UNIVERSITY OF CENTRAL MISSOURI MULTIPURPOSE BUILDING

Considered one of the finest facilities of its kind in the nation, the Multipurpose Building is in its 36th year of service to the university. The \$5.5 million facility was built at no expense to the State of Missouri, as financing was accomplished solely through student fees.

The “Multi” truly lives up to its name, as it is one of the busiest places on campus. In addition to being the home of Mules and Jennies basketball and indoor track and field, Jennies volleyball, and Mules wrestling, the facility is used by university students, faculty, and staff, as well as the general public.

Designed primarily for recreational use, the building features a spacious main arena with a six-lane track, a swimming pool, five indoor and two outdoor handball/racquetball courts, areas for free and universal weights, an activities area, locker rooms, meeting rooms, and offices for UCM’s Intercollegiate Athletics staff. The main arena can accommodate four basketball or six volleyball courts at one time or all of the events for an indoor track meet.

Seating capacity in the Multipurpose Building is 8,500 for basketball and volleyball, making it the largest such facility in the MIAA. It also seats 1,640 fans for indoor track meets and 10,000 people for concerts.

Numerous special events take place in the Multi each year. It hosted the Missouri State High School Activities Association’s state volleyball tournament from 1988 until 2008, and state high school playoff games for basketball are also played annually in the building.

In addition, the MIAA Indoor Track and Field Championships are contested in the Multipurpose Building. The facility is also used for UCM’s annual commencement ceremonies, major concerts, and other UCM events.

