SPIEKER AQUATICS CENTER

The UCLA men's water polo team begins its eighth season playing at Spieker Aquatics Center in the fall of 2016. Over the past seven seasons, UCLA has logged a 62-7 (.899) record at its state-of-the-art home facility, where it won its 10th NCAA title in school history in 2016.

Spieker Aquatics Center opened in September 2009, in time for the start of the men's water polo season that fall. PCL Construction broke ground on the facility in July 2008. The athletics department officially opened Spieker Aquatics Center on Sept. 26, 2009, as the men's water polo team defeated UC Irvine, 10-4, after a dedication ceremony that evening.

In 2016, UCLA is slated to play seven regular-season games (includes the Alumni Match) at Spieker Aquatics Center. The Bruins' home will also be the site of the 2016 MPSF Men's Water Polo Championship (Nov. 18-20).

In the fall of 2011, UCLA hosted the MPSF Tournament (Nov. 25-27), using Dirks Pool at Spieker Aquatics Center. The Bruins took full advantage of their home court and won the Conference Tournament by beating top-ranked USC, 10-9, in sudden victory overtime on Nov. 27, 2012. The Bruins can also use the pool at Sunset Canyon Recreation Center when hosting larger events.

The Bruins' women's water polo program hosted the MPSF Tournament in May 2009, taking advantage of the home setting to win the title at the three-day event.

Entering its sixth full season as UCLA's home pool, Spieker Aquatics Center features a 52-meter by 25-yard all-deep water pool with a dividing bulkhead, allowing races to take place at varying distances (meters, versus yards). The pool also has four platforms on a diving tower, at heights of three, five seven and one half, and 10-meter platforms, as well as one and three-meter springboards. In addition, the aquatics center features a warming pool for divers directly behind the tower.

Adjacent to Sunset Canyon Recreation Center on the northwest portion of campus, the Spieker Aquatics Center was made possible thanks to a generous lead gift from former student-athlete Tod Spieker and his wife, Catherine. Tod, a 1971 UCLA graduate and All-American, swam for the Bruins from 1968-71 and still competes successfully in Master's Swimming.

The main pool, Dirks Pool, is named after Carolyn Dirks, who provided the lead gift for the swimming pool. Dirks Pool has also been used for special use events and Masters Swim meets. The signature feature of the Spieker Aquatics Center is the diving tower, which sits at the west end of the pool. The east end of the pool houses the new

scoreboard, an LED, state-of-the-art piece of electronics, making scores, statistics and messages easily visible to all in attendance.

Next to the scoreboard is the "Wall of Champions", showcasing all of UCLA's water polo, swimming and diving national championship teams, and individual student-athletes' achievements, record-holders and Olympians.

Separate men's and women's locker rooms house enough lockers for all team members, with shower space and bathroom stalls and sinks for each team. Equipment needed for meets and matches have storage capacity on the facility's south side.

When walking through the public entryway to the center, visitors first notice the Donor Wall. All donors who generously made gifts to the Spieker Aquatics Center are recognized on this wall. Additionally, over 50 former UCLA water polo players, swimmers and divers made gifts to "name" a locker. Those names will forever be part of the locker rooms in the new facility.

The state-of-the-art facility brings together all three of UCLA's intercollegiate aquatic sports – water polo, swimming and diving – to one venue. The aquatics center features event lighting and permanent seating with the possibility of additional temporary seating for larger events.

GUIDE TO WATER POLO POSITIONS

GK – goalkeeper, ATT – attacker/driver,
 CTR – center, DEF – defender, UTL – utility

Attacker: Similar to the guard and forward positions in basketball. Look for these players to shoot often and create offensive chances for their teammates, as well as disrupt the opponents' offensive play. Also known as a driver.

Center Offense/Defense: Similar to the post position in basketball. These players station themselves in front of goal, engaging in physical battles for position. Defenders are similar to football safeties by preventing opponent breakaways on counterattack.

Adam Wright begins his eighth season as UCLA's head men's water polo coach in 2016 with an overall record of 181-30 (.858) and an MPSF mark of 48-9 (.842). His teams in 2015 and 2014 both earned perfect APR (Academic Progress Rate) scores of 1,000.

