spring. Cupp was on Kansas City's practice squad throughout the 2024 season for a Chiefs team that appeared in Super Bowl LIX.

In his short time already in Lubbock, Cochran has already been recognized as one of the nation's promising young coaches as he was tabbed to the 30 under 30 list compiled by 247Sports in 2022 as well as the 40 under 40 honor roll put together by Dave Campbell's Texas Football. He was also selected to the AFCA 35 under 35 Coaches Leadership Institute out of a field or more than 200 applicants.

The 2022 campaign marked Cochran's first overseeing tight ends as he previously spent two seasons as the co-offensive coordinator and offensive line coach at Austin Peay. In his two seasons, Austin Peay was a combined 8-4 in Ohio Valley Conference (OVC) play and had three wins over ranked opponents, which included No. 7 Jacksonville State and No. 13 Murray State during the 2021 spring slate.

Cochran's unit ranked among the best in the conference as he had five offensive linemen recognized on the All-OVC teams during his tenure, including a two-time selection to the first team in Bucky Williams. Colby McKee was also a two-time honoree on the second team for an offense that led the OVC in scoring (32.5 points per game) and total offense (419.2 yards per game) in 2021.

Austin Peay was Cochran's first full-time coaching role at the FBS or FCS levels after previously serving in various roles at both North Carolina (2020) and Baylor (2017-19). His tenure at North Carolina reunited him with his former college coach Mack Brown as he was an offensive quality control coach for an eventual Orange Bowl participant up until his hire at Austin Peay in November 2020.

Cochran was a graduate assistant and offensive quality control coach during his three seasons at Baylor, assisting with the Bears offensive line during that span. He was a member of a Baylor staff that appeared in two bowl games, first at the Academy Sports + Outdoors Texas Bowl in 2018 and then the Allstate Sugar Bowl a year later following an 11-win campaign.

Prior to Baylor, Cochran spent one season at East Texas Baptist University in 2015 where he was the offensive line coach, mentoring four All-American Southeast Conference selections during that year alone. East Texas Baptist featured the top-ranked scoring offense in Division III that season, averaging an impressive 49.9 points per game.

Cochran began his coaching career like several other members of the Texas Tech staff in the high-school ranks as the offensive line coach at Lindale High School in East Texas. He is a former member of the Texas High School Coaches Association, an important aspect of Texas Tech's football program.

A three-year letterman on the offensive line at Texas, Cochran was tabbed a Freshman All-American by Yahoo! Sports in 2011. He played in 31 games over his Longhorn career, making 23 starts before ending his playing career early in the 2013 season due to a chronic shoulder injury. In addition to his success in the trenches, Cochran was also a first team Academic All-Big 12 selection in 2012 and a four-time member of the Big 12 Commissioner's Honor Roll.

A native of Hallsville, Texas, Cochran earned his bachelor's degree in kinesiology from Texas in 2014 and his master's in sports management from Baylor in 2019.

He is married to the former Olivia Dietrichson. The couple is parents to two children in daughter Campbell and newborn son Carter, who was born in April 2025.

ZARNELL FITCH

Defensive Line Coach | Fourth Season

Zarnell Fitch, another one-time Texas High School Coaches Association member on Joey McGuire's charter staff, enters his fourth season at Texas Tech as the Red Raiders' defensive line coach.

Fitch, no stranger to the Big 12 Conference, is regarded as one of the top defensive line developers in the country based on his work previously at TCU, his alma mater, and now with the Red Raiders. Texas Tech has recorded two of its best defensive seasons in recent memory during Fitch's tenure as the Red Raiders gave up 29.2 points per game in 2022 before lowering that mark to 26.0 in 2023, their lowest average since 2009.

The Red Raiders finished 8-5 overall in Fitch's debut season in 2022 thanks to four-consecutive victories to close the season, including a strong defensive performance to top Ole Miss in the TaxAct Texas Bowl. It marked the first time since 1995 the Red Raiders had ended a season on a four-game winning streak, which also helped Texas Tech record its most Big 12 victories in a year since 2009. The Red Raiders utilized another strong end-of-season finish to advance to the Radiant Technologies Independence Bowl a year later, topping Cal after shutting out the Golden Bears over the final three quarters. Texas Tech upped its Big 12 win total to six during the 2024 season en route to an appearance in the AutoZone Liberty Bowl. Over the course of his tenure, Texas Tech is one of only two Big 12 programs to record a winning conference record in each season.

Texas Tech's early success defensively stemmed, in part, by the play of Jaylon Hutchings and Tony Bradford Jr., who were both honorable mention All-Big 12 selections in each of Fitch's first two seasons. The two combined for 339 tackles, 56.5 tackles for loss and 26.0 sacks over 118 career games and 95 starts as one of the top interior defensive line duos in the country. In fact, they were the only pair of power-five interior linemen to create 30 or more quarterback pressures each during the 2022 campaign, according to Pro Football Focus.

Hutchings was credited with 50 tackles that season, the most for a Red Raider interior defensive lineman since NFL standout Kerry Hyder Jr. in 2013. Bradford added 32 tackles of his own to go along with 5.5 sacks as part of an impressive tandem that ranked as the only pair of Big 12 interior defensive linemen to both record at least 30 tackles and 5.0 tackles for loss on the season.

That pressure allowed Texas Tech to rank eighth nationally in fourth-down defense, ninth in the FBS for red zone efficiency and 18th for total tackles for loss

during the 2022 season where the Red Raiders finished 8-5 overall and recorded its best finish in the Big 12 standings in more than a decade.

Fitch arrived at Texas Tech after previously serving in a similar role at TCU prior to his hiring by McGuire. Fitch oversaw the TCU defensive line in each of his previous six seasons with the Horned Frogs after beginning his tenure as Director of High School Relations in 2014. Fitch served his alma mater in that role for two years before earning the promotion to a full-time position coach. Over his tenure, Fitch was part of six bowl teams at TCU and three seasons of 10 or more wins.

Fitch helped TCU rank near the top of the Big 12 in combined sacks annually as the Horned Frogs found the quarterback 183 times over his six seasons, the third-highest total among conference members. During that time, TCU ranked among the top-40 schools nationally in sacks per game and tackles for loss per contest in four different seasons, rising to as high as No. 6 for sacks in 2016 and No. 10 in tackles for loss in 2020.

Fitch mentored 11 Horned Frogs who earned All-Big 12 honors during his tenure, a list that featured four first-team selections in Josh Carroway (2016), Ben Banogu (2017-18), L.J. Collier (2018) and Ross Blacklock (2019). Blacklock is among the most prominent defensive linemen of the Fitch era as he also garnered Big 12 Co-Defensive Freshman of the Year honors in 2017. As a senior, he helped boost a TCU defense that topped the league in nearly all major defensive categories en route to being picked in the second round of the 2020 NFL Draft by the Houston Texans.

Blacklock was one of two Horned Frog defensive lineman who heard their name called during the NFL Draft under Fitch as Collier was chosen 29th overall by the Seattle Seahawks in 2019. He was the first TCU defensive lineman to be selected in the first round since 2010 and only the third in program history to do so.

Fitch was a 2017 finalist for National Defensive Line Coach of the Year by FootballScoop.com after TCU notched 42 sacks that season, 11 more than any other conference team. The Horned Frogs were fifth nationally in rushing defense after allowing only 103.9 yards per game on the ground behind a dominating defensive line. Blacklock and Corey Bethley both earned Freshman All-America honors that season, while Banogu was tabbed the Big 12 Defensive Newcomer of the Year.

TCU had at least one defensive lineman recognized on the All-Big 12 teams in each of Fitch's six years as Aaron Curry was on the second team during his debut season in 2016, while Ochaun Mathis was a two-time selection to the second team in 2020 and 2021. Khari Coleman was also tabbed the Big 12 Co-Defensive Freshman of the Year under Fitch following the 2020 season.

Fitch's hire as TCU's defensive line coach returned him to the same position he once starred at for the Horned Frogs as he was a two-year letterman from 2004-05. A transfer from Navarro College, Fitch appeared in all 12 contests and made three starts as a senior, notably making a pair of interceptions that season with the final one coming in TCU's win over Iowa State in the EV1.net Houston Bowl.

Following his collegiate career, Fitch later spent time with the New York Jets, Baltimore Ravens and Washington Commanders as an undrafted free agent before eventually playing two additional seasons in arena football.

After retiring from football, Fitch joined the coaching staff at Lincoln High School in 2012, serving as an assistant coach for two seasons before being named head coach for the 2013 season. Fitch led the Tigers to a 7-4 record that season, which included a win over Dallas Carter in the Class 4A playoffs. He was also a special education teacher during his time at Lincoln.

Fitch earned his degree in communications and a minor in social work from TCU in 2006. Fitch and his wife, Mollie, have three sons, Zarnell III, Hunter and King, as well as two daughters, Haylee and Hope.

ROB GREENE

Safeties Coach | First Season

Rob Greene enters his first season as Texas Tech's safeties coach, bringing with him a strong familiar of the Red Raiders' new defensive scheme under coordinator Shiel Wood.

Greene arrived at Texas Tech following two seasons at Tulane where the Green Wave combined for 20 wins and played for two American Athletic Conference titles during his tenure after finishing 15-1 overall in regular-season conference games. This is his third stint working alongside Wood as the two were previously on staff together at Wofford in 2017 and at Tulane in 2023.

Tulane ranked among the nation's most-opportunistic defenses during Greene's two seasons, especially in 2023 when the Green Wave led the AAC for both turnovers gained (27) and total interceptions (17), finishing third and fourth nationally in the two categories. Wood was Tulane's defensive coordinator that season with Greene serving as defensive backs coach for a unit that was also 16th in the FBS for rushing defense (112.7 yards per game), 23rd for scoring defense (20.5 points per game) and 36th for total defense (341.3 yards per game).

Greene remained at Tulane following Wood's departure as a defensive analyst and safeties coach. Tulane closed the 2024 campaign tied for the FBS high with six defensive touchdowns and ranked 15th nationally for passing yards allowed (177.7 yards per game), 24th for both total defense (323.5 yards per game) and scoring defense (20.6 points allowed per game) and 27th with 14 interceptions.

Prior to Tulane, Greene served six seasons as an assistant coach at Wofford, his alma mater, eventually rising to defensive coordinator for three seasons starting with the COVID-shortened 2020 campaign that was played during the spring of 2021. Greene was promoted as the defensive play-caller only two weeks prior to that 2021 spring season.

Greene began his tenure at Wofford as the cornerbacks coach in 2017 for a Wood-led defense that finished 10-3 overall with a Southern Conference title. The Terriers ranked second in the conference and 26th nationally in total defense that season, giving up only 326.7 yards per game to go along with just 22.4 points a contest. Wofford created 20 takeaways during his debut season as well, including four interceptions from first team All-Southern Conference cornerback Devin Watson.

Greene took over the entire defensive backs room beginning with his second season on staff as Wofford led the Southern Conference in total defense, scoring defense, passing defense and rushing defense. The Terriers finished 9-4 that season, advancing to the Southern Conference title game yet again as well as the second round of the NCAA FCS playoffs. Wofford won its second conference title with Greene in 2019 as the Terriers ranked 20th in the nation for total defense and 24th for scoring defense, giving up 335.3 yards and 22.1 points a contest.

Greene began his coaching career as a graduate assistant working with the wide receivers at North Greenville University in 2015 before moving to the opposite side of the ball as a defensive graduate assistant at Pittsburgh in 2016. Pitt finished 8-5 that season after defeating eventual national champion Clemson as well as Penn State, both teams that finished in the top five of the final College Football Playoff rankings.

Similar to Wood, Greene played on the offensive side of the ball as a wide receiver for Wofford from 2010-13. Wood was Greene's position coach during his freshman season in 2010 before becoming Wofford's safeties coach beginning in 2011. Wofford made three NCAA FCS playoff appearances during Greene's paying career with two Southern Conference titles. He was a four-time selection to the Southern Conference academic honor roll as well as a three-time honoree to the Academic All-Southern Conference team.

Greene moved to North Greenville University in 2014 as a graduate transfer, helping push the Crusaders to a victory over Shorter University, 42-16, in the National Christian College Athletic Association (NCCAA) Victory Bowl. He signed with Wofford out of Dorman High School in Spartanburg, South Carolina, where he was a team captain his senior season for a team that went 14-1 overall and won the state championship.

Greene graduated magna cum laude from Wofford in 2014, earning his bachelor's degree in mathematics. He married his wife, Ellie, a 2017 graduate of Wofford, in May 2020.

DARCEL MCBATH

Cornerbacks Coach | First Season (Second Overall)

Darcel McBath, one of the top defensive backs in school history, enters his second season on the Texas Tech football staff and his first as the Red Raiders' cornerbacks coach.

McBath was promoted to a full-time position coach after serving as an analyst with the Red Raiders during the 2024 season. McBath oversaw Texas Tech's advanced scouting, providing weekly analysis of opponents on both sides of the ball while assisting with the defensive backs room. McBath was Texas Tech's defensive backs coach late in the season for its appearance in the AutoZone Liberty Bowl.

A longtime assistant under the late Mike Leach, McBath returned to his alma mater following four seasons as the cornerbacks coach at Mississippi State (2020-23) and two additional years in a similar capacity at Washington State (2018-19). He began his coaching career as a quality control assistant at North Texas in 2016 before moving to Washington State in the same role the following season.

Mississippi State boasted three of its top cornerbacks in school history under McBath as he mentored Martin Emerson, a third-round selection in the 2022 NFL Draft, Emmanuel Forbes, the No. 16 overall pick of the 2023 NFL Draft and Decamerion Richardson, who heard his name called in the fourth round of the 2024 NFL Draft. Forbes, a consensus All-America selection as a senior in 2022, ranked third in the country that season with six interceptions and set the NCAA FBS record after returning his sixth interception for a touchdown.

Mississippi State made three bowl appearances during his four seasons in Starkville as the Bulldogs defeated Tulsa in the 2020 Armed Forces Bowl and topped Illinois in the ReliaQuest Bowl to end the 2022 campaign. The win over Illinois capped a 9-4 record for the Bulldogs, only their 10th season in school history with nine or more wins. Mississippi State's lone loss during his tenure came in 2021 when the Red Raiders topped the Bulldogs in the AutoZone Liberty Bowl.

Over his career, McBath has coached in eight bowl games and has failed to reach the postseason only once, which came during his final season at Mississippi State in 2023. McBath began his coaching career as a quality control assistant at North Texas before rejoining his former college coach in Leach in the same role at Washington State.

McBath was promoted to cornerbacks coach prior to his second year in Pullman in what would become a historic 2018 season for the Cougars. Washington State set the school record with 11 wins that season, ending the year ranked as high as No. 10 in the Associated Press poll following a victory over No. 25 Iowa State in the Valero Alamo Bowl. The successful season followed a 9-4 campaign in McBath's first season on the Palouse.

McBath was promoted to interim co-defensive coordinator during his final season at Washington State, taking over the role following a loss at No. 19 Utah in only the fifth game of the season. The Cougars went on to finish that season ranked fifth in the Pac-12 with 19 takeaways and tied for second overall with nine fumble recoveries.