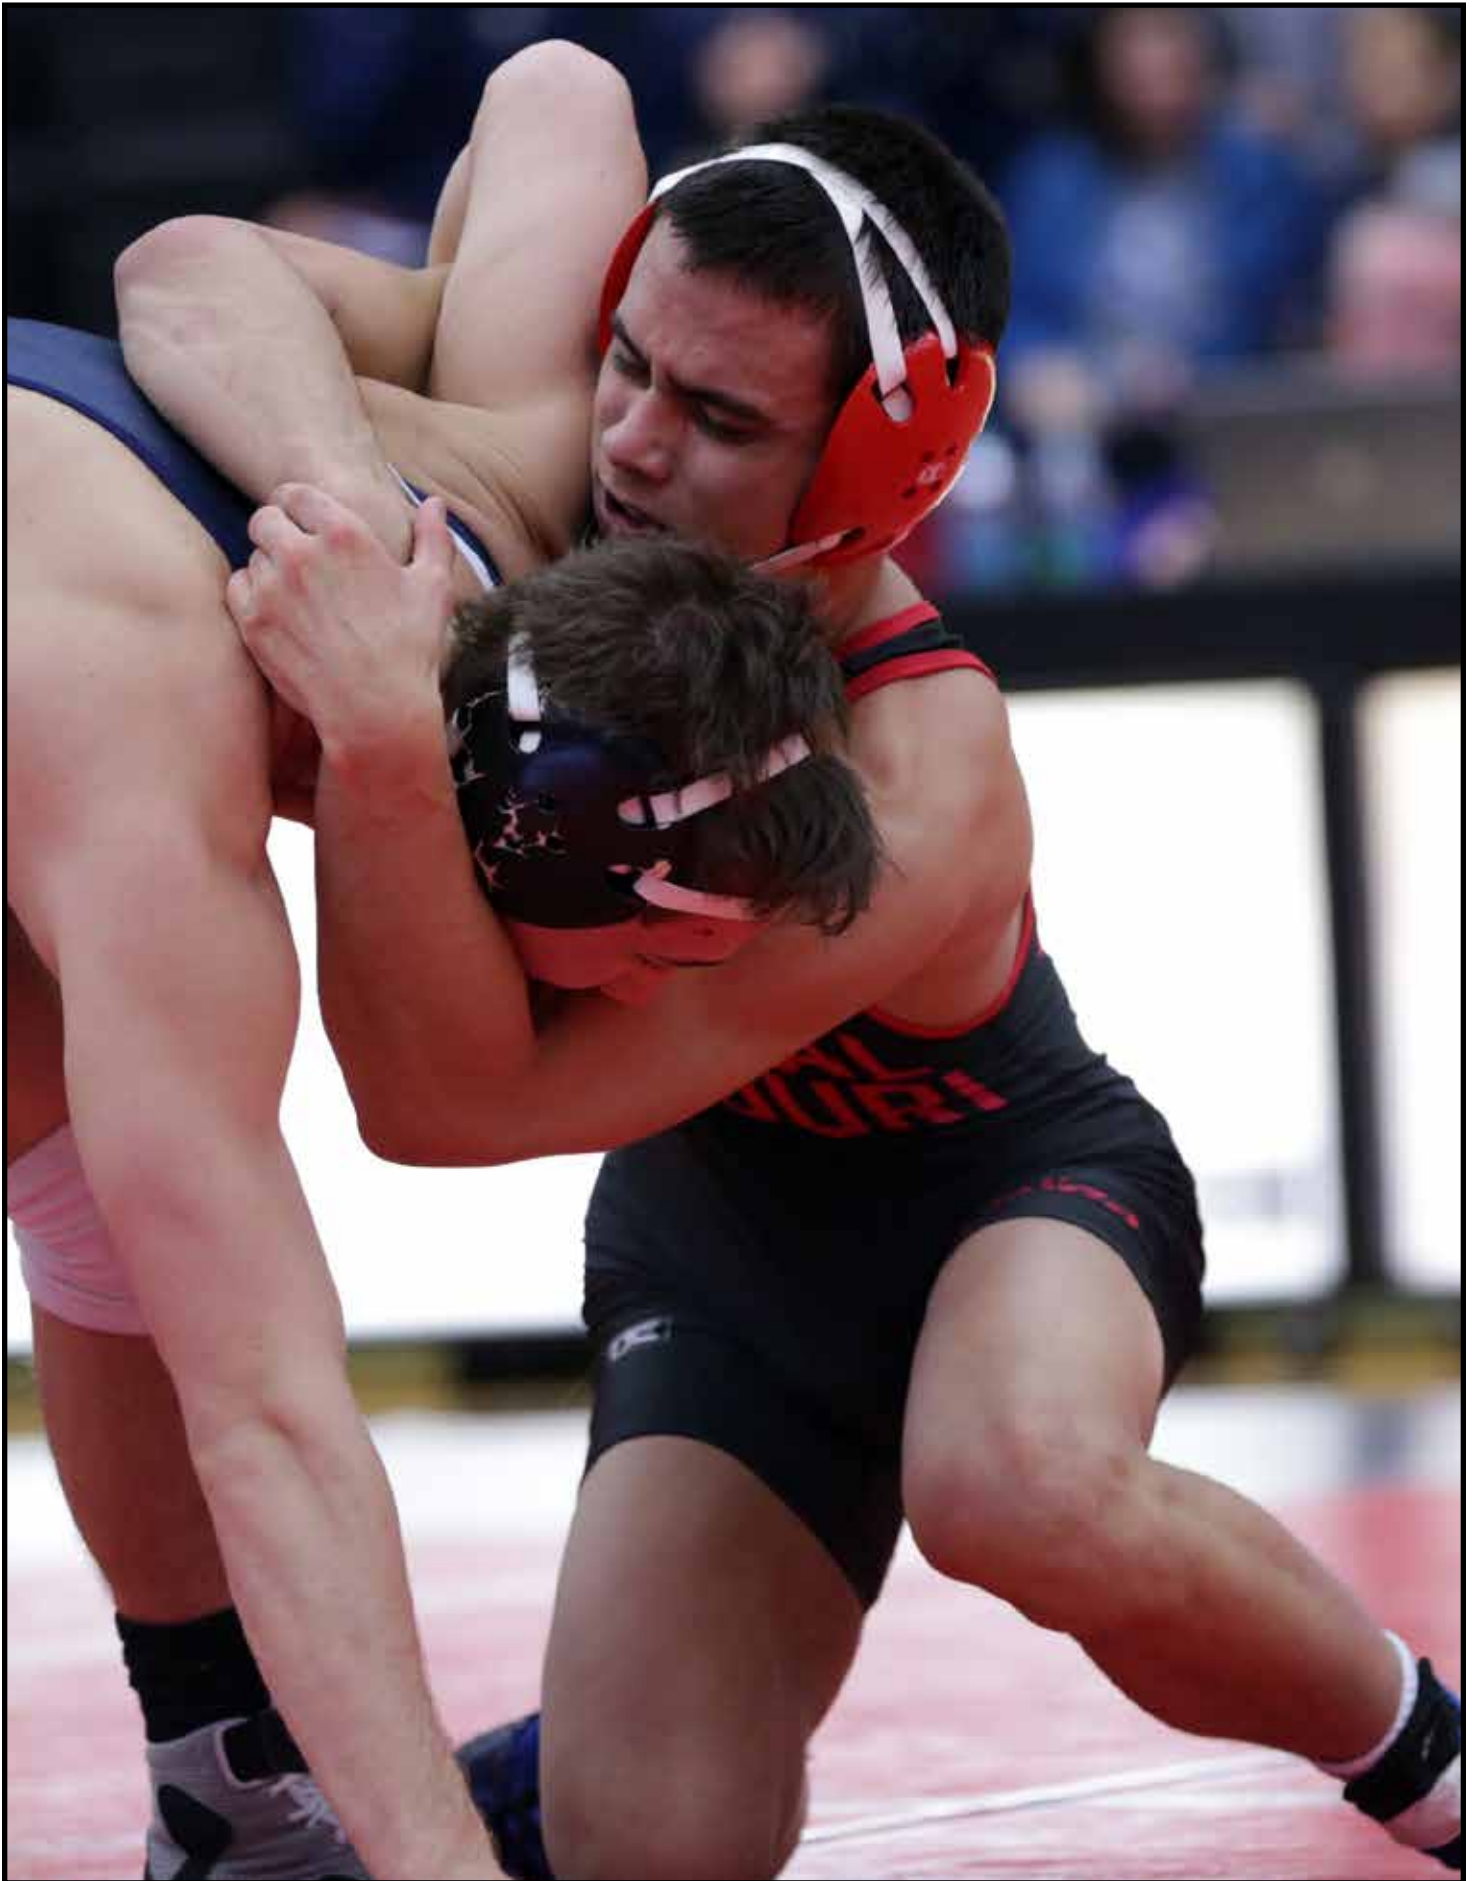

The Multi underwent a major renovation during the summer of 1998. An inlaid-wood floor was installed in the main arena, replacing most of the original Tartan surface and eliminating the need for the portable-wood floor that had been used for basketball since 1988. Additionally, the running track was resurfaced and new jumping and vaulting pits were created for track and field.

The 2013-14 season is Justin Ensign's fourth season as the head coach of the Central Missouri Mules Wrestling squad.

In his first season as head coach Ensign guided the Mules to a 7-7 dual record with three individual national qualifiers, finishing tied for 30th in the nation. In his second season the Mules were plagued with injuries, finishing with a 3-14 record in duals. However, the Mules had numerous top finishers at several tournaments throughout the season. Ensign also helped coach 2011-12 All-Region honoree Nick Viterisi, who posted an impressive 28-15 record for the Mules in his redshirt-sophomore year. Last season the Mules finished 6-7, with a 2-3 conference record. Ensign finished the 2012-13 season coaching Eric Mateo, a redshirt sophomore, in the NCAA-II Wrestling Championship, who went 21-21 in the 2012-2013 season.

Prior to being named the eighth bench boss in Central Missouri history, Ensign spent two years as a graduate assistant coach under legendary Mules Wrestling coach Robin Ersland, who left UCM for the head coaching position at Minot State (N.D.) following the 2009-2010 season. During the two years Ensign was a graduate assistant under Ersland the Mules compiled a 14-16 dual record, while finishing in the top 25 at the NCAA National Championships both seasons (18th in 2009, 22nd in 2010). Ensign also helped guide the Mules to five individual All-American performances.

