THE OHIO VALLEY CONFERENCE

Now in its 72nd year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference.

In May 2011 the Conference expanded for the second time in four years, adding Belmont University which began competition in the 2012-13 academic year. The addition of Belmont gave the OVC 12 members, the most the league has had at one time in its illustrious history. The move added a second team in the city of Nashville and was the first addition to the league since Southern Illinois University Edwardsville joined in 2008. Subsequently, the league has shown its stability over the past decade, seeing only one member institution depart over the past 19 years.

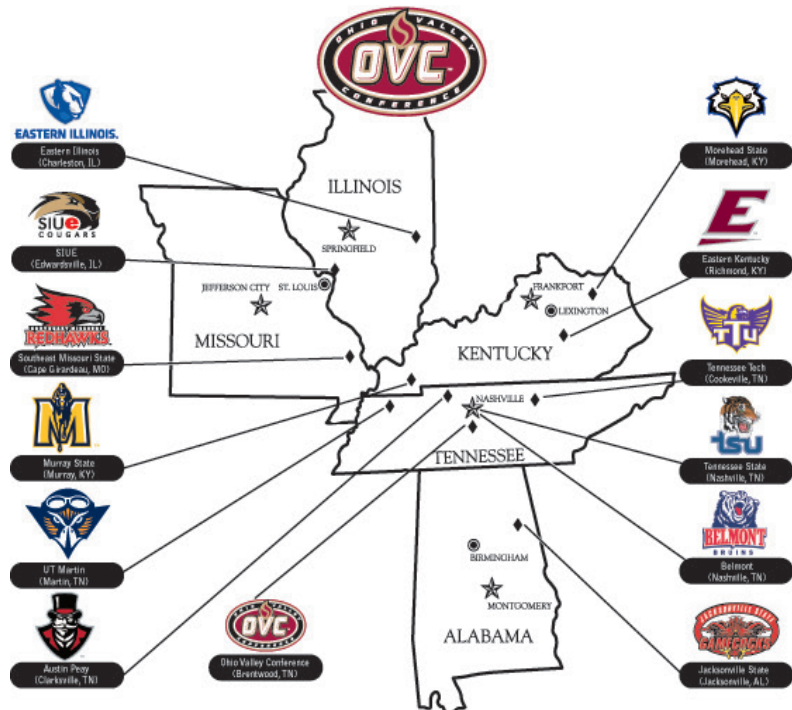

The 2009-10 school year saw a change in leadership as Beth DeBauche was named the seventh full-time Commissioner in league history on July 28, 2009. The last three commissioners of the OVC have moved onto jobs as the commissioner of the Big Ten, Big 12 and the Mid-American Conferences.

The OVC's proud history dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart, the athletics director at Murray State, Charles "Turkey" Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky, first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged February 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC.

In the 1950s, the OVC became a pioneer on a much more significant scale socially. During times of racial segregation, league member Morehead State became one of the first non-traditionally black mid-southern institutions to accept a black student. In 1958 Marshall Banks earned athletically-related aid at Morehead, which signed a second black athlete, Howard Murphy, a year later. In 1961 Murphy earned all-conference recognition as a halfback in football. With racial barriers broken, the rest of the institutions in the league began to provide educational and athletic opportunities to African-Americans.

After Title IX legislation passed in 1972, women's athletics began a rebirth on the national scene as the NCAA began sponsoring and marketing women's sports. Recognizing the need to provide increased opportunities for female athletes, the OVC began formulating plans for women's athletics in 1975 and established women's championships in the sports of basketball, tennis and track in 1977, with cross country and volleyball added over the next four years. Those sports were initially governed by the Association of Intercollegiate Athletics for Women (AIAW), but the overall strength of women's programs in the league was demonstrated by the automatic bids the OVC instantly received when the NCAA became the governing body in 1982. The conference added women's golf and softball in 1994 and women's soccer in 1998.

Through the past 71 years, 15 teams have won or shared the league's football title. The list is led by Eastern Kentucky, winner of 21 outright or shared football crowns, which is tied for the most in Football Championship Subdivision history (with Massachusetts). Among OVC teams, former member Middle Tennessee is next with 11 titles, followed by Tennessee Tech with 10 and Jacksonville State, Murray State and former member Western Kentucky with eight apiece. Eastern Illinois has seven crowns while Morehead State, Tennessee State and former members Evansville and East Tennessee State have captured two apiece. Austin Peay, Southeast Missouri, UT Martin and former member Youngstown State have one title apiece.

Murray State and Evansville tied for the initial football championship, and the Racers participated in the first-ever bowl game by an OVC team, tying Sul Ross State 21-21 in the 1948 Tangerine Bowl. From 1948 to 1975, OVC teams played in 15 bowl games, winning eight of them. Eastern Kentucky and Western Kentucky were also participants in the NCAA Division II playoffs in the early and mid-1970s prior to the NCAA's reclassification of football programs into Division I-AA. The term "I-AA" lasted until the end of the 2006 season when it was changed to Division I Football Championship Subdivision (FCS).

The first Division I-AA/FCS football playoff was held in 1978 with only four teams, which is the only year through present day that the OVC did not field a playoff representative. In 1979, four of the nation's top teams were invited to the playoffs, and two of them - Eastern Kentucky and Murray State - were from the OVC. Murray dropped its semifinal game to Lehigh, but the Colonels nipped Nevada-Reno in double overtime and claimed the national championship a week later with a 30-7 victory over Lehigh. EKU was coached by former All-America quarterback Roy Kidd, who was in his 16th year at the helm of his alma mater and who skipped the Colonels to a second national title three years later. Following the 2002 season, Kidd retired after 39 years at EKU; upon retirement, he ranked sixth all-time among Division I coaches with 315 victories, earning him a spot in the College Football Hall of Fame. EKU's 21 FCS playoff appearances are the second most all-time (behind only Montana's 23 berths).

A sampling of former OVC football stars, some of whom were All-Americans during their collegiate careers before achieving stardom at the professional ranks, include Jim Youngblood and Larry Schreiber (Tennessee Tech), Phil Simms (Morehead State), Virgil Livers and Dale Lindsey (Western Kentucky), Myron Guyton and Chad Bratzke (Eastern Kentucky), Cortland Finnegan (Samford) and Tony Romo and Jimmy Garoppolo (Eastern Illinois). In 2008, former Tennessee State standout Dominique Rodgers-Cromartie became just the fourth NFL First Round draft pick in OVC history when he was selected 16th overall by the Arizona Cardinals. He would break into the starting lineup halfway through his rookie season and started at cornerback for the Cardinals in Super Bowl XLIII.

The 2007 season marked a return to scholarship football and the OVC for the Austin Peay Governors. Following the 1996 season the Governors dropped scholarship football and competed as both an independent (1997-00, 2006) and as a member of the Pioneer Football League (2001-05).

The 2007 season also brought new vernacular to the Ohio Valley Conference and the division formerly known as I-AA. Beginning with the 2006 National Championship game the term I-AA was changed to NCAA Football Championship Subdivision (FCS) in a decision by the Division I Board of Directors. The new label was chosen to communicate in a positive and clear manner the unique differences between Division I football categories (chiefly, the post-season opportunity) while still defining them within the Division I experience. The FCS includes programs that compete in an effort to participate in the NCAA championship postseason structure (one of 90 NCAA national championships) as opposed to the Football Bowl Subdivision (FBS) which competes in an effort to participate in the postseason bowl system (the 40 NCAA-licensed events which includes the College Football Playoff).

#BigBlueRising

Founded in 1912, Tennessee State University has grown dramatically from a small college to two campuses: the 500-acre main campus and the downtown Avon Williams campus which is located in the heart of Nashville near the State capitol.

