# Rejuvenated Tomcats get back to work

Once it was decided that the Thiel College football team would not participate in the condensed conference-only spring schedule this spring, head coach Mike Winslow and his staff immediately turned their attention to team and student-athlete development with an eye on returning to competitive play this fall.

“Our focus was on player development in the classroom and on the field, as well as character development and building better leaders,” Winslow said.

In addition to workouts, the Tomcats competed in padded practices in the spring. Through a partnership with Zion Education Center, the entire team also focused on a community service project called Operation R.Y.F.P. Three days per week, the after-school mentorship and meal program led to more than 600 hours of community service at Sharon School District’s Musser, West Hill and Case Avenue Elementary Schools.

While dealing with the difficulties of COVID-19, the Thiel College football team helped local youths by assisting with meal distribution, reading books, playing games and having

simple conversations about life.

Operation R.Y.F.P. was a good will project that benefited not just local youths but also Thiel’s players. Through service, the belief is that the players have developed character and leadership qualities that will transition onto the field now that the Tomcats are ready to return to competitive play.

## Offense

Senior quarterback Marlon Brown will lead Thiel’s offense. The team’s second-leading rusher in 2019, Brown threw two touchdown passes that season and also caught eight passes.

“Marlon provides game experience and tremendous leadership for our younger players,” said Winslow. “He has improved greatly as a passer, and I have high expectations for him and our offense.”

Expect sophomore Alexander Kovalyak to also see time at quarterback. Freshman Owen Trumbull could also be in the mix.

“Alex brings a different element

*Continued on Page 4*

*Continued from Page 3*

to the quarterback position,” Winslow said. “He’s more of a drop-back passer in our multiple offensive system.”

Junior Donovan Blue is expected to lead a talented group of young running backs. Blue carried the ball 10 times and appeared in four games in 2019.

Brown and Kovalyak have a talented group of receivers to work with, led by sophomore Jake Reddick. Junior Cameron Moran and sophomores Nick DiLullo and Ryan Selig could also make significant contributions at wide receiver. Moran appeared in all 10 games in 2019 as a safety.

Senior Nick Lanshcak will lead a talented but young offensive line. After making 10 starts at

left tackle in 2019, Lanshcak will transition to left guard this season.

“He made a lot a lot of improvement as a player,” Winslow said of Lanshcak. “Nick has been with the program since Day 1. He has been a positive influence for his peers, and I have high expectations for Nick performing on the offensive line.”

Sophomores Jordan Mellin and Lucas Buchanan could be the starters at right tackle and center, respectively. Others who could be in the mix along the offensive line include senior Austin Dillon, sophomore Riley Davis, as well as freshmen Seth Phillips, Anthony DeLuca, Dylan Czech, Keagan Landfried, and Luke Faber.

Senior Mason Emigh and sophomore Austin Huebner look to man the tight end position.

## Defense

The defense could be the strength of the Tomcats this season with multiple upper-classmen returning.

All four of the defensive linemen are returners, led by senior Ryan Stiles. Moving from end to tackle, Stiles made 21 tackles in 2019.

“We expect him to make plays for the defense from the interior line,” said Winslow. “Ryan sets a great example for his teammates on and off the field. He does everything we ask of him with enthusiasm and positive energy.”

Junior Dominick Knierman, a converted offensive lineman, also returns to handle the other interior position. Sophomore Wyatt Claypool and freshman Chad Morningstar could also be in the mix at defensive tackle.

Jarren Daniels, who returns at defensive end, made 18 stops as a freshman in 2019. Jordan Volpe, another junior, looks to line up at the other end spot. Sophomore Mark Permigiani and freshmen Luke Campbell and Faber could also be in the mix at defensive end.

A trio of juniors will lead a talented group of linebackers. Andrew Plowden is penciled in as the middle linebacker. Donny Pattison, a converted tight end,

will play strong side linebacker while Joe Stoutamire will play weak side linebacker.

“Donny is a high performer in the classroom, and I expect to see the same from him on the field,” Winslow said. “Andy is an emotional leader, and he and Joe are both physical football players.”

Sophomores Jackson Pletcher and Jared Curcio will also contribute at linebacker while freshmen Jared Beers and Josh Campbell could be in the mix.

Senior Darnell Jordan, who appeared in six games in 2019, and sophomore Hunter Knapczyk look to lead the secondary as the team’s strong safety and

*Continued on Page 6*

free safety, respectively.

“Darnell is an emotional leader for our team,” Winslow said.

“He brings a ton of energy and juice every day to practice. Hunter has a high motor and is relentless in his pursuit to the football.”

Senior Melvin Kado, one of the team’s starting cornerbacks, is the top returning tackler from 2019 with a total of 36 stops.

Freshmen X’Zonder Goodwin, Randall Miller and Kaden Scherer could also press for time in the secondary.

## **Coaching Staff**

Rob Trudo will serve as the team’s offensive coordinator and offensive line coach this season. In his third year at Thiel, Trudo was the team’s defensive line coach in 2019. Andrew Geisler, the team’s

defensive backs coach since 2019, will also be the team’s co-defensive coordinator this season along with Jack Leipheimer.

