University at Buffalo football head coach Lance Leipold has announced the number 41 jersey will once again be worn by a different player each game to honor the legacy of former Bull Solomon Jackson who passed away in 2016.

In 2016 and 2017, players were chosen by the coaching staff to wear "41" for the entire year. Cornerback Boise Ross wore it for the 2016 season, while linebacker Jarrett Franklin wore it in 2017.

This is the third season the coaching staff will rotate #41 on a weekly basis.

Solomon Jackson passed away unexpectedly following an offseason workout on February 29, 2016. Jackson, respected and beloved by his teammates, played both linebacker and defensive end over his career. The slogan ALL41 is a prominent fixture throughout the Murchie Family Football Center to honor his legacy.

Bulls Hit the Road to face Bowling Green on Tuesday Night

The University at Buffalo football team will travel to Bowling Green to take on the Falcons on Tuesday night. The Bulls are coming off a 42-10 win over Miami (OH) last Tuesday. The Bulls were led by quarterback **Kyle Vantrease** who threw for a career-best 353 yards and four touchdowns against the RedHawks.

Bowling Green is coming off a 63-24 loss to Kent State last Tuesday night. The Falcons are led by linebacker Kholbe Coleman who has 23 tackles and 1.5 tackles for loss on the season.

Bowling Green leads the all-time series, 11-6. The Bulls won the last meeting, 49-7, at UB Stadium last season.

Breakout Game for Vantrease

Kyle Vantrease had the best game of his career against Miami (OH) last Tuesday night. The junior signal-caller threw for 353 yards and four touchdowns against the RedHawks - both career highs. He was perfect in the second half, going 9-for-9 for 229 yards and three touchdowns. He had touchdown passes of 82, 78, 25 and 5 yards. His previous longest career pass was a 61 yarder against Ohio last season.

Vantrease was the first UB quarterback to throw for 300 yards in a game since Tyree Jackson posted 358 yards passing against Miami (OH) in 2018.

Vantrease currently leads the MAC in passing yardage per game with a 292 ypg average.

Mr. 3,000

Against Miami (OH) last Tuesday night, running back **Jaret Patterson** went over 3,000 yards for his career, becoming the fastest player in school history to reach the milestone (29 games). He is currently tied for fourth in school history in career rushing yards with an opportunity to move up quickly.

Second Half Adjustments

The third quarter has been the best quarter for the Bulls this season. UB has scored 21 third-quarter points in each of

their first two games. In fact, in Buffalo's win over Miami (OH), the Bulls scored on its four possessions of the second half, with scoring drives of 81, 82, 62 and 84 yards.

Big Play Bulls

The Bulls have used big plays to find the endzone so far this season. They have already scored six touchdowns of 40 yards or more. Against Miami (OH), **Kyle Vantrease** had a 78-yard touchdown pass to **Trevor Wilson** and an 82-yard touchdown pass to **Antonio Nunn**. It marked the first time in UB's FBS era (since 1999) that it had two touchdown passes of 78 or more yards in the same game.

Long touchdown plays aren't limited to the offense as the Bulls scored on a 42-yard and 46-yard fumble recovery and a 65-yard pick six in the opener at Northern Illinois.

Taking Matters into their Own Hands

UB scored three defensive touchdowns in its 49-30 win at Northern Illinois on Wednesday. **Tim Terry** returned a fumble 46 yards for the first defensive score. On the Huskies very next possession, **Isaiah King** scooped up another fumble and dashed 42 yards for a touchdown. **Kadofi Wright** added a 65-yard pick six for the Bulls' third defensive score.

It was the first time the Bulls scored three defensive touchdowns in a game since 2015 when the defense also scored three times at FAU.

With three defensive touchdowns in the opener UB was already tied for first in the nation in defensive touchdowns.

Record-Breaking Night for Patterson

Jaret Patterson scored two rushing touchdowns in the opener at Northern Illinois to bring his career total to 35, breaking the school record for career rushing touchdowns. He broke the record of former All-MAC running back James Starks who rushed for 34 scores from 2006-08.

What's more impressive about Patterson's record is how quickly he got there. Patterson scored his 35th touchdown in only his 28th career game. Starks rushed for his 34th career touchdown in his 36th career game and Branden Oliver, UB's all-time leader rusher, scored

his 33rd touchdown in his 40th game.

