■ A media agency may assign one of its credentials to its online entity.

■ An online entity, not associated with a traditional media agency, may qualify for one credential, subject to the following conditions:

1. An on-line entity may receive a credential only if its own full-time staff writes a majority of that site's material.
2. Online entities that focus primarily on University of Houston Athletics and sponsor message boards or chat rooms, may receive credentials provided they adhere to a policy that requires that a posted message or opinion is identified with the actual name and city of the individual posting the message.
3. Any online service that is recognized as an outlet intended primarily for the purpose of delivering news related to the recruitment of student-athletes will not qualify for credentials.
4. Online entities will not receive photography credentials.
5. Online entities (other than those identified above) registering 20,000 legitimate unique users per month in each of the past 12 months will be given first consideration.

THE FINEST PRACTICE FACILITY IN THE NATION

In late September 2014, both the University of Houston Men's and Women's Basketball programs celebrated their bright futures when renderings for the Basketball Development Center were unveiled.

Designed by DLR Group and Page, the Development Center is located adjacent to Hofheinz Pavilion at the corner of Cullen Boulevard and Holman Street on the UH campus. Construction on the \$25 million facility began in September 2014 and is expected to be completed by fall 2015. Austin Commercial will be the construction manager.

The 53,000 square-foot facility will provide the environment that the Houston Men's and Women's Basketball student-athletes need to excel throughout the season in all areas. The first level will house a dedicated practice court for each team as well as sports performance and sports medicine areas, which will be used by both programs. The second level will feature the teams' areas, which include locker rooms and academic/film theaters. The team rooms contain spacious, modern lockers, multiple video screens for television and comfortable furniture. The third level will hold office space for both Men's and Women's Basketball coaching and support staffs.

"I am really excited about the Development Facility, but I am more excited about the commitment and the confidence that Dr. Renu Khator, our athletics administration and the entire student body have shown with us," said Head Coach Ron Hughey. "This opens endless possibilities with the recruits that we can bring in. This is the mecca of #ChasingGreatness."

LAST TIME OUT ■ JANUARY 28, 2017 ■ UConn 91, Houston 42

The Houston Cougar Women's Basketball team fell 91-42 on the road at No. 1/1 UConn on Saturday. Freshman guard Jasmyne Harris led the Cougars with 14 points in the contest.

Houston jumped out to an early 6-4 lead due to four points from junior guard Chyanne Butler, however early foul trouble allowed UConn to go on a run. With two Houston starters on the bench, the Huskies reeled off 13 straight points to take a 17-6 lead into the second quarter.

The Cougars found a spark from freshman guard Jasmyne Harris in the second quarter. The Freeport, Texas, native scored eight of her 14 points in the frame, including five straight on a 3-pointer followed by a steal and a layup the other way. However, UConn was able to extend their lead with 28 points in the paint throughout the first 20 minutes, taking a 43-18 advantage into the half.

UConn's defense would prove to be too much for the Cougars in the second half, holding Houston to just 10 points in the third quarter and 14 in the fourth. Senior Jacqueline Blake was a bright spot for the Cougars in the second half scoring all 13 of her points in the final 20 minutes, including 12 in the fourth quarter.

#4 ■ Jasmyne Harris

FRESHMAN SENSATIONS

Houston Head Coach Ronald Hughey brought in five freshman with his second recruiting class during the 2016 season, and the freshman have not let down since arriving on campus. After getting much needed time on the court during the summer's Costa Rica trip, the Cougar freshman have gelled with their teammates nicely and are some of the top contributors on the squad.

Guard Angela Harris led the Cougars in scoring through the first eight games, while Jasmyne Harris (no relation) ranks second on the glass with 5.8 boards per contest. The duo earned three straight American Athletic Conference Freshman of the Week awards, with Angela taking the honor on Nov. 28 and Jasmyne Following in back-to-back weeks on Dec. 5 and Dec. 12.

Jasmyne Harris has 13.6 points per game over the last 14 contests and sits at 11.0 per game over the course of the season. Harris leads all freshmen in the American Athletic Conference in scoring.

HUGHEY'S TOP MARK

With seven wins throughout the non-conference season, Head Coach Ronald Hughey has set a new high for wins during his tenure at Houston. The previous best was six during his first two seasons at the helm.

ANOTHER TOP SIGNING CLASS

Despite signing just one freshman for the 2017-18 season, Hughey made an impact on the recruiting trail with his second ESPN Hoopgurlz Top-100 signee in as many years.

On Nov. 9, the Cougars signed Julia Blackshell-Fair, a 5-10 guard out of Vanden High School in Fairfield, Calif. Blackshell-Fair was the 26th rated guard for the Class of 2017 and the 4-star prospect entered her senior season ranked No. 92 in the nation in the class.

Blackshell-Fair plays for coach Allison Johnson at Vanden High School where she was the 2015-16 Solano County Athletic Conference Player of the Year as well as a member of the Max Preps Division II Second Team. The newest Cougar has averaged 14.3 points and 4.6 assists per game during her high school career.

CLOSE OUT DEFENSE
