NEWS AND NOTES

Scouting UMass Lowell

UMass Lowell holds the top overall record in the America East at 12-5 overall with a 3-3 record against America East opponents. The River Hawks will make their first-ever appearance in the postseason, clinching their spot by defeating Vermont in their regular-season finale. Seven of UMass Lowell's wins have come on the road. Seven River Hawks have scored at least 21 points this season, led by Chloe Bowers' 56 on 47 goals and nine assists, and seconded by Jade Catlin's 55 on 45 goals and 10 assists. UMass Lowell was picked to finish seventh in the 2024 America East Preseason Coaches' Poll after going 6-10 overall and 0-6 against America East opponents in 2023. UAlbany is 9-0 against UMass Lowell since their first Division I-era meeting in 2015. The River Hawks boast Rookie of the Year Chloe Bowers, Coach of the Year Lisa Miller, and a total of eight additional All-Conference selections.

Last Time vs. UMass Lowell

April 20, 2024 | UAlbany became the first team to clinch an America East postseason bid with their 10-7 victory over UMass Lowell, holding the 11-win River Hawks to their lowest scoring output of the season. Megan Dineen led UAlbany with a career-high three goals, while Grace Cincebox recorded 10 saves in cage. UAlbany outdrew UMass Lowell 16-5, with 10 wins coming from Haley Phalines. Last Time Out

The Great Danes closed the 2024 regular

season with a visit to New Hampshire. The Wildcats were 2-11 on the season, and 0-5 against the America East, but had just played their best game of the season in a one-point defeat against Bryant. New Hampshire got out to a 7-6 lead after a tightly-contested first half, but UAlbany's offense came alive to outscore the Wildcats 9-1 in the third quarter, and 12-2 in the second half, to claim an 18-9 victory. It was the third-straight game in which the Great Danes' defense allowed just two goals in the second half. Mikaela Mooney had a career game for the Great Danes, scoring five goals and adding one assist, while Megan Dineen scored four goals with one assist. Haley Phalines won a career-high 14 draws, bringing her season total to 100.

Around the America East

The field for the 2024 America East Tournament has been set. For the third-straight season, the path to the title will run through UAlbany, with the Great Danes once again clinching the top overall seed and home field advantage throughout the playoffs. Binghamton clinched the two-seed by defeating UMBC head-to-head in the penultimate week of the regular season, with the Retrievers falling to third. Binghamton and UAlbany shared the 2024 regular-season title, finishing with matching 5-1 in-conference records, but the Great Danes clinched the top seed by defeating the Bearcats during the regular season head-to-head. Finally, UMass Lowell clinched a spot in the postseason for the first time in program history, finishing 3-3 in-conference and defeating Vermont in their regular-season finale.

ABOUT UALBANY ATHLETICS

The University at Albany is a member of the America East Conference in 16 of 18 varsity sports, while women's golf is an associate member of the Metro Atlantic Athletic Conference (MAAC), and football, a Division I Football Championship Subdivision program, is an associate member of the Coastal Athletic Association (CAA). UAlbany will add women's rowing in 2024-25. UAlbany has earned the Stuart P. Haskell Jr. Commissioner's Cup, which honors the America East's top-performing athletics department, seven times overall, including six-straight years from 2013-2018.

UAlbany has won 131 conference championships and has made 60 NCAA Tournament appearances since moving to Division I in 1999. Proving to be a perennial power, the Great Danes have won seven or more conference titles nine years in a row from 2010-2019. UAlbany claimed its 100th conference title on May 14, 2017, when softball won the America East Tournament. Through the fall of the 2023-24 school year, UAlbany has 120 America East Tournament titles, six Northeast Conference titles and one CAA season title in football, and four Metro Atlantic Athletic Conference titles in women's golf.

UAlbany claimed three America East titles in 2022-23 and saw two teams, field hockey and women's lacrosse, make appearances in the NCAA Tournament. After defeating Stanford in a shootout in the America East final, the field hockey team upset #4 Michigan in overtime in the First Round of the NCAA Tournament. The Field Hockey staff, led by head coach Phil Sykes, was named Regional Staff of the Year by the National Field Hockey Coaches Association, and Alison Smisdorn earned First Team All-America honors and was named Northeast Player of the Year. Women's lacrosse went unbeaten in America East play and defeated Binghamton to win its first America East title since 2012. The women's lacrosse team upset #12 Virginia in the First Round of the NCAA Tournament. Katie Pascale earned All-Region Second Team and All-America Honorable Mention accolades from the Intercollegiate Women's Lacrosse Coaches Association. Both field hockey and women's lacrosse were nationally ranked at the end of their respective seasons, with field hockey landing at #16 and women's lacrosse at #18. Women's Track & Field continued its streak of conference titles, winning its 14th-straight America East outdoor championship, extending its longest active streak among NCAA Division I program. Louis Gordon, on the men's track & field team, earned Second Team All-America honors, placing 11th in the long jump at NCAA Outdoor Championships. UAlbany produced additional All-Americans in Jake Pisenro from men's lacrosse, and Reese Poffenbarger and Thomas Greaney from football. Greaney became the 19th Great Dane in history to sign with an NFL team, joining the Cleveland Browns as an undrafted free agent. Elijah Gash, from men's lacrosse, was also selected 30th overall in the 2023 PLL College Draft. Finally, Gash, Pisenro, and Graydon Hogg were selected in the 2023 NLL Entry Draft for men's lacrosse.

UAlbany won four America East titles in 2021-22, and claimed their eighth overall Stuart P. Haskell Commissioner's Cup, its first since the 2017-18 season, and seventh in the last nine years the award has been given. Women's basketball, on the foundation of a 16-1 record in SEFCU Arena, claimed its seventh overall championship, and first since the 2016-17 season, and returned to the NCAA Tournament with a First Round matchup against Wichita Region one-seed and eventual Final Four participant Louisville. Track & field claimed the Great Danes' remaining three titles on the year, with the women winning both their ninth-straight indoor title and their 13th-straight outdoor title, while the men's outdoor championship streak grew to 17. Each of the three streaks either retained or took over as the longest active conference championship winning streak in the country among Division I programs. In total, men's and women's indoor and outdoor track & field and cross country account for 62 of UAlbany's 124 conference championships through the end of the 2021-22 school year.

UAlbany added two titles in the COVID-19-affected 2020-21 season, which saw all fall sports delayed from their normal season to compete with a shortened schedule in the spring. The Great Danes track & field program swept the America East Outdoor Championship meet for the 12th-straight season, with the women winning their 12th-straight title and the men winning their 16th-straight. The men's active streak of consecutive outdoor championships is the longest in the country among Division I program, and the women's ranks second behind North Dakota St. Track & field's Adrian Mitchell was named UAlbany's second-ever America East Man of the Year, and fourth Great Dane in as many years, and sixth overall, to earn the conference's highest honor.