Before coming to Central Missouri, Ensign spent one season as an assistant coach at Division I Wagner University in Staten Island, N.Y., after a four-year career for the Seahawks. During his time at Wagner, he was named team MVP two times and spent two seasons ranked in the top five in the CAA. He was also a two-year team captain, and two-time Iron Man award winner. Ensign was a four-year starter, twice at both 141 and 149 pounds.

As an assistant coach during the 2007-08 season for Wagner, he helped the Seahawks finish fourth at the Virginia duals. Ensign also had two NCAA-I East Region third place winners.

The Cherry Hill, N.J. native earned his bachelor's degree in Childhood Education and Sociology from Wagner in 2007 and earned his master's in Sports Management from Central Missouri in spring, 2011.

2013-2014 SEASON PREVIEW

The University of Central Missouri Mules Wrestling squad begins their season ranked fifth in the MIAA 2013-2014 Preseason Poll. The Mules finished third in the MIAA last season, with a 6-7 overall record. This year the Mules have 12 returners, including Eric Mateo, the only National Qualifier from UCM last season.

The Mules will look to their returning members, along with some fresh faces to make an impact this season. Mules head coach, Justin Ensign breaks down the Mules weight-by-weight below.

125 pounds: “Freshman **Malacai Collins** from Warrensburg is looking pretty slick, he’s pretty good, and he is someone we recruited because he is talented, not just because he is a local kid. He’s a good athlete. He’ll be pushed by **Ty Balty** who is a junior and former Academic All-American. Ty works really hard so that will be a good battle there, with two guys that work really hard.”

133 pounds: “**Hunter Neighbors** is looking like the favorite. Last year he started the year at 125, and by the end he was wrestling 133. He had some good wins, he’s looking better, he’s improved in a lot of the areas he was looking weak in last year.” **Andy Robinson** is also expected to wrestle at 133 pounds.

141 pounds: “We have a returning national qualifier **Eric Mateo**. It’s going to be a battle between him and **Aaron Engle**, who had a pretty good off season. Aaron is very talented, and has a brother that has had a lot of success at the Division III level, which I think is pushing him to want to be more successful.”

149 pounds: “**Frank Cagnina** is our big transfer this year. He was a top recruit, and has wrestled at the Division I National Tournament before. Frank had an off season knee surgery, so the big thing with him will be to stay healthy. Frank works really hard. Depth-wise we’re pretty deep there, we have several guys that can slide into that spot if we need them to. Behind Cagnina, we have a freshman, and state champion, **Logan Carrier**.”

157 pounds: “We have **Zeb Spicer** who was a starter two years ago, last year he was injured. He’s coming back, and he’s looking good. It’s taking some time to get him back to a high level, because he had hip surgery, but he is still looking good. Zeb, is a pinner and with his experience all we really need is to keep him healthy.” Aside from Spicer, the Mules have **Alex Schmersahl**, a transfer from Arizona State, and freshmen **Brennan Johnson** and **Evan Young** at 157 pounds.

165 pounds: “ We have our returner **Ty Loethen** and **Josh Thomson**, who is a transfer from Maryville in St. Louis. Thomson had a pretty good redshirt year for them, and still has four years left. Ty and Josh actually wrestled each other in a tournament, and Ty won 3-0, but it was a close match. But that right there is the competition that will keep Ty honest. Josh is a former Missouri State champ, we’ll find a spot somewhere.”

174 pounds: “**Joshua Ploof** was the starter last year, but he has to sit first semester because he only has one semester of eligibility left, so he won’t start until second semester. In the meantime we have **Mike Boyd**, a freshman that has really looked good so far, he’s got a big strong frame and is working really hard.”

184 pounds: “ **Jacob Reiman** will likely be our guy. He was out most of last season with a shoulder injury. He is a redshirt sophomore. He just needs to step up, the talent is there.”

197 pounds: “ **Todd Brier** started the year at 184 and then moved up to 197 last year. He looks good, he won over 20 matches last year. He’s also a good student, and has been Academic All-American twice. This is his senior year, and this is all he has left. “ **Roy Hickman** and **Nick Lovejoy** will also be wrestling at 195 pounds. Hickman is currently playing football for the Mules.

