TRINITY FOOTBALL

MEDIA GUIDE 2022

Welcome from Head Coach Jerheme Urban

Over the past 25+ years, Trinity University Football has enjoyed a very successful history both within conference play and the NCAA Division III. I am very thankful for the fact that I have been able to be a part of that history as both a player and as the Head Coach of the Tigers. As we move into the 2022 season, one thing remains the same–we represent an outstanding University where our commitment to the student-athlete is our highest priority. We are excited for our sixth season in the Southern Athletic Association (SAA) and look forward to building off our successes from last year.

The foundation that we will build our success upon is based on three key principles:

1.A coaching staff that fosters a family environment and encourages our young men to grow into the men that they were created to be; holding them to a standard of excellence both in the classroom and on the field.

2.The quality of young men who are willing to take on this commitment and work to succeed both on and off the field.

3.The outstanding support group of administrators, faculty, alumni, and coaches who have a genuine concern for the welfare of the student-athletes here at Trinity University.

Being a Trinity Tiger is about tradition, teamwork, and commitment as we strive to "Be The Standard" in all that we do.

Welcome to the home of "Tiger Pride."

The NCAA, Southern Athletic Association (SAA), and Trinity University promote good sportsmanship by student-athletes, coaches, and spectators. We request your cooperation by supporting the participants and officials in a positive manner. Profanity, racial or sexist comments, or other intimidating actions directed at officials, student-athletes, coaches, or team representatives – as well as public intoxication, the consumption or possession of alcoholic beverages and tobacco products – are grounds for removal from the site of competition, and other disciplinary actions.

Trinity University is a private, liberal arts and sciences university dedicated to teaching bright, motivated students to discover their passions, grow their talents, and become well-rounded leaders. The Trinity experience is characterized by superior academic quality, personalized attention from outstanding faculty, real-world preparation, and a vibrant campus life. Located in historic, culturally rich San Antonio, Trinity is widely recognized as one of the nation's top undergraduate universities.

Academic Profile

Trinity's innovative and challenging academic programs empower students by honing the writing, speaking, and problem-solving skills needed for success. Students choose from among 58 majors and 61 minors as well as select pre-professional programs. The University places a high priority on undergraduate research, experiential learning, interdisciplinary study, and global understanding while offering big resources in a small school environment. Trinity's Pathways curriculum offers an enhanced first-year experience that engages students on a topic of widespread and enduring significance and expanded opportunities for experiential learning. With a student-to-faculty ratio of 9:1, Trinity provides ample opportunities for undergraduates to collaborate with some of the best minds in the country. Trinity's distinguished professors are dedicated to working closely with students in and out of the classroom and tend to become lifelong mentors and friends.

Student Profile

Trinity University attracts talented, motivated young men and women from across the United States and throughout the world. Trinity annually enrolls approximately 2,500 undergrads and 170 grad students from more than 48 states and 57 countries. With an acceptance rate of 34%, the incoming class has an average GPA of 3.75, average SAT of 1407, and average ACT of 31.8 (as of June 2021).

Athletics

Trinity University sponsors 18 intercollegiate varsity sports—nine each for men and women—which all compete in NCAA Division III. In the fall of 2017, Tiger Football began competing in the Southern Athletic Association (SAA), while all other teams are part of the Southern Collegiate Athletic Conference (SCAC). Trinity has captured 253 SCAC titles and 22 SCAC President's Trophies, which are awarded annually to the conference school with the best overall sports record. Football won the SAA Championship for the first time in 2019, then returned to the SAA pinacle in 2021. Since the spring of 2000,

Trinity has won five NCAA Division III National Championships, including men's and women's tennis in 2000, women's basketball in 2003, men's soccer in 2003, and baseball in 2016. Five students won 10 NCAA III National Championships individually over the past 15 years. Christynn Schumann won four Division III High Jump National Championships from 2004-06, while Todd Wildman won back-to-back national titles in the In-door Pentathlon in 2009 and 2010. Hayley Emerick (3-meter) and Lindsay Martin (1-meter) both won NCAA Diving Championships in 2010, and Ruth Hahn won the 3-meter title in 2012. Stephen Culberson took the gold in the 100-yard freestyle at the 2014 NCAA Swimming Championships. Tiger student-athletes regularly garner national academic honors, and Trinity has been awarded over 40 NCAA Postgraduate Scholarships, placing the University in the top 10 in Division III history.

