BREAKING DOWN THE TOMMIES

SERIES HISTORY | SEATTLE U

St. Thomas and Seattle U's only previous meeting came Nov. 27, 2021, an 81-64 win by the Redhawks during the Tommies' first season of DI play. The game in Seattle saw UST trail by just seven at halftime before Seattle U scored 46 points in the second half to pull away. The Redhawks were a member of the Western Athletic Conference at the time before moving to the West Coast Conference for the first season in 2025-26.

HERE WE COME, NIT

St. Thomas has been selected to compete in the 2026 National Invitation Tournament, marking the program's first appearance in the postseason event during the Division I era. The Tommies earned the bid following a 24-9 campaign that included a second-place finish in the Summit League regular-season standings and a semifinal appearance in the Summit League Championship. Under head coach Johnny Tauer, St. Thomas recorded its fourth consecutive 20-win season and matched the program's Division I single-season record for victories.

AN EARLY EXIT TO THE SUMMIT LEAGUE CHAMPIONSHIPS

No. 2 seed St. Thomas saw its Summit League Championship run end in the semifinal round with a narrow 67-66 loss to No. 3 North Dakota in Sioux Falls, S.D. Nolan Minessale led the Tommies with 23 points and nine rebounds while Ben Oosterbaan added 16 points on 8-of-12 shooting. St. Thomas carried a 34-28 halftime lead despite shooting 35 percent from the field, controlling the glass with a 26-14 rebounding advantage and a 12-0 edge on the offensive boards.

North Dakota chipped away in the second half and eventually tied the game at 54-54 with just over seven minutes remaining. The teams traded

the lead in the final minutes as Minessale converted a layup and two free throws to put St. Thomas ahead 64-63 before the Fighting Hawks responded. Minessale tied the game again with a late drive, but North Dakota drew a foul with 0.1 seconds remaining and made a decisive free throw to secure the 67-66 victory. Minessale was named to the Summit League All-Tournament Team, averaging 22.5 points, 8.5 rebounds and 4.5 assists per game.

ANOTHER SUMMIT LEAGUE QUARTERFINAL VICTORY

No. 2 seed St. Thomas advanced to the Summit League Championship semifinal for the fourth consecutive tournament with an 80-67 win over No. 7 South Dakota State. Ben Oosterbaan led the way with a career-high 23 points while Nolan Minessale added 22 points, eight rebounds and six assists as the Tommies improved to 24-8, tying their Division I-era single-season record for wins. St. Thomas trailed late in the first half but closed on a 9-2 run to take a 39-37 lead into the break.

The Tommies seized control early in the second half, using an 8-0 run sparked by Oosterbaan to build momentum before extending the lead to as many as 14 points. Oosterbaan scored eight straight during the surge while Minessale pushed the advantage to 62-48 midway through the half. South Dakota State cut the deficit to single digits late, but St. Thomas sealed the win at the free-throw line, going 10-for-10 over the final three minutes while holding the Jackrabbits to 38.1 percent shooting.

20-WIN THREE-PEAT, ONE COACH

The second victory over Oral Roberts on Feb. 7 secured St. Thomas' third straight 20-win season, the only Summit League team to do so since the Tommies joined the league in 2021-22. Among current Summit League programs, it's the fourth instance of three straight 20-win seasons since 2004 and the

GAME 34: NIT TOURNAMENT AT SEATTLE U

first time done with the one head coach through all three-plus seasons since Oral Roberts from 2004-08 (Scott Sutton). South Dakota State won at least 20 games from 2017-20 with two different head coaches, while North Dakota State did the same from 2012-16.

Head Coach Johnny Tauer secured his 10th 20-win season leading St. Thomas and the third of the Division I era. His teams have won at least 19 games in 12 of his 14 seasons (not including the 2020-21 COVID season). As a player from 1991-95, Tauer was part of two 20-win Tommie teams and totaled at least 19 wins in three of his four seasons on the team.

With it's 20th win of the 2025-26 season, St. Thomas became one of eight programs to reach the milestone during its first full season of NCAA Division I eligibility. The most recent was San Diego with 30 wins in 2024-25 while only three teams have reached 24 wins during their first full season. Of Summit League teams to transition to DI, only North Dakota State won at least 19 games in its first full season, securing 26 victories during the 2008-09 season.

Among teams to transition to Division I since 2000, St. Thomas is the only program to record four straight 19-win seasons through the final three seasons of its transition and into year one of full eligibility. UST joined Grand Canyon as the only teams to record three straight 20-win seasons through years 3 and 4 of its transition and into the first full season of eligibility into DI.