285 pounds: “ We have **Jake Clark**, who we red shirted last year, placed in some tournaments. There is also Derek Morgan, a freshman from Knob Noster. He’s a hard worker, and looks better each day. When we recruited him we knew we had something special. “

Season Outlook

“The big thing for us is getting tough. We were picked dead last in the conference last season, and then we ended up finishing third behind two teams that got trophies at the national competition. We have a tough league, and we’ll have a rough road to get guys to the National tournament. We just need to be tougher, battle and compete. I think we want it, we just need guys to step up and place. We need to be more consistent. They’ve been working hard, and they’re pretty positive so far. I think it will really depend on how they react when they get knocked down, we are going to wrestle some tough competition. We’re going to wrestle some tough teams, to help get us ready for the post season. We want to finish stronger. “

MULES WRESTLING

UNIVERSITY OF CENTRAL MISSOURI MULES WRESTLING

The University of Central Missouri transforms students into lifelong learners, dedicated to service, with the knowledge, skills and confidence to succeed and lead.

Future-Focused Academics

The world moves at a faster pace than ever before. UCM's innovative programs use new technologies to keep students up to date on the latest changes in their fields of study.

Our faculty members are accomplished in their fields as well. They bring their experiences in industry and academia to their classrooms for our on-campus students in Warrensburg and Lee's Summit, as well as to their virtual classrooms through our online programs.

Hands-on Experience

Learning by doing is a cornerstone of our 150 academic programs. Through hands-on experiences, students take their knowledge from the classroom and apply it in real-life situations.

Whether it's conducting research with faculty members, developing a business plan for a local company or battling it out in a national criminal justice competition, UCM students graduate well prepared for the future with practical, applicable experience.

Culture of Service

For more than 140 years, UCM's motto, "Education for Service," has been embodied by students who volunteer countless hours assisting communities, businesses and non-profit agencies.

This tradition continues today when student groups clear debris after a tornado or build homes for local families through Habitat for Humanity. Service has always been a foundation of the university. By learning at a university that values that service, UCM students continue to make an impact on their communities long after they graduate.

Global Perspective

UCM values diversity in thought, culture and people. As a result, the university takes a worldly perspective on education and prepares students to thrive in a globalized economy.

UCM's International Studies major examines global issues affecting human development, peace and security. The university's study abroad programs connect students with more than 60 countries and 285 universities worldwide. UCM also has nearly 600 students from 47 different countries represented on campus. Experiencing these different ideas, cultures and people gives our students a unique perspective and prepares them for today's global society.

President Barack Obama spoke to a crowd of UCM students, faculty and staff, and Warrensburg residents on July 24, 2013 at the UCM Student Recreation & Wellness Center.

Dr. Charles Ambrose
University President

Charles M. Ambrose, Ed.D., became the 15th president of the University of Central Missouri on Aug. 1, 2010. A career educator who is a fervent advocate of servant leadership and engaged learning, he is committed to promoting academic quality, excellence in teaching and the collegiate experience.

During his first year at UCM, President Ambrose helped guide the institution through the building of a new Strategic Governance Model in partnership with the Association for Governing Boards. He also provided leadership through an extensive administrative and academic review process designed to provide a stronger, more viable educational experience for students, while also cutting operational costs.

Ambrose sought to build student enrollment, an effort that continues to pay off with the largest enrollment in the university's 140-year history. He has also begun a major initiative to encourage and provide assistance for students to graduate college within four years with less debt.

The president continues to build strong relationships with the men and women who serve this country. This includes the establishment of the Whiteman Advantage Program, which brings together personnel from Whiteman Air Force Base and the university to work cooperatively in creating new educational opportunities for military members. The university also developed the Military Tuition Package, which provides savings on an education for military men and women currently serving their country, as well as their spouses and dependents, and veterans.

Under his direction, the university developed a new strategic positioning initiative to provide a more articulated understanding of what makes UCM unique and helped guide the institution in establishing its future priorities. In fall 2012, Ambrose launched the new Missouri Innovation Campus, in collaboration with the Lee's Summit R-7 School District and private industry, which will allow students to begin college during their junior year of high school and complete a degree in four years with little or no debt.