In 2019-20, UAlbany added three conference championships to its total. Volleyball, and men's and women's indoor track & field won titles in the latest academic year. Volleyball won its first title since 2011, while track & field continued its America East dominance seeing the women win their eighth-straight title, and 10th in the last 11 years, and the men won their 14th indoor title in the last 15 years. Additionally, senior Hannah Reinhardt successfully defended her individual America East cross country title, becoming just the fourth woman to win the championship race on her home course, and later became UAlbany's first-ever NCAA Regional champion, winning the Northeast championship in her hometown Buffalo to secure a qualifying berth to NCAA XC Championships. In the fall, football won its first-ever FCS Playoff game, defeating Central Connecticut State at home 42-14 to advance to the FCS Second Round.

On March 12, 2020 the 2019-20 athletics year was cut short due to the COVID-19 pandemic and the subsequent decision was made by the NCAA and its member conferences and institutions to cancel remaining winter and spring season events. All of UAlbany's winter sports had completed their seasons, but baseball, softball, and men's and women's lacrosse saw their seasons prematurely ended. Track & field and golf, defending America East and MAAC champions, respectively, had not yet had their spring seasons begin.

In 2018-19, UAlbany added eight conference championships to its total. Field hockey, women's soccer, women's cross country, men's and women's indoor track, men's & women's outdoor track as well as women's golf all won titles. Notably, women's cross country and track & field won the "Triple Crown," sweeping the cross country, indoor and outdoor championships.

UAlbany notched seven conference titles in the 2017- 2018 season, earning berths into four NCAA Tournaments, including men's lacrosse becoming the first SUNY men's program to reach a Division I Final Four. In addition, men's soccer got past Maryland for a place in the NCAA round of 32. Another pair of teams, women's basketball and volleyball, each earned postseason berths into the WNIT and the NIVC, respectively.

In 2016-2017, UAlbany earned nine America East titles and earned berths into six NCAA Tournaments, with men's soccer and men's lacrosse each hosting NCAA Tournament games as seeded teams and earning victories over Boston College and North Carolina, respectively. The women's basketball team earned its sixth-consecutive America East Tournament title while the men's and women's track teams earned four conference titles combined. The football team earned its best record as a CAA member at 7-4, including victories over FBS opponent Buffalo and NCAA Tournament participants New Hampshire and Saint Francis.

The Great Danes won eight conference championships in 2015-16 and made five NCAA Tournament appearances in field hockey, women's soccer, women's basketball, women's tennis, and men's lacrosse.

Throughout its Division I history, UAlbany has had 20 players selected in the Major League Lacrosse Draft, nine players drafted by Major League Baseball, and 18 sign NFL contracts. The Division I era has also produced UAlbany's first female Olympian, Grace Claxton, a semifinalist in the 400m-hurdles at the Rio 2016 Games competing for Puerto Rico.

UAlbany's nearly 500 student-athletes strive every day to be Great Leaders, Great Champions, and Great Danes.

**KATIE THOMSON - FIFTH SEASON AT UALBANY**

Katie Thomson, *née* Rowan, returned to the Capital Region and the University at Albany in June of 2018 when she was hired as the Great Danes' head coach, and begins her sixth season at the helm in 2024.

The Great Danes had one of their best seasons in program history in 2023, finishing 13-7, winning the America East Tournament and Regular-Season titles, and advancing to the Second Round of the NCAA Tournament. UAlbany went a perfect 6-0 against America East opponents and defeated Binghamton 14-13 in the America East title game. It was UAlbany's third-ever title and first since the 2012 season. Katie Pascale set a program and America East Tournament single-game record with 12 total points in the Great Danes' semifinal against New Hampshire. Pascale, the 2023 America East Midfielder of the Year and America East Tournament Most Outstanding Player, also set the program's single season record with 139 draw controls, and the program's career records for assists and total points. Pascale would earn Inside Lacrosse All-America Honorable Mention accolades for the second-straight season. Sarah Falk set the program's single-season record for goals scored with 72. In the First Round of the NCAA Tournament, UAlbany overcame a 10-3

deficit to upset #12 Virginia 16-14, with Falk scoring all seven of her goals in the second half. It was just the second victory over a ranked opponent in Thomson's tenure as head coach. The Great Danes' season ended in the Second Round with a narrow defeat to #5 Denver and the Pioneers' top-ranked defense, 8-6. At the end of the season, UAlbany led NCAA Division I teams in free-position percentage, ranked sixth in shot percentage, and ranked seventh in draw controls per game. Falk ranked fifth in goals scored and sixth in free-position percentage. Pascale ranked 11th in total points, 12th in draw controls per game, and 16th in total assists.

Thomson, a native of Delmar, N.Y., who was an assistant at UAlbany from 2011-2012, came to the Great Danes from Wagner, where she had served as head coach for the past three years, guiding the Seahawks to two Northeast Conference championships and NCAA Tournament appearances, including a preliminary round victory in her final season.

Thomson was named America East Coach of the Year in 2021. 2021 was a full season for UAlbany following the cancellation of the 2020 season after five games. UAlbany went 11-7 overall and 7-2 in the America East. Seven of UAlbany's 18 games were against ranked opponents, including three against conference opponent Stony Brook. The Great Danes also hosted Syracuse, whose head coach, Gary Gait, was Thomson's coach during her time with the Orange. Another highlight on the schedule was a visit to then-#20 Drexel. The game featured a reunion for goalkeeper Georgia Schneidereith with two of her three quadruplet sisters. Katie Pascale was named America East Rookie of the Year, the third-straight year the Great Danes won the award (Kendra Harbinger, 2018; Hailey Carroll, 2019). Pascale was also named All-Conference Second Team and All-Rookie. Clancy Rheude was named America East Co-Defensive Player of the Year, as well as All-Conference First Team and All-Rookie. Madison Conway and Kyla Zapolski each earned All-Conference First Team honors, and Schneidereith, Harbinger, and Jordyn Marr were named to the Second Team. Finally, Carroll, Marr, and Kadi Futia were named All-Academic. UAlbany made its 10th-straight appearance in the America East championship game, and ninth-straight matchup in the title game against Stony Brook. Finally, three players, Harbinger, Zapolski, and Conway, scored their 100th career goals.

On March 12, the 2020 season was cut short after five games due to the outbreak of COVID-19 and the subsequent decisions made by the NCAA and its member conferences and institutions to cancel spring events. UAlbany, picked second in the preseason conference poll and returned all but one player from the 2019 roster, had gone 3-2 before the season was ended. Senior Sam Tortora, who entered the season as the program's career leader in assists, recorded her 100th career assist on March 11 at Siena, in what would become the final game of the season.

In Thomson's first season, UAlbany finished 11-7 overall, qualifying for their ninth-straight America East title game. The Great Danes boasted eight America East All-Conference First Team selections, including Offensive Player of the Year Madison Conway. Additionally, midfielder Sam Tortora set the program's career record for assists, setting up Conway to cap off a comeback victory against New Hampshire in the regular season, before settling on 92 assists through her junior year.