ALL-SUMMIT LEAGUE RECOGNITION

St. Thomas earned four All-Summit League honors, highlighted by Nick Janowski being named Freshman of the Year and joining Nolan Minessale as First Team All-League selections. Janowski becomes the second Tommie to earn Freshman of the Year and led all freshmen while ranking second in the league with 19.1 points per game, adding eight 20-point outings and two 30-point performances in Summit play. Minessale also secured First Team recognition and All-Defensive Team honors after averaging 17.4 points, 4.6 assists and 1.9 steals per game in league action, anchoring the conference's second-ranked scoring defense and posting a league season-high 12 assists in a win over South Dakota.

Carter Bjerke was named Honorable Mention All-League after leading the Summit League with a .530 3-point percentage in conference games, the only player above .500. He set the league's single-game season high with 10 made 3-pointers in a Feb. 1 win over Kansas City, one of 11 30-point efforts in league play this year. Janowski and Minessale mark the first time St. Thomas has placed two players on the First Team, while Minessale joins Drake Dobbs as the program's only All-Defensive Team selections. All awards were voted on based solely on Summit League regular-season games.

TRACKING THE MILESTONES

Nolan Minessale's name will be stamped in the program's Division I era record book plenty by the end of the season. In addition to setting the program's records for single-season points (659), assists (144), steals (54), free throws (169) and career free throws (253), he reached 1,000 career points during the Summit League Championship quarterfinal win over SDSU. Minessale joins Parker Bjorklund ('21-24/1,131 points) and Kendall Blue ('22-25/1,013 points) as the only Tommies to top the mark during Division I games.

Ryan Dufault set the program's DI era record for games played with 131, scoring in 117 of those games, to surpass Ben Nau ('21-25). Carter Bjerke set the program's DI career record - surpassing Riley Miller's ('21-23) 188 - with seven Feb. 26 against NDSU, now with 199. Nick Janowski set the single-season rebound record with 168 - previously held by Raheem Anthony ('23-24) with 154.

ONE-TWO PUNCH

Through the Summit League Tournament, Janowski and Minessale were 1 of 12 sets of teammates in the country with multiple 30-point games, 1 of 12 sets of teammates with at least 10 20-point games each this season and are 2 of 3 players in the Summit League with multiple 30+ point games. The duo currently rank among the top five in the Summit League in points per game, Minessale is second with 20.0 points per game followed by Janowski in fifth with 16.3 points, while Minessale ranks 22nd in the country in total points

followed by Janowski who finished second in the Summit League with 19.1 points per game during conference-only games.

Minessale is fourth nationally for the most 20-point games with 22 and recorded back-to-back 30-point games, first tying the program's DI era record with 32 points against Weber State on Dec. 7, 2025. Janowski has scored in double figures in 30 games, 20+ points in 11 games and had two 30-point games through the first four games of the Summit League schedule, tying Minessale, Parker Bjorklund and Raheem Anthony with 32 points Jan. 15 at UND for the program's DI era single-game record.

BIG MAN, BIG 3-POINT RECORD

Redshirt junior Carter Bjerke set the program's Division I era single-game record with 10 3-pointers Feb. 1 against Kansas City, helping to a 99-64 win. He dropped seven in the first half, setting a career high in 3-point field goals and tying a career high 21 points over the first 20 minutes. Bjerke added three 3-pointers over the first nine minutes of the second half, recording his first career 30-point game, before sitting for the final 11:00 minutes of the game. The 10 3-pointers are tied for the fourth most ever by a Summit League player and it's the fourth instance this season of a DI player reaching 30 points on 3-pointers alone (Nov. 7: Harrison Reed, IUW, 12 3FGM; Nov. 21: Ruben Dominguez, Texas A&M, 10 3FGM; Dec. 2: Braden Appelhans, Drake, 10 3FGM).

Bjerke surpassed the previous DI era record of nine set by Riley Miller against Merrimack during the 2022-23 season and tied the St. Thomas all-time 3-point record set by Curt Kietzer during the 1986-87 season. Bjerke accounted for 10 of the team's 18 3-pointers against UMKC, which is the program's most against a DI opponent (22 twice versus DIII opponents).

AN OFFENSE NEVER SEEN IN THE SUMMIT

For the first time in at least two decades, a Summit League team scored at least 90 points in four straight games. The Tommies' scoring onslaught began Dec. 20 with a 92-78 win over UC Riverside before adding 105 points against North Central, 92 against Denver and 99 against South Dakota. The streak is the first instance in program history and is the third streak of at least three 90+ point games under Johnny Tauer, previously doing so during the 2017-18 season and twice during the 2012-13 seasons. Prior to Coach Tauer taking over in 2011, St. Thomas had just two three-game streaks, coming during the 1993-94 and 1971-72 seasons.

