GOOSE CROWDER

GOOSE CROWDER: FROM YOUNGEST BROTHER TO TROY'S LEADER

By: Hanna Cooper

Within Trojan Nation, Goose Crowder is a household name.

For the past three seasons, the No. 9 jersey has been a familiar sight running onto the field at Veterans Memorial Stadium. Over that span, Crowder has played in 26 games, including two seasons as Troy's starting quarterback, amassing nearly 2,000 passing yards, 17 passing touchdowns and three more scores on the ground.

As the veteran continues to grow on the field and in life, the parallels between the sport of football and the journey of life can be seen throughout many facets of Crowder's life, even the more fun ones.

Off the field, Crowder is also affectionately known as Uncle Goose. He has two nieces with whom he has gotten to spend time during the offseason. Even in the small moments of holding his newborn niece, the football basics leak through.

"My nieces are awesome. I had never held a baby before my brother's girls, and I was really, really nervous. I remember thinking, 'Don't fumble the baby.' I was trying to be coachable."

These parallels are also present throughout the more serious moments of the game.

In each of the past two seasons, Crowder's time on the field has been cut short by injury. Those setbacks have added unexpected turns to a football career that has already taken him far.

However, Crowder learned the value of toughness from a young age. As the youngest of three boys, toughness and a strong work ethic were instilled in him early.

"My oldest brother got a cut of the key to the weight room, so we would go up there at six in the morning when I was in middle school," Crowder said. "We would go work out before school, and that instilled in me that no one was going to do it for me. If I want something, I am going to have to go and earn it. No one is coming to save you."

While these parallels can be seen in the ups and downs of life, there may just be one moment in life where two feelings don't completely compare. Back in June, Crowder took a knee – and not in the traditional football sense.

Crowder proposed to his longtime girlfriend over the summer, and as he looks ahead to the start of the football season, the nerves just don't compare.

"I was nervous, but it was a totally different feeling. I had real-deal nerves, and I was kind of shaking. I knew I was supposed to say something, anything, but I froze for a second. But it was awesome. It was good jitters and good nerves still."

However, similarly to football, he was able to execute the plan.

"Looking back on the engagement process, it was about getting some small wins. She got in the truck; I had a full tank of gas; we got to the location; the photographer had everything set up."

Similarly, this weekend is about executing the plan and getting small wins throughout the game.

"It's football. There's going to be people there watching, but it's important to just not make it you know bigger than what it is. We're going out there to execute against a good defense in Sam Houston State. We just need to do our thing, find a rhythm in the offense early, have some success, and just go from there."

As Crowder heads into his final season at the helm of the offense, he will again don the captain's C on his jersey. Despite growing up as the youngest brother, he now finds himself in the same role his older brothers had to take on for him. He hopes he is able to provide guidance similar to what helped him grow.

"I guess now I am considered the big brother. I can mentor the younger guys now. I try to save them the learning curve and tell them to learn from my mistakes. That is what my older brothers did for me. When they messed up, I was able to learn and not make those mistakes."

KAM CURRY

KAM CURRY: TURNING LOSS INTO FUEL

By: Catherine Forbes

Kam Curry learned at a very young age what it means to lose someone you love and still have to keep going. Many people let loss tear them down and take control of their lives, but Curry is a prime example of what it means to use what you've lost as fuel for something bigger.

"I lost my little brother before I moved to Texas, and I always had to deal with that, but it kept me going while I was playing."

Curry was born in Columbus, Mississippi, to Nikkel Thomas. Curry's family was struck by tragedy when he lost his younger brother, Lagurius "G Baby" Morris, when Curry was only 13. Shortly after losing his younger brother, his family moved to Texas, and Curry had to leave behind his friends, family and the only home he'd ever known for something new.

Moving to Texas and attending Midland High School was essential to Curry's success as a football player, but he was still a young boy navigating his way through grief and loss along the way.

"Losing my brother before I moved to Texas, it taught me how to keep going, and I always used football as my getaway."

Curry shared his love and passion for football with his brother, G Baby, before he passed away and still carries some of the traditions he and his brother once shared. They listened to songs together to get hyped on game days, such as "Gravity," "38 Baby" and "Graffiti" by NBA YoungBoy. Those three songs were "their songs," and Curry listens to them every game day as a reminder that his little brother is with him every step of the way.