Prior to joining the coaching profession, McBath played five seasons in the NFL after being selected in the second round of the 2009 NFL Draft by the Denver Broncos. McBath spent two seasons with the Broncos before moving on for one season with the Jacksonville Jaguars and two seasons with the San Francisco 49ers where he was a member of the Super Bowl XLVII roster.

A native of Gainesville, Texas, McBath was a four-year letterman at defensive back for the Red Raiders from 2004-08. McBath earned All-Big 12 first team honors as a senior in 2008 after leading the nation with seven interceptions as part of one of the top Texas Tech teams in program history. The Red Raiders finished 11-2 that season, rising to as high as No. 2 in the polls following 10-consecutive wins to start the season, including to top-ranked Texas.

McBath earned his degree in general studies from Texas Tech in 2008. He and his wife, Malorie, were married in 2013 and are parents to two children, Ansleigh and Duke.

CLAY MCGUIRE

Offensive Line Coach | Second Season (Eighth Overall)

Clay McGuire enters his second season back on the Texas Tech sidelines as the Red Raiders' offensive line coach. This is McGuire's third stint on the Texas Tech coaching staff and first overseeing the offensive line after coaching the position for more than 10 years overall.

McGuire previously served his alma mater in various roles from 2006-09, ultimately rising to special teams coordinator (2007-08) and running backs coach (2009) under the late Mike Leach before returning again in 2018 to be the co-offensive coordinator and running backs coach for Kliff Kingsbury. He is believed to be only the second assistant coach in school history to serve three different stints on the Texas Tech coaching staff, joining the late Carlos Mainord.

Texas Tech boasted one of the nation's top offenses during McGuire's first season back at his alma mater as the Red Raiders closed the season ranked fourth in the FBS for scoring at 37.6 points per game as well as ninth for both total offense a contest (462.7) and passing yards per game (296.7). It marked Texas Tech's most points per game since its 2016 offense averaged 43.7 a contest behind quarterback Patrick Mahomes II.

In addition, Tahj Brooks became Texas Tech's all-time leading rusher after carving up defenses to the tune of more than 1,500 rushing yards to again rank among the national leaders. This despite relying on an offensive line that utilized six different starting combinations up front throughout the season due to injury.

Caleb Rogers was one consistent mainstay on the unit, though, as he earned honorable mention All-Big 12 accolades after starting at both guard and tackle as needed. His flexibility and athleticism paid dividends as Rogers was selected in the third round of the 2025 NFL Draft by the Las Vegas Raiders, marking the first time a Texas Tech offensive lineman had heard his name called in the first three rounds since Le'Raven Clark did so in 2016 by the Indianapolis Colts.

McGuire (no relation to Joey McGuire) returned to Texas Tech following two seasons as the offensive line coach at Washington State, his second stint with the Cougars after serving in a similar capacity for six years under Mike Leach from 2012-17. Washington State transformed into one of the most-dominating offenses in the country under Leach as the Cougars averaged more than 30 points per game in each of McGuire's last five seasons. The Cougars played in five bowl games over his eight combined seasons in Pullman as McGuire has been part of 10 bowl teams during his coaching career.

Part of the Cougars' success stemmed from the offensive line as McGuire recruited and coached several All-Pac 12 selections, including Joe Dahl, one of the top offensive linemen in Washington State history. Dahl, who transferred to Washington State soon after McGuire's hire in 2012, earned second team All-America honors by USA Today as a senior in 2015 to go along with All-Pac 12 first team accolades. Dahl was later selected by the Detroit Lions in the fifth round of the 2016 NFL Draft, marking the first time a Washington State offensive lineman has been chosen since 2001. In addition, he was the highest Cougar offensive lineman taken since 1997.

McGuire sent another Cougar to the NFL ranks following the 2017 season as Cole Madison, a three-time All-Pac 12 honoree, heard his name called in the fifth round of the 2018 NFL Draft by the Green Bay Packers. The 2017 season also

closed the career of another McGuire protégé in two-time All-America selection Cody O'Connell, who became only the second unanimous All-American in Washington State history in 2016 and was the school's first Outland Trophy finalist.

O'Connell was a consensus All-American in 2017 after closing his career by earning first-team accolades from the Walter Camp Foundation and The Sporting News. He was the first Cougar to earn first team All-America honors in consecutive seasons since running back Rueben Mayes in 1984-85 and the first offensive lineman ever to do so.

In addition, McGuire also mentored Andre Dillard, the No. 22 overall selection in the 2019 NFL Draft by the Philadelphia Eagles, as well as four-time All-Pac 12 selection Abe Lucas while with the Cougars. Dillard was the first Cougar offensive lineman in school history to be selected in the first round as his selection marked the third time in a four-year stretch one of McGuire's pupils entered the NFL via the draft. He started in 39 games at left tackle under McGuire, earning third team All-America honors as a senior in 2018 after allowing only one sack and 13 total pressures in 722 pass-blocking snaps.

In addition to his time at Washington State, McGuire has also mentored successful offensive lines recently at both Texas State (2019-20) and USC (2021). Those two stints followed his one season back on the Texas Tech staff where the Red Raiders averaged an impressive 37.3 points per game and 485.2 yards of total offense during the 2018 season.

McGuire, a four-year letterwinner as a blocking back for the Red Raiders from 2001-04, earned his first full-time assistant position five games into the 2007 season as he took over special teams duties, a role he earned on a permanent basis in 2008. Texas Tech opponents averaged just 6.7 yards per punt return once McGuire took over, while the kickoff coverage unit ranked second in the Big 12 in fewest return yards allowed.

Following his stint in Lubbock, McGuire joined Ruffin McNeil's staff at East Carolina where he helped reshape the Pirate's offense into one of the most explosive units in the country. East Carolina averaged 36.8 points per game in McGuire's first season alone as running back Jon Williams totaled 847 yards and 10 touchdowns on the ground. The Pirates were also drastically improved on special teams in 2010 as East Carolina ranked among the top-35 schools nationally in punt return average (30th), punt coverage(31st) and kickoff coverage (29th).

McGuire previously starred at quarterback and defensive end at Crane High School prior to becoming the first high school prospect to commit to the Red Raiders during the Leach era. He has two degrees from Texas Tech as he earned his bachelor's in history in 2004 and his master's in secondary education in 2007. His older brother, Cody, also played for the Red Raiders from 1994-97 under legendary head coach Spike Dykes.

McGuire and his wife, Jeri, are the parents of two daughters, Jorja and Addison.

GARRET MCGUIRE

Running Backs Coach | First Season

Garret McGuire enters his first season as Texas Tech's running backs coach following stints with the Carolina Panthers in the NFL and most recently in helping rebuild Nebraska into a bowl participant.

This will be McGuire's fifth season at either the collegiate or professional level and first in overseeing the running backs position. He previously was the wide receivers coach for Nebraska the past two seasons after beginning his career as a coaching assistant with the Panthers in 2021. McGuire was promoted to an offensive assistant with the Panthers a year later ahead of the 2022 season.

Nebraska returned to a bowl game for the first time since 2016 with McGuire on staff in 2024 as the Huskers finished 7-6 overall following a victory over Boston College in the Bad Boy Mowers Pinstripe Bowl. McGuire contributed to consecutive top-25 recruiting classes for the Huskers as he was responsible for four four-star prospects signing with Nebraska for the 2025 class alone. McGuire has been recognized as one of the nation's top up-and-coming coaches since being hired by Nebraska at only the age of 23. Over his two seasons, McGuire, now 25, was named to the 2024 class for the AFCA 35 Under 35 list as well as the 30-Under-30 ranking of top young assistants compiled by 247Sports in 2023.

While at Nebraska, McGuire tutored a young wide receiver room with three true freshmen in Jaylen Lloyd, Malachi Coleman and Jaidyn Doss all seeing significant playing time during his debut season in 2023. Lloyd and Coleman developed into two of Nebraska's top receivers by the end of the season with Lloyd averaging an impressive 39.5 yards per catch after finding the end zone three times from at least 58 yards. Lloyd joined Ohio State's Marvin Harrison Jr. as the only Big Ten receivers with at least three 50-yard receptions in 2023.

Nebraska started three different quarterbacks in 2023 for a Huskers offense that relied on numerous newcomers in McGuire's room. McGuire's ability to identify offensive weapons benefited the Huskers again in 2024 as Jacory Barnet Jr. set the Nebraska record for moth receptions by a true freshman after catching 55 passes for 447 yards. Barnet Jr. ranked third nationally among all FBS freshmen for receptions and had the most targets (76) of any player in the country without a drop, according to Pro Football Focus. He finished second on the team with 875 all-purpose yards as an additional threat in the run game and as a returner.

The Huskers ranked tied for fourth nationally in 2024 for the fewest dropped passes, trailing only Army (5), Navy (6) and fellow Big Ten peer Washington (6). McGuire's unit dropped only seven passes on the season despite 435 attempts, which led all three schools at the top of the rankings and more than doubled the amounts for both Army and Navy, traditional run-heavy offenses. The Huskers also ended the season ranked 15th in the FBS for completion percentage (66.2).

Nebraska got off to a 5-1 start to the 2024 season, which featured wins over fellow postseason teams in Colorado and Rutgers. This despite utilizing a true freshman quarterback in Dylan Raiola, who threw for the most yards and had the highest completion percentage by a freshman in school history. Raiola threw for 2,819 yards and 13 touchdowns with a 67.1 completion percentage, which ranked third all-time in Nebraska history. Raiola also ranked seventh all-time on Nebraska's single-season passing yards chart.

McGuire had two of his Huskers sign NFL free agent agreements following the 2024 season as Isaiah Neyor came to terms with the San Francisco 49ers, while Jahmal Banks was picked up by the Baltimore Ravens. Banks led Nebraska with 44 catches for 587 yards and three touchdowns in his lone season as a Husker after transferring from Wake Forest. Neyor, meanwhile, was the team leader with five receiving touchdowns as part of 34 catches for 455 yards overall.

McGuire began his coaching career as a coaching assistant on Matt Rhule's staff with the Carolina Panthers in 2021. His tenure culminated with the Panthers as one of only eight NFL teams to have more than 3,200 passing yards and 2,220 rushing yards in 2022 despite injuries that forced Carolina to utilize three different starting quarterbacks. Even still, wide receiver DJ Moore ranked 15th in the NFL with seven touchdown receptions that season.

Prior to joining the coaching profession, McGuire was a quarterback and special teams player at Baylor from 2017-20, earning first team Academic All-Big 12 honors twice while also being named a team captain as a senior in 2020. He earned his degree in health, kinesiology and leisure studies from Baylor in 2020.

McGuire is the son of Texas Tech head coach Joey McGuire and his wife, Debbie.

LANCE BARILOW

Head Strength and Conditioning Coach | Fourth Season

Lance Barilow enters his fourth season as a charter member of Joey McGuire's staff as Texas Tech's head strength and conditioning coach.

Barilow oversees all in-season and offseason strength programing, one of the key components of Texas Tech's success the past three seasons as the Red Raiders have played in a bowl game each year and combined for its most success in Big 12 play in over a decade. Texas Tech has combined for 16 total Big 12 wins during Barilow's tenure as the Red Raiders are one of only two Big 12 programs to boast a winning conference record each of the past three seasons, regardless of league affiliation.

Barilow arrived in Lubbock following one season at Baylor where he served as the senior associate director of athletics performance with the football program. He concluded his tenure at Baylor with the Bears' victory in the Big 12 Championship game against Oklahoma State. Barilow has worked in the Big 12 Conference each of the past five seasons as he moved to Baylor after spending the 2020 season as the associate director of strength and conditioning at Kansas.

Prior to Kansas, Barilow was on staff at LSU from 2016-19, rising from an intern to eventually being named the associate director of strength and conditioning for football in 2018. Barilow, who also worked with beach volleyball and soccer during his tenure in Baton Rouge, was part of LSU's historic 15-0 season in 2019 that was highlighted with the Tigers topping Clemson in the College Football Playoff National Championship.

In addition to his role at the collegiate level, Barilow has four years of experience as a private sport performance coach in Wisconsin and Illinois. He holds National Strength and Conditioning Association (NSCA) and Certified Strength and Conditioning Specialist (CSCS) certifications.

Barilow is a veteran of the United States Navy, serving from 2007-09 following a three-year career as a football letterwinner at Carroll College in Wisconsin. He completed his bachelor's degree in exercise science in 2007 from the university.

Barilow is married to the former Katie Raschka. The couple has three children, Brody, Lincoln and Braxson.

ANTONIO HUFFMAN

Associate A.D. / Football Administration | Seventh Season (Ninth Overall)

Former Red Raider defensive back Antonio Huffman enters his seventh season on the Texas Tech football staff and his fifth in the role of Associate Athletics Director for football administration. Huffman previously served as Chief of Staff before earning his current promotion.

As part of his role, Huffman oversees the day-to-day operations for the football program, all while adding administrative duties within the athletics department. Huffman, often referred to as the "head coach off the field" by Joey McGuire, is the football program's liaison to administration regarding any legislation pertaining to name-image-likeness (NIL) and the introduction to revenue sharing. He also oversees any football facility improvements, namely the south end zone and Dustin R. Womble Football Center project that opened during the 2024 season.

Huffman returned to his alma mater prior to the 2019 campaign to oversee the non-coaching aspects of the football program, including departmental budget, academics, team travel, summer camps and all other day-to-day operations. He spent the seven previous seasons as the Director of Football Operations at Washington State.

This is Huffman's second stint on the Texas Tech staff as he was previously the Director of Player Personnel during the 2008-09 seasons. Huffman served as the football program's liaison with athletics compliance during those two seasons, while also assisting with Tech's recruiting operations where he set up official and unofficial visits, campus tours and summer camps.

In addition, Huffman oversaw housing placement for each Red Raider student-athlete during his tenure and also worked closely with the academic staff at the Marsha Sharp Center for Student-Athletes. He added additional responsibility in 2009 as he supervised the presentation and maintenance of the aesthetics in the previous team headquarters, the Football Training Facility.

Huffman orchestrated many of Tech's community relations activities during his tenure, including the popular "Huff's Huggables" charity drive he founded late in his playing career. "Huff's Huggables" provided stuffed animals to the Lubbock Police Department for officers to provide to local children during difficult moments.

Following his two seasons on staff, Huffman followed former Texas Tech defensive coordinator Ruffin McNeil to East Carolina where he spent the 2010-11 seasons in a similar role with the Pirates. Huffman departed East Carolina following the 2011 season to rejoin his former head coach Mike Leach at Washington State. He spent the first four seasons of his tenure as the Director of Football Operations before earning a promotion to Assistant Athletics Director after the 2015 season.

With the Cougars, Huffman oversaw the day-to-day operations of the football staff, namely team travel, the Cougar guest coach program and summer camps and clinics. He was also the football liaison for compliance, academics and student conduct throughout his tenure, which culminated with the Cougars winning 11 games in 2018, the most in school history.