During the streak, the Tommies averaged 97.0 points per game - on 55.4 percent shooting overall and 45.3 percent on 3-pointers - while allowing 77.8. Nolan Minessale averaged 18.8 points per game, followed by Nick Janowski with 17.3, Isaiah Johnson-Arugu with 13.8 and Carter Bjerke with 12.5. The Tommies combined for six 20-point performances - three from Minessale and a 30-point game from Janowski.

During Summit League games, St. Thomas led the league scoring 85.7 per game. The average is the highest for a Summit League team since South Dakota State (87.1) in 2021-22 and the second highest since 2012-13. The Tommies' 83.2 points per game through the entire season ranks 40th among all of DI.

MR. 300

Johnny Tauer became the third St. Thomas head men's basketball coach to record 300 career victories, joining Steve Fritz (1980-2011) and Tom Feely (1954-1980), following the win at UNC Asheville. Tauer is the fastest of the three to reach the milestone, doing so in 411 games compared to 464 games for Fritz and 480 for Feely. Tauer is now just one of six active coaches among all of NCAA with 300 victories and a .730 winning percentage at one school, and joins Gonzaga's Mark Few as the only two to do so currently at the Division I level. The only two head coaches in the Summit League with 300 career wins are Tauer and Paul Sather of North Dakota.

POSTSEASON ELIGIBLE

With the transition in the rear-view mirror, St. Thomas is beginning its first season as a fully postseason-tournament-eligible program within NCAA Division I. Initially a five-year transition period, the NCAA Division I Council voted in January in favor of a reduction to the department's provisional period from five to four years. The NCAA later announced in June that St. Thomas had completed its reclassification process and is fully eligible to compete in postseason play. St. Thomas made its first Summit League postseason appearance in 2022-23 and have gone 5-4 in those games through the semifinal round of the 2025-26 Summit League Championship, including a trip to its first title game last season against eventual champion Omaha. St. Thomas is one of three programs to transition to DI to total at least 24 wins during its first full season of eligibility.

NOTHING BUT NET/KEN POM RANKINGS

St. Thomas enters the NIT 103 in the NET rankings as of March 15, the best among Summit League teams. The Tommies are ahead of Summit League Champions North Dakota State (114), South Dakota State (210) and Denver (241). Nine Power Five programs slot behind St. Thomas from the Big Ten (4), ACC (2), SEC (2) and Big 12 (1). The Redhawks are ranked 122 in the NET Rankings as of March 15.

The Tommies sit ranked 109 in the Ken Pom as of March 15, the highest among Summit League teams. NDSU slots in 113, SDSU at 220 and Denver at 234. St. Thomas is ahead of six Power Five programs including from the Big Ten (3), ACC (2) and Big 12 (1). Seattle U enters the NIT ranked 119 in the Ken Pom Rankings.

GAME 34: NIT TOURNAMENT AT SEATTLE U

FOUR FOR FOUR

Nolan Minessale's historic start to the season earned him two back-to-back Summit League Peak Performer of the Week honors on Nov. 18 and 25 before adding two more on Dec. 9 and 16, the first Tommie to earn multiple weekly honors for the program since joining in 2021. He is one of four Summit League athletes to earn the weekly award at least four times in one season since 2022-23. Minessale's four weekly awards are more than the program has brought in through the first four seasons of Summit League play combined. Nick Janowski also earned peak performer of the week honors following a 31-point game Jan. 4, 2026 during a win over Denver to start the league schedule.

LIVING UP TO THE HYPE

Nolan Minessale has shown why he was chosen as the Summit League Preseason Player of the Year. The sophomore put up eight straight 20-point performances to begin the season, becoming the first Tommie to do so under Head Coach Johnny Tauer since at least the 2005-06 season and the first player in NCAA DI to do so since at least 2021-22, and recorded back-to-back 30-point games, one of two Tommies of the DI era with multiple 30-point games. Dating back to the 2025 Summit League Championship title game, Minessale scored at least 20 points in nine straight games, the first Tommie to do so under Head Coach Johnny Tauer. Minessale ranks 22nd in NCAA DI in total points, 23rd in field goals made and 35th in points per game, and set St. Thomas DI era single-game records with 12 assists and 6 steals (later broken by Austin Herro with 7 at North Dakota) during the 99-86 win over South Dakota.

MINESSALE NAMED A LOU HENSON PLAYER OF THE YEAR FINALIST

Nolan Minessale's historic 2025-26 season has earned him national recognition as 1 of 30 finalists for the Lou Henson Award, presented annually to the top mid-major player in Division I college basketball, as announced by CollegeInsider.com. Minessale is one of two finalists averaging 20.0 points and 4.0 assists per game with an assist-to-turnover ratio of at least 2.0. The award honors the former Illinois and New Mexico State head coach who won 775 games in 41 seasons. The 2026 award will be announced in Indianapolis, Ind., the site of the men's Division I Basketball Championship.