The Journey to Troy

Curry has not had a traditional journey in college football, but patience and resilience have guided his path. From having to attend junior college out of high school because of his grades to being forced to redshirt his first year because of family issues to going from a starter to the third man up after tearing his meniscus, Curry is no stranger to adversity.

"I tore my meniscus, and that's when everything kind of went left for me."

During his first year at Troy out of junior college, Curry was a starter, but the following spring, he tore his meniscus, and that changed a lot for him heading into the upcoming season. He went from a starter to a third man up, which led to a lot of self-doubt. Although the transition was challenging, he kept showing up.

"My little girls need me. I have to make something happen with this."

Back in Texas, Curry has two daughters, Kamia and Wynter. Although he is 15 hours away, he makes sure his children know who their dad is. He talks to them on FaceTime as much as he can, and his mom brings them to as many games as she can.

Earlier this year, Curry lost the mother of his first child during spring ball, forcing him to balance being there for his daughter while continuing to work to earn his spot on the field. Despite the distance, Curry is determined to provide for his daughters, even if it means being away for a while to chase his dream.

"One day, it'll all make sense to them," he said.

After dealing with adversity this offseason, Curry has earned the starting spot at nose tackle and is ready to plug in and compete for the Trojans this season.

DAYDAY NELSON

DAYDAY NELSON: PATIENCE THROUGH IT ALL

By: Gavan Baxley

Patience.

It's been a skill Daivon "DayDay" Nelson has grown plenty familiar with over his career. The fifth-year spear journeyed from his hometown of South Phoenix, Arizona, to Troy. There were plenty of setbacks and frustrations along the way that made Nelson the athlete and man he is today.

As a student at Marcos de Niza High School, Nelson was always active in athletics. He always had a reason to compete and work hard through playing football and soccer, along with competing in track and field, where he was a three-time state finalist in the 100-meter dash, 4x100-meter relay and long jump. While he's narrowed it down to just one sport in college, his other sports experience has helped him succeed on the gridiron.

"I just like competing. Soccer helped me with my footwork and conditioning," Nelson said. "With track I was always fast and it let me keep competing, but both sports really kept me focused on preparing for football."

Nelson was committed to Iowa Western Community College. After a year with the program, he transferred to Hutchinson Community College, where he and his team earned a conference title. While in junior college, Nelson suffered a fractured fibula and high ankle sprain. When wrapping up his time at Hutchinson, Nelson still did not have any offers to continue playing at the end of the season. It wasn't until the spring that he finally was able to break through.

"I've always wanted to prove myself and that I can play at a high level," Nelson said. "I saw other guys getting offers, and it was easy to be down on myself, but it was all just about staying patient and knowing that your time is coming, and knowing that God has a plan for you."

His time finally came when he received an offer from Troy. Nelson joined current wide receiver Mojo Dortch on his visit and quickly realized the Wiregrass was the place he wanted to call home.

"When I came here and met Coach [Gerad] Parker, it just felt like family," Nelson said. "Troy felt like home as soon as I got here and exactly where I wanted to continue my career at."

In his first year at Troy in 2024, Nelson was once again frustrated with injuries, suffering a pulled quad that sidelined him. In 2025, he saw his first in-game action while wearing the Power T against ULM. After earning a role primarily with the special teams unit last season, he saw 101 snaps during the Sun Belt West Division title season. Now, as he enters his final season, Nelson continues to be willing to do anything needed of him to benefit the Men of Troy.

"I want to make sure I'm contributing to the team and being a positive part of it," Nelson said. "That means making my plays when they need to be made, but also just being a good teammate and allowing my role to develop to whatever Troy needs it to be."

Nelson has already earned his bachelor's degree and is finishing up his master's in business. After football, he plans to pursue a license in real estate and potentially a career as a NASCAR pit crew member. He would be following in the footsteps of former Trojan teammates Brendan Jackson and Landon Parker, who both currently compete as tire carriers on pit crews in the Cup Series.

Whether in football or in life, DayDay Nelson remains willing to trust the process. As Nelson wraps up his football career, he maintains the same virtue he's had since the beginning: patience.

ALL WAYS REAL. ALWAYS TROY.

TROY

UNIVERSITY™

Troy University was founded in 1887 as a college to train educators for Alabama's schools under the founding motto "Educate the mind to think, the body to act and the heart to feel."

