UC DAVIS

Small town. Big school.

UC Davis is ranked 16th among public universities nationwide by the National Research Council, is listed 13th among public universities nationwide by U.S. News & World Report; and is 12th in research funding among all U.S. ranked public universities by the National Science Foundation. The campus is a member of the prestigious Association of American Universities, one of just 62 institutions of higher learning to be admitted to this distinguished group.

Founded in 1908 as the University Farm amid the fertile fields of the state's Central Valley, UC Davis today encompasses the colleges of Letters and Science, Engineering, Biological Sciences, and Agricultural and Environmental Sciences; and professional schools in Law, Management, Medicine, Veterinary Medicine, and Education. It also operates the UC Davis Medical Center in Sacramento, one of the leading teaching and research hospitals in the nation. The campus announced this August a \$100 million in founding support from the Gordon and Betty Moore Foundation to launch the Betty Irene Moore School of Nursing.

This is a period of growth and change for UC Davis. The campus has seen growth in student, faculty and staff populations and is in the midst of more than \$1 billion in new construction. New facilities do or will include new laboratories, new classrooms and new student sports and recreation facilities. Thanks to the generosity of one of the world's most renowned winemakers, groundbreaking took place in 2005 on the

Robert Mondavi Institute for Wine and Food Science. The Robert and Margrit Mondavi Center for the Performing Arts opened in 2002 and is a showcase part of the campus.

UC Davis has enjoyed a distinguished history in athletics as it begins a new era in NCAA Division I during the 2007-08 academic year. The Aggies are official members in most sports in the Big West Conference which includes fellow UC campuses Irvine, Riverside and Santa Barbara. The transition to Division I brought to an end a successful Division II era in which UC Davis captured six Directors' Cups in eight years, awarded annually to the most successful athletics program in the country. UC Davis also twice received recognition from Sports Illustrated for Women as the top Div. II school for women while Sports Illustrated has also previously honored the institution. In addition to 26 intercollegiate sports (14 for women and 12 for men), the campus offers nearly 40 student-organized club sports. And each year, more than 19,000 students participate in intramural sports.

All students can enjoy abundant on- and off-campus recreational facilities for tennis, softball, basketball, volleyball and golf. Given the area's Mediterranean climate, outdoor recreation continues year round. The program is also among the nation's leaders in NCAA Postgraduate Scholarship recipients and has had three winners of the prestigious NCAA Woman of the Year Award, more than any other school in the country.

GARY STEWART

Head Coach
5th Year
La Verne '84

MAKING HIS MARK

Gary Stewart begins his 15th year as a head coach at the collegiate level. He wasted no time establishing his name on the UC Davis men's basketball program.

In 2003-04, his first season with the Aggies, Stewart transformed a team that finished three games under .500 into one that posted an 18-9 record, including a 15-7 mark in the Division II powerhouse California Collegiate Athletic Association.

Then in Stewart's sophomore season, he guided the Aggies through their first predominantly Division I schedule. UC Davis won 11 games, including three victories in overtime. Then in 2005-06, his third season, Stewart upped the ante by scheduling such high-level opposition as Nevada and 2005 Final Four participant Louisville. On December 4 of that season, the Aggies pulled off perhaps its biggest upset in history by beating Stanford in a 64-58 stunner at the Pavilion.

In 2007-08, Stewart enters his fifth year at the helm of the Aggies and his first with a chance to compete for post-season championships. In the 10 years Stewart's teams have been eligible to win conference titles, his teams have done so 40 percent of the time.

In the summer of 2006, Stewart added another accolade to his career by being named to the National Association of Basketball Coaches Board of Directors. He joins such coaches as Syracuse's Jim Boeheim, Minnesota's Tubby Smith, Kansas' Bill Self and Michigan State's Tom Izzo in this highly regarded role.

A WINNING TRADITION

The quick emergence is hardly surprising, however, when one considers Stewart's remarkable penchant for quickly bringing success to basketball programs. In his first head coaching stint, he guided his alma mater La Verne from last place to first in a matter of three years. Stewart remains the only coach to guide ULV to a Southern California Intercollegiate Athletic Conference (SCIAC) championship. Less than a decade later, Stewart worked his magic again – this time at Cal State Hayward (now Cal State East Bay), which had gone 22-79 in its previous four seasons. Just two years later, the Pioneers set a school record for wins and captured a share (with UC Davis) of the Northern California Athletic Conference.

In becoming Aggie men's basketball's 22nd head coach, Stewart brings 21 years of experience as a highly respected and decorated player, assistant coach and head coach at all three levels of NCAA basketball. During his coaching career, he has demonstrated the utmost dedication to both the academic and athletic goals of his student-athletes, making him an excellent fit for the Aggie program.

EXPERIENCE AT THE HIGHEST LEVELS

Stewart came to UC Davis from UCLA, where he assisted Steve Lavin as director of basketball services during the 2002-03 season. His duties with the Bruins included recruiting, promotions, compliance and community relations.