FOCUSED ON EFFICIENCY

St. Thomas' success on the scoreboard can be attributed to the type of shots it's taking, primarily as the best in the country on converting 2-point field goals. The Tommies lead the country shooting 63.6 percent on 2-pointers ahead of Michigan (61.6%), Miami (OH) (61.5%), and Bellarmine and Duke (61.0%). The Tommies' 2-point field goal percentage is on pace to finish as the second highest in Division I since the 1996-97 season (Gonzaga, '20-21).

POLL TOMS

The Purple began the 2025-26 season receiving 78 votes in the Mid-Major Top 25 Poll and totaled 203 in the most recent poll to rank No. 17. The Tommies are one of two Summit League programs ranked, joined by North Dakota State at No. 12. St. Thomas landed on the CollegeInsider.com Mid-Major Top 25 Poll for the first time in program history in January 2025, debuting at No. 25 and reaching as high as No. 16 this season heading into the Summit League Championships.

THE SUMMIT OF WINS

St. Thomas continues to rank at the top of the Summit League in overall wins over the past four seasons, totaling 87 victories since the start of the 2022-23 season. Following UST is North Dakota State with 79, South Dakota State with 75 and Omaha with 61. In addition, the Tommies also lead the Summit League with 52 home wins over that span, ahead of NDSU and SDSU with 43. The Tommies also hold the most regular season wins among Summit League teams since 2022-23 with 82, followed by NDSU with 74 and SDSU with 71.

KEEPING THE GANG TOGETHER

St. Thomas has had its core of the coaching staff together for the past four seasons in Head Coach Johnny Tauer, Associate Head Coach Mike Maker and Assistant Coaches Cameron Rundles and Kenneth Lowe. Maker oversees the offense while Rundles and Lowe each focus on defense. The Tommies are the only Summit League program to retain the same head coach and top three assistants over each of the past four seasons. The group is responsible for the Summit League's most overall wins since Lowe completed the staff in 2022-23.

A NEW PEAK PERFORMER

Behind his 31-point performance Jan. 4 versus Denver, Nick Janowski was selected as the Summit League Peak Performer of the Week. He shot 12-of-22, including three 3-pointers, while adding seven rebounds against the Pioneers. Janowski scored 19 of his points in the second half and finished as one of five 30-point performances in the league this season. He joins Nolan Minessale as Tommies to earn the weekly honor in 2025-26, with St. Thomas already surpassing its combined total of three weekly award winners from the previous four DI seasons.

THE NATION'S LONGEST HOME WINNING STREAK CAME TO AN END

NCAA Division I's longest active win streak now resides elsewhere as St. Thomas' 28-game home streak was snapped Jan. 29 during an 81-80 loss to North Dakota. The Tommies' second longest home winning streak in over 50 seasons (32 straight from 2/11/12-2/8/14) began Feb. 8, 2024 (coming off a 74-64 loss to North Dakota) and spanned 721 days between two venues (Schoenecker Arena - 18 wins, Anderson Arena - 10 wins). Since the start of the 2022-23 season, the Tommies are 52-5 at home, which ranks eighth among all NCAA Division I programs during that span.

Dating back to the start of the 2021-22 season, St. Thomas' 28-game home winning streak is tied with Samford, Drake and UConn for the sixth longest in NCAA DI during that span. Houston holds the longest streak during that span at 33 games (1/28/23-1/22/25) followed by active 31-game streaks by Duke and Miami (OH).

STACKING 20-POINT SCORERS

For the 11th time this season, St. Thomas featured a pair of 20-point players as Nolan Minessale and Ben Oosterbaan each topped the mark March 6 to open the Summit League Championship over South Dakota State. Nick Janowski and Nolan Minessale each scored at least 20 five times this season, Isaiah Johnson-Arigo and Minessale have done so twice, Carter Bjerke and Nick Janowski have done so twice, and Bjerke and Minessale topped the mark during the win over UC Riverside. Between 2022-23 and 2024-25, St. Thomas totaled seven games with a pair of 20-point scorers, including two in 2024-25 and five in 2022-23.

VALUE THE BALL

Tauer's teams have historically taken care of the basketball, and the first five seasons of DI play are no different. The Tommies finished tied for 13th nationally in turnovers per game (9.5) last season, ninth in 2023-24 (9.2), ranked tied for 11th nationally in the fewest total turnovers (327) in 2022-23 and led the category in 2021-22 (243). St. Thomas is one of three teams nationally to record fewer than 10.0 turnovers per game in each of the past four seasons, joining Iowa and Wisconsin.