Patterson added two more rushing touchdowns against Miami (OH) to bring his total to 37.

Building a Consistent Winner

Head Coach Lance Leipold has been able to build a consistent winning program since being hired prior to the 2015 season. The Bulls have won 26 games since the start of the 2017 season - going 6-6 in 2017, 10-4 in 2018 and 8-5 last year. Buffalo has also been one of the most consistent programs across the MAC over that same span, tying Ohio for the most wins since the start of 2017.

Wright Place, Wright Time

Senior linebacker **Kadofi Wright** scored on a 65-yard interception return against Northern Illinois. It was his third career defensive score that have all come over the last eight games. Wright forced and recovered a fumble for a touchdown at Akron on Oct. 19, 2019 and then, a week later, scored on a 40-yard interception return against Central Michigan. Wright was an All-MAC Second Team selection last season.

Nunn Better

Senior receiver **Antonio Nunn** continues to develop into one of the best targets in the Mid-American Conference. He is coming off his best season

in 2019 when he had 49 catches for 687 yards and six touchdowns en route to earning All-MAC Third Team honors. His 49 catches were twice as many as any other UB player (**Daniel Lee** was second with 23). Nunn had 49 of the Bulls' 155 catches last season (32%) and nearly half of the team's touchdown receptions (6 of 14 - 43%).

Nunn is off to a splendid start to the 2020 campaign as he has posted 100-yard performances in each of his first two games. He had six catches for 102 yards and a touchdown at Northern Illinois and five catches for 137 yards and a score against Miami.

On Your Marks

While **Jaret Patterson** got most of the headlines last season, running back **Kevin Marks** also had a breakout season for the Bulls in 2019. As a sophomore, The Virginia native rushed for a career-best 1,035 yards and eight touchdowns last year. It marked the first time in school history the Bulls had two 1,000-yard rushers in the same season. Marks had a rushing touchdown in each of the last six games of the regular season.

Marks has eight career 100-yard rushing games, including a 109-yard performance against Miami last week.

Marks joins Patterson on the Doak Walker Award watch list. Buffalo is one

of just nine schools in the country to have multiple candidates on the Doak Walker list.

Movement on the Offensive Line

The Bulls will be replacing three starters on the offensive line, but fortunately they have experienced players ready to move into starting roles. The Bulls will be replacing LT Evin Ksiezarczyk, RG Tomas Jack-Kurdyla and LG Paul Nosworthy.

Kayode Awosika has been the starting right tackle for the past two seasons and will make the move to left tackle in 2020. An All-MAC Second Team selection in 2019, Awosika is on the Outland Trophy watch list.

Mike Novitsky started all 13 games at center last season and is on the 2020 Rimington Trophy watch list.

Jake Fuzak will likely start at right tackle after starting the final two games of the 2019 season.

Jacob Gall started the final five games at right guard in 2018 and had one start in 2019. He will likely start at left guard this season.

Senior **Jack Klenk** made his first career start at the other guard spot against Northern Illinois. Sophomore **Gabe Wallace** and graduate transfer **Ray Thomas-Ishman** will also likely be in the rotation at guard.

Last season, UB's line blocked for an offense that rushed for a school-record 3,256 yards and allowed a program-low eight sacks, second fewest in the country.

Last Meeting

Buffalo 49, Bowling Green 7
Nov. 29, 2019 • UB Stadium • Buffalo, NY

BUFFALO, NY – Jaret Patterson rushed for a school-best 298 yards and scored a Mid-American Conference-record six touchdowns to lead the University at Buffalo football team to a 49-7 win over Bowling Green on Friday afternoon at UB Stadium. Patterson led a rushing attack that rolled up 455 yards on the ground, the most ever in a game in UB's FBS era.

Patterson wasted little time on his assault on the record book as, on the first play from scrimmage, he ripped off an 81-yard touchdown run to quickly give the Bulls a 7-0 lead. The sophomore running back scored on a 35-yard run on the Bulls' third possession and added a 30-yard touchdown run the following possession to give Buffalo a 21-0 lead at the end of the first quarter.