President Ambrose attended Furman University, where he was a four-year letterman and captain of the soccer team. After graduating from Furman with a bachelor's degree in sociology, he earned two advanced degrees in higher education administration, a master's from the University of Louisville and a Doctor of Education degree from the University of Georgia.

Ambrose and his wife, Kris, are active in the community and have participated in charitable bike rides to raise funds and awareness for poverty, hunger and disease.

The Ambroses have two children; Charlie, a college senior, and Kathryn, a college freshman.

Jerry Hughes *Athletics Director*

Under the leadership of Jerry Hughes, UCM's athletics program has enjoyed unprecedented success, highlighted by the dual NCAA basketball championships in 1984 by the Mules and Jennies, the 1994 and 2003 NCAA baseball championships, and the 2003 women's Intercollegiate Bowling Association national title. In 2005, Hughes was inducted into the Missouri Sports Hall of Fame.

Entering the 2013 fall semester, the Mules and Jennies have won 139 Mid-America Intercollegiate Athletics Association championships, five national championships, had 44 other top four NCAA finishes, and made more than 250 NCAA post-season appearances during Hughes' tenure. The Central Missouri athletic program also won the Mid-America Intercollegiate Athletics Association All-Sports Trophy each year from 1998-99 (the year of the award's inception) until the award was discontinued in 2002-03. UCM finished second in the NACDA Director's Cup in 2010-11, the best finish in school and MIAA history after finishing third the previous two years.

Hughes was named Central Region Athletics Director of the Year for the 1998-99, 2001-02 and 2010-11 seasons as selected by the National Association of Collegiate Directors of Athletics (NACDA). He is the first three-time winner - at any NCAA level--in the history of the Athletics Director of the Year program.

Hughes has been Central Missouri's athletics director since Jan. 25, 1983. Prior to that, Hughes had served as associate athletics director since July of 1981. In 1991-92, he served as the Mules' interim head basketball coach and guided the team to a 15-13 record.

Hughes has been a Division II member of the NCAA Executive Committee and chairman of the Division II Championships Committee. He also served a term as NCAA Vice President for Division II and has been a member of the NCAA Council, making him the only person to twice hold the highest-ranking office available to athletics administrators in NCAA Division II. Other NCAA committees on which he has served are the Membership Structure Committee, Administrative Committee, and Post-Season Football Subcommittee. He has chaired the NCAA Division II Management Council and Membership Growth Project Team and been a member of the NCAA Budget and Finance Committee and NCAA Administrative Review Panel, as well as the NACDA Sears Directors Cup Committee.

He has spearheaded fund-raising efforts for major renovations of the Central Missouri football and baseball stadiums, as well as the development of UCM's South Recreation Complex and Keth Memorial Golf Course Clubhouse. He is the founder of the Las Vegas High Desert Classic, a highly regarded NCAA Division II basketball tournament, which was held each December for 17 years in Las Vegas, Nev.

In addition to his service at Central Missouri, Hughes has served as Regional Director of the Show-Me State Games, and on the Governor's Council on Physical Fitness and Health.

Central Missouri Athletic Director Jerry Hughes, left, here receiving his plaque from Jerald Andrews, chairman of the Missouri Sports Hall of Fame Board, was inducted into the Missouri Sports Hall of Fame in the spring of 2005.

University of Central Missouri Director of Athletics Jerry Hughes and his wife, Vici.

Hughes has been at Central Missouri since October 1979, when he took a position as business placement director. The following year he became director of student recruitment. In 1981, Hughes was chosen for the new position of associate athletics director.

A native of Versailles, Mo., Hughes received his bachelor's degree in physical education in 1971 from Central Missouri, with a minor in safety education. He was a three-year letterman on the Mules' golf team, receiving All-MIAA honors in 1971. He also obtained a master's degree in secondary school administration, which he received in 1979 from Central Missouri. Following his graduation in 1971, Hughes spent a year of active duty in the Army National Guard.