Through the 2025-26 regular season, St. Thomas turned the ball over 10 or fewer times in 24 games and rank 16th in the country in turnovers per game (9.4). The Tommies have posted fewer turnovers than their opponents in 22 of 33 games this season, going 19-3 in those games. St. Thomas gave the ball away a season low four times Feb. 7 against Oral Roberts, matching the lowest total for the program over the past four seasons. The Tommies gave away just four turnovers twice in each of the 2023-24 and 2024-25 seasons.

LOVE THAT HOME COOKING

Through its home games during the DI era, St. Thomas has won its home games by an average margin of 21.1 points, including a margin of 15.1 points against DI opponents. Fourteen of the program's 42 home wins against DI opponents since that time have been by more than 20 points while 11 were decided by fewer than 10 points.

THE SUMMIT LEAGUE PRESEASON FAVORITES

Coming off its first trip to the Summit League Championship game, St. Thomas was voted to finish first in the 2025-26 Summit League Preseason Poll. The Tommies received 17 first-place votes and 501 total points, ahead of last season's league champion Omaha with 13 first-place votes and 495 points. South Dakota State was slotted third with five first-place votes and 450 points followed by North Dakota State with 358 points.

Sophomore Nolan Minessale was voted as the Summit League Preseason Player of the Year, the first sophomore to earn the honor since Mike Daum of South Dakota State in 2016-17 and the first true sophomore since at least the 2006-07 season. The guard from Brookfield, Wis., started all 34 games and quickly established himself as one of the Summit League's top two-way players. He led the league in blocks per game, ranked sixth in steals, and paced the Tommies with a .562 field goal percentage. Minessale averaged 11.2 points, 3.5 rebounds and 2.0 assists per game, scoring in double figures 16 times with four 20-point outings.

CRUISING TO 9-4

St. Thomas remains the only Summit League program to post at least nine wins through its first 13 games in each of the past four seasons, continuing a stretch of consistent nonconference success.

The Tommies set the tone with an early 8-0 run and pulled away for good with a decisive 25-3 surge late in the first half. St. Thomas shot better than 50 percent from the field for the fourth straight game, went 9-of-18 from 3-point range. NO MORE NON-CON

St. Thomas closed its non-conference schedule in emphatic fashion, pairing back-to-back home wins to finish with the most non-conference victories (before conference play) in program history since joining Division I. The Tommies opened the stretch with a 92-78 win over UC Riverside on Dec. 20, extending their home winning streak behind another dominant offensive night from Nolan Minessale and Carter Bjerke. Minessale scored 27 points for his 12th 20-point game of the season, while Bjerke added a career-high 21 as St. Thomas shot better than 60 percent from the floor and seized control with decisive runs in both halves.

Eight days later, the Purple closed non-league play with a 105-59 victory over North Central, marking the program's first 100-point game since January 2025 and pushing the home winning streak to 25 games, the longest active streak in NCAA Division I. Minessale poured in 20 first-half points as the Tommies built early separation and never looked back, holding North Central to just 23 points after halftime.

The Tommies led the Summit League in total wins through the non-conference schedule (11), followed by North Dakota State with 10 and South Dakota with 8. Statistically, St. Thomas led all league teams in scoring defense (70.1), field goal percentage (.497), 3-point field goal percentage defense (.315), assists per game (16.7), assist-to-turnover ratio (1.78), and defensive rebounds per game (26.2).

BATTLE AT THE TOP

St. Thomas saw its nine-game winning streak come to an end Jan. 17 in Fargo, falling 68-65 to North Dakota State in a tightly contested Summit League matchup. The Tommies traded momentum throughout and carried a slim 35-34 lead into halftime, but a late push by the Bison proved decisive as a potential game-tying 3-pointer at the buzzer came up short, allowing NDSU to take sole possession of first place in the Summit League standings.

Despite committing 15 turnovers that led to 21 NDSU points, St. Thomas stayed within one possession down the stretch behind balanced scoring, placing four players in double figures. Nolan Minessale led the Tommies with 16 points to go with six assists and four steals, while Isaiah Johnson-Arigo added 15 points, Nick Janowski finished with 11 and Austin Herro chipped in 10. The Tommies limited North Dakota State to nine second-chance points.

THE HOME STREAK CONTINUES OVER SDSU

The Tommies leaned on a decisive defensive stretch, holding the Jackrabbits to 11 points over the final 11 minutes to secure their fifth league win and third victory in the last four home meetings with SDSU.

Carter Bjerke and Nick Janowski scored 21 points apiece to fuel the comeback, marking the sixth time this season two Tommies have reached the 20-point mark in the same game. Bjerke connected on five 3-pointers, including four in the first half, while Janowski poured in 19 of his points after halftime and tied for the team lead with six rebounds. Nolan Minessale added 14 points, and Ryan Dufault provided a key spark off the bench with 10 points as St. Thomas closed the game on a 5-0 run to seal the win.

