JENNIES FIELD AT THE SOUTH RECREATION COMPLEX

The University of Central Missouri's South Recreation Complex is in its ninth season as home of the Jennies soccer team. The Jennies have compiled a 68-22-4 (.761) record there, with the best seasons coming in 2009 (8-0-0) and 2010 (9-0-0).

The complex is situated in the southeast part of Warrensburg off DD Highway.

The first phase of the complex included the construction of Jennies Field, home of UCM's women's softball team. It features permanent seatback chairs, spacious dugouts, fenced-in bullpens, a scoreboard and a sprinkler system, as well as three additional playing fields that are used for tournaments and intramurals. Jennies Field has dimensions of 200 feet to all fields and has an eight-foot-high outfield fence.

Phase two brought Jennies Soccer Field, as well as a building that houses offices, locker rooms and storage areas. Jennies Soccer Field comes complete with scoreboard, lights, and bleacher seating for 500. In the Spring of 2005, UCM added a new sound system and permanent awnings to the bench areas. In 2008, a new fence was added around the field.

Prior to inhabiting their new home at South Recreation Complex, the Jennies played at Audrey J. Walton Stadium / Vernon Kennedy Field. There they went 26-18-0 (.591).

Overall, the Jennies are 94-40-4 (.686) at home since beginning soccer competition in 1995.

Lewis Theobald
Head Coach
Alma Mater:
University of Kansas
(1999)

Four-time MIAA Coach of the Year, Lewis Theobald enters his sixth season as head coach at Central Missouri with an impressive 79-16-8 record. He recorded more wins in his first three seasons than any other coach in school history. Theobald, currently tied with Jennies' soccer first ever head coach Al Iantorno with 79 wins, is one victory away from becoming the all-time winningest coach in Jennies' soccer history.

Theobald has coached two All-Americans in Alyssa Rhodes and Randi Fernsler, and has led 21 players to All-Region status. He has also coached 43 All-Conference players, including Most Valuable Player Melanie Hall, two-time Player of the Year Rhodes, and Freshman of the Year Nicki Wisnasky.

Central Missouri finished the 2011 season with a 19-2-0 overall mark, participating in the NCAA Tournament for the second consecutive season and fifth time in program history. The Jennies went 8-0-0 in the MIAA, capturing the conference regular season title and the tournament title. Central Missouri had 11 selected to the All-MIAA Teams, four All-Region honorees and one Daktronics All-American in Rhodes.

Central Missouri finished the 2010 season with a 19-1-0 overall mark, participating in the Sweet 16 of the NCAA Tournament for the first time in program history. The Jennies went 16-0 in the MIAA, capturing

the conference title. Along the way UCM broke many program and league records, finishing ranked ninth in the nation. They also had 11 players on the All-MIAA team, six on the all-region squad, and one NSCAA All-American, Alyssa Rhodes.

The Jennies posted a 13-5-2 mark in 2009, just missing the national tournament for the first time in four years. Theobald led eight players to All-MIAA status, the most named to this team since 2001, and two players to the all-region team. The Jennies collected a 0.58 goals against average, the lowest since 1998, and their first undefeated season at home, going 8-0.

Theobald led the Jennies to a record-breaking 2008 campaign, recording the most wins for the program with a 15-4-2 record, setting the mark for most consecutive wins with 13, and winning their second conference title in as many years. Theobald was recognized as the NSCAA/Adidas South-Central Regional Coach of the Year and MIAA Coach of the Year, leading his squad to the NCAA Tournament for a third straight season, this time as the No. 1 seed and host.

In his first season, Theobald guided the Jennies to a 13-4-4 record and the first conference title in school history. UCM advanced to the NCAA Tournament for the second consecutive year and won the school's first ever NCAA Tournament game before falling in the second round.

Theobald took over a program that made its first NCAA Tournament appearance in school history with a 12-5-3 record, while losing only one player to graduation.

Theobald came to UCM from Division I Indiana State in the Missouri Valley Conference, where he was the top assistant. While there, he was the lead recruiter and was responsible for scouting as well as game and player evaluations. He helped the Sycamores establish

HEAD COACH LEWIS THEOBALD

Prior to being at ISU, Theobald spent several years coaching high school soccer, premier club soccer and the Olympic Development Program in the Kansas City Area.

