SERIES HISTORY

- Saturday's football game will be the first-ever meeting between the two football programs.
- Texas State has a 1-0 record against football teams from the Mid-American Conference (MAC) with the lone win coming over Ohio, 56-54, in triple overtime on Sept. 3, 2016.
- The Texas State Bobcats and Ohio Bobcats were scheduled to play in San Marcos on Sept. 26, 2020, but the MAC cancelled its 2020 season.

FIVE THINGS TO KNOW

- Jake Spavital is his third season as the head coach at Texas State and in his second year calling the offensive plays for the Bobcats in 2021. Spavital is the third-youngest head coach in the NCAA Division I FBS in 2021. He took the reins at Texas State on Nov. 30, 2018, after overseeing some of the nation's most prolific offenses at West Virginia, California, and Texas A&M. He is Texas State's 20th head coach since the program began in 1904.
- Texas State's 23-17 victory at FIU was its first non-conference road win and first overtime victory on the road since September 3, 2016 when the Bobcats defeated Ohio, 56-54, in three overtimes.
- The win at FIU was also the first single overtime win for the Bobcats since Nov. 22, 2008 when Texas State defeated Sam Houston State, 45-42, in Huntsville to win its second Southland Conference championship and earn a berth to the 2008 NCAA FCS Playoffs. Texas State had played only one other single overtime game since before the FIU contest.
- Texas State offensive tackle Liam Dobson was the third overall player taken in the 2021 CFL Draft by the Winnipeg Blue Bombers last May. Dobson is a transfer from Maine, who is ranked among the top 16 most impactful Division I FCS to FBS transfers in the nation. He also was named one of Bruce Feldman's 2021 College Football's Freaks List. He can play all five positions on the offensive line, has a "31.5-inch vertical jump (up 2.5 inches from his time at Maine) to go with an 8-9 broad jump and 4.8 shuttle." Dobson was named a NCAA Division I FCS All-America offensive line as a junior at Maine. He transferred to Texas State last December.
- Brady McBride enters the EMU game having thrown a touchdown pass in 12 straight games. McBride became the first Texas State quarterback to start in two consecutive season openers since 2016 when he made his ninth career start against Baylor to open the 2020 season. He enters the EMU game having completed 63-of-112 passes for 599 yards and four touchdowns with three interceptions this season. Against the Cardinals, McBride completed 25-of-41 passes for 278 yards and a pair of touchdowns. He completed 18-of-31 passes for 165 yards and one touchdown at FIU after connecting on 20-of-40 passes for 156 yards and a touchdown with three interceptions against Baylor. McBride began the 2020 season making his first collegiate start against SMU after sitting out the 2019 campaign because of NCAA transfer regulations. He played in nine games last year and completed 173-of-282 passes for 1,925 yards and 17 touchdowns with seven interceptions in 2020.

MEDIA PARKING

Media parking at Bobcat Stadium is available on a limited basis on the West and East sides of the stadium. TEXAS STATE PRESS BOX

The Texas State Press Box is located on the fourth level of the Jerry D. and Linda Gregg Fields West Side Complex at Bobcat Stadium and opens three hours prior to each game. The Press Box includes a working press area and small booths for coaches, radio/TV announcers and the visiting athletic director. Media credentials are required for admittance to the press box.

GAME DAY SERVICES

Pregame notes and two-deep cards are provided in the press box before each home game. Team statistics, individual statistical leaders and a play-by-play are distributed after each quarter in the press box. After the game has ended, statistical books that include team statistics, individual statistics, a play-by-play and participation list will be distributed in the press box, e-mailed to media members and posted on the www.txstatebobcats.com website. In addition, postgame quotes and team notes will be distributed.

To be included in the postgame e-mail distribution, please contact Rick Poulter via e-mail at rpoulter@txstate.edu in advance of the game.

SIDELINES

Due to COVID 19 regulations, the only areas open for photographers to shoot photos on the field is behind the end zones and the west side of the stadium between the goal line and the back of the end zone. You may not shoot photos from the sidelines in between the two goal lines. There is space outside the press box area just above the reserve seating so photographers can shoot photos of the playing field.

There will be uniformed security personnel patrolling the sidelines. Anyone holding a media pass who is not actively involved in coverage of the game will be asked to vacate the sidelines. Similar procedures will be in effect in the press box.

POSTGAME INTERVIEWS

Texas State holds its postgame interviews in the team meeting room located on the first floor of the Football End Zone Complex at Bobcat Stadium. Texas State head coach Jake Spavital and selected players are available approximately 10 minutes after each game. **Texas State's locker room is closed following each game and practice.**

Visiting SIDs establish media interview and locker room admittance policies for their respective teams.

Live, real-time updates of Texas State home games are the property of Texas State University and unauthorized transmission of such is not permitted.