He was named the 2015 ACWPC Division I Coach of the Year for the second consecutive season after guiding UCLA to its 10th NCAA Championship in school history (113th overall at UCLA) with a 10-7 win over USC. The Bruins ended the year with a 30-0 record and went a perfect 9-0 in the MPSF for its second-consecutive undefeated league season. UCLA also went 4-0 on the year against USC. The undefeated overall season was the first for UCLA since the 1969 team went 19-0, marking the fourth undefeated season all-time in NCAA men's water polo's modern history. The Bruins enter 2016 with a 33-game winning streak (second-longest in school history) and a 24-game winning streak in the MPSF.

Under Wright's guidance, 45 Bruins have secured ACWPC All-America honors, including 13 first team honorees. He has also produced two Olympians for Team USA in 2016 in Josh Samuels and Alex Roelse. Under his tutelage, redshirt freshman goalkeeper Garrett Danner was UCLA's first player to be named MPSF Newcomer of the Year in 2013 and in 2016 became just the second Bruin to win the Cutino Award and the third overall winner as UCLA's Sean Kern won the first two awards in 1998 and 1999. Wright has produced two MPSF Players of the Year, including Danner in 2016 and Scott Davidson in 2009, who became the first Bruin to secure MPSF Player of the Year honors since 2000 (Sean Kern).

Wright was also named the 2014 ACWPC Division I Coach of the Year after guiding UCLA to its ninth NCAA Championship in (112th overall at UCLA) with a 9-8 win over USC. The Bruins were 29-3 overall and went 8-0 in the MPSF for the first time since 2004, the last previous national title year.

A former standout in the pool at UCLA, Wright competed in his third Olympics for the USA Men's Water Polo Team in July of 2012 in London.

Named UCLA's fourth head coach in program history on June 3, 2009, Wright has guided the Bruins to three MPSF Tournament titles (2009, 2011 and 2015), two NCAA titles and three runner-up finishes at the NCAA Tournament in his seven seasons at the helm.

UCLA won MPSF Tournament titles in 2009 and 2011 and advanced to the title match of the NCAA Tournament both seasons. In 2010, the Bruins finished in a tie for second place in the MPSF regular-season standings and posted a fourth-place finish at the MPSF Tournament. In 2012, the Bruins fell to USC in the national championship game 11-10.

Wright was named MPSF Coach of the Year in 2011 after having led UCLA to the MPSF Tournament title and a runner-up finish at the NCAA Tournament.

In 2013, Wright guided the Bruins to the nation's best record in the country at 28-4. UCLA also defeated six-time defending champion USC two out of three times that season and lost all four games during the season by a combined total of five goals. But the Bruins lost their last two games of the MPSF Tournament, an 11-10 setback to Stanford in the semifinals and a 10-9 defeat to Pacific in the third-place game, and were not selected to the NCAA Tournament.

The Bruins produced another great season under Wright in 2012, going 28-5 with a 7-1 mark in MPSF play. UCLA also had a solid season in 2011, going 24-5 with a 6-2 record in conference action. UCLA entered the MPSF Tournament with a 20-4 record, before recording three consecutive overtime wins, all by one goal, to win the tournament title. UCLA edged USC, 10-9, in sudden victory overtime in the championship match before a standing room only crowd at the Bruins' Spieker Aquatics Center.

UCLA advanced to the 2011 NCAA Tournament championship match with a 10-1 win over UC San Diego, its best defensive effort in any NCAA Tournament match since 1971. The Bruins lost a 7-4 decision to crosstown rival USC in the championship match.

In 2009, UCLA's path to the NCAA Tournament came as a result of hard work, discipline and a strong finish at the MPSF Tournament, culminating in the Bruins' first conference tournament title since 2000. After opening MPSF play with consecutive losses in October, Wright knew that the Bruins would have to win the MPSF Tournament to have any chance at playing for a national title. He adjusted the team's practice and conditioning regimen, preparing the Bruins for the three-day tournament setting.

After finishing fourth in the MPSF regular-season standings, UCLA surged in the conference tournament. The Bruins opened with an 8-5 win over No. 5-seed Pepperdine and downed No. 1-seed and tournament host USC, 10-6, the following day. UCLA claimed the tournament title with a 10-7 win over No. 3-seed California, which was fresh off an upset of No. 2-seed Stanford.

