DWAYNE SHAFER

Head Coach
13th Year
Chico State '88

Dwayne Shaffer enters his 13th year as the head coach of the UC Davis men's soccer program. During his tenure, the 2007 Big West Conference Coach of the Year has been the guiding force for a program that has had consistent success and achievement both on and off the field. Shaffer's nearly two decades of collegiate coaching experience has reached an even higher level since the Aggies became official Division I members starting with the 2007 season. Entering 2009, UC Davis is coming off back-to-back appearances in the NCAA Tournament and has become one of most competitive teams in the West.

Over the past two years, Shaffer's teams have won a combined 25 games while earning at-large bids to the NCAA Tournament each season. Last season, UC Davis posted a 13-win campaign while advancing to the second round of the NCAA Tournament. The success resulted in the Aggies hosting and winning their first Division I NCAA Tournament game at Aggie Stadium.

The home venue has become one of the toughest for opponents to play in as the Aggies enter the season undefeated over the past 12 games with a record of 9-0-3 dating back to the end of the 2007 season. Over the past three seasons, Shaffer's team has posted a 17-4-5 home mark.

In his career at UC Davis, Shaffer's teams have averaged double-digit wins each season and have compiled an overall record of 129-84-23 (.595). In the Aggies' last six years in the California Collegiate Athletic Association, Shaffer guided the team to two first-place and four second-place finishes. In 1999, he led the Aggies to a school-record 16 victories and the school's first appearance in the NCAA Tournament quarterfinals in 23 years. That year, he was named CCAA Coach of the Year as well as the National Soccer Coaches Association of America (NSCAA) West Region Coach of the Year. The Aggies set a record in 1999 by going unbeaten in 13 consecutive games.

In 2006, the university's final year of the Div. I transition, Shaffer's program proved itself worthy of collegiate soccer's highest level. The Aggies won nine games, including a 1-0 victory over the year's eventual NCAA champion, UC Santa Barbara. That win also served as a milestone for Shaffer -- it was his 100th at UC Davis.

Prior to coming to UC Davis, Shaffer spent one season as the head coach at Dayton, which followed a three-year stint as assistant head coach at Clemson. While at Clemson, he helped guide the Tigers to a 47-18-3 record and two trips to the second round of the NCAA Division I Tournament. On two occasions, Clemson was ranked the No. 1 team in the nation. Prior to Clemson, he served four years as head coach at Santa Rosa Junior College where his teams won 52 games. His career coaching record stands at 163-99-28 (.610).

Shaffer's career has been one highlighted by recruiting and coaching some of the top student-athletes, both on and off the field. In his 12 years at UC Davis, Shaffer has coached more than two dozen student-athletes who have gone on to either attend graduate school or medical school. That number includes Matt DeJong, who received a NCAA Postgraduate Scholarship Award. DeJong also set the UC Davis career scoring record

and was drafted by the Sacramento Knights of the Major Indoor Soccer League, becoming the only rookie to make the team that year. Four years later, Ryan Shaw eclipsed DeJong's mark and was subsequently drafted by the Los Angeles Galaxy of Major League Soccer. He also played in several MLS development games in 2005. Shaw was named UC Davis' 2004-05 Male Athlete of the Year.

Most recently, Dylan Curtis was a 2008 Lowe's Senior CLASS Award First-Team All-Senior All-America selection while joining teammate Quincy Amarikwa as NSCAA All-America honorees. As a result, UC Davis was one of just six schools in the nation to have multiple All-America selections. Additionally, Amarikwa became the first Aggie to be selected in the MLS SuperDraft when he was the 32nd pick, overall, in January 2009 by the San Jose Earthquakes. A total of five Aggies from the 2008 squad were invited to MLS camps.

While at Dayton, Shaffer recruited Mark Schulte, who went on to play in the MLS. In addition, four others were drafted by the A-League. At Clemson, Shaffer helped recruit and coach a total of nine players who would go on to play in the MLS. He also helped coach the nation's leading scorer in 1993 and 1994. At UC Davis, 12 Aggies have garnered first-team all-conference honors under Shaffer while 14 have been named NSCAA All-Region. Three former Aggies have received All-America honors. Shaffer coached two All-Americans in his four-year stint at Santa Rosa JC. He also coached the leading scorer in the state as well as the most valuable player of the Northern California region.