ALL GOOD THINGS...

St. Thomas saw its NCAA Division I-leading 28-game home winning streak snapped Thursday night in an 81-80 loss to North Dakota at Lee & Penny Anderson Arena. The Tommies led at halftime and held a slim advantage most of the night before the Fighting Hawks scored twice in the final 10 seconds to even the regular-season series.

Austin Herro contributed 11 points, eight rebounds, six assists and two steals as St. Thomas shot 49.1 percent from the field. North Dakota closed the game by shooting 56.3 percent in the second half, handing the Tommies just their second league loss and ending a home streak that ranked tied for the third longest in Division I since the start of the 2021-22 season.

A RECORD-BREAKING BOUNCE BACK

St. Thomas delivered a decisive 99-64 victory over Kansas City on Feb. 1 at Lee & Penny Anderson Arena, fueled by a historic shooting performance from junior forward Carter Bjerke. The Tommies knocked down 18 3-pointers against the Roos, the most ever made against a Division I opponent, to build a 52-25 halftime lead.

Bjerke finished with a career-high 30 points on 10 made 3-pointers, setting the program's Division I era single-game record and tying the school's all-time mark. TAKING THE STATE BY STORM

St. Thomas earned a historic road win Wednesday night, knocking off South Dakota State in Brookings for the program's first Division I-era victory at First Bank & Trust Arena and completing a regular-season sweep of the Jackrabbits. Guards Nolan Minessale and Nick Janowski combined for 49 points to lead the Tommies, who carried a 31-28 halftime lead after holding SDSU to 2-of-14 shooting from 3-point range and controlling the perimeter despite a cold stretch late in the opening half.

The game swung decisively early in the second half when St. Thomas erupted for a 17-0 run, shooting a perfect 6-for-6 during the stretch to build a 20-point cushion. Minessale poured in 22 of his game-high 26 points after the break, while Janowski added 23 points as the Tommies shot 71.4 percent in the second half and 6-of-9 from deep. St. Thomas closed out the win at the free-throw line and limited South Dakota State to 3-of-13 shooting from beyond the arc over the final 20 minutes.

St. Thomas earned its first win in Brookings during the Division I era and its first victory at South Dakota State since the 1954-55 season, giving the Tommies road wins at every opposing Summit League program. The Tommies secured wins at both South Dakota State and South Dakota in the same season, becoming one of three Summit League teams to accomplish the feat since 2021-22, joining North Dakota State (2024-25) and Oral Roberts (2022-23). It's been 6,551 days since South Dakota State lost at home by 15 or more points, last taking a 15-point loss to Oral Roberts, 67-52, on Feb. 28, 2008.

Bjerke buried three early 3-pointers to set the program's Division I-era career record and finished the half with 18 points.

GAME 34: NIT TOURNAMENT AT SEATTLE U

The Tauer File

As St. Thomas Men's Basketball enters the 2025-26 season, Head Coach Johnny Tauer continues to redefine what sustained success looks like at every level of college basketball. Now in his 15th season at the helm, Tauer is the longest-tenured coach in the Summit League, ranks among the top 50 active Division I men's basketball coaches in tenure, and has been a part of 820 career games as a student-athlete (114), assistant coach (308) and head coach (398) with St. Thomas men's basketball.

A Tommie through and through, Tauer is one of only five Division I men's basketball coaches who, along with women's coach Ruth Sinn, lead both programs at their alma mater. His playing career from 1991-95 earned him induction into the St. Thomas Athletics Hall of Fame, setting the stage for a coaching journey built on culture, continuity, and competitive excellence.

Tauer's leadership guided St. Thomas through its historic four-year transition to Division I—the only men's basketball program in NCAA history to move directly from Division III. In the final year of that transition, the 2024-25 Tommies delivered a defining campaign, finishing 24-10 overall, advancing to their first Summit League Championship title game, and claiming second place in the regular season. The 24 wins were the most of the Division I era and the third-most by any reclassifying team in its fourth year, while St. Thomas became the only transitioning program to record three straight 19-win seasons. The Tommies led the Summit League with a .706 winning percentage and went 14-0 at home, marking the second perfect home season at Schoenecker Arena.

Nationally, St. Thomas ranked top 10 in effective field goal percentage and top 20 in 10 categories, the only program in the country to place among the top 20 in 2FG%, 3FG%, FT%, and turnover margin. Four Tommies earned All-Summit League honors—Miles Barnstable and Drake Dobbs headlined the group, with Dobbs finishing fifth nationally in assist-to-turnover ratio. The résumé included wins over NCAA Tournament qualifiers Montana and Omaha, along with victories over 19-win Portland State and 25-win Northern Colorado, the Big Sky regular season champion. Over the transition span, Tauer's teams posted 73 victories, the second most by any reclassifying program in NCAA history.

