13-0-1 GLVC

GAME NOTES

KIRKSVILLE, MO. – Truman State's return to conference postseason play brings with it a tough opening match against No. 1 seed Maryville (Mo.) University.

The Saints marched to a 13-0-1 Great Lakes Valley Conference (GLVC) record, 14-0-2 overall, posting six consecutive shutouts to finish regular season action, while Truman State, 4-7-3 GLVC, 5-8-4 overall, claimed the No. 8 seed by virtue of a 1-0-1 record against Upper Iowa University and Quincy (Ill.) University. The appearance in the 2024 GLVC Women's Soccer Championship marks a return to the postseason after a two-year absence for the Bulldogs, and Truman State Head Coach Mike Cannon knows the challenges in the task at hand.

"They're a very good team (Maryville), well coached with lots of experience," Cannon says of the Saints, currently ranked #8 in the United Soccer Coach Top 25 poll and tops in the NCAA Midwest Regional Rankings. "They have a lot they're playing for, but they won't be looking past us."

The first-round tilt pits Truman and Maryville against one another for the second time in fewer than a fortnight as the Saints got the better of the 'Dogs, 3-0, in Chesterfield, Mo., on Nov. 1. Scoring opened in the 16th minute on goal by Maryville's Maddie Dickerman with Lexy Gentry and Nika Vemdal adding tallies of their own in the 73rd and 75th minutes, respectively. The Saint defense stymied the 'Dogs and prevented a single shot on goal or corner for the Purple and White.

Cannon sees areas where Truman State can improve upon their results in the match against Maryville.

"We kept it close after a lot of tough shots in the second half," he says. "It could have been five goals in the second half."

Play by senior keeper Tatumn Damron, who finished the match with 12 saves, kept the Bulldogs from allowing the score to get out of hand.

"She's been good all year. She gave up six in the final two, but it could have been much worse," Cannon says. "We want to cut down on as many clean cut chances as we can. Our girls have confidence in Tatumn and know she's up to the challenge."

Junior Greta Hanson, a vocal defender Cannon says organizes the backfield well, and sophomore Ella McCleary, whom Cannon describes as a good pairing with Hanson, will be key if the Maryville offense can be slowed. The Saints tied McKendree (Ill.) University for the league lead in goals with 51 while their 168 shots on goal were second to Drury (Mo.) University in 2024.

Mayville surrendered only five goals all season to rack up a scoring margin of 2.88, which was a full goal per match better than any team in the GLVC. Cannon says he looks to sophomore forward Quinn Nauman and senior midfielder Emma Thompson in an effort to keep the Bulldogs from breaking down while getting the Saints deeper toward their goal and take the chances when they present themselves.

"Quinn is a one-on-one take on artist. When she can beat people it makes a huge difference in our attack," Cannon says. "We moved Emma around a lot, and she still wound up being our leading scorer (tied with sophomore forward Lia Quintero at 8). She's a good defender who gets overlooked because she does what we ask when she's moved around."

Senior midfielders Olivia Morris and Jessica Kozol do the "dirty work," as Cannon describes it, in the middle and will be key in driving the Saints back toward their own keeper. Kozol's aggressive play at both ends helps add to the defense in particular while Morris returns to the post-season for the first time since her freshman season in '21 as perhaps the Bulldog who wins more headers than any other.

While drawing the only GLVC team to finish without a loss might appear the most daunting task among the four opening round matchups, Cannon says he's seeing a top half of the conference as good as it has been since Truman State first competed in the league in 2013. Four squads finished with double-digit wins, while the head coach says Missouri-St. Louis, to whom the Bulldogs fell 3-0 on Nov. 3, might be playing the hottest soccer as the tournament gets underway.

The match against Maryville streams live via the GLVC Sports Network at 11 a.m.

HEAD COACH MIKE CANNON

31 Seasons, 379-161-79, .676

Mike Cannon has been a fixture on the sidelines for Truman Women's Soccer since 1993. He has guided his Bulldog teams to 12 NCAA Division II tournament appearances and 11 conference regular season championships. He is among the active leaders in all of NCAA Women's Soccer in victories with 367 and his teams have won nearly 80% of their conference games.