Before his stint at UCLA, Stewart served as an assistant coach at Washington State for three seasons, where he was involved in all aspects of the Cougar basketball program. During his tenure in Pullman, Stewart

worked with the staffs of the 2001, 2002 and 2003 NCAA Final Four Youth Education through Sports (YES) clinics. In all, Stewart has been a part of six YES clinics. He capped his WSU career by being chosen as an assistant coach to Izzo for the 2002 NABC All-Star Game. Stewart also assisted Maryland head coach Gary Williams on the NABC All-Star staff in 2003, then worked alongside Basketball Hall of Famers Boeheim in 2004 and Jim Calhoun (Connecticut) in 2005. In addition, he worked with Bruce Weber (Illinois) in 2006 and John Brady (LSU) in 2007.

Stewart spent the 1997-98 season at yet another UC program, UC Santa Barbara, as an assistant coach to Jerry Pimm. During that one year, he was honored by Dunk Magazine as one of the top assistant coaches in the country.

A PROGRAM ARCHITECT

In his first 10 years as a collegiate head coach – eight at the University of La Verne, two at Cal State Hayward – Stewart took home four conference championships. He took the helm of the La Verne program in 1987 and guided it from last place to first place in just three years. He remains

the only coach in school history to lead his team to a conference title or a berth in the NCAA Div. III Championships. Additionally, he ranks second all-time at La Verne with 116 wins.

Following his tenure with Leopard basketball, Stewart went to Cal State Hayward to take over a program that had gone 22-79 in its previous four years. Again, he guided a team from last to first place – this time in just two years. For his part, Stewart was named NCAC Co-Coach of the Year and was a nominee for NABC District Coach of the Year honors. Furthermore, the Oakland Tribune selected him as Bay Area Men's College Coach of the Year for all divisions.

THE SEEDS OF SUCCESS

Stewart graduated from La Verne in 1984 with a degree in physical education following a highly distinguished playing career. He earned All-SCIAC distinction all four years and All-District VIII honors in each of his last three seasons. A three-year team captain, Stewart finished his career ranked among the Leopards' top 10 in numerous statistical categories. In 1984, he was named the La Verne Sportsman of the Year. He captured the SCIAC's Ted Ducey Award, bestowed upon one senior who best exemplifies outstanding achievement in academics, athletics, leadership and sportsmanship.

In 2002, his careers as both a player and coach were recognized once again as he was honored as a Distinguished Graduate during the university's 75th Diamond Jubilee festivities.

After his undergraduate career, Stewart began his coaching career as an assistant at Long Beach State from 1984 to 1986, during which time he began work toward his master's degree. Stewart continued his graduate studies during his coaching career at La Verne, completing his master's of arts degree in education in 1995.

Stewart remains involved as an educator: in addition to his coaching duties at UC Davis, he serves as a lecturer in the exercise biology department. Among the courses he teaches is Ethical Issues In College Athletics.

Stewart is in his third year as a member of the Division I Men's Basketball Regional Advisory Committee. In 2007-08, he enters his first year as a member of the voting panel for the CollegeInsider.com Mid-Major Top-25. He will also serve as the chair of the UC Davis Coaches Advisory Committee.

In addition, Stewart has authored several articles for various publications. They include "Leadership Principles Needed to Build and Sustain a Championship Program" and "An Academic Plan Ensuring the Enrollment, Intellectual Development, Retention and Graduation of the Student-Athlete."

A MODEL CITIZEN

Throughout his career, Stewart has also garnered such awards as The Outstanding Young Men of America Award (1984), Who's Who Among

Black Americans (1989), Who's Who Among Rising Young Americans (1990) and a UC Davis Community Service Award (2005 and 2006).

He also is or has been a member of the NABC Assistant Coaches Board of Directors, the Black Coaches Association (BCA) and Fellowship of Christian Athletes (FCA). Stewart enters his third year as a member of the NABC Ethics Committee, joining Roy Williams of North Carolina and Bill Self of Kansas.

Stewart remains active in the community. He serves on the boards of directors for the City of Hope Cancer Center (Duarte, Calif.), the East Oakland Youth Foundation, the United Way and the ALS Foundation. Stewart also developed the Free Throws For Heroes program for 9/11 relief, which was adopted by the NABC. He continues to volunteer with the Special Olympics, bringing along the entire Aggie team to the effort last spring. During the fall of 2005, Stewart and the Aggie men's basketball program spearheaded an effort to raise relief funds for the American Red Cross in the wake of the Hurricane Katrina disaster. His team's efforts were among 12 groups honored at UC Davis' annual Community Service Awards reception the following May. Stewart also picked up his second Community Service Award.

WHAT OTHERS ARE SAYING ABOUT GARY STEWART

"It is great to see Gary in charge of a program at such a fine university. He is certainly skilled in all areas that contribute to success in today's athletic world and he will represent UC Davis in an excellent manner."

Gregg Popovich, Head Coach
San Antonio Spurs

"I was fortunate to meet Gary Stewart at a coaching clinic a few years back, and I've consistently been impressed with his intelligence, competitiveness and friendly demeanor. UC Davis made a wise choice in selecting him to guide its course to the Division I level."

Mike DeCourcy, Senior Writer
The Sporting News

"Coach Stewart has impressive experience and has proven he will recruit student-athletes with character and commitment who will play hard and graduate."