Shaffer's standout collegiate playing career, which featured a .795 winning percentage, began at Santa Rosa JC where he was named all-conference and led the team to a two-year record of 39-7-2 and a pair of conference championships. As a sophomore, Shaffer played central defender on a unit that allowed just seven goals in 24 games, including 13 consecutive shutouts. Following Santa Rosa, he went on to play two seasons at Chico State and helped lead the Wildcats to a 29-9-2 record and an NCAA Tournament appearance during his junior season.

He has also served as a Region IV Olympic Development Program staff member.

Shaffer earned his bachelor's degree and his master's in physical education with a teaching/coaching emphasis from Chico State. He enjoys fishing and watching and supporting Major League Soccer. Shaffer and his wife, Lara, have two daughters; Shay and Skye.

COACHING STAFF

ERIC MILD

Assistant Coach
7th Year
Humboldt State '96

Eric Mild rejoined the UC Davis coaching staff in the spring of 2008, after spending the previous seven years as the head men's soccer coach at Cal State Stanislaus. In all, he enters his seventh season as the Aggies' top assistant.

Before his return to UC Davis, Mild helped transform Cal State Stanislaus into a competitive program in the California Collegiate Athletic Association (CCAA). Mild's efforts culminated in 2006 with an appearance in the CCAA Championship tournament. That year's team finished with an overall mark of 10-9-2, its best record since 1991. Overall, Mild coached 11 all-conference selections and boasted the program's first-ever all-region honorees.

Mild previously served as the top assistant coach at UC Davis from 1997-2001. That period was highlighted in 1999 when the team won a school-record 16 games and qualified for the NCAA Division II playoffs for the first time in 23 years. That team won the West Region championship and set a school mark with 13 consecutive victories.

During his playing career Mild competed for Coach Shaffer at Santa Rosa Junior College where he earned all-conference honors. He finished his career at Humboldt State and was a member of the Lumberjack's 1994 squad that won a Northern California Athletic Conference (NCAC) title. Mild earned all-conference and All-West Region distinction that season.

Mild graduated from Humboldt State in 1996 with a degree in kinesiology. He earned a master's degree in kinesiology from Sacramento State in 2002. In addition, he holds a United States Soccer Federation "A" license. His wife Amy is a former UC Davis women's soccer player. They have two young children, Tessa and Grayson.

JASON HOTALING

Assistant Coach
5th Year
Sonoma State '96

In joining the UC Davis soccer staff in 2005, Jason Hotaling reunited with his former coach, Dwayne Shaffer. He played for Shaffer at Santa Rosa Junior College in 1991 and 1992 before concluding his career at Chico State.

Hotaling begins his fifth season as an Aggie assistant coach. His primary responsibilities are managing and recruiting players while also handling all aspects of training the goalkeepers.

In addition to this duties with UC Davis, Hotaling works as a head coach for U12 and U16 teams with the Davis Youth Soccer League. Hotaling also works with the Olympic Development Program in District 6, coaching and developing players while serving as a state evaluator. He also holds an advanced national goalkeeping license with the NSCAA and has taken leadership and management courses along the way.

After his collegiate career at SRJC and Chico State, Hotaling was a member of the Chico Rooks of the Premier Development League. He then returned to his hometown of Rohnert Park, Calif., where he finished his undergraduate degree at Sonoma State. Hotaling majored in speech communication with a minor in English.

AGGIE SOCCER STADIUM

One of the finest playing surfaces in Northern California, Aggie Soccer Stadium has been the home to the UC Davis men's and women's soccer teams since 1985. Built with primarily volunteer time and materials, Aggie Soccer Stadium is a product of the community's dedication to the sport of soccer.

The stadium bleachers, which have a capacity of 1,000 spectators, are the result of a 10-year project that reached completion in 1997. There are 65 nameplates affixed to the seat backs to recognize major stadium contributors. Additionally, an electronic scoreboard and high-fidelity sound system has been added to the facility.

Furthermore, new restrooms and concessions were added to the baseball/soccer complex during the 2001-02 year. In the summer of 2005, the field was resurfaced with a Bermuda hybrid and a new irrigation system was installed. Mark Lucas, who had previously worked at Cal, returned to UC Davis to supervise this project.

