WILLIE SLATER

Head Coach • 120-41 Overall, 84-15 SIAC (16th Season)

Willie Slater is in his fourth year as the Director of Athletics at Tuskegee University and holds 42 years of experience in athletics and coaching, while remaining the school's head football coach.

During the 2018-19 season, Slater hired head women's basketball coach Trelanne Powell, who won the 2019 SIAC West Division Championship in her first season and made an NCAA Tournament Appearance last season. Slater witnessed women's tennis compete for the 2019 conference tournament championship.

Willie Slater is in his 16th season as the head coach of Tuskegee University.

Going into the 2021 season, Slater has 42 years of coaching experience which include 36 years at the collegiate level. Over half of those years – 18 – were spent as an offensive coordinator at multiple levels

During his time at Tuskegee, Slater has recorded a record of 120-39, which ranks him second all-time in wins at the university. In 2019, he passed Rick Comegy placing him behind Cleve Abbott (203 victories). He is currently second in winning percentage for a career at the school, with a percentage of .755. During his tenure, Slater has coached more than 60 SIAC All-Conference selections, and numerous All-Americans.

Slater and the Golden Tigers have claimed seven conference championships since 2006, including a string of four consecutive from 2006 until 2009. He also helped lead the Golden Tigers to their eighth HBCU national championship in 2007 with a 12-0 record. Tuskegee recorded nine wins in eight of Slater's first 10 seasons at the helm, and recorded a winning season in nine of those 10 seasons under his direction.

Slater was named The Pigskin Club of Washington, DC and the Sheridan Broadcasting Network National Coach of the Year in 2007, a year in which he led Tuskegee to a perfect 12-0 record and the HBCU title. Additionally, Slater has been tabbed as the SIAC Coach of the Year five times (2007, 2008, 2009, 2012 and 2014).

In 2014, the Golden Tigers made a historical run that reached the quarterfinals of the NCAA Division II playoffs (the Super 2 Region championship game) against West Georgia. The team finished with a 10-3 record overall, finishing second in the SIAC West Division. Since that time, TU has made four straight playoff appearances.

In 2015, Tuskegee Slater had one of the best defenses in the country as they ranked at the top or near the top in every statistical category. The team also led the SIAC in scoring offense and scoring defense, and led the nation in defensive touchdowns.

A five-time NCAA Division II National Assistant Coach of the Year, Slater has five NCAA Division II national championships on his resume. He joined the Tuskegee staff as the head coach after serving as the offensive coordinator at Temple University (FBS member) in 2005 under Bobby Wallace.

His first stop as a full-time collegiate coach came Troy University (1983-90), where he served as the running backs under Chan Gailey (1983-84). In total, he spent eight seasons with the Trojans, also working as the quarterbacks and running backs coach under Rick Rhoades (1985-87) and as the offensive coordinator for Robert Maddox (1988-90). The Trojans went to the NCAA Division II playoffs three times with Slater on staff, winning the NCAA Division II national championship in 1984 and 1987. He was named the NCAA Division II National Assistant Coach of the Year in both of the title campaigns for Troy.

Following his stint at Troy, Slater moved on to a stint at his alma mater – the University of West Alabama (1991-92).

After his stay at West Alabama, Slater moved to the perennial NCAA Division II power – the University of North Alabama (1992-99), which included six seasons as the offensive coordinator under Wallace.

BENJAMIN "BIG BEN" STEVENSON

2003 COLLEGE FOOTBALL HALL OF FAME INDUCTEE

Big Ben Stevenson was discovered one day while working on a Kansas farm.

Tuskegee coach Cleve Abbott persuaded Stevenson to join him at Tuskegee

that fall. His first years at Tuskegee were spent as a prep schooler. This allowed

Stevenson to play eight seasons for the Golden Tigers. A span where he suffered

only two defeats. Ben combined speed (9.8 100-yard dash), strength and durability. He had the ability to

out-run, over-power or elude tacklers. In his first season he scored on a combination of long runs and drop

kicks. He also played defensive back, earning a reputation as one of the top pass thieves in the conference.

The Tigers went 9-0 and claimed the first of six national championships. The following year they again were

undefeated. In 1926, title aspirations came down to a game against Lincoln, where Stevenson came back

from an injury to score all of his teams points in a 20-16 victory. Over his eight-year career, he scored 42

touchdowns on runs of 50 yards or more, and was named to seven consecutive Black College All-America

teams. He was named to numerous HBCU all-time All-America teams and was voted as the game's greatest

all-around player. While at Tuskegee he studied under George Washington Carver earning a Bachelors and

later a Masters degree, before beginning a coaching career on the collegiate and high school levels.

CLEVELAND ABBOTT

2012 BLACK COLLEGE FOOTBALL HALL OF FAME INDUCTEE

Abbott was the eighth head football coach for the Tuskegee University Golden

Tigers located in Tuskegee, Alabama and he held that position for 32 seasons, from

1923 until 1954. His football coaching record at Tuskegee, where he was also a Hall of Fame track coach,

was 203 wins, 96 losses and 28 ties. This ranks him first at the school in total wins and fourth in winning

percentage (.664). His career included six undefeated seasons and six black college football national

championships. The football stadium at Tuskegee bears Abbott's name.

About Tuskegee University

Tuskegee University is an independent and state-related institution of higher education. Its programs serve a student body that is coeducational as well as racially, ethnically and religiously diverse. With a strong orientation toward disciplines which highlight the relationship between education and work force preparation in the sciences, professions and technical areas, Tuskegee University also emphasizes the importance of the liberal arts as a foundation for successful careers in all areas. Accordingly, all academic majors stress the mastery of a required core of liberal arts courses.