Mike Montgomery, Former Coach
Golden State Warriors

"This is a tremendous opportunity for both Gary and UC Davis. Gary has always done things the right way. He has paid his dues and touched every base along the way. Davis couldn't have found a better fit. Sometimes you just get a good feeling of success when someone gets a head coaching job; that was the feeling I had when Gary was named head coach at UC Davis."

Kelvin Sampson, Head Coach
Univ. of Indiana

"I've known Gary for many years and have the utmost respect for him as do college, high school and junior college coaches all throughout the West. He's a true student of the game and has an unbridled passion for hard work, both on and off the court. There is no question that he will soon have the UC Davis program near the top of the Big West and competing for conference championships and NCAA tournament bids, year in and year out."

Frank Burlison, Columnist
Long Beach Press Telegram

"Gary Stewart is a tireless worker and he's driven to make UC Davis a player in Division I."

Greg Clink begins his ninth season on the UC Davis bench, and his second in which he bears the title of associate head coach. He assists in all facets of the men's program. His intimate knowledge of the university,

campus, and city of Davis make him an invaluable asset to the coaching staff.

In addition to his coaching duties, Clink also serves as a instructor in the exercise biology department at UC Davis.

This marks the second Aggie stint and third head coach for Clink, who first joined the UC Davis coaching staff in 1996-97 as an assistant to Bob Williams. The Aggies finished 20-9 that year, winning the Northern California Athletic Conference championship and advancing to the NCAA Division II West Regional.

After serving the 1997-98 season as head coach at Gavilan College in Gilroy, Calif., Clink rejoined Williams' staff when the former Aggie coach was named head coach at UC Santa Barbara in 1998. UCSB finished 15-13 in 1998-99, winning the Big West Conference's West Division championship, and went 14-14 in 1999-2000, finishing second in the division.

Clink was reunited with the UC Davis program for the 2000-01 season, serving as Brian Fogel's top assistant.

Clink graduated from Chico State in 1994. He played for the Wildcats for two years following a two-year stint at Gavilan College. Clink earned Chico State Basketball's Most Inspirational award in 1994. Clink experienced a great deal of success at Chico, winning two NCAC Championships, while advancing to the NCAA Western Regional Championships in 1992-1993. Immediately following his playing career at Chico, Clink served as an assistant to head coach Puck Smith for two seasons. During this time, he completed his master's degree in physical education.

He and his wife, Courtney, were married in the summer of 2002 and reside in Dixon. The couple has three sons: twins Justin and Tyler, and younger brother, Ryan, who was born in January 2006.

KEVIN NOSEK

Assistant Coach
6th Year
UC Davis '99

Kevin Nosek returned to the Aggie staff for the 2006-07 season after spending four years in a similar role from 1999-2003. He assists in all aspects of the program.

Nosek may be in just his sixth season as an Aggie assistant coach, but in many ways, Nosek is the true Aggie veteran of the men's basketball staff. His connection to the program dates back to his youth days, when he served as a ball boy for Bob Hamilton's teams in the late 1980s.

After starring at nearby Davis Senior High, Nosek played for UC Davis from 1996-99, highlighting his career as a member of the 1998 NCAA Division II national championship team. He enjoyed his best collegiate game during his senior year, when he hit 4 of 5 from three-point range en route to a career-high 12 points against Holy Names. Perhaps as a premonition of things to come, his teammates dubbed him "Coach Nosek" for his unrelenting diligence both on and off the court.

He graduated from UC Davis in June of 1999, earning his bachelor's degree in organizational studies, with an emphasis on sports management.

Nosek remained with the Aggie program as an assistant to Brian Fogel from 1999 to 2003. In his fourth seasons, the Aggies went 67-23 and qualified for the NCAA D-II West Regional (1999-2000).

Following his first tenure at UC Davis, Nosek earned his first collegiate head coaching role when he took over the helm at Menlo College. In three seasons with the Oaks, Nosek turned around a program that had gone 4-22 his first season to one that posted a 17-11 ledger – its best record in seven years. The Oaks advanced to the Cal Pac Conference semifinal game in 2004-05, then reached the title game in 2005-06.

Also during Nosek's tenure, Menlo led all NAIA D-II teams in rebound defense and ranked among the nation's leaders in rebound margin and field goal percentage defense.

Nosek and his fiancée Nicole reside in Davis.

A Change of Scene

With the arrival of **Joe Harden** from Notre Dame and **Todd Lowenthal** from Hawai'i, UC Davis has two transfers from other Division I programs on its 2007-08 roster. The last time the Aggies carried two D-I transfers was in 1993-94, when point guard Erik Robinson (Nevada) joined forward Shanan Rosenberg (Cal State Northridge). Rosenberg led the team in rebounding in each of his last two UC Davis seasons, while Robinson paced the Aggies with 89 assists in his only year in the program.

The most successful D-I transfer in UC Davis men's basketball history is probably **Mike Lien**, a 6-foot-8 forward from the University of Texas, who helped the Aggies capture back-to-back conference titles in 1977-78 and 1978-79. Lien averaged 17.8 points and 12.9 rebounds per game in his two-year career. He also set school records for single-game points (39) and season rebounds (365).