Today, nearly 140 years later, TROY has grown into a dynamic, international university with an emphasis on academic excellence, technological advancement, outreach and research. However, that motto remains at the core of TROY's student-center philosophy. With an average student to teacher ratio of 19 to 1, students benefit from a setting where they are known not by a number but by name. That personalized attention helps to ensure that students are prepared with the skills and tools necessary to be successful in the global marketplace.

TROY's educational excellence has been recognized by national publications such as Forbes magazine, U.S. News & World Report, Niche.com, and The Princeton Review, among others. In 2025, TROY was named among the best colleges and universities in the Southern U.S. by The Princeton Review for the 21st consecutive year. TROY's commitment to serving the military has also been consistently recognized by publications such as G.I. Jobs magazine, Military Times and Military Advanced Education.

Recent capital improvements, new academic programs and an increased focus on research and innovation has only further enhanced the University's standing on the international stage.

In 2023, the Alabama Commission on Higher education approved an instructional role change for TROY, designating the University as a doctoral institution and allowing for the addition of other doctoral degree options. In 2025, TROY advanced to the highest level of degree classification by the Southern Association of Colleges and Schools Commission on Colleges and was also achieved Doctoral Classification in the modernized 2025 Carnegie Institutional Classifications.

"From our beginnings as a teacher's college to our recognition today as a doctoral institution at the highest level, Troy University's story is one of steady growth and success," said Dr. Jack Hawkins, Jr., Chancellor. "Achieving Level VI recognition affirms the hard work of our faculty and staff, the vision of our leadership team, and the dedication of our students and alumni. It is a milestone that not only reflects how far we have come but also paves the way for even greater achievements in the years ahead."

In 2025, TROY has added a Ph.D. in Criminology and a concentration in Global Healthcare Leadership in the Global Leadership Ph.D. program. Those new options

join the University's portfolio of doctoral degree programs that include the Doctor of Nursing Practice and the Ph.D. in Sport Management.

Earlier this year, TROY became only the second public university in the nation to be approved to offer the Doctor of Chiropractic. The program, which will be housed at the University's Dothan Campus, is expected to welcome its first cohort of students in Fall 2027.

"This historic addition to our academic portfolio represents Troy University's continued commitment to expanding access to quality healthcare education," Hawkins said. "By becoming only the second public institution in the nation to offer this program, we are not only breaking new ground in higher education but also addressing a critical need for healthcare professionals in our region. This program exemplifies our mission to provide innovative, affordable education that serves our communities."

Academic excellence took center stage in 2025 as TROY launched its University Honors Global Scholars program. Consisting of students distinguished by exceptional academic achievement, leadership and community engagement, the inaugural class represented all academic colleges and brought together students from more than 23 majors. The class boasted a median unweighted GPA of 4.2 and a median ACT score of 32, and 10 percent of students ranked in the top 5 percent of their graduating high school class.

"This inaugural class of Global Scholars represents the future of Troy University," Hawkins said. "These students embody the values of excellence, leadership and service that have defined our institution from its founding, and we are proud to welcome them into the Trojan Family."

TROY's Sorrell College of Business also launched the Sorrell Society of International Fellows, an initiative aimed at identifying and nurturing the most academically gifted students to become global business leaders and global citizens. Fellows are selected through a competitive application process as an entering freshman and participate in a curriculum that seamlessly integrates with existing standards of AACSB-accredited programs across the various majors of the Sorrell College. A series of international experiences are designed to enrich the students' educational journey and global perspectives. In addition to celebrating academic achievement and excellence, the University also has focused on preparing students for careers in much needed career fields that are currently experiencing shortages of qualified workers.

The University's Trojans Teaching Trojans scholarship program more than doubled in size, placing students in area elementary and middle schools. Trojans Teaching Trojans continues as a promising strategy for confronting teacher shortages while cultivating dedicated future educators for local communities. Several new developments in the University's College of Health Sciences are aimed at helping provide highly prepared and qualified job candidates within the field of healthcare.

In 2025, TROY's Department of Kinesiology and Health Promotion transitioned to the School of Allied Health – a change that reflects both the department's remarkable growth and ambitious vision for the future.

Over the past three years, the department has experienced tremendous expansion. The university has successfully launched three new degree programs: the BS in Sport Coaching, BS in Nutrition, and BS in Interprofessional Health Science. These exciting additions join the established programs in exercise physiology, sport pedagogy (BS/MS Physical Education), Kinesiology (MS program), and sports medicine (MS Athletic Training).