Thomson, who was a three-time First-Team All-American at Syracuse before graduating in 2009, has plenty of championship experience.

The Bethlehem High School graduate (Class of 2005) has been to 11 NCAA Tournaments: three as a player, four as an assistant coach at her alma mater, two as an assistant at UAlbany and two more at Wagner. Thomson also won Federation of International Lacrosse World Cup gold medals with the U.S. Women's National Team in 2009 and 2013.

Thomson has played and coached at the highest levels of college lacrosse.

At Syracuse, she led the nation in scoring in 2008 on her way to totaling 396 points (232 goals, 164 assists) in her career. She set Syracuse single-season records for points (142) and assists (69) in helping the Orange to the 2008 Final Four and was a four-time All-BIG EAST First-Team honoree.

After graduating with bachelor's degrees in inclusive education/special education and sociology, she spent a year as a volunteer assistant coach with the Orange before taking a job at UAlbany before the 2011 season. That year, she helped the Great Danes win an America East championship, enjoy an 18-game win streak and reach the NCAA Tournament quarterfinals. UAlbany repeated as league champions and returned to the NAAs in 2012.

Thomson returned to Syracuse as an assistant before the 2013 season. Working with the Orange's offense, she coached three First-Team American attackers: Alyssa Murray, Kayla Treanor and Halle Majorana.

Thomson posted a 31-27 record at Wagner, a mark that includes a 14-6 campaign in 2018.

TAYLOR FRINK

Assistant Coach • UAlbany '11 • 8th season

Taylor Frink, an alum of the University at Albany in the Class of 2011, has returned to her alma mater and enters her seventh season as an assistant coach with the Great Danes in 2023.

In 2017, Frink assisted the offense to average 13.5 goals per game en route to a 12-6 overall record and the program's second-ever at-large berth into the NCAA Tournament. Sarah Martin earned America East Midfielder of the Year and a First Team All-American by the IWLCA and Inside Lacrosse after ranking second in Division I with 6.06 points per game. Two UAlbany players ranked in the top-10 in Division I in goals per game, assists per game and shot percentage. Offensive players Dakotah

Savitcheff, Kenzie Neal and Emma Powlin also earned America East All-Conference honors.

In her first season as an assistant in 2016, Frink helped the UAlbany offense to rank second in the America East with 11.76 goals per game. Three UAlbany offensive players, Rachel Bowles, Alie Jimerson and Dakotah Savitcheff earned IWLCA All-Northeast Region honors plus America East All-Conference honors, with Bowles and Savitcheff each being placed on the First Team. She helped the team go 11-6 overall and reach the America East title game.

She previously spent three years as an assistant coach at Davidson University. With the Wildcats, Frink guided Davidson through the transition to the Atlantic 10 conference in 2015 from the Big South. Frink coached the Wildcats to a 13-1 record in Big South play from 2013-14. The 2014 squad set a new program record for total wins with 12 behind the offensive efforts of Ann Fucigna and Emily Cooke. The duo under Frink's direction now ranks first and second, respectively at Davidson in career points.

Frink spent the 2011-12 season at Longwood, where she coached two All-National Lacrosse Conference selections in Kathleen Battle and Hannah Riggs.

Frink was a key component of the regular season undefeated UAlbany women's lacrosse squad of 2011. She led the America East in points (83) and assists (49) en route to the Purple & Gold's first league tournament championship. At attack, she was a 2011 IWLCA All-Region selection as well as an America East All-Conference First Team selection her senior season.

Frink ranks among the program's all-time leaders in career points (171) and assists (82) in 66 games played in the Great Dane uniform. She was an integral part of UAlbany's first program wins in 2009 and 2011 against nationally-ranked opponents.

An Under Armour All-American out of high school, the Baldwinsville, N.Y., native received her degree in sociology from UAlbany in 2011.

LEAH GALLAGHER

Assistant Coach • Notre Dame '15 • 6th season

Gallagher arrives at the University at Albany in July 2018 after spending the previous season as the defensive coordinator at Army West Point. Before her stint with the Black Knights, Gallagher coached under current UAlbany head coach Katie Thomson for two seasons at Wagner College.

Gallagher is a former defensive standout at the University of Notre Dame where she captained the team during her senior season in 2015. She was a three-year starter for the Fighting Irish and started in all 20 games during her senior campaign. A four-year letter-winner, Gallagher played in 69 career games and totaled 54 ground

balls and 32 caused turnovers. She was a member of the first Fighting Irish senior class to make four consecutive NCAA Tournament appearances.

A 2011 graduate of Radnor High School, Gallagher was a three-sport athlete who lettered in lacrosse and basketball and one year in field hockey. She helped lead the Raider lacrosse team to consecutive state titles from freshman to junior year.

Ranked in the top-five nationally as a freshman and junior, Gallagher served as a team captain as a senior. Her brother, Marty, was the 2011 lacrosse captain at the U.S. Naval Academy.

Gallagher graduated from the University of Notre Dame in 2015 with a degree in Information Technology Management, and earned her MBA in Finance from Wagner in 2017.

Coaching Assistant • Oregon '22 • 1st season

Following her one season as a player at the University at Albany in 2023, Shonly Wallace returned to the team on the sidelines as a member of the coaching staff.

Wallace scored 51 goals and added five assists for a total of 56 points in her lone season as a Great Dane, bolstering UAlbany's offense alongside Katie Pascale, Sarah Falk, and Bryar Hogg, each of whom recorded more than 50 points during the 2023 season. Wallace appeared and started in 18 of UAlbany's 20 games in 2023, including both games in the NCAA Tournament, the upset of #12 Virginia and the Second Round matchup at #5 Denver.

Midfielder of the Year

For the second-straight season, Katie Pascale has been named America East Midfielder of the Year. Pascale is the first Great Dane to outright win back-to-back major awards. In 2010 and 2011, Nikki Branchini won Player of the Year honors, but shared the award in the 2011 season. She is also the first Great Dane to win three major awards, following her Rookie of the Year selection in 2021. Before missing most of the final two games of the 2024 regular season with an injury, Pascale had scored 69 points on 37 goals and 32 assists, won 32 ground balls and 69 draws, and forced 18 turnovers. Despite the time missed, she finished the 2024 regular season as the America East leader in points per game, ranked second in total assists and assists per game, ranked third in total points and ground balls per game, ranked fourth in draw controls per game, and ranked sixth in caused turnovers per game. She ranked fifth or better among active Division I players in total points, points per game, total assists, and assists per game, and ranked 12th in total draw controls. Pascale had also climbed the America East record books, ranking fifth or better in career points, assists, and draw controls. Finally, Pascale holds three UAlbany career records, in total points, assists, and draw controls, and ranks third in goals. Pascale is the only member of the women's program, and one of just three UAlbany lacrosse players in history to score 300 points in a career, following Lyle Thompson and Connor Fields, and one of five America East women and seven America East players to do so.