Patterson added a nine-yard and a one-yard TD run in the second quarter and by halftime, he had rushed for 272 yards and five touchdowns. The Bulls led the Falcons, 35-7, at the break.

Patterson scored his MAC-record sixth touchdown on a one-yard run early in the fourth quarter. He finished the game with 298 yards on 26 carries to break the single-game school record of 282 yards previously held by Jordan Johnson.

Kevin Marks tallied UB's final rushing touchdown on a three-yard run midway through the fourth quarter. He broke off a 70-yard run a play earlier to set up the score. Marks finished with 107 yards in the game to go over 1,000 on the season, joining Patterson as the first duo in school history to each rush for 1,000 yards in the same season.

"Getting those type of yards is awesome, but it's even more impressive to me when everyone knows that's what you're going to do," head coach Lance Leipold said. "We're not fooling anyone that we're running the football and that it's coming. For us to start off the game the way we did and to play at that level says a lot."

Quarterback Kyle Vantrease had a solid afternoon, finishing 10-of-14 for 131 yards in the game. Antonio Nunn had four catches for 67 yards and Daniel Lee and Zac Lefebvre each added two grabs.

The defense, led by Joey Banks' eight tackles, limited the Falcons to 187 yards of total offense. Matt Otwinowski added seven tackles, a tackle for loss and a pass breakup.

The Bulls finished the regular season 7-5, marking the first time since 1958 and 1959 UB has won seven or more games in back-to-back seasons. Buffalo will now await a likely bowl invitation.

HEAD COACH LANCE LEIPOLD

Now in his sixth season, head coach Lance Leipold continues to build the Buffalo football program into a consistent winner.

Leipold led Buffalo to its first ever bowl win in 2019, defeating Charlotte, 31-9, in the Makers Wanted Bahamas Bowl. UB finished the 2019 campaign with a record of 8-5, its third straight season of bowl edibility and second straight bowl berth, both program firsts. Two of Buffalo's four bowl berths in school history have come with Leipold at the helm.

Buffalo had a school-record 12 players named All-MAC in 2019, including running back Jaret Patterson who rushed for a school-record 1,799 yards and 19 touchdowns. The UB offense was paced by a rushing attack that has rolled up a program-best 3,256 yards on the ground. Running back Kevin Marks also rushed for 1,035 yards on the year, giving the Bulls two 1,000-yard running backs in the same season for the first time in school history.

The defense in 2019 was one of the best in program history. The Bulls ranked seventh nationally in total defense, allowing 291.9 yards per game and fourth nationally against the run, allowing 94.2 yards per game.

Leipold led the Bulls to a school-record 10-win campaign in 2018. The 10 wins, included a program-best 7-1 record in the Mid-American Conference, a MAC East Division title and the school's second trip to the MAC Championship game. Among the Bulls non-conference victories in 2018, included a 42-13 win at Rutgers, for the school's first-ever win over a Power 5 opponent. The Bulls earned an invitation to the 2018 Dollar General Bowl for just their third bowl game berth in program history.

Leipold was named the 2018 Mid-American Conference Coach of the Year as well as a semifinalist for the George Munger College Coach of the Year Award, presented yearly by the Maxwell Football Club.

Buffalo had the finest offensive campaign in school history in 2018. The Bulls scored 484 points, 64 touchdowns and rolled up 5,803 yards of total offense on the season - all school records. Quarterback Tyree Jackson was named the MAC Offensive Player of the Year - the first UB player to ever win the award. Running back Jaret Patterson was named the MAC Freshman of the Year after becoming the first freshman in school history to rush for 1,000 yards in a season. The Bulls had a school-record 10 players named to the All-MAC team, including six on the first team.

In 2017, he guided the Bulls to a 6-6 record and bowl eligibility for just the third time as an FBS program. The six wins were the fourth most in a season since the Bulls made the move to the FBS ranks in 1999.

The Bulls featured an explosive offense in 2017 that ranked second in the Mid-American Conference, averaging 432 yards per game and led the MAC with 291 passing yards per outing. UB's 5,183 yards of total offense were the third most in school history for a single season. The Bulls produced 20 plays of 45 yards or more and those 20 plays came from 10 different players.

Buffalo posted key wins against Conference USA Champion Florida Atlantic as well as a nine-win Ohio team. The Bulls finished the season with three straight wins for the first time as an FBS program. In addition, UB's six losses were by a total of 29 points, including two one-point losses and a three-point, seven-overtime loss.