The College of Health Sciences also launched academic programs and partnerships to help address the dire need for qualified candidates in the field of nursing.

The Accelerated Master of Science in Nursing, launched in December of 2025, provides an innovative pathway designed for individuals who hold a bachelor's degree in a non-nursing field and seek to transition into a professional nursing career.

TROY also partnered with Baptist Health to launch a new LPN-to-RN Bridge Program within its Associate of Science in Nursing program. The program creates a new pathway for licensed practical nurses to advance their education and help meet Alabama's growing demand for registered nurses.

With new partnerships and academic programs, its focus on academic excellence and research, and its continued growth as an institution, the University appropriately launched a new brand campaign in 2025 that celebrates the authentic, transformative experiences that make being a Trojan special. Titled "All Ways Real. Always TROY," the campaign highlights the values of discovery, exploration, persistence, leadership and mutual support that define the Trojan experience.

DR. JACK HAWKINS, JR.

UNIVERSITY CHANCELLOR

37TH YEAR

UNIVERSITY OF MONTEVALLO, '67

Dr. Jack Hawkins, Jr., a native of Mobile, Alabama, was named Chancellor of Troy University Sept. 1, 1989. He earned his bachelor's and master's degrees from the University of Montevallo and his doctorate from the University of Alabama. Dr. Hawkins is the longest-serving chief executive officer of a public university in the United States.

Upon completion of his bachelor's degree in 1967, Hawkins was commissioned a lieutenant in the U.S. Marine Corps and served as a platoon leader during the Vietnam War. For his combat duty, he received the Bronze Star, the Purple Heart and a citation from the Korean Marine Corps.

Hawkins has overseen an era of change and growth at TROY, as he led the merger of the worldwide Troy State University System into the unified Troy University, an initiative called "One Great University." More than \$375 million has been invested in capital improvements by the Hawkins Administration, including new academic buildings on each of TROY's Alabama campuses. Chancellor Hawkins served as the catalyst for the University's evolution to an international institution, as TROY has attracted record numbers of students from other nations and established teaching sites around the world. During his tenure, academic standards for admission have been increased, new degree programs were established in all academic colleges, and intercollegiate athletics joined the highest level of NCAA competition.

Hawkins' professional background includes his service as an assistant dean at the University of Alabama at Birmingham (1971-1979) and as president of the Alabama Institute for Deaf and Blind in Talladega (1979-1989).

In 1985, he was honored by the University of Montevallo as Distinguished Alumnus of the Year, and was the recipient of the 2003 All-American Football Foundation's "Top College President" Award. In 2005 he was inducted into the Hall of Fame of Murphy High School in Mobile, Alabama. In 2007 he was recognized as the "Alabama Citizen of the Year" by the Alabama Broadcasters Association. In 2011, Dr. Hawkins was recognized with the Chief Executive Leadership Award presented by the Council for the Advancement and Support of Education (CASE) and as the March of Dimes River Region Citizen of the Year. In 2012 he received the Distinguished Public Service Award from the Secretary

of the Air Force for his service on the Air University Board of Visitors from 2004-2012. In 2014 he was one of nine university presidents/chancellors worldwide—and the only one in North America—to receive the World Confucius Institute's Individual Performance Excellence Award. In October 2016 Dr. Hawkins was inducted into the Alabama Academy of Honor. In 2024, Dr. Hawkins was the recipient of the Armed Forces Merit Award, presented by the Football Writers Association of America.

Three buildings are named in his honor: the "Jack and Janice Hawkins Chapel" at the Alabama Institute for Deaf and Blind, the "Hawkins-Adams-Long Hall of Honor" and "Jack Hawkins, Jr. Hall" which serves the College of Education of Troy University. KYLE GEORGE

DIRECTOR OF ATHLETICS

2ND YEAR

SAMFORD UNIVERSITY, '11

to open the 2031 season; it will be the first-ever meeting against either Auburn or Alabama.

George also made three key hires during his first year as Athletics Director. He hired Adam Howard to lead the men's basketball program, Jake Wyman to take over soccer and J.D. Lamm for women's golf.

In his role as Deputy Director of Athletics, George had oversight of marketing, communications, development, revenue share, NIL activations, advertising, ticket sales, Troy Sports Properties, broadcasting, promotions, fan engagement, fan experience, branding, licensing and trademarks. He also served as the sport administrator for the baseball program and was responsible for football scheduling.

