### 27TH SEASON AT UAB

### INDIANA, 1981

- Career Record: 316-209-53 (31)
- UAB Record: 274-183-44 (26)
- Eight NCAA Tournament Appearances: 1994, 1999, 2000, 2001, 2006, 2011, 2012 and 2014
- 11 MLS Draft Selections

- 1995 and 1999 Conference USA Coach of the Year
- 1-of-2 UAB coaches to take its team to the Elite 8

Entering his 27th season at the helm of the UAB men's soccer program, head coach Mike Getman has taken the Blazers to great heights.

Prior to his arrival in 1992, the Blazers had posted just three winning seasons in their 12 seasons. Since then, Getman has led UAB to eight NCAA Tournaments, three regular season C-USA Championships and 20 winning seasons.

2017 was a difficult one on the Southside as UAB went 5-7-4 but saw David Valverde, Mathieu Laurent and Massimo Ferrin earned All-Conference Honors. Additionally, Eder Mora was tabbed to the Conference USA All-Academic Team.

In 2016 the Blazers finished sixth in the C-USA standings. The year was highlighted with a 3-2 win over No. 15 Kentucky, marking Getman's first win over a ranked opponent at BBVA Compass Field.

Lars Willemse, Mathieu Laurent and Henrique Sposito were all tabbed members of the NSCAA Division 1 Scholar All-South Region team marking the third consecutive season that the Blazers featured at least one player on the all-region team.

Getman guided UAB to its eighth NCAA Tournament appearance in 2014. The Blazers hosted the first round for just the fourth time in school history. Overall the Blazers finished the season as the No. 25 scoring offense (1.8 GPG) making it the fifth-straight year of finishing in the top-50 in scoring the country. Four Blazers garnered all-conference honors.

In 2013 the Blazers were ranked as high as No. 8 in the nation at one point. A record-breaking 3,205 fans were on hand to watch UAB defeat the 2012 National Champion, Indiana, at West Campus Field. UAB finished the season with the No. 1 scoring offense in the country averaging 2.4 goals per game.

The 2012 season saw the Green-and-Gold earn an at-large bid to the NCAA Tournament marking the second straight year the team had earned a post-season bid.

In 2011 UAB reached the NCAA Tournament for the sixth time and first time since 2006. A final record of 13-5-3, with a 6-1-1 mark in league play, helped UAB earn a share of the regular season title. The Blazers went on to finish the year with a No. 21 ranking in the final NSCAA poll and a perfect 4-0 record against ranked teams.

1999 was the start of the most successful three-year stretch in UAB men's soccer history advancing to the NCAA Tournament Elite Eight. The Blazers won both the Conference USA regular season and tournament title, finished eighth in the final NSCAA poll and set the school record for wins (17) in a season catapulted by a 13-game winning streak.

In 2000, UAB made its first ever appearance in the NCAA Tournament as an at-large selection marking the first time the Blazers had made consecutive post-season appearances. The Green and Gold finished the season 14-5-2 with a 5-1-2 mark in league play.

At the end of the 2001 season the Blazers found themselves in a familiar setting, the NCAA Tournament. UAB went on to reach the Sweet 16 for the second time in three years and finished the season with a 15-6 record. A program record nine players were selected to all-conference teams.

### PRE-UAB

Prior to coming to Birmingham, Getman served as the head coach at Harvard from 1987-1991. He posted a 42-26-9 (.604) record, including a 21-11-3 (.643) mark in Ivy League play. His 1987 Crimson squad reached the NCAA Final Four as they posted a 14-1-3 mark capturing the Ivy League title. Getman became the youngest coach (28) to lead a team to the Division I Final Four. The 1988 squad opened the season ranked No. 1 for the first time in school history. While at Harvard, Getman developed 21 All-Ivy League players, nine All-New England performers and two All-Americans.

Getman began his coaching career at his alma mater, Indiana, where he served as an assistant coach from 1984-86. In those seasons, the Hoosiers appeared in the NCAA Tournament twice and played in the 1984 title game.

### PLAYING CAREER

Getman played professionally as a defender for the Detroit Express of the American Soccer League from 1982-83. He was the team's Rookie of the Year in 1982 as the Express won the ASL Championship.

A three-year letterwinner at Indiana, he played fullback for the Hoosiers from 1977-81, during which the Hoosiers finished as an NCAA Division I national finalist in 1978 and 1980.

### PERSONAL

A native of Bloomington, Ind., Getman earned his bachelor's degree in economics from Indiana in 1982 and his master's in athletic administration from IU in 1987.

