Roster Note

Troy Athletics has opted to list student-athletes by current year competing under the new NCAA 5-year eligibility model.

Please note, not all 5th year student-athletes are in their final year of eligibility. Student-athletes with eligibility remaining (under previous rules) after the 2025-26 academic year & prospects who initially enrolled full time during 2026-27 can use either the new or old rule set, whichever is the most beneficial to the student-athlete.

GERAD PARKER
 HEAD COACH (13 - 14 • 13 - 20)

Gerad Parker, who led Troy to its third Sun Belt Championship Game appearance in the last four seasons, returns as Troy's head coach in 2026. Parker led the Trojans to a four-win improvement in 2025, including a five-win streak and a victory over South Alabama in the "Battle for the Belt".

Parker's second season was another in which he had to navigate serious injuries on the offensive side of the ball. Quarterback Goose Crowder suffered an injury on the fourth snap in Week 3 that cost him the following six games, while Troy's offensive line had multiple season-ending injuries, and the unit ended the year with just one of the original starting five still in the lineup.

Defensive and special teams led the way for the Trojans as Evan Crenshaw earned a trio of First Team All-America honors (FWAA, Sporting News, Phil Steele), Troy's first First Team All-American since 2007, while Donnie Smith led the Sun Belt in sacks – both players returned for the 2026 season.

Troy finished third nationally with five defensive touchdowns and 22nd with 2.64 sacks per game. Crenshaw was the first-ever Sun Belt Special Teams Player of the Year, and Smith became the second Trojan in the last three years to lead the league in sacks.

Parker's squad led No. 8 Clemson, 16-3, at halftime in Week 2, won big road games at Buffalo, Texas State and Southern Miss – the win over the Golden Eagles came on the final Saturday of the season and was a winner-take-all battle to represent the Sun Belt West in the SBC Championship Game.

Troy's momentum carried over to the offseason, where Parker and company signed the top recruiting class in the Sun Belt, second-ranked in the G5 (Boise State) and best in program history per On3. Additionally, the class ranked ahead of Penn State, Wisconsin, Colorado and others.

In his first season at Troy, the Trojans produced the first 1,000-yard rushing and receiving duo in more than a decade and just the third in program history as Damien Taylor rushed for 1,010 yards and Devonte Ross recorded 1,043 receiving yards; Troy's first since 2012.

Parker guided Troy to one of the best months of November in the country, as the Trojans won three of their final four games of the season and ranked as the nation's 19th-best offense and 25th-best defense that month.

His first season saw him inherit one of the most inexperienced teams in the country and then the loss of his starting quarterback after just 11 quarters of play. Troy's 12 players in their final year of eligibility were the fewest in the country, while Troy's 46 scholarship newcomers ranked as the third most nationally.

Ross finished the regular season fifth nationally with 11 touchdown catches and 15th in receiving yards. Additionally, Troy was one of the most efficient teams in the country, ranking second in the red zone and fifth on third downs.

Ten Trojans landed on All-Sun Belt Teams, highlighted by Ross' inclusion thrice, as a first team receiver and all-purpose selection and as the return specialist on the second team. Eight of Troy's 10 All-SBC picks had remaining eligibility.

The Trojans landed the Sun Belt's top recruiting class in Dec. 2024, signing 15 players with an 83.54 average per industry leader On3.

Parker led a Notre Dame offense in 2023 that ranked eighth nationally, averaging 39.1 points per game, in addition to ranking 12th in passing efficiency and 29th in total offense. Audric Estime was one of the nation's elite running backs, ranking third in rushing touchdowns (18), eighth in rushing yards per game (111.8) and ninth in rushing yards (1,341).

Behind Parker's offense, the Fighting Irish posted a 9-3 record against one of the nation's most challenging schedules, including four straight games against ranked opponents. Offensive tackle Joe Alt was a consensus All-America selection, while Estime was named to the Associated Press All-America Team.

Notre Dame's offense increased production across the board in Parker's lone season calling the plays in South Bend. The Irish improved their scoring by more than a touchdown per game, in addition to seeing increases in yards per game, passing yards per game, yards per play and red zone scoring.

In his first season at Notre Dame, Parker coached the Irish tight ends and helped guide Michael Mayer to a consensus All-America season, as Mayer finished his career as the most prolific pass catching end in school history. Mayer led the Irish with 67 catches for 809 yards and nine touchdowns in 2022, finishing his time at Notre Dame first on the program charts for tight end catches (180), receiving yards (2,099) and touchdowns (18).