Campus

Trinity's 125-acre campus features modern, red-brick buildings accented by native live oaks, well-kept grounds, sparkling fountains, and several major works of art. Its hilltop location in the historic Monte Vista neighborhood offers commanding views of the downtown San Antonio skyline. In addition to its award-winning library, expansive athletic and recreational facilities, and modern residence halls, Trinity takes great pride in providing extraordinary academic resources for study and research, many of which are rarely avail-able at primarily undergraduate institutions. Construction is currently underway for the newest academic building, Dicke Hall, which will act as a front door for the Humanities. Set to open in the fall of 2022, Dicke Hall will be home to the Department of English, Department of Religion, and the Humanities Collective. Outside the classroom, more than 100 clubs and organizations offer countless opportunities on campus to make friends, showcase talents, discover new passions, take leadership roles, and serve others.

History

Founded in 1869, Trinity University has resided on four campuses in three different cities: Tehuacana, TX (1869-1902); Waxahachie, TX (1902-42); and San Antonio (1942-present), including the Woodlawn campus, which Trinity occupied from 1942 to 1952. For more than 150 years, Trinity has turned challenges into opportunities to promote quality education. The history of Trinity is rooted in the vision of a few hardy TX pioneers who believed in the transforming power of higher education. Despite an unfavorable economic environment and unstable political conditions, they aspired to establish "a University of the highest order" shortly after the Civil War. Trinity's name reflects its Christian origins and the three regional Cumberland Presbyterian governing bodies that supported its institutional organization. Few institutions of higher learning in the United States today can match its ability to thrive in an ever changing academic world.

San Antonio, America's seventh largest city, captures the spirit of Texas. The city has retained a rich sense of history and tradition, while infusing cosmopolitan progress. Trinity's home city is an innovative community that offers every urban amenity a student could want: entertainment, sports, recreation, cultural attractions, and internships in a wide variety of fields. The River Walk along the banks of the San Antonio River offers a delightful array of dining, shopping, and sightseeing options. The architectural treasures of the King William historic district, the quaint restored village of La Villita, and the River Center Mall are all accessible from the River Walk.

Additional attractions include the Alamo—the cradle of Texas Liberty—and her four sister missions, which were recently designated a UNESCO World Heritage site. San Antonio is also home to the San Antonio Zoo—located within walking distance from campus—SeaWorld of Texas, and Six Flags Fiesta Texas. Cultural offerings include the McNay Art Museum, the San Antonio Museum of Art, and the Witte Museum, all of which host numerous events and openings throughout the year. The Tobin Center for the Performing Arts provides San Antonio with a world-class venue that attracts diverse and top-rated performances. The theater scene is alive and well and includes Broadway shows at the Majestic Theatre as well as local productions. The San Antonio Symphony performs regular classical and pops concerts, and venues throughout the city offer everything from jazz to country to rap.

The Pearl, a burgeoning complex of restaurants and shops, is just minutes from the Trinity campus and offers a point of access to the River Walk and the river taxis. Sports fans will enjoy San Antonio's five-time NBA champions, the Spurs, as well as many minor league sports teams. Outdoor enthusiasts can take advantage of San Antonio's mild year-round climate and easy access to parks, lakes, the rolling Hill Country to the north, and beautiful Gulf Coast beaches to the south.

ORDER OF THE TIGER
EST. 1920
TRINITY UNIVERSITY

Originally established in 1920, the Order of the Tiger is Trinity Athletics' formal recognition effort for alumni who have earned a University letter either through competition or service to Trinity Athletics at the varsity level. This historic society honors all athletic alumni and especially those who have made a commitment to maintaining Trinity Athletics' legacy of excellence with generous support.

