2012 SEASON OUTLOOK

Women's Season Preview

After a fourth-place finish at the 2011 Southland Conference Outdoor Championships, the Texas State women's track and field team returns 27 letterwinners on the 43-member roster that includes two All-SLC selections in pole vaulter Elena Horn and hurdler Katie Miller.

A Biberger, Germany native, Horn captured pole vault titles at the SLC Indoor and Outdoor Championships last year and set a new personal record of 4.05 meters (13-03.50), which ranked her in the top-50 nationally.

Miller, who hails from Bandera, Texas, finished third at the 2011 SLC Outdoors in the 400-meter hurdles and qualified for the West Preliminary Rounds. During the season, Miller clocked her best time of the year at the Texas Relays with 1:00.29. Miller also competed on the team's top mile relay team that recorded a season-best time of 3:45.57 at the Bobcat Invite in April.

"Looking on paper and based on what we had in the past, I would say the pole vault and the multi events seem to be the strongest area," said head coach Dana Boone. "I do believe we will see some other groups step up throughout the course of the year. We are probably the most inexperienced in the horizontal jumps right now. We have an extremely young group of jumpers. It will be interesting to see how they make the transition from high school to college competition."

Sprints/Hurdles

Sophomores Courtney Miller and Daniela Anane-Bediakoh return as the team's top sprinters while newcomer Alexis Hebert should add some depth to the short sprints. Miller advanced to the 100- and 200-meter finals at the SLC Outdoors and recorded a season-best 11.87 in the 100-meter prelims. During the season, Anane-Bediakoh recorded a season-best of 12.22 in the 100 meters and 24.71 in the 200. Anane-Bediakoh competed in the 100 and 200 meters at the SLC Outdoors,

Men's Season Preview

The Texas State men's track and field team will look to improve on last year's seventh-place conference outdoor finish with 20 returning letterwinners, including First Team All-American pole vaulter Logan Cunningham and All-SLC hurdler Dijan Johnson.

A junior from Smithson Valley, Texas, Cunningham had a breakout season in 2011, advancing to the NCAA Championships and tying for fourth to earn all-American status. Cunningham set a new personal record of 5.25 meters (17-02.75) at the Michael Johnson Dr. Pepper Classic in April and tied that at the NCAA Championships.

"Our returning all-American Logan Cunningham has been training extremely well. He should be joined by Landon Ferguson as being two of the top vaulters in the conference," Boone said.

A Inglewood, Calif., native, Johnson finished third in the 400-meter hurdles at the SLC Outdoors with a time of 53.24. In the preliminary round, Johnson ran 52.98 to win the prelims and advance to the finals. His season best came at the Bobcat Invite where he ran 52.19 to take first.

Sprints/Hurdles

The Bobcats return many of their top sprinters and hurdlers for the 2012 season. Junior Timothy Young had a ninth-place finish in the 100-meter dash at the SLC Outdoors last year in addition to advancing to the finals in the 110-meter hurdles to take eighth. Sophomore Reggie Reed will look to improve from his freshman campaign after recording the team's fastest time in the 200-meter dash with 21.38. Joining Johnson in the 400-meter hurdles will be senior Steve Farris, who competed last year at the SLC Outdoors.

walking away with two top-15 finishes. Joining Miller in the 400-meter hurdles will be junior Jennie Thomas and sophomore Rhevan Rhodes. Both Thomas and Rhodes competed at the SLC Outdoors with Thomas placing sixth and Rhodes 12th. In the 100-meter hurdles, sophomore Amber Elkins returns after finishing eighth at the SLC Outdoors with a time of 14.47.

"I think we should see some good things from Courtney Miller in the sprints; and Franchelle Hill is a transfer from TCU who we are looking for to step up for us in the short sprints," Boone said. "We also have Chantesean White who is the NJCAA champion in the 400h joining us this year so we expect good things from her as well."

Mid-Distance/Distance

Sophomore Michelle Jones and seniors Steffanie Armstrong and Sandra Venegas return as the team's top distance runners after all had successful seasons in cross country. Last year, Jones saw time running both the 800 and 1,500 meters with a season-best 4:43.61 in the 1,500 meters at the Bobcat Invite. In the 10,000 meters, Armstrong and Venegas both placed in the top-10 at the SLC Outdoors with eighth and ninth-place finishes, respectively.