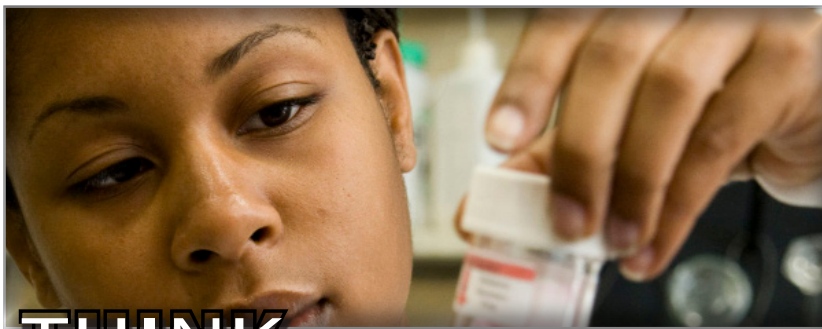

The diverse student population of more than 8,000 represents 46 states and 45 countries. TSU has been listed for 11 consecutive years in the U.S. News & World Report "Guide to America's Best Colleges."

Tennessee State University is a comprehensive, urban, coeducational land-grant university offering 45 bachelor degrees and 24 master's degrees. Doctoral programs include biological sciences, psychology, public administration, computer information systems engineering, administration and supervision, and curriculum and instruction. When you think about Tennessee State University, many things come to mind – a rich heritage and legacy in athletics, academics, entertainment, research and service.

Tennessee State University has long been a rising star among universities across the country. It is designated as one of the best public historically black colleges and universities in the nation, and it's not by accident.

Tennessee State University is among the few historically black colleges and universities (HBCUs) with a chapter of Phi Eta Sigma, the oldest and largest freshman honor society in the United States and a Phi Kappa Phi Honor Society, the most prestigious honor society comprising all academic disciplines.

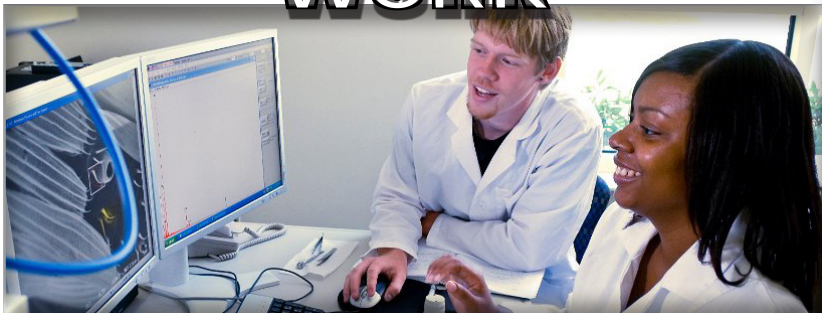

A great deal of focus has been given to improving the academic environment – strengthening our research reputation, attracting and retaining the best and brightest students, encouraging service-focused programs, engaging and supporting expert faculty in diverse fields, building on our student-centered philosophy and holding steadfast to our motto of "Think. Work. Serve."

THINK

Today, Tennessee State University's student enrollment is more than 9,000.

There are more than 400 faculty and more than 1,200 staff who are part of the university's team.

Additionally, the university's rich strength in embracing diversity is evident with 45 countries and 46 states representative of the student body.

The beauty and accessibility of the university's main campus is a plus with now 65 buildings on more than 450 acres.

Complimenting the main campus is a newly renovated downtown campus that features a simulated stock-trading center, a student computer laboratory and continuing education, distance learning and multimedia services.

The university is arming students with the intellectual resources to compete in a global environment. In support of that, important partnerships have been established with leading global companies such as Boeing, Raytheon, Dell, IBM and others, in which both funding and service-learning opportunities are currently active.

The DAVIS BUILDING is topped by its landmark cupola and houses the Department of Languages, Literature and Philosophy and the Thomas E. Poag Auditorium. The building, which once housed the administrative offices, is named after TSU's second president Dr. Walter S. Davis.

KEAN HALL, a simplified Art Deco style gymnasium erected in 1951 at a cost of \$1,500,000 was dedicated Wednesday, November 25, 1953.

The structure is located on the south side of the campus at John Merritt Boulevard and 33rd Avenue, North and is named after former TSU Football head coach and Athletic Director, Henry A. Kean.

The building contained at the time of its construction: a gymnasium, health, physical education and recreation classrooms, laboratories, staff offices, and facilities for indoor intramural sports, staff and student recreation and physical therapy. The building was vacated in 1980 when the HPER moved to the new Gentry Center Complex.

The \$300,000 renovation, approved in 1986-1987, connected the building to the Floyd-Payne campus center in 1991. The building became a recreational facility for the general campus population. It also serves as the headquarters for the Air Force ROTC, TSU Athletics and the academic and Hall of Fame.

The PERFORMING ARTS CENTER is located adjacent to the east side of the existing Strange Music Building. The facility houses the Theater, Television, Radio and Music Departments and includes a complete renovation of the Strange Music Building.

A performance theater seating for 400 was constructed as part of the new building. Theater department spaces include classrooms, support spaces and offices. Rehearsal and production facilities are provided for television and radio departments, as well as offices and support areas.

The music department has new laboratory facilities, practice rooms, classrooms, offices and an expanded band practice room and support facilities. The project included approximately 30,400 sq. ft. of renovated space (the Strange Music Building) and 43,000 sq. ft. of new construction.

The **FLOYD-PAYNE CAMPUS CENTER** contains various student and administrative offices, campus bookstore, post office, and dining services. The Center is named after former TSU student and fifth president, Otis L. Floyd, and long-time Dean of Students and Vice-President of Student Affairs, Joseph A. Payne.

The **BROWN-DANIEL LIBRARY** was erected in 1976 and opened for service during the summer of 1977.

This present structure has 82,000 square feet of space with special study and research facilities for faculty and graduate students, and a Special Collections Room which houses the University's historical archives, theses, dissertations, and other special materials. The library is named in memory of Library Directors, Martha M. Brown and Lois H. Daniel.

The **AVERITTE AMPHITHEATER** located in the center of campus; landscaped and has permanent seating for 200. The structure is named after Laura M. Averitte, author of Tennessee State University's alma mater.

Some accomplishments under the Phillips' administration include the launching of the first official website for TSU Athletics in August of 2002, the revitalization of the Big Blue Booster Club, the recognition of Ohio Valley Conference Scholar Athletes, and conference championships in volleyball, women's track including a PGA minority national championship in men's golf.

She was also named as the Second Most Influential Woman in Sports in Tennessee by The Tennessean newspaper. In addition, she was named USA Today's National Coach of the Year in 1990 and was a three-time OVC Coach of the Year selection.

No stranger to athletic success, she was head coach of the Lady Tigers basketball program at TSU for 11 seasons from 1989-2000. Phillips guided the

1993-94 squad to the program's first-ever OVC regular season crown, the Ohio Valley Conference tournament championship, and the team's first appearance ever in the NCAA tournament.

Coach of the Year

Rod Reed enters his tenth season at the helm of the Tennessee State football program after being named head coach on December 18, 2009. He served as the associate head coach and defensive coordinator during the 2009 season.

Reed experienced immediate success as a head coach, leading the Tigers to a win in his debut game, 27-14, over Alabama A&M on Sept. 4, 2010 in the John Merritt Classic. He also broke an eight-game losing streak to Florida A&M, downing the Rattlers, 29-18, in the Atlanta Classic. Reed coached six players to All-OVC Teams including safety Eugene Clifford who also was a Sports Network, Phil Steele and BOXTOROW All-American.

The Tigers increased their win total in their second season under Reed and finished the 2011 season on a hot streak, winning four of their last six games. The stretch included a, 42-40, upset win at No. 19 ranked Tennessee Tech on Oct. 15. Reed produced even more All-OVC players in year two, as seven made postseason squads. Two more defenders garnered All-American honors under Reed's tutelage in linebacker Rico Council and Joseph Wylie. He also helped Lamar Divens and Sidney Tarver ink NFL contracts.