Jennies make it four MIAA Titles in past five years

University of Central Missouri Jennies soccer once again had an outstanding 2011 season, going an astounding 19-2-0 and a perfect 8-0-0 in the MIAA, their second straight undefeated conference campaign. They were MIAA Regular Season Champions for the fourth time in the last five years and won the MIAA Postseason Soccer Tournament in Kansas City. The Jennies also qualified for the NCAA Division II South Central Regional for the second consecutive season.

Going 8-0-0 in the MIAA and winning the MIAA regular season title for the second consecutive season, it's no surprise the Jennies dominated the All-MIAA postseason honors with 11 players named All-MIAA. Senior midfielder Alyssa Rhodes led the Jennies' selections as she was named the unanimous MIAA Player of the Year for the second consecutive season. Freshman forward Nicki Wisnasky was honored as the MIAA Freshman of the Year and Jennies' head coach Lewis Theobald was tabbed Coach of the Year by his peers for the second straight season, the fourth time in his five seasons at Central Missouri.

Joining Rhodes and Wisnasky on the first team was goalkeeper Brooke Cooley, junior defenders Jenna Stones and Kelsie Hanson, sophomore midfielder Becky Lackey, and sophomore forward Carly Stanley. Second team honorees were sophomore defender Cindy Lackey and sophomore midfielder Kristin Bright and honorable mention honors were garnered by junior midfielders Aaryn Burke and Kayla Shain.

The Jennies also had four named All-Region. Rhodes was a first team selection while Hanson, Stones and Stanley were selected to the third team.

Rhodes also was named a second-team All-American by Daktronics, her second straight All-American year.

Central Missouri also ranked third in NCAA Division II women's soccer home attendance for 2011. The Jennies drew 3,485 fans to their eight home matches, an average of 436 per match.

MIAA Titles Won

The Mid-America Intercollegiate Athletics Association, a 15-member conference (beginning in 2012-13) of NCAA Division II institutions in Missouri, Kansas, Oklahoma, and Nebraska, was first organized in 1912 as the Missouri Intercollegiate Athletic Association.

Over the past 100 years, the MIAA has gained the reputation of being one of the top NCAA Division II conferences in the nation. MIAA student-athletes have won 15 NCAA team championships and, since 1964, more than 160 individual national titles. The MIAA currently conducts championships in eight sports for men and nine for women.

For the men, champions are crowned in football, cross country, basketball, indoor and outdoor track & field, baseball, tennis and golf. The women compete for titles in volleyball, cross country, soccer, basketball, indoor and outdoor track & field, softball, golf and tennis.

The MIAA turned a new page on July 1, 1992, when the NCAA Division II conference changed its name from the Missouri Intercollegiate Athletic Association to the Mid-America Intercollegiate Athletics Association.

The decision to make the change originated in 1989, when Pittsburg State University and Washburn University became the first schools outside the state of Missouri to gain membership in the MIAA.

The conference was first organized in 1912 with 14 member institutions. Of those original members, the University of Central Missouri, Truman State University, and Northwest Missouri State University still remain a part of the MIAA.

The first change in membership came in 1924, when the MIAA reorganized to include only the five regional Missouri state colleges: Central, Truman (at the time known as Northeast Missouri State), Northwest, Southeast Missouri State University and Southwest Missouri State University (now Missouri State).

Over the next 56 years, three schools joined the membership: the Missouri School of Mines (later the University of Missouri-Rolla) in 1935, Lincoln University in 1970, and the University of Missouri-St. Louis in 1980.

The 1980s brought the biggest changes in the conference. In 1981, Southwest Missouri State University opted to move to NCAA Division I and the MIAA appointed its first full-time commissioner, Ken Jones, in July.

He would be in the position for 16 years, retiring in 1997. Former Gulf South and Metro commissioner Ralph McFillen succeeded Jones, serving 10 years before his retirement in 2007. Jim Johnson succeeded McFillen in July of that year and served as commissioner until September of 2010. Dr. Bob Boerigter succeeded Johnson in September 2010.

Southwest Baptist University brought membership back to eight schools in 1986, before the major expansion of the conference in 1989. Pittsburg State, Washburn, Missouri Southern State College (now University) and Missouri Western State College (now University) © formerly members of the Central States Intercollegiate Conference © began competition in the 1989-90 season.