Field Events/Multis

In the field, the Bobcats will return many talented athletes that saw much success last season. Junior Lisa Bingham had many top finishes last season in the high jump and ranked in the top-50 nationally with her season-best mark of 1.75 meters (5-08.75). Returning in the throwing events will be juniors Jalisa Hall and Kelsey Titzman. At the SLC Outdoors, Hall had an 11th-place finish in the discus while Titzman had top-10 finishes in the shot put and hammer throw. Junior Danessa Lyssy and sophomores Tina Valenzuela and Carly Szabo all had successful 2011 seasons in the heptathlon. Lyssy tied for fourth at the SLC Outdoors while Valenzuela and Szabo had eighth and 11th-place finishes, respectively.

"I think we should see some good things from James Johnson, Reggie Reed, Brandon Thomas and Tim Young in the sprints," Boone said.

Mid-Distance/Distance

Junior William Taudien earned a fifth-place finish last year in the 800-meter run at the SLC Outdoors to end a stellar sophomore year. Taudien set a season-best at the Bobcat Invite with a time of 1:50.62 to take first and move himself up in the school record books. All-SLC cross country runner Michael Morris will look to end his Bobcat career on a high note with more honors after taking sixth-place last year in the 3,000-meter steeplechase. Joining Morris in the distance category will be junior Jesus Ordaz, who had a top-10 finish in the 10,000 meters at the SLC Outdoors.

Field Events/Multis

Joining Cunningham in the pole vault will be junior Landon Ferguson, who tied for fifth last year at the SLC Outdoors and had a season-best mark of 5.05 meters (16-06.75). In the jumps, sophomore Garrett Robinson and Young both had strong seasons in their respective events a season ago as Robinson took sixth in the high jump at the SLC Outdoors while Young placed 11th in the long jump. In the throws, junior Chaz Laijas returns from last season after taking home two top-15 finishes in the hammer and discus throws at the conference meet. Senior Ben Marvin will lead the Bobcats in the multi events where he finished sixth in the decathlon last year at the SLC Outdoors with 6,184 points.

HEAD COACH DANA BOONE

DANA BOONE

HEAD COACH • 1ST SEASON
VIRGINIA '91

Former Oklahoma associate head women's coach Dana Boone has been named the newest Texas State track and field head coach. An assistant or associate head coach for the past 20 years, Boone will replace former Bobcat head coach Galina Bukharina, who retired following the conclusion of the 2011 outdoor season, her ninth as head coach of the program.

"I'm really excited for the opportunity to work at Texas State," Boone said. "I'm looking forward to leading this program and excited for what the future holds."

Boone, 42, brings a vast amount of high-level coaching experience to Texas State, which featured positions at Oklahoma, LSU, Texas, Tulane, Middle Tennessee and South Carolina.

"I've had opportunities to work at all levels and learn from some of the best coaches in the country," Boone said. "I think that preparation has shown me how to be successful in building a program of my own."

A native of Springfield, Va., Boone has spent the past six years at Oklahoma where she coached sprints, hurdles and relays and served as an assistant coach for two seasons before her promotion to associate head women's coach in 2007.

This season, Boone was named the USTFCCA Midwest Region Women's Assistant Coach of the Year after she trained five NCAA All-America First Team and six NCAA All-America Second Team student-athletes between the indoor and outdoor seasons, including NCAA 100-meter dash champion Candyce McGrone.

Boone's athletes helped the Sooners to the program's best finishes at both the NCAA Indoor and Outdoor Championships, placing sixth and fourth, respectively. They also accounted for 46.5 points at the Big 12 Championships as the Oklahoma women recorded a program-best third-place finish.

In 2007, Boone was named the USTFCCA Midwest Region Men's Sprints/Hurdles Assistant Coach of the Year, the lone woman that year to earn a coach of the year honor for work with a men's team.

Of the 22 Sooners who qualified for the NCAA Outdoor Championships that season, Boone coached 13 with 10 All-America honors spread among them. Under her guidance, the OU men's and women's 4x100- and 4x400-meter relays qualified for the NAAs in the same season for the first time in school history. Her athletes also set five program individual event or relay records during the year as the Oklahoma men won the Big 12 team title.

Under her guidance, Sooner athletes broke 12 program records during her seven-year tenure in Norman.

Prior to coaching at OU, Boone served as recruiting coordinator and assisted with the women's sprinters and hurdlers at LSU.

During the 2005 season, Boone helped guide Hazelann Regis to three of her 10 career All-America honors at the NCAA Indoor Championships. Regis finished runner-up in the 400 in a school-record time of 50.62, ran fourth in the 200 and anchored the 4x400-meter relay team to fourth place. Regis also captured two Southeastern Conference titles as she won the 200 and anchored the 4x400 to a victory.