In 1972, he returned to his hometown and took a position as physical education instructor, head golf coach and assistant basketball coach at Morgan County R-2 High School. From 1977-79, he served as the school's athletics director and assistant principal.

He and his wife, Vici, have four children - Greg, Chad, Parker, and Ashley. They have seven grandchildren - Tanner, Rylie, and Dalton from Greg and his wife Catrina; Fallon, Kaiser, and Logan from Chad and his wife Jennafer; and Sofija from Ashley and her husband Matt Ruzich. Vici works for UCM as Director of the Midwest Center for Urban Education and Charter Schools.

Kathy Anderson **Senior Associate Athletics** **Director for Internal** **Operations**

Phone: 660-543-4310

Email: klanderson@ucmo.edu

It could be said Kathy Anderson's athletic life has come full circle. She was an All-America student-athlete at the University of Central Missouri, she's had her number 32 retired in Jennies basketball, and is a member of the UCM Athletic Hall of Fame.

Now Anderson helps UCM student-athletes achieve their own goals, as she begins her ninth year at her alma mater. She was elevated to Senior Associate Athletic Director for Internal Operations and Senior Woman Administrator in 2011 after serving the previous six years as Associate Athletic Director for Internal Operations and Senior Woman Administrator.

Anderson had served previously as Assistant Athletic Director for Compliance and Student Services at Northwest Missouri State University.

Prior to assuming her role at Northwest, Anderson served a brief stint as admission and eligibility coordinator at the University of Washington. She added those duties in the summer of 2002 to her responsibilities as operations coordinator for men's basketball for the Huskies. In addition, Anderson was assistant basketball coach in 2000 for the Seattle Storm and in 1998 for the Phoenix Mercury of the WNBA.

Her coaching career began in 1980, when she was hired as assistant women's basketball coach at California State-Fullerton. She served there from 1980-85 before moving on to the University of Washington as assistant basketball coach from 1985-96, and as assistant director of basketball operations from 1996-98.

Anderson received a bachelor's degree from UCM in 1980, graduating cum laude in physical education and mathematics.

While wearing the Cardinal & Black, she lettered four years in basketball, three years in softball, and once in track & field. In 1979-80 she was named second-team Academic All-American, and in 1980 she was honored as UCM Outstanding Senior Female Student-Athlete and Outstanding Senior in Physical Education. With the Jennies belonging to the Association of Intercollegiate Athletics for Women (AIAW) and playing today what would be considered a Division I schedule, she helped lead the Jennies to an 82-31 record. She also was named to the Jennies Basketball All-Decade Team for 1970-80 and the Jennies Basketball Silver Anniversary Team for 1970-95.

Perhaps her most outstanding accomplishment was being a member of the USA Women's National Basketball program for the three years leading to the 1980 Olympics which the USA boycotted. In 1977, Anderson served as captain of the USA Women's Junior Basketball team to Taiwan. In 1978 and 1979, she was a member of the USA Women's Senior Basketball teams that traveled to China, Hong Kong, South Korea, Japan and Russia. In 1979, Anderson also was selected as an alternate to Team USA for the Pan-American Games.

During the summer of 2010, Anderson was inducted into the inaugural MIAA Hall of Fame class for her outstanding accomplishments at UCM. Along with her brother, UCM head men's basketball coach Kim Anderson, she was honored by the Missouri Sports Hall of Fame as one of the 2011 "Filbert Five" honorees.

Anderson has also served as past chair for the Division II softball committee and Chair of the Institutional Representatives for the MIAA. She is currently Chair of the NCAA Division II women's basketball committee.

Anderson earned a master's degree in sports administration from Seattle Pacific University in 2000.

Shawn Jones **Senior Associate Athletics** **Director for External** **Operations**

Phone: 660-543-8091

Shawn Jones is UCM's Senior Associate Athletic Director for External Operations and his efforts have made the department a recognized leader in NCAA Division II across his many areas of responsibility. Jones has implemented many new initiatives during his

tenure and his responsibilities include the oversight of external and revenue generating functions of the department to include the Mule Train athletic annual fund, corporate sponsor program, athletic marketing and promotions, media and public relations, special events, video board operations and broadcasting. He also took over direction of the university-wide licensing program for UCM in 2011. In addition, he serves on the department's senior leadership team.