A three-year starter at defensive back for the Red Raiders, Huffman completed his Red Raider career in 2006 with 189 tackles, four interceptions and 25 pass breakups. He was named the Defensive MVP in his final game as a Red Raider after picking off a crucial interception in Texas Tech's 44-41 come-from-behind victory over Minnesota in the 2006 Insight Bowl.

Huffman excelled academically during his time as a student-athlete, earning selections to prestigious honors such as the John Wooden Leadership Cup (2007), NCAA Leadership Conference (2006), Draddy Award (semifinalist in 2006) and the President and Dean's List (2005-06). JAMES BLANCHARD

General Manager | Fourth Season

James Blanchard was named the first member of head coach Joey McGuire's charter staff at Texas Tech as he serves as General Manager and oversees the Red Raiders' personnel department.

Blanchard began the rise of the general manager role in college football soon after joining McGuire in Lubbock, immediately reshaping the Red Raiders' entire recruiting process from scouting to on-campus visits as part of Texas Tech's unique model that resembles an NFL front office.

Few, if any, general managers across college football have the autonomy Blanchard enjoys under McGuire. Blanchard and his staff are responsible for identifying every prospect Texas Tech ultimately offers a scholarship opportunity, allowing McGuire and his coaching staff to prioritize player development and opponent scouting, especially during the season.

That setup has transformed the Red Raiders' roster in only three seasons as Texas Tech has signed two top-25 classes of high school prospects and then the No. 1 portal class in the country this past offseason. Texas Tech's 2023 class ranked as high as No. 23 nationally by Rivals, marking its highest-rated class in more than a decade. The 2024 class, meanwhile, also ranked as high as No. 23 nationally and was the highest-rated class in the Big 12.

In the transfer portal this past offseason, Blanchard and his staff utilized a strategy of combing the country for the best possible targets months in advance, making the Red Raiders one of the best teams – if not the first – to offer a scholarship opportunity. The process brought rave reviews with On3.com calling it the best portal class in the country and 247Sports ranking the class of 20 transfers at No. 2 nationally.

Considered one of the top personnel directors in college football, Blanchard was named one of the top rising personnel and recruiting staffers in college football by On3.com in August 2022. He was also named to the 40 Under 40 list compiled by Dave Campbell's Texas Football in its summer 2025 edition of the top coaches and football personnel in the state.

Blanchard was in the midst of his second stint as Baylor's Assistant Athletics Director for scouting prior to joining McGuire upon his hire in November 2021. Blanchard had previously rejoined the Baylor football staff in January 2021 where he was responsible for identifying and pursuing prospective scholarship student-athletes. He previously served as Director of Recruiting for the Bears from March 2019 to May 2020 before accepting a position with the Carolina Panthers in the NFL.

While with the Panthers, Blanchard was responsible for breaking down opponent film and evaluating potential free agents for Carolina's front office. He departed Baylor for the NFL alongside former Baylor head coach Matt Rhule, who accepted the Panthers head coaching position following the 2019 season.

A native of Orange, Texas, Blanchard was a member of the football program at West Orange-Stark High School before studying psychology at Lamar University.

He is married to the former Kiara Fowler. The couple has five children – Kenley, Karrington, Karter, Kali and Kason.

BRIAN NANCE
Director of Player Personnel
Fourth Season
Baylor '18

Brian Nance enters his fourth season on the Texas Tech staff where he has helped build the Red Raiders into one of the top recruiting operations nationally under head coach Joey McGuire and general manager James Blanchard.

Texas Tech has signed a pair of top-25 classes and the No. 1 transfer portal class in the country since Nance arrived in Lubbock as part of McGuire's charter staff in 2022. Texas Tech's 2023 and 2024 classes ranked as high as No. 23 nationally, marking the first top-25 recruiting ranking for the Red Raiders in more than a decade by the major recruiting services.

The Red Raiders boasted the nation's top transfer class in the country this past offseason as Texas Tech bolstered its roster, mixing in another strong high school class with 20-plus transfers that drew the attention of programs across the country. The process brought rave reviews with On3.com calling it the best portal class in the country and 247Sports ranking the class of 20 transfers at No. 2 nationally.

Nance arrived at Texas Tech first as Director of Scouting before moving into the Director of Player Personnel role prior to the 2023 campaign. He pairs with Blanchard in helping identify future student-athletes as part of Texas Tech's NFL model in its personnel department.

Nance joined the Red Raider football program after previously serving on the staff at Baylor where he worked alongside both McGuire and Blanchard. Nance joined the Baylor staff in 2019, first as assistant director of football operations under then head coach Matt Rhule before moving to the recruiting side as associate director of player personnel in 2020.

Baylor played in two Big 12 title games during Nance's three seasons on staff as the Bears fell to Oklahoma in 2019 before topping Oklahoma State in 2022. Both trips led to appearances in the Allstate Sugar Bowl as Baylor was a combined 25-12 overall over his three seasons.

In addition to his time at the collegiate level, Nance joins a list of Texas Tech staffers who have experience as part of the Texas High School Coaches Association (THSCA) after serving as an assistant coach at Temple High School near Waco in 2018. He joined the Baylor staff immediately following that football season.

Nance was a three-year letterwinner at Baylor from 2014-17 where he developed into one of the top defensive linemen in the Big 12 his senior season. Nance appeared in 38 games with 10 starts as a Bear, capping his tenure with a strong senior campaign that featured career highs with 33 tackles, 8.5 tackles for loss and 2.5 sacks.

A native of Buffalo, New York, Nance graduated from Euless (Texas) Trinity High School in the Dallas-Fort Worth metroplex in 2012. He earned his degree in kinesiology and leisure studies from Baylor in 2018.

Nance and his girlfriend, Aereal Dickerson, a 2016 Baylor graduate, have three children: Jayvon, Brielle and Brian III.

Quintin Jordan returned to his alma mater in 2022 as the Director of Football Operations as part of Joey McGuire's charter staff at Texas Tech.

In his role, Jordan is instrumental in many of the behind-the-scenes aspects of the football program, assisting with the planning and execution of team travel, while serving as the primary contact for the initial eligibility process of incoming student-athletes, which includes Texas Tech's admissions, progress towards degree, financial aid and NCAA certification offices. Jordan also coordinates Texas Tech's annual senior and junior retreats each summer as well as numerous team events throughout the calendar year.

Jordan has added additional responsibility beginning with the 2025 season as he help oversee Texas Tech's revenue-share budget, forming a team with Associate A.D. for football administration Antonio Huffman and general manger James Blanchard to keep the Red Raiders at the forefront of the changes in college football.

Jordan reunited with McGuire not long after his hiring at Texas Tech as the previously were on the same staff at Baylor over a four-year span. Jordan served as the Director of Football Operations over his final three years at Baylor where the Bears enjoyed two 11-win seasons and won the Big 12 title during his final season on staff in 2022. Baylor also played in the Big 12 Championship game in 2019.

Jordan began his tenure with the Bears as the associate director of student-athlete development in July 2018 being moving directly on the football staff under head coach Matt Rhule. Jordan was not only retained but promoted when Baylor head coach Dave Aranda was hired in 2020, placing him in charge of many of the logistical aspects of the program as Director of Football Operations.

In his role with the student-athlete development office, Jordan was responsible for managing the leadership development program as well as the First Year Course, Personal Skills programming and the Student-Athlete Advisor Committee (SAAC).

DAVE MARTIN
Director of Player Development
Fourth Season
East Central Oklahoma '99

Dave Martin reunited with head coach Joey McGuire shortly after his hire at Texas Tech as he was named Director of Player Development on his charter staff.

The role is an important one for McGuire, who quickly plunked Martin to oversee many of the Red Raiders' initiatives in the Lubbock community. Martin, a former assistant coach under McGuire at Cedar Hill High School, is also the football liaison for the academic advising staff located at the Marsha Sharp Center for Student-Athletes. On the field, he assists with the secondary.

Martin arrived in Lubbock as one of the top high school coaches in his native state of Oklahoma as he was an impressive 138-38 over 14 seasons as the athletic director and head football coach at Jones High School in the Oklahoma City area. Martin led his alma mater to seven district championships and a playoff appearance in all but one season, making Jones easily one of the top programs in the state.

The highlight of his tenure came in 2016 when Jones claimed the Class 3A state title, the first for the Longhorns in school history. The monumental win for Jones followed similar close finishes under Martin as the Longhorns appeared in the state title game previously in 2011, his fourth season as head coach, and then the state semifinals in 2012 and 2015. Jones returned to the state semifinals a year after that state title victory in 2017 as well.

The 2016 season earned Martin a slew of coaching honors as he was tabbed the All-State Coach of the Year by The Oklahoman, the Jim Thorpe Award Oklahoma Hall of Fame Coach of the Year, the Oklahoma Sports Hall of Fame Coach of the Year, the Region 8 Coach of the Year and District Coach of the Year. He was named the top coach in the district seven times over his tenure and was twice recognized with region and Oklahoma Sports Hall of Fame honors.

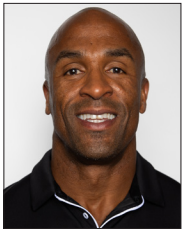

As an athletics director, Martin also oversaw two other sport programs in baseball and women's basketball that claimed state titles during his tenure. His work as an administrator was twice recognized by his peers as he was named the District 8 Athletic Director of the Year following the 2018 and 2019 academic years.

Martin, a member of the Texas High School Coaches Association (THSCA), the Oklahoma Coaches Association (OCA) and the Oklahoma Football Coaches Association (OFBCA), began his coaching career alongside McGuire as the outside linebackers coach at Cedar Hill under then head coach Robert Woods. Once McGuire was promoted to head coach prior to the 2003 season, Martin shifted over to oversee the defensive backs.

Cedar Hill was the first coaching position for Martin after he earned his degree in science and education from East Central Oklahoma University in 1999. Martin returned to his native state of Oklahoma in 2004 to become the defensive coordinator at Harrah High School just east of Oklahoma City. That position helped him return to Jones as an assistant coach in 2007 before being promoted to the top chair the following season.

Martin and his wife, Tara, are parents to two children, a son, Braiden, and a daughter, Blakeley. Braiden was previously a student assistant coach for the Red Raider football program, while Blakeley is entering her sophomore year of high school.

FOOTBALL STAFF

SAMMY MORRIS
Director of Player Support & NFL Liaison
Fifth Season
Texas Tech '99

Texas Tech great and NFL veteran Sammy Morris enters his fifth season on the Red Raider football staff as the Director of Player Support Development and NFL liaison.

In his role, Morris is Texas Tech's liaison to NFL scouts and team personnel as part of head coach Joey McGuire's open-door policy for all 32 teams. Morris also puts together a video series for the Red Raiders, presenting various football situations as part of his weekly Football IQ series. His most important role, however, is as a life coach and advisor for more than 100 student-athletes in the football program based on his own experiences as an athlete at both the collegiate and professional levels. Morris often serves as an advisor for freshman and transfer student-athletes entering the program.

The job responsibilities outlined possibly couldn't be a better fit for Morris, who has his own unique story that easily relates to student-athletes. Once one of the top athletes to come out of the San Antonio area, Morris looked to be the future at running back for the Red Raiders as a freshman in 1996 before academic issues kept him off the field for the next three seasons.

Morris returned and was elected a team captain prior to his 1999 senior season where he had a memorable 170-yard performance against rival Texas A&M and eventually led the team with 948 all-purpose yards. His efforts were recognized following the season as he was tabbed the Pete Cawthon Memorial Team MVP and was honored with Donny Anderson Sportsmanship Award.

Morris' redemption story earned him an opportunity at the next level a few months later when the Buffalo Bills selected him in the fifth round of the 2000 NFL Draft. The Bills were one of four stops during his 12-year NFL career as he played in Super Bowl XLII with the Patriots. He played for Buffalo from 2000-03 before stints with the Dolphins (2004-06), Patriots (2007-10) and the Cowboys (2011).

Following his playing career, Morris served as an assistant coach for Attleboro High School (Mass.) beginning in 2013 and then as an assistant strength and conditioning coach with the Patriots from 2016-18. Morris, who was part of the Patriots' Super Bowl LI championship team, was hired in 2018 as the running backs coach at Dean College.

The son of an Air Force veteran, Morris earned his undergraduate degree at Texas Tech in communications studies in the fall of 1999.

He and his wife, Leslie, are parents to three children, daughters, Kiera and Jadyn, and a son, Sammy. Kiera and Jadyn are both graduates of Texas Tech, while Sammy was a four-year member of the football program (2021-24). He will be a senior defensive back at Abilene Christian during the 2025 season.

JACK TEACHEY
Senior Defensive Analyst
First Season
East Tennessee State '91

Jack Teachey enters his first season as a senior defensive analyst on the Texas Tech staff where he reunites with new defensive coordinator Shiel Wood and provides the Red Raiders with another veteran coach on that side of the ball.

Teachey previously spent 20 years in various roles at Wofford where he was on the coaching staff during the playing careers of both Wood and new safeties coach Rob Greene. Wood and Teachey would later work on the same Wofford staff from 2011-12 with Wood as the safeties coach and Teachey as the defensive line coach.

Teachey was promoted to Wofford's defensive coordinator during his final season on staff in 2013. He coached the defensive line for 16 of his 20 seasons, while also serving as the recruiting coordinator from 1999-2012 where he recruited and coached 19 eventual All-Conference standouts and seven All-Americans. He was also responsible for recruiting two Southern Conference Offensive Player of the Year selections.

Teachey began his career at Wofford as the tight ends and tackles coach in 1994 before moving to the defensive side of the ball as the outside linebackers coach from 1995-97. In addition, Teachey also served as the strength and conditioning coach at various stretches for a program that claimed four Southern Conference titles and advanced to the NCAA FCS playoffs five times overall.

Teachey departed Wofford following the 2013 season – his first as defensive coordinator – to accept a position with a local church. His time away from football didn't last long, though, as he became a volunteer defensive consultant at nearby Topsail High School in North Carolina the following year. He soon earned his teaching certificate, joining the Topsail program as a full-time assistant coach in 2015.

Teachey was named Topsail's head coach prior to the 2022 season where he led the Pirates to their first two playoff appearances in school history. Topsail marked Teachey's second stint at the prep level as he began his coaching career as an assistant coach at Cherryville High School in North Carolina – his alma mater - in 1992 and then North Pitt High School in 1993.

Prior to joining the coaching profession, Teachey was a four-year letterwinner and three-year starter at tight end for East Tennessee State. Teachey earned All-SoCon honors as a junior in 1989 and was a team captain the following season as a senior. He earned his bachelor's degree in political science from East Tennessee State in 1991.

A native of Wilmington, North Carolina, Teachey is engaged to Ellen Wilcox. The couple has four children in Emma Kate, Lillie, Ryder and Halen.

Baskerville during his three seasons at Texas Tech.