Lien, who originally hailed from nearby Jesuit High School, was inducted into the Cal Aggie Athletics Hall of Fame in 2001.

CAL AGGIE ATHLETICS HALL OF FAME

The UC Davis Athletic Hall of Fame was established in 1980 to provide special recognition for outstanding accomplishment in intercollegiate athletics.

To be considered for the Hall of Fame, a participant must have competed with unusual distinction in an intercollegiate sport for at least two seasons, achieved recognition at the conference, regional or preferably national levels, and achieved this accomplishment in a manner that exemplifies the UC Davis concept of a student-athlete.

Furthermore, a five-year period must elapse from the most recent participation in athletics before a student-athlete becomes eligible for induction.

Through 2006-07 there are 35 men's and women's basketball players and coaches enshrined in the UC Davis Athletic Hall of Fame. Dante Ross, who played for the Aggie men's national-championship team, entered the Hall of Fame in June 2007.

THE PAVILION - HOME OF THE AGGIES

Formerly known as Recreation Hall, the Pavilion ranks as one of the largest on-campus basketball facilities in Northern California. The arena opened to the sport in the 1977-78 season and has been home to all the excitement of Aggie basketball since that time.

On Dec. 9, 1995, the basketball floor inside the Pavilion was re-named Hamilton Court, in honor of former men's basketball coach Bob Hamilton, who passed away just days prior to the ceremonies.

The Pavilion was built with funds allocated by the students themselves. It still provides the student body, staff, faculty and the community with a superb and diverse recreational facility. In the spring of 2004, the neighboring Activities & Recreation Center (ARC) opened its doors, offering an even wider variety of opportunities.

The arena has undergone recent renovations as part of the Facilities And Campus Enhancement (F.A.C.E.) Initiative. Recent improvements to the facility include full-color Daktronics ProStar and ProAd displays, an enhanced scoreboard, three-directional shot clocks and renovated team rooms.

The Pavilion foyer houses the Colby E. "Babe" Slater Hall of Fame & Trophy Room, where the campus exhibits three NCAA Woman of the Year trophies, six NACDA Directors' Cups and a special display in honor of Slater, a two-time Olympic medalist and UC Davis' first standout student-athlete.

The first official basketball game ever played in the Pavilion was on Nov. 26, 1977, when 2,600 watched the University of the Pacific beat the Aggies, 78-69.

Intercollegiate teams which also use the Pavilion include the Aggie women's volleyball and women's gymnastics teams. The UC Davis wrestling team recently converted the South Concourse into its practice facility. The wrestlers also use the arena for tournaments and key dual matches, including a January 2005 showdown with the University of Iowa.

The Pavilion has served as the site for a number of postseason championships, including the USA Gymnastics Collegiate National Championships, the Pacific-10 Conference Wrestling Championships, numerous NCAA West Region tournaments for men's and women's basketball and volleyball. Most recently, the Aggie gymnasts hosted the Mountain Pacific Sports Federation Championships at the Pavilion in March 2005.

In addition to collegiate athletics events, the California Interscholastic Federation and the Volleyball Festival have held their respective championship events on Hamilton Court. The Pavilion has also hosted numerous concerts and entertainment events. More recent acts include rock legends Bob Dylan, Phish and Steve Miller Band; comedian Bill Maher, TeenMania ministries and World Wrestling Entertainment. Both the Sacramento Kings and the Golden State Warriors have held preseason games on Hamilton Court.

Furthermore, The Pavilion serves as annual venue for the university's commencement ceremonies and the Aggie Auction, the athletics department's gala fundraiser.

For basketball, the Pavilion can seat more than 7,100. Both the men's and women's basketball teams have set program attendance records during recent seasons as part of the athletics department's annual "Break The Record Night" promotion. In an effort to surpass the all-time attendance record of 7,926, set during the 1999 season, the marketing and promotions office distributes complimentary tickets throughout the campus and local community.

Nearly 5,400 fans flooded the Pavilion to see the Aggie men's team upset Stanford, 64-58, on December 4, 2005. With the concourse seating open to full capacity, the Pavilion is one of the largest on-campus collegiate arenas in Northern California.

THIS IS UC DAVIS

ACADEMICS

UC Davis comprises three colleges (Agricultural & Environmental Sciences, Engineering, Letters & Science), five professional schools (Education, Law, Management, Medicine, Veterinary Medicine) plus the Division of Biological Sciences.

With 103 undergraduate majors and 80 graduate programs, the university offers the most expansive and diverse range of academics among any of the University of California campuses. Additionally, students also have the opportunity to combine majors or customize their field of study by creating an individual major.

For those interested in graduate degrees – whether it be a master's degree or a doctorate – UC Davis offers advising services to help students craft their education toward those goals. An estimated 86 percent of UC Davis students applying to graduate schools earn acceptance to either their first or second choices.

RANKINGS

UC Davis ranks 14th among public universities, according to *U.S. News & World Report*, and 16th by the National Research Council. Furthermore, the National Science Foundation places the university 12th in the nation in research funding, and *Money* magazine considered UC Davis as one of the West's top "best buys".

