PREVIOUSLY IN TEXAS TECH SOFTBALL

The Highlights:

- Mihyia Davis is one of the most valuable players in the country and has been that way her whole career. Among active players she ranks first in hits (336), at-bats (829) and stolen bases (136). She also ranks third in runs (233) and third in games played (246). She is the only active players with 300 hits.

- NiJaree Canady continues to make history. The reigning National Pitcher of the Year eclipsed 1,000 strikeouts for her career after striking out against BYU. Canady is just one of two active players with 1,000 career K's and the only active player with 1,000 K's and 97 wins. Canady threw her first career perfect game against Baylor on senior day as she looks to be in postseason form.

- Kaitlyn "KT" Terry has been arguably the team's best player so far this season. She leads the team with a .471 batting average, which is also sixth best in the country, and also has a 1.30 ERA and a 22-1 record. Terry also set the school record with a 24-game hit streak and had a 36-game on base streak up until last weekend.

- As a team, the Red Raiders have more than 100 NCAA Tournament games, 300 at-bats and 180 innings pitched. Canady has 121.0 postseason innings pitched and has an ERA of 1.67. Davis leads on offense with a .438 batting average thanks to 32 hits. The postseason experienced group will look to make a run.

- Jasmyn Burns has been on fire the past few weeks. The junior catcher hit four home runs in four games including a grand slam in the bottom of the first on Saturday against Baylor. Burns is now batting over .375 with 16 home runs and 51 RBI.

ADDITIONAL HEADLINES

BIG 12 AWARDS:
The Red Raiders had 7 All-Big 12 selections, which was tied with Arizona for the most. Gerry Glasco was named Coach of the Year for the second straight season and NiJaree Canady was named Co-Pitcher of the Year, the second straight season she's won a share of the award. Canady was joined by Kaitlyn Terry, Mia Williams and Jackie Lis on the First Team while Taylor Pannell, Jasmyn Burns and Mihyia Davis were named to the Second Team. Canady and Pannell were also named to the All-Defense Team.

NAME A BETTER DUO:
The duo of NiJaree Canady and Kaitlyn Terry has been second to none this season.

Terry is batting .471 this season with a sub-2.00 ERA and a 22-1 record in the circle. Terry's power is coming into play as well as she has launched 10 homers this season. Terry has recorded more extra-base hits (26) than she's allowed (23).

After resting during the summer and most of the fall, Canady has looked back to form. The senior's velocity is ramping up as we have seen an uptick in strikeout numbers over her last couple of outings. Canady eclipsed 1,000 career strikeouts and currently sits with a 1.24 ERA and a 22-5 record on the season.

Both players were also named to the USA Softball Top 25 Collegiate Player of the Year Watchlist.

BACK TO HER OLD WAYS:
Mihyia Davis has been running and gunning and is now second in the country in stolen bases with 34. The senior won the NFCA Golden Spikes award her freshman season and has had 20+ stolen bases each of her last four years. She finished with 28 last year, good for third most in program history for a single season and her 34 so far this year is already second in program history. She is just the third Red Raider to ever record 30+ stolen bases in a single season. Davis also has 66 runs this season tied with Mia Williams for the program record.

DOUBLES, HOMERS AND RBI - OH MY:
Mia Williams currently leads the team in doubles (20), RBI (73) and homers (22) and she has 150 total bases on the season, putting her top 30 in the country and atop Big 12. Her 70 RBI is already tied for the most in program history and her 77 runs is the new program record.

.320 OR BETTER:
Every Red Raider who has taken 100+ at bats is hitting over .320 on the season. Last season, Tech had six players finish with a batting average above .300.

THE FORGOTTEN ARM:
Lefty Samantha Lincoln has been as good as anyone on the pitching staff so far this season. She has a 2.71 ERA and has 58 strikeouts to just 13 walks while holding opponents to a .204 batting average. The Sophomore is a perfect 7-0 on the season and will look to continue to be a big role in this pitching staff with postseason play arriving.

HOW GOOD IS KT:
The junior from Glendale, Arizona has been far better than advertised. She has hit at an unreal rate and been the team's MVP up to this point in the season. Her Wins Above Replacement (or WAR) is second most in the country as she has proven to be one of the most valuable players across all teams.

RUN-RULE WINS & SHUTOUTS:
The Red Raiders are already up to 36 run-rule victories this season. The program record was 20 and they had 14 all of last season.

A new program record for shutouts in a season was set last year as Tech had 26 shutout victories. They have 19 this season.

POWER:
Gerry Glasco loves the long ball and made that a point of emphasis when putting together the 2026 roster. Well he did a good job as Tech has hit 125 home runs and rank No. 3 in the country and No. 1 in the Big 12. Tech hit just 60 all of last season and have already broken the program record of 74 set back in 2023.

NEW DIGS:
The Texas Tech softball stadium got renamed to Tracy Sellers Field this weekend and got a face lift this offseason that includes new shading, new speakers, updated outfield wall padding and new lights. The project helps enhance the fan experience greatly and make the ball park look bigger and better.