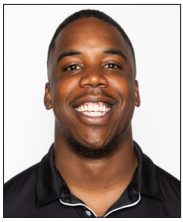

Waters, playing the "star" position in Texas Tech's defensive system, ranked second among defensive backs with 13.0 tackles for a loss as a senior in 2022 before signing as an undrafted free agent by the New York Jets. Taylor-Demerson, meanwhile, was selected in the fourth round of the 2024 NFL Draft by the Arizona Cardinals after a strong final two seasons where he combined for seven of his 10 career interceptions and was among the team leaders with 73 tackles both years. Owens was an undrafted free agent signee that developed into one of Washington's top special teams standouts on its NFC Championship team.

All five defensive backs Conry worked with at Cal enter the 2025 season on NFL rosters, meanwhile, as Davis, a finalist for the Burlsworth Trophy (nation's top walk-on), was selected in the third round of the 2020 NFL Draft by the New York Jets. Byrnum heard his name called in the fourth round a year later by the Minnesota Vikings, while Hicks was chosen in the seventh round of the 2022 draft by the Chicago Bears and Scott was picked in the fifth round of the 2023 draft by the Indianapolis Colts. Hawkins, an undrafted free agent, enters his sixth NFL season in 2025 as a member of the New England Patriots.

Conry was hired at Cal after previously serving as a student coaching intern while earning his undergraduate degree from Ohio State. Conry began his tenure with the Buckeyes as a recruiting intern for the 2014-15 campaigns before later working with the cornerbacks position room for the remainder of his tenure. Conry was part of the Ohio State program in 2014 when the Buckeyes claimed the College Football Playoff National Championship.

XAVIER WHITE
Offensive Assistant (WRs)
First Season
Texas Tech '22

Xavier White rejoined the Texas Tech football program in a new role this offseason as he enters his first season as an offensive assistant working with the Red Raider wide receivers.

This is the first coaching position for White, who concluded his playing career in 2023 as one of the most-versatile Red Raiders in recent memory. His hire reunites the Lubbock native with not only head coach Joey McGuire but offensive passing game coordinator and wide receivers coach Justin Johnson after he was White's position coach as a senior.

White, a product of Lubbock Monterey High School, returned to West Texas after playing his true freshman season at Dodge City Community College in Kansas. He was a breakout performer of preseason camp prior to the 2019 campaign, rising from a walk-on to a member of Texas Tech's receiver rotation by the season opener. He transitioned to running back the next season, giving the Red Raiders a dynamic option out of the backfield and in the return game.

White moved back to the wide receiver room upon McGuire's hire in 2022 as he was Texas Tech's leader in all-purpose yards that season and its second-leading receiver. White led the Red Raiders with 556 receiving yards as a senior in 2023 en route to concluding his career with 133 catches for 1,524 yards and six touchdowns.

White appeared in 51 games overall for the Red Raiders, totaling 2,731 all-purpose yards during that span thanks to an additional 754 rushing yards and five touchdowns on the ground and 453 yards as either a punt (46) or kick (407) returner. To date, he is one of only two Red Raiders since 2000 to record multiple games with at least 100 rushing yards in a career as well as two or more 100-yard receiving performances, joining Taurean Henderson.

White earned his bachelor's degree from Texas Tech in 2022 in university studies. He married his wife, Jaiden, in June 2024.

TAYLOR YOUNG
Asst. Inside Linebackers Coach
Second Season
Baylor '16

Taylor Young enters his second season on the Texas Tech coaching staff as a defensive quality control coach working with the Red Raider inside linebackers.

Young's arrival in Lubbock reunited him with many on the Texas Tech staff from his time as a student-athlete at Baylor. Young was one of the Big 12's most-imposing linebackers over his four-year career, totaling 325 tackles, 39.0 tackles for loss and 15.5 sacks, all while earning All-Big 12 honors three times and also being named Big 12 Defensive Newcomer of the Year by the Associated Press in 2014 and the Defensive MVP of the 2015 Cotton Bowl.

Young, whose last season coincided with head coach Joey McGuire's arrival in Waco as an assistant coach, remains one of the top tacklers in Baylor history as he still ranks third in career tackles for loss, fourth for both career solo tackles and sacks and tied for eighth in total tackles. Young made 40 career starts at linebacker for the Bears before being invited to training camp with the Arizona Cardinals after completing his collegiate career.

Young was able to help pass along that same wisdom during his first season with the Red Raiders as inside linebacker Jacob Rodriguez earned All-Big 12 first team honors as one of the top tacklers in college football. Rodriguez, only the third Red Raider in program history to garner All-Big 12 first team honors, recorded 127 tackles on the season, ranking third in the FBS for the category, all while finishing as one of the country's top contributors to takeaways.

This is Young's third coaching stint at the collegiate level as he was previously a graduate assistant for Baylor during the 2019-20 seasons as well as a quality control assistant at North Texas for the 2021 campaign. Young assisted the linebacker room at both schools, while also contributing to North Texas' special teams units during his lone season in Denton.

2024
SEASON REVIEW

SEASON NOTES

▲ Texas Tech debuted a new footwear, uniform, apparel and accessory partner in 2024 after signing a 10-year agreement with adidas. The collaboration comes as part of adidas' evolving work with brand partner and Texas Tech alumnus Patrick Mahomes II.

WELCOME TO THE THREE STRIPE LIFE

■ Texas Tech had a new footwear, uniform, apparel and accessory partner beginning with the 2024 season after signing a 10-year agreement with adidas. The collaboration comes as part of adidas' evolving work with brand partner and Texas Tech alumnus Patrick Mahomes II, who will be the first adidas athlete to have his logo featured on official collegiate apparel. Texas Tech and adidas have already launched co-branded apparel featuring Mahomes' signature Gladiator logo.

■ On a busy day in college athletics, the Texas Tech and adidas announcement reached 17 million users across social media platforms as part of a large-scale unveiling that incorporated "ripping the tape" off the partnership, a reference to the shirt Mahomes infamously wore at the 2019 Men's Final Four.

■ As part of the partnership, all eligible student-athletes at Texas Tech will have the opportunity to join the brand's historic NIL Ambassador Network, which gives all student-athletes at adidas-partnered Division 1 schools the chance to benefit from their Name, Image and Likeness. Since its inception, over 12,000 student-athletes nationwide across a variety of sports have participated in the network, earning a percentage of the sales they drive for key products and campaigns.

■ adidas and Patrick Mahomes unveiled a new Texas Tech football uniform that features Mahomes' signature "Gladiator" logo — one of the first times in history that an athlete's personal brand has been included in official on-field apparel. The Red Raiders utilized the Mahomes Strategy uniform at home against Colorado.

FAN EXCITEMENT AT AN ALL-TIME HIGH

■ Texas Tech sold out of season tickets for the second consecutive season in early May as Red Raider fans purchased more than 32,000 season passes for the 2024 campaign. Texas Tech also sold out of its entire premium seating inventory in all areas of Jones AT&T Stadium, including the new south end zone addition.

■ Over his three seasons as head coach, Texas Tech has added more than 13,000 season tickets since McGuire's hiring in November 2021. Texas Tech previously sold 28,000 season tickets for McGuire's debut season in 2022, which, like this year's total, ranks among the top-10 highest season ticket counts in program history.

■ Texas Tech had a capacity crowd of 60,229 fans on hand four times this season with sellouts against Abilene Christian, Cincinnati, Baylor and Colorado.

■ Texas Tech averaged 58,623 fans inside Jones AT&T Stadium in 2024, which ranked 31st nationally and second in the Big 12 Conference behind only BYU. It ranked as the second-highest single-season average in school history, slightly trailing the 2014 average of 58,934 over six games.

SOUTH END ZONE OFFICIALLY OPEN

■ Texas Tech officially opened the South End Zone and Dustin R. Womble Football Center project in 2024, featuring more than 340,000 combined square feet of space with a blend of world-class modern design and technology elements with Spanish Renaissance architecture well known to Texas Tech supporters. The $242 million project marks the largest contiguous football facility in the country, connecting the south end zone building to the Womble Football Center and the Sports Performance Center, which opened in 2017 as Texas Tech's indoor football practice facility and indoor track and field venue.

■ The opening of the South End Zone Building to Jones AT&T Stadium officially closed The Campaign for Fearless Champions, one of the most-successful fundraising initiatives in university history that raised more than $500 million to transform Texas Tech's athletic facilities across every sport, while also pouring resources into the student-athlete experience through scholarship endowments and the creation of the J.T. and Margaret Talkington Office of Student-Athlete Development.

600-WIN MILESTONE

■ The Red Raiders secured their 600th all-time win against Arizona State on Sept. 21. Texas Tech finished its 2024 campaign, its 100th year of football, with 605-485-32. Among power conference schools founded since 1900, it is the third-most wins nationally, trailing only Miami (661) and UCLA (631).

WHERE THE REGULAR SEASON RANKED...

■ Texas Tech secured its third season with six or more Big 12 victories with its win over West Virginia in the regular-season finale, marking the third-consecutive season under Joey McGuire that the Red Raiders have won five or more conference games. In its history, Texas Tech had won five or more league games over three consecutive seasons only once previously, from 1995-97, when the Red Raiders were transitioning from the Southwest Conference to the Big 12.

■ The victory over the Mountaineers placed the Red Raiders in a special category as only the third team to win six Big 12 wins since Texas Tech joined the Big 12 in 1996. The Red Raiders were 6-2 in league play in 2005 and then 7-1 in 2008, with both seasons resulting in trips to the Cotton Bowl.

■ Texas Tech's win over West Virginia also punched its first eight-win regular season since 2009. A victory over Arkansas in the bowl game would also mark Texas Tech's first nine-win season since that same 2009 campaign.

■ Texas Tech's win at Oklahoma State a week earlier solidified a 3-2 road record this season, with all three wins coming in Big 12 play. The Red Raiders had not won three or more true road games in a season previously since 2008.

SEASON NOTES

BROOKS SNAPS HANSPARD'S CAREER RECORD

■ Tahj Brooks became Texas Tech's all-time career rushing leader against Colorado with a 25-yard run to start the Red Raiders' fourth-quarter drive against Colorado. The rush attempt pushed him past Byron Hanspard's previous career record of 4,219 yards, which was set during his 1996 Doak Walker Award season. Brooks closed his Red Raider career with 4,557 rushing yards as he announced he will not participate in the AutoZone Liberty Bowl.

■ Brooks combined for 321 rushing yards and six touchdowns over Texas Tech's final two games against Oklahoma State and West Virginia en route to moving into fourth place all-time in the Big 12 record book. The only three Big 12 running backs with more career rushing yards than Brooks are Cedric Benson (Texas), Ricky Williams (Texas) and Darren Sproles (K-State).

■ Brooks rushed for at least 100 yards in 23 different games during his career, which snapped the Texas Tech all-time record of 21 that was previously set by Byron Hanspard. Brooks ended his career ranked fourth for career 100-yard games in the Big 12 record book, trailing only Ricky Williams (Texas) with 25 as well, as Cedric Benson (Texas) and Darren Sproles (K-State), who both had 24 during their respective tenures.

■ Brooks' 11 different 100-yard games, in 11 games played in 2024, snapped the Texas Tech single-season record of 10 that was previously set by both Byron Hanspard (1996) and Byron Morris (1993). Brooks entered bowl season as one of only two FBS players to have rushed for at least 100 yards in every game in 2024 (min. 7 games), joining Boise State's Ashton Jeanty.

■ Brooks registered 19 different 100-yard games over his last 22 outings dating back to the 2023 season. In the three games he did not eclipse 100 yards during that span, he recorded at least 95 yards in each contest, which is the longest streak for an FBS player since 1996.

■ Brooks ended 2024 as the only Red Raider all-time and only the third player in Big 12 history to rush for 1,500 yards twice in a career, joining the likes of Kendall Hunter of Oklahoma State (2008, 2010) and Ricky Williams of Texas (1997-98). Brooks is the fifth Red Raider in program history with consecutive 1,000-yard seasons, joining the likes of James Hadnot (1978-79), Byron "Bam" Morris (1992-93), Byron Hanspard (1995-96) and DeAndre Washington (2015-16).

■ Brooks was a semifinalist for the Earl Campbell and Doak Walker Awards as well as a finalist for the William V. Campbell Trophy presented by the National Football Foundation.

THE 1,500, 1,000-YARD CLUB

■ For the first time in its history, Texas Tech boasted both a 1,500-yard rusher and a 1,000-yard receiver behind running back Tahj Brooks and wide receiver Josh Kelly in 2024. Both went over their respective marks in the regular-season finale against West Virginia, with Brooks rushing 23 times for a career-high 188 yards, while Kelly finished with nine receptions for 150 yards.

■ Texas Tech was joined by Arizona State as the only two schools in the country with a 1,500-yard rusher and a 1,000-yard receiver entering bowl season.

▲ After rushing for 1,538 yards in 2023, the fourth-most in the FBS, **TAHJ BROOKS** ranked third in the FBS in 2024 in rushing yards per game (136.8) en route to setting the Texas Tech program record for career rushing yards. After 1,505 rushing yards in 11 games in 2024, Brooks finished with 4,557 career rushing yards.

3,000/1,000/1,000

■ Texas Tech had its second season in program history with a 3,000-yard passer (Behren Morton-3,335), a 1,000-yard rusher (Tahj Brooks-1,505) and a 1,000-yard receiver (Josh Kelly-1,023). It was the first occurrence since the 2015 season when it was first accomplished by Patrick Mahomes II (4,653 passing), DeAndre Washington (1,492 rushing) and Jakeem Grant (1,268 receiving).

■ More offense: Texas Tech topped 6,000 yards of total offense for the first time since the 2017 season (6,170), having posted 6,015 total yards in 2024.

■ The Red Raiders manufactured 37.6 points per game in 2024, the most since 2016 when Patrick Mahomes II guided Tech to an average of 43.7 points per game.

MORTON OPTS IN

■ Texas Tech junior quarterback Behren Morton announced he would miss the AutoZone Liberty Bowl in preparation for his senior season in 2025 after undergoing shoulder surgery on Dec. 10 in Los Angeles. True freshman quarterback Will Hammond was slotted to make his first career start in Morton's place for the Red Raiders' AutoZone Liberty Bowl contest on Dec. 27.

■ The elective surgery was performed by Dr. Neal ElAttrache, a leading orthopedic surgeon specializing in shoulder injuries. Dr. ElAttrache, who was recommended by Texas Tech medical director and orthopedic surgeon Dr. Kevin Crawford and its sports medicine staff, is also the head team physician for the Los Angeles Dodgers and Los Angeles Rams and has significant experience with professional athletes across the NFL and Major League Baseball.

■ "After hearing from several leading NFL medical experts, my family and I felt it was best to get this procedure done now so that I can fully rehab this spring and be ready for the start of summer workouts," Morton said. "As I've said all year, this injury did not impact me at all this past season. I elected to undergo this surgery now for my long-term success, which will allow me to invest more time in offseason strength and conditioning and my development as a quarterback. I love this team and will be there every step of the way as a captain and leader entering the bowl game."

