THE CITADEL FOOTBALL

SEASON TACKLE, TACKLE FOR LOSS, SACK LEADERS

The NCAA began keeping tackles in 2000 with the requirement that the tackles submitted come from the press box statistics compiled on game day. Previously, these statistics were generally provided by coaches after watching game film. Because of this, tackles in this record book are broken up into two eras - 2000 and forward and prior to 2000. This also explains in part the discrepancy between tackle numbers since 2000 and prior to that date.
