Breaking down the Tommies

OPENING KICK: After two weeks on the road, St. Thomas returns to O'Shaughnessy Stadium for a key Pioneer Football League (PFL) match up. The Tommies will host San Diego at 12:00 p.m. on Saturday, October 26 in St. Paul, Minnesota.

TUNE IN: Football fans can watch the Tommies on Midco Sports Plus and the Midco Sports Plus App. The subscription-based service will provide a digital streaming platform for regular season home St. Thomas football games along with exclusive Tommie and PFL content, including replays, highlights, interviews, and special feature stories. Fans can also tune in to all St. Thomas football games on 1500 ESPN and the Tommies Sports App. Starting September 3, fans can purchase the Midco Sports All In Package. This package, which will be available September 3, gives fans access to the Summit League Network, CCHA TV and Tommie football games for the cost of \$29.99 per month.

LAST TIME OUT: St. Thomas improved to 3-0 in PFL play for the third consecutive season thanks to a resounding 42-14 win over Valparaiso on Saturday. The Tommies offense and defense was

firing on all cylinders in Indiana, as they recorded 424 yards of total offense and forced four turnovers on defensive, including a season-high three fumbles. St. Thomas also scored 30+ points for the third consecutive week, as the offense continued to stay hot in the early stretch of PFL play.

THE OPPOSITION: The Tommies may face their toughest conference opponent yet in the form of San Diego. The Toreros are 2-1 in PFL play with their lone loss coming at the hands of Drake, the clear favorite to win the league for the second consecutive season. Since losing to Drake, San Diego has rattled off two consecutive wins, defeating Presbyterian 27-21 and Marist 34-6 from the comforts of Torero Stadium.

CLOSE QUARTERS: All three meetings between the Tommies and Toreros have been determined by a touchdown or less, and the winner was never unveiled until the fourth quarter at the earliest. In fact, it's the closest PFL series for St. Thomas in terms of scoring and margin of victory, with the Tommies outscoring San Diego 93-83 in the first three meetings between the two programs. A fourth quarter field goal gave the Toreros the victory in 2021, while late touchdowns in 2022 and 2023 secured back-to-back victories for St. Thomas.

OT THRILLER: Despite the small margin of victory, last year was the first time the Tommies and San Diego squared off in OT. It was the first overtime game for St. Thomas since 2010 and the first of the DI era for the Tommies.

BY THE NUMBERS

MORE ON THAT OVERTIME THING...

St. Thomas avoided overtime for 149 consecutive games before last year's thriller at San Diego, dating back to the 2010 season. The last time the Tommies played in OT was on October 2, 2010, when they defeated Saint John's 27-26. Since beating the Toreros 20-14 last year, St. Thomas has successfully avoided overtime, playing eight consecutive games without needing the extra period.

HOPE SPRINGS ETERNAL

With his walk off touchdown against San Diego last season, current senior Hope Adebayo became the first running back in the DI era to record multiple rushing touchdowns in three consecutive games. The junior running back found the back of the end zone twice against Stetson (October 21), twice again Marist (October 28) and then twice in the November 11 win over the Toreros, breaking his own DI record for consecutive games with multiple touchdowns. In last weekend's win over Valparaiso was Adebayo's first multi-touchdown performance of the season, bringing his career total to nine.

BACK TO THIS SEASON

It's no secret the PFL schedule has sparked something in the Tommies offense. Since opening conference play on October 5, St. Thomas has outscored its conference opponents 115-70 and doubled the team's touchdown total in just three games. More importantly, offensive production has steadily improved over the last three games. Since opening PFL play, the Tommies have recorded 961 yards of total offense, including 424 against Valparaiso this past weekend.

CHASING GREATNESS

Colin Chase entered rarefied air on Saturday, becoming just the third receiver in the DI era to record over 100+ receiving yards in a single game. The junior wide receiver joining Patrick Wagner and Andrew McElroy as the only receivers to ever eclipse the 100+ yard threshold and did it with just three receptions in the win over Valparaiso. Chase's 74-yard touchdown reception in the first quarter was one yard shy of breaking McElroy's record, which was set in the 2022 win over San Diego.