■ Morton's 3,335 passing yards over 12 games in 2024 were the most by a Red Raider since Nic Shimonek's 3,963 in 2017. Morton's 277.9 yards per game ranked 8th-best in the FBS. He was the first Red Raider quarterback to start all 12 games in the regular season since Patrick Mahomes II in 2016.

2025 TEAM CAPTAINS

■ In what was a unique move, Joey McGuire announced back in January of 2024 the naming of five team captains for the following season. The five who were appointed to that role were senior running back Tahj Brooks, senior offensive lineman Caleb Rogers, junior quarterback Behren Morton, junior linebacker Jacob Rodriguez and senior linebacker Bryce Ramirez. The five captains, all previous members of McGuire's leadership committee during the 2023 season, were tasked with identifying and developing new leaders for the football program throughout spring practices as well as enhancing Texas Tech's player-led culture. This was the first time during McGuire's tenure that he had named set captains that early, as he previously relied on a leadership committee of upperclassmen from each position group. Furthermore, the five wore the letter "C" on their respective jerseys, also a first under McGuire.

■ The custom of selecting game day captains continued during the season, those selected to serve that role, in addtion to the five afforementioned individuals included: C.J. Baskerville, Ty Buchanan, De'Braylon Carroll, Davion Carter, Jalin Conyers, Coy Eakin, Charles Esters III, Gino Garcia, Josh Kelly, Jackson Knotts, Quincy Ledet Jr., Bralyn Lux, Drae McCray, Johncarlos Miller II, Joseph Plunk, Ben Roberts, Issac Smith and Mason Tharp.

- The Texas Tech defense allowed two of its three most explosive plays through its first eight games. It surrendered a 75-yard strike in the first quarter, matching the longest play allowed in 2024 (75-yd play to UNT), followed by a fourth-quarter 84-yard pass that put the Horned Frogs in front (35-34), setting a new high.

POSTGAME NOTES

- Texas Tech earned its eighth win, marking the Red Raiders' first eight-win regular season since 2009.
- Texas Tech earned its sixth Big 12 win, marking the third time in program history that Tech earned six Big 12 wins in a season (2005, 2008, 2024).
- Texas Tech finished with a winning Big 12 record for the third-straight season. Before Joey McGuire arrived in 2022, the Red Raiders' last season with a Big 12 record above .500 was in 2009.
- Texas Tech eclipsed 50 points for the second-straight game. The last time the Red Raiders scored 50 or more in back-to-back Big 12 games was in 2003 (Oct. 4, Texas A&M; W, 59-28/Oct. 11, Iowa State; W, 52-21).
- Tahj Brooks eclipsed 1,500 rushing yards on the season in the win, while Josh Kelly topped 1,000 receiving yards. It marked the first time in program history that a Tech running back surpassed 1,500 rushing yards and a wide receiver surpassed 1,000 receiving yards in the same season.
- Tahj Brooks set a single-game career-high for rushing yards with 188 in what would be his final game as a Red Raider. He extended his streak of 95 rushing yards or better to 22 straight games. It's the most consecutive games with at least 95 rushing yards by any FBS player dating back to 1996.
- Tahj Brooks eclipsed 5,000 career all-purpose yards, finishing with a single-game career-high 233 all-purpose yards.

POSTGAME NOTES

- The Red Raiders' loss marked their first in a bowl game to an unranked opponent since falling to Iowa, 19-16, in the 2001 Alamo Bowl. It was also the first bowl game loss suffered by Joey McGuire after victories in bowl games in 2022 and 2023.
- Despite the loss, Texas Tech finished the season with eight wins, its second eight-win season under Joey McGuire in three years, and the 28th eight-win season all-time in school history.
- As senior Tahj Brooks opted out of the bowl game in preparation for the NFL Draft, the true freshmen running back tandem of Cameron Dickey (74) and J'Koby Williams (123) helped the Red Raiders rush for 217 yards against Arkansas. The 217 team rushing yards marked the third-most accumulated by the Red Raiders in 2024 and was the fourth time to eclipse 200 yards rushing in a game.
- Will Hammond was the eighth true freshman in school history to start at quarterback and the second to do so in a bowl game, joining Davis Webb, who was the Offensive MVP of the 2013 Holiday Bowl victory over Arizona State.
- The defense allowed the longest explosive rushing play (70 yards) and the longest explosive pass play (94 yards), both in the first quarter, of the 2024 season, as Arkansas built a 21-3 lead after the first quarter.

RIVALRY TROPHY

BATTLE FOR THE SADDLE TROPHY - TCU

Texas Tech and TCU brought back an old tradition in 2017 with the return of the Saddle Trophy. The two schools played for the Saddle Trophy for 10 seasons from 1961-70 before the trophy suddenly disappeared. After discussions between both schools, a new saddle was created by M.L. Leddy's Boots and Saddlery in Fort Worth. It sits on a stand and includes the logos for both TCU and Texas Tech. The Red Raiders shut out a 21st-ranked TCU team in the first-ever battle for the Saddle Trophy in 1961, which at the time was dubbed the "West Texas Championship." The two schools ultimately finished 5-5 against each other during the "West Texas Championship" era and then continued to face each other annually from 1971 until the Southwest Conference's closure in 1995. The 2024 contest between Texas Tech and TCU in Lubbock will mark the 67th all-time meeting.

NATIONAL AWARDS

BILETNIKOFF AWARD

Presented annually to the nation's top receiver, regardless of position, by the Tallahassee Football Club Foundation.

Michael Crabtree • 2007, 2008

Crabtree became the first two-time winner of the Biletnikoff Award in 2008, cementing his status as one of the top wide receivers in college football history. Crabtree was the first Big 12 player to ever garner the prestigious award as well as the first player from a state of Texas school. To date, he remains one of only two players in history to be recognized with the trophy twice in a career.

Crabtree became the first freshman to win the Biletnikoff Award and the 14th overall winner when he took home the trophy for the first time in 2007. He set the Texas Tech single-season marks as well as the NCAA freshman records for receptions (134), receiving yards (1,962) and receiving touchdowns that season. His impressive debut has not been matched to this date as he still ranks third all-time in NCAA history for single-season receiving yards and first among power-five receivers. Crabtree followed with 1,165 yards and 19 touchdowns through the air as a sophomore en route to leading the Red Raiders to an appearance in the Cotton Bowl. His highlight moment came against Texas that season where he hauled in the game-winning catch from Graham Harrell, a 28-yard strike with one second remaining to top No. 1 Texas. It marked the first time in school history Texas Tech had defeated a top-ranked opponent.

PAUL WARFIELD TROPHY

Presented annually to the nation's top wide receiver by the Touchdown Club of Columbus. The trophy ceased to exist after the 2018 season.

Michael Crabtree • 2007, 2008

Like the Biletnikoff Award, Crabtree became the first two-time winner of the Paul Warfield Trophy as he earned the accolade following each of his two seasons as a Red Raider.

DOAK WALKER AWARD

Presented annually to the nation's top running back by the PwC SMU Athletic Forum based in Dallas.

Byron "Bam" Morris • 1993

Morris was only the fourth all-time winner of the Doak Walker Award in 1993 as he rushed for 1,752 yards to break Earl Campbell's single-season Southwest Conference rushing record. Morris snapped the Texas Tech single-season marks for rushing yards and rushing touchdowns after finding the end zone 22 times via the ground, a record that still stands to this day. He led the FBS that season for points per game and ranked second in total points and rushing yards.

Byron Hanspard • 1996

Hanspard became only the sixth player in FBS history to rush for 2,000 yards in a season en route to winning the Doak Walker Award in 1996. Hanspard snapped Morris' previous single-season rushing record with 2,084 yards, needing only five games to reach the 1,000 yard mark alone, the fastest any player had done so in NCAA history. He remains the Texas Tech single-season record holder for rushing yards and attempts to this day as well as the all-time leader for career rushing yards (4,219). Hanspard was tabbed a unanimous All-American selection en route to leading the Red Raiders to an appearance in the Alamo Bowl. Hanspard, a second round selection in the 1997 NFL Draft, became only the third unanimous All-America honoree in program history.

Donny Anderson and Graham Harrell are Texas Tech's highest finishers all-time in the voting, finishing fourth overall in 1965 and then 2008.

NATIONAL AWARDS

SAMMY BAUGH TROPHY

Presented to the nation's top quarterback by the Touchdown Club of Columbus. The award ceased to exist after the 2018 season. Texas Tech is one of only three FBS schools in the nearly 60-year existence of the award to have four different winners.

Kliff Kingsbury • 2002

Kingsbury became Texas Tech's first-ever recipient of the Sammy Baugh Trophy in 2002 after he threw for a then-school record 5,017 yards and 45 touchdowns en route to leading the Red Raiders to a 9-5 record and a victory over Clemson in the Tangerine Bowl. At the time, Kingsbury was only the third quarterback in FBS history to record 5,000 passing yards in a season as he closed his collegiate carer as the NCAA record holder for completions, passing attempts and total offensive plays.

B.J. Symons • 2003

Symons replaced Kingsbury a year later and kept the Red Raider offense rolling to the tune of an NCAA-record 5,833 passing yards. In the history of the award, it marked only the third time where two different quarterbacks had claimed the Sammy Baugh Trophy in consecutive seasons. Symons ran away with the award as he led the nation in nearly every passing category, setting FBS records for passing yards and passing touchdowns (52).

Graham Harrell • 2007

Texas Tech had to wait until the 2007 season for its third all-time winner of the Sammy Baugh Trophy as Harrell claimed the award following a strong junior campaign. Harrell was only the sixth quarterback in FBS history to throw for 5,000 yards in a season at the time as he blistered opposing defenses to the tune of 5,705 passing yards and 48 touchdowns. Texas Tech boasted the nation's top passing offense again that season as the Red Raiders ultimately finished 9-4 overall with a win over No. 20 Virginia in the Gator Bowl.

Patrick Mahomes II • 2016

Mahomes was named Texas Tech's fourth winner of the Sammy Baugh Trophy in 2016 as he became the fifth Red Raider all-time to lead the country in passing yards. Mahomes did it in only 12 games, becoming only the third quarterback in FBS history to record at least 5,000 passing yards in 12 games or less. Mahomes was also a threat with his legs, rushing for 285 yards and 12 touchdowns to become only the third FBS quarterback in history to record 5,000 yards of total offense twice in a career. Mahomes, in his final season as a Red Raider, ranked sixth all-time in FBS history for total offense and 12th for passing yards.

JOHNNY UNITAS GOLDEN ARM AWARD

Presented to the nation's top quarterback by the Johnny Unitas Foundation.

Graham Harrell • 2008

Harrell capped his legendary Red Raider career by being named the winner of the Johnny Unitas Golden Arm Award following a memorable senior season. Harrell threw for 5,111 passing yards and 45 touchdowns as a senior en route to becoming the first Texas Tech quarterback to earn first team All-America honors. Behind Harrell's arm, Texas Tech won its first 10 games that season, rising to as high as No. 2 in the polls after downing top-ranked Texas with his memorable touchdown pass to Michael Crabtree in the final seconds. Texas Tech matched its school record with 11 wins on its way to the fourth Cotton Bowl appearance in program history.

Since 2009, the NCAA recognizes All-Americans selected by the Associated Press (AP), Football Writers Association of America (FWAA), American Football Coaches Association (AFCA), Walter Camp Foundation (WCFF) and Sporting News (TSN, from its historic name of The Sporting News) to determine consensus and unanimous All-Americans.

To be selected a consensus All-American, players must be chosen to the first team on at least half of the five official selectors as recognized by the NCAA. Second- and third-team honors are used to break ties. Players named first-team by all five selectors are deemed unanimous All-Americans.

▲ **MICHAEL CRABTREE** had one of the most dominant two-year stretches in college football history being a back-to-back unanimous All-American and back-to-back winner of the Biletnikoff Award over the 2007-08 seasons.

The AFL held drafts from 1960-66, starting in 1967, after the NFL agreed to merge with the AFL, the two leagues conducted a "common draft" for three seasons, which was in turn replaced with the modern NFL Draft in 1970, upon the completion of the AFL/NFL merger.

The AFL Redshirt Draft was a supplemental draft held by the American Football League for players who had delayed their graduation by taking a redshirt year in college, thus still having a year of eligibility. This allowed the AFL to draft players who would be available for their teams in the following year.

1947	Roland Nabors, C	18th	New York Yankees (AAFC)
	Nabors also selected in the NFL Draft by the Boston Yanks		

The All-America Football Conference (AAFC) was a major professional American football league that challenged the established National Football League (NFL) from 1946 to 1949. One of the NFL's most formidable challengers, the AAFC attracted many of the nation's best players. However, the AAFC was ultimately unable to sustain itself in competition with the NFL. After it folded, three of its teams were admitted to the NFL: the San Francisco 49ers, the Cleveland Browns and the original Baltimore Colts (not to be confused with the second Baltimore Colts franchise that revived the name in 1953 and later moved to Indianapolis).

SUPER BOWL ACCOLADES

SUPER BOWL MVP

Patrick Mahomes II (2020, 2023, 2024)

Mahomes earned Super Bowl MVP honors following each of Kansas City's now three world titles during his reign as quarterback as he received the Pete Rozelle Trophy after Super Bowl LIV (2020), LVII (2023) and LVIII (2024). Mahomes, at only 24 years of age, became the youngest player in NFL history to collect Super Bowl MVP honors after Super Bowl LIV. After he was named Super Bowl MVP for the third time, he established a list of three alongside Tom Brady (five times) and Joe Montana (three times) who have earned Super Bowl MVP honors three or more times. Mahomes, Brady and Montana are also in rarefied air among the game's greatest quarterbacks as the only trio to have also won two MVPs and three Super Bowl MVPs.

NFL HONORS

▲ **ZACH THOMAS** became the first Red Raider to be inducted into the Pro Football Hall of Fame in Canton, Ohio, as a member of the 2023 class. Thomas was a five-time All-Pro selection and one of the top tacklers in NFL history over his 13 professional seasons with the Miami Dolphins and Dallas Cowboys.

PRO FOOTBALL HALL OF FAME

ZACH THOMAS, LINEBACKER **CLASS OF 2023**

Miami Dolphins (1996-2007); Dallas Cowboys (2008)

Long regarded as one of the top linebackers in NFL history, Zach Thomas will now officially have his place in Canton to prove it as the Texas Tech and Miami Dolphins great has been announced as a member of the 2023 class for the Pro Football Hall of Fame. Thomas becomes the first Red Raider in program history to be named an inductee into the Pro Football Hall of Fame. Thomas is already a member of the College Football Hall of Fame as a 2015 inductee as well as the Texas Tech Ring of Honor and Hall of Fame.

Thomas, a five-time first team All-Pro selection, was one of nine NFL greats selected for enshrinement as part of the 2023 class, joining the likes of cornerback Ronde Barber, linebacker Chuck Howley, defensive tackle Joe Klecko, cornerback Darrelle Revis, cornerback Ken Riley, left tackle Joe Thompson, fellow linebacker DeMarcus Ware and head coach Don Coryell.