Southeast Missouri State left the MIAA following the 1990-91

season to move on to NCAA Division I, and was replaced by Emporia State University in the 1991-92 season.

In August 1991, Judy Willson was hired as the MIAA's first full-time sports information director. She left in 1994, and was succeeded by Matt Newbery, formerly the assistant sports information director at Pittsburg State. He became the assistant to the commissioner for media relations in 2005. Kellen Coleman replaced Newbery in 2009 as the Director of Communications. A third full-time staff member was added in 2005, as former Emporia State track and field athlete Natasha Oakes was hired as the assistant to the commissioner for compliance. She became the Assistant Commissioner for Compliance and Internal Operations/SWA before being succeeded by Renee Hultgren in 2010. The current MIAA Assistant Commissioner for Compliance and Internal Operations/SWA, Amber Feldman, replaced Hultgren in 2011. Larry House joined the staff in August 2007 as coordinator of external affairs, and is now the Assistant Commissioner for Championships and Business Development.

The membership of the MIAA was at 11 schools during the 2011-12 school year with the departure of Missouri-St. Louis in 1996 and Missouri-Rolla in 2005, the forfeiture of membership by Lincoln in 1999, the addition of Fort Hays State University in 2006 and the University of Nebraska Omaha in 2008, the re-joining of Lincoln in 2010, and the departure of Nebraska Omaha in 2011.

Beginning in 2012-13 the MIAA membership will reach 15 with the addition of the University of Central Oklahoma, Lindenwood University, the University of Nebraska-Kearney, and Northeastern State University.

Future-Focused Academics

The world moves at a faster pace than ever before. UCM's innovative programs use new technologies to keep students up to date on the latest changes in their fields of study.

Our faculty members are accomplished in their fields as well. They bring their experiences in industry and academia to their classrooms for our on-campus students in Warrensburg and Lee's Summit, as well as to their virtual classrooms through our online programs.

Hands-on Experience

Learning by doing is a cornerstone of our 150 academic programs. Through hands-on experiences, students take their knowledge from the classroom and apply it in real-life situations.

Whether it's conducting research with faculty members, developing a business plan for a local company or battling it out in a national criminal justice competition, UCM students graduate well prepared for the future with practical, applicable experience.

Culture of Service

For more than 140 years, UCM's motto, "Education for Service," has been embodied by students who volunteer countless hours assisting communities, businesses and non-profit agencies.

This tradition continues today when student groups clear debris after a tornado or build homes for local families through Habitat for Humanity. Service has always been a foundation of the university. By learning at a university that values that service,

UCM students continue to make an impact on their communities long after they graduate.

Global Perspective

UCM values diversity in thought, culture and people. As a result, the university takes a worldly perspective on education and prepares students to thrive in a globalized economy.

UCM's International Studies major examines global issues affecting human development, peace and security. The university's study abroad programs connect students with more than 60 countries and 285 universities worldwide. UCM also has nearly 600 students from 47 different countries represented on campus. Experiencing these different ideas, cultures and people gives our students a unique perspective and prepares them for today's global society.

Dr. Charles Ambrose University President

Charles M. Ambrose, Ed.D., became the 15th president of the University of Central Missouri on Aug. 1, 2010. A career educator who is a fervent advocate of servant leadership and engaged learning, he is committed to promoting academic quality, excellence in teaching and the collegiate experience.

During his first year at UCM, President Ambrose helped guide the institution through the building of a new Strategic Governance Model in partnership with the Association for Governing Boards. He also provided leadership through an extensive administrative and academic review process designed to provide a stronger, more viable educational experience for students, while also cutting operational costs.

Ambrose sought to build student enrollment, an effort that paid off in fall 2011 with the largest enrollment in the university's 140-year history. To help make education more accessible, the university also entered new articulation agreements with institutions such as Metropolitan Community College and Linn State Technical College.

The president continues to build strong relationships with the men and women who serve this country. This includes the establishment of the Whiteman Advantage Program, which brings together personnel from Whiteman Air Force Base and the university to work cooperatively in creating new educational opportunities for military members. The university also developed the Military Tuition Package, which provides savings on an education for military men and women currently serving their country, as well as their spouses and dependents, and veterans.