MULTI-THREAT OFFENSE

Colin Chase isn't the only receiver to find success

during the 2024 season. Earlier this year, Patrick Wagner became the first receiver since 2022 to record 100+ receiving yards in a game. The junior tight end tallied a career-high 104 in a loss to UNI, becoming the first tight end to record over 100+ receiving yards in the DI era. They are the only receiving duo in the DI era to record 100+ yard receiving games in the same season, and account for two of the four 100+ receiving yard games in the DI era.

SEEING RED

The Tommies were once again perfect in the red zone on Saturday, going 4-4 on red zone chances for the second consecutive week. In the last two road games, St. Thomas is 8-8 on red zone chances, 10-10 on PATs, 1-1 on two-point conversions and 1-1 on field goal attempts.

ROCKIN' 30s

The Tommies scored 30+ points in their third consecutive game for the first time since 2022 on Saturday. St. Thomas scored 30+ points in three consecutive games twice that season, first from September 10 to October 1 (vs. Michigan Tech, Lincoln and Marist) and then again from October 22 to November 5 (vs. Presbyterian, San Diego and Valparaiso). The Tommies have never scored 30+ points in four consecutive games during the DI era.

HOLY 200!

Tak Tateoka became the first St. Thomas quarterback to throw for over 200 yards in a game since Cade Saxauer in 2022. The opponent? None other than the San Diego Toreros. Saxauer threw for a DI era record 286 yards against San Diego, leading the Tommies to the 49-42 victory.

160 AND IT FEELS SO GOOD

Head Coach Glenn Caruso won his 160th game against Marist earlier this month, cementing his legacy as one of the winningest coaches in college football. Caruso needed just 203 games to reach 160 wins and owns a career winning percentage of .788. By comparison, the current coach with the most wins at the FCS level, Monmouth's Kevin Callahan, owns a career winning percentage of .561 and UNI's Mark Farley is currently 182-107 all-time with a career winning percentage of .630.

The Caruso File

Glenn Caruso was named the 29th head coach in the 114-year history of the University of St. Thomas football in January 2008. In his 15 seasons at the helm, Caruso has led the Tommies' remarkable surge which produced two NCAA Division III championship game appearances over eight seasons and a fast start in two Division I FCS seasons.

Caruso is among the NCAA's most accomplished coaches in any sport under the age of 50. The head coach, now 49, is on a short list of coaches to work as either a head coach or coordinator in all three NCAA Divisions and win conference championships in two different divisions (DIII and DI FCS). The six-time National Coach of the Year, the most among all current coaches - enters his 16th season guiding the Tommies in 2023. This season, Caruso will surpass 175 games as Tommie head coach, and is tied for the 17th longest tenure among all DI football head coaches. He ranks 9th amongst FCS coaches in terms of years coached and is the PFL's second longest tenured coach at their current institution.

Picked for third place in the Pioneer Football League (PFL) in 2022, the Tommies won their final 10 games and placed first out of 11 teams, winning the conference title in just their second Division I season. St. Thomas closed the season with a 10-1 overall record and an 8-0 mark in PFL, and Caruso was named the PFL Coach of the Year. He finished eighth in the voting for the Eddie Robinson FCS National Coach of the Year award at the conclusion of the 2022 season. He then led the team to a second place finish in 2023.

Purple Reign

Caruso took over a program that won 97 games the previous 17 years and has won 143 in his first 15 seasons. His leadership launched a five-year surge from 2008-2012 that saw the Tommie climb from a No. 206 national ranking all the way to No. 2.

His inaugural 2008 season, on the heels of a 2-8 finish in 2007, produced a 7-3 record. He followed that up with an 11-2 season and the Tommies' first NCAA playoff trip in 19 seasons. His next three teams had a combined 39-3 record with a 2012 runner-up finish. UST also took second nationally in 2015 with a 14-1 record, and went 12-1 in 2016 and 11-2 in 2017. In six NCAA playoff trips since 2011, they have lost to the eventual national champ three times and lost to the national runner-up twice. From 2003-2019, St. Thomas was one of only four Division III programs to make multiple trips to the Stagg Bowl national championship game.