Jim Cessna, who returned to Winslow’s staff this spring, will coach the defensive line while also serving as the recruiting coordinator. Christian Pawola Jr. and Caleb Koval were also added to Winslow’s staff.

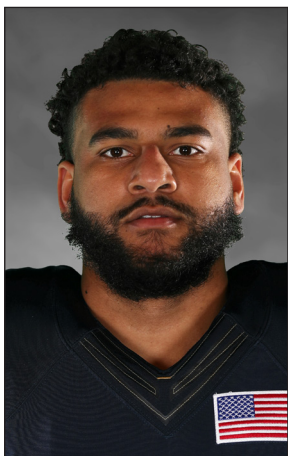

Pawola will coach the team’s linebackers. Moore will serve as the tight ends coach while Koval will coach the wide receivers.

As of the printing deadline for this media guide, the coaching staff was able to recruit 55 freshmen for 2021.

“I’m very pleased with the quality and skill level of the freshmen coming into camp,” said Winslow. “The staff worked extremely hard to bring in a class of quality student-athletes.”

**M**ike Winslow was hired as the 27th head football coach in Thiel College history in December of 2018.

A native of Hermitage, Pa., Winslow is an alumnus of Thiel College and Reynolds High School.

In his first season as head coach of the Tomcats in 2019, Winslow had four players earn All-Presidents' Athletic Conference (PAC) recognition, including junior free safety Trou Johnson, who was named to the Second Team. Earning Honorable Mention accolades were senior linebacker Matt Crawford, senior punter Dylan Kleckner and freshman wide receiver Caleb Shuler.

Johnson, who was an Honorable Mention selection as a freshman and sophomore, notched 78 tackles in 2019, tying him for the seventh most in the conference. He led the team with eight pass breakups, forced two fumbles, recovered two fumbles and recorded one interception.

Johnson scored two defensive touchdowns in 2019. His first was on Oct. 5 when he scored on an 86-yard fumble recovery

against Waynesburg. His second was on Oct. 12 on a 17-yard interception return against Saint Vincent.

A three-time All-PAC Honorable Mention pick, Crawford tallied 254 career tackles, the eighth-most in program history. He led the PAC in 2019 with an average of 10.1 tackles per game. In his final game as a Tomcat, Crawford made 17 tackles, tying him for the fifth most in a single game in program history.

Crawford was named to the College Sports Information Directors of America (CoSIDA) Academic All-America Second Team in 2019. He was a member of the 2018 Google Cloud Academic All-America First Team. Crawford was also a

four-time member of the PAC Academic Honor Roll.

Crawford was selected as a member of the 2020 NFF Hampshire Honor Society, which is comprised of football players from all divisions, who maintained a cumulative 3.2 grade-point average or better throughout their college careers.

A two-time All-PAC Honorable Mention pick, Kleckner punted 65 times in 2019 for 2,315 yards. He averaged 35.6 yards per boot, had three punts land inside the opponent 20-yard line and three punts of more than 50 yards.

Shuler led the Tomcats in receptions (26), receiving yards (373) and touchdown catches (5) in 2019.

Winslow returned to Thiel after spending 11 seasons as the offensive coordinator at Albright

College in Reading, Pa. A member of the Middle Atlantic Conference (MAC) and NCAA Division III, the Lions compiled a record of 78-44 over the last 11 seasons, made nine postseason appearances, won two conference championships (2008, 2015) and twice qualified for the NCAA playoffs (2009, 2015).

Prior to the 2012 season, Winslow was promoted to associate head coach at Albright while also serving as the program's academic coordinator. Over the last 11 seasons, he coached 45 All-MAC players and four All-American picks. He also mentored 16 offensive linemen who earned all-conference accolades.

Winslow began his coaching career at Thiel College as an assistant under head coach Jack Leipheimer '74. He coached Thiel's wide receivers, served as the team's video coordinator and was the program's junior varsity head coach for four seasons, including in 2005 when the Tomcats won the Presidents' Athletic Conference (PAC) title for the first time since 1972 with a perfect 10-0 regular season record and went on to host two NCAA Division III playoff games at Alumni Stadium. The team set 24 school records in 2005 and earned multiple top-20 rankings by various media outlets.

As wide receivers coach at Thiel, Winslow was instrumental in the development of Brandon Chambers, a Farrell, Pa., native who in 2005 earned a pair of

All-American selections, two regional first-team nods and was D3football.com's South Region Co-Offensive Player of the Year. Chambers still holds Thiel career records for receptions (203), receiving yards (3,111) and touchdown receptions (34).

After beginning his coaching career at Thiel, Winslow spent two seasons as an assistant coach at the University of Maine, which competes at the Division I (FCS) level and is a member of the Colonial Athletic Association (CAA). Serving as a defensive backs coach in 2006, Winslow helped the Black Bears finish the regular season ranked No. 24 in the country, according to The Sports Network. Maine's defense ranked No. 1 in the country in rush defense in 2006 and ranked second in the conference in pass defense.