Under his direction, the university developed a new strategic positioning initiative to provide a more articulated understanding of what makes UCM unique and helped guide the institution in establishing its future priorities. In fall 2012, Ambrose launched the new Missouri Innovation Campus, in collaboration with the Lee's Summit R-7 School District and private industry, which will allow students to begin college during their junior year of high school and complete a degree in four years with little or no debt.

President Ambrose attended Furman University, where he was a four-year letterman and captain of the soccer team. After graduating from Furman with a bachelor's degree in sociology, he earned two advanced degrees in higher education administration, a master's from the University of Louisville and a Doctor of Education degree from the University of Georgia.

Ambrose and his wife, Kris, are active in the community and have participated in charitable bike rides to raise funds and awareness for poverty, hunger and disease.

The Ambroses have two children; Charlie, a college junior, and Kathryn, a high school senior.

Jerry Hughes Athletics Director

Under the leadership of Jerry Hughes, UCM's athletics program has enjoyed unprecedented success, highlighted by the dual NCAA basketball championships in 1984 by the Mules and Jennies, the 1994 and 2003 NCAA baseball championships, and the 2003 women's Intercollegiate Bowling Association national title. In 2005, Hughes was inducted into the Missouri Sports Hall of Fame.

Entering the 2012 fall semester, the Mules and Jennies have won 136 Mid-America Intercollegiate Athletics Association championships, five national championships, had 44 other top four NCAA finishes, and made more than 238 NCAA post-season appearances during Hughes' tenure. The Central Missouri athletic program also won the Mid-America Intercollegiate Athletics Association All-Sports Trophy each year from 1998-99 (the year of the award's inception) until the award was discontinued in 2002-03. UCM finished second in the NACDA Director's Cup in 2010-11, the best finish in school and MIAA history after finishing third the previous two years.

Hughes was named Central Region Athletics Director of the Year for the 1998-99, 2001-02 and 2010-11 seasons as selected by the National Association of Collegiate Directors of Athletics (NACDA). He is the first three-time winner - at any NCAA level--in the history of the Athletics Director of the Year program.

Hughes has been Central Missouri's athletics director since Jan. 25, 1983. Prior to that, Hughes had served as associate athletics director since July of 1981. In 1991-92, he served as the Mules' interim head basketball coach and guided the team to a 15-13 record.

Hughes has been a Division II member of the NCAA Executive Committee and chairman of the Division II Championships Committee. He also served a term as NCAA Vice President for Division II and has been a member of the NCAA Council, making him the only person to twice hold the highest-ranking office available to athletics administrators in NCAA Division II. Other NCAA committees on which he has served are the Membership Structure Committee, Administrative Committee, and Post-Season Football Subcommittee. He has chaired the NCAA Division II Management Council and Membership Growth Project Team and been a member of the NCAA Budget and Finance Committee and NCAA Administrative Review Panel, as well as the NACDA Sears Directors Cup Committee.

He has spearheaded fund-raising efforts for major renovations of the Central Missouri football and baseball stadiums, as well as the development of UCM's South Recreation Complex and Keth Memorial Golf Course Clubhouse. He is the founder of the Las Vegas High Desert Classic, a highly regarded NCAA Division II basketball tournament, which was held each December for 17 years in Las Vegas, Nev.

In addition to his service at Central Missouri, Hughes has served as Regional Director of the Show-Me State Games, and on the Governor's Council on Physical

He was a three-year letterman on the Mules' golf team, receiving All-MIAA honors in 1971. He also obtained a master's degree in secondary school administration, which he received in 1979 from Central Missouri. Following his graduation in 1971, Hughes spent a year of active duty in the Army National Guard.

In 1972, he returned to his hometown and took a position as physical education instructor, head golf coach and assistant basketball coach at Morgan County R-2 High School. From 1977-79, he served as the school's athletics director and assistant principal.

He and his wife, Vici, have four children - Greg, Chad, Parker, and Ashley. They have seven grandchildren - Tanner, Rylie, and Dalton from Greg and his wife Catrina; Fallon, Kaiser, and Logan from Chad and his wife Jennafer; and Sofija from Ashley and her husband Matt Ruzich. It could be said Kathy Anderson's athletic life has come full circle. She was an All-America student-athlete at the University of Central Missouri, she's had her number 32 retired in Jennies basketball, and is a member of the UCM Athletic Hall of Fame.