Big Blue continued its success in 2012 by rattling off seven straight victories to open the season. The Tigers finished the year with an 8-3 record, its best since 2001. The performance earned TSU HBCU Program of the Year honors by HBCU Huddle. Several players earned postseason accolades including running back Trabis Ward who was named to the College Sports All-American Team after running for 1,460 yards and 15 touchdowns. Three more Tigers were Sheridan All-Americans including Sherman Carter who signed an NFL deal with fellow offensive lineman Rogers Gaines following suit.

Reed turned in his finest season to date in 2013, as the Tigers finished 10-4 and won a FCS Playoff Game for the first time since 1986. It capped an impressive run in which Reed improved his club's win total by at least two in each of his first four campaigns. TSU won its first HBCU National Championship since 1982 and the

team's shutout win over Butler in the first round of the playoffs was the first victory for the OVC in postseason play in nearly 30 years. A school record 12 Tigers were chosen to the league's all-conference teams at seasons end and Kadeem Edwards (143rd) and Demetrius Rhaney (250th) were selected in the NFL Draft.

In 2014, Reed's defense ranked inside the top-10 for the third straight season. Middle linebacker Nick Thrasher tallied 128 stops on the season, which was sixth-most in a single-season in school history and the highest total for a Tiger since 1991. Thrasher also moved up to second-place in tackles in the TSU record book over the course of the season, finishing with 358. Quarterback Mike German threw for 2,846 yards on the year, helping him break the 34 year old school-mark with 8,664 career yards.

Reed has coached a total of 25 All-Americans and 51 All-OVC Players in his six seasons as a head coach and has staked a 43-37 record.

He began coaching at TSU in 2003 and served as the defensive coordinator and linebackers coach. At the conclusion of the season in which Reed returned to the TSU sideline, the Tigers led the OVC in total defense for the first time in school history. The defense accomplished the same feat in 2008 finishing at the top of the OVC in total defense.

A keen recruiter as an assistant, Reed was responsible for bringing several notable key players into the TSU program. Reed is noted for recruiting Javarris Williams (2009 seven-round draft pick, Kansas City Chiefs), Dominique Rodgers-Cromartie (2008 first-round draft pick, Arizona Cardinals), Shaun Richardson, Lamar Divens (Baltimore Ravens, 2008) and Cornelius Lewis. He has also coached All-America and professional player, Jamar Landrom (Jacksonville Jaguars).

Reed was a four-year letter winner for the TSU Tigers from 1984 - 1988. He capped off his career by being named Sheridan All-America his senior season. He set the Tiger record for career tackles from his linebacker slot and in 1987, he set the single season record for tackles with 197. He helped lead the Tigers to the second round of the 1986 Division I-AA playoffs and was selected as Defensive MVP in 1987 and 1988.

Following completion of his bachelor's degree, Reed entered the coaching profession. He held positions at Prairie View A&M (Linebackers, 2001), Bethune-Cookman University (Linebackers, 92-95), and Seabreeze High School (DC, 96-00) in Daytona Beach, Fla. Within those positions he coached five first-team all-conference linebackers and a pair of All-Americans.

Before coming to TSU, Reed previously coached at East Texas Baptist College (00-03) in his hometown of Marshall, Texas. He served as defensive coordinator for East Texas Baptist, which launched its football program during the 2000 season.

The 2002 Texas Baptist defense ranked second in their conference in scoring defense and third in rushing defense. The team did not allow points in either the first or third periods through the first eight games in 2002.

Reed is the son of Robert Reed, Jr., an All-America offensive guard for the Tigers in 1963 and 1964 who later played professionally for the Washington Redskins.

Reed is the university's Fellowship of Christian Athletes representative and in 2009 he participated in the NCAA Football Coaches Academy. He and his wife, Tamika, are the parents of four children, Terry, Takara, Briah, and Marcel.

Russ Ehrenfeld enters the eighth year of his third stint at Tennessee State after spending three seasons at Chattanooga.

Since returning, Ehrenfeld has produced numerous professional linemen, including four NFL draft picks in a two year span. Kadeem Edwards and Demetrius Rhaney were taken in the 2014 draft, while Robert Myers and Anthony Morris were selected in 2015. This marked the first time in TSU history that four linemen were drafted during a two year period.

In 2016, Jessamen Dunker and Kevin Kenton were All-Ohio Valley Conference selections and both earned invites to NFL camps. Dunker earned All-American honors and signed a free agent contract with the New York Giants. Kenton was invited to the New York Jets rookie minicamp

Prior to his return, Ehrenfeld helped the Mocs allow only nine sacks in 2009, tied for fewest in the Southern Conference and third lowest in the nation. UTC did not allow a sack for the last four games of the season, including a trip to FBS National Champion Alabama in the season finale.

In 2010, he turned his attention to the centers and guards, helping T.J. Hurless earn a spot on the All-SoCon second team. Add in Chris Harr and Ehrenfeld has guided two Mocs to all-league honors in his two years at UTC.

In 2011, Ehrenfeld coached tight ends, helping the Mocs to a 5-6 overall record, including a 38-17 win at then ranked No. 10 Jacksonville State on Sept. 10. Faysal Shaffat was a 2011 All-Southern Conference freshman tight end for the Mocs.

In his second stop at TSU, Ehrenfeld's offensive line set the tone for the No. 1 rushing offense in the Ohio Valley Conference in 2007 and 2008 while allowing just the second fewest number of sacks in the league. All totaled, he has coached more than ten offensive linemen that have gone on to play professionally.

Ehrenfeld previously coached the offensive line at TSU for three seasons (1997-99), helping the Tigers capture back-to-back OVC championships in 1998 and 1999. Notably, four linemen from the 1999 team went on to play in the NFL.

2019 SEASON PREVIEW

The 2018 season marked the first time Tennessee State finished with a non-winning season for just the second time in the past seven seasons. TSU finished 4-5 during a campaign which saw two contests cancelled due to weather – the annual Southern Heritage Classic was called due to continuous lightning storms, while the matchup at Hampton was dropped due to Hurricane Florence. The nine game slate was the shortest since John Merritt led the Big Blue to a 5-4 mark in 1975.

Injuries hampered the Tigers throughout the season, allowing just 24 players to see action in all nine games with only six starting every contest. The 2018 unit sported 54 players who missed action during the season due to the injury bug. Notable players to miss time were starting quarterback Demry Croft, preseason Ohio Valley Conference selections Thomas Burton (center) and Steven Newbold (wide receiver), as well as linebacker Christian Abercrombie, cornerback Nick Harper Jr. and the Tigers leading rusher from the previous season, Sabree Curtis Jr., who went down during the first series of the opener and returned for the final game of the year.

Despite the obstacles, the Big Blue offense saw a 105 yard per game increase in total yardage from the previous season, averaging 431.3 yards in 2018, which ranked 20th in the country in passing and 31st in total offense.

TSU produced a solid running game, which featured transfers Te'kendra Roberson and DeMarco Corbin to go along with veteran Earl Harrison and redshirt freshman Shawn McColley. The passing game saw the emergence of then junior Chris Rowland and received a boost from DeVon Johnson and former quarterback Treon Harris, who stepped up as Newbold was limited throughout the season.

Head coach Rod Reed turned to former Tiger quarterback Shannon Harris (2000-01) to take over the offensive coordinator position after the departure of Jeff Parker. Harris spent last year as an offensive analyst for TSU after spending three seasons at Alcorn State where he aided the Braves to the SWAC championship game each year he was on staff and a 2015 title.