Prior to her time at LSU, Boone was an assistant coach for five seasons at Texas where she oversaw field events and assisted with sprints and hurdles.

Field events at Texas flourished under her watch as 15 athletes earned All-Big 12 honors, six athletes qualified for the NCAA Championships and four school records were established.

On the track, Boone helped train Marshvet Hooker, who, as a freshman, qualified for the national championships in both the 100 meters and the long jump. She was also part of the Midwest Region-winning 4x100-meter relay team and the 100 champion. Hooker also made it to the semifinals of the 100 at the U.S. Olympic Trials despite being the youngest competitor in the field.

During Boone's tenure, the Longhorn women captured two indoor (2002 and 2003) and outdoor national titles (2003 and 2004).

Boone also enjoyed successful stints as an assistant at Tulane, Middle Tennessee and South Carolina, coaching sprints, hurdles and jumps at each stop.

At Tulane, Boone coached more than 15 men and women to all-conference honors, performances that led to the Green Wave's first-ever Conference USA team championship in 1998. Boone also worked with the Green Wave football team, helping develop its speed and flexibility program.

From 1994 to 1997, Boone served as an assistant at Middle Tennessee State. During that time, the Blue Raiders captured three Ohio Valley Conference titles with Boone responsible for 22 individual OVC champions, five NCAA qualifiers and one All-American.

Previous to MTSU, Boone spent one season at South Carolina where athletes under her tutelage established numerous school records and enjoyed the Gamecocks' highest finish at a conference meet since joining the SEC.

Boone has also coached numerous athletes who have competed independently on the national and international stage, including such meets as the Carifta Games, U.S. Olympic Trials, NACAC Track & Field Championships, Pan American Athletics Championships and the World Championships.

An accomplished jumper herself at Virginia, Boone won six ACC titles and earned All-America honors six times as a student-athlete. She still owns the school records for indoor long jump, outdoor long jump and outdoor triple jump. Boone graduated from Virginia in 1991 with a bachelor's degree in communication studies and earned her master's degree in physical education from Middle Tennessee State in 1995.

2011 TRACK AND FIELD RECAP

2011 Track & Field Season Recap

It was a memorable season for the Texas State track and field team as head coach Galina Bukharina retired after nine successful seasons at the helm of the Bobcat track and field program, amassing eight Southland Conference Coach of the Year honors and SLC championships.

Devoting 20 years of service to Texas State as an assistant and head coach, Bukharina has coached 73 individuals and relay teams to SLC titles. Since 2003, she has mentored 17 athletes who have earned NCAA All-American honors.

This season, the Bobcat women earned a fourth-place finish at the conference outdoor meet, tallying 82 points while the men finished in eighth with 45.5 points. The Bobcats fared better this year in sending six athletes to the West Preliminary Rounds in Eugene, Oregon – compared to last year's four – while sophomore Logan Cunningham earned All-America honors in the pole vault after tying for fourth place at the NCAA Championships with a height of 5.25 meters (17-02.75). Cunningham's point total of 3.5 was good enough for him to tie for 52nd in the team standings at the NCAA Championships.

Cunningham had a successful season, tying for second place at the SLC Outdoor Championships with a height of 5.05 meters (16-06.75) in a jump off with Stephen F. Austin's Colton Ross and UT Arlington's Jeff Rodriguez. In Oregon, Cunningham finished in 12th place with a mark of 5.15 meters (16-10.75), becoming the first Bobcat to advance to the NCAA Championships since 2009 when Kemuel Morales (shot put) and Katherine Evans (high jump) advanced.

During the outdoor season, Cunningham captured three first-place finishes leading him to set a new personal record of 5.25 meters and receive conference honorable mention athlete of the week honors for the weeks of April 20 and 27.

Senior Katherine Evans had an unforgettable season competing in the heptathlon and high jump. She surpassed the school record in the heptathlon three times during the 2011 season. Evans first broke the record on March 17 when she surpassed Valerie Hancock's 2009 mark of 4,839 with a total of 4,848 in the event. On April 7, Evans got the best of her previous record with a new total of 4,969 at the Texas Relays to place 14th. During that time, Evans was named the SLC Women's Athlete of the Week on March 23 and April 13 following her performances in the heptathlon. On Evans' final heptathlon outing of the outdoor season, she broke the 5,000-point barrier with a new record of 5,007 points at the SLC Outdoor Championships to take the title.