Goalkeeper of the Year

For the first time in program history, the UAlbany women's lacrosse program had a player win Goalkeeper of the Year. Grace Cincebox took home the Great Danes' first such award after posting a 5-1 record against conference opponents, and leading the conference in minutes played, total saves, and saves per game. Against America East opponents, Cincebox recorded a league-best 9.25 goals-against per game and .478 save percentage.

Defender of the Year

Mackenzie Salentre earned UAlbany's first-ever outright America East Defender of the Year honor, with the two previous winners, Christine Johnson and Clancy Rheude, sharing the award in 2016 and 2021, respectively. Salentre anchored a Great Danes defense that ended the season on a high note, allowing just two goals in the second half in each of the final three regular-season games. Salentre led the America East in caused turnovers with 26, and ranked second in caused turnovers per game. She also ranked third in ground balls, and tied for fourth in ground balls per game.

All-Conference

The UAlbany women's lacrosse team pulled down a total of 14 America East All-Conference Accolades and major awards following the conclusion of the 2024 regular season. Katie Pascale repeated as Midfielder of the Year and earned a spot on the All-Conference First Team for the third time. She was joined on the First Team by Grace Cincebox, Goalkeeper of the Year, and Mackenzie Salentre, Defensive Player of the Year, as well as by draw specialist Haley Phalines. Grace McCauley and Skylar Baur earned All-Conference Second Team honors for midfield and defense, respectively, and Kloey Roos and Mikaela Mooney landed spots on the All-Rookie team. Finally, Pascale and Phalines earned All-Academic honors, with Pascale earning her third and Phalines her first.

Top-Seed

For the third-straight season, the UAlbany women's lacrosse program locked up home field advantage in the America East Tournament. The Great Danes shared the regular-season title in 2024 with Binghamton, but had defeated the Bearcats in the regular season, 15-13.

NOTES

Regular-Season Champions V

For the fifth time in program history, the UAlbany women's lacrosse team won the America East regular-season title. In 2024, UAlbany shared the title with Binghamton, with both teams finishing 5-1 against conference opponents. UAlbany defeated Binghamton in the regular season. UAlbany's last shared title came in the 2014 season with Stony Brook.

Locking Down

Over the final three games of the 2024 regular season, the Great Danes defense stepped up their play, allowing just two goals after halftime to UMass Lowell, Le Moyne, and New Hampshire. UAlbany trailed or was tied at the half against each of the three opponents, but ultimately outscored each by a combined 26-6.

Five-Spot

Freshman midfielder Mikaela Mooney had a career game in the 2024 regular-season finale at New Hampshire. Mooney finished with a career-high six points on a career-high five goals plus one assist. Over a five-minute stretch in the third quarter against the Wildcats, Mooney rolled off four-consecutive goals, and added her fifth with 4:25 remaining in the fourth.

Three for Three

Through the first 42 games of her career, Megan Dineen scored 13 total goals. After moving into a starting role late in the 2024 season, Dineen rolled off back-to-back-to-back games scoring three, three, and four goals, bringing her career total to 23. Dineen's first career hat trick against UMass Lowell on April 20, was a career-high in goals scored, matched in her very next game against Le Moyne, and surpassed by one in the regular-season finale at New Hampshire.

Triple Threat

In the 2024 regular season home and non-conference finale, three Great Danes scored three goals to power UAlbany's victory over Le Moyne. Emma Weaver led the trio with three goals and one assist, while Megan Dineen and Allie Maloney each recorded a hat trick. Additionally, Bryar Hogg scored one goal and added three assists.

Two for Three

Senior attacker Megan Dineen recorded a career-high three goals against UMass Lowell for the first hat trick of her career. In the very next game, against Le Moyne, Dineen repeated the feat, again scoring three goals. With one game remaining in the 2024 regular season, Dineen had scored 19 career goals, six of which had come in her previous two games. Dineen also scored the first goal of the game against both UMass Lowell and Le Moyne, each coming in the games' opening minute.

Clinched

With the team's 10-7 victory over UMass Lowell, the Great Danes clinched a spot in the America East Tournament for the 17th-straight season. After the game, in which UAlbany held the 11-win River Hawks to their lowest scoring output of the season, The Great Danes climbed back into first place in the conference standings with one game remaining in the regular season.

Streak Ended

The Great Danes' one-goal defeat at UMBC ended a long streak of victories against America East opponents. It was the team's first loss to a conference opponent since falling to Vermont in the 2022 America East title game on May 7 (701 days), the first loss in the regular season to a conference opponent since Stony Brook on April 30, 2022 (708 days), the first loss to a conference opponent in the regular season other than Stony Brook since Boston University on April 7, 2012 (4,383 days), and the first loss to an active America East opponent in the regular season since UMBC on March 24, 2012 (4,397 days). Since their defeat on March 24, 2012, UAlbany had gone 72-20 overall in the regular season and postseason against America East opponents, with 18 losses to Stony Brook and one each to Boston University and Vermont.

300

With 3:43 left in the second quarter at UMBC on April 6, 2024, Katie Pascale became the first member of the UAlbany women's lacrosse program to reach 300 career points, scoring an unassisted goal to tie the game at five. Pascale, who set the program's career points record late in 2023, reached the milestone in her 67th game with 159 goals and 141 assists. Pascale joins Lyle Thompson (2012-15, 400 points) and Connor Fields (2015-18, 364 points) from the men's program as the only Great Dane lacrosse players to reach 300 points in a career, and becomes the fourth active women's player to hit the milestone, as well as the fifth-ever America East women's player and seventh-ever America East women's

After recording just one assist in the first half, Katie Pascale scored six points in the second to finish the game with seven total points. Grace McCauley scored six goals, matching the

NOTES

total from Bryant's Kenna Kaut, the leading goal-scorer in the conference. Grace Cincebox recorded 13 saves, and kept UAlbany within striking distance in the first half, setting up the comeback effort in the second. The win was UAlbany's first this season after trailing at halftime, and first time the Great Danes had won back-to-back games.

Gauntlet

Through the season's first 10 games, UAlbany has played the ninth-toughest schedule in NCAA Division I, based on their opponents' records. The Great Danes opponents have collectively gone 63-31 for a win percentage of .670. Additionally, according to laxmath.com, UAlbany's strength of schedule to date ranks eighth based on the site's power rankings, and 11th based on RPI. After their game against Bryant, the Great Danes strength of record jumped from ninth to eighth nationally, and to sixth based on RPI.