Harris benefits with the return of eight starters and will welcome back Croft, Burton, Newbold and Curtis to the fold. On the other side of the ball, defensive coordinator Garry Fisher will have seven starters back in the mix including all-OVC selections Mekhi Brown and Dajour Nesbeth.

Coach Reed will also rely on a veteran special teams unit. Freshman All-American Antonio Zita returns to handle the place kicking while fellow sophomore Kaleb Mosley will take care of the punting and kickoff duties. Rowland was named a HERO Sports All-American for his performance as a punt returner and a healthy Newbold could provide an electric duo on kickoff returns.

QUARTERBACKS

TSU returns two quarterbacks from a year ago. Coach Reed will enjoy the experience and leadership of the starting signal callers who each secured wins as a starter were in 2018. Micheal Hughes took over the helm for the Tigers midway through the season after sharing time in the first couple of contests. Hughes was named OVC Offensive Player of the Week as he went 22-of-27 for 318 yards and three touchdowns against Tennessee Tech. Cameron Rosendahl was called upon for the final game of the season, leading the Tigers to a thrilling overtime win against UT Martin. Rosendahl tossed three touchdown passes, including the game winner, while completing 15-of-22 for 170 yards without a turnover. The quarterback battle will become tougher with the addition of Deveon Bryant and USF transfer Octavious Battle who both enter the season as redshirt freshmen, as well as true freshman Heath Williams.

BACKFIELD

The Tigers return every member of the running back corps from a season ago. Te'kendra Roberson earned a spot on the OVC All-Newcomer team after rushing for 527 yards on 100 attempts. The junior college transfer scored a touchdown, averaged 5.6 yards per carry and was one of three Tigers to have a run over 50 yards. Roberson accomplished the feat on two occasions, the first coming on a 69-yarder at Southeast

Missouri and followed with a 58 yard touchdown run against Jacksonville State. Earl Harrison busted a run of 51 yards at SEMO, while Shawn McColley exploded for a 70 yard scoring dash against JSU. McColley averaged 6.8 yards per touch as he went for 324 yards on 48 carries. Harrison was limited to action in six contests, but still finished third on the team with 261 yards on 46 rushes (5.7/rush). Harrison scored twice and finished second in ground touchdowns behind DeMarco Corbin who made the most of his 34 carries for 97 yards by crossing the goal line six times. Sabree Curtis Jr. led the team in rushing in 2017, but was injured on his first carry, which went for four yards, during the first series of the first game of the year. Curtis, as well as Seth Rowland, Jordan Bell and Andrew Knox return to form a deep corps. Redshirt-freshman Kaemon Dunlap along with Mercer transfer Charlie Davidson and Jacksonville graduate Will Montgomery add to the mix.

RECEIVERS

The receiving unit did not falter as Steven Newbold was limited due to injuries and finished with 28 receptions for 300 yards and two touchdowns. In the absence of Newbold, fellow classmate Chris Rowland thrived by hauling in 57 passes for 727 yards and five touchdowns. Rowland was named to the All-OVC Second Team and will embrace the return of Newbold, who moved in to 10th on the all-time receiving yards list at TSU with 1,711 for his career. The duo will look for help to replace the losses of Treon Harris and DeVon Johnson. Harris moved to wide out in his final season, after serving as the Tiger's quarterback in 2017, and caught 35 passes for 476 yards and five touchdowns in

just seven games. Johnson capped off his career with a three touch-down performance, as he closed out the season with 30 catches for 543 yards and a team leading six touch downs. Malik Abdul-Haqq, Al-Malik Moore, Lawrence Segree Jr., Robert Lilley-Sneed, Isaiah Owens, freshmen Dayron Johnson and Dashon Davis join Louisville transfer Jatavious Harris in the efforts of replacing Harris and Johnson. Miles Cavitt and Josh Trueheart will man the tight end position as Aaron Cauthen will serve a medical redshirt this season. The Tigers bolstered the position by adding three transfers in Phillip Brown (Alabama State), Benjamin Johnson (Georgia Military) and Marvin Rudd (Bethel).

OFFENSIVE LINE

The offensive line sports experience, but will need to replace graduates Chidi Okeke (LT) and Justin Brooks (RT), as well as Jamahl Jelks who played all five positions on the front line throughout his career. Okeke has taken his talents to the Kansas City Chiefs of the National Football League after starting all nine games a year ago. Brooks missed two games to injury in 2018, but earned seven starts and 27 during his career. Thomas Burton will return for his final season after suffering a season ending injury in the fourth game of the season. Burton has started 28 games during his time at TSU and is considered one of the top centers in the conference. Transfer Raekwon Allen started all nine games at right guard and earned All-OVC Second Team honors, giving the Tigers strength in the middle of the line with Burton. Lachavious Simmons enters his final season with 14 starts and 29 games played at every position on the line, with the exception of center. Simmons is ticketed to replace Okeke at left tackle. Anthony Geter played in six games, starting five at center last year. Cedrick Banks looks to move into the vacancy at left guard, while the line will rely on Demetrius Cooley, Noah Shattuck, Myles Sails and Marlon Black Jr. to provide depth. Newcomers Alex Williams, Michael Brooks, Caleb Waller, DeCarlos Moore-Miller, Mayson Harris, Jaalon Gupton and Jimmy Nixon III join transfers Will James and Brandon Jones look to battle for spots.

DEFENSIVE LINE

The defensive line returns a majority of its personal. Mekhi Brown, Dante' Ferguson Jr. and Justin Culpepper all started at least seven games last season, with Brown claiming eight. The three will return to their starting positions along with Raymond Horton who moved half way through the season from the offensive front to the defensive trenches. Horton earned three starts, including the final two contests. Brown finished sixth on the team with 26 tackles and tied for the team lead with 4.0 sacks. The defensive end tallied 6.5 tackles for loss, three quarterback hurries, a pass breakup and a forced fumble. Ferguson amassed with 23 tackles, 6.5 for loss, 2.5 sacks, three quarterback hurries and one fumble recovery, while Culpepper made 15 tackles, 4.5 for loss, three quarterback hurries and blocked a kick. In his limited time on defense, Horton posted 14 tackles, two for loss. Jeremiah Caine and Khalil Jones both played in all nine games for the Tigers. Caine tallied 23 tackles, eight for loss, four sacks and forced three quarterback hurries, while Jones finished with 14 tackles, four for loss, two sacks, two quarterback hurries and a pass breakup. Adrian Sims joins transfers Mike Boykin (Louisville) and Allen Daniels (Purdue) for depth and will

be challenged by freshmen Terray Jones, Clint Dowty II, Jacoby Troutman and Cameron Stewart.

LINEBACKERS

Jahsun Bryant, Terry Straughter and James Green will lead the line-backing corps along with transfer Rhashaun Epting (New Mexico). Support will come in the forms of Michael Crawford, Antowan Malone, Justin Brown, Dewayne Johnson, Ian Martin and Daniel Bonner. Michael Bond and Keondre Bailey join the Big Blue and will challenge the unit. The current Tigers will have to fill the shoes of Blair Edwards who was second on the team in tackles with 54, including four for loss and one sack. Straughter was fifth on the squad with 31 tackles after replacing Christian Abercrombie who was lost for the season during the third game of 2018. Bryant saw time in eight games and started at middle linebacker in the final game against UT Martin where he collected 11 stops, seven solo, and 1.5 for loss, while Green earned 16 tackles in nine games. Epting enjoyed a solid season at the University of New Mexico registering 43 tackles in 12 games, including 8.5 for loss and 5.5 sacks.