Anderson had served previously as Assistant Athletic Director for Compliance and Student Services at Northwest Missouri State University.

Prior to assuming her role at Northwest, Anderson served a brief stint as admission and eligibility coordinator at the University of Washington. 190 MIAA Titles, 7 National Titles

The University of Central Missouri has a long and rich history of excellence in athletics, both on the field of play and in the classroom.

Outstanding teams, combined with some of the finest facilities in Division II athletics give UCM's students, faculty and staff one more aspect of college life to enjoy with pride.

Always a contender for conference titles, Central Missouri belongs to the 15-member Mid-America Intercollegiate Athletics Association, which is recognized nationwide as one of the strongest conferences in all of NCAA Division II.

Since 1983, the tenure of Athletic Director Jerry Hughes, UCM has won or shared 136 MIAA championships, more than any other league school. All-time, the Mules have taken home 134 titles, while the Jennies are at 56.

Central Missouri has won five national championships since 1980 (men's and women's basketball in 1984--the first school in NCAA history to win both titles in the same season--baseball in 1994 and 2003, and women's bowling in 2003), and seven overall.

The Jennies volleyball team has been to the

NCAA Tournament every season for the past 29 years, and the Mules have won 16 MIAA Indoor Track & Field titles in the last 18 years, and 10 of the last 12 MIAA Outdoor Track & Field crowns. The Mules baseball squad has made 19 consecutive NCAA Tournament appearances, including 13 Division II World Series berths in that span.

Seven UCM teams finished in the top 10 in the nation via ranking or place in 2011-12: volleyball finished in fourth along with women's indoor and outdoor track. Mules golf finished in fifth, men's indoor track and baseball were sixth and Jennies bowling finished in seventh.

Individually, UCM had 39 different All-American seasons and performances. They also took home four individual national championships in track and field. Lindsay Lettow captured the pentathlon (indoor) and heptathlon (outdoor) titles, while Kayla Muyskens won the shot put (outdoor) and Laban Sialo won the 5,000m run (indoor). Dalton Moberly in cross country and Shawn Boss in indoor track & field earned the NCAA Elite 89 Award for the top GPA at the Championships.

UCM student-athletes once again excelled in the classroom as they were awarded 245 academic awards from the MIAA, including 18 student-athletes earning Academic Excellence Awards for having 4.0 GPAs. In addition, 10 UCM student-athletes were named Academic All-Americans in their respective sports.

Take a Mule Refresher and Learn What's So Special about Missouri's State Animal

Often called mankind's most successful hybrid, mules are the offspring of crossing a male donkey or jack with a female horse or mare. Since they can't reproduce, mules have been bred one generation at a time for more than 3,000 years.

A strong, resourceful beast of burden, the mule can outwork, outpull, outlive and outsmart a horse of similar size and type.

In 1995, the mule became Missouri's official state animal, but the long-eared creatures have been known as "Missouri Mules" long before then.

The term, "Missouri Mules," was used casually until it became famous at the historic 1904 St. Louis World's Fair. At that exposition a six-mule hitch belonging to W. A. Elgin of Platte County swept all competition, and a mule from a Morgan County farm received the \$10,000 Mayor's Award.

Newspaper accounts of this show-ring prowess brought worldwide attention to the state's mule breeders and helped assure that the largest and finest animals would be known as "Missouri Mules."

Many people assume that the relationship of mules and jennies

is the same as that of siblings, but jennies are female donkeys. So, the relationship of mules and jennies is really the same as nephew/niece and aunt. Jenny is a common name but technically a female donkey is a jennet.

Popular with farmers and settlers because of its hardy nature, Missouri Mules pulled pioneer wagons to the Wild West and played a crucial role in moving troops, artillery and supplies in several wars. In fact, many of the mules used in World War I were shipped by train from Warrensburg.

The mule's affiliation with Central Missouri dates back to the early 1920s. When the 1921-22 school year began, school officials decided "Normals" and "Teachers" were no longer appropriate nicknames for UCM's athletic teams. Therefore, the school's Athletic Committee established a contest that promised the winner a three-year postgraduate subscription of the school newspaper. More than 80 suggestions were received, but the winning entry was submitted by John Thomason of Chilhowee, class of 1924, who felt at least one Missouri team should be known as "Mules."