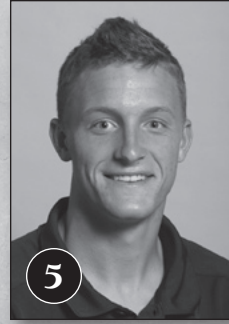

In 1994, Aggie Soccer Stadium was among those facilities invited to submit a bid to become a training facilities for the World Cup.

Few former players have left a mark on the UC Davis soccer program quite like Alan Moll, who lettered for the Aggies from 1972-74. In the 1980s, he and former coach Will Lotter spearheaded a massive volunteer effort to construct what is now Aggie Soccer Stadium. Both Lotter and Moll were subsequently recognized when they won the Cal Aggie Athletics Hall of Fame Special Recognition Award, presented for outstanding volunteer contributions.

UC Davis offers more than 100 undergraduate majors – the widest variety of any University of California campus.

THIS IS UC DAVIS

ACADEMICS

UC Davis comprises three colleges (Agricultural & Environmental Sciences, Engineering, Letters & Science), five professional schools (Education, Law, Management, Medicine, Veterinary Medicine) plus the Division of Biological Sciences.

With 103 undergraduate majors and 80 graduate programs, the university offers the most expansive and diverse range of academics among any of the University of California campuses. Additionally, students also have the opportunity to combine majors or customize their field of study by creating an individual major.

For those interested in graduate degrees – whether it be a master's degree or a doctorate – UC Davis offers advising services to help students craft their education toward those goals. An estimated 86 percent of UC Davis students applying to graduate schools earn acceptance to either their first or second choices.

COMMUNITY

With a population of approximately 60 thousand, Davis is widely known for being a safe, active and socially innovative community.

The downtown area boasts a multitude of specialty shops, restaurants, theaters and art galleries; while the city's numerous parks offer recreational opportunities for active students.

ACTIVITIES

On campus, UC Davis students can rally around the highly successful athletics department by joining the Aggie Pack spirit organization, or enjoy a first-class performance at the Robert & Magrit Mondavi Center for the Performing Arts.

The university also offers hundreds of student clubs and organizations, including cultural clubs, fraternities and sororities, faith-based organizations and the Associated Students of UC Davis student government.

For the active Aggie, students may participate in the diverse intramural sports program or join one of the 30-plus sports clubs. In 2004, the Activities & Recreation Center (ARC) opened its doors, providing the campus with its own state-of-the-art fitness venue.

In April, UC Davis hosts Picnic Day, an annual student-run open house. The popular event showcases all that the campus has to offer, attracting students, staff, faculty, parents, alumni and members of the surrounding communities.

GETTING AROUND

Nestled just southwest of Sacramento, the city of Davis rests just 15 minutes from an international airport, and contains a downtown station serviced by Greyhound and Amtrak. Centrally located in the Sacramento Valley, the town sits equally close to both the finest ski resorts and the Pacific Ocean's top beaches.

Within Davis and its neighboring towns, both Yolo-bus and the student-operated Unitrans bus systems offer free transportation to registered undergraduates.

The town boasts more bicycles per capita than any other city in the nation. More than 50 miles of bike paths make the entire town conducive to both riders and pedestrians.

CAMPUS LEADERSHIP

LINDA KATEHI

Linda Katehi became the sixth chancellor of the University of California, Davis, on August 17, 2009. As chief executive officer, she oversees all aspects of the university's teaching, research and public service mission.

Chancellor Katehi (kah-TAY-hee) also holds UC Davis faculty appointments in electrical and computer engineering and in women and gender studies. A member of the National Academy of Engineering, she chairs the President's Committee for the National Medal of Science and is chair of the Secretary of Commerce's committee for the National Medal of Technology and Innovation. She is a fellow and board member of the American Association for the Advancement of Science and a member of many other national boards and committees.

Previously, Chancellor Katehi served as provost and vice chancellor for academic affairs at the University of Illinois at Urbana-Champaign; the John A. Edwardson Dean of Engineering and professor of electrical and computer engineering at Purdue University; and associate dean for academic affairs and graduate education in the College of Engineering and professor of electrical engineering and

computer science at the University of Michigan.

