LAST TIME VS.

HARRISONBURG, Va. – In a game that featured constant rain, Texas State surrendered 21 points off of turnovers and turned the ball over a season-high-tying four times in a 40-13 loss to James Madison at Bridgeforth Stadium on Saturday.

Texas State forced three turnovers by the Dukes, but failed to score on the subsequent drives. It forced JMU into back-to-back turnovers and limited them to four straight possessions of an interception, fumble, and two punts to start the second half. However, the following offensive drives for Texas State resulted in a turnover on downs, two punts, and a fumble.

In a battle of top-25 defenses entering the week, the Bobcats allowed 460 total yards, including 203 on the ground. Offensively, Texas State had 246 total yards, 106 of which were rushing.

The Bobcats were 2-of-12 on third downs and had 11 first downs. JMU, meanwhile, was 6-of-13 on third downs and finished with 22 first downs.

LAST TIME OUT

HUNTINGTON, W.Va (AP) — Joshon Barbie rushed for both of Marshall's overtime touchdowns in a 40-37 win over Texas State on Saturday night.

Marshall scored first in overtime on Barbie's 4-yard touchdown and the Bobcats responded with Lincoln Pare's 1-yard rushing TD. Tyler Robles kicked a 29-yard field goal on Texas State's second OT possession before Barbie's winning 1-yard run that was upheld after a review.

Robles kicked a 50-yard field goal with three seconds left for Texas State (3-4, 0-3 Sun Belt) to force overtime.

Carlos Del Rio-Wilson was 22-of-32 passing for 277 yards with a touchdown and an interception and rushed for 88 more yards for the Thundering Herd (4-3, 2-1).

Brad Jackson was 26 of 38 for 444 yards passing, second-highest in program history. He threw for two scores and was intercepted once and ran for a score. Chris Dawn had 180 yards receiving and Beau Sparks added 168, including a 73-yard touchdown.

SAME BOBCATS, NEW CONFERENCE

Texas State University has officially accepted an invitation to join the Pac-12 Conference, a transformative milestone in the university's athletic and academic journey. After receiving a formal invitation for application and subsequent submission, the Pac-12 Board of Directors, including all eight current and future members of the new Pac-12, voted unanimously to admit TXST to the conference effective July 1, 2026.

VICTORY STAR

Texas State is coming off back-to-back bowl victories with wins in the SERVPRO First Responder Bowl following the 2023 and 2024 seasons.

- The Bobcats set an FBS program record for wins in a season with 8 in 2023 and matched that total during the 2024 season.
- The last time Texas State had 8 wins in a season was in 2008 when the Bobcats were 8-4 in the regular season and finished the year with a first-round loss at Montana in the Division I-AA (FCS) Playoffs first round.
- TXST won its second consecutive bowl game and finished the 2024 slate 8-5 overall and 5-3 in conference play, winning the most Sun Belt league games for the program since 2014.
- The eight overall wins gave the Bobcats back-to-back seasons of reaching the mark, having not done so since the 1982-83 seasons.
- GJ Kinne became the first head coach to record consecutive eight-win seasons since Jim Wacker in 1981-82.
- Texas State has 15 seasons in its program history with 8 or more wins.

THE KINNE EFFECT

In his first year, Texas State head coach GJ Kinne took the Bobcats to a place they have never gone -- a bowl game -- and did something that has not been done in 40 years.

- Kinne is the first Texas State head coach to have a winning season in his first campaign at the helm of the Bobcats since Dennis Franchione in 1990 (6-5).
- With the bowl win, Kinne became the first, first-year head coach at Texas State to win 8 or more games since John O'Hara in 1983 (9-3). O'Hara took over the Bobcats after they won back-to-back DII national championships under Jim Wacker in 1981 and 1982.
- Prior to Kinne, only 2 Texas State head coaches in the program's history had won 8 or more games in their first season: O'Hara (1983) and Bill Miller (8-2 in 1965).
- Kinne was named the 21st head coach in Texas State's history on Dec. 2, 2022 (one day after his 34th birthday).

BILETNIKOFF BEAU

On October 23 Beau Sparks was named to the Biletnikoff Award Watch List.

Sparks leads the Bobcats with 674 receiving yards (5th, NCAA) off 47 receptions and six (13th, NCAA) of TXST's nine receiving TDs in 2025, while also ranking in the top 10 nationally for receiving yards per game (96.3) and receptions per game (6.71). The junior has at least three catches in every game this season including a TXST-best 10 at Arizona State. In the season-opener against Eastern Michigan, Sparks had a career-high four receiving TDs, which tied the program record.

