'Now it's just about playing football'

Tomcats seek continued improvement in 2024

Streaks are made to be broken. The Tomcats ended a nagging 27-game home losing streak on Sept. 16, 2023 when they defeated the Bethany Bison 22-14 at Alumni Stadium. They added to the joy two weeks later when they beat the Waynesburg Yellow Jackets 15-14 during homecoming.

"It's always fun winning football games," said third-year head coach Sam Bauman. "It was a blast to be able to do it in front of friends and family."

The Tomcats finished the 2023 season with three wins, the most since the 2016 team won four games.

"The best thing about snapping a streak is you don't have

streaks anymore," Bauman said. "So, now it's just about playing football."

And the Tomcats are looking forward to doing just that in 2024.

Defense

Thiel has a great place to start up front with stud senior tackles Luke Faber and Chad Morningstar.

"I think that's the strength of our team, on defense especially," said Bauman. "The two guys on the inside really anchor us."

A two-time All-PAC pick, including Second Team accolades in

2023, Faber finished third on the team last year with 42 tackles. He made 3.5 tackles behind the line of scrimmage and recorded two quarterback hurries and a sack. He also led the team with three blocked kicks.

Morningstar, a two-time All-PAC Honorable Mention selection, made 34 tackles in 2023. He made 5.5 tackles for a loss of yards and led the team with three sacks.

Also returning to the defensive line are Jaellen Rose, Alexander Mittner, Dylan Ahern and Armon Joiner.

Rose made 26 tackles last season, four of which were behind the line of scrimmage. He also recorded two sacks.

Thiel will need to replace last year's leading tackler, linebacker Jared Curcio.

Junior Jeffrey Badger and sophomore Shaemus Moorhead could be starters at linebacker.

"They're both so different and so much fun to see play that I'm excited to be able to utilize them in a bunch of different ways and get them on the field together," Bauman said of Badger and Moorhead. "It's going to be fun to see them attack and

how they keep progressing.”

Thiel will need to rebuild its secondary, but will welcome back the leadership of All-PAC Honorable Mention senior cornerback Justin Logan.

“I think he brings a lot of physicality to that spot,” Bauman said. “He’s a gifted athlete, and he can kind of be the guy who lets them play with 10 on offense because we know he can take care of one on the edge.”

Logan made 20 tackles in 2023 to go along with three pass breakups and an interception. He also forced a fumble and blocked a kick.

Offense

The Tomcats lost their leading rusher from last season in All-PAC Honorable Mention selection Andrew Plowden. However, they will welcome back senior Deon Logan, who led the team with 310 rushing yards in 2022. Logan missed last season due to an injury.

“He’s a difference-maker,” Bauman said of Logan. “We have to figure out ways that we can utilize him because when he touches the ball there’s a chance that he can go. You don’t get those guys very often, and he’s one of those guys. The great thing about him is he just works. He wants to be great, he wants to be better. Him and his

brother have the same kind of mentality, and it’s awesome to have those two now as seniors really take steps forward in leadership roles too.”

Sophomore Dustin Miller could also be in the mix at running back.

Junior signal-caller Scott Oliver, who appeared in six games last season, performed well in the spring. He completed 18 passes last year for 220 yards.

Two of his passes were for touchdowns.

Sophomore Andrew Dupree could be the team's tight end. Bauman described him as an old school player who loves contact.

Senior Chase Lawler, an All-PAC Honorable Mention pick in 2023, is back to lead Thiel's receivers.

Lawler led Thiel last season in receptions (40), yards (382) and touchdown catches (2).

Blake Joseph, another senior receiver, as returns. He caught 23 passes a season ago for

382 yards.

The offensive line could be one of the strengths of the team behind a trio of seniors in Zak Dillingham, Christian Good and Chris Slaven. Also in the mix are sophomores Justin Aughinbaugh and Christian Spady.

Darricle Jones, who was the team's tight ends coach in 2022, will serve as the team's offensive coordinator this season.

"I think Coach Jones is going to bring a lot of excitement," Bauman said. "Being an O-Lineman, just having that hard edge that I think we need to be able to take the next step."

SAM BAUMAN

HEAD COACH | THIRD SEASON

Sam Bauman is entering his third season as the head football coach at Thiel College in 2024.

Bauman led the Tomcats to three wins in 2023, the most since the 2016 team won four games.

Six Tomcats earned All-PAC accolades in 2023, led by Second Team selections Donelle Thomas and Luke Faber. Chase Lawler, Chad Morningstar, Justin Logan and Andrew Plowden were All-PAC Honorable Mention picks. Also in 2023, Jared Curcio, Pattison, Faber and Morningstar were Academic All-District honorees, as selected by College Sports Communicators (CSC).

In 2022, six Tomcats earned CSC Academic All-District honors while five garnered All-PAC recognition.

Bauman was the linebackers coach at the College of Wooster from 2013-21. He served as the team’s defensive coordinator from 2015-21 and was the special teams coordinator in 2013 and 2014.

Bauman was part of a new coaching staff at the College of Wooster in 2013 that took a two-win team in 2012 to seven wins in 2013. The 2013 team ranked fifth in the nation in Division III in turnover margin (+16). In 2015 and 2021, Bauman’s