Involved in all facets of soccer, Getman has been the South Region coach for the U.S. Soccer Festival. He was the chairman of the soccer games committee for the 1996 Birmingham Olympic Soccer Committee. He also has served as a guest-columnist for the 1998 World Cup Tournament for the Birmingham Post-Herald.

He and his wife, Rena, reside in Vestavia. They have three children: Nathan, Eli and Ethan.

**Henrique Sposito** (above) and **Lars Willemse** (below), both members of the class of 2016, were Conference USA Academic All-Conference Team members during their time in Birmingham.

A school record 3,205 fans were in attendance to watch the Blazers defeat the defending national champion, Indiana, 2-1 in overtime on Sept. 6, 2013.

For 24 years the Blazers had the privilege of calling West Campus Field home, turning the stadium into one of the most imposing home fields in collegiate soccer.

The facility saw championship play as UAB hosted the Elite Eight, and first rounds of the NCAA Championships in 1999, 2006, 2011 and 2013. The Blazers also hosted the 1999, 2007 and 2012 Conference USA Tournament UAB defeated Saint Louis in 1999 to claim the tournament title on its home field.

The Blazers owned an impressive 149-53-17 (.719) record at West Campus Field. UAB posted a school record 25-match unbeaten streak on the field that stretched from Oct. 17, 1993 through Oct. 26, 1996.

West Campus field received national attention as the United States National Team trained there and took on the Blazers' men's soccer team in a scrimmage in the spring of 2000. UAB became the first ever collegiate program to scrimmage the full national team.

The Blazers also took on the US U-17 squad in an exhibition match in 2004, as well. West Campus field was also the sight for the US National Team's training for their 2005 World Cup Qualifier against Guatemala. UAB also hosted the Colorado Rapids in an exhibition game in the spring of 2005.

Additionally, the Blazers have been one of the top draws in NCAA men's soccer. In 2013, a West Campus Field regular season crowd of 3,205 fans witnessed UAB defeat 2012 national champion Indiana, 2-1, in overtime.

In 2016 the Blazers moved down the hill to their new home of BBVA Compass Field, one of the best surfaces in collegiate soccer. In just two seasons, the field has hosted memorable wins and ranked opponents.

BBVA Compass Field will also serve as the home field for Birmingham's newest professional team as the USL's Birmingham Legion will begin play in 2019. BBVA Compass Field is to receive a grandstand, ticket offices, bathroom facilities, a concession stand and a state of the art pressbox, making it one of the top destinations for soccer in the United States.

### 2017

UAB 0, Missouri State 0

The UAB men's soccer team will continue its long standing tradition of hosting the annual "Soccer For A Cure" Game when Memphis, Coastal Carolina and Fairleigh Dickinson come to town Aug. 31-Sept. 2.

Fans will best remember the "Soccer For A Cure" Classic as a tournament as UAB hosted the annual tournament for eight consecutive seasons. The event first began in 2008 as it was the first of its kind in the nation. The tournament's mission to raise money to help cancer victims. The money raised remains local to Birmingham and is divided up among cancer research faculties across the area.

UAB captured the tournament title in 2015; marking the 11th time the Blazers have won the event. The Green and Gold has now won Classic titles in 1998, 2000, 2001, 2003, 2004, 2007, 2010, 2011, 2012, 2014 and 2015.

### What is "Soccer for a Cure"?

The objective of these initiatives are to raise awareness of and donations to cancer related organizations in Georgia, Florida, and Alabama that are helping families in their battle against cancer. It is also a way to build a support group of volunteers across the United States that are willing to reach out and help families dealing with cancer in their community.

"Soccer for a Cure" is a non-profit organization. Its purpose is to serve as a place where all levels of the soccer nation (youth, club, high school, college, adult, and professional) can stand together as a team to help families fight the battle against all types of cancer.

### Why was it started?

It was started in January, 2008 by Charlie Corbitt, a cancer survivor and warrior advocate for others affected with cancer. He has been involved in college and high school soccer since 1993 and is currently the manager of the "SIS College Soccer Scoreboard" and the "National High School Soccer Scoreboard". His hope is that the soccer nation will one day stand together hand in hand as one and become proactive in the fight against cancer.

### UAB "Soccer For A Cure" Classic

The objective is to raise awareness of the battle that families deal with daily when a child has cancer. Additionally, the organization wants to raise as much as possible for the Alabama Children's Hospital by asking thousands of families in Alabama.

It is not required, but fans in attendance are asked to make a modest donation (we suggest \$5.00) during the UAB "Soccer For A Cure" Classic in September.