Central Missouri's fifth mascot - Mancow - is the university's first real Missouri mule. The line-back brown mule comes from Paradise Mules in Belle, Mo. It took several months for farm manager Dave Ewing to find the perfect mule. He was determined to acquire the right mule trained to remain calm around big crowds and loud noises - that game cannon gets loud!

Mancow the Mule is the second UCM mule to be tall (14.1 hands), a result of her thoroughbred heritage. The university's first three mules were Shetland Pony breeds. She's the second mule to be presented to the university as a gift.

Erich "Mancow" Muller, '88, made a gift to purchase the new mascot. Abbedale, her immediate predecessor, was donated to the university by 1938 alumnus and well-known mule producer, Sam Smiser from Newhall, Calif. The 10-year-old mare mule represented the university at home football games and other events. UCM agriculture students care for her at Prussing Farm, a few miles east of Warrensburg on Division Road.

Following her first appearance at the 2004 Missouri State Fair, Mancow saw her first game action, as Central Missouri hosted MIAA-rival Northwest Missouri State on Sept. 11.

Mule #1 - Gizmo, after World War II.

Mule #2 - Little Mo in the 1950s.

Mule #3 - Roscoe in the 1960s.

Mule #4 - Abbedale in the early 1980s.

Mule #5 - Mancow in 2004.

Central Missouri's Mancow is the only live mascot in the Mid-America Intercollegiate Athletics Association.

WELCOME TO WARRENSBURG, MISSOURI

Warrensburg, Missouri is a friendly community of 18,000 people near the intersection of U.S. Highway 50 and Missouri Route 13. It is located just 40 miles southeast of suburban Kansas City, with its many cultural offerings, entertainment options and professional sports franchises.

The county seat of Johnson County, Warrensburg is just four hours from St. Louis and three hours from Branson, Mo., with easy access by highway, Amtrak, or Greyhound bus. Other recreational opportunities include the beautiful Lake of the Ozarks 90 minutes to the southeast.

Warrensburg is a city that emerged from a frontier gathering place more than 150 years ago. In 1833, a blacksmith from Kentucky named Martin Warren chose a well-travelled spot along an Osage Indian Trail to build a cabin and set up his blacksmith shop. His shop served as an informal gathering place for local farmers. Three years after moving to Missouri, Mr. Warren's shop was named the county seat of the newly created County of Johnson. The township was named Warren's Burg in honor of the local blacksmith, and in 1855, the township was incorporated and became the City of Warrensburg. It is that same strong midwestern work ethic displayed by its founder, and the same friendly atmosphere shown by his neighbors that may be seen in Warrensburg today.

In the late 1800s and early 1900s Warrensburg was considered the Missouri Mule Capital because of the Horse and Mule Barn operated by the Jones Brothers on Railroad Street. Mules from the area won prizes at the State Fair (located just 30 minutes east in Sedalia, Mo.) and at even

larger expositions like the one in St. Louis in 1904. The mule barn carried the motto, "Through these portals pass the meanest mules on earth."

Warrensburg is home to many historic sites, including "Blind" Boone Park, the historic Johnson County Courthouse, the Missouri Pacific Train Depot, and many historical churches.

It is also the site of the Old Drum Memorial Statue, in honor of Old Drum, the hound shot and killed by his owner's neighbor in 1869. Old Drum was eulogized by

George Graham Vest on September 23, 1870:

"The one absolutely unselfish friend that man can have in this selfish world, the one that never deserts him and the one that never proves ungrateful or treacherous is his dog."

Today the city's Park Department has eight park areas with a total of 326 acres, and a Community Center which offers a wide variety of recreational activities. Two public golf courses are available in town -- one at the Hidden Pines Country Club, and another at Pertle Springs, operated by the University of Central Missouri.

Other attractions in the area include Powell Gardens, a 1,250+ botanical garden just 12 miles west of Warrensburg on Missouri Highway 50 that contains hiking trails, picnic areas, and seasonal displays; Whiteman Air Force Base in Knob Noster, Mo., home of the B-2 Bomber; Knob Noster State Park; and the Missouri State Fair, held each August in Sedalia, Mo.

Of course, visitors to Warrensburg can also take in the exciting athletic events and various cultural experiences provided at the University of Central Missouri.