DEFENSIVE BACKS

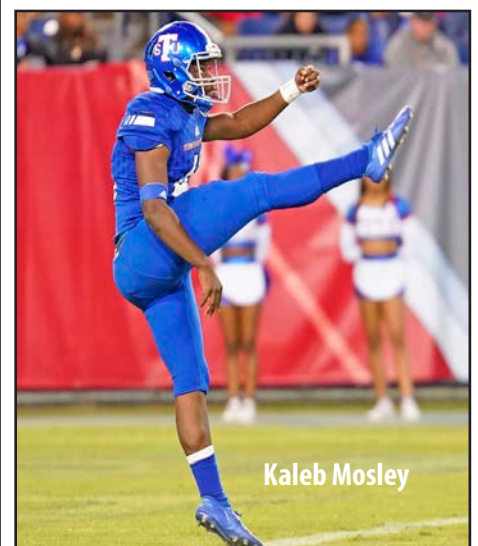

LaQuarius Cook was the leader of the defensive backfield and finished his career in 10th all time in tackles with 232 at TSU. Also departed is Vincent Sellers and Shakur Jackson, who combined with Cook, accounted for 118 tackles. All-OVC selection Dajour Nesbeth enters his senior campaign as the veteran on the staff. Nesbeth led the defense with 58 tackles, seven pass breakups and four interceptions. The corner will play opposite of Nick Harper Jr., Kentucky transfer Dominique Williams and Niemann Armstrong. Harper was limited to six games in 2018, while Armstrong gathered 17 stops in six contests. Larry Wilhoite

will move to safety and will be joined by Ronnie Killings, as they play opposite Ray Coggins and Dieuseul Stcyr. Wilhoite and Killings both finished with 20 tackles in eight games, while Coggins and Stcyr both saw action in nine games and ended the year with eight and six tackles, respectively. Redshirt freshmen Kenyon Garlington, Josh Green and James Reese IV will be joined by newcomers Fondren Hollis, Ahmaud Jordan, Christian Smith, Rod Reed, Daniel Williams and David Dorsey.

SPECIAL TEAMS

Antonio Zita produced one of the better seasons for a freshman kicker in TSU history. Zita earned a spot on the Phil Steele FCS Freshman All-America Third Team after scoring 64 points, going 12-of-14 in field goals and 28-of-29 on extra points. Kaleb Mosley completed the all freshman kicking duo for TSU a year ago as he averaged 36.8 yards per punt after booting 42 balls for 1,544 yards, without allowing a blocked kick. Mosley forced 13 fair catches, while having five touchbacks and seven downed inside the 20 yard line. As a kicker, he made 53 kickoffs for 3,084 yards, averaging 58.2 yards, and had 16 touchbacks. Senior Thomas Newberg will handle the long-snapping duties for the fourth consecutive year. Newberg converted on all his snaps for the second consecutive season. The Tigers boasted two of the more exciting returners in the OVC last year in the forms of Chris Rowland and DeVon Johnson. Rowland was named a HERO Sports All-American as a punt returner as he ranked sixth in the nation, averaging 13.0 yards on 14 punt returns. Johnson earned a spot on the OVC Second Team as a kickoff returner after gaining 423 yards on 16 kickoff returns for a 26.4 average. Coach Reed may look to Steven Newbold to replace Johnson. Newbold averaged 22.2 yards on six returns as a junior and 19.5 yards on six returns as a sophomore.

QUOTES AND NOTES

QUARTERBACK MICHAEL HUGHES

(on being 1-0)

"It's very important. That's how you want to start the season off. I'm very excited. A lot of guys put in a lot of hard work for this moment. It's very exciting to start the season off 1-0."

(on chemistry with Chris Rowland)

"Chris and I worked all summer together. He's a hard-working guys, and he gets open when he needs to, so he did a good job."

(on putting up 525 yards of total offense)

"That says we're explosive. We're in no huddle this year, so it gives us more opportunities - more snaps. It wasn't a surprise for me. It's great."

LINEBACKER JAMES GREEN

(on the success of the defense)

"Tonight's success on the defensive side was great. Even though they had too many yards for us to be comfortable, we played a good game. We're going to continue to get better."

(on the mentality on third down)

"Put a foot on their neck. We weren't going to let them come back. We were going to continue to play defense and be great. That's how we're going to play. We have to have some juice."

(on the play of the newcomers)

"We set the tempo for the season, and we're going to keep getting better week-by-week. We're one defense. We're going to continue helping each other."

SEFETY LAQUARIUS COOK

(on winning the opening game)

"That's big. We came out and played strong. First game so guys had to get the jitters out. We've got a lot of stuff we can learn from, but it's good to get the win."

(on winning the John Merritt Classic as a senior)

"It means a lot. I haven't lost a John Merritt Classic since I've been here. I'm proud to say that."

(on the strong play of the defense)

"That's Coach (Garry) Fischer and the guys believing in what we do. We still have work to do. It was alright, but we're trying to be number one in the nation, so we have work to do."

OFFENSIVE LINEMAN ANTHONY GETER

(on the play of the offensive line)

"I think the offensive line did a great job of pass protecting and run blocking. We're just doing what Coach E taught us all year. All camp, really, just dominate up front."

(on switching quarterbacks)

"Sometimes we had issues with getting calls off and getting set, but it's really no big deal. Both of them played well."

MEMPHIS --- The Southern Heritage Classic football game between Tennessee State and Jackson State has been cancelled due to inclement weather.

QUOTES AND NOTES

DEFENSIVE LINEMAN DANTE' FERGUSON, JR.

(on the Southern Heritage Classic game getting cancelled)

"We always go through our pregame progressions, and we're always ready to go out and play on Saturdays, so just not to play was kind of disappointing. I know all of us wanted to play and get after Jackson State, but it's just one of those things. It happens sometimes. We wish it didn't happen, but it's in the past now and we have to look forward to our week coming up."

OFFENSIVE LINEMAN THOMAS BURTON

(on not playing on Saturday in Memphis due to weather)

"It sucks. It's my last time going home (to Memphis). I wish I could have played. It was tough."

"We got warmed up a couple times for a game that I'd never been in, the Southern Heritage Classic, which everyone says is a big game. I was waiting for the atmosphere. We were ready for that game. We came in prepared and ready to play, but it didn't happen."

PREVIEW

QUOTES AND NOTES

WIDE RECEIVER TREON HARRIS

(on being 1-0 in the OVC)

"It was great because we missed some games, so we had to come out and win. We have to win out."

(on his touchdown pass)

"We practiced that all week and we felt like that would be open. In the game, it came wide open and Chris (Rowland) got into the end zone for us."

(on contributing to the offense)

"Like I said in the spring, I feel like I'm an athlete. I feel like I'll do anything to help the team. If I have to block, I'll go block. The touchdown catch was big. It helped change momentum."

DEFENSIVE TACKLE JEREMIAH CAINE

(on making adjustments against Eastern Illinois)

"We just had to get good field position and calm down and play our game. We were a little nervous because we haven't played in a couple weeks. We just had to get rid of all the nerves and play ball. Coach was calling the right calls, we just had to execute. So that is what we did in the second half. We just came out and executed."

(on staying positive throughout the game)

"I can tell you, at some points of the game, I got a little down. But the fact that we kept pushing shows me just how good of a team we can actually be. We have a lot to work on, but I am just glad we had a chance to come back and get this victory"

(on coming back after surrendering a couple big plays for touchdowns)

"Big plays are going to happen. You just need to know how to overcome adversity. We just came together as a team and made something special."

RUNNING BACK TE'KENDRICK ROBERSON

(on being used as a rusher and a receiver)

"Coming into the game, coach said the like to drop their linebackers back so be prepared to catch some balls in the flats. So I prepared myself all week to be ready to catch some balls."

(on turnovers)

"We had not played for two whole weeks, we missed two whole games. We were kind of rusty and we needed to get into the groove of a real game, making real tackles and getting hit. I think we were ready in the second half."