The 2023-24 season, St. Thomas' third at the Division I level, reflected a major leap forward. The Tommies reached their first 20-win season of the DI era, highlighted by a Summit League Tournament win over North Dakota State, ending the Bison's five-year run of championship appearances. St. Thomas became just the third transitioning team to reach 20 wins in year three of Division I play. Their KenPom and NET rankings continued to climb, placing among the top four transition-year performances nationally since 2000.

The Tommies finished the year among the top 20 nationally in scoring defense and turnovers per game, and inside the top 50 in six additional statistical categories. Raheem Anthony and Parker Bjorklund earned All-Summit League Second Team honors, while Anthony also made the All-Newcomer Team. Bjorklund repeated as a College Sports Communicators Academic All-District selection, underscoring the team's balance of academic and athletic excellence. Tauer notched his 250th career win that season with a 76-70 victory over Portland State—becoming the fastest in program history to reach the milestone. He stands among just six active NCAA coaches with at least 250 wins and a winning percentage above .730, all at one institution. That consistency extended to home dominance. St. Thomas went 24-4 at home across the past two seasons, the best home winning percentage in the Summit League since 2022-23, and remains the only program in the league with 12 or more home wins each of the past three years.

The 2022-23 season marked a turning point in Tauer's Division I build. Coming off a 10-win debut campaign, the Tommies nearly doubled their victory total to finish 19-14 overall and 9-9 in the Summit League, earning a fourth-place finish after being picked eighth in the preseason poll. St. Thomas advanced to the Summit League semifinals and secured the program's first Division I postseason victory, a 67-60 win over Western Illinois. The Tommies' KenPom ranking improved 102 spots, one of the nation's largest single-year jumps, and the team finished among the top quartile nationally in home winning percentage after a 12-2 mark at Schoenecker Arena.

Tauer's squad pushed eventual 30-win Summit champion Oral Roberts to the brink in a 70-65 semifinal loss, beat 21-win UW-Milwaukee and 20-win Troy, and split the season series with South

Dakota State. Andrew Rohde earned Summit League Freshman of the Year, All-Summit League, and All-Newcomer Team honors, while Parker Bjorklund also landed on the All-Summit League Second Team. Statistically, St. Thomas improved by six conference wins, a plus-five scoring margin, and doubled its block total while cutting its opponent 3-point percentage by nearly 10 points. Among the 50 schools that have reclassified to Division I over the past 25 years, St. Thomas recorded the second-best year-one to year-two improvement (+9 wins).

Before leading the Tommies' Division I ascent, Tauer built one of the most successful Division III programs in modern history. Twice named Division III National Coach of the Year (2013 by Basketball Times and 2016 by the NABC and D3 News), he earned five West Region Coach of the Year and five MIAC Coach of the Year honors. He was the second-fastest coach in Division III history to reach 200 wins, believed to have recorded the most victories through his first five seasons of any DIII head coach. His .813 winning percentage ranked first among active Division III coaches through 2021 and top five nationally across all NCAA levels.

Tauer was the first MIAC coach to win both the conference and playoff titles in each of his first two seasons, and the first to capture regular-season championships in six straight years. He remains the only MIAC coach to have played in, assisted in, and later led a team to the Division III Final Four. His DIII-era teams were recognized nationally for elite offensive execution—consistently ranking among the NCAA's best in efficiency, field-goal percentage, three-point shooting, fewest turnovers, and assist-to-turnover ratio.

Tauer's connection to St. Thomas basketball runs deep. Before his head coaching tenure, he spent 11 seasons as an assistant, directing both defensive and offensive systems. As a player, he was an All-MIAC, All-West Region, and Academic All-America selection, helping the 1993-94 team reach the Division III Final Four. During his senior season in 1994-95, Tauer led the Tommies to a school-record 27-0 start and a 20-0 MIAC mark, one of the most dominant seasons in conference history. He graduated ranking 14th in career points (1,219) and 15th in rebounds (482), held the program's three-point record until 2000, and still ranks among the MIAC's all-time leaders in made threes. Tauer was inducted into the St. Thomas Athletics Hall of Fame in 2001, cementing his place among the program's legends before ever coaching a game.