In 2016, Leipold led a very young squad, featuring 42 new players. The Bulls were the fourth most inexperienced team in the nation. Buffalo earned impressive wins over Army (a bowl team) and Akron. Buffalo had four players named to the All-MAC team.

In 2015, his first with the Bulls, Leipold led UB to a 5-7 mark. He became the first UB head coach to win five games in his first season since Bob Deming went 6-3 in 1969.

Included in the Bulls five wins was a victory at Florida Atlantic - Buffalo's first non-conference road win since the 2009 season. The Bulls won three road games in 2015 - the most in UB's FBS era (since 1999).

The Bulls had five players named to the All-MAC football team in 2015, led by tight end Matt Weiser who was also named an Academic All-American - becoming the first UB football player in the modern era to earn the distinction. Leipold was named the 25th head coach in the history of the Buffalo football program on December 1, 2014.

Leipold came to UB from Wisconsin-Whitewater where he compiled an astounding 109-6 record and won six Division III National Championships over his eight seasons. A six-time National Coach of the Year, Leipold reached 100 career victories faster than any other coach in NCAA history - at any level.

Leipold has gathered multiple honors from as many as five football-related organizations. He earned his sixth American Football Coaches Association Division III Coach of the Year award in 2014. He has won the award more times than any active coach at any level. He passed the late Joe Paterno, who was a five-time recipient of the award.

In his first season as head coach at Whitewater, The Warhawks went 14-1 and won the national title. He led the Warhawks back to the national championship game in 2008, but they lost to Mount Union, 31-26. Wisconsin-Whitewater went 15-0, winning the national championship in 2009, 2010 and 2011 and won 46 straight games over that span. Following a 7-3 season in 2012, UWW went a perfect 15-0 and won the national championship in 2013 and followed with another perfect 15-0 season and a national title in 2014.

In Division III, where athletic scholarships aren't a part of the game, Leipold was able to recruit top-notch talent to the campus in southeastern Wisconsin. During his tenure, running back Justin Beaver earned the Gagliardi Trophy as the top player in Division III. Brent Allen earned the Division III Rimington Award as the top center. Jeff Schebler was the first recipient of the Fred Mitchell Award, given to the top placekicker in Division II or III. Tailback Levell Coppage earned D3football.com Offensive Player of the Year accolades, and Cole Klotz was selected D3football.com Defensive Player of the Year. Defensive back Jared Kiesow was named an NCAA Elite 88 Award winner. The Warhawks have piled up 56 All-America honors under Leipold's tutelage.

A native of Jefferson, WI, Leipold began his coaching career at Wisconsin-Whitewater in 1987 as a quarterbacks coach and then wide receivers coach. He moved to the University of Wisconsin from 1991-93 as a graduate assistant and helped the Badgers to a Big Ten title and a Rose Bowl appearance in 1993.

As an assistant coach at Division II Nebraska-Omaha from 1994-2000, Leipold helped turn the Mavericks from a 1-10 team in 1994 into three-time North Central Conference champions during his tenure. After being promoted to offensive coordinator in 2000, he moved on to the University of Nebraska, where he served for three seasons under current Ohio head coach Frank Solich. He was on the same staff as former UB head coach Turner Gill. The Cornhuskers competed in the national championship game in 2001 and earned bowl bids in 2002 and 2003.

He returned to Nebraska-Omaha to serve as associate head coach and offensive coordinator from 2004-06. The Mavericks finished 8-3 and won the conference championship each of his three seasons.

Leipold is a 1987 graduate of Wisconsin-Whitewater where he was a standout quarterback for the Warhawks. He ranks second in school history in career pass attempts (647), fourth in yards (4,277), sixth in completions (303) and tied for 10th with 27 touchdowns. He was inducted into the Whitewater Hall of Fame in 2003. He was inducted into the Wisconsin Football Coaches Association Hall of Fame in 2018.

He is a member of the AFCA Ethics Committee as well as the AFCA Board of Trustees.

Leipold and his wife, Kelly, have a daughter, Lindsey, and a son, Landon. His daughter, Lindsey plays volleyball at Stetson University.