QUOTES AND NOTES

TENNESSEE STATE HEAD COACH ROD REED

(on the fight shown from his team)

"I'm really proud of that team over there in that locker room right there. Once again they showed resilience, they showed toughness, and they showed a never quit attitude. We came out in the second half, and they scored and we were able to bounce back and come back and do some things. I was really proud of our football team. We did what we needed to do. We said we wanted to keep the game close coming into the fourth quarter and give ourselves the opportunity to win, and that's exactly what we did."

(on the toughness his squad displayed)

"Our kids won't quit. You see it in practice every day... We scratch and fight, and these kids have really, really earned the right to be a really good football team. I think that this is another stepping stone in this program. For us we just have to continue to build on it and carry this back over into conference play."

(on missed opportunities)

"To be able to move the ball up and down the field the way we did, and if you go back and really think about it we missed a field goal and an extra point. There's four points right there. It could've been a lot different story."

RUNNING BACK DEMARCO CORBIN

(on scoring in three-consecutive games)

"It's been a good feeling. For the past few years in college football, this has been my job. When we get near the goal line, it's time to go. I think I've shown (the coaching staff) that they can trust me, and hopefully I can continue to show them that."

(on playing a close game with an SEC opponent)

"To me, that shows me this is a special teams. It shows we can do some big things if we all believe."

OFFENSIVE LINEMAN CHIDI OKEKE

(on the offense moving the ball)

"We do what we have to do all week. We watched Vanderbilt's defense, and we believed we could match up with them and actually beat them. We kept what we were doing in practice and did it in the game."

(on if the game gives him confidence)

"It gives me confidence moving forward because if we can play this way against OVC teams, it will be tough for them to match up with us."

DEFENSIVE BACK LAQUARIUS COOK

(on the defense getting take aways)

"It's pretty cool that we could do that against an SEC opponent, but we still came out trying to be the best we can be and give them nothing."

(on building confidence from the game)

"It's alright to play a close game, but we came here to win. We didn't come here to play a close game."

NOTES

TSU's captains were Demry Croft, Micheal Hughes, Thomas Burton and LaQuarius Cook... TSU won the coin toss and elected to receive the opening kickoff... Saturday's game aired live on SEC Network Alternate... Tennessee State is 0-3 in the all-time series versus Vanderbilt... Treon Harris made his first start of the season at wide receiver. Neiman Armstrong (CB) and Jeremiah Caine (DL) also made their first starts of the season for the Tigers... Tennessee State received votes in the most-recent STATS FCS Top 25 poll... QUOTES AND NOTES

RUNNING BACK SHAWN MCCOLLEY

(on the offense)

"I thought we did well. We just started messing up on dropping the ball and fumbling. I just feel like we have to work on that more moving forward. Other than that, I thought the offense did great."

(on his big runs)

"Just anything I could get. There were open holes, and I ran through them. If I can shed someone off, I'm doing that. Just anything I can do to help the team win."

LINEBACKER TERRY STRAUGHTER

(on the defense)

"We flew around. We played well, but there were some minor mistakes that put us in the situation we were in. We have a lot to clean up and it all starts Monday."

(on starting in place of the injured Christion Abercrombie)

"With the incident, everything came fast for me. I had to get in the playbook a little more. I always tried to stay ready, so I had to step up."

(on moving forward)

"I feel like from the mistakes, we're going to learn. Me being a first-time starter, I feel like I'll be more comfortable next week."

TIGHT END AARON CAUTHEN

(on scoring his first career touchdown)

"It feels great. I've been waiting on this since I got here. And I actually told a couple of guys, last week, I was in the end zone when Knox caught that ball and I told them, 'Next game, I'm scoring.' And I did."

(breaking down his touchdown catch)

"Just get in the end zone. The play was actually a run play, passing wasn't even in the picture, but I saw Demry (Croft) scrambling, so I got to the end zone like I'm coached to do, got to the front pylon, he threw it to me, and I made a play."

(on the team's energy)

"It was rough. Coming in knowing we should have won the game [versus Vanderbilt], I think we played down to the level of our competition, and that's one thing that we need to work on. We need to go and play every team like they're Vanderbilt. We had a great game last week. That didn't carry over to this week, unfortunately. We have a lot of work to do."

SAFETY LAQUARIUS COOK

(on the defense)

"We could have played a lot better from the running to the passing defense. We could have done a lot better than we did."

(on putting it behind them)

"You have to use this as a learning curve. Learn from our mistakes and then go out and play hard in the next one. Don't make the same mistakes again."

QUOTES AND NOTES

OFFENSIVE LINEMAN LACHAIVIOUS SIMMONS

(on the play of the offensive line)

"I think as an offensive line, we did a good job of protecting the quarterback and driving the ball down the field. I think we just have to be more disciplined and go back on the practice field and correct our mistakes. We have to look at the film, evaluate it and just be better next week."

(on bouncing back next week)

"It's tough to take a loss, but we still have to bounce back, correct our mistakes and move on. We can't just stick in the past. We have to move on and play our best football in our last four games and win out."

DEFENSIVE BACK JOHN ROBINSON IV

(on the defense)

"I think we started out really well and got a stop early. I felt like coming into this game, we had to keep this team off schedule because of the pace and the way they play. Overall we started off hot, but as the game went on, we gave up some plays that we wish we could have back. They didn't do anything we hadn't prepared for and hadn't seen. I just think as a defense, we have to be mentally tougher. We have to trust each other. We don't want to take anything away from Murray State, they're a good team, but they didn't do anything that we hadn't seen already. We just have to get ready for Tennessee Tech now and put this one behind us."

QUOTES AND NOTES

WIDE RECEIVER DEVON JOHNSON

(on getting multiple receivers involved)

"To be honest, I feel like the more we space the ball around, the harder it is for teams to try to figure us out. I think that's what we did today and it helped us out."

(on getting the receivers to full strength)

"I feel like when Steve (Newbold) comes back and all of us get our injuries and everything figured out, I think we can literally set records to be honest."

LINEBACKER RONNIE KILLINGS

(on the defense)

"It felt good. Everyone on the defense knows how well we can play, and we expect to have shutouts every week. We haven't really been living up to our potential, so for this game to pitch a zero on the scoreboard for most of the game, it felt good. We needed that. We've got our swagger back to where we should be."

(on playing linebacker)

"I like it. I've always felt like I'm pretty athletic and I can play different positions. I feel like Coach (Garry Fisher) sees that, so he kind of transitioned me for DB to linebacker. It just shows that I can move around. I just want to be out there and help the defense any way I can."

RUNNING BACK EARL HARRISON

(on bouncing back with a win)

"We came back in Sunday after the loss (to Murray State) and said, 'we need to get back on track and we need to win out so we can try to get into the playoffs.' We're just taking it day-by-day – studying film hard, practicing hard, and things just came together today."

(on facing a winless Tennessee Tech team)

"You can never underestimate any opponent. We came on the wrong end of it other times, but today we started strong and finished strong."

NOTES

Captains for TSU were Micheal Hughes and LaQuarius Cook. Tennessee Tech won the coin toss and elected to receive the opening kickoff... Ray Coggins made his first career start for TSU at safety.... The 27 points TSU scored in the first half were the second-most for the Tigers in a half this season... TSU was playing its first home game at Nissan Stadium since the season opener on Sept. 1 versus Bethune-Cookman... TSU improves to 19-13 in the all-time series versus Tennessee Tech... QUOTES AND NOTES

SAFETY SHAKUR JACKSON

(On the play of the defense)

"I think we could have done better as a unit, being locked in our jobs and responsibilities. We let this one get away from us. I thought we had a good game plan coming in and we made some good adjustments. We just didn't get it done."

(On adjustments in the game)

"We stopped them and forced some negative plays on them. But then they started hitting plays that kept moving the chains. That's something we need to keep working on – just getting off the field and getting more three-and-outs."