The Order of the Tiger was created to:

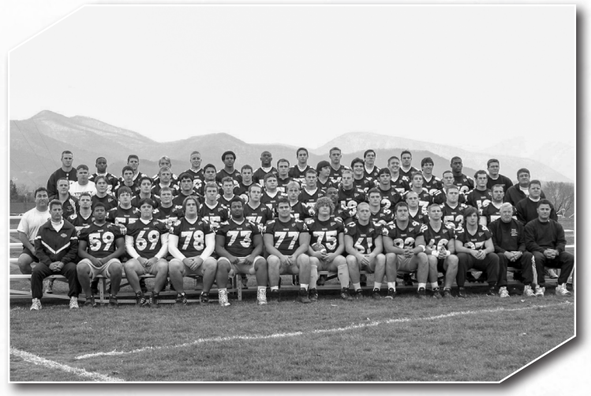

- Foster and maintain relationships for current and former Tigers across different sports and generations
- Celebrate the accomplishments of former Tigers both during and after their time on campus
- Make each student-athlete a lifetime member and support them through every phase of the athletic lifecycle
- Advance Trinity Athletics' tradition of excellence by increasing financial support from alumni student-athletes

Together, we can push our limits, live our values, and claim new victories. Together, we are a force in motion.

Together, we are ONE Trinity.

Trinity University Football Stadium

The latest renovation for the Trinity Multi-Purpose Stadium was completed prior to the spring 2021 campaign.

The stadium serves as the home facility for both football and track & field. Throwing events for track & field were moved to another facility to accommodate the transition to FieldTurf. Another positive aspect of the transition is that the durable field will alleviate the high demand for practice sites for outdoor sports.

The home stands were entirely rebuilt prior to the 2021 spring season and now features stadium seating. The press box was also rebuilt as a multi-level facility that will allow for improved broadcasts, coaches boxes, and game management.

The 48-foot-by-50-foot Daktronics video scoreboard was installed in the sound endzone at the start of the project, displaying state-of-the-art graphics and game information.

That was followed by the installation of FieldTurf Vertex Prime with Cool Play Infill prior to the 2019 season. Slit-film fibers form a canopy over the infill, which is composed of cork and absorb heat and shock while mimicking natural grass.

The 5,661-square foot Patrick Stumberg Sports Performance Center (SPC) in the Bell Athletic Center was completed in 2017 and serves as the Tigers strength and conditioning facility. Included in the center are Sorinex weight racks and machines, Center Mass Bells, and Eleiko Olympic Competition bars. Burt Stuart serves as the Strength and Conditioning Coach for the Trinity football team, while Daniel Martinez is the Coordinator of the Sports Performance Center and serves as strength coach for all other Tiger student-athletes.

JERHEME URBAN

Head Coach

9th Season

Jerheme Urban '03 will be in his ninth season at the helm of the Trinity Tigers football team when the 2022 fall campaign gets underway. The former Trinity All-American also coaches the Tiger quarterbacks. Coach Urban was appointed head coach of the Tigers in November 2013 and has chalked up a record of 50-24 (.675). He stands at 28-7 (.800) in the Southern Athletic Association (SAA), which Trinity joined prior to the 2017 season.

The Tigers are coming off the heels of an undefeated regular season and a playoff berth for the first time since 2011 with the team's lone loss coming to the eventual 2021 National Champions, the University of Mary Hardin-Baylor. En route to their undefeated regular season, Trinity's offense amassed 426 points while averaging 431.8 yards per game and 6.2 yards per play. The Tiger defense ranked second in the country in yards allowed with 199.4. The return to the national stage for Trinity featured a historic accomplishment for Coach Urban as he became the first in D3football.com history to be named a regional Coach of the Year after earning All-America status as a player. He was also named AFCA Regional and SAA Coach of the Year.