Since her early years as a faculty member, Chancellor Katehi has focused on expanding research opportunities for undergraduates and improving the education and professional experience of graduate students, with an emphasis on underrepresented groups. She has mentored more than 70 postdoctoral fellows, doctoral and master's students in electrical and computer engineering. Twenty-one of the 42 doctoral students who graduated under her supervision have become faculty members in research universities in the United States and abroad.

Her work in electronic circuit design has led to numerous national and international awards both as a technical leader and educator, 16 U.S. patents, and an additional six U.S. patent applications. She is the author or co-author of 10 book chapters and about 600 refereed publications in journals and symposia proceedings.

She earned her bachelor's degree in electrical engineering from the National Technical University of Athens, Greece, in 1977, and her master's and doctoral degrees in electrical engineering from UCLA in 1981 and 1984, respectively.

FRED WOOD

Fred Wood assumed the role of Vice Chancellor for Student Affairs on August 1, 2007. Dr. Wood oversees programs and services that enhance the academic and personal development of students, including intercollegiate athletics. He also provides administrative leadership to a Division of over 50 student support programs and to a team of over 800 staff members. In addition, he manages a budget of over 30 million dollars. He advises the Chancellor on matters relating to students, enrollment, access, retention, and campus climate.

Wood earned his bachelor's and Ph.D. from UC Davis in Chemistry in 1980 and 1984. Soon after graduating, he began his faculty appointment in Chemistry and also served the College of Letters and Science as the Associate Dean, a position he held for 13 years. Most recently he served as the Associate Vice Provost of Undergraduate Studies and Interim Vice Provost of Undergraduate Studies. He is a 2003 graduate of the Harvard University Executive Leadership and Management Institute, and also a graduate of the University of California Management Institute.

Dr. Wood is a member of several professional organizations including American College Personnel Association, National Association of Student Personnel Administrators, and the National Association of College and University Busi-

Vice Chancellor for Student Affairs

ness Officers. He also serves on the Council of Deans and Vice Chancellors at UC Davis, as well as over twenty different committees and councils on and off campus.

Several priorities he is focusing on in Student Affairs include building bridges within Student Affairs and with academic affairs; increasing the diversity of our student population by reaching out to students who are disadvantaged and underrepresented; recruitment and admissions; increasing the number of students transferring to UC Davis from community colleges and helping with their transition; develop an inclusive community for all of our students; work to help new students effectively navigate the university; improve retention and graduation; improve accountability and transparency; improve student health; increase fundraising efforts to help support our units and their needs; maintaining affordability for students to attend college; and keeping up with the latest technology to provide our staff, faculty and students with the most up to date and accurate information.

Dr. Wood continues to teach undergraduate students while serving in his administrative role and maintaining a focus on continually improving the services available to undergraduate and graduate students.

UC DAVIS ATHLETICS

GREG WARZECKA

Director of Athletics

On August 1, 1995, Greg Warzecka became the 11th director of athletics at UC Davis. In the decade-plus since, the Aggie athletics program has enjoyed unprecedented success under his guidance.

Warzecka's penchant for progress began from his first year as director when he was charged with the task of fully engaging the campus in discussions regarding whether or not UC Davis would offer athletics-related financial aid. One year later, the campus announced the launch of its first-ever grant-in-aid program.

Warzecka has also overseen UC Davis' transition into two conferences in his short tenure. In 1998, the Aggies moved from the now-defunct Northern California Athletic Conference to the powerful California Collegiate Athletic Association.

Then in 2003, the UC Davis program announced that it would join the Big West Conference and thus reclassify from NCAA Division II to Division I status. Under Warzecka's guidance, the Aggie athletics program increased its grant-in-aid allocation nearly tenfold to approximately \$5 million. During this period, he also engineered a substantial upgrade in athletics facilities, most notably the Schaal Aquatics Center (2004), the Marya Welch Tennis Center (2005) and the multi-use Aggie Stadium (2007).

During Warzecka's tenure, UC Davis captured six NACDA Division II Directors' Cups as the most outstanding overall program in the country. For his part, NACDA selected Warzecka as its A.D. of the year for the D-II West Region in 2001-02.