Additionally, the Gourman Report rated the genetics department at No. 1, while *U.S. News & World Report* ranked the College of Engineering as No. 13 among its peers.

COMMUNITY

With a population of approximately 60 thousand, Davis is widely known for being a safe, active and socially innovative community.

The downtown area boasts a multitude of specialty shops, restaurants, theaters and art galleries; while the city's numerous parks offer recreational opportunities for active students.

ACTIVITIES

On campus, UC Davis students can rally around the highly successful athletics department by joining the Aggie Pack spirit organization, or enjoy a first-class performance at the Robert & Magrit Mondavi Center for the Performing Arts.

The university also offers hundreds of student clubs and organizations, including cultural clubs, fraternities and sororities, faith-based organizations and the Associated Students of UC Davis student government.

For the active Aggie, students may participate in the diverse intramural sports program or join one of the 30-plus sports clubs. In 2004, the Activities & Recreation Center (ARC) opened its doors, providing the campus with its own state-of-the-art fitness venue.

In April, UC Davis hosts Picnic Day, an annual student-run open house. The popular event showcases all that the campus has to offer, attracting students, staff, faculty, parents, alumni and members of the surrounding communities.

GETTING AROUND

Nestled just southwest of Sacramento, the city of Davis rests just 15 minutes from an international airport, and contains a downtown station serviced by Greyhound and Amtrak. Centrally located in the Sacramento Valley, the town sits equally close to both the finest ski resorts and the Pacific Ocean's top beaches.

Within Davis and its neighboring towns, both Yolo-bus and the student-operated Unitrans bus systems offer free transportation to registered undergraduates.

The town boasts more bicycles per capita than any other city in the nation. More than 50 miles of bike paths make the entire town conducive to both riders and pedestrians.

CAMPUS LEADERSHIP

LARRY VANDERHOEF

Larry N. Vanderhoef was appointed chancellor of the University of California, Davis, in April 1994. He joined the campus in 1984 as executive vice chancellor and provost.

During his 10-plus years as chancellor, the campus was invited to membership in the AAU; increased its extramural awards from \$169.1 million to \$420.7 million annually, earning a National Science Foundation (NSF) research funding ranking of 14th in the U.S.; expanded classroom, lab, clinical and office space by 2 million square feet, with 1 million more to be built over the next five years; completed the transformation of an ailing county hospital to an academically distinguished and financially sound regional medical center; and made distinctive strides in recruiting a diverse and accomplished faculty and student body.

Chancellor Vanderhoef was recently honored by the *Sacramento Business Journal* as one of the 20 people who have contributed most substantially to California's capital region over the past 20 years and by the Sacramento Metropolitan Chamber of Commerce as Sacramentan of the Year.

In 2004 he led a UC Davis delegation to Iran in an effort

to promote dialogue and scholar exchange, and to promote generally the notion of crossing boundaries to build greater understanding and good will - a continuing personal and professional effort.

His research interests lie in the general area of plant growth and development, and in the evolution of the land-grant universities. He has taught classes from freshman level to advanced graduate study.

Chancellor Vanderhoef has served on various national commissions addressing graduate and international education, the role of a modern land-grant university and accrediting issues.

He holds B.S. and M.S. degrees in biology from the University of Wisconsin, Milwaukee, and a Ph.D. in plant biochemistry from Purdue University. Previously, he held faculty positions at the University of Illinois, where he also served as a department head, and at the University of Maryland, College Park, where he was appointed provost. He was awarded honorary doctoral degrees by Purdue University and by Inje University in Korea.

FRED WOOD

Fred Wood assumed the role of Vice Chancellor for Student Affairs on August 1, 2007. Dr. Wood oversees programs and services that enhance the academic and personal development of students, including intercollegiate athletics. He also provides administrative leadership to a Division of over 50 student support programs and to a team of over 800 staff members. In addition, he manages a budget of over 30 million dollars. He advises the Chancellor on matters relating to students, enrollment, access, retention, and campus climate.

Wood earned his bachelor's and Ph.D. from UC Davis in Chemistry in 1980 and 1984. Soon after graduating, he began his faculty appointment in Chemistry and also served the College of Letters and Science as the Associate Dean, a position he held for 13 years. Most recently he served as the Associate Vice Provost of Undergraduate Studies and Interim Vice Provost of Undergraduate Studies. He is a 2003 graduate of the Harvard University Executive Leadership and Management Institute, and also a graduate of the University of California Management Institute.

Dr. Wood is a member of several professional organizations including American College Personnel Association, National Association of Student Personnel Administrators, and the National Association of College and University Busi-

Vice Chancellor for Student Affairs

ness Officers. He also serves on the Council of Deans and Vice Chancellors at UC Davis, as well as over twenty different committees and councils on and off campus.

Several priorities he is focusing on in Student Affairs include building bridges within Student Affairs and with academic affairs; increasing the diversity of our student population by reaching out to students who are disadvantaged and underrepresented; recruitment and admissions; increasing the number of students transferring to UC Davis from community colleges and helping with their transition; develop an inclusive community for all of our students; work to help new students effectively navigate the university; improve retention and graduation; improve accountability and transparency; improve student health; increase fundraising efforts to help support our units and their needs; maintaining affordability for students to attend college; and keeping up with the latest technology to provide our staff, faculty and students with the most up to date and accurate information.