Prior to his tenure as head coach, Wright was a four-year letterwinner at UCLA from 1997-2000, helping lead the Bruins to back-to-back NCAA titles in 1999 and 2000. Following his collegiate career, he served as a key member on the USA National Team, participating in the 2004 and 2008 Olympic Games. He helped lead Team USA to a seventh-place finish in 2004 (Athens) and to the silver medal in 2008 (Beijing).

Wright has continued training with the USA National Team while serving as UCLA's head coach and competed at the 2012 Olympics in London.

Wright served as an assistant coach with the UCLA men's and women's water polo teams during the 2008-09 school year. He helped guide the women's program to an unprecedented fifth consecutive NCAA

championship in May 2009. Following the 2008 men's water polo season, Wright played an integral role in securing the top men's recruiting class in the nation.

In addition, Wright served as an assistant coach with the varsity boys and girls water polo programs at Wilson High School (Long Beach, Calif.) from 2001-04. He helped coach the boys program to four consecutive CIF Division I championships and Moore League titles. Wright coached the girls team to two Moore League titles and two CIF Division I quarterfinal playoff appearances.

As a senior at UCLA in 2000, Wright scored 39 goals before earning honorable mention All-America acclaim and second-team All-MPSF honors. In 1999, he secured third-team All-America and second-team All-MPSF honors. That season, Wright led UCLA in assists (27) and was second in total points (48) and steals (39).

In his first two seasons, he scored 43 goals - 26 as a freshman and 27 as a sophomore. He gained second-team All-America honors in 1998 and was an honorable mention All-America and All-MPSF selection as a freshman in 1997.

Wright graduated from UCLA in 2001 with degrees in history and sociology.

Following his collegiate career, Wright competed in the European League (Italy and Russia) for Bissolati Cremona, Civitavecchia SNC, Nuoto Catania and Dynamo Moscow from 2004-08. He has competed for the U.S. National Team in all major tournaments from 2001-11, helping lead Team USA to the gold medal at the 2003 and 2007 Pan American Games as well as the 2005 ASUA Cup (Mexico City).

Wright, 39, is married to Kerry Norris, a former UCLA women's soccer player. He and his wife reside with their daughter, Rome, and son, Zsolt, in Los Angeles.

Falitz won an NCAA title with the Bruins in his first year as UCLA went 30-0, defeating USC, 10-7, in the national championship game.

In addition to serving as an assistant coach at UCLA, Falitz is the Head Boy's Coach and the 16U Coach for the Rose Bowl Water Polo Club, positions he has held since 2012. ANTHONY DABOUB

MOUNTAIN PACIFIC SPORTS FEDERATION

The Mountain Pacific Sports Federation (MPSF) was established during the 1992-1993 season to serve the competitive needs of member institutions from the Big West, Pacific-10 and Western Athletic Conferences, as well as other selected universities in the western United States; and to provide championships competition for Division I intercollegiate Olympic sports in a conference setting. The founding principles on which the MPSF was originally formed were to provide enhanced competition and championship opportunities for sports without conference affiliation; to contain the costs of competition; and to ensure the survival of sports impacted by Title IX and other fiscal pressures. The Federation has also served as an incubator for emerging women's sports and as a safe harbor for sports impacted by conference realignments. Since its inaugural season, the Federation has seen its primary conference membership grow by the addition of the Mountain West and West Coast Conferences and their respective member institutions, as well as the addition of women's water polo, women's gymnastics, women's lacrosse and men's and women's swimming. As a testament to its viability, the Mountain Pacific Sports Federation continues to successfully navigate the ever-changing sea of college sports by fostering contraction and expansion of its sports portfolio to meet the dynamic needs of its members. As the MPSF begins its 25th season during the 2016-2017 academic year and continues its legacy of championship competition, it affirms the vision of its founders and the relevance of its three founding principles, particularly during today's

tumultuous economic times.