In the high jump, Evans added a second-place finish to her accolades at the SLC Outdoor Championships with a mark of 1.71 meters (5-07.25). Evans and sophomore Lisa Bingham both represented the Bobcats in the event at the West Preliminary Rounds after Evans posted a season-best height of 1.77 meters (5-09.75) and Bingham leaped 1.75 meters (5-08.75) to qualify for the meet in Oregon. At the end of the season, Evans was ranked among the top-50 in the nation with her mark.

At the West Preliminary Rounds, Evans tied for 24th place with a height of 1.65 meters (5-05.00) while Bingham finished without a height.

Having her most successful year as a Bobcat, junior pole vaulter Elena Horn took home both the SLC Indoor and Outdoor titles, setting a new personal record at the outdoor championships with a mark of 4.05 meters (13-03.50). Horn qualified for the West Preliminary Rounds, tying for 37th at the meet with a distance of 3.70 meters (12-01.50). Horn finished the year tied for 44th in the nation with her personal record while also being named a women's conference honorable mention selection for the week of April 20.

Senior Jiovanna Martinez traveled to her third regional event of her Bobcat career, competing in the discus after finishing runner-up at the SLC Outdoor Championships. At the conference meet, Martinez broke her personal record of 48.90 (160-05) set in 2007 with a throw of 50.76 meters (166-06). Martinez's personal record ranked her 46th in the nation at the end of the season. At the West Preliminary Rounds, Martinez tied for 31st with a throw of 46.07 meters (151-02).

Representing the Bobcats as the lone runner on the track in Oregon was junior hurdler Katie Miller. Miller finished in third place at the SLC Outdoor Championships in the 400-meter hurdles, clocking 1:00.47. In Oregon, Miller finished seventh in her heat, recording 1:02.46. Miller competed in the hurdles twice at the Texas Relays with the first race giving her a season-best time of 1:00.29 to place her 13th in the field of 55. Two days later, Miller was asked to run in the invitation-only race, finishing with a time of 1:01.11 to place fourth.

Earning all-conference honors this year were Cunningham, Evans, Horn, Martinez, Miller and sophomore hurdler Dijan Johnson, who took third place in the 400-meter hurdles at the SLC Outdoors with a time of 53.24.

Freshman Courtney Miller completed her first season as a Bobcat with five top-five finishes in the outdoor season, leading to a fourth-place finish at the SLC Outdoor Championships in the 100-meter dash with a time of 11.94. The San Antonio native led the team this season with her times of 11.87 in the 100 meters and 24.34 in the 200 meters.

Also having a successful season on the eight-lanes was sophomore mid-distance runner William Taudien. Taudien concluded the 2011 season with four top-five finishes in the 800-meter run, including a fifth-place finish at the SLC Outdoors with a time of 1:53.11. Taudien's time of 1:50.62 at the Bobcat Invitational in April put him fourth on the all-time list at Texas State.

THE TEXAS STATE UNIVERSITY SYSTEM

The Texas State University System has a long and illustrious history in Texas. In fact, it is the oldest and third largest higher education system in the Lone Star State.

Beginning as an administrative means to consolidate the support and management of state teacher colleges, the System has evolved into a network of higher education institutions stretching from the Texas–Louisiana border to the Big Bend region of far West Texas.

Today, eight System components offer a broad range of academic and career pathways. Throughout the System are professionals committed to preparing students for working and contributing to an increasingly global society.

The academic and professional programs offered help students learn to make sound decisions in life and to become contributors in their communities. Each university, college and institute within The Texas State University System is unique.

Three of the member institutions are members of the Southland Conference. They are Texas State University–San Marcos, Sam Houston State University and Lamar University.

The other five member institutions of the System are: Lamar Institute of Technology, Lamar State College–Orange, Lamar State College–Port Arthur, Sul Ross State University and Sul Ross State University Rio Grande College.

The Texas State University System is governed by a nine member Board of Regents appointed by the Governor. In addition, a nonvoting student regent is appointed annually to the Board. The administration, which is headed by a board-appointed Chancellor, is based in Austin where it provides support to the System components and state government.

The Board of Regents are: Charles Amato (Chairman), Donna N. Williams (Vice-Chair), Dr. Jaime R. Garza, Kevin J. Lilly, Ron Mitchell, David Montagne, Trisha S. Pollard, Rossanna Salazar and Michael Truncale. Ryan Bridges, a student at Sam Houston State, serves as the Student Regent.