The El Paso, Texas, native has a pair of 100-yard receiving games in 2025, bringing his career total to three, and his 168-yard game at Marshall was a season-high and ranks ninth at TXST.

HOTTEST TICKET IN TOWN

The Bobcats sold out 2 of 7 home games in 2024 with crowds of 28,000 against UTSA and Arkansas State (1st SBC home sellout). TXST sold out the Sept. 20 game vs Nicholls and is averaging 26,291 at home in 2025.

EXCITING BRAND OF FOOTBALL

One thing that GJ Kinne and the rest of the Texas State coaching staff installed over its first two seasons is an offense that has produced at its highest level in the Bobcats' FBS history.

- Texas State was a top 10 total (5, 476.9) and scoring (7, 36.5) offense in 2024.
- TXST finished 2024 22nd in the country in passing offense (268.7) and 15th in rushing offense (208.2).
- Entering 2023 as an FBS team, Texas State had never ranked higher than 24th in the nation in total offense. In 2014, the Bobcats finished the season 24th in total offense, which was the only time they had been in the nation's top-50 in that category.
- Also entering the 2024 season, Texas State's highest finish as an FBS team in rushing offense was 18th (2014) and passing offense was 56th (2020).
- The Texas State offense averaged 151.7 more yards per game in 2024 compared to 2022.

TXST ATHLETICS ANNOUNCES HALL OF HONOR CLASS

Three Bobcat football players were included in the 2025 Texas State Athletics Hall of Honor Class.

Fred Evans

During his first season, Evans started all 11 games, earning Southland Conference Newcomer of the Year and First-Team All-Southland Conference honors. In 2005, he was named Southland Conference Defensive Player of the Year, First-Team All-Southland Conference, American Football Coaches Association (AFCA) All-America and was named to The Sports Network All-America Third-Team. That same season, Evans helped lead the Bobcats to their first Southland Conference Championship and a memorable run to the NCAA Division I-AA Playoff Semifinals. Evans was selected in the 7th round (212th overall) of the 2006 NFL Draft by the Miami Dolphins. He made his NFL debut that season against the Indianapolis Colts in December before joining the Minnesota Vikings, where he played seven seasons and appeared in more than 90 games during his eight-year professional career.

Cyril Friday

Friday, a four-year letterwinner from 1980–1983, recorded 53 tackles, two fumble recoveries, three sacks and an interception as a freshman. In 1981, Friday was named First Team All-Lone Star Conference (LSC) unanimously, along with Associated Press (AP) Little All-America Honorable Mention and National Association of Intercollegiate Athletics (NAIA) All-America Honorable Mention. By 1982, he was twice named Second Team AP Little All-America (1982-1983) and a three-time unanimous First Team All-LSC selection (1981–83). In 1983, he was the LSC Defensive MVP.

A three-year team captain, Friday helped lead the Bobcats to back-to-back National Championships in 1981 and 1982. After completion of his eligibility, Friday was selected in the United States Football League draft by the San Antonio Gunslingers and also drew interest from the CFL.

Robert "Bobby" Kotzur

Kotzur earned First Team All-Lone Star Conference, National Association of Intercollegiate Athletics (NAIA) All-America, Associated Press (AP) All-America, and Lone Star Conference Defensive Player of the Year honors. In making the AP All-America First Team, Kotzur became only the third Bobcat ever to earn the distinction. His place among the greats of the Lone Star Conference was later solidified with selection to the Lone Star Conference All-Decade Team. In 1976, Kotzur was drafted in the ninth round of the NFL Draft by the Buffalo Bills.

TXST LAUNCHES FUNDRAISING CAMPAIGN, "LIGHT THE STAR: A BRIGHTER FUTURE FOR TEXAS STATE ATHLETICS"

SAN MARCOS, Texas – Texas State Athletics has officially launched "Light The Star," a \$50 million comprehensive fundraising campaign designed to propel our program forward into a new era of collegiate athletics and position us for sustained success on a national stage.