UST's 2010 conference football championship was the school's first since 1990. St. Thomas claimed three conference crowns in a row from 2010-2012, the school's first such streak since 1947-1949.

His 2015 team was unbeaten during the regular season (10-0) and won the MIAC championship. The season ended with another second-place national finish and 14-1 mark after appearing in the Stagg Bowl and falling 49-35 to Mount Union. St. Thomas had four wins over top-10 ranked teams, including two by double-digit margins over archrival St. John's. Six Toms received All-America or honorable mention All-America honors led by National Offensive Player of the Year Jordan Roberts.

In 2016, St. Thomas was unbeaten in the regular season (10-0), claimed another MIAC championship, and reached the NCAA playoff quarterfinals to finish with a 12-1 record. Five players received All-America or honorable mention All-American honors, including senior Michael Alada, who led all NCAA players with 11 interceptions.

In 2017, the Tommies again had four All-America honorees. Caruso surpassed 100 wins and his team shattered a Division III national record for single-game attendance with 37,535 for the 20-17 win over St. John's at Target Field. UST's 21.9 net rushing yards allowed per game were the fewest allowed by any NCAA football team (all four levels) in one season in the last 16 years. The defense's 157.6

total yards allowed per game were the fewest allowed by any NCAA team in one season in the last 20 years. It was 50 yards better this season than the next closest team. The 2018 Tommies had three All-America honorees, and in 2019 the Purple had one All-America and one CoSIDA Academic All-America.

In 2019, closed with the No. 15 national ranking by D3Football.com – the 11th consecutive season that St. Thomas football has finished in the top 20 in the final D3Football.com poll. Only three Division III football programs – Mount Union, Mary Hardin-Baylor and St. Thomas – closed in the top 20 from 2009-2019. Those three schools join UW-Whitewater as the lone programs to play in two or more Stagg Bowl championship games over the last 19 seasons.

In 2021, St. Thomas played its first season of Division I football. The Toms went 7-3, losing only to Northern Iowa and Pioneer League co-champs Davidson and San Diego, with all three games on the road.

The 2022 Toms made FCS history, becoming the first team to win a conference championship in its first two seasons of conference play. The team finished the year ranked 19th in the FCS Coaches' Poll.

Impressive Coaching Stats

Out of 666 NCAA football programs, he was one of just three head coaches – joining Mount Union's Larry Kehres and Boise State's Chris Petersen – to lead the same school to 11 or more wins in each of the four seasons from 2009-2012.

Caruso was also named the Liberty Mutual Division III National Coach of the Year for the third year in a row – Liberty Mutual's only repeat winner in any division in the award's seven-year history. He previously was named Division III Coach of the Year in 2011 by American Football Monthly magazine.

Caruso accomplished something unheard of in college football coaching: He improved his win-loss record in each of his first seven seasons as a head coach. He inherited a Macalester program that was 0-9 the previous fall and guided the Scots to records of 2-7 then 4-5. He took over a St. Thomas program coming off a 2-8 season and has posted records of 7-3, 11-2, 12-1, 13-1 and 14-1 in his first five seasons. In that five-year span, UST football won CoSIDA Academic All-America honors five times; had one National Football Foundation Scholar-Athlete; had three Gagliardi Trophy semifinalists; had three AFCA Good Works Team honorees; and on the field had two conference Player of the Year recipients and 11 players who combined to win All-America honors a total of 16 times.

At his six stops in a 22-year coaching career, he's coached five winners of the Rimington Award recognizing the top center in each of four levels of college football.

Caruso was voted the Minnesota Intercollegiate Athletic Conference Coach of the Year in each season from 2010 to 2012 and was honored again in 2015 and 2016. Prior to 2010, the last Tommie football coach so honored was in 1993.

Caruso was named Pioneer Football League Coach of the Year in 2022, the first Tommie coach in any sport to be named the top coach in the conference during D-I competition. He won his 100th career conference game in the Toms' Pioneer League Championship-clinching game at Butler.

His Tommie teams have been a model of consistency. They've led in the second half or overtime in 146 of their 158 games, including 125 of 131 regular-season games.