BRIAN McCALL

CHANCELLOR

Brian McCall, Ph.D., is chancellor of The Texas State University System, the oldest and third-largest university system in Texas, comprising eight institutions with more than 76,000 students and 15,000 faculty and staff.

Dr. McCall previously served in the Texas House of Representatives, first elected in 1991 to represent the areas of North Dallas, Frisco, Allen, and Plano. As a representative, he served as chairman of the House Calendars Committee and as a member of the Higher Education Committee. Texas Monthly named McCall one of the “10 Best” legislators of the 2009 session.

McCall wrote and passed one of the largest tax-cut bills in the history of Texas and during his last session secured \$5 million in funding for The University of Texas at Dallas’ Center for Values and Medicine. Other legislative accomplishments include authoring and passing key bills in the areas of health care, biotechnology, high technology, identity theft, and tax and budget policy.

McCall was President of Westminster Capital Corporation, an investment firm focused on acquisitions primarily in software and technology. He also serves on the board of View Point Bank and, along with his brother, David, operates Snow Hill Farm north of Dallas.

McCall holds a bachelor’s degree from Baylor University, a

master’s degree from Southern Methodist University, spent a year as a visiting post-graduate student at Oxford University, and earned a doctor of philosophy degree from University of Texas at Dallas.

A long-time civic and community volunteer, McCall is founder and chairman of the board of The Empowerment Project, a non-profit organization which has sent more than \$10 million worth of math and science books to disadvantaged schools in the Republic of South Africa, and helped construct a library in Vietnam through the Libraries of Love organization. The Empowerment Project also raised more than \$350,000 to provide direct support for the medical needs of children in north Texas.

ATHLETICS ADMINISTRATION

DR. LARRY TEIS
DIRECTOR OF ATHLETICS

As Athletic Director since 2004, Dr. Larry Teis leads Texas State into its final year as a member of the Southland Conference. The Bobcats are scheduled to become a member of the Western Athletic Conference in July 2012.

Teis has led Texas State to unprecedented growth and success. Under his leadership, Texas State has won three Southland Conference Commissioner's Cups, five of the last seven SLC Women's All-Sports Trophies, along with 18 Southland Conference championships and nine SLC Tournament titles.

In addition, more than 172 student-athletes have graduated and 426 attained a grade point average of 3.0 or higher during the last three years. Texas State's fund-raising efforts have generated record-setting donations in the past four years and new facilities and renovation projects have totaled nearly \$90 million.

Facility improvements have included the complete renovation and grand opening of the new Bobcat baseball and softball stadiums, the addition of the Jerry D. and Linda Gregg Fields West Side Complex at Bobcat football stadium which added 15 new suites and 450 club seats above the press box for the 2009 season and the installation of a new FieldTurf Duraspine Pro system as a new playing surface on Jim Wacker Field in 2010.

Texas State also opened a new Athletic Academic Center last year and will open a new track and field stadium in 2011-12. Renovations for Bobcat Stadium continue as new scoreboards are being installed and construction to add a \$33-million North End Zone Complex has begun. The new complex will bring the stadium capacity to nearly 30,000 for the 2012 season opener against Texas Tech.

These improvements come after new locker rooms were built at the Bobcat Tennis Complex and soccer field. In addition, new video boards were installed in each of the volleyball, men's and women's basketball, and baseball/softball facilities in 2007-08.

In 2009-10, Texas State Athletics received its second million-dollar gift when Jerry and Linda Fields donated \$6 million to the program. This followed their gift of \$100,000 help fund Texas State's football season tickets drive for the 2008 season. The first \$1 million gift to the department came from Darren B. Casey in 2008. Those donations combined with record-setting corporate sponsorships and the student government approving an athletic fee has helped Texas State become a NCAA Division I FBS Institution and join the WAC.

Citing his leadership skills, experience and values as elements that made him the right fit for the position, Texas State President Denise M. Trauth named Teis the Bobcats' eighth director of athletics in March 2004.

A member of Texas State's athletic administration since January, 1999, he resides on the

President's Council and reports directly to President Trauth.

Teis was honored as the 2005-06 General Sports TURF Systems AD of the Year Division I-AA West Region Winner, presented by the National Association of Collegiate Directors of Athletics. In 2007, he was honored by the All-American Football Foundation with the General Robert R. Neyland Outstanding Athletic Director Award.