In 2016-2017, the MPSF will sponsor competition in 10 intercollegiate Olympic sports, while serving 90 teams from 39 universities across 10 states. All MPSF teams compete at the NCAA Division I level in men's and women's water polo, men's and women's indoor track and field, men's and women's gymnastics, men's and women's swimming and diving, women's lacrosse, and men's volleyball. MPSF team champions are eligible to compete in the NCAA Championships with men's and women's water polo, men's volleyball, and women's lacrosse champions earning automatic qualification. Competing in an MPSF Championship this year for the first time is the men's water polo program from Penn State Behrend, as well as the men's and women's indoor track and field teams from UC Riverside.

During the 2015-2016 academic year, the MPSF matched its all-time high of five NCAA team championship titles, while extending the streak to 12 straight years with at least four. The federation also collected a high of five national championships during the 2007-08 and 2008-09 years. This past year, UCLA Men's Water Polo, USC Women's Water Polo, Oregon Men's and Women's Indoor Track and Field, and Oklahoma

Men's Gymnastics brought the MPSF's total to 85 NCAA titles since the first season of competition in 1992-93. With the Bruin men and Trojan women winning NCAA Water Polo titles, the MPSF has captured all 40 national championships in the sport since the inaugural year of the conference

(24 men, 16 women). USC led the MPSF with three conference

championships in 2015-16 (women's water polo, women's lacrosse, men's indoor track & field). The Oklahoma Men's Gymnastics team has brought home the last five MPSF Championships, the longest current streak amongst all federation sports, as well as an all-sports MPSF record 15 conference titles.

Al Beaird has been the Federation's only executive director, taking the reins after being selected by the MPSF Administrative Committee in December 1997 after a national search. Beaird's position was established as a result of the Federation's continued growth and emerging tradition of NCAA and national championship caliber play, including 63 NCAA team championships during his tenure. Beaird, who formerly served on the athletics staff at his alma mater, UC Davis, where the integration of student and athlete is a long-rooted philosophy, oversees the administration of all Federation sports, having worked closely

with administrators and coaches from more than 50 different universities over the course of his administration. Beaird presided over the transition of the Federation from what was initially a scheduling alliance to what is now nationally recognized as the most successful NCAA Division I Olympic sports conference. Beaird directs all aspects of MPSF competition, including championships, officiating, rules compliance, scheduling, media relations, broadcasting, sponsorships and NCAA relations, while also shaping conference legislation, facilitating annual meetings and providing direction and communication for the Mountain Pacific Sports Federation Administrative and Executive Committees. In 2004, Beaird completed a four-year term, three years as chair, on the NCAA Men's Water Polo Championships Committee and one year as chair of the inaugural NCAA Men's and Women's Water Polo Rules Committee. Beaird feels privileged to work with coaches and student-athletes who compete at the highest levels, including those who compete on USA national teams as coaches or players in international and Olympic competition. With his in NCAA Olympic sports, Beaird has been called upon to serve as liaison to the national governing bodies for amateur athletics in the United States and the United States Olympic Committee. Beaird received his undergraduate degree in physical education from UC Davis before attaining his Masters of Business Administration from California State University, Sacramento. Beaird, who lives in Woodland, California, has two daughters.

UCLA'S FORMER HEAD COACHES

Bob Horn

Bob Horn served as UCLA's head men's water polo coach for 28 seasons before retiring at the conclusion of the 1990 campaign. That fall, he led the Bruins to a third-place NCAA finish and 24-8 record.

In a prolific career that spanned four decades, Horn guided UCLA to three NCAA championships, four runner-up awards and seven third-place finishes. The Bruins secured 13 league titles under Horn, and his 1988 squad captured the Club National Championship, marking the first time a team comprised entirely of collegians won the Club National Title.

Horn tutored 36 first-team All-America selections and nine Olympians. He guided UCLA to 50 consecutive victories over five years, coaching four undefeated squads. He retired with an overall record of 487-188-8 and a 102-62 mark in league play. Selected as the 1965 water polo "Coach of the Year", Horn also doubled as UCLA's swimming coach from 1963-74. In 1976, he was inducted into the U.S. Water Polo Hall of Fame.

Guy Baker

Guy Baker led the UCLA men's and women's water polo programs to seven national titles in a 10-year span. He left the water polo programs in January 2001 to become head coach of the U.S. Women's Water Polo National Team, a position he held through the spring of 2009.