Furthermore, the editors of *Sports Illustrated* magazine lauded the Aggie program on three different occasions. In 1999 and 2000, *Sports Illustrated For Women* named UC Davis as the top Division II school for women athletics. One year later, *SI* selected UC Davis as its top D-II school for the 2001-02 year.

Before turning to administration, Warzecka had been a successful baseball coach, first as an assistant at his alma mater, UC Berkeley. He then served as head coach at San Francisco State, then at the University of Chicago, where he also served his first post as men's athletics director. Warzecka returned to California in 1989 to become the A.D. at the University of Redlands, where he remained until he joined the Aggie athletics staff.

He earned his Bachelor of Arts degree in physical education from Cal in 1975 and his Master of Science with an emphasis in athletic administration from Cal State Hayward in 1983.

NONA RICHARDSON

Senior Associate Director of Athletics/Senior Woman Administrator

Nona Richardson was named Senior Associate Athletics Director at UC Davis in March 2007. She brings extensive experience to her role at UC Davis which includes overseeing compliance, student services and sports medicine programs, as well as sport supervision.

Richardson has experienced intercollegiate athletics from a variety of roles, most recently during her tenure at Ball State, where she served as the senior woman administrator. There she oversaw daily operations for sports medicine, and strength and conditioning while also supervising seven sports, including women's basketball and women's volleyball. Her contributions at Ball State also included student-athlete services, community outreach programming, career development education, student-athlete awards, and other related areas while also serving as a Title IX and gender equity resource.

Prior to Ball State, Richardson was Associate Director of Athletics and SWA at Valparaiso University for seven years, where she served in similar capacities while also serving as Compliance Coordinator for the 18-sport athletics program. Her duties also involved student-athlete eligibility, event management and other key administrative responsibilities.

Richardson has served on numerous committees throughout her distinguished career, including the NCAA

Division I Volleyball Committee (2000-02) and Volleyball Officials Sub-Committee (2001-02). She has also been a member of committees for the Mid-Continent Conference and the National Association of Collegiate Women Athletics Administrators (NACWAA), the latter for which she also served as a board member.

Richardson has presented at several national conferences, is a member of NACWAA and the National Association of Girls and Women in Sports, and has won several awards including NACWAA's Dr. Nell Jackson Award (2000).

Her athletics administrative tenure was preceded by a volleyball coaching career that was highlighted by head coaching positions at Eastern Michigan (1987-95) and Valparaiso (1996-99) and an assistant coaching assignment at Kentucky (1984-87). Richardson was also an assistant coach at the U.S. Olympic Sports Festival in 1991.

Richardson was a standout volleyball player at Michigan State (1978-81) where she was a team co-captain, MVP and a member of the Association for Intercollegiate Athletics for Women (IAAW) All-State team.

She received her Bachelor of Science degree in Physical Education from Michigan State in 1983 and her Master of Arts and Liberal Studies in Human Behavior and Society from Valparaiso University in 1999.

HOME OF THE AGGIES

The palatial Activities & Recreation Center (ARC) offers a wide array of fitness areas, including full-size basketball courts, a multi-use activity center for indoor soccer or hockey, a running/jogging track, weight rooms, aerobics facilities, squash and racquetball courts, and a rock-climbing wall. Additional amenities include a wellness center, student lounges and opportunities for conferences and special events.

The Pavilion, formerly known as Recreation Hall, serves as home court for UC Davis basketball, volleyball, wrestling and gymnastics, as well as concerts and special events. With a seating capacity of nearly 8,000, the Pavilion ranks as one of the largest on-campus arenas in Northern California.

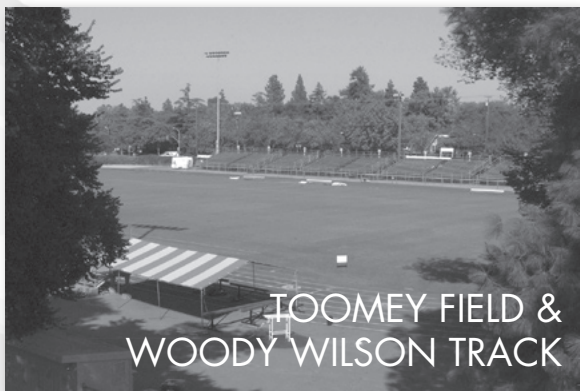

The former Lower Hickey Gym, the first home of women's athletics in the post-Title IX era, was converted to a first-class practice facility for the Aggie gymnastics team in 2005.