Over his 13 NFL seasons, including 12 in Miami, Thomas quickly established himself as one of the league's most-consistent players not long after being selected in the fifth round of the 1996 NFL Draft. There were 153 players picked in that draft class prior to Thomas, but few, if any, possessed the same drive that defined his career. Once considered too small for the position, Thomas silenced his doubters with 10 seasons of at least 100 tackles, eventually finishing his career with 1,734 stops, the fifth-highest total in league history (since records began in 1987). He was a seven-time selection to the Pro Bowl, the most all-time for a Dolphins defender, and a two-time NFL Linebacker of the Year honoree.

Behind Thomas, the Dolphins developed into one of the NFL's top defensive units. Thomas was named the 1996 AFC Defensive Rookie of the Year and soon after, helped push Miami to a run of seven-consecutive seasons in the league's top 10 for total defense. His prowess for reading opposing offenses earned Thomas the reputation from opposing quarterbacks, including Peyton Manning, as one of the most difficult players to either get out of position.

Thomas becomes the third Dolphins defensive player in team history to be named to the Pro Football Hall of Fame, joining linebacker Nick Buoniconti and defensive end Jason Taylor. He is the 11th player or coach from the Miami Dolphins to earn the NFL's greatest honor.

The 2023 class for the Pro Football Hall of Fame will be formally inducted Aug. 5 at Tom Benson Hall of Fame Stadium in Canton, Ohio.

NFL MVP HONORS

Patrick Mahomes II (2018, 2022)

Mahomes was named the NFL MVP for both the 2018 and 2022 seasons, becoming the first Red Raider in program history to earn the league's highest athletic honor. Mahomes is only the ninth quarterback to earn MVP honors twice and the 10th player all-time to do so. He was also recognized as the NFL Offensive Player of the Year in 2018, his first season as the Kansas City Chiefs' starter.

COLLEGE FOOTBALL HALL OF FAME

NATIONAL FOOTBALL FOUNDATION
COLLEGE FOOTBALL HALL OF FAME

The National Football Foundation and College Hall of Fame recognizes those who made an impact on college football during their careers. There are more than 900 members currently in the Hall of Fame, selected from a pool of more than four million players throughout collegiate football history. Six are from Texas Tech – E.J. Holub, Donny Anderson, Dave Parks, Gabe Rivera, Zach Thomas and Michael Crabtree.

Holub became Texas Tech's first-ever inductee into the NFF College Hall of Fame in 1986 and was later joined by Anderson in 1989. Texas Tech has added four more former players as inductees in recent years as Parks was enshrined in 2008 while Rivera earned the call in 2012 with Thomas following in 2015. Crabtree was Texas Tech's most-recent inductee as he joined the prestigious club in 2022 as the first player from the Big 12 era to be inducted. Former head coach Jerry Moore (1981-85) was also inducted into the NFF College Hall of Fame in 2014.

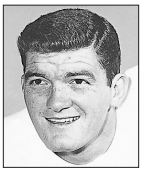

E.J. HOLUB, CENTER/LINEBACKER, 1958-60 — **INDUCTED IN 1986**

The great E.J. Holub became the first Red Raider to be enshrined in the College Football Hall of Fame when he was inducted as part of the 1986 class. Holub twice was named first-team All-America at center at Texas Tech (1959 and 1960) and was inducted into the University's Athletic Hall of Honor in 1978. Among other individual honors he has received, Holub was named by Sports Illustrated as Lineman of the Week following a 1960 performance against Baylor that saw him make 15 unassisted tackles and assist on eight others. . He was third in the voting for top lineman of the year. He played in the pros with the Kansas City Chiefs 11 years. In his first seven years with the Chiefs he was a linebacker. Problems with his knees caused him to switch to center, and he played four more years. He retired from pro football after his 12th knee operation.

DONNY ANDERSON, RUNNING BACK, 1963-65 — **INDUCTED IN 1989**

Donny Anderson joined Holub in the College Football Hall of Fame as part of the 1989 class. Anderson was a three-time all-Southwest Conference halfback 1963-65 and two-time All-America halfback 1964-65. His credits for his senior year of 1965 were astonishing. He ran a kickoff back 100 yards against Oklahoma State, caught 10 passes against Arkansas, and scored 17 touchdowns on the season. The Sporting News named him co-winner (with Jim Grabowski of Illinois) of its Player of the Year Award. His 5,111 yards on all-purpose running was a Texas Tech record. This includes his career yardage by rushing, receiving, kick returns, and interception returns. He led the nation in this category in 1965. He was a two-time SWC MVP and placed fourth in the Heisman vote. Anderson played nine years of pro football after Texas Tech.

DAVE PARKS, SPLIT END, 1961-63 — **INDUCTED IN 2008**

Dave Parks became the third Red Raider to be enshrined in the College Football Hall of Fame as part of the 2008 class. A pioneer of Texas Tech football, Parks brought acclaim to the university as the first Red Raider ever to make the Associated Press' All-America first-team and to receive All-Southwest Conference honors twice. Parks established nearly every Texas Tech receiving record, including receiving yards in a game (132), season reception yardage (499), career receptions (80) and career receiving yardage (1,090). Parks was also a standout on defense and special teams. In 1962, he recorded the longest pass interception in school history (98 yards). The native Texan also punted and was honored as one of the nation's best blockers. In 1964, Parks became the first Texas Tech player selected as the first overall pick in the NFL Draft.

GABE RIVERA, DEFENSIVE LINE, 1979-82 — **INDUCTED IN 2012**

Gabe Rivera earned his rightful place in the College Hall of Fame in 2012, exactly 30 years after he ended his Red Raider career as one of the most dominant defensive linemen in Southwest Conference history. Rivera dominated the SWC during his four-year career that spanned from 1979-1982. One of the most feared defensive linemen in college football, Rivera compiled 321 career tackles, 34 tackles for loss, 14 sacks, 11 pass deflections and six fumble recoveries. He garnered consensus First-Team All-America honors his senior season in 1982 while also being named an Honorable-Mention All-American as a sophomore in 1980. Following an appearance in the Blue-Gray All-Star game at the end of his senior season, he was selected in the first round of the 1983 NFL Draft by the Pittsburgh Steelers.

JERRY MOORE, HEAD COACH (1981-85) — **INDUCTED IN 2014**

Jerry Moore remains the only Texas Tech head coach in program history to be enshrined in the College Football Hall of Fame as he was inducted as part of the 2014 class. Between his time at Texas Tech (1981-85) as well as North Texas and Appalachian State, Moore recorded 242 victories over his career before finishing his career in 2012 as the 16th-winningest coach in Division I (FBS and FCS) history. Moore totaled the bulk of those wins at Appalachian State after guiding the Mountaineers to three-consecutive FCS national titles from 2005-07. Moore was the only coach to win AFCA National Coach of the Year honors in three-consecutive seasons, he led his teams to 18 FCS postseason appearances, and he won a record 13-straight postseason games in contiguous years (2005-08).

ZACH THOMAS, LINEBACKER, 1992-95 — **INDUCTED IN 2015**

One of the most acclaimed players in Southwest Conference history, Zach Thomas got the call for the College Football Hall of Fame as part of the 2015 class. Thomas remains one of the most memorable Red Raiders in school history as he claimed unanimous first team All-America honors in 1995 following his stellar career at Texas Tech. A two-time first team All-American, Thomas was named the consensus SWC Defensive Player of the Year in 1994 and 1995. A finalist for the 1995 Butkus Award, he led coach Spike Dykes' Red Raiders to a share of the 1994 Southwest Conference title and three-consecutive bowl games, including the 1995 Cotton Bowl and a win in the 1995 Copper Bowl. He became a household name his senior year after his game-winning interception against Texas A&M, which he returned 23 yards for a touchdown with 30 seconds remaining in one of the most memorable plays in Texas Tech history.

MICHAEL CRABTREE, WIDE RECEIVER, 2007-08 — **INDUCTED IN 2022**

Crabtree became the sixth Red Raider to be enshrined into the College Football Hall of Fame in December 2022. It was fitting reward for Crabtree, one of the top wide receivers in college football history who was selected in his first year of eligibility. The first two-time Biletnikoff Award winner in history, Crabtree closed his career as the Texas Tech all-time leader with 3,127 receiving yards and 41 touchdown catches over only two seasons. He set the Texas Tech single-season marks and NCAA records for freshmen with 134 receptions, 1,962 receiving yards and 22 receiving touchdowns in 2007. Behind Crabtree, the Red Raiders finished 11-2 overall in a memorable 2008 season that saw Texas Tech rise to No. 2 in the national polls following a memorable win over top-ranked Texas. He had the game-winning catch against the Longhorns, capping a storied career where he was a two-time consensus All-American and first team All-Big 12 selection.

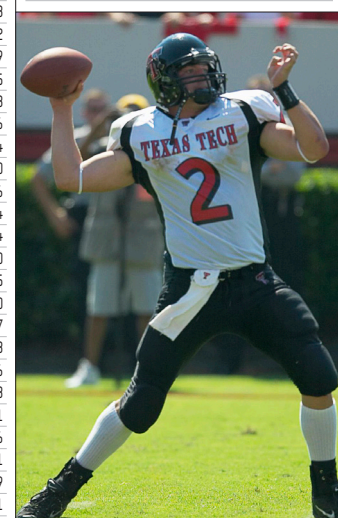

TEXAS TECH HALL OF FAME

▲ **DANNY AMENDOLA,** one of the top wide receivers and returners in program history, headlined the 2024 induction class to the Texas Tech Hall of Fame as he remains among the school's all-time leader for both career receptions and punt return yards.

The Texas Tech Hall of Fame is determined by outstanding athletic achievement and the individuals that have brought distinction to the Texas Tech Athletics program through their athletic accomplishments, but also continually displaying qualities of sportsmanship, character and integrity. Former athletes are eligible for consideration a minimum of 10 years after their class has graduated. More detailed information can be found at TexasTech.com.

TEXAS TECH ATHLETICS ADMINISTRATION

▲ **KIRBY HOCUTT**, the second-longest tenured athletics director in school history, has led Texas Tech to unprecedented growth and success over the past decade.

KIRBY HOCUTT
Director of Athletics

Kirby Hocutt, a NACDA 2018 Under Armour Athletics Director of the Year, has guided the Texas Tech athletics department to unprecedented success since being named the 13th Director of Athletics in school history on March 2, 2011.

Under his leadership the past decade, Texas Tech has developed into one of the nation's elite athletics programs, a tenure highlighted by unprecedented revenue growth, significant investments into the student-athlete experience and a transformation of facilities. Hocutt, the second-longest tenured athletics director in school history, has been at the helm during Texas Tech's most-successful period in school history where all 17 athletic programs have competed in the NCAA postseason or a bowl game with eight teams finishing in the top eight nationally of their respective sports.

Texas Tech's success in competition under Hocutt has only been complimented by an athletic profile with a list of achievements such as:

SUCCESS IN COMPETITION

Texas Tech's programs have not only competed but advanced deep in the postseason throughout Hocutt's tenure as eight teams – men's basketball, baseball, softball, men's track and field (indoor and outdoor), women's track and field (indoor and outdoor), women's tennis, women's golf and men's golf – have all finished among the top-eight teams in the country for their respective sports. Of that group, the Red Raider men's track and field program captured the 2024 NCAA Indoor National Championship behind a complete team performance and strong showing in the 4x400-meter relay to cap the meet.

Texas Tech has claimed 27 Big 12 Conference titles under Hocutt, including 10 from men's track and field, six in women's tennis, three in baseball, two in soccer, softball and women's track and field and one in both men's basketball and men's tennis. Texas Tech is coming off a school record eight Big 12 titles during the 2024-25 athletic year, which led all conference schools and marked the most in school history.

Texas Tech swept the 2025 Big 12 indoor and outdoor track and field titles on both the men's and women's sides, continuing its reign as one of the top programs in the country under longtime head coach Wes Kittley. Texas Tech also claimed the regular season and tournament trophies in both women's tennis and softball this past spring.

For softball, the two Big 12 titles were the start of an unforgettable journey as the Red Raiders advanced to the championship series of the Women's College World Series under first-year head coach Gerry Glasco. It was the first trip to Oklahoma City in school history for the Red Raiders, who finished as the national runner-up behind All-American pitcher NiJaree Canady.

Glasco is one of several notable coaching hires Hocutt has made at Texas Tech, joining the trio of football coach Joey McGuire, men's basketball coach Grant McCasland and baseball coach Tim Tadlock. Under Tadlock, the Texas Tech baseball program advanced to the College World Series for the first time in school history in 2014 and has since made three return trips to Omaha in 2016, 2018 and 2019. The Red Raiders are a mainstay atop the college baseball world, staying near the top of the national rankings with eight total NCAA Regional appearances under Tadlock.

McGuire, meanwhile, has captivated the Red Raider fan base in only three seasons with an enthusiastic energy that has been matched by Texas Tech's performance on the field. McGuire is only the second head coach in program history to lead the Red Raiders to a bowl appearance in each of his first three seasons and will look to add to expand on his success during the 2025 football season backed by a roster of key returners mixed in with the top transfer portal class in the country. In addition, Texas Tech has finished with a winning Big 12 record in each of his three seasons, joining Kansas State as the only league schools to do so, regardless of conference affiliation.

On the court, the Red Raiders are coming off their third appearance in the NCAA Elite Eight round during Hocutt's tenure as Texas Tech fell to eventual national champion Florida to end the 2024-25 season. The Red Raiders have earned a spot in the NCAA Tournament in both of McCasland's two seasons, further demonstrating Texas Tech's standing as one of the top college basketball jobs in the country.

In addition, United Supermarkets Arena has developed into one of the nation's top homecourt advantages in recent years, matching the Red Raiders' performance on the court. Texas Tech captivated the nation's attention and came within seconds of a national title in 2019 as part of its first-ever trip to the Final Four. The Red Raiders, who advanced to the Elite Eight round just a year before, also claimed the program's first-ever Big 12 regular-season crown as part of their historic run.

Texas Tech's success athletically was highlighted by a top-15 showing in the 2017-18 Capital One Cup men's standings and a top-five finish for the 2018-19 academic year. Texas Tech ranked as the top men's program in the state of Texas following both years and posted its highest two finishes all-time in the Capital One Cup.

RESPECT THE PAST, INVENT THE FUTURE

Not long into Hocutt's tenure, Texas Tech unveiled in August 2014 the first athletics-specific fundraising campaign in university history: The Campaign for Fearless Champions. The campaign included four components – to enhance athletic facilities, invest in the athletics scholarship endowment, grow the J.T. and Margaret Talkington Department of Student-Athlete Development and provide for the future of Texas Tech Athletics. The more than $500 million initiative ultimately benefited all 17 Texas Tech programs as the most-successful fundraising initiative in athletics history.

It's part of a key component of the Texas Tech athletics department under Hocutt: respecting the past, all while inventing the future.