GAME #8: ST. THOMAS vs. SAN DIEGO

developed a national reputation for installing dynamic, high-scoring offenses.

The Greenwich, Ct., native played on two state championship football teams at Greenwich High, and has many family members and a vast support system living in that area.

He went on to Ithaca (N.Y.) College, where he was a starter on the offensive line (center) and helped the Bombers make two NCAA Division III playoff trips and post a 30-13 record in his four-year era. He spent one season as a graduate assistant coach at Ithaca, where he coached the offensive line.

Caruso has mentored 15 offensive players who signed pro contracts, including former NFL kick-return standout Stefan Logan of the Detroit Lions.

Caruso earned a Bachelor of Science degree in 1996 from Ithaca, where he majored in sport studies. He earned his master's degree in education from North Dakota State University in 2004. Coach Caruso and wife Rachael reside in St. Paul with daughter Anna (17) and sons Cade (15) and True (13).

Liberty Mutual made three \$50,000 charitable donations on his behalf, which Caruso has designated to St. Jude Children's Research Hospital; Habitat for Humanity, Twin Cities; the University of Minnesota Cancer Research, located just four miles from UST's campus in Minneapolis, and Bucky's Pride, his foundation created in 2010 and named after his dad Frank "Bucky" Caruso.

Off the field, Caruso and his program make a strong impact in St. Paul and beyond. He is a founder of a Reading Recess program at local elementary schools. He joined Tommie players in the Up 'Til Dawn Benefit writing 2,000 letters to raise funds for St. Jude's Children's Research Hospital. He also holds an annual youth football camp and is active in state and national coaching organizations at several levels.

Strong Tradition

St. Thomas has a rich tradition since its first varsity games in 1903. The Tommies' are ranked in the top 25 in Division III all-time winning percentage, and they played the school's 1,000th varsity game in 2018.

Nearly 30 Tommies were selected in the NFL draft or have gone on to play in pro football, including three in the last 30 years.

The 2018 season marked the 70th anniversary of St. Thomas' famed 1948 Cigar Bowl team which played a New Year's Day bowl game in Tampa, Fla.

Off the field, Tommie football has received CoSIDA Academic All-America honors 24 times in the last 27 seasons; had a player named to the AFCA Good Works Team (campus/community service) a Division III-record 12 consecutive seasons; and had three players in the last two decades receive an elite National Football Foundation Scholar-Athlete Award and \$18,000 postgrad scholarship.

In 26 of the last 31 seasons, St. Thomas Football has had at least one All-America or CoSIDA/CSC Academic All-America honoree.

Voice of the Tommies

The voice of St. Thomas football and men's basketball, Corbu Stathes took to the airwaves in 2021 as the official voice of Tommie Athletics. He joined St. Thomas after 14 seasons broadcasting Gophers women's basketball and also served as the play-by-play voice for Gopher volleyball and the St. Paul Saints prior to his time with the Tommies.

In addition to his broadcasting duties, Stathes also hosts the Tommie Talks Podcast. The podcast not only previews the weekend ahead for St. Thomas Athletics but also gives fans an inside view of the life of a Tommie student-athletes. Listen to the latest episode at www.tommiesports.com.

Chris Ohm and Ayo Idowu will join Stathes on the call for St. Thomas football games in 2023. With over 25 years experience broadcasting football, Ohm joined Stathes in 2021 as a color commentator for Tommie football, bringing in depth coaching knowledge to the booth. A former college coach, Ohm spent four years on the sidelines with Concordia-Moorhead before taking to the air waves. He never looked back, spending the next 24+ years as the voice of Cobber football before joining St. Thomas two years ago.

A native of St. Paul, Minnesota and graduate of St. Thomas, Idowu is back on the sidelines for Tommie football, albeit in a different role. The former All-American defensive lineman returns as a sideline reporter as a member of the St. Thomas radio crew, bringing in depth analysis from a player's perspective. In his four years with the Tommies, Idowu earned All-Conference, All-Region and All-America honors and led St. Thomas to its first ever Stagg Bowl appearance in 2012. Post college, Idowu played several years of professional football in the NFL, AFL and CFL. After his playing career ended, Idowu took to coaching in the high school ranks.