Cannon has had nine players earn All-America honors with Sara Murray and Jennifer Buscher earning the award on two separate occasions. Murray has been the only first team all-American to date and won the award in both 2003 and 2004. She is the program's all-time leader in goals, assists and points and was also among six Truman players to earn the CoSIDA Academic All-America distinction, an award she received in both 2003 and 2004.

Cannon was named head coach in 1993 after serving one season as an assistant for the men's team in 1992. He was a marking back and midfielder for the Bulldogs from 1988-91 and was the team's most valuable player his senior season.

As a junior, he was selected as the Bulldogs' most improved player for his contribution during a campaign in which the men's team qualified for the Division II playoffs for the first time.

During the summers of 1996 and 1997, Cannon spent time on the pitch as a defender for the Des Moines Menace of the United Systems of Independent Soccer Leagues (now called the United Soccer League). He was selected to play in the USISL all-star game in '96 and served as team captain in '97. Cannon's efforts helped lead the Menace to the regional playoffs both years.

He graduated in 1992 from Truman

with a bachelor's degree in English.

As head coach of the Bulldogs, Cannon has been named NSCAA Regional Coach of the Year twice (2001 & 2016), 10 times named conference Coach of the Year and has had 68 first-team all-conference selections in 21 years as a league sponsored sport.

The Bulldogs earned their first trip to the NCAA Tournament in 1997 after a 14-5-1 regular season campaign. At that time, that was a school record in victories with the Bulldogs winning seven of eight to get into the tournament field. They won their first round game against Saint Joseph's (Ind.) 1-0 before bowing out a week later to West Virginia Wesleyan by the same 1-0 score.

The Mid-America Intercollegiate Athletics Association introduced women's soccer as a league sport in 1999 and Truman was the dominate team from the get go. The Bulldogs claimed the first conference title with a 5-0 record and did not allow a goal against as they outscored league opponents 14-0.

Truman would go on to win the first seven MIAA titles going 66-4-6 during those seasons. The 2004 team would be the jewel among that group with a 19-1-2 mark, losing only in the regional finals to Nebraska-Omaha after a 21-match unbeaten streak. The Bulldogs would claim two more league titles in 2007 and 2009 before departing the conference after the 2012 season for the Great Lakes Valley Conference.

The Bulldogs contended for the league title in their first season (2013) in the GLVC but finished with a 10-2-3 league record. They did earn their first NCAA Tournament berth since 2010 but was defeated by league member Rockhurst in the first round.

In 2015, the Bulldogs went 11-1-3 in conference and were the number two seed in the GLVC Tournament. After an opening round 2-1 win over Rockhurst, the Bulldogs advanced to their first championship match with a thrilling shootout victory over rival Quincy. The team garnered the tour-

namment championship with a 2-0 victory over Missouri-St. Louis and received the league's automatic qualifier for the NCAA Tournament. They would win their opening match over Cedarville (Ohio) 1-0 but lost to conference regular season champ, Bellarmine 1-0 to be eliminated.

The Bulldogs were crowned the 2016 GLVC champions after posting a 15-2-4 overall record and 12-1-2 league mark. McKendree upset Truman in the league tournament when the Bearcats won in a shootout in the semifinals but exacted revenge the following weekend at the NCAA Tournament with a 1-0 win over the Bearcats. The Bulldogs were knocked out of the tournament following a 2-0 loss to the eventual national champion, Grand Valley State.

In 2018, Truman earned one of three shares to their second GLVC regular season championship. The Bulldogs went 9-3-1 in conference action and 14-4-1 overall with Cannon earned GLVC Coach of the Year honors. The team outscored opponents 33-16 with 14 players finding the back of the net in goal. Two players (Laura Ney & Hannah Burke) earned all-region honors and Ney was named the GLVC Scholar-Athlete of the Year for Women's Soccer. The team earned All-Academic honors from the GLVC with a 3.41 GPA and 18 roster players were named Academic All-GLVC.