2020 BUFFALO BULLS FOOTBALL

BUFFALO 49 , NORTHERN ILLINOIS 30

NOV. 4, 2020 • Huskie Stadium • DeKalb, IL

DEKALB, IL - The University at Buffalo football team scored three defensive touchdowns and forced five turnovers in a 49-30 win at Northern Illinois on Wednesday night in the season opener for both programs. It was the Bulls' first win against Northern Illinois since joining the Mid-American Conference in 1999, snapping an 11-game losing streak to the Huskies.

Early on, it looked like it was going to be an easy win as UB marched right down the field on its first possession and scored the game's first touchdown on a 5-yard run by Jaret Patterson less than three minutes into the game. A 17-yard touchdown pass from Kyle Vantrease to Antonio Nunn put the Bulls ahead, 14-3, after the first quarter.

Taking advantage of a short field, Northern Illinois was able to cut the lead to 14-10 early in the second quarter. However, Patterson struck again, this time on a 56-yard TD run, to put the Bulls up 21-10 with just over two minutes left in the half. The Huskies were able to score a touchdown late in the second quarter to cut the UB advantage to 21-16 at the break.

The UB defense was able to put the game away in the third quarter. First, linebacker Tim Terry scooped up a fumble by NIU quarterback Ross Bowers and dashed 46 yards for the score. On the Huskies' very next possession, James Patterson laid a big hit on NIU running back Erin Collins. He jarred the ball loose and it bounced right into the hands of Isaiah King who darted 42 yards for another UB touchdown. Suddenly, UB led 35-16 midway through the third quarter.

After Vantrease scored on a 4-yard run, less than two minutes later, to put the Bulls ahead, 42-16, Kadofi Wright cemented the victory with a 65-yard pick six early in the fourth quarter.

"It's always good to get a win on the road," head coach Lance Leipold said. "I thought we created some big plays when we needed them. The play of the defense in the third quarter really turned the tide for us. I'm really proud of them for making those plays."

The three defensive scores were the most by a UB team since having three defensive touchdowns at FAU in 2015.

It was a record-breaking night for Patterson who finished the game with 137 yards on 20 carries. His second touchdown of the game was the 35th rushing TD of his career, breaking the school record of 34 previously held by James Starks.

Antonio Nunn also had a big game for the Bulls, finishing with 102 yards and a touchdown on six receptions.

Malcolm Koonce led the defense with eight tackles, two tackles for loss and a sack. James Patterson also had eight tackles and a forced fumble. Cory Gross, Jr. and Tyree Thompson each had seven tackles for the Bulls.

The 49 points scored by the Bulls were the most by a UB team in a MAC road game since joining the conference in 1999.

BUFFALO 42, MIAMI (OH) 10

NOV. 10, 2020 • UB Stadium • Buffalo, NY

BUFFALO, NY - Kyle Vantrease threw for a career-high 353 yards and four touchdowns to lead the University at Buffalo football team to a 42-10 win over Miami (OH) on Tuesday night. The junior quarterback led an offensive attack that rolled up 558 yards of total offense against the defending MAC champions.

It was a defensive struggle early on as neither team scored in the first quarter. The RedHawks defense blinked first as Kevin Marks ripped off a 30-yard run early in the second quarter that gave the Bulls a first down at the Miami 12-yard line. Jaret Patterson capped the drive with a 2-yard touchdown run to give UB a 7-0 lead.

Less than two minutes later, UB struck again when Vantrease hit Trevor Wilson in stride for a 78-yard touchdown pass to put the Bulls ahead 14-0. Wilson had the best game of his young career, finishing with 103 yards receiving and a score.

Miami scored late in the second quarter to cut the UB lead to 14-7 at the break.

The second half was all UB as the Bulls scored on each of their first four possessions of the second half to put the game on ice. Patterson started the scoring on a 1-yard touchdown run in to make the score 21-7.

The Bulls mounted a seven-play, 82-yard drive on their next possession and took a 28-7 lead when Vantrease connected with Zac Lefebvre on a 25-yard touchdown pass.

Jovany Ruiz caught his first career touchdown late in the third quarter on a 5-yard pass from Vantrease. Ruiz, seeing the most playing time of his career, finished the game with three catches for 27 yards.