Dr. Wood continues to teach undergraduate students while serving in his administrative role and maintaining a focus on continually improving the services available to undergraduate and graduate students.

UC DAVIS ATHLETICS

GREG WARZECKA

Director of Athletics

On August 1, 1995, Greg Warzecka became the 11th director of athletics at UC Davis. In the decade-plus since, the Aggie athletics program has enjoyed unprecedented success under his guidance.

Warzecka's penchant for progress began from his first year as director when he was charged with the task of fully engaging the campus in discussions regarding whether or not UC Davis would offer athletics-related financial aid. One year later, the campus announced the launch of its first-ever grant-in-aid program.

Warzecka has also overseen UC Davis' transition into two conferences in his short tenure. In 1998, the Aggies moved from the now-defunct Northern California Athletic Conference to the powerful California Collegiate Athletic Association.

Then in 2003, the UC Davis program announced that it would join the Big West Conference and thus reclassify from NCAA Division II to Division I status. Under Warzecka's guidance, the Aggie athletics program increased its grant-in-aid allocation nearly tenfold to approximately \$5 million. During this period, he also engineered a substantial upgrade in athletics facilities, most notably the Schaal Aquatics Center (2004), the Marya Welch Tennis Center (2005) and the multi-use Aggie Stadium (2007).

During Warzecka's tenure, UC Davis captured six NACDA Division II Directors' Cups as the most outstanding overall program in the country. For his part, NACDA selected Warzecka as its A.D. of the year for the D-II West Region in 2001-02.

Furthermore, the editors of *Sports Illustrated* magazine lauded the Aggie program on three different occasions. In 1999 and 2000, *Sports Illustrated For Women* named UC Davis as the top Division II school for women athletics. One year later, *SI* selected UC Davis as its top D-II school for the 2001-02 year.

Before turning to administration, Warzecka had been a successful baseball coach, first as an assistant at his alma mater, UC Berkeley. He then served as head coach at San Francisco State, then at the University of Chicago, where he also served his first post as men's athletics director. Warzecka returned to California in 1989 to become the A.D. at the University of Redlands, where he remained until he joined the Aggie athletics staff.

He earned his Bachelor of Arts degree in physical education from Cal in 1975 and his Master of Science with an emphasis in athletic administration from Cal State Hayward in 1983.

NONA RICHARDSON

Senior Associate Director of Athletics/Senior Woman Administrator

Nona Richardson was named Senior Associate Athletics Director at UC Davis in March 2007. She brings extensive experience to her role at UC Davis which includes overseeing compliance, student services and sports medicine programs, as well as sport supervision.

Richardson has experienced intercollegiate athletics from a variety of roles, most recently during her tenure at Ball State, where she served as the senior woman administrator. There she oversaw daily operations for sports medicine, and strength and conditioning while also supervising seven sports, including women's basketball and women's volleyball. Her contributions at Ball State also included student-athlete services, community outreach programming, career development education, student-athlete awards, and other related areas while also serving as a Title IX and gender equity resource.

Prior to Ball State, Richardson was Associate Director of Athletics and SWA at Valparaiso University for seven years, where she served in similar capacities while also serving as Compliance Coordinator for the 18-sport athletics program. Her duties also involved student-athlete eligibility, event management and other key administrative responsibilities.

Richardson has served on numerous committees throughout her distinguished career, including the NCAA

Division I Volleyball Committee (2000-02) and Volleyball Officials Sub-Committee (2001-02). She has also been a member of committees for the Mid-Continent Conference and the National Association of Collegiate Women Athletics Administrators (NACWAA), the latter for which she also served as a board member.

Richardson has presented at several national conferences, is a member of NACWAA and the National Association of Girls and Women in Sports, and has won several awards including NACWAA's Dr. Nell Jackson Award (2000).

Her athletics administrative tenure was preceded by a volleyball coaching career that was highlighted by head coaching positions at Eastern Michigan (1987-95) and Valparaiso (1996-99) and an assistant coaching assignment at Kentucky (1984-87). Richardson was also an assistant coach at the U.S. Olympic Sports Festival in 1991.

Richardson was a standout volleyball player at Michigan State (1978-81) where she was a team co-captain, MVP and a member of the Association for Intercollegiate Athletics for Women (AIAW) All-State team.

She received her Bachelor of Science degree in Physical Education from Michigan State in 1983 and her Master of Arts and Liberal Studies in Human Behavior and Society from Valparaiso University in 1999.

HOME OF THE AGGIES

The palatial Activities & Recreation Center (ARC) offers a wide array of fitness areas, including full-size basketball courts, a multi-use activity center for indoor soccer or hockey, a running/jogging track, weight rooms, aerobics facilities, squash and racquetball courts, and a rock-climbing wall. Additional amenities include a wellness center, student lounges and opportunities for conferences and special events.