Troy has continued to set numerous benchmarks during his tenure, including record-breaking attendance numbers for Troy football, men's basketball, women's basketball, baseball and softball. The Troy brand has continued to grow under his watch, with licensing revenues increasing by nearly 140 percent during his time overseeing the licensing program.

Football scheduling has been one of the key portions of his responsibilities with the Trojans. In total, George has negotiated more than \$8M in game guarantees for the Troy football program. He has also secured home-and-home future football series against Army, BYU, UAB, Middle Tennessee, Buffalo, Nevada and Sam Houston State.

George has negotiated long-term business partnerships for the athletics department that will continue to drive revenue for years to come. Within the last year, he has negotiated fruitful extensions with Playfly Sports Properties, Affinity Licensing and Learfield AMPLIFY

that will continue to pave the way for revenue growth for the department.

As Deputy Director of Athletics, George played a key role in the hiring process for three of the most recent successful coaches to join the athletics department. The selection of Gerad Parker (football), Skylar Meade (baseball) and Clay Bounds (men's golf) took place with George assisting heavily in the identification and interview process.

In his role overseeing the external units for the athletics department, the Trojans have experienced record revenues over the last five years. Each of the previous five years has resulted in new records established in terms of ticket revenue, sponsorship revenue, licensing revenue and philanthropic donations.

Prior to arriving at Troy, George served in various roles within the athletics department at Southern Mississippi. He began his career with the Golden Eagles in August of 2011 as a graduate assistant. Over the course of six and a half years, George was promoted several times before being elevated to his final role as Associate Athletics Director of Marketing and Communications at Southern Miss. Along the way, he primarily oversaw the marketing efforts for the Golden Eagles and helped establish numerous attendance and revenue records.

A native of Hoover, Ala., George graduated from Samford University with his bachelor's degree and earned his master's degree from the University of Southern Mississippi.

His wife, Lynne, serves as the Director of the IDEA Bank at Troy University. They have two young boys, Grayson and Graham.

Kyle George was named Troy University's Director of Athletics on Nov. 5, 2025, after a three-month tenure as Interim Director of Athletics. Prior to his time as Interim Director of Athletics, George served as Deputy Director of Athletics for External Operations and has been a member of the Troy Athletics Department for nearly nine years.

In his short term as Athletics Director, Troy Athletics has reached new levels of athletic success.

Troy Baseball finished the 2026 season ranked No. 6 nationally by Baseball America and the National Collegiate Baseball Writers Association of America after winning the Gainesville Regional, Troy Super Regional and advancing to the Men's College World Series in Omaha, where the Trojans eliminated Ole Miss from the tournament.

Troy Athletics hosted the Troy Super Regional on three days notice as Riddle-Pace Field welcomed almost 14,000 fans for the two games; capacity for Riddle-Pace Field is just 2,000.

Additionally, Troy men's basketball returned to March Madness for a second straight season after rolling through the Sun Belt, winning both the regular season and tournament championships.

Troy Football won the Sun Belt West Division for a third time in the last four years, one again advancing to the Sun Belt Championship Game and then the IS4S Salute to Veterans Bowl in Montgomery.

Back on the hardwood, Troy women's basketball made history, earning an at-large berth in the WBIT, where the Trojans played Kansas in historic Allen Fieldhouse.

Off the field, Troy student-athletes posted a 3.20 grade-point-average, with 13-of-15 programs finishing the spring semester with a team GPA of 3.0 or higher.

Nearly 75 percent of Troy's student-athletes finished the spring with a 3.0 GPA or higher, while 57 student-athletes posted a perfect 4.0 GPA in the spring.

George helped secure a 7-year deal with Troy Regional Medical Center for logo placement on the apron at Veterans Memorial Stadium.

One of George's first announcements as Troy's Athletics Director was the addition of a football game at Auburn

HEAD COACH GERAD PARKER

Gerad Parker, who led Troy to its third Sun Belt Championship Game appearance in the last four seasons, returns as Troy's head coach in 2026. Parker led the Trojans to a four-win improvement in 2025, including a five-win streak and a victory over South Alabama in the "Battle for the Belt".

Parker's second season was another in which he had to navigate serious injuries on the offensive side of the ball. Quarterback Goose Crowder suffered an injury on the fourth snap in Week 3 that cost him the following six games, while Troy's offensive line had multiple season-ending injuries, and the unit ended the year with just one of the original starting five still in the lineup.