Recognized in 1999 as "Softball Field of the Year" by the Sports Turf Managers Association, La Rue Field hosted five NCAA West Region Softball Championships in the past decade. Recent additions include batting cages, covered dugouts and improved press areas.

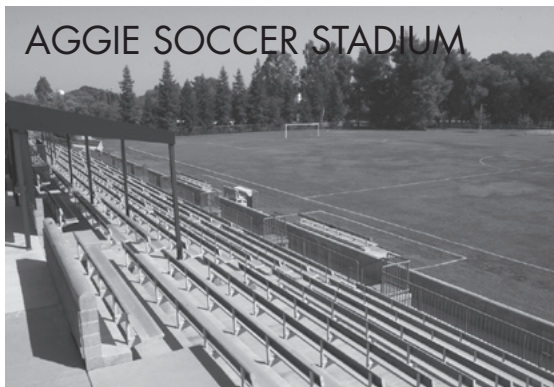

The Ted & Rand Schaal Aquatics Center hosted its first event in January of 2004. The complex features an Olympic-sized pool, locker rooms, team rooms, office space and permanent seating for approximately 500 spectators. The aquatics center will allow UC Davis to host championship events, including the 2006 NCAA Women's Water Polo Championships.

TOOMEY FIELD &
WOODY WILSON TRACK

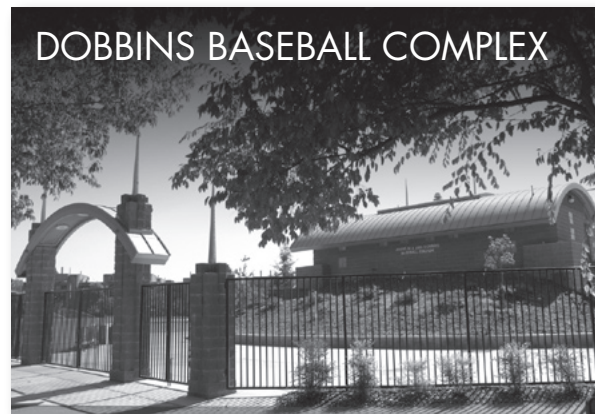

Built in the late 1940s, Toomey Field has hosted numerous championship events for football, track & field and lacrosse. During the 2000 Olympic Trials, standouts Marion Jones and Michael Johnson used the Woody Wilson Track as a practice facility.

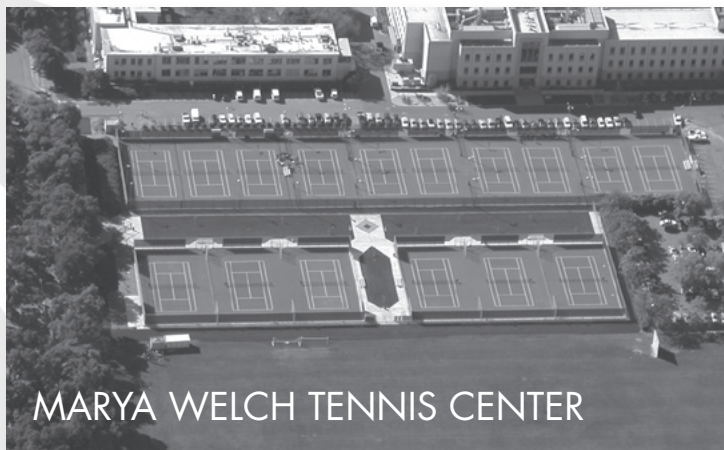

AGGIE SOCCER STADIUM

Dobbins boasts one of the finest playing services in Northern California. In 2002, the stadium was enhanced to include a press box, a renovated entrance and permanent concession/restroom facilities.

Both Aggie Stadium (left), the home of soccer, and the James & Ann Dobbins Baseball Complex (below) were the result of volunteer efforts dating back to the mid-1980s.