Baker established UCLA as the dominant men's program of the 1990s with four men's NCAA championships (1995, 1996, 1999, 2000) and three national collegiate women's titles (1996, 1997, 1998). He earned National Coach of the Year honors four times (1995-96 men, 1997-98 women) and coached the Women's National Team at the 2004 and 2008 Olympics.

Baker led the 2006-07 Women's National Team to gold medals at the 2007 World Championships, the 2007 World League Super Final and the 2007 Pan-American Games, where the team secured its qualifying spot for the 2008 Olympic games. Baker's combined record at UCLA was 265-97 overall and 64-28 in league games.

Three of his athletes were each named National Player of the Year twice — Coralie Simmons, Sean Kern, and Matt Swanson. In all, Bruin athletes secured All-America honors 52 times and eight players competed in the Olympics under Baker.

Adam Krikorian

Adam Krikorian served as head coach of the men's water polo team from 1999-2008 and as head coach of the women's program from 1999-2009. Krikorian now serves as the head coach of the U.S. Women's Water Polo National Team. He guided Team USA to its first-ever Olympic gold medal in women's water polo in 2012 in London and followed that with another gold in 2016 in Rio.

As head coach of both UCLA water polo programs, he helped lead the Bruins to 11 national championships (three men's, eight women's). He coached the men's water polo team to NCAA titles in 1999, 2000 and 2004. As head coach of the women's program, Krikorian guided UCLA to the 2000 National Collegiate Championship and NCAA titles in 2001 and 2003 before reeling off five consecutive NCAA championships (2005-09).

Between the two UCLA water polo programs, Krikorian coached six Peter J. Cutino Award recipients, seven National Player of the Year selections and 12 Olympians. He led the UCLA men's and women's teams to national championships in the same academic year on three occasions (1999-00, 2000-01 and 2004-05).

Krikorian assumed head coaching duties of the U.S. Women's Water Polo National Team following the 2009 collegiate spring season and helped guide Team USA to the gold medal at the 2009 FINA World Championships in Rome.

Krikorian was a four-year water polo letterwinner at UCLA (1992-95), helping lead the men's program to the 1995 NCAA Championship at the conclusion of his senior season (the program's first national title since 1972).

DR. JAMES PUFFER LOYALTY & CONTRIBUTION AWARD

Dr. James Puffer was a three-year water polo letterwinner (1969-71) and member of two national championship teams (1969, 1971) at UCLA. He earned his doctorate degree from UCLA Medical School in 1976, attaining a family practice residency at UCLA Medical Center upon his graduation. He was named Chief of the Division of Family Medicine in 1983 and helped to make the discipline a department in 1997, of which he chaired until 1998.

An instrumental figure within the UCLA Athletic Department, Dr. Puffer served as a team physician and Chief of Sports Medicine until his departure in 2001. He was an Olympic team physician during the 1988 Olympics in Seoul, Korea. In 1991, Dr. Puffer was instrumental in raising funds to endow the men's water polo program when its existence was at risk. He served as a mentor to UCLA student-athletes and coaches alike.

In December of 2001, Dr. Puffer left UCLA to assume the position of Executive Director of the American Board of Family Practice in Lexington, Kentucky. Puffer said at the time that he could not pass up "the opportunity to provide effective and dynamic leadership to my discipline." In his honor of leadership and devotion to UCLA, the Dr. James Puffer Loyalty and Contribution Award was established in 2001.

JACK BARITEAU MOST INSPIRATIONAL AWARD

Jack Bariteau was a three-year water polo letterwinner (1968-70) for the Bruins, helping guide UCLA to its first-ever NCAA championship in men's water polo in 1969. Bariteau played for the Bruins under long-time head coach Bob Horn. Since his days as a student at UCLA, he has been a tremendous benefactor to the men's water polo program.

Bariteau, along with a group of other former men's water polo players, helped launch a campaign in the early 1990s to preserve the men's water polo program at UCLA as an NCAA sport. Bariteau's name now graces the team's "Most Inspirational Award," in honor of his service to UCLA and commitment to the men's water polo program as an alumnus.