The campaign focuses on five priorities:

- Bobcat Club Excellence Fund – established after new NCAA legislation took effect earlier this year, the Excellence Fund directly supports essential resources like scholarships, revenue sharing, academic support, nutrition, etc.
- Student-Athlete Wellness Center and Indoor Practice Facility – this new facility will feature support for all 370 of our student-athletes, including a new Academic Center and Training Table. The Indoor Practice Facility will provide a climate-controlled space to host workouts and other activities throughout the year
- Baseball/Softball Player Development Center – dedicated to baseball and softball, this new facility will feature a state-of-the-art pitching lab, enhanced batting and training spaces, player locker rooms, and fan amenities
- Endowment Support – growing our endowment ensures steady, long-term resources for our student-athletes, protected from shifting external pressures
- Expanding Season Ticket Sales – building our season ticket holder base will help to grow our attendance at each of our venues and provide a foundation for a consistent and energetic gameday atmosphere

The campaign comes at a pivotal time as Texas State prepares for its official move to the Pac-12 Conference in July 2026. Increased investment in facilities, scholarships, revenue sharing, and operations will be essential to compete nationally.

"This is a defining moment for Texas State Athletics," said Vice President for Intercollegiate Athletics Don Coryell. "Light The Star is a call to action for every Bobcat to invest in the future of our programs."

In recognition of their transformational gift, the university will name the new building the Mitchell Ward and Pam Wills-Ward Athletic Academic Center, which the design phase will commence this fall. This state-of-the-art facility will serve as a vital resource for all student-athletes, providing enhanced academic support and development opportunities as part of Texas State's continued investment in student academic success both on and off the field.

"We are truly honored to continue to be in a position to support both the university and its athletics department during this exciting new chapter as we transition into the PAC-12 Conference," Mitchell Ward said. "This move represents a significant milestone not only for athletics, but for the university. With the increased visibility and competitiveness that come with joining the PAC-12, we believe this will elevate the university's profile on a national level. Coupled with a rapidly growing student body—now approaching 45,000 students—and a bold vision for the future."

As proud alumni of Texas State University, the Ward Family has been a dedicated partner to the university in numerous capacities—providing in-kind gifts, establishing endowed scholarships, and contributing through philanthropy—all with the goal of advancing the institution and enriching the student-athlete experience.

"We are incredibly grateful to Mitchell and Pam Ward for their generosity," said Texas State Director of Athletics Don Coryell. "Their commitment will have a lasting impact on the lives of our student-athletes and will be instrumental in furthering their academic success. Support like this not only enhances our facilities but also strengthens the foundation for the long-term success of Texas State Athletics."

"This facility will not only elevate the trajectory of our football program, but—more importantly—it will positively impact the lives of all 370 of our student-athletes as they prepare for success beyond the playing field," Pam Wills-Ward said. "Athletics is just one chapter in their lives, and having the resources, support, and infrastructure in place helps ensure they're ready for the future. Mitchell and I are deeply inspired by the university's growth, leadership, and commitment to excellence. We're honored to be part of this transformative moment in its journey."

"We are deeply grateful to Mitchell and Pam for their generosity and belief in the future of Texas State," said President Kelly Damphousse. "This gift represents an important investment in our students and in the experiences that shape their success. Their support comes at a moment of tremendous momentum for our university. As we continue to grow, elevate our academic and athletic excellence, and strengthen our national profile, this kind of commitment helps us reach even higher. I look forward to seeing the impact this center—and the inspiration behind it—will have on generations of Bobcats to come."

The Ward gift, which is pending Texas State University System Board of Regents approval, moves the university toward a major goal of \$50 million Light The Star capital campaign.

GJ KINNE

HEAD COACH
THIRD SEASON

GJ Kinne was named the head coach of Texas State football on December 2, 2022. And in a year's time, the native Texan – and third-youngest coach in FBS – took the Bobcats to newfound heights in 2023 – and on an ascent to more in 2024.

Kinne, who was tabbed as the 21st head coach in program history when he was officially hired a day after his 34th birthday, led the Bobcats to an FBS program record eight wins in his first season at the helm of Texas State and to the program's first appearance and win in a bowl game.

In his second season at Texas State, Kinne led the Bobcats to back-to-back bowl wins. The 2024 season saw seven regular season wins, marking the third time TXST has reached that mark since entering the FBS ranks in 2012, and gave the Bobcats consecutive winning seasons for the first time since 2008-09. Texas State finished the regular season 7-5 with a 5-3 record in Sun Belt Conference action, matching the most conference wins at the FBS level. The Bobcats also won three games in November for the first time since 2014, and it was the first season since 2014 with three road wins.