ACTIVITIES &
RECREATION CENTER

THE PAVILION

The Pavilion, formerly known as Recreation Hall, serves as home court for UC Davis basketball, volleyball, wrestling and gymnastics, as well as concerts and special events. With a seating capacity of nearly 8,000, the Pavilion ranks as one of the largest on-campus arenas in Northern California.

HICKEY GYMNASTICS
CENTER

The former Lower Hickey Gym, the first home of women's athletics in the post-Title IX era, was converted to a first-class practice facility for the Aggie gymnastics team in 2005.

LA RUE FIELD

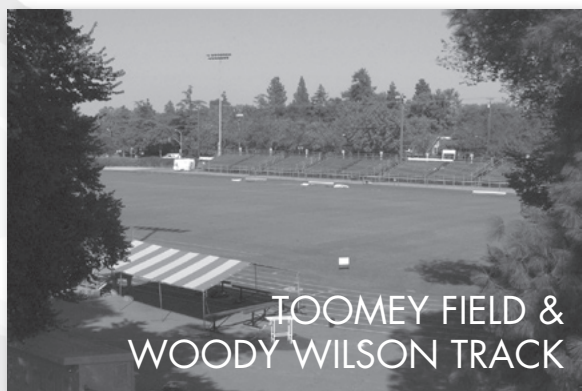

Recognized in 1999 as "Softball Field of the Year" by the Sports Turf Managers Association, La Rue Field hosted five NCAA West Region Softball Championships in the past decade. Recent additions include batting cages, covered dugouts and improved press areas.

In January of 2004, the Ted & Rand Schaal Aquatics Center hosted its first event. The complex features an Olympic-sized pool, locker rooms, team rooms, office space and permanent seating for approximately 500 spectators.

The aquatics center will allow UC Davis to host championship events, including the 2006 NCAA Women's Water Polo Championships.

SCHAAL AQUATICS CENTER

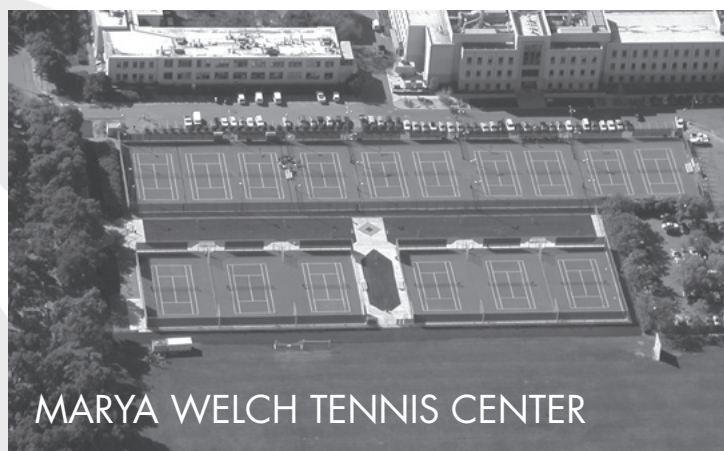

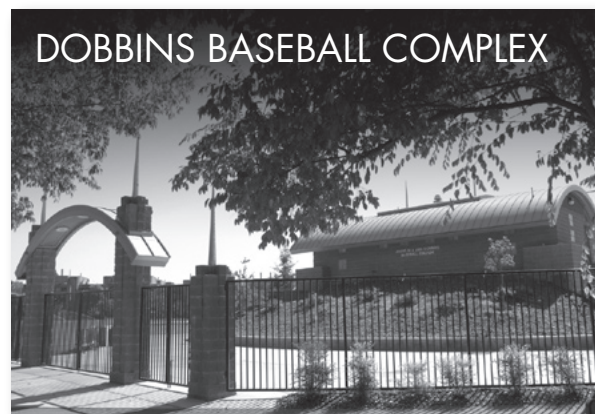

Built in the late 1940s, Toomey Field has hosted numerous championship events for football, track & field and lacrosse. During the 2000 Olympic Trials, standouts Marion Jones and Michael Johnson used the Woody Wilson Track as a practice facility.

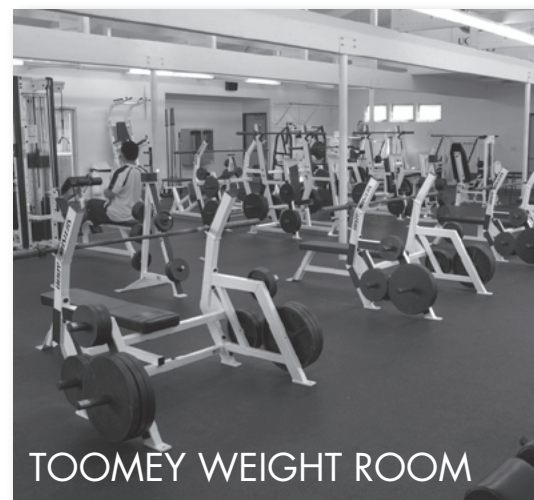

Dobbins boasts one of the finest playing services in Northern California. In 2002, the stadium was enhanced to include a press box, a renovated entrance and permanent concession/restroom facilities.

Both Aggie Stadium (left), the home of soccer, and the James & Ann Dobbins Baseball Complex (below) were the result of volunteer efforts dating back to the mid-1980s.