Midseason

More accolades arrived at the doorstep of senior midfielder Katie Pascale. After the Great Danes' first 10 games of the season, Pascale was recognized by Inside Lacrosse as an All-America Honorable Mention, matching her honor from the 2024 preseason. In her first 10 games of the 2024 season, and against one of the toughest schedules in the country, Pascale leads the Great Danes with 28 goals, 25 assists, 53 points, and 56 draw controls. She has added 23 ground balls and 11 caused turnovers. In six games against #14 Johns Hopkins, #2 Boston College, #23 Brown, #3 James Madison, #1 Northwestern, and #7 Syracuse, Pascale has compiled a total of 25 points. She leads the America East in assists, assists per game, points, and points per game, and ranks second in draw controls and draws per game. Nationally, Pascale ranks eighth in points per game, 13th in points, 16th in assists, and 17th in assists per game.

Drawing

UAlbany tallied their most dominant performance in program history in the draw circle in the Great Danes' game at Vermont. Led by a second career-high performance in five games for Haley Phalines, who finished with 12 draw wins on the day, the Great Danes outdrew the Catamounts by single-game program record 19, finishing with a 23-4 advantage. UAlbany won 15 of the first 16 draws of the game, controlling possession and never allowing Vermont to gain momentum.

Power Play

The Great Danes capitalized on errors made by Vermont in their game against the Catamounts, overwhelming Vermont in scoring, going 6-0 in the first quarter, and 17-7 for the full game. One major contributing factor was the success the Great Danes had during their woman-up opportunities, converting their chances into six goals, a single-game program record.

Seven Threats

Coach Thomson promotes the offensive philosophy of always having seven scoring threats on the field. This season, UAlbany has seen 11 players score two or more points in a single game, nine score three or more, and five score five or more. Against Vermont, nine players recorded at least one point, five recorded three or more, and three recorded five or more.

All-Time

Since starting the 2024 season ranked in the top-15 in America East career history in three categories, Katie Pascale has continued her ascent up league's the all-time rankings. Most recently, following her six-point, four-assist performance against Vermont, Pascale jumped into third place in conference history with 136 career assists, trailing just Kylie and Taryn Ohlmiller from Stony Brook. Pascale started the season ranked 15th in points, sixth in assists and fifth in draw controls, and after 10 games in 2024, now ranks fifth, third, and fifth, respectively.

Showdown

UAlbany's second conference game of the 2024 season, at Vermont, will feature a showdown between the league's top two statistical offensive players in Katie Pascale and Ava Vasile. Pascale leads the America East with 21 assists and Vasile leads with 38 goals, but, through nine games each, both players have accumulated 47 total points, sharing the league lead. Besides Pascale, Vasile was the only other active player ranked in the America East's top-15 in a statistical career category at the start of the 2024 season, ranking 11th with 199 draw controls. Pascale came out on top after the game, scoring twice and adding four assists for six total points, against Vasile's one goal.

Winnowing

At the start of the season, senior midfielder Katie Pascale ranked fifth in America East history in draw controls won in a career. Since then, she has moved into the top-five in conference history in two other categories, total points and total

assists. When she secured her fourth point against Syracuse, she moved into a tie for fifth place with former Boston University player, and current Vermont head coach Sarah Dalton, with the Catamounts, coincidentally, the next team on the Great Danes' schedule.

Making Strides

Last season's game against Syracuse was one of the more lopsided defeats UAlbany experienced. The Orange held the Great Danes to five goals and just 12 shots. Glaringly, Syracuse outdrew UAlbany 24-5 overall, including 15-2 after the first quarter. Despite a nine-point defeat this season, UAlbany cleaned up its draw game, holding a 13-6 advantage in the circle in the first half. The success on the draw was upended by poor ball control, with UAlbany committing 16 turnovers in the first 30 minutes. Syracuse regrouped in the second half to finish the game with just an 18-16 deficit on the draw, and UAlbany shored up its possessions, committing just eight turnovers in the second half.

Sequel Thriller

UAlbany opened their 2024 conference slate at home against Binghamton in a rematch of last season's America East title game. The Great Danes have owned the series against the Bearcats, winning each of the 24 meetings in the programs' Division I eras, but last season's championship was just the first decided by a single goal. That close result repeated in the 2024 opener, with UAlbany holding on to win by just two goals. It was just the fourth game in the now 25-game series decided by four goals or fewer. Katie Pascale paced the Great Danes yet again, scoring five goals and adding two assists, eight draws, and three ground balls, while Grace McCauley recorded a hat trick.

Climbing

With UAlbany's victory over Binghamton, head coach Katie Thomson's win total grew to 48 at the helm of the Great Danes, breaking a tie with Marylou Vosburgh, who coached UAlbany from 1996-2001. Thomson, currently in her sixth season, is now the second-winningest head coach in program history.

Accounting

Katie Pascale scored or contributed to five of UAlbany's eight goals on the road at top-ranked and defending national champion Northwestern. The Wildcats ran away from the Great Danes early, but Pascale kept involved on most of the Great Danes' offensive output, setting up Grace McCauley twice, and Ava Poupard once. During a six-minute stretch, Pascale scored or assisted on three-straight goals.

Double-Digits

The Great Danes' first victory of the season, 15-79 on the road at Colgate, saw Katie Pascale go off for a season-high 10 points on five goals and five assists, matching her second-best single-game performance in her career. She previously notched 10 points at New Hampshire on April 6, 2022, and surpassed the mark just once with a 12-point outburst in the 2023 America East semifinal against the Wildcats, which still stands as UAlbany's program record and the America East Tournament single-game record. Additionally, Haley Phalines had a career day in the circle, winning 11 of UAlbany's 18 draws on the afternoon.

Five-Spot

Another tough performance against a ranked opponent, this time #3 James Madison, saw UAlbany leading the Dukes on the road late into the second quarter, and trailing by just one into the third. Grace McCauley garnered the most attention on the day, scoring five goals, including four in the game's first 32 minutes. Additionally, both Katie Pascale, on three goals and two assists, and Bryar Hogg, on two goals and three assists, also recorded five points.

Stepping Up

Junior midfielder Courtney Rowe had a career-best performance in UAlbany's third game of the season, going off for four goals and one assist for a career-high five points. Rowe's previous career-high four points on four goals scored against #22 UConn on March 22, 2022 during her freshman season.

Draw Leader

Katie Pascale claimed yet another all-time program record in the Great Danes' third game of the season, at five-time defending MAAC champion Fairfield. Pascale finished the game with six draws, overtaking Nikki Branchini as the program's all-time leader with 285. She finished the game with 289.

Watch List

Senior midfielder Katie Pascale was one of 50 players named to the initial 2024 Tewaaron Award Watch List, annually recognizing the top collegiate men's and women's lacrosse players. Pascale was the only America East representative

NOTES

on the list, and is the fifth Great Dane in program history to be recognized as a candidate for the award, following Taylor Frink, Rachel Bowles, Sarah Martin, and Allie Phelan.