Soon after the campaign's launch, Hocutt and Hall of Fame Coach Marsha Sharp created the Talkington Department of Student-Athlete Development to help prepare student-athletes for success after graduation. The department focuses on many life skills for student-athletes such as resume building, etiquette training, interview skills and leadership development. Since its inception in 2014, Texas Tech has been able to mentor thousands of student-athletes through programming such as the Suited for Success series and various internship opportunities across the country.

TEXAS TECH ATHLETICS ADMINISTRATION

The student-athlete experience has been a key priority under Hocutt's leadership as Texas Tech opened the Cash Family Sports Nutrition Center in February 2020. The state-of-the-art facility is the day-to-day dining location for the university's more than 400 student-athletes, offering on-site meal preparations, a 220-person seating capacity as well as the Dean and Christi Quinn Education Kitchen for Texas Tech's nutritional staff to educate student-athletes on proper cooking prep and storage.

As part of The Campaign for Fearless Champions, Hocutt provided the vision and the plans to build the $48 million Sports Performance Center, which opened in the fall of 2017. The world-class facility houses an indoor track and field competition venue and the Petersen Family Indoor Practice Facility along with sports medicine, nutrition and strength and conditioning areas.

Texas Tech officially opened the Dustin R. Womble Basketball Center in May 2021, a $32.2 million, nearly 59,000-square-foot training facility for the Red Raider and Lady Raider basketball programs. The facility is easily among the finest in college athletics, providing both programs with their own practice courts as well as a 6,500-square-foot strength and conditioning area, one of the largest of its kind in the NCAA that is on-par with similar team headquarters in the NBA. Texas Tech's final investment in the facility was the mounting of video boards in both gyms, making the Womble Center the only practice facility in the country at the time with interactive video boards.

Texas Tech closed The Campaign for Fearless Champions with its most-significant investment into Jones AT&T Stadium to date with the completion of the $242 million South End Zone Building and Dustin R. Womble Football Center that opened during the 2024 season. The facility – boasting the iconic Double T scoreboard atop four levels – is the largest contiguous football complex in the country, providing McGuire and his staff with substantial investments in player development and recovery as the new day-to-day headquarters for the Red Raiders. Already labeled as one of the top facilities nationally, the South End Zone Building connects to the Womble Football Center and Sports Performance Center, combining for more than 340,000 square feet of space with a blend of world-class modern design and technology elements.

WELCOME TO THE THREE STRIPE LIFE

Texas Tech launched a historic 10-year partnership with adidas in July 2024 to align the Double T with not only the global apparel and footwear provider but also Texas Tech alumnus Patrick Mahomes II. Under this partnership, Texas Tech will utilize not only the adidas logo but also Mahomes' signature Gladiator logo, making the first time an adidas athlete partner's logo has been featured on official collegiate apparel.

SUCCESS IN THE CLASSROOM

Texas Tech student-athletes have excelled in the classroom under Hocutt's watch, raising the bar multiple times in terms of the highest term and cumulative grade-point averages in school history. Texas Tech student-athletes have combined for at least a 3.0 GPA over 21-consecutive semesters through the 2025 spring term. During this span, student-athletes have set new school records for the highest semester and cumulative GPAs in history.

ON THE NATIONAL LEVEL

Throughout his tenure at Texas Tech, Hocutt has been prominent on several national committees, possibly none more recognizable than his role on the College Football Playoff Selection Committee. Hocutt was named to the CFP Selection Committee in 2015 and served as the committee chairman during the 2016-17 seasons. The CFP Selection Committee was responsible for selecting the top four teams in the playoff at the time while also placing the next group of teams in the remaining New Year's bowls. Hocutt also wrapped a five-year stint as a member of the NCAA Baseball Committee following the 2023 season.

Hocutt's success at Texas Tech was recognized in March 2018 as he was named an Under Armour Athletics Director of the Year by the National Association of Collegiate Directors of Athletics (NACDA). Hocutt was one of four sitting athletics directors at the NCAA FBS level to win the prestigious award.

PERSONAL

Hocutt arrived at Texas Tech following three years at the University of Miami (Fla.) where he was named Athletics Director on Feb. 8, 2008. He previously earned his first opportunity as an NCAA Division I athletics director at Ohio University in 2005 at only the age of 33.

A native of Sherman, Texas, Hocutt also served stints in the athletics departments at Kansas State (1996-97) and the University of Oklahoma (1998-2005). Prior to his time at Oklahoma, Hocutt was the coordinator of licensing at the National Collegiate Athletic Association. He began his sports administration career as the assistant director of marketing and promotions at his alma mater, Kansas State.

A former football student-athlete at Kansas State, Hocutt was a four-year letterman at linebacker and led the Big 8 Conference in tackles as a junior in 1993. Hocutt, who was elected captain his senior year, was named to the All-Big 8 Conference team following his junior season. The Sporting News selected him in 1993 as one of the nation's top-20 "most underrated" players.

Hocutt earned his bachelor's degree from Kansas State in 1995 and his master's of education degree from the University of Oklahoma in 2001. He and his wife, Diane, have two sons – Drew Phillips and Brooks Ryan. Drew is a Texas Tech graduate and was a three-year member of the Red Raider football program from 2022-24. Brooks is currently a student at Texas Tech.

TEXAS TECH ATHLETICS ADMINISTRATION

JONATHAN BOTROS
Deputy Athletics Director

Jonathan Botros, a native Lubbockite and two-time graduate of Texas Tech University, was named Deputy Athletics Director in June 2023 where he oversees the day-to-day operations of the athletics department as the second in command to Director of Athletics Kirby Hocutt.

In his role, Botros is the department's Chief Operating Officer (COO) and serves as the sport supervisor for both the Red Raider football and men's basketball programs. Botros was elevated to his new role after joining the athletics department in May 2016 as Senior Associate Athletics Director and Chief Financial Officer.

Most recently, Botros oversaw the planning for the department's House Settlement strategy and coordination of an implementation team. This included identifying both the internal and external structure that would best position Tech Athletics in both revenue sharing directly with its student-athletes as well as engagement with external NIL opportunities.

During his tenure, Botros has helped Texas Tech navigate one of the largest periods of budgetary growth in its history with its budget rising to more than $164 million for the 2025-26 academic year, the highest in school history. Most recently, he has also overseen Texas Tech's development of the South End Zone Building and Dustin R. Womble Football Center, a $242 million project that represents the largest contiguous football complex in the country. The facility has been praised as one of the premier football complexes in the country. Botros was a key part of a team tasked with executing such a large capital project through the creation of an external LLC to manage and oversee design and construction, the first of its kind in Texas Tech's history.

Core to Botros' duties has also included leadership in negotiation and execution of agreements with several key external partners such as adidas (apparel), Coca Cola (pouring rights) and Learfield (multimedia rights).

As part of his CFO duties, Botros had oversight over the department's accounts receivable, purchasing and procurement, contracting, human resources, financial reporting and travel. He was also responsible for the development and monitoring of all capital project funding plans and served as the liaison to Texas Tech's Office of General Counsel, Office of Audit Services and the University's Senior Vice President for Administration and Finance.

A major point of emphasis for Botros has been the strategic management of Texas Tech's facilities debt as he helped decrease $115 million in debt upon his arrival in 2016 down to $50 million in only five years. That plan has been carried out simultaneously with the development of capital projects to construct more than $300 million dollars in new athletics facilities, namely the Sports Performance Center, the Dustin R. Womble Basketball Center, the Cash Family Sports Nutrition Center, a new baseball team clubhouse at Rip Griffin Park and now the South End Zone Building and Womble Football Center.

In addition to his role as CFO, Botros oversaw several units including information technology, facilities and game operations as well as equipment operations and the athletics department's relationship with The Rawls Course. He also served a lengthy tenure as the sport administrator for a Texas Tech track and field program that has consistently ranked among the best not only in the Big 12 Country but nationally as well.

Botros moved to the athletics department after previously serving as the managing director for administration and finance information systems management for Texas Tech University. In this role, Botros also served as a business management analyst for Texas Tech University's Chief Financial Officer, Noel Sloan.

Botros earned a bachelor's of business administration in marketing from Texas Tech University in 2004. He added a master's of business administration in finance in 2010.

Botros, a lifelong supporter of Texas Tech Athletics, resides in Lubbock with his wife, Danna, and their two sons, Kannan and Lincoln.

TEXAS TECH ADMINISTRATION

TEDD L. MITCHELL, M.D.
Chancellor, TTU System

Tedd L. Mitchell, M.D., was named the fifth Chancellor of the Texas Tech University System (TTU System) on Oct. 25, 2018.

As Chancellor, Mitchell is the CEO of a five-university higher education enterprise with an operating budget of more than $3 billion. The TTU System consists of Texas Tech University (TTU), Texas Tech University Health Sciences Center (TTUHSC), Angelo State University (ASU), Texas Tech University Health Sciences Center El Paso (TTUHSC El Paso) and Midwestern State University (MSU Texas).

Collectively, the TTU System employs approximately 21,000 people and has more than 64,000 students and 400,000 alums. With a statewide economic impact of $19.2 billion and an endowment valued at $3 billion, the TTU System has grown tremendously in its short history and is nationally acclaimed, operating at 20 academic locations in 15 Texas cities and one international city, San Jose, Costa Rica.

Mitchell works collaboratively with the TTU System Board of Regents, the TTU System Administration and university presidents to enhance the System's profile and support shared missions of advancing higher education, health care, research and community outreach. He also guides the TTU System's engagement with elected officials in Austin and federal leaders in Washington, D.C. During his tenure, the System and its universities have achieved significant and consistent success in securing critical legislative funding and support.

In 2025, Mitchell led the System to monumental success during the 89th Texas legislative session, which brought increases in formula funding, financial aid and grant funding for the System's institutions, including support for graduate medical education, campus infrastructure and information technology. Additionally, each component of the System received new or enhanced support for initiatives focused on its strengths, providing a pathway forward for programs that will have a meaningful impact on the people and communities they serve.

Similar success was achieved in 2023 during the 88th Texas Legislature, when the System's five component universities received significant funding to support strategic institutional initiatives. This investment from the state incorporated nearly $130 million dedicated to exceptional items across the System, including the establishment of the Texas University Fund (TUF). With an initial investment of more than $3 billion, the TUF supports research institutions, including TTU (which received an initial distribution of $44 million), the University of Houston, the University of North Texas and Texas State University.

In 2022, Mitchell was named a finalist for The Dallas Morning News (DMN) Texan of the Year. Among the 12 finalists selected, DMN recognized him for leading efforts to establish the Hunt School of Dental Medicine at TTUHSC El Paso – the state's first dental school in over half a century – and the TTU School of Veterinary Medicine in Amarillo – the state's first veterinary school in more than 100 years. Both programs completed their first academic year in spring 2022, a feat the DMN touted as getting rural Texans on the radar of the state legislators in Austin and a mission to boost health care and agriculture in small towns across Texas.

Mitchell was also instrumental in securing the System's partnership with MSU Texas, which officially joined as the fifth member institution of the TTU System on Sept. 1, 2021, following the 87th Texas legislative session when Gov. Greg Abbott authorized House Bill 1522. With the addition of the dental and medical schools and MSU Texas, TTU System became one of only nine in the nation to offer programs for undergraduate, medical, law, nursing, pharmacy, dental and veterinary education, among other academic areas.

While leading the TTU System Administration, Mitchell has implemented a values-based culture where all employees have embarked on a journey together to identify and establish a set of commonly shared values: People First, Integrity, Community, Exemplary Service and Resilience.

Mitchell first joined the TTU System as the eighth President of TTUHSC on May 17, 2010. He held a dual appointment as Chancellor and President from 2018 to 2019, until deciding to close his presidency after nearly a decade at the helm of TTUHSC. He is the longest-tenured president in the university's 52-year history and led the institution to monumental milestones, including record growth in enrollment, academic excellence and physical campus expansion.

During Mitchell's tenure as President, TTUHSC and its leadership spearheaded the university's first fundraising campaign, a $100 million initiative. In 2013, Mitchell helped transform TTUHSC's regional site in El Paso into a standalone university and the System's fourth institution, TTUHSC El Paso. It was at TTUHSC that he laid the foundation for creating values-based cultures – efforts that would have a systemwide impact once he became Chancellor.

Before arriving at TTUHSC, Mitchell served as President and CEO of the Cooper Clinic in Dallas, an internationally recognized center of excellence in preventive and sports medicine. He earned a Bachelor of Science at Stephen F. Austin State University in 1983. He is an Ashbel Smith Distinguished Alumnus of the University of Texas Medical Branch, where he received his Doctor of Medicine in 1987. In 2012, he was honored as a distinguished alumnus of the Department of Internal Medicine. He is a Fellow of the American College of Physicians and the American College of Sports Medicine. From 1988 to 1996, he served as a captain in the U.S. Army Reserves (Medical Corps).

His research interest focuses on the effects of activity and lifestyle on health. He has authored or co-authored dozens of scientific papers, abstracts and book chapters. He is also a frequent lecturer, nationally and internationally, on the physiology of exercise and the effects of exercise on aging, fitness and overall quality of life. In 2002, Mitchell was appointed by President George W. Bush to the President's Council for Physical Fitness and Sports and served until 2009.

As health editor and a weekly columnist for USA Weekend from 1998 to 2010, Mitchell published more than 600 articles. He received the 2006 Clarion Award and the 2008 Walter C. Alvarez Award for Excellence in Medical Communication from the American Medical Writers Association. His writing led to collaborative efforts with other health experts, culminating in the publication of the books "Fit to Lead," "Move Yourself" and "Fit to Lead II."

Mitchell is married to Janet Tornelli-Mitchell, M.D. They met in medical school and practiced together for nearly two decades. As First Lady, Tornelli-Mitchell leads a health and wellness initiative offered to TTU System employees through the Employees Retirement System of Texas benefits program, improving the health and lives of System employees and their families.

The Mitchells have three children: Katherine Schwartz, an assistant district attorney in Dallas; Charlie, a petroleum engineer and TTU and Harvard alumnus; and Chris, a TTU and Villanova alumnus who is pursuing a career in the U.S. Army. They have four grandchildren – Isabelle Grace, Cooper Benjamin, Luisa Blake and Charlotte Elizabeth – with another on the way.

DR. LAWRENCE SCHOVANEC
President

Under Lawrence Schovanec's leadership, Texas Tech University continues to reach new heights, surpassing benchmarks in enrollment, research and philanthropic support.

After earning his doctorate in mathematics from Indiana University, Schovanec joined Texas Tech's faculty as an assistant professor of mathematics. Today, as the university's 17th president, his tenure has spanned more than four decades, during which he has served as department chair, dean, provost and, since 2016, president.

Since his appointment, Texas Tech has secured more than $1 billion in philanthropic gifts and invested more than $900 million in campus facilities and infrastructure improvements. Enrollment has grown by nearly 5,000 students under Schovanec's leadership, surpassing 40,000 students for the first time in 2020.

While enrollment growth is significant, Schovanec is especially proud of the steady gains in student success, with Texas Tech's four-year graduation rate improving by more than 40 percent during his presidency.