After capturing back-to-back Commissioner's Cups during his first two years as the Director of Athletics, Texas State won its third Commissioner's Cup under his direction in 2008-09 after winning five Southland Conference championships and becoming the first SLC school ever to win a football, women's soccer and volleyball championship in the same year. The Bobcats also became the first SLC institution since 1991 to win both the baseball and softball championships in the same season. Additionally, Texas State won a pair of SLC Tournament Championships and had four teams and two individuals participate in the 2008-09 NCAA Tournaments. Texas State's overall success off the field that year included a record number of 74 Bobcat student-athletes earning their bachelor's degrees for a school-record 78 percent graduation rate, 104 student-athletes being named to the SLC Commissioner's Academic Honor Roll, with more than 100 student-athletes, Strutters, cheerleaders and student trainers maintaining a GPA average of 3.5 and above.

In 2009-10, Texas State won Southland Conference championships in soccer, baseball, softball and women's golf. The women's volleyball team won the SLC Tournament to earn a NCAA Tournament berth for the sixth time and the women's golf team played in the NCAA Tournament for the second time in three years. That year, 52 Bobcat student-athletes earned their bachelor's degree, 166 student-athletes were named to the SLC Commissioner's Fall and Spring Honor Rolls, with more than 100 student-athletes, Strutters, cheerleaders, student trainers and managers maintaining a grade point average of 3.5 and above.

In 2010-11, the Bobcats won the Southland Conference baseball championship along with the SLC Tournament titles in baseball and softball to qualify for the NCAA Regional Tournaments. In addition, Logan Cunningham earned All-American honors in the pole vault with a fourth-place finish at the NCAA Outdoor Track and Field Championships. Texas State also led Southland Conference schools with 102 Bobcats being named to the SLC Commissioner's 2011 Spring Honor Roll after 60 Bobcats were named to

the Fall Honor Roll. In addition, 47 student-athletes received their bachelor's degree, and baseball's Tyler Sibley was named a Capital One CoSIDA Second-Team Academic All-American. The future looks bright for Bobcat Athletics as the NCAA Division I Committee on Athletics Certification announced that Texas State Athletics was certified as operating its athletics program in "substantial conformity with operating principles adopted by the Division I membership" in 2009.

During his first six years, Teis restructured the department's administration with the hiring of key senior administrative staff and five head coaches.

In his previous role as associate athletic director for external affairs, he had oversight of several key areas, including game management, marketing, promotions, facilities and ticket sales. Teis was also responsible for the administration of men's and women's golf, baseball and volleyball teams as well as the Strutters. From 1998-2002, he oversaw the Bobcat Athletic Foundation.

A native of Fort Worth, Teis came to Texas State after spending four years as the director of athletic marketing at TCU, where he developed the marketing plan for all sports that, included facility signage, season ticket campaigns, game day operations and corporate sponsorships.

Prior to his tenure at TCU, Teis was the assistant director of New Mexico's Lobo Club for three years.

Teis has served on several key Southland Conference committees and is an active member of the local community, including serving on the board of directors of the San Marcos Convention and Visitors Bureau.

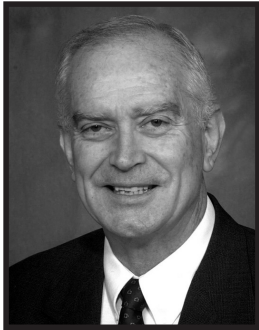

He holds a bachelor's degree in marketing from TCU, a master's in sports administration from St. Thomas University of Miami, Fla., and a doctorate in health, physical education and recreation with an emphasis in sports administration from the University of New Mexico.

Teis resides in San Marcos with his wife, Jana, and two daughters, Taylor (18), a freshman at Texas State, and Shelby (14).

T-RING RECIPIENTS

Texas State University Athletic Director Dr. Larry Teis has pointed out on many occasions that when it comes to events the ones he singles out and looks forward to the most are the department's Oak Farms Dairy Academic Awards Ceremony and the Academic Ring Ceremony held in conjunction with commencement.

Each year the Bobcat Club honors student-athletes in a ceremony on the same weekend of graduation with the presentation of the Academic Ring. The ring symbolizes excellence on the playing field as well as in the classroom.

The criteria for receiving the ring include 1) receiving a "T" Letter from the Texas State Department of Athletics, 2) completing eligibility with Texas State and 3) earning an undergraduate degree from Texas State within one year after NCAA eligibility has been completed.

Since the inception of the program in May of 1986, nearly 1,000 student-athletes have received the Bobcat Athletic Foundation Ring, including 208 track athletes.