Close Late

Despite the final score of 15-7, the Great Danes played nearly evenly with #2 Boston College for most of the game. After falling behind 6-1 in the first quarter, UAlbany clawed back, outscoring the Eagles 5-2 over the next 28 minutes of game time, closing withing 8-6 early in the third and maintaining that score until Boston College scored twice in the final 1:18 of the quarter.

Caged

Grace Cincebox set a career-high in saves in the Great Danes' NCAA Second Round game at #5 Denver, stopping 14 of the Pioneers' shots. In her very next game, the 2024 season opener, Cincebox did one better, turning away 15 shots from #14 Johns Hopkins. Her saves total against the Blue Jays ranks in a tie for 10th-most in the program's Division I history in a single game. No Great Dane has exceeded 15 saves in a game since Katie Neer stopped 17 shots in 2009, and only two players, Neer and Jen Daly, have ever recorded more than 15.

Where She Left Off

Not missing a beat, Katie Pascale started her 2024 season in much the same way as she conducted her 2023 season. In the team's season-opener against #14 Johns Hopkins, Pascale scored a total of seven points, notching three goals and recording four assists. Additionally, Pascale won six draws, three ground balls, and caused one turnover, solidifying her all-around performance. Her efforts earned America East Offensive Player of the Week honors.

Danes Helping Danes

The University at Albany Athletics Department is asking its "Great Dane Family" to come together in support of rescued Great Danes that were found in a hoarding situation earlier this month. It was reported that 22 dogs, all Great Danes, were rescued from a home in Dutchess County after the passing of their owner. The Great Danes, which ranged from puppies to two-year-olds, were said to be undernourished and confined to a house in extremely poor condition. The Great Danes are now being taken care of by local animal agencies including the Dutchess County SPCA, Ulster County SPCA, Ulster County Canines, Mid-Atlantic Great Dane Rescue League, and the Hudson Valley SPCA. Help is always needed and appreciated. All organizations are currently taking donations, with dog food being the biggest need by far. UAlbany adopted the Great Dane as the school's official mascot in 1965, becoming the first and only Division I university to use the enormous dog as its nickname. The Great Dane was chosen because of its "Size, weight, strength, character, courage, speed, and stamina".

Preseason Honors

Following her stellar 2023 season, Katie Pascale was named a 2024 Preseason All-America Honorable Mention by Inside Lacrosse. The reigning America East Midfielder of the year, Pascale earned the same distinction at the end of last year from the publication after setting numerous UAlbany program and America East Conference records.

Top-25

The start of the 2024 season will see a top-25 matchup for the Great Danes. Ranked #21 in the preseason national media poll, the Great Danes welcome preseason #14 John Hopkins to John Fallon Field for the first time to kick off their title defense.

Picked First

The Great Danes were the unanimous pick to win the 2024 America East title as picked by the league's coaching staff in the preseason poll. UAlbany landed 36 total points and all six available first-place votes, ahead of projected runner-up and 2022 champion Vermont, 29 points, and 2023 runner-up Binghamton, 28 points and the last remaining first-place vote.

Under-the-Radar & Underrated

Inside Lacrosse identified UAlbany as one of five women's teams in 2024 flying

under the radar after their impressive 2023 campaign that saw the team win their first America East title in more than a decade and upset #12 Virginia in the first round of the NCAA Tournament. Despite the departures of potent scorers Sarah Falk and Shonly Wallace during the offseason, the Great Danes return two 50-point scorers, Katie Pascale and Bryar Hogg, the former of whom Inside Lacrosse later named as the fourth most underrated Division I player in the country in 2024.

Schedule Strength

Once again, the Great Danes will boast one of the toughest schedules in the country. Highlighted by the presence of three of four 2023 Final Four teams, including both national champion Northwestern and runner-up Boston College, UAlbany's 2024 schedule features seven teams that earned berths into the 2023 NCAA Tournament, three 2023 conference champions, and six teams ranked in the final media poll of 2023, including each of the top three. Five opponents landed spots in the 2024 national media and coaches' poll, including three earning spots in the top-six.

PLL Year Six

Tom & Mary Casey Stadium on the campus of UAlbany will once again host opening weekend and training camp for the 2024 season of the Premier Lacrosse League. Games will take place May 31 through June 2, and feature the inaugural home games for the newly-designated New York Atlas. As part of the shift to home venues, the Atlas will play twice during opening weekend.

45

For her senior season, attack Bryar Hogg will change her number from 11 to 45, which holds a special significance for Canadian players, and particularly from those who attended The Hill Academy, where Hogg attended high school. The number honors Jamieson Kuhlmann, who passed away following an in-game collision in 2008. Hogg inherits the number from Mackenzie Beam, another Hill Academy player who switched from 91 to 45 last year. Hogg also now wears the same number as her brother, Graydon, who has worn 45 for his entire career on the UAlbany men's team.

The Hidden Opponent

Junior attack Ava Poupard has assumed the role of president of the UAlbany chapter of the Hidden Opponent, a national nonprofit organization that strives to educate, break the stigma around student-athlete mental health, and honor lives lost.

Olympics

The International Olympic Committee approved the addition of lacrosse sixes for inclusion in the 2028 Olympic Games in Los Angeles. Lacrosse was one of five sports, with baseball and softball, cricket, flag football, and squash, to gain approval from the governing board. A decision regarding the Haudenosaunee national team participation is forthcoming.

Top-100

Inside Lacrosse named newcomer Mikaela Mooney to their 2024 freshman top-100 list ahead of the new season. Mooney, an attacker, is the latest recruit to join the Great Danes from Bayport-Blue Point High School, and earned All-America honors in 2023 after winning the 2023 New York State title, scoring 79 goals with 43 assists in a career in which Bayport-Blue Point went 53-3 in 56 games.

Super Sophomore

Ahead of the 2024 season, Inside Lacrosse recognized Grace Cincebox on their list of sophomores to watch for the new year. As a freshman, Cincebox took over the starting job in goal for the Great Danes late in the season, finishing her first year with a record of 9-2, starting each of UAlbany's final eight games. After winning the America East title over Binghamton and upsetting #12 Virginia in the first round of the NCAA Tournament, Cincebox allowed a season-low eight goals for a full 60 minutes against #5 Denver in the second round, while making a season-high 14 stops against the Pioneers.

Fall Classic

Continuing UAlbany's tradition of competing on an international prior to, during, and after their Great Danes' careers, sophomore midfielder Emma Torkoff had the opportunity to represent Team Canada at the 2023 USA Lacrosse Fall Classic in Sparks, Md. Torkoff competed on Canada's U20 team, and will undergo evaluation for inclusion on the roster that will compete at the 2024 Women's U20 Championship in Hong Kong in August.

Box Training

UAlbany alumnae Emma Powlin ('18) earned an invitation to participate in the

NOTES

2024 Team USA Box Training Camp. USA Lacrosse selected 48 players to participate in the team's build up for the first-ever Women's World Lacrosse Box Championships, to take place in Utica, N.Y. in September, 2024. Powlin, who finished her UAlbany career with 72 assists, is one of 42 runners on the training roster.