Tuskegee University is located in Tuskegee, Alabama, which is 40 miles east of the Alabama State Capitol in Montgomery, Alabama, and 20 miles west of the city of Auburn, Alabama. It is also within easy driving distance to the cities of Birmingham, Alabama and Atlanta, Georgia.

The academic programs are organized into five colleges and three schools: (1) the College of Agriculture, Environment and Nutrition Sciences; (2) the College of Arts and Sciences; (3) the Andrew F. Brimmer College of Business and Information Science; (4) the College of Engineering; (5) the College of Veterinary Medicine; (6) the Robert R. Taylor School of Architecture and Construction Science; (7) the School of Education; and (8) the School of Nursing and Allied Health. The curricula for these colleges and schools currently offer over 50 degrees including 39 Bachelor's, 13 Master's, 2 Doctor's of Philosophy: one in Materials Science and Engineering, and one in Integrative BioSciences, and the Doctor of Veterinary Medicine.

Graduate instruction leading to the Master's degree and Doctor of Philosophy Degree is offered in some of the colleges and schools.

The University is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC); and the following programs are accredited by national agencies: Architecture, Business, Education, Engineering, Clinical Laboratory Sciences, Nursing, Occupational Therapy, Social Work, and Veterinary Medicine. Of special note is the fact that Tuskegee University is the only independent, historically black university with four engineering programs that are nationally accredited by the Accreditation Board of Engineering and Technology (ABET), the major accrediting body for the engineering sciences. Also, Tuskegee University's Chemistry program is one of only a

About Tuskegee University

few among Historically Black Colleges and Universities (HBCU's) that is approved by the American Chemical Society. Furthermore, the Dietetics Program is approved by the American Dietetic Association and the Food Science Program is approved by the Institute of Food Technologists.

Tuskegee University was the first black college to be designated as a Registered National Historic Landmark (April 2, 1966), and the only black college to be designated a National Historic Site (October 26, 1974), a district administered by the National Park Service of the U. S. Department of Interior.

Special features in Tuskegee University's program include: The General Daniel "Chappie" James Center for Aerospace Science and Health Education, honoring America's first black four-star general who was a Tuskegee University graduate, and housing the nation's only Aerospace Science Engineering program at an HBCU; Media Center, School of Veterinary Medicine, with state-of-the-art video up-link and down-link, intra-school communications, audio/visual, graphics, photography and document production; The Kellogg Hotel and Conference Center, a state-of-the-art hotel and meeting facility for educational, business and cultural events; The Tuskegee University National Center for Bioethics in Research and Health Care, a distinctive research, teaching and outreach program that addresses issues of ethics and public policy in the treatment of people of color and rural Americans in health care.

Other special features which enhance the educational and cultural environment of the University include: The Booker T. Washington Monument, "Lifting the Veil," which honors the University's Founder; "The Oaks," home of Booker T. Washington; the George Washington Carver Museum, which is named for the distinguished scientist who worked at Tuskegee and preserves the tools and handiwork of Dr. Carver; the Legacy Museum and the Tuskegee Archives, a chief center for information on the challenges, culture and history of Black Americans since 1896; The Tuskegee Airmen's Plaza, commemorating the historic feats of America's first black pilots, who were trained at Tuskegee University; The Reserve Officers Training Corps (ROTC) Center, and the Center for Continuing Education – a nucleus for continuing adult education.

Over the past 135+ years since it was founded by Booker T. Washington in 1881, Tuskegee University has become one of our nation's most outstanding institutions of higher learning. While it focuses on

About Tuskegee University

helping to develop human resources primarily within the African American community, it is open to all.

Tuskegee's mission has always been service to people, not education for its own sake. Stressing the need to educate the whole person, that is, the hand and the heart as well as the mind, Dr. Washington's school was soon acclaimed--first by Alabama and then by the nation for the soundness and vigor of its educational programs and principles. The solid strength has continued through the subsequent administration of Dr. Robert R. Moton (1915-1935), Dr. Frederick D. Patterson (1935-1953), Dr. Luther H. Foster (1953-1981) and Dr. Benjamin F. Payton (1981-2010). In August 2010, Dr. Charlotte P. Morris assumed the role of Interim President of the University. She is the first female to serve at the helm of Tuskegee University, and only the second Interim President for the institution. Dr. Gilbert L. Rochon served as the 6th president of Tuskegee University from November 1, 2010 to October 19, 2013. Dr. Matthew Jenkins served as Acting President from October 19, 2013 to June 14, 2014. Dr. Brian L. Johnson assumed the role of 7th President of Tuskegee University from June 15, 2014 until June 30, 2017. Dr. Charlotte P. Morris again served as Interim President of the institution from July 1, 2017 until June 30, 2018. Dr. Lily D. McNair became Tuskegee University's eighth president after being unanimously selected by its Board of Trustees. Beginning July 1, 2018, she became the first female president of the institution in its 136-year history. She served as president from July 1, 2018 until June 30, 2021. After which, Dr. Charlotte P. Morris again served as Interim President of the institution.

Tuskegee enrolls approximately 3,000 students and employs approximately 800 faculty and support personnel. Physical facilities include more than 5,000 acres of forestry and a campus on which sits more than 100 major buildings and structures. Total land, forestry and facilities are valued in excess of \$500 million.