Parker joined the Notre Dame staff following two seasons with former Troy head coach Neal Brown at West Virginia, where he was the offensive coordinator and receivers coach.

In his final season with the Mountaineers, WVU knocked off Texas and No. 15 Virginia Tech en route to an appearance in the Guaranteed Rate Bowl. In 2020, despite having to deal with the COVID-19 pandemic, West Virginia had one of the most improved offenses in the nation in terms of total yards, showing gains of more than 60 yards rushing per game, almost 30 yards passing a game, more than 90 yards of total offense and almost seven more points a game.

The offensive line had a productive year, with Leddie Brown rushing for 1,010 yards and nine touchdowns and Jarret Doege throwing for more than 2,500 yards and 14 touchdowns.

As Penn State's receivers coach and passing game coordinator in 2019, the Nittany Lions' offense averaged 35.8 points per game, ranking 15th nationally. Additionally, Penn State ranked 21st in red zone offense

(90.4) and averaged 13.3 yards per completion, ranking No. 33 nationally.

Parker spent two years on the football staff at Duke (2017-18). During the 2018 season, his wide receivers accounted for 2,252 passing yards of the Blue Devils' 3,199 total offensive yards (70.4%).

He served his first year as the football operations assistant working with the offense in 2017. The Blue Devils offense had three All-ACC selections and, for the first time in program history, had three players with 500 or more rushing yards and a quarterback throw for more than 2,500 yards. Parker spent the spring as the running backs coach at Cincinnati before heading to Duke.

Prior to that, Parker spent four seasons at Purdue, where he coached the tight ends (2013-14) and wide receivers (2015-16). He was the recruiting coordinator and served as the interim head coach for the final six weeks of the 2016 season.

Parker spent two years as the wide receivers coach at Marshall (2011-12). The Thundering Herd led the nation in passing offense, averaging 365.1 yards per game. Receiver Tommy Shuler led the country and set the school record for receptions (110), ranking 18th nationally in yards per game (94.8).

Parker spent three seasons at UT-Martin as the running backs coach (2008), wide receivers coach (2009-10) and the passing game coordinator and recruiting coordinator (2010). He started his coaching career at Raceland High School in Raceland, Kentucky, and spent the 2007 season as a graduate assistant coach at Kentucky.

Parker earned two degrees from Kentucky, his bachelor's degree in business management in 2003 and his master's in education in 2005. He was a four-year letterwinner for the Wildcats, where he was a Southeastern Conference Scholar Athlete Honor Roll selection (2002-03) and CoSIDA Academic All-District IV Second Team honoree (2004).

A native of Louisa, Kentucky, Parker played at Lawrence County High School and set state receiving records with 238 catches, 4,814 yards and 52 touchdowns.

He and his wife, Kandi, have three daughters, Kolbi, Gwyneth and Rosalyn, and a son, Oliver.

DL / BANDITS NOTES

BANDIT USUALLY AMONG SUN BELT BEST

- Troy's bandit position has produced some of the best the Sun Belt has to offer.
- Troy's bandit has been named to the All-Sun Belt First Team in seven of the last 11 seasons and earned all-conference honors 11 times.
- Rashad Dillard was named the Sun Belt Defensive Player of the Year in 2016, while Javon Solomon led the country in sacks in 2023 and Donnie Smith led the Sun Belt in sacks in 2025.
- Donnie Smith led the Sun Belt and ranked eighth nationally in sacks last season and elected to return to Troy despite being heavily courted. Due to the new NCAA eligibility rules, Smith has one more season remaining after 2026.
- Donnie Smith was named the Sun Belt Preseason Defensive Player of the Year. He and Evan Crenshaw are the first pair of All-Sun Belt First Team selections to return to their school for the following season since 2023.
- Lonnie Smith was projected to be Donnie Smith's back up at bandit, but suffered an injury on day one of spring

practice ... he is expected to return sometime in October.

- Lonnie Smith earned All-MACCC First Team honors after recording 48 tackles, 16.5 tackles for loss, 9.5 sacks, a forced fumble, fumble recovery and two pass break ups for Copiah Lincoln in 2025. His sack total ranked third nationally, while his TFL tally was the fourth most in the country.

D - LINE QUICK HITTERS

- Troy's defensive front saw an influx of new players, with two of the three starting spots occupied by transfers -- Kavion Henderson (Arkansas), Ty Clemons (Boston College).
- Read more about Kam Curry's story, including the loss of his brother - TroyTrojans.com/Curry.
- Ty Clemons, who was voted a team captain, is the most experienced among Troy's D-Line, with 394 career snaps at Boston College prior to the 2026 season.