2023 Super Sixes

UAlbany women's lacrosse once again made its presence felt on the national stage, with two members of the program competing in the 2023 World Lacrosse Super Sixes tournament in Oshawa, Canada. Coaching Assistant Shonly Wallace, competing for Team Canada, and freshman Paisley Cook, competing for Team Haudenosaunee, took the field against one another, as well as against Kenya and the United States. Both Wallace and Cook made return appearances for their nations at the Super Sixes in 2023.

Sidelines

After her one season at UAlbany, Shonly Wallace will remain a part of the Great Danes team and move into a role on the coaching staff. Wallace joins Coaches Thomson, Frink, and Gallagher as a Coaching Assistant in 2024 as she completes her graduate degree at the University. Wallace made an immediate impact on UAlbany upon her arrival, finishing her lone year with 51 goals and five assists and earning All-Conference First Team honors.

Break Opportunities

No stranger to its student-athletes partaking in exciting and interesting work opportunities over their summer and winter breaks, with former players such as Erin Leghart interning at NASA and Ava Katinas and Abby Stack completing a rotation in medical facilities in Thailand, the women's lacrosse team saw that trend continue in the summer of 2023. Alexa Driscoll landed an internship at Boeing, while Courtney Rowe and Emma Weaver took the same opportunity as and spent a few weeks working in medicine in Thailand.

Rewriting

Katie Pascale broke several UAlbany and America East records during the 2023 season. She took over as the program's career leader in total points, 237, and total assists, 111, as the program's single-season leader in draw controls, 139, and as the program's single-game leader in total points, 12. Her single-season draws total and single-game points total were also America East Conference and America East Tournament records, respectively.

4 x 50

The 2023 Great Danes ended the season featuring four players who scored 50 or more points. Katie Pascale led the way with 92, followed by 78 from Sarah Falk, 57 from Bryar Hogg, and 56 from Shonly Wallace. Pascale and Hogg return for the 2024 season.

Leaders

UAlbany ended the 2023 season as the best team in Division I in free-position percentage, successfully converting at a rate of .560, ahead of second-best Virginia Tech's .548. Sarah Falk (18) and Shonly Wallace (14) were the Great Danes' most prominent contributors of free-position goals, but UAlbany returns three players, Katie Pascale, Bryar Hogg, and Grace McCauley, who each scored at least five.

Ranking

After their historic run in the 2023 NCAA Tournament, the Great Danes finished the year ranked #18 in the final Inside Lacrosse/IWLCA Media Poll. The ranking was UAlbany's first since landing #24 in the 2018 preseason poll.

Win Totals

UAlbany's 13 victories in 2023 are the most in a single season since winning 14 in 2015, and the most since Katie Thomson took over as head coach in 2019. The Great Danes as a program have won at least 13 games in five seasons now: 18 in 2011, 14 in 2014 and 2015, and 13 in 2010 and now 2023.

Shocked the World

After trailing by seven in the third quarter, UAlbany rallied to upset #12 Virginia in the First Round of the NCAA Tournament, 16-14. UAlbany outscored Virginia 13-7 in the second half, and 13-4 after trailing by seven. It was UAlbany's second-ever victory in the NCAA Tournament, following a defeat of Dartmouth, 10-7, in the 2011 First Round, and the second victory over a ranked opponent of the Katie Thomson era.

All-Region

For the third-straight season, midfielder Katie Pascale earned IWLCA All-Northeast honors. In 2023, Pascale earned her second Second Team selection, previ-

ously earning Second Team honors following her freshman year. As a sophomore, Pascale became the first Great Dane to earn First Team honors since Sarah Martin in 2017. Pascale was once again one of the top players in the America East in 2023, leading the league in points, assists, and draws.

Champions III

For the third time in program history, and the first time since 2012, the UAlbany women's lacrosse team won the America East title. The Great Danes defeated the two-seeded Binghamton Bearcats in a 14-13 thriller at home on John Fallon Field and ended a nine-game losing streak in the title game. Sarah Falk and Shonly Wallace powered UAlbany's offense, scoring five goals apiece.

Record-Breaker

Junior midfielder Katie Pascale set or tied four records in UAlbany's America East semifinal victory over four-seed New Hampshire. With her third assist of the game, Pascale broke Sam Tortora's record for career assists, previously 101. Pascale scored 12 total points in the game to set UAlbany's single-game record as well as the America East single-game tournament record. Finally, Pascale's seven goals tied the America East single-game tournament record.

Midfielder of the Year

Katie Pascale was named just the second America East Midfielder of the Year in program history, following Sarah Martin in 2017. Pascale, for the second-straight season, is UAlbany's leading scorer, totaling 69 points behind 38 goals and 31 assists. Additionally, Pascale has won 108 draws, overtaking the program's single-season record. Pascale is further closing in on the program's career points, assists, and draws record.

Regular-Season Champions III

For the first time since the 2011 season, the UAlbany women's lacrosse team won the outright America East regular season title. It is the program's third outright title and fourth overall, having more recently shared the title with Stony Brook during the 2014 season. UAlbany finished 2023 a perfect 6-0 against America East opponents.

Unbeaten III

With their win over Bryant to close the 2023 regular season, the Great Danes clinched their first unbeaten-in-conference season since 2011, and just their third overall. UAlbany defeated all six America East opponents on their schedule this season, having suffered no more than two-losses in-conference each season since 2013.

ESPN

The America East announced a new partnership with ESPN for the 2023 women's lacrosse season. The deal will see the 2023 conference title game broadcast live on ESPN for the first time. The change also shifted the dates of the conference tournament from May 4 and 6 to May 5 and 7. The title game will be played May 7 at 10:00 am.

2022 Super Sixes

Bryar Hogg continued her international play in the fall at the World Lacrosse Super Sixes Tournament in Canada. She was joined by new teammate Shonly Wallace, a graduate transfer from Oregon. Canada defeated the Haudenosaunee National Team in the final to win the gold medal.

World Games

Former Great Dane Ivy Santana competed for the Haudenosaunee Women's National Team at the 2022 World Games in Birmingham, Alabama. Lacrosse at the World Games was played with the sixes format, and featured a field of eight teams. Additionally, former UAlbany players Lyle Thompson, Ron John, and Tehoka Nanticoke competed on the Haudenosaunee Men's National Team.

World Championships

Three members of the Great Danes' program competed internationally at the 2022 World Lacrosse Women's World Championship in Baltimore over the summer. Assistant coach Taylor Frink and attack Ivy Santana competed for the Haudenosaunee National Team while Bryar Hogg competed for Team Canada. Canada won the silver medal, falling to Team USA in the championship game, while 12th-ranked Haudenosaunee finished seventh.

