Entering his 26th season at the helm of the UAB men's soccer program, head coach Mike Getman has taken the Blazers to new heights.

Prior to his arrival in 1992, the Blazers had posted just three winning seasons in their 12 seasons. Since then Getman has led UAB to eight NCAA Tournaments, three regular season C-USA Championships and 20 winning seasons.

In 2016 the Blazers finished sixth in the C-USA standings. The year was highlighted with a 3-2 win over No. 15 Kentucky marking Getman's first win over a ranked opponent at BBVA Compass Field.

Lars Willemse, Mathieu Laurent and Henrique Sposito were all tabbed members of the NSCAA Division 1 Scholar All-South Region team marking the third consecutive season that the Blazers featured at least one player on the all-region team.

Getman guided UAB to its eighth NCAA Tournament appearance in 2014. The Blazers hosted the first round for just the fourth time in school history. Overall the Blazers finished the season as the No. 25 scoring offense (1.8 GPG) making it the fifth-straight year of finishing in the top-50 in scoring the country. Four Blazers garnered all-conference honors.

In 2013 the Blazers were ranked as high as No. 8 in the nation at one point. A record breaking 3,205, fans were on hand to watch UAB defeat the 2012 National Champion, Indiana, at West Campus Field. UAB finished the season with the No. 1 scoring offense in the country averaging 2.4 goals per game.

The 2012 season saw the Green-and-Gold earn an at large bid to the NCAA

Tournament marking the second straight year the team had earned a post-season bid.

In 2011 UAB reached the NCAA Tournament for the sixth time and first time since 2006. A final record of 13-5-3, with a 6-1-1 mark in league play, helped UAB earn a share of the regular season title. The Blazers went on to finish the year with a No. 21 ranking in the final NSCAA poll and a perfect 4-0 record against ranked teams.

1999 was the start of the most successful three-year stretch in UAB men's soccer history advancing to the NCAA Tournament Elite Eight. The Blazers won both the Conference USA regular season and tournament title, finished eighth in the final NSCAA poll and set the school record for wins (17) in a season catapulted by a 13-game winning streak.

In 2000, UAB made its first ever appearance in the NCAA Tournament as an at-large selection marking the first time the Blazers had made consecutive post-season appearances. The Green and Gold finished the season 14-5-2 with a 5-1-2 mark in league play.

At the end of the 2001 season the Blazers found themselves in a familiar setting, the NCAA Tournament. UAB went on to reach the Sweet 16 for the second time in three years and finished the season with a 15-6 record. A program record nine players were selected to all-conference teams.

**PRE-UAB**

Prior to coming to Birmingham, Getman served as the head coach at Harvard from 1987-1991. He posted a 42-26-9 (.604) record, including a 21-11-3 (.643) mark in Ivy League play. His 1987 Crimson squad reached the NCAA Final Four as they posted a 14-1-3 mark capturing the Ivy League title. Getman became the youngest coach (28) to lead a team to the Division I Final Four. The 1988 squad opened the season ranked No. 1 for the first time in school history. While at Harvard, Getman developed 21 All-Ivy League players, nine All-New England performers and two All-Americans.

Getman began his coaching career at his alma mater, Indiana, where he served as an assistant coach from 1984-86. In those seasons, the Hoosiers were in the NCAA Tournament twice and played in the 1984 title game.

**PLAYING CAREER**

Getman played professionally as a defender for the Detroit Express of the American Soccer League from 1982-83. He was the team's Rookie of the Year in 1982 as the Express won the ASL Championship.

A three-year letterwinner at Indiana, he played fullback for the Hoosiers from 1977-81, during which the Hoosiers finished as an NCAA Division I national finalist in 1978 and 1980.

**PERSONAL**

A native of Bloomington, Ind., Getman earned his bachelor's degree in economics from Indiana in 1982 and his master's in athletic administration from IU in 1987.

Involved in all facets of soccer, Getman has been the South Region coach for the U.S. Soccer Festival. He was the chairman of the soccer games committee for the 1996 Birmingham Olympic Soccer Committee. He also has served as a guest-columnist for the 1998 World Cup Tournament for the Birmingham Post-Herald.

The UAB men's soccer team will continue its long standing tradition of hosting the annual "Soccer For A Cure" Game on September 4 when the Blazers play host to Missouri State in their first regular season home game of the year.

Fans will best remember the "Soccer For A Cure" Classic as a tournament as UAB hosted the annual tournament for eight consecutive seasons. The event first began in 2008 as it was the first of its kind in the nation. The tournament's mission to raise money to help cancer victims. The money raised remains local to Birmingham and is divided up among cancer research faculties across the area.

UAB captured the tournament title in 2015; marking the 11th time the Blazers have won the event. The Green and Gold has now won Classic titles in 1998, 2000, 2001, 2003, 2004, 2007, 2010, 2011, 2012, 2014 and 2015.

### **What is "Soccer for a Cure"?**

The objective of these initiatives are to raise awareness of and donations to cancer related organizations in Georgia, Florida, and Alabama that are helping families in their battle against cancer. It is also a way to build a support group of volunteers across the United States that are willing to reach out and help families dealing with cancer in their community.

"Soccer for a Cure" is a non-profit organization. Its purpose is to serve as a place where all levels of the soccer nation (youth, club, high school, college, adult, and professional) can stand together as a team to help families fight the battle against all types of cancer.

### **Why was it started?**

It was started in January, 2008 by Charlie Corbitt, a cancer survivor and warrior advocate for others affected with cancer. He has been involved in college and high school soccer since 1993 and is currently the manager of the "SIS College Soccer Scoreboard" and the "National High School Soccer Scoreboard". His hope is that the soccer nation will one day stand together hand in hand as one and become proactive in the fight against cancer.

### **UAB "Soccer For A Cure" Classic**

The objective is to raise awareness of the battle that families deal with daily when a child has cancer. Additionally, the organization wants to raise as much as possible for the Alabama Children's Hospital by asking thousands of families in Alabama.

It is not required, but fans in attendance are asked to make a modest donation (we suggest \$5.00) during the UAB "Soccer For A Cure" Classic in September.