Antonio Nunn capped the scoring with an 82-yard pass from Vantrease early in the fourth quarter. It was another standout performance for Nunn who finished with a career-high 137 receiving yards on five catches. It was the senior wide out's second straight 100-yard receiving game.

Vantrease finished the game 17-of-27 for 353 yards and four touchdowns. The junior signal-caller was a perfect 9-for-9 for 229 yards and three touchdowns in the second half alone.

Marks led the rushing attack with 109 yards on 16 carries. Patterson added 73 yards and two scores on the ground.

Defensively, the Bulls held Miami (OH) to 258 yards of total offense. Roy Baker had his first career interception in the game. Logic Hudgens and Malcolm Koonce led the Bulls with five tackles, apiece. Kadofi Wright had two tackles, a tackle for loss and two pass breakups in the game.

"Tonight we were able to create a lot of big plays in the passing game," head coach Lance Leipold said. "The job of our offensive line was outstanding. I thought Kyle played great in the second half. Kevin Marks was another guys that made a difference with his running, especially in the second quarter."

STRONGER TOGETHER TASK FORCE

The Bulls are wearing a special patch on their jerseys this season to recognize the formation of the Stronger Together Task Force. In response to the social justice issues across the nation, University at Buffalo Director of Athletics Mark Alnutt announced the formation of the task force, devoted to creating synergies amongst the department in a collaborative effort with UB student-athletes and staff.

"I am honored to work with this group and want to thank them for their commitment to bettering our department, University and community," said Alnutt. "As one of our core values in our Athletic Department, we are committed to sustaining a culture of diversity and inclusion across all dimensions, and we proudly

embrace and promote equality for all. Through sports, we have an amazing platform and will work together to discuss, educate, plan and implement action items while creating a more inclusive and tolerant community."

Every sport is represented on the task force and staff includes members from a wide variety of subsets that make up the department. The group is charged with identifying areas of priority and helping to perpetuate positive change for the UB athletics department, University campus and the Western New York community. The task force will aim to align its actions and programming with that of the department's existing mission statement to promote and embrace the diversity of student-athletes, coaches and administrators.

"I am grateful to be chosen to be a part of this special task force," said women's basketball redshirt-senior forward Summer Hemphill. "I look forward to learning from others in the group and hearing their stories and outlook on current events. I want to lay the foundation for the underclassmen and future Bulls to continue to take a stand for what is right and use their voice to affect change."

The group realizes the issues affecting communities nationwide are in a constant state of flux and while the vision of the task force is still evolving, several areas have been identified as starting points, including social injustice, systemic racism, racial inequality, voter education and community involvement.

University History

Here is how the years add up to something big.

Through a steady succession of big ideas, big ventures and big achievements, UB has advanced dramatically over the past century and a half. Starting in 1846 as a small, private medical school, we've grown to become the largest institution in the State University of New York system, and we're charging toward world renown as a top-rated public research university. Our history is proud and prodigious—just like UB itself.

Through continual growth

1 First was medicine, then pharmacy, followed by law and dentistry: UB in its earliest days was a series of professional schools. The creation of the College of Arts and Sciences (CAS) in 1913 made the university all the richer with its focus on the arts and humanities, natural sciences and social sciences. Students today can choose from 13 schools and colleges, of which CAS is the largest, with 27 departments.

By breaking new ground

2 As UB has evolved through the decades, so has our physical presence. The original downtown medical school moved north in 1953 to join the largely E.B. Green-designed Main Street Campus (now the South Campus). Land for the North Campus in suburban Amherst was purchased in 1964. Our newest campus, in downtown Buffalo, has brought the medical school full circle, this time to anchor the city's first academic medical center.

[QUICK FACTS]

1846: The UB Medical School is founded in downtown Buffalo

1886: The School of Pharmacy is established, with the schools of law and dentistry to follow

1930: UB more fully coalesces on what is now known as the South Campus

1953: UB opens three dormitories to become a residential university

1962: The University of Buffalo merges with the State University of New York

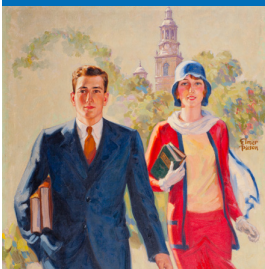

1968: Ground is broken in Amherst on what will become UB's largest campus

2013: Ground is broken in downtown Buffalo for the Jacobs School of Medicine and Biomedical Sciences

DID YOU KNOW?