Mainstays

The UAlbany women's lacrosse team has made 12-straight trips to the America East title game, winning the conference tournament in 2011, 2012 and 2023. Before 2023, the Great Danes had met departed conference rival Stony Brook in nine-straight finals.

NOTES

#21 Retired

Syracuse University announced in August, 2021 that Katie Thomson will have her jersey honored in a ceremony during the 2021-22 academic season. Thomson is one of four former Orange student-athletes selected for the honor this season, and one of three women, with Felisha Legette-Jack and Anna Goodale. This group of four, including former men's lacrosse star and current men's lacrosse head coach Gary Gait, who coached Thomson when she played for the Orange, are the first to receive the honor outside the Orange's primary revenue sports. Further, Thomson, Legette-Jack, and Goodale are the first women to receive the honor in Syracuse history. The ceremony took place on February 20.

2021 Coach of the Year

Third-year head coach Katie Thomson was named 2021 America East Coach of the Year, the first such award in her career at UAlbany. Thomson guided the Great Danes to a 10-6 overall record in 2021, including 7-2 in-conference, while securing the two-seed in this year's America East Tournament. The team will make its 13th-straight postseason appearance, and earns its 11th top-two seed during that span. 2021 marked Thomson's first victory over a ranked opponent in her career as UAlbany head coach, with the Great Danes defeating #20 Hofstra at home by a score of 18-7.

Ranked Victory

In her third season, UAlbany head coach Katie Thomson recorded her first victory over a ranked opponent when her Great Danes dominated #20 Hofstra 18-7 at John Fallon Field on March 9, 2021. In her first three seasons, Thomson had her team played against nine ranked opponents, including top-ranked Boston College in 2019, as well as multiple games against Thomson's alma mater Syracuse and conference rival Stony Brook.

Haudenosaunee International

The UAlbany coaching staff spent two stints with the Haudenosaunee national program in the summer and fall of 2019, first with the U-19 team and next with the senior national squad. Head coach Katie Thomson and assistant coaches Taylor Frink and Leah Gallagher served as assistant coaches under Ronnie Davis, the former head coach of Monroe Community College, on the sidelines for Haudenosaunee in the U19 World Championships. Haudenosaunee placed ninth overall, earning victories over Belgium, Israel, Mexico, and Hong Kong. Later in the fall, Thomson and Gallagher once again found themselves on the Haudenosaunee sidelines, this time for the senior national team at the inaugural Pan-American Lacrosse World Qualifiers, presiding over a roster that included Frink on the attack. Thomson and her assistants led Haudenosaunee to the gold medal, defeating Columbia, Jamaica, Mexico, and finally Puerto Rico in the championship game. Frink played in all four games, scoring five goals with seven assists, finishing as the seventh-leading scorer in the tournament. The World Women's Lacrosse Championships take place in July, 2021.

WPLL

In 2019, for the second season, head coach Katie Thomson helmed the Pride of the Women's Professional Lacrosse League. Joining Thomson on the sidelines was assistant coach Taylor Frink. Thomson led the Pride to the WPLL semifinals against the Brave, bringing into the game the league's co-leading team in scoring. The Pride and the Brave further combined to field three of the four players who shared the lead league in individual scoring. The Brave defeated the Pride 15-10 to advance to the WPLL championship game against the Flight, ultimately claiming the league championship.

PLL Year Five

The Premier Lacrosse League hosted its opening weekend at UAlbany for the second straight season, where five former Great Danes took to Bob Ford Field at Tom & Mary Casey Stadium in front of their former home crowd. TD Ierlan and the Redwoods opened against Trevor Baptiste and the Atlas in a marquee faceoff specialist matchup, with the Redwoods coming away with a 13-12 victory. Connor Fields scored four goals to lead the Archers over the Cannons. Finally, the Chaos, boasting three former Great Danes in Blaze Riorden, Troy Reh, and Jakob Patterson, fell in overtime to the Waterdogs in a rematch of the 2022 PLL title game. By the end of the season, Fields became the third former Great Dane to win a PLL championship when the Archers defeated the Waterdogs 15-14. Riorden earned his fourth-career Oren Lyons Goalie of the Year award, while Fields, Reh, and Ierlan were each finalists for player of the year honors for their respective positions.

AMERICA EAST CONFERENCE UNVEILS TRANSFORMATIVE NEW BRAND IDENTITY

BOSTON – Embracing its rich history while simultaneously preparing for unparalleled future success, the America East Conference, on February 21, 2024, unveiled a transformative new brand identity. The revamped look centers around a dynamic and powerful primary mark that boldly accentuates the conference’s name as well as a compelling narrative built on the core values of unity, toughness and unyielding resolve.

“Our new brand identity makes a bold statement about the character and commitment of our student-athletes and the tenacity of our member institutions,” said America East Commissioner, Brad Walker. “College athletics finds itself in an incredibly dynamic time, but through a true collaborative process, the America East has come together to showcase itself as a well-established and tightly knit league ready to differentiate itself within the college landscape. I’d like to thank the America East Conference Board of Presidents for spearheading a conference assessment exercise that resulted in new brand identity that is distinctly ours and showcases our greatness.”

The conference’s new tagline “Where Champions Rise” recognizes America East’s determined and relentless student-athletes, whose drive to succeed represents the work ethic synonymous with the conference’s Northeast region footprint.

The new mark includes a bold font that clearly and proudly declares the conference name, America East. The shield design indicates strength and emphasizes the conference’s tight-knit geography along the I-95 corridor. The star and Americana color scheme are an ode to the conference’s roots as well as its expansive and successful 45-year history.

“The America East Conference consists of high-quality academic institutions committed to excellence and remarkable student-athletes who work tirelessly every day to succeed athletically and in the classroom,” said University of Maine President and Chair of the America East Board of Presidents, Joan Ferrini-Mundy. “Their efforts leave an indelible imprint on their campus communities and the new America East brand identity perfectly aligns with what they are striving for and who we are as academic institutions.”

As part of the conference rebrand, the new mark and color scheme will begin appearing on all conference content and collateral immediately, including a new-look official conference website, americaeast.com, that was developed in partnership with SIDEARM Sports. A soft implementation will take place on

campuses this winter and spring with a full integration launching for the 2024-25 academic year.

The new brand positioning and visual identity was developed in partnership with Legend Labs, a leading brand and communications consulting firm. The collaborative process began in 2022 and was influenced by a diverse range of stakeholders, including Presidents, Athletics Directors, Senior Woman Administrators, marketing and communications experts, student-athletes, and alumni.

“It’s not an easy task to have so many stakeholders come to consensus regarding a new conference brand,” said University at Albany Director of Athletics, Mark Benson. “The process led by Legend Labs was extremely thorough, thought provoking, and included conference leadership, student athletes, coaches, and administrators. The end result captures the essence of the America East story in an exciting and fresh manner.”

America East has excelled as an elite Division I athletic conference since 1979.