During the abbreviated four-game season in the spring of 2021, coach Urban led the Tigers to a 3-1 record. Trinity only participated in conference games and finished third in the SAA standings.

The Tigers sizzled by winning their final seven games in the 2019 season and shared the SAA title with Berry (GA) College. Trinity finished with an 8-2 overall record and a 7-1 mark in conference action. For his efforts, Coach Urban was elected by his peers as the SAA Football Coach of the Year.

Trinity junior running back and special teams standout Michael Edmonson was tabbed for the D3football.com All-America Specialists Team in 2020 and 2021 and was named the SAA Special Teams Player of the Year. After graduation from Trinity in 2003, Coach Urban began a nine-year career in the National Football League. The talented wide receiver played for the Seattle Seahawks; Arizona Cardinals, including the 2008 Super Bowl team; and Kansas City Chiefs. Trinity enjoyed one of its best offensive seasons as a team in school history in 2021, topping 40 points/game for the first time in 20 years, and averaging more yards/game (431.1) than any Tiger team in the last 15 years. That unit returns nine of its starters from last season, including the entire offensive line and a total of seven All-SAA honorees and three D3football.com All-Region performers. Trinity scored 40 or more points six times this season, including a school-record three 60+ scoring games.

QUARTERBACKS

Though only one member of the quarterback room for this season has significant in-game experience with the Tigers, it does come in the form of Tucker Horn. In his first season as the starter in 2021, Horn was named the SAA Offensive Player of the Year and snagged a spot on the D3football.com All-Region First Team. He also broke Trinity's single game and single season records for completion percentage and became just the third Tiger QB ever to throw for 30 or more touchdowns in a year.

PASS CATCHERS

Two out of the three starting wideouts are back for Trinity this season as both Austin Bertness and Ryan Merrifield highlight a group that includes eight total seniors - tied for the most of any position group heading into the season. The duo combined for more than 900 yards on 70+ catches and 15 touchdowns in 2021. Bertness was an All-SAA First Team selection last year, while Merrifield earned Honorable Mention All-SAA accolades. Bayler Jordan played in nine of Trinity's 10 games last season and was a starter during the Spring 2021 season.

RUNNING BACKS

Three out of the top four rushers from a year ago are back for the 2022 season, including starter and Second Team All-SAA selection Winston Hutchison, who led the team with 650 yards rushing and six rushing touchdowns. Also back is Legend Grigsby, who tallied four touchdowns in his first season in the backfield for the Tigers.

OFFENSIVE LINE

All five starters on the line from last year are back for the 2022 season, led by tackles Wyatt Bush and John Hughes. Bush was a D3football.com 3rd Team All-American last season, while Hughes made the D3football.com All-Region squad, and both players were First Team All-Southern Athletic Association honorees. Guard Brandon Michels earned his second-straight All-SAA selection last year as well. This is also the largest position group on the team heading into 2022.

SCOUTING THE DEFENSE

As good as the offense was last season, the defense was even better in allowing just 10.8 points/game and less than 200 yards/game of total offense. Trinity was ranked second in NCAA III in total defense and seventh nationally in scoring defense last season, featuring two shutouts and five games allowing less than 10 points. Trinity returns eight starters including the entire linebacking core and six All-SAA honorees. The Tigers lost All-American safety Jeremy Irving and two key members on the line, Campbell Miller and Matthew Willis, to graduation.

One of the major points I picked out was that he played for the Kansas City Chiefs during the mid-2000s. I thought this was interesting because my trainer of 4 years back in Greenville, NC, also played for the Chiefs during the mid-2000s. When I asked Urban if he'd known my trainer, Urban called him up in the middle of our conversation and asked him about me. It blew my mind that a coach for a school thousands of miles away would somehow have a personal connection with my trainer, and it ultimately was one of my deciding factors in coming here."

With over a decade of dedication, PAWS has been noted as one of the most spirited groups in the NCAA Division III.