Defensive and special teams led the way for the Trojans as Evan Crenshaw earned a trio of First Team All-America honors (FWAA, Sporting News, Phil Steele), Troy's first First Team All-American since 2007, while Donnie Smith led the Sun Belt in sacks – both players returned for the 2026 season.

Troy finished third nationally with five defensive touchdowns and 22nd with 2.64 sacks per game. Crenshaw was the first-ever Sun Belt Special Teams Player of the Year, and Smith became the second Trojan in the last three years to lead the league in sacks.

Parker's squad led No. 8 Clemson, 16-3, at halftime in Week 2, won big road games at Buffalo, Texas State and Southern Miss – the win over the Golden Eagles came on the final Saturday of the season and was a winner-take-all battle to represent the Sun Belt West in the SBC Championship Game.

Troy's momentum carried over to the offseason, where Parker and company signed the top recruiting class in the Sun Belt, second-ranked in the G5 (Boise State) and best in program history per On3. Additionally, the class ranked ahead of Penn State, Wisconsin, Colorado and others.

In his first season at Troy, the Trojans produced the first 1,000-yard rushing and receiving duo in more than a decade and just the third in program history as Damien Taylor rushed for 1,010 yards and Devonte Ross recorded 1,043 receiving yards; Troy's first since 2012.

Parker guided Troy to one of the best months of November in the country, as the Trojans won three of their final four games of the season and ranked as the nation's 19th-best offense and 25th-best defense that month.

His first season saw him inherit one of the most inexperienced teams in the country and then the loss of his starting quarterback after just 11 quarters of play. Troy's 12 players in their final year of eligibility were the fewest in the country, while Troy's 46 scholarship newcomers ranked as the third most nationally.

Ross finished the regular season fifth nationally with 11 touchdown catches and 15th in receiving yards. Additionally, Troy was one of the most efficient teams in the country, ranking second in the red zone and fifth on third downs.

Ten Trojans landed on All-Sun Belt Teams, highlighted by Ross' inclusion thrice, as a first team receiver and all-purpose selection and as the return specialist on the second team. Eight of Troy's 10 All-SBC picks had remaining eligibility.

The Trojans landed the Sun Belt's top recruiting class in Dec. 2024, signing 15 players with an 83.54 average per industry leader On3.

Parker led a Notre Dame offense in 2023 that ranked eighth nationally, averaging 39.1 points per game, in addition to ranking 12th in passing efficiency and 29th in total offense. Audric Estime was one of the nation's elite running backs, ranking third in rushing touchdowns (18), eighth in rushing yards per game (111.8) and ninth in rushing yards (1,341).

Behind Parker's offense, the Fighting Irish posted a 9-3 record against one of the nation's most challenging schedules, including four straight games against ranked opponents. Offensive tackle Joe Alt was a consensus All-America selection, while Estime was named to the Associated Press All-America Team.

Notre Dame's offense increased production across the board in Parker's lone season calling the plays in South Bend. The Irish improved their scoring by more than a touchdown per game, in addition to seeing increases in yards per game, passing yards per game, yards per play and red zone scoring.

In his first season at Notre Dame, Parker coached the Irish tight ends and helped guide Michael Mayer to a consensus All-America season, as Mayer finished his career as the most prolific pass catching end in school history. Mayer led the Irish with 67 catches for 809 yards and nine touchdowns in 2022, finishing his time at Notre Dame first on the program charts for tight end catches (180), receiving yards (2,099) and touchdowns (18).

Parker joined the Notre Dame staff following two seasons with former Troy head coach Neal Brown at West Virginia, where he was the offensive coordinator and receivers coach.

In his final season with the Mountaineers, WVU knocked off Texas and No. 15 Virginia Tech en route to an appearance in the Guaranteed Rate Bowl. In 2020, despite having to deal with the COVID-19 pandemic, West Virginia had one of the most improved offenses in the nation in terms of total yards, showing gains of more than 60 yards rushing per game, almost 30 yards passing a game, more than 90 yards of total offense and almost seven more points a game.

The offensive line had a productive year, with Leddie Brown rushing for 1,010 yards and nine touchdowns and Jarret Doege throwing for more than 2,500 yards and 14 touchdowns.

As Penn State's receivers coach and passing game coordinator in 2019, the Nittany Lions' offense averaged 35.8 points per game, ranking 15th nationally. Additionally, Penn State ranked 21st in red zone offense (90.4) and averaged 13.3 yards per completion, ranking No. 33 nationally.