MEDIA CREDENTIAL POLICIES

Texas State grants credentials and media access based on the priorities listed below. Because of the limited space available inside the press box at Bobcat Stadium, these guidelines are intended to facilitate the most efficient use of space for working media covering the Texas State Bobcats and Sun Belt Conference. One full-time, salaried employee intending to provide actual game coverage may receive credentials. Please be advised that a season credential does not guarantee working space in the press box.
2. With the exception of seasonally credentialed Texas State beat reporters who produce weekly on-site reports, all credentials to Bobcat Stadium are approved and issued on a game-by-game basis.
3. Passes and credentials are transferable within the same media outlet for use by those serving an editorial function with proper notice and approval by Texas State Sports Information.
4. Because of the limited work space, credentials will not be issued to freelance writers or photographers who do not have a specific assignment that has been previously approved.
5. Membership to a writers' association does not automatically qualify an agency for credentials.
6. Credentials may be issued to online entities that are affiliated with national or regional media organizations, or to entities that host a website that regularly and substantially reports on the Texas State football team, NCAA Division I FBS members, and employs one full-time member who writes a majority of the site's material.
7. An online entity, not associated with a traditional media agency, may qualify for one credential, subject to the following conditions:
 - a. An online entity may receive a credential only if its own full-time staff writes a majority of that site's material.
 - b. Online entities that focus primarily on Texas State Athletics and sponsor message boards or chat rooms, may receive credentials provided they adhere to a policy that requires that a posted message or opinion is identified with the actual name and city of the individual posting the message.
 - c. Any online service that is recognized as an outlet intended primarily for the purpose of delivering news related to the recruitment of student-athletes will not qualify for credentials.
 - d. Online entities (other than those identified above) registering 50,000 legitimate unique users per month in each of the past 12 months will be given consideration.

JAKE SPAVITAL

HEAD COACH

Third Season at Texas State
Missouri State, 2008

Jake Spavital is in his third year as the head coach at Texas State and in his second year calling the offensive plays for the Bobcats in 2021. The Bobcats improved their rushing output by 65 percent from the 2019 season with 131.2 yards per game, and averaged 369.7 total yards and 27.7 points per game. The totals were the most yards gained for the Bobcats since 2015 and the most points scored since 2014.

The third-youngest head coach in the NCAA Division I FBS in 2021, Spavital took the reins at Texas State on Nov. 30, 2018, after overseeing some of the nation's most prolific offenses. He is Texas State's 20th head coach since the program began.

Texas State produced its first FBS First-Team All-American when Jeremiah Haydel was named a return specialist on the ESPN All-America Team in 2020. The American Football Writers' Association chose Jeremiah Haydel a Second-Team All-America punt returner after he ranked third nationally in combined kick return yardage and was one of only two FBS players to return a kickoff and punt for touchdowns.

Haydel was one of 10 Bobcats named to the All-Sun Belt Conference teams. The others were Jarron Morris and Nico Ezidore on defense, Marcell Barbee, Brock Sturges, Calvin Hill, Russell Baker, and Dalton Cooper on offense, and Seamus O'Kelly and Seth Keller on special teams.

Seven Bobcats earned All-Sun Belt honors in Spavital's first season at Texas State. They included Bryan London, Nik Daniels, Caeveon Patton, Morris, and Khambrail Winters on defense, along with Aaron Brewer and Hutch White on offense.

AT WEST VIRGINIA

Spavital came to Texas State after serving as the offensive coordinator and quarterbacks coach under head coach Dana Holgorsen at West Virginia from 2017-18. During his tenure with the Mountaineers, West Virginia featured one of the most potent offenses in all of college football.

In 2018, West Virginia featured one of the nation's top eight offenses that eclipsed 500 yards and 40 points eight times. The Mountaineer offense produced a finalist for the Heisman Trophy, a Second-Team All-America offensive lineman, a Second-Team All-America wide receiver, and four NFL Draft selections.

West Virginia ranked No. 3 in passing offense, No. 4 in passing efficiency, No. 3 in total offense and fourth-down conversions, No. 9 in scoring offense, No. 12 in completion percentage and passing yards per completion, and No. 25 in third-down conversions.

The Mountaineers accumulated 5,724 yards, including 3,939 passing yards and 38 touchdowns. West Virginia ended the regular season ranked No. 15 in the AP poll and No. 16 in the coaches' poll after spending the entire season nationally ranked for the first time since 2007.

AT CALIFORNIA

Spavital returned to Morgantown after serving as the interim head coach at Cal in January 2017. He was the offensive coordinator and quarterbacks coach for one of the nation's top 10 offenses during the 2016 season. The Golden Bears were ranked No. 4 in passing offense (358.8 yards per game), No. 8 in first down offense (335), No. 10 in total offense (518.3 yards per game) and No. 22 in scoring offense (37.1 points per game).

Cal established single-season school records for pass completions (383), fewest fumbles lost (3) and fewest turnovers (15), while equalling a school mark for most field goals made (22). The Golden Bears set NCAA FBS single game records with 118 plays and 40 first downs in a 52-49 double overtime win over Oregon.

AT TEXAS A&M

Spavital went to Cal after spending three years as offensive coordinator and quarterbacks coach at Texas A&M from 2013-15. He shared play-calling duties during the