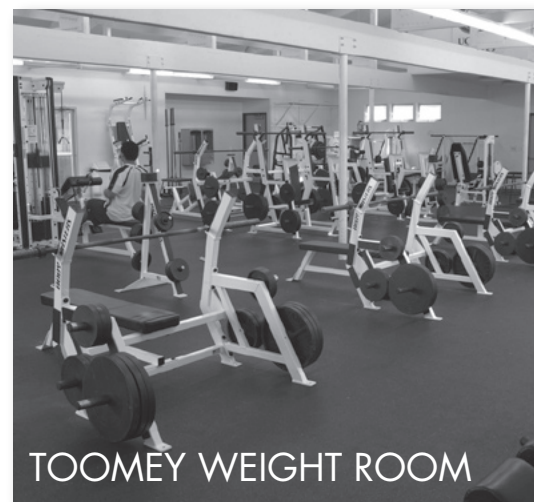

DOBBINS BASEBALL COMPLEX

MARYA WELCH TENNIS CENTER

Dedicated in April 2005, the Marya Welch Tennis Center represents an expansion of the former Hickey Tennis Courts. Recent additions include grandstands and canopied benches for the north courts.

TOOMEY WEIGHT ROOM

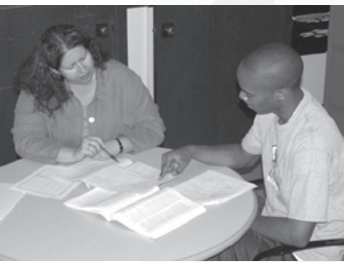

UC Davis student-athletes welcomed the expanded weight room, located inside Toomey Field. In addition to nearly tripling in size the previous facility, the upgrade also included all new equipment, restrooms and office space.

AGGIE STADIUM

Aggie Stadium serves as the home facility for the football, women's lacrosse and women's field hockey teams. The multi-use venue features an all-weather Sportex playing surface, a first-class press box, full locker rooms, restrooms and concessions. The initial design has seating for 11,000 to 15,000 spectators, with an eventual build-out to as many as 30,000.

STUDENT-ATHLETE ACADEMIC SERVICES

204/208 Hickey Gym • (530) 752-3259

UC Davis ranks among the leaders in NCAA Postgraduate Scholarship Awards and Academic All-District/America honorees, and has claimed a record three winners of the NCAA Woman of the Year Award. Student-Athlete Academic Services deserves much of the credit for these accomplishments.

The office started in 1988 with a single staff member serving as a centralized resource for academic advising, eligibility information and campus referrals. The office has since expanded to include additional academic advisors, an athletic aid coordinator, an assistant eligibility coordinator and an administrative assistant. It is headed by Nona Richardson, senior associate director of athletics.

The Student-Athlete Academic Services office provides a range of services to student-athletes on all 26 intercollegiate athletics teams, including assistance with course and major selection as well as interpretation and clarification of eligibility rules and issues.

UC Davis student-athletes typically have a minimum of three academic advisors: an athletic academic advisor assigned by sport, a college advisor, and a major advisor (if the student has a declared major). Although appointments with the athletic academic advisors are not mandatory at UC Davis, student-athletes might choose to see their athletic academic advisor for issues including:

- General education (GE) requirements
- Dropping/adding courses
- Time management/study skills
- Assistance completing the mandatory Academic Plan Form
- Study hall for student-athletes
- Personal issues that affect academic performance
- Choosing a major/career
- Declaring or changing a major
- Exploration of opportunities beyond athletics
- Preparation for graduate programs
- Preparation and application for NCAA Postgraduate Scholarships and other national awards

ATHLETIC TRAINING / SPORTS MEDICINE

Dick Lewis Training Room (115 Hickey Gym) • (530) 752-0647

The Pavilion Training Room • (530) 752-7515

Known collectively as “The Healer of Champions”, the UC Davis athletic training staff comprises five full-time certified athletic trainers, a full-time physical therapist/certified athletic trainer and approximately 24 student athletic trainers. Together, they are responsible for providing medical care to the 800-plus student-athletes that compose UC Davis’ 26 varsity teams.

The student athletic trainers serve two to three years with the program, logging in more than 1,500

hours and gaining valuable clinical education in a hands-on environment. The internship is ideal for any student interested in a graduate program in athletic training, as well as any medical or allied medical profession.

The ARC Pavilion training room contains extensive resources and equipment for the rehabilitation of injured athletes. The staff physical therapist is headquartered there as well.