WIDE RECEIVER STEVEN NEWBOLD

(On the play of the offense)

"Our offense was good. We were on and off at some points of the game, but we still did a pretty good job today."

(On eliminating turnovers)

"It's like coach said, it's the little things that held us back. False starts and holding on first down are those little things. But when we can pick up the little things, it will help us out."

(On playing back-to-back games against ranked opponents)

"This game, we learned a lot. We can play with a ranked team. Just because they are ranked does not mean they can just go out there and beat us, but this was a good game for us to show us where we are at and help us get ready for next week."

LINEBACKER TERRY STRAUGHTER

(On the challenges in the game)

"We played physical, but when their offense hit a couple big plays it brought the momentum down. We had a lack of focus on the field and it hurt us early in the game."

(On facing a ranked opponent)

"We came in not looking at them as a ranked team, just a regular team. But little mistakes and not staying focused did not allow us to play at the level of our opponent."

RUNNING BACK TE'KENDRICK ROBERSON

(On his rushing performance)

"Coach told us all week to hit the back gap and we stayed on that gap the whole game. We hit hard and heading downhill."

(On Earl Harrison joining him with 100-yard performances)

"It felt great getting a couple guys to run for 100-plus yards, but the job is to win the game. And we did not win the game. So we need to get back to work on Monday and try to fix what we can fix."

NOTES: TSU's captains were Micheal Hughes, Thomas Burton, Chris Rowland and LaQuarius Cook... SEMO won the coin toss and elected to receive the opening kickoff... TSU is 14-11 in the all-time series versus Southeast Missouri... Southeast Missouri is ranked 24th in the AFCA Coaches Top 25 and 25th in the STATS Top 25... SEMO is the first ranked opponent TSU has faced this season... The last time TSU had a rusher go for 100-plus yards was Nov. 19, 2016 when Earl Harrison ran for 168 at Southeast Missouri... The last time TSU had two rushers finish with 100-plus yards in the same game was Oct. 2, 2010 versus North Carolina A&T. Dante' Thomas rushed for 186 yards and Preston Brown finished with 145 rushing yards.

QUOTES AND NOTES

DEFENSIVE TACKLE JEREMIAH CAINE

(On defensive play)

"I feel there was a lack of focus early on. We came in at half-time and just said everyone had to take care of their own responsibilities. We went back out in the second half and ended up coming together. They did not score on us in the second half."

(On personal performance)

"It felt good getting those two sacks. I have been working hard all week, because we are playing against a top-10 team."

RUNNING BACK SHAWN MCCOLLEY

(On 70 yard touchdown run)

"Really, it was the line, the tight end and (Andrew) Knox blocking really well. The hole opened up and I just hit it and just started running. It felt great. I really didn't think I was going to score this season. But it happened and I was really excited."

(On entering after injury to Earl Harrison)

"I've just been waiting on my moment, playing my part on the team and doing my job. I just try to come through when they need me. I'm just being patient, that's all it is to it."

DEFENSIVE END DANTE' FERGUSON

(On defensive performance)

"I feel the main problem in the first half was missing tackles. I felt we were executing the plays, but it just came down to missing tackles. In the second half, we made those tackles and continued to execute well on our plays."

(On importance of the final week)

"The most important thing is that we need to send our seniors out on a win. It is more for our pride. We know we cannot get a championship or a winning season, but we need to send our seniors out on the right note and build on the future heading into next season."

RUNNING BACK TE'KENDRICK ROBERSON

(On running game)

"We stuck to everything we were doing all week. Coach kept saying to hit the holes hard and we were able to turn them into some bug runs."

(On big runs over past two games)

"When I got the ball I looked outside and saw a clear lane, so I just hit it. For the last couple weeks I have been sticking to the process. It (first touchdown as a Tiger) felt great, it's been a long time, but it felt great to get one."

NOTES: TSUs captains were LaQuarius Cook, Micheal Hughes and Chris Rowland... Former TSU head coach L.C. Cole, Tiger great and Pro Football Hall of Famer Claude Humphries, as well as President Glenda Glover were special guests during the coin toss... Tennessee State won the toss and deferred to the second half... TSU is 2-11 in the all-time series versus Jacksonville State... JSU is ranked 8th in the STATS Top 25 and 9th in the AFCA Coaches Top 25... The Tigers have a ranked opponent for the second consecutive week.

QUOTES AND NOTES

SENIOR SAFETY LAQUARIUS COOK

(on winning his last game as a Tiger)

"It's fun that I can leave out on a good note in the hole with so much tradition. It feels pretty good to get a W out of that."

(on senior night crowd)

"The crowd was good. I looked up there, we had a lot of alumni, a lot of students showing support throughout the whole game – even after halftime. We appreciate that."

(on the defense)

"We came out the first half and played pretty good. Second half, we gave up some stuff that we shouldn't have, but we got the W and stopped them in overtime. So, I'm good with that."

DELL PORTER

(on winning his last game as a Tiger)

"It felt good. We've been in the L column for a while, it felt good to get back in the W column and go out with a bang."

(defensive highlights)

"The defense just kept flying around. We had a pick, almost for a touchdown. Everyone read their keys, making plays and executing."

(on the bond between teammates and leaving them)

"It's kind of sad. I'm going to miss my brothers, and the bond that I have with them. It can't be broken."

JUSTIN BROOKS

(on winning his last game as a Tiger)

"It feels good to put everything together with the whole team playing as one. Everyone was no one page, today. I really thought we were going to lose, but we came together at the end to get a W."

(highlights)

"It was a shootout back and forth, momentum swings. But that's football. I'm just grateful that in the end, the momentum was on our side."

(on the bond between teammates and leaving them after five years)

"I've been with these guys for five years. They're close. Blood couldn't make us closer. I appreciate every one of the guys who came and worked with me – no matter how hard it was or how much they wanted to give up. I'm forever grateful."

NOTES: Chris Rowland, DeVon Johnson, LaQuarius Cook and Thomas Burton were captains for TSU... UT Martin won the coin toss and elected to defer the opening kickoff... Redshirt junior Cameron Rosendahl made his first career start at quarterback and threw the first three touchdowns of his TSU career... Freshman Caleb Mosley booted a 50-yard punt. It is the longest of his career.

TIGERS IN THE SUPER BOWL

Tennessee State has been well represented on the rosters of 23 teams in 20 Super Bowls. Out of the 20 players who made Super Bowl appearances, nine have won a championship with their respective teams.

Former Tigers Willie Mitchell and Fletcher Smith were on the Kansas City Chiefs in the first ever Super Bowl in 1967. Bennie Anderson was the last former Tiger to win a Super Bowl ring, playing offensive guard on the world champion, Baltimore Ravens, in 2001.

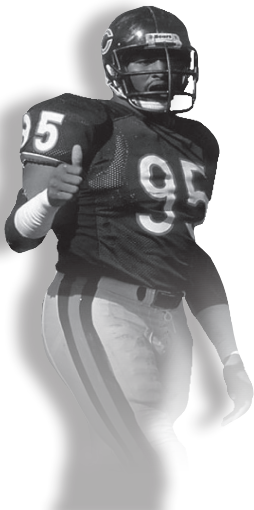

Anthony Pleasant (New England Patriots), Joe Gilliam, Jr. (Pittsburgh Steelers), Ed "Too Tall" Jones (Dallas Cowboys), Mike Hegman (Dallas Cowboys) and Randy Fuller played in more than one Super Bowl. Fuller is the only Tiger to make appearances with two different teams playing with the Pittsburg Steelers and Atlanta Falcons while Hegman and Jones were teammates in Super Bowl XII and XIII. Thus far, Jones has tallied the most apperances with three. In Super Bowl XV, Claude Humphrey and Rodney Parker became another TSU pair to play for the NFL Championship with the Philadelphia Eagles.