Dedicated in April 2005, the Marya Welch Tennis Center represents an expansion of the former Hickey Tennis Courts. Recent additions include grandstands and canopied benches for the north courts.

UC Davis student-athletes welcomed the expanded weight room, located inside Toomey Field. In addition to nearly tripling in size the previous facility, the upgrade also included all new equipment, restrooms and office space.

The newest and perhaps the most eagerly awaited of UC Davis athletics venues, Aggie Stadium serves as the home facility for the football and women's lacrosse teams. The multi-use stadium features an all-weather Sportex playing surface, a first-class press box, full locker rooms, restrooms and concessions. The initial design has seating for 11,000 to 15,000 spectators, with an eventual build-out to as many as 30,000.

STUDENT-ATHLETE ACADEMIC SERVICES

204/208 Hickey Gym • (530) 752-3259

UC Davis ranks among the leaders in NCAA Postgraduate Scholarship Awards and Academic All-District/America honorees, and has claimed a record three winners of the NCAA Woman of the Year Award. Student-Athlete Academic Services deserves much of the credit for these accomplishments.

The office started in 1988 with a single staff member serving as a centralized resource for academic advising, eligibility information and campus referrals. The office has since expanded to include additional academic advisors, an athletic aid coordinator, an assistant eligibility coordinator and an administrative assistant. It is headed by Nona Richardson, senior associate director of athletics.

The Student-Athlete Academic Services office provides a range of services to student-athletes on all 26 intercollegiate athletics teams, including assistance with course and major selection as well as interpretation and clarification of eligibility rules and issues.

UC Davis student-athletes typically have a minimum of three academic advisors: an athletic academic advisor assigned by sport, a college advisor, and a major advisor (if the student has a declared major). Although appointments with the athletic academic advisors are not mandatory at UC Davis, student-athletes might choose to see their athletic academic advisor for issues including:

- General education (GE) requirements
- Dropping/adding courses
- Time management/study skills
- Assistance completing the mandatory Academic Plan Form
- Study hall for student-athletes
- Personal issues that affect academic performance
- Choosing a major/career
- Declaring or changing a major
- Exploration of opportunities beyond athletics
- Preparation for graduate programs
- Preparation and application for NCAA Postgraduate Scholarships and other national awards

ATHLETIC TRAINING / SPORTS MEDICINE

Dick Lewis Training Room (115 Hickey Gym) • (530) 752-0647

The Pavilion Training Room • (530) 752-7515

Known collectively as "The Healer of Champions", the UC Davis athletic training staff comprises five full-time certified athletic trainers, a full-time physical therapist/certified athletic trainer and approximately 24 student athletic trainers. Together, they are responsible for providing medical care to the 800-plus student-athletes that compose UC Davis' 26 varsity teams.

The student athletic trainers serve two to three years with the program, logging in more than 1,500

hours and gaining valuable clinical education in a hands-on environment. The internship is ideal for any student interested in a graduate program in athletic training, as well as any medical or allied medical profession.

The ARC Pavilion training room contains extensive resources and equipment for the rehabilitation of injured athletes. The staff physical therapist is headquartered there as well.

STRENGTH & CONDITIONING

ICA Weight Room (Toomey Field) • (530) 752-5124

Former Olympian Andy Bloom became the athletics department's first full-time strength and conditioning coach in 2005, having previously served that role on a part-time basis since 2002. He first joined the Aggie program in 2000, joining the track & field staff as an assistant throws coach.

Bloom highlighted an outstanding track & field career by finishing fourth in the shot put at the 2000

Summer Olympics in Sydney. A two-time NCAA champion in the shot and discus, Bloom graduated from Wake Forest University in 1996.

The ICA Weight Room, located within the confines of Toomey Field, expanded in 1999 thanks to donations from several UC Davis athletics boosters and corporate partners. The facility project also resulted in new equipment to serve all 26 varsity sports teams.

With the light at the end of the tunnel shining brighter than ever, anticipation joined with excitement in 2006-07 as UC Davis completed the final year of a four-year reclassification to NCAA Division I status from Division II. As the campus awaits final approval from the NCAA declaring UC Davis an active member of Division I, student-athletes, coaches, alumni and fans eagerly anticipate the Aggies' future in the Big West Conference. Derek Moore provided one of the biggest highlights in school history when he won the 141-pound weight class at the NCAA Division I Championships in March, becoming the Aggies' first-ever Division I national champion and All-American. The Aggies' football team maintained its tradition of excellence by securing its 37th straight winning season and the men's cross country squad won the Division I Independents Championship. Lacrosse hosted the Mountain Pacific Sports Federation Championships while track and field did the same for the Division I Independents. And throughout the year, Aggie student-athletes matched well against their future competition in the Big West, sending word they are to be contended with beginning in 2007-08, their first year in the new league and the beginning of a new era for UC Davis.

Alumni and friends are encouraged to join the team as we make our move. TeamAGGIE is the annual fund for UC Davis Athletics. To join TeamAGGIE contact Sharon Lynch at selynch@ucdavis.edu or call (530) 757-3146.