The former NFL and collegiate quarterback inherited a Texas State program that had not had a winning season in 9 years. After bringing in 53 scholarship newcomers – and 71 total new players – over the spring and summer of 2023, Kinne and his staff guided the Bobcats to a season-opening win at Baylor (the program's first win over a "Power 5" team), a 3-1 non-conference record, a 5-1 record at home, and a tied-for-second-place finish in the Sun Belt West Division standings. The Bobcats capped the season with a dominating 45-21 win over Rice in the SERVPRO First Responder Bowl in Dallas to finish 8-5 in Kinne's inaugural season.

The Bobcats doubled their wins from the previous season with the help of the nation's most improved scoring offense in 2023. Texas State averaged 36.7 points on offense, which was more than a 15-point improvement from the prior season and finished as the 14th-best scoring unit in the country. The Bobcats were also 14th in the nation in total offense (457.6 yards/game), 25th in rushing offense (186.7), and 28th in passing offense (270.9). It was the first time Texas State finished in the top-30 in the country in all 4 categories in an FBS season.

The Bobcats scored 40+ points in 6 games over the course of the season, including 3 times in conference play. They scored 77 points in the home opener against Jackson State, which fell one shy of the program's record for most in a single game, and ended the year with 45+ points in each of their final 2 games.

The high-scoring offense was led by All-American all-purpose player Ismail Mahdi and quarterback TJ Finley. Mahdi, who was named a first team All-American by CBS Sports/247Sports, led the country in all-purpose yards (2,169) and scored 12 total touchdowns in 13 games. Finley, meanwhile, set the program's overall single-season record for most passing yards by throwing for 3,439 yards. He also totaled 29 touchdowns in his first season as a Bobcat.

While the offense garnered the headlines, the other two phases under Kinne and his staff were among the nation's leaders as well. The defense finished first in tackles for loss and eighth in sacks. Special teams, meanwhile, was sixth in the country in kick returns with an average of 26.08 yards. The Bobcats also returned 2 kickoffs to touchdowns, which matched their record for most in season (previous: 2013).

Texas State also garnered seven All-Sun Belt selections as well as four honorable mentions in 2023. Ismail Mahdi was a first team all-purpose selection and second team kick returner while kicker Mason Shipley (first team), wide receiver Joey Hobert (second team) and offensive lineman Brey Walker (third team) earned accolades from the offensive and special teams side. Linebacker Brian Holloway and defensive end Ben Bell were second team selections from the defense. Quarterback TJ Finley, wide receivers Kole Wilson and Ashtyn Hawkins, and defensive back Shawn Holton garnered honorable mention.

In addition to the record for most wins in an FBS season, Texas State set 20 FBS program records for a single season in Kinne's first campaign. The offense set 13 different FBS records while the defense set 5 (sacks, TFLs, hurries and forced fumbles) and special teams turned in 3 (field goals made, kick return average, kick return touchdowns).

The Bobcats also set 29 individual FBS season program records in 2023, including 9 by TJ Finley, 5 by Ismail Mahdi, 4 each by Joey Hobert and Mason Shipley, 2 each by Brian Holloway and Ben Bell, and 1 each by Shawn Holton, Kaleb Culp, and Kole Wilson.

Kinne rebooted Texas State football behind the mantra "Take Back Texas." Kinne, who is a son of a Texas high school coach and was born and raised in the state, and his staff put together a 2023 newcomer class that was rated by 247Sports as the program's best in its FBS history. The Bobcats used the injection of new talent by going 7-2 within the state of Texas during the season and picking up two wins in three games against Texas schools.

In mid-October, Kinne was named to the 2023 Paul "Bear" Bryant Coach of the Year Watch List. He was one of 26 coaches -- and one of five from the "Group of 5" conferences -- to be in consideration for the annual top honor at the halfway point of the season.

An offensive mastermind with NFL experience and deep roots in the state of Texas, Kinne arrived in San Marcos after helping lead Incarnate Word to a Southland Conference championship, No. 7 national ranking, and a national seed in the FCS Playoffs in 2022. The Cardinals reached the semifinals of the FCS Playoffs and went 12-2.

The Cardinals were an up-tempo, high-flying offense in 2022 under Kinne. They ranked No. 1 in all of NCAA Division I – FBS and FCS – with 51.5 points and 581.2 yards per game. The team also had a defense to match as it ranked first in FCS in tackles for loss, ninth in sacks, and 38th in scoring defense.