Off the court, Tauer's impact is equally profound. An NCAA Postgraduate Scholar and Academic All-America honoree, he earned his master's and Ph.D. in Social Psychology from the University of Wisconsin-Madison, where his research focused on academic and athletic motivation. He returned to St. Thomas in 2000 as a faculty member and remains one of the few head coaches in the country with a doctoral degree in sport-related psychology. A tenured Professor of Psychology, Tauer has published extensively on motivation and performance, including his 2016 book "Why Less is More for WOSPs (Well-Intentioned, Overinvolved Sports Parents): How to Be the Best Sports Parent You Can Be." His academic background informs a coaching philosophy grounded in motivation, discipline, and joy—principles that have guided St. Thomas from Division III champion to Division I contender.

Success and leadership have followed Tauer throughout his life. A Cretin-Derham Hall graduate, he was a two-sport captain and all-state performer in basketball and baseball, leading teams to state titles in 1990 (baseball) and 1991 (basketball). That championship pedigree endures in his players—current Tommies have combined for 16 high school state titles and seven runner-up finishes, and his staff also shares that tradition: Tauer (basketball and baseball), Assistant Coach Cameron Rundles (basketball), and Director of Operations Josh Rodenbiker (football) all won state championships as athletes.

Those hallmarks—discipline, development, and unity—mirror the University's values of Character, Classroom, Community, and Competition, and the team mantra of "Competitive Joy."

Tauer resides in St. Paul with his wife, Chancey, co-founder of Pradeo Academy, a Twin Cities charter school network. Together they have four children: Jack, Adam, RQ, and Issa. Rooted in family, faith, and purpose, Tauer's journey embodies the essence of St. Thomas basketball—a program built on pride, humility, and confidence, preparing to take its next step on the national stage.

A HISTORIC COACHING LINE

St. Thomas men's basketball has been guided by just three head coaches over the past 71 seasons—Tom Feely (1954–80), Steve Fritz (1980–2011), and Johnny Tauer (2011–present)—a testament to the program's remarkable stability and continuity. All three are St. Thomas alumni and members of the St. Thomas Athletics Hall of Fame. Together, they've combined for more than 1,300 victories, 31 regular season conference championships, 13 conference playoff titles, and 25 national tournament appearances.

Feely laid the foundation for Tommie Basketball excellence with a 417-269 (.607) career record over 26 seasons. Fritz followed with a 592-248 (.705) mark and led the program to its first national championship in 2011. Tauer, who succeeded his former coach, has carried that tradition into the Division I era with over 80 wins through the first five seasons of DI play. Few programs in college basketball can match the Tommies' combination of long-term leadership, alumni pride, and sustained championship success.

A WINNING TRADITION

Winning has been the tradition at St. Thomas with the trend continuing under Head Coach Johnny Tauer. Since 2011, the Tommies have finished with nine 20-win seasons, 11 19-win seasons and 12 nine-win conference seasons. The only seasons to not win 19 games or nine conference games included the COVID season and the 2021-22 inaugural DI season.

Tauer has averaged 20.8 wins per season at St. Thomas and became the fastest coach in program history to reach 300 career wins, doing so in 411 career games, joining Fritz and Feely.

Looking back, Tauer was a senior with Tommie Basketball when Fritz reached the 250-milestone in 1995 and Fritz was a senior for the program when Feely reached the milestone in 1970-71.

SUSTAINED EXCELLENCE

Head Coach Johnny Tauer's excellence within the Tommie Men's Basketball program dates back to his days as an Academic All-American that led to his induction to the St. Thomas Athletics Hall of Fame in 2001. As a student-athlete from 1991-95, Tauer was an All-MIAC player, first team All-West Region, and as a senior led the 1994-95 Toms to a school-record 27-0 start, including an MIAC Championship with an unprecedented 20-0 record. He helped the Toms to NCAA DIII Tournament berths in 1992-93, 1993-94, and 1994-95, including a run to the Final Four in 1993-94.

After earning master's and PhD degrees at Wisconsin, Tauer joined the Tommie Men's Basketball coaching staff as an assistant coach and ran the St. Thomas defense for two seasons (2001-03) and also directed the Tommies' offensive sets that had consistently ranked among the best in NCAA basketball in overall offensive efficiency, field-goal percentage, 3-point proficiency, fewest turnovers, and assist-to-turnover ratio. With Tauer serving as an assistant, the Toms won the 2010-11 DIII National Championship title, made a run to the 2008-09 Final Four, and totaled seven DIII National Tournament runs.

With the retirement of longtime head coach Steve Fritz in 2011, Tauer took over the program as just the third head coach for the program since 1954 and continued its storied tradition with another national title in 2015-16, a Final Four run in 2012-13, and eight DIII National Tournament appearances.

As a student-athlete, assistant coach, and head coach at St. Thomas, Tauer has helped the Tommies to 645 wins overall in 30 seasons, averaging out to over 20 wins per season. He has been involved in 853 games combined with 736 coming as a coach along with 19 conference titles, 15 national tournament appearances, three Final Fours, and two national championships with the Purple and Gray.