TSU great Richard Dent is the only alum to be named game MVP , helping to lead the Chicago Bears over New England to conclude the 1985 season in Super Bowl XX. in his rookie season, Dominique Rodgers-Cromartie helped the Arizona Cardinals to their first NFL Championship in 2009 appearing in Super Bowl XLIII.

This past season, Robert Myers suited up for the Broncos in Super Bowl 50. TSU has had four former players compete in five of the last six Super Bowls.

In his rookie season, **Dominique Rodgers-Cromartie** became the 17th TSU football alum to play for a NFL Championship, helping the Arizona Cardinals to Super Bowl XLIII in 2009.

Richard Dent played for the 1986 NFL Champions, Chicago Bears, and was named Super Bowl XX MVP.

The Tennessee State Tigers play two home games in one of the nation's finest sports venues in Nissan Stadium, sharing the facility for home games with the National Football League's Tennessee Titans.

The state-of-the-art facility has served as home of the Tigers and the Titans since the 1999 season. Nissan Stadium is located on the east bank of the Cumberland River in downtown Nashville.

Nissan Stadium, which seats approximately 69,143 fans, boasts incredible amenities, ranging from spacious and tastefully appointed locker rooms to massive scoreboards. The natural grass field was rated as the fourth best

playing surface in the NFL in a poll conducted among league players in 2001.

Nissan Stadium has 144 luxury suites and 9,600 club seats with access to the stadium club and club lounges. There are also approximately 7,500 parking spaces on the site.

Nissan Stadium grounds are also designed to help create a park-like setting along the Cumberland River, not just a showplace for bland concrete and asphalt. More than 205 trees have been planted on the 105-acre campus.

Tiger fans gather early and stay late to enjoy tailgating on Nissan Stadium grounds. In

addition to games featuring the Tigers and Titans, Nissan Stadium also hosts college football's annual Music City Bowl in late December. Nissan Stadium hosts concerts and other special events during the course of a year.

In 2016, the Tigers will play their 18th season at Nissan Stadium. Since beginning play in the state-of-the-art NFL facility in 1999, the Tigers have posted a 39-29 record in games played at Nissan Stadium.

- Nissan Stadium was built with the Tigers very own locker room
- Former names include Adelphia Coliseum (1999–2002), The Coliseum (2002–2006) and LP Field (2006–2015)
- TSU posts a 40-30 record at Nissan Stadium moving into their 18th season at the stadium
- 144 luxury suites and 9,600 club seats
- 60 concession stands throughout stadium
- Two scoreboards with video screens located on north and south ends of stadium
- Four suite elevators
- 7,500 parking spaces available with more than 20,000 existing parking spaces nearby
- New high-definition video screens and LED ribbon boards
- A distributed sound system for Nissan Stadium will employ 600 speakers strategically placed in proximity to each seating area throughout the stadium
- Fan-friendly dining and entertainment zones out on the east and west sides of Nissan Stadium gatherings
- Tifsport Bermuda sod, which grew for a year before being laid down. Each roll of sod weighed 2,000 pounds and was cut into 108-foot long, 42-inch wide strips that were 1.5 inches thick

TSU opened play at Nissan Stadium, then called Adelphia Coliseum, with a 41-8 win over Alabama State in the first ever John Merritt Classic.

WILLIAM JASPER HALE

Hale Stadium is a 15,000-seat outdoor stadium located on the campus of Tennessee State University. Built in 1953 and affectionately nicknamed "The Hole", the stadium hosted TSU Tigers football games until 1999, home games were then moved to LP Field, home of the Tennessee Titans.

The facility was named for William J. Hale, who served as TSU's first president. It remains in use as the site of TSU's annual spring football game, as well as hosting Homecoming festivities.

The stadium hosted a second-round NCAA Division I-AA playoff game in 1982, with the Tigers defeating Eastern Illinois University 20-19 in front of a crowd of 8,000. During their years at Hale, TSU Football went undefeated ten times, won ten championships in the now-defunct Midwestern Conference and claimed the Ohio Valley Conference championship in 1998, its final season in the stadium.

In the last game at Hale Stadium, Tennessee State won 28-14 over Texas Southern University on November 21, 1998.

In 2012, the Tigers returned to 'The Hole'. TSU hosted three games starting with Austin Peay on Sept. 15, 2012. The Tigers will continue to play some home contests in Hale Stadium moving forward.

The John Merritt Classic, first played in 1999, honors John A. Merritt, the legendary TSU football coach who led the Tigers from 1963-1983. During 21 seasons, "Big John" won four undisputed national championships among historically black colleges ranked by the Sheridan Poll, while compiling a lifetime record of 172-33-1.

The JMC, one of only two football Classics solely hosted by a single NCAA FCS institution, is intended to allow Tennessee State to raise funds for scholarships and other related needs for TSU students.

THE SGT. YORK TROPHY

In July 2007, the Nashville Sports Council and the Ohio Valley Conference announced the creation of the Sergeant York Trophy which goes to the winner of the quadrangular season football series between the four Ohio Valley Conference schools located in the state of Tennessee – Austin Peay State University, University of Tennessee at Martin, Tennessee State University and Tennessee Technological University.

The award is only the second traveling trophy that involves more than two teams in college sports; the other is the Commander in Chief's Trophy which has been contested between Air Force, Army and Navy annually since 1972.

In a close race, Tennessee State and Austin Peay shared the inaugural award, finishing with identical 2-1 records in 2007. Tennessee State took the trophy home thanks to a one-point victory in overtime over the Governors; that game was decided by a block extra point by NFL First Round Draft Pick Dominique Rodgers-Cromartie. The Tigers repeated as champions in 2008, winning all three of its Sgt. York games.

The award is named in honor of Alvin C. York, the most noted Soldier of World War I. As a corporal in the 2nd battalion, 328th Infantry, in the Battle of the Meuse River-Argonne (Oct. 8, 1918), York and seven other soldiers captured 132 prisoners, was promoted to sergeant and received the Distinguished Service Cross, the French Croix de Guerre, the French Legion of Honor, the Croce di Guerra of Italy and the War Medal of Montenegro. Upon his return to the United States in 1919, he was bestowed the Congressional Medal of Honor.

Following the war, York returned his home in Pall Mall, Tenn. (located in north central Tennessee, 55 miles northeast of Cookeville) where he dedicated his life to improving education and facilitating educational opportunities for children in the state of Tennessee. In 1927, he established the Alvin C. York Institute after spending several years raising money for the school which opened as a private institution. That school was established, in part, to provide educational opportunities denied to the boys and girls of Fentress County. In 1937, the Institute became a state special school after an appeal to the Tennessee State Legislature. The school, located in Jamestown, Tenn., is still in operation today.

York died on Sept. 2, 1964 and the foundation which he helped establish in 1920 – The Sergeant York Patriotic Foundation – was dormant for many years. The Foundation was re-established by Lipscomb Davis, Jr. in 1992 and is currently run by Sgt. York's grandson Gerald (U.S. Army Colonel, Retired). York's papers are archived by Michael E. Birdwell, Ph.D., who is an associate professor of history at Tennessee Technological University, one of the four institutions that will compete for the yearly honor.

After the completion of the football season, the Sergeant York Trophy is awarded to the institution with the best head-to-head record in the match-ups with their fellow Tennessee schools. In the event of a tie, the award is shared; however, the previous winner will retain the trophy if they are part of the tie. If the tie is between two other institutions, the trophy will go to the institution that has gone the most seasons without winning the trophy.

The award is presented to the winning institution annually at the Pepsi Celebration of Champions which is hosted each spring by the Nashville Sports Council. The event was created in 1999 and salutes amateur and professional sports in Tennessee.