PRO IN THE DUGOUT:
Gerry Glasco has experience coaching in the pro leagues, but assistant coach Kayla Kowalik is the pro on the team. An All-American at Kentucky, Kowalik has been stellar in the new AUSL for the Blaze. She was the 2025 AUSL All-Star Cup Champion and hit an otherworldy .452 in 9 games of the All-Star Cup.

Canady recieved the first AUSL Golden Ticket of the 2026 season and was taken No. 2 overall by the Texas Volts on May 4 in the 2026 AUSL Draft.

BREAKING RECORDS:
The Red Raiders have already broken a handful of program records including homers, RBI, run-rule wins, consecutive hitless innings, no-hitters, consecutive no-hitters, consecutive road wins and are on pace to break a few more before the season is over. Mia Williams and Mihyia Davis will be fighting over who has the program single season record for runs

ALLRED IN ACTION:
Lauren Allred set new career highs with 4 hits and 5 RBI against Utah State as she looks to be finding a groove late in the season. The team's RBI and run leader last year was a crucial part of the World Series run and looks to be trending in the right direction with postseason looming.

A LEAGUE OF HER OWN - NIJAREE CANADY

The NiJa Effect

Entering the 2025 season, Texas Tech softball had been to six regionals and never advanced beyond that. It was a program that seemed to be in a constant state of rebuild with a few good seasons here and there but never much consistency.

Then comes NiJaree Canady. The two-time NFCA National Pitcher of the Year and 2025 Big 12 Pitcher of the Year completely flipped the trajectory of the program in just one season. Yes, she had help and has a great coaching staff around her, but the influence on the sport of softball that she's had in Lubbock and around the country is unmatched.

On road trips, Canady would be asked for autographs by opposing team fans, kids on spring break who traveled to that game to watch her play and people - young and old - sporting her jersey. Before 2025, Texas Tech softball had a few loyal fans, but not anything crazy. Now, she can't walk five feet without someone asking for a picture or autograph and she handles it all with grace, composure and is humble as can be.

Canady is the perfect superstar. Talented, hard-working, high character and excellent in the classroom. Her impact will be felt by the softball program, Texas Tech Athletics and Lubbock for years to come.

She has been honored with virtually every individual honor one could receive and this season her goal hasn't changed - win a National Championship.

GERRY GLASCO

HEAD COACH · 2nd SEASON · Illinois '80 · Crab Orchard, Illinois

Gerry Glasco was named the head coach of the Texas Tech Softball program on Thursday, June 20, 2024.

In Glasco's first season in Lubbock he led Tech to its most successful season ever. The Red Raiders finished with a 54-14 record, the most wins in a single season, while hosting their first ever Regional, advancing to the Super Regional round for the first time ever and eventually making their first Women's College World Series appearance where they finished as National Runners-Up. Glasco also led Tech to its first ever Big 12 Regular Season Title and Postseason Championship in his inaugural season.

The team broke 22 program records during the historic 2025 season and had 10 players earn All-Big 12 honors, the most in program history. Among those student-athletes was Big 12 and National Pitcher of the Year NiJaree Canady who became the first 1st Team All-American in Red Raider softball history. Glasco also earned Big 12 Coach of the Year honors after going 20-4 in conference play, also a program best.

Known for his great recruiting, Glasco has brought in the No. 1 transfer portal class in the country ahead of the 2025 season and again this past summer ahead of the 2026 season.

Glasco previously led the Louisiana softball program where he built the Ragin' Cajuns into a perennial top-25 team that boasted an impressive .773 winning percentage (300-88) during his seven-year tenure. Louisiana captured five Sun Belt Conference regular-season titles under Glasco and was selected to an NCAA Regional in all six eligible seasons (excludes COVID-shortened 2020 campaign), advancing to the Super Regional round in 2023.

Glasco, who coached the previous nine seasons prior to Louisiana in the Southeastern Conference, is considered one of the nation's top offensive coaches and recruiters. He helped lead Georgia to a pair of final four finishes at the Women's College World Series, assisted in Texas A&M's rise in the SEC culminating with a trip to Oklahoma City in 2017 and served as associate head coach at Auburn in fall 2017.

Glasco's résumé includes achievements at all levels of softball. He has coached 17 All-Americans, 29 All-SEC honorees, 37 All-Sun Belt performers, 10 All-Big 12 performers and 52 All-Region selections. As a collegiate coach, he has been a part of 12 NCAA Tournament appearances, six NCAA Super Regionals and three Women's College World Series. He also engineered three championships in the National Pro Fastpitch League, most recently in 2019 with USSSA Pride, and a national championship at the 18U level in travel ball.
During his tenure at Louisiana, the Ragin' Cajuns have continued their streak of consecutive NCAA Tournament appearances and 40-win seasons, both streaks at 24 straight seasons following the 2023 season.

Glasco's most momentous occasion to date with Louisiana occurred in the 2023 season when the Ragin' Cajuns captured a berth into the NCAA Super Regional round - realizing the accomplishment for the first time in his tenure - following a Championship Sunday doubleheader sweep of rival LSU at Tiger Park in Baton Rouge.