UB has presidential connections! Millard Fillmore, a lawyer and congressman, was named UB's first chancellor in 1846. Still acting in that capacity, he was sworn in as 13th president of the United States on July 10, 1850.

The University at Buffalo has been a member of the prestigious Association of American Universities since 1989.

Through pioneering progress

3 Major discoveries are nothing new to UB. From the invention of the implantable cardiac pacemaker to the sequencing of the genome of a common coffee plant, our history is one of continual breakthroughs and innovations by big thinkers in relentless pursuit of answers. Over the years, UB faculty have won the Nobel Prize, the Pulitzer Prize, the National Book Award, the National Medal of Science and the National Medal of Technology.

With an ever-expanding vista

4 UB has always been international in outlook and reach. In 1980, we were the first U.S. university to partner with a Chinese university following the normalization of relations between the two countries, and have since founded ongoing partnerships in Singapore, India, Poland, Latvia, Japan and Canada. Meanwhile, UB is consistently among the top 20 universities in the country for international student enrollment.

With an eye on the future

5 Throughout the years, leadership has maintained an ever-evolving and ambitious vision for UB. "UB 2020" was launched in 2004 to increase our economic impact, invest in student growth, foster innovative partnerships and advance research that improves life for people across the globe. The related Communities of Excellence initiative, launched in 2015, leverages our passion for innovation and commitment to collaboration to address the most challenging issues facing the planet today.

The Academic Experience

Here is how we prepare you to take on the world.

A college education is more than a degree—it's a journey of personal transformation. The University at Buffalo is with you every step of the way, with an engaged and inspiring faculty, outstanding resources, unlimited opportunities and constant, caring support. UB students graduate as confident, independent thinkers and doers, ready to make their mark.

Through unlimited choices, and the freedom to forge your own path

1 We offer more than 375 academic programs—the largest menu of academic choices in New York State—including 100+ undergraduate degrees. Choose a program, or design your own. That's par for the course at UB and one reason our students stand out: publishing research studies, launching companies, designing a Mars rover for NASA—all before graduating from college.

With real-world, hands-on experience

2 Study glaciers in the Arctic with a leading climate change expert. Pitch your business plan to local investors and CEOs. UB students experience hands-on learning in every discipline, through internships, service learning, alternative spring break, study abroad, entrepreneurial programs, hackathons and more. Whatever your passion, we can connect you to others who share it, and give you the means to pursue it.

By providing a solid platform from which to soar

3 With an emphasis on critical thinking, ethical reasoning, a global perspective and robust communication skills, the UB Curriculum—our core academic experience—was designed to give you the tools you'll need to succeed in a diverse and dynamic world.

Through a culture of support and collaboration

4 At UB, we believe in the power of teamwork. Through our innovative Center for Undergraduate Research and Creative Activities, even freshmen participate in faculty-led research. The Academies—living-learning communities for professors and students who share an academic interest—make learning at UB a more intimate experience. Our Finish in 4 program, which offers personal advising, tutoring services and a customized roadmap to graduation, helps students complete their studies on time—or the remaining tuition is on us.

By being international to the core

5 Diversity is a hallmark of a UB education, and has been for decades. Consistently ranked among the top 20 U.S. public universities in international enrollment—and with faculty from every region in the world—UB provides students access to a rich variety of multicultural experiences and environments, both on campus and through our 80-plus study abroad programs. This translates into unique partnerships and a deep understanding of diverse viewpoints among our graduates—global citizens who live and work in 146 countries.

[QUICK FACTS]

- Member of Association of American Universities
- Most comprehensive campus in the State University of New York (SUNY) system

DID YOU KNOW?

UB is investing \$25 million into its three Communities of Excellence, which bring together faculty, students and staff to tackle urgent global challenges, such as how to design more sustainable building materials for the future, and how to ensure better and more equitable access to health care, food and clean drinking water.

From the largest multi-venue performing and visual arts facility in Western New York (below) to a leading academic supercomputing facility, our resources aren't just cutting edge; they are as diverse and rich as our community.