Reaffirmed as a "Very High Research Activity" institution by the Carnegie Classification of Institutions of Higher Education, the university's research expenditures have increased by more than 40 percent and now exceed $230 million annually. Continued support from the State of Texas, including record funding for new national security and critical infrastructure initiatives, reflects Schovanec's commitment to demonstrating the value of public investment in higher education.

In addition to his role as president, Schovanec serves on the executive board of the Inter-American Organization for Higher Education and the NAFSA Board of Directors. He previously chaired the Texas Council of Public University Presidents and Chancellors, the Texas International Education Consortium board, and the Big 12 Board of Directors from 2021 to 2023.

Schovanec and his wife, Patty, a member of the mathematics faculty, are inspired daily by the drive and determination of Texas Tech students — qualities that define Red Raiders everywhere.

TEXAS TECH UNIVERSITY

▲ **TEXAS TECH UNIVERSITY** was founded in 1923 as Texas Technological College before eventually being renamed Texas Tech University on Sept. 1, 1969.

HISTORY OF TEXAS TECH UNIVERSITY

Texas Tech University was created by legislative action in 1923 and has the distinction of being the largest comprehensive higher education institution in the western two-thirds of the state of Texas. The university is the major institution of higher education in a region larger than 46 of the nation's 50 states and is the only campus in Texas that is home to a major university, law school and medical school.

Originally named Texas Technological College, the college opened in 1925 with six buildings and an enrollment of 914. Graduate instruction did not begin until 1927 within the school of Liberal Arts. A "Division of Graduate Studies" was established in 1935 and eventually became known as the Graduate School in 1954.

By action of the Texas State Legislature, Texas Technological College formally became Texas Tech University on September 1, 1969. At that time the schools of Agricultural Sciences, Arts and Sciences, Business Administration, Education, Engineering and Home Economics also became known as "colleges." Architecture became a college in 1986. Two colleges changed their names in 1993 to reflect the broadening fields each serves: the College of Agricultural Sciences became the College of Agricultural Sciences and Natural Resources and the College of Home Economics became the College of Human Sciences. The Honors College was established in 1998, and the College of Visual and Performing Arts opened in 2002. Mass Communications became a college in 2004 and became the College of Media & Communication in 2013.

The Texas State Legislature authorized funds in 1965 for establishing the Texas Tech University School of Law, and the Law School's first dean was appointed in 1966. The first class of 72 students enrolled in 1967. The Law School was approved by the American Bar Association in 1970 and is fully accredited by the Supreme Court of Texas (1968) and the Association of American Law Schools (1969).

As a member of the National Collegiate Athletic Association, Texas Tech began competing in the Big 12 Conference in 1996 after a 35-year membership in the former Southwest Conference.

TEXAS TECH TRADITIONS

▲ The **GOIN' BAND FROM RAIDERLAND** features more than 400 members, representing the oldest student organization on campus after being established in 1925.

ARBOR DAY

When Texas Tech first started, most of the funds went towards the buildings, but the campus was lacking its landscape. Then, in 1937, President Bradford Knapp decided to dedicate one day every spring to beautify the campus. On the first day of this now annual tradition, 20,000 trees were planted. This Tech tradition still goes on today as student and teachers plant trees and beautify the campus on Arbor Day.

BANGIN' BERTHA (SADDLE TRAMP BELL)

Saddle Tramps carry Bangin Bertha, a bell on a trailer, to all home football games and homecoming events. Bertha was designed in 1959 by Saddle Tramp Joe Winegar, and was donated by the Santa Fe Railroad. Bangin' Bertha is considered a spirit-raiser and a big tradition at Texas Tech.

BLARNEY STONE

On St. Patrick's Day in 1939, Texas Tech University unveiled that they had discovered a piece of the Blarney Stone. According to the legend the stone was discovered by a group of petroleum engineers while they were on a field trip. After doing tests it was discovered that the stone was a piece of the original Blarney Stone. The stone now lies on a stand in front of the old Electrical Engineering Building. It is said that seniors that kiss the Blarney Stone upon graduation will receive the gift of eloquent speech.

CARILLON

In 1973, Ruth Baird Larabee made a donation to Texas Tech University to buy and install a carillon in memory of her parents. The Charles and Ruth Baird Memorial Carillon is located in the west tower of the administration building at the center of the Texas Tech campus. The beautiful music of the 36-bell instrument ring out over the campus during times of celebration and solemnity. Students, faculty, and staff, as well as visitors to the university, have enjoyed the music for 30 years. The carillon became one of Texas Tech's treasured traditions.

The carillon was refurbished and extended in 2005, adding additional bells to make 3 ½ octaves. The bourdon (the largest bell) weighs approximately 800 pounds, and the smallest, only about eight pounds. Twelve of the bells were cast by Whitechapel Bell Foundry in England, 24 were cast by the Paccard Foundry in France, and the newest bells, by Meek & Watson Foundry in Ohio. The estimated value of this collection of bells today is $250,000.

According to The Guild of Carillonneurs in North America, "A carillon is a musical instrument composed of at least 23 bells, arranged in chromatic sequence, so tuned as to produce concordant harmony when many bells are sounded together. It is played from a keyboard that allows expression through variation of touch."

Every year since its inception, the Carol of Lights has featured carillon music. Additionally, each year on the Fourth of July at 1:00 p.m., the carillon is played in conjunction with the ceremonial ringing of the Liberty Bell in Philadelphia. Summer Sunday evening concerts are another Tech tradition.

CAROL OF LIGHTS

To celebrate the holiday season, Texas Tech holds an annual event called the Carol of Lights. The event starts off with the Texas Tech University Combined Choirs performing selections of classic holiday songs at the Science Quadrangle. When the lighting ceremony commences, Students, as well as those who came for the show, stand in awe as over 25,000 red, white, and orange lights illuminate the 13 buildings surrounding memorial circle.

This tradition started in 1959 when Harold Hinn came up with the idea and provided the funds to cover the science quadrangle and the administration building with lights. Unfortunately students were away on Christmas break and did not see the display. The following year, the Residence Hall Association created the Christmas Sing, which is now known as the Carol of Lights. Today, the Carol of Lights is one of Texas Tech's favorite traditions.

DOUBLE T BENCH

Located in the courtyard behind the Administration Building, this special bench was given by the seniors of the class of 1931. It was an announced tradition that no freshmen were allowed to sit on it.

DOUBLE T SADDLE MONUMENT

Before the football team runs onto the field, they touch the sculpture of a saddle. The saddle was dedicated by the Saddle Tramps to Double T, one of the many Masked Rider Horses that served proudly over the years.

DOUBLE T

There is no other symbol more recognized with Texas Tech than the Double T symbol. Though no one has yet stepped forward to claim credit for its design, historical evidence points to Texas Tech's first football coach E.Y. Freeland, who put the Double T logo on sweaters for the football players.

FIGHT SONG (FIGHT! RAIDERS! FIGHT!)

Fight, Raiders, Fight! Fight, Raiders, Fight!
Fight for the school we love so dearly.
You'll hit 'em high, you'll hit 'em low.
You'll push the ball across the goal,
Tech, Fight! Fight!

We'll praise your name, boost you to fame.
Fight for the Scarlet and Black.
You will hit 'em, you will wreck 'em.
Hit 'em! Wreck 'em, Texas Tech!
And the Victory Bells will ring out!
----Written by Carroll McMath

GOIN' BAND FROM RAIDERLAND

The Goin' Band from Raiderland is one of the largest spirit raisers on campus and among the finest bands in the country. The original band in 1925, numbering only 21 members, was dressed in matador uniforms. In recent years, the band's 400 members have returned to variations on that original look. The Goin' Band performs at home and away football games, parades and at other special events. Following home games, devoted fans stick around to join the band in their traditional march out of Jones AT&T Stadium, through the engineering key, around the circle, by the Administration Building and ending at the band parking lot behind the Music Building. The band was the 1998 recipient of the prestigious Sudler Trophy as the nation's top marching band.

GUNS UP

The "Guns Up" sign is the widely recognized greeting of one Red Raider to another. It is also the sign of victory displayed by the crowd at every athletic event. The sign is made by extending the index finger outward while extending the thumb upward and tucking in the middle, little and fourth fingers to form a gun.

The sign can be traced back to L. Glenn Dippel, a 1961 alumnus of Texas Tech. He and his wife Roxie were living in Austin and faced the daily presence of the "Hook 'em

Horns" hand sign used by University of Texas fans. So, the Dippels decided to retaliate. They looked to mascot Raider Red and his raised guns for their inspiration and in 1971 developed the Guns Up hand symbol. The Saddle Tramps and Texas Tech cheerleaders immediately adopted Guns Up and a new tradition was born.

HOMECOMING

Homecoming is an exciting week full of activities for Texas Tech students. Such activities include a bonfire, parade, float competitions, open houses, award programs, and of course the homecoming football game. Another favorite event, which has been around since 1954, is the election of the homecoming queen.

MASKED RIDER

The Masked Rider is the oldest and most popular mascot of Texas Tech University that still exists today. Originally the Masked Rider started as a dare in 1936 and was then called the ghost rider, because no one knew the rider's identity. These ghost riders circled the field at home football games and then disappeared.

The Masked Rider did not become an official mascot until 1954, when Joe Kirk Fulton led the team out onto the field at the Gator Bowl. Fulton, wearing Levi's, red shirt, a black cape and mounted on a black horse, awed the crowd as the team made one of the most sensational entrances ever.

MATADOR SONG (ALMA MATER)

Fight, Matadors, for Tech!
Songs of love we'll sing to thee,
Bear our banners far and wide.
Ever to be our pride,
Fearless champions ever be.
Stand on heights of victory.
Strive for honor evermore.
Long live the Matadors!
----Music by Harry Lemaire, words by R.C. Marshall

RAIDER RED

Prior to the 1971 season, the Southwest Conference passed a rule that prevented members of the conference from taking live animals to non-home games unless the host team had no objections. So Jim Gaspard, a member of the Saddle Tramps, created Raider Red from a drawing by the late Lubbock cartoonist Dirk West as an alternative to the Masked Rider. Raider Red's student persona is kept a secret from the Tech community. Red is a public relations mascot who shakes hands with the crowds at athletic events and poses for pictures. Raider Red fires his two 12-gauge shotguns using powder-filled shells after every Tech touchdown and field goal.

SADDLE TRAMPS

Formed by Tech student Arch Lamb in 1936, this all-male booster organization supports men's athletics at Texas Tech. The name Saddle Tramp came from the stories of traveling men who would come to a farm for a brief time, fix up some things and move on. Lamb said he decided that he could fix up some things himself before moving on, and the Saddle Tramps were born. Since that time the Saddle Tramps believe if something was for the betterment of Texas Tech then they would work at it.

These Midnight Raiders "paint the campus red" with crepe paper before big home games, form the legendary "Bell Circle" moments before kickoff, ring Bangin' Bertha, participate in parades and other campus events (including the Carol of Lights), and ring the Victory Bells after Red Raider victories.

TEXAS TECH SEAL

Designed by the campus' master planner, William Ward Watkin, in 1924, the Texas Tech Seal's symbols are the lamp, which represents "school," the key for "home," the book for "church," and the star for "state." Cotton bolls represent the area's strong cotton industry and the eagle is suggestive of our country. The seal first appeared on Tech diplomas in 1948, but it wasn't officially approved as "The" Seal of Texas Tech University until 1953. On April 27, 1972, the seal was placed at the Broadway and University entrance to the campus in what became known as the Amon G. Carter Plaza. It is made of red granite and stands 12 feet high. It has been referred to by students through the years as "the Oreo."

TTAA CLASS RING AND CEREMONY

Since 1999, the official Texas Tech Alumni Association Class Ring has been the universal symbol of academic achievement at Texas Tech. The single ring is a tradition that was brought back from the 1950s that encompasses the Double T, Masked Rider, Administration Bell Tower, and the Texas Tech seal. Cast inside each ring is "Strive For Honor," taken from "The Matador Song." Rings are presented by the University president at the Official Ring Ceremony in the Merket Alumni Center.

VICTORY BELLS

In 1936 victory bells were given to Texas Tech as a class gift. The bells rang for the first time at the 1936 class's graduation. It is said that after the win over TCU, the following year, the bells rang throughout the night. The bells kept Lubbock residents up all night. Thereafter, the bell ringing was limited to 30 minutes. Saddle Tramps ring the bells after Texas Tech victories and during special occasions. The Victory Bells - one large and one small, which combine to weigh 1,200 pounds - hang in the east tower of the Administration Building.

WILL ROGERS AND SOAPSUDS

One of the most well-known landmarks on campus is the statue of Will Rogers and his horse Soapsuds. This memorial was dedicated on February 16, 1950 by longtime friend of Rogers, Amon G. Carter. Carter believed Texas Tech was the perfect setting for the statue and that it would fit into the traditions and scenery of West Texas.

The statue stands at 9'11" tall and weighs 3,200 pounds; its estimated cost was $25,000. On the base of the statue, the inscription reads "Lovable Old Will Rogers on his favorite horse, 'Soapsuds,' riding into the Western sunset."

Today, Texas Tech tradition and legends surrounds the statue. According to one legend, the plan to face Will Rogers so that he could be riding off into the sunset did not work out as it would cause Soapsuds' rear to be facing downtown. To solve this problem, the horse and Will was turned 23 degrees to the east so the horse's posterior was facing in the direction of Texas A&M, one of the school's rivals.

Before every home football game the Saddle Tramps wrap Old Will with red crepe paper. Will Rogers and Soapsuds have also been wrapped up in black crepe paper to mourn national tragedies.

THE MASKED RIDER PROGRAM

▲ **THE MASKED RIDER** remains one of the most recognizable traditions in college football after Joe Kirk Fulton first led the team out onto the field at the 1954 Gator Bowl.

MASKED RIDER HISTORY

On Jan. 1, 1954, Texas Tech fans attending the Gator Bowl in Tampa, Florida, witnessed the evolution of a beloved tradition that Red Raider fans would embrace for decades to come. Dressed in black with a long flowing cape and mounted on a solid black horse, Joe Kirk Fulton caught the eyes of the nation when he charged onto the playing field to lead the Red Raider football team. Ed Danforth of the Atlanta Constitution wrote: "No team in any bowl game ever made a more sensational entrance." The dramatic entry by the horse and rider electrified the crowd as well as the Red Raiders, who beat Auburn, 35-13.

Roughly 70 years later, the Texas Tech Masked Rider is one of the most recognizable college mascots in the country. Wearing black riding clothes, mask, bolero hat, and scarlet cape, and perched atop Centennial Champion, a jet black quarter horse, the Masked Rider is a colorful symbol of school spirit and pride. The Masked Rider leads the team onto the field before each home game and appears at other Red Raider sporting events. The rider and horse also represent Texas Tech at rodeos, parades, civic events, and school activities around the state.

In total, Texas Tech has featured 62 different Masked Riders in its history on 15 different horses. Ellie Brown, a senior animal science major with a concentration in pre-veterinary medicine from Canyon, Texas, has been selected as the 63rd Masked Rider for the 2024-25 academic year.