- Starting defensive end Kavion Henderson is one of two transfers who came over from Arkansas with strength and conditioning coach Ben Sowders, joining wide receiver Jace Petty.

LB NOTES

- Troy will be without Jordan Stringer at linebacker for the first time since 2021 after he started 32 games in his career for the Trojans and finished with 287 career tackles.
- DII (Barton College) transfer Keno Jones is slotted to start at middle linebacker for the Trojans. It marks the second straight year that Troy has brought in a player from the DII ranks to start on defense. In 2025, Jaquez White started at corner, earned All-SBC honors and transferred to Virginia Tech for the 2026 season.
- There is a log jam of talent at the position with TJ Thompson slated to start at WLB and then Bryce Steele (Boston College), Luke Hodge and Keyshawn Campbell all in the mix for playing time.

SECONDARY NOTES

- Troy's secondary is almost a complete rebuild with new starters at both cornerback positions and at strong safety ... free safety Justin Powe is the only returning starter on defense.
- Justin Powe enters the 2026 season having played 1,512 career snaps for the Trojans.
- Despite not a lot of returning starting depth, the secondary features a lot of returning players looking to make impacts -- Joe Lott, Jabari Strait, Shemar Welch and Marlin Odom.

No THIRD DOWNS FOR YOU

- Troy has held five opponents without a third-down conversion since moving to the FBS ranks.

SPECIAL TEAMS NOTES

SPECIAL TEAMS QUICK HITTERS

- Colton Walls, son of former Trojan Lee Walls, returns as Troy's long snapper for the third straight season. He was a two-year member of the Troy Baseball team (2024-25).
- The elder Walls is a member of Troy's Alabama State Trooper detail and was an offensive lineman and long snapper for the Trojans from 1998-02.
- Troy will have a new starting place kicker for the first time since 2023 following the graduation of Scott Taylor Renfroe.
- Ethan Head, Hayden Wolfe and Jalen Ballard were locked into a tight three-way battle all through spring practice and fall camp for the starting job.

EVAN CRENSHAW

- Evan Crenshaw is the only 2025 All-American at the G6 level who returned to his school in 2026.
- Earned First Team All-America honors from the Football Writers Association of America, Sporting News and Phil Steele. He was the first Trojan to earn multiple All-America honors at the FBS level; the first Trojan to earn first team All-America honors from one of the NCAA's consensus All-America selectors since Leodis McKelvin earned the distinction from Sporting News following the 2007 season.
- Consensus 2026 preseason All-American after also earning nods from Sporting News (First Team) and Walter Camp (Second Team).
- He took over the starting duties last season after taking a redshirt season in 2025; Crenshaw started two seasons at Coastal Carolina, and kicked against Troy in the 2022 Sun Belt Championship Game at The Vet.

- Named a finalist for the 2025 Ray Guy Award and inaugural Sun Belt Special Teams Player of the Year.
- 2026 Preseason Sun Belt Special Teams Player of the Year.
- Named to the Ray Guy Award Great 8 in three different weeks last season -- Buffalo (national punter of the week) and ULM.
- While he's showed off his big leg most of the season in 2025, at Southern Miss to clinch the West it was Crenshaw's accuracy that stole the show ... he pinned punts on the 2-yard line, 3-yard line and 8-yard line in the game.
- At Southern Miss, also completed an 11-yard pass to Donnie Smith on a fake punt that led to a Troy touchdown at the end of the first half to extend its lead to 14-3.

- Finished 2025 with 21 punts of 50-plus yards and placed 29 of his 68 attempts inside the 20-yard line.
- Troy ranked 11th nationally in net punting (42.62) and Crenshaw finished 17th nationally, averaging 45.69 yards per punt; his average ranked as the second-best in program history.

What is Scorigami?

Scorigami is a concept thought up by Jon Bois. It is the art of building final scores that have never happened before in Troy history. (H/T to UCF for the idea and inspiration).

How do I read this chart?

The winning team's score is along the top (horizontal axis) and the losing team's score is along the right (vertical axis). Scores marked in green have happened, scores in white have not yet happened, scores in black are impossible. The bottom half is all black because the losing team can not score more points than the winning team.

Troy Scorigami Note:

Games featuring the following scores were removed from the chart space considerations: 70-7, 71-0, 75-0, 76-0, 80-0, 86-0, 97-0