He directed one of the program's best seasons ever in 2019 as Louisiana recorded its first 50-win season since 2012 (with only four defeats entering NCAA postseason play), swept the Sun Belt Conference's regular season and tournament championships, boasted a Top 10 national ranking for 10 consecutive weeks leading up to postseason play, turned in only the second undefeated Sun Belt mark in program and conference history, established a school-record 29-game win streak and posted a Top 10 national finish in nine statistical categories.

Glasco and his staff continued building momentum in the COVID-19 shortened 2020 season, leading the program to its first Top 10 finish in the major national polls since 2014. The Ragin' Cajuns scored ranked wins over Louisiana State, Oklahoma State, Texas and Florida (twice) in addition to two victories over Ole Miss, leading the squad to a No. 1 ranking in the lone RPI ranking of the year.

During the 2021 season, Louisiana reached 40 wins in the regular season by winning 25 of the final 29 games. Glasco steered the squad to repeat honors as Sun Belt regular season and tournament champions highlighted by an 11-1 record, regular season and tournament combined, against the league's other three NCAA Tournament participants (Texas State, Troy and South Alabama). The Ragin' Cajuns advanced to Championship Sunday of an NCAA Regional for the third time under Glasco's watch, extending the program's streak of reaching the final round of a regional to 13 consecutive appearances.

The 2022 season marked the debut of Glasco's 2021 recruiting class, which was ranked No. 1 by Extra Inning Softball and included the No. 4-rated recruit in pitcher Sam Landry and the No. 15-ranked prospect in Louisiana native Maddie Hayden. Glasco directed and mentored a lineup that featured at most two upperclassmen and as many as five freshmen, and developed them into a championship and NCAA Tournament team - despite the youthfulness, advancing to Championship Sunday of the NCAA Clemson Regional.

The Ragin' Cajuns continued to thrive under Glasco's guidance in 2022, placing a conference-high nine players on the All-Sun Belt team, recording a program-record .351 season batting average and generating the most home runs in Glasco's tenure (82).

During the 2023 season, Louisiana collected its fourth consecutive Sun Belt Conference regular season and tournament championships under Glasco's guidance, posted the program's first 50-win season since 2019 (50-16, 22-2 SBC) and advanced to the Super Regional round of the NCAA Tournament. The Ragin' Cajuns also continued impressive streaks of consecutive Sun Belt series won (now 81 straight) and consecutive NCAA Tournament appearances (now 24 straight) and attained a No. 9 RPI rating and Top 20 rankings across all major national polls.

Louisiana ended the regular season with 43 wins against a Top-10 rated strength of schedule (which finished at No. 7) facing Top 100 RPI competition in 38 out of 56 games overall and captured marquee road wins over UCF (no-hitter), LSU and Florida (three-hit shutout). Individually, Karly Heath and Mihyia Davis earned NFCA All-American accolades and Davis was awarded the NFCA's Golden Shoe Award after leading the D1 softball ranks with 52 stolen bases.

The Crab Orchard, Illinois, native has raised the level of offensive production of each team he's been associated with since his collegiate coaching career began. He coached at Georgia from 2009-2014 and at Texas A&M from 2015-2017.

Glasco helped Georgia to a 282-92 mark as the team hovered near the top of the NCAA and SEC rankings in almost all offensive categories and set over 20 team offensive records during his six-year stay. The Bulldogs belted 85 home runs his first season (up from 26 the previous season) and later led the SEC in home runs during his final two seasons.

Georgia captured the program's first SEC Tournament championship (2014) and twice reached the final four of the Women's College World Series (2009, 2010) with Glasco on staff.

In three seasons at Texas A&M, Glasco restructured the offense and helped guide the Aggies' rise to the top of the SEC, culminating with a third-place finish in 2017. His clubs tallied 465 extra-base hits, including 213 home runs, and scored 6.1 runs per game. In his final two seasons, the Aggies were the SEC's home run leaders in regular season conference play.

Eight offensive records were broken under Glasco's watch at Texas A&M, highlighted by the 2016 season when the Aggies broke school records for runs scored (429); on base percentage (.437); RBI (401); total bases (852); and OPS (.988).

Glasco spent seven seasons as the assistant softball coach at Johnston City (Illinois) High School before taking his first collegiate job at Georgia. In his last season, he led the junior high team to a state title.

During his time at Johnston City High, Glasco founded the Illinois Southern Force Softball organization and served as the head coach of the Southern Force Gold from 2001-2008. The team finished in the Top 20 four times at ASA Gold Nationals and won the 2004 18U Gold National Championship. That year, Glasco and his staff were named the National Coaching Staff of the Year by the NFCA for travel softball.

Glasco and wife Vickie have three daughters who have shared their father's passion for the sport: Tara (Archibald), who is currently the associate head coach for him here at Texas Tech, Erin and the late-Geri Ann who was named Gatorade National Player of the Year her senior year of high school, SEC Freshman of the Year and played both at Georgia and Oregon.

Glasco is a 1976 graduate of Crab Orchard (Illinois) High School, where he lettered in baseball and basketball. He graduated from the University of Illinois with a bachelor's degree in agricultural economics in 1980.