Parker spent two years on the football staff at Duke (2017-18). During the 2018 season, his wide receivers accounted for 2,252 passing yards of the Blue Devils' 3,199 total offensive yards (70.4%).

He served his first year as the football operations assistant working with the offense in 2017. The Blue Devils offense had three All-ACC selections and, for the first time in program history, had three players with 500 or more rushing yards and a quarterback throw for more than 2,500 yards. Parker spent the spring as the running backs coach at Cincinnati before heading to Duke.

Prior to that, Parker spent four seasons at Purdue, where he coached the tight ends (2013-14) and wide receivers (2015-16). He was the recruiting coordinator and served as the interim head coach for the final six weeks of the 2016 season.

Parker spent two years as the wide receivers coach at Marshall (2011-12). The Thundering Herd led the nation in passing offense, averaging 365.1 yards per game. Receiver Tommy Shuler led the country and set the school record for receptions (110), ranking 18th nationally in yards per game (94.8).

Parker spent three seasons at UT-Martin as the running backs coach (2008), wide receivers coach (2009-10) and the passing game coordinator and recruiting coordinator (2010). He started his coaching career at Raceland High School in Raceland, Kentucky, and spent the 2007 season as a graduate assistant coach at Kentucky.

Parker earned two degrees from Kentucky, his bachelor's degree in business management in 2003 and his master's in education in 2005. He was a four-year letterwinner for the Wildcats, where he was a Southeastern Conference Scholar Athlete Honor Roll selection (2002-03) and CoSIDA Academic All-District IV Second Team honoree (2004).

A native of Louisa, Kentucky, Parker played at Lawrence County High School and set state receiving records with 238 catches, 4,814 yards and 52 touchdowns.

He and his wife, Kandi, have three daughters, Kolbi, Gwyneth and Rosalyn, and a son, Oliver.

In his inaugural campaign, Brendan Jackson led all Sun Belt linebackers with 16 tackles for loss, ranking third overall in the league, while Stringer added 7.5 from his weakside linebacker position.

The pair finished with identical tackle totals to finish tied for 15th in the league and both earned All-Sun Belt honors. Jackson recorded 4.5 tackles for loss at South Alabama, 0.5 off the single-game record, and added four in the finale victory over Southern Miss.

Burton came to Troy with more than 16 years of coaching experience after spending a season at Kennesaw State, plus stops at Georgia Tech, Temple, NC State and Oklahoma State. Additionally, he has experience in the state coaching at West Alabama and began his career under head coach Chan Gailey, who won a National Championship at Troy, as a graduate assistant at Georgia Tech.

CALEB CARBINE

OFFENSIVE LINE

- ✕ Sixth Season at Troy
- ✕ 11th Season Overall
- ✕ Troy, '15

Former Troy offensive lineman Caleb Carbine returns to his alma mater for his third season coaching the Trojan offensive line in 2026.

Carbine had one of the most challenging coaching jobs in the country in his first two seasons, as the Trojans deployed six different starting OL units both seasons due to injuries.

The 2025 unit was led by a pair of All-Sun Belt selections as Eli Russ took home second team honors and Matt Henry earned third team honors. The Trojans won the Sun Belt West Division title and played in the IS4S Salute to Veterans Bowl.

His first season saw the six different lineups come in the first eight weeks of the season. Once able to field a stable unit, Carbine's offensive line gelled into one of the tops in the Group of Five.

The Trojans allowed just four sacks in November, the fewest in the Sun Belt, and the offensive line paved the way for Damien Taylor to rush for 1,010 yards, the 13th 1,000-yard season in program history.

Carbine's unit blocked for three different starting quarterbacks throughout the 2024 season and allowed for just the third 1,000-yard rushing/receiving combo in program history, as Devonte Ross joined Taylor in the 1,000-yard club.

Daniel King earned All-Sun Belt honors after moving from guard to tackle, where he finished as the Sun Belt's second-best run blocker in addition to allowing just two sacks.

Carbine joined the Troy staff following one season as a senior offensive analyst at Notre Dame under Troy head coach Gerad Parker.

In his first season, Cooper was tasked with replacing both starting cornerbacks and mentored a pair of transfers – one from the FCS ranks and the other from NCAA Division II – into two of the top corners in the Sun Belt.

Jaquez White earned All-Sun Belt second team honors, while Kaleno Levine played 876 snaps, the third-most by a cornerback in the Sun Belt and held opponents to a 61.2 percent completion percentage (30-of-49), the 11th best in the SBC by a corner with 500 or more snaps. White ranked seventh in the country with 14 passes defended and 15th with 11 pass break ups.

Troy ranked third nationally with five defensive touchdowns, 26th in red zone defense (77.8 percent), 22nd in sacks (2.64) and 33rd in tackles for loss (6.2) as the Trojans won the Sun Belt West Division title and played in the IS4S Salute to Veterans Bowl.

Cooper has coordinator responsibility on his resume, serving as the defensive coordinator at Samford and Austin Peay, in addition to roles as co-defensive coordinator for three seasons at Charlotte and two seasons at Austin Peay.

At Samford, Cooper was promoted to defensive coordinator in January 2025, following three seasons coaching the Bulldogs' linebackers.

TEAM NOTES

- The trip to Troy is the fifth consecutive year for the Kats to open a season on the road. Sam Houston has not opened a Fall at home since hosting Prairie View in the 2018 opener. The Kats are 2-0 vs Sun Belt Conference foes since joining the FBS, both coming at neutral sites, having defeated Texas State at NRG Stadium in 2024 and Georgia Southern at the Superdome in the 2024 New Orleans Bowl.

- Landyn Locke got the nod at quarterback for Sam Houston in the last 3 games of 2025, becoming the first true freshman to start at quarterback for the Bearkats since Brian Bell started the third game of the 2010 season against Gardner-Webb. He is projected to get the start at Troy, which would make him the first underclassmen to start a season opener at QB for the Kats since Bell vs Western Illinois in 2011.

- In today's new era of college football recruiting, the Kats re represented on the roster by members of 19 different states and 3 foreign countries. The State of Texas still is the heaviest weighted of all with 53 of the Kats' 102 players on the roster staying within the Lone Star State's borders. Florida is the next highest numer with 11 from the Sunshine State.

- Alton McCaskill enters 2026 with 1,407 career FBS rushing yards and 17 rushing touchdowns across stops at Houston, Colorado, Arizona State and Sam Houston—a total anchored by a breakout 2021 freshman campaign at Houston where he logged 961 yards and 16 scores. His 17 career rushing touchdowns lead all active CUSA running backs at the FBS level entering the year, while his rushing yards rank second in CUSA behind only Liberty's Kanye Udoh's 1,881 career rushing yards.

SOUND OF THE SOUTH

The Troy University Band Program enjoys nationwide recognition as one of the finest and most comprehensive musical organizations of its kind. Troy instrumentalists not only have the opportunity to participate in the renowned "Sound of the South" Marching Band, but also have the opportunity to perform in the Symphony Band, four concert bands, jazz Ensembles, the Basketball Pep Band and various small ensembles.

The 2025 - 2026 year marked the 60th Anniversary of The "Sound of the South" Marching Band. Dr. John M. Long created the band in its current form in the fall of 1965. The "Sound of the South" Marching Band entertains audiences regularly at all Troy home games and several away games. Recent away appearances include Troy University's bowl appearances at the Silicon Valley Classic in San Jose, Calif., the GMAC Bowl in Mobile, Ala., and appearances at the New Orleans Bowl in the Louisiana Superdome and the Cure Bowl in Orlando, Florida. In fact, over the past few years, the "Sound of the South" Marching Band has traveled tens of thousands of miles entertaining audiences literally from coast to coast.

Additionally, the "Sound" has been featured on all major broadcast and sports networks including ESPN, Fox Sports South and USA television networks. Other honors which the "Sound of the South" has received is the representation of the State of Alabama at the Inaugural Parades of President Richard Nixon (1969 and 1973), President Ronald Reagan (1985), and President George Bush (1989). The "Sound" has also performed halftime shows with Grammy Award-winning artists Brian McKnight, Lee Greenwood, The Temptations and Rock and Roll Hall of Fame member, Chubby Checker.

The "Sound of the South" Pep Band performs at all men's and women's basketball home games. Comprised of 30 musicians from all academic disciplines, the pep band entertains the home crowd with great music and irreverent, energetic cheering. This group travels with men's and women's basketball to the Sun Belt Conference Tournament, as well as the NCAA Tournaments. Membership in the basketball pep band is by audition, and it performs from Mid-October to April each academic year. The "Sound of the South" is the largest student organization on campus and