He was originally hired by his alma mater in 2000 as Manager of Athletic Marketing/

Broadcasting. From 2003 to 2005, he served as the Assistant A.D. for Marketing and Broadcasting. Jones spent six years as Associate Athletic Director for External Operations and was elevated to his current position in 2011.

As the Voice of UCM Athletics, he serves as the lead play-by-play announcer for Central Missouri Athletics on radio, and as the host and coordinating producer of UCM's weekly one-hour television show, Central Missouri Sportspage. He also emcees and coordinates special events in addition to other administrative duties. During his time at UCM, Jones has served on the committees that have brought seven current head coaches and several full-time staff members to campus.

A member of the National Association of Collegiate Marketing Directors, Jones launched and now oversees UCM's highly successful corporate sponsor program. He has played a major role in the success of UCM's biggest fund raising event, the Celebrating Central Missouri Athletic Auction. That event has raised over \$1.4 million in net profits for UCM Athletics in its 12-year history. UCM's efforts in promotions have been recognized by the NCAA News, NACMA and the NCAA Division II Community Engagement Initiative. In 2012, UCM was honored as both the NCAA Division II and MIAA Game Environment Award winner for promotional and community engagement efforts surrounding the football home opener. Jones also holds membership in the International Collegiate Licensing Association, nearly doubling licensing royalty revenues for UCM since taking over the program in 2011.

2012 was a big year for his External Relations team. The department launched its first dot com website, UCMathletics.com, creating a modern web presence and a new revenue generation vehicle. Additionally, new video scoreboards were added to Walton Stadium/Kennedy Field and the Multipurpose Building, providing a high-level fan and student-athlete experience in the venues. The addition of the new boards also allowed Jones and his team the vehicle to secure the largest corporate sponsorships in department history. His team also worked with faculty and students from the Department of Communication & Sociology to launch and coordinate video webcasts of many UCM sporting events through the UCM Media Network. This group, along with staff from KMOS-TV, were awarded the 2012-2013 AVCA Grant Burger Media Award in the Broadcast Category for excellence in advancement of coverage of volleyball.

Jones served a four year term on the NCAA Division II Football Committee, as the co-chair of Super Regional Four. He was twice elected to serve as National Chair, serving in that role from Sept. 1, 2009 to Sept. 1, 2011, the longest allowable tenure under NCAA regulations. Jones was one of the youngest chairs in NCAA Division II football history. In January of 2009, Jones served as a featured panelist at the NCAA Convention in Washington, D.C., speaking on the topic of Building Relationships and Telling Stories: Engaging the Local Media. In January of 2010, in Atlanta, Georgia, Jones once again served as a panelist at the NCAA Convention, speaking on the topic of Fans: How to Find and Keep Them.

Prior to his time at UCM, Jones worked for ESPN Regional in the University of Kansas Athletics Department. He served on the broadcast team for Jayhawk Baseball with the legendary Tom Hedrick and as the host of the Marian Washington Show on KLWN radio in Lawrence. As an Account Executive for ESPN Regional, he sold sponsorships for KU Athletics on the Jayhawk Radio and Television Networks. Jones also provided radio play-by-play for UMKC women's basketball during the 1999 season.

In 1998, Jones was Business Development Manager for the Golf Course Superintendents Association of America, where he created new revenue streams for the 20,000 member organization.

While a student, the Moberly, Mo., native worked at KOKO Radio in Warrensburg as assistant sports director covering Warrensburg High School and UCM sports. He also worked as a student assistant in the sports information office.

Jones holds bachelor's and master's degrees from UCM, earning his bachelor's degree in Organizational Communication from UCM in 1997. He also earned his master's degree in Physical Education/Exercise and Sport Science with specialization in Athletic and Sport Business Administration from UCM.

He and his wife, Melissa, live in Warrensburg. Melissa, who holds an MBA from Central Missouri, is the Technology Development Manager in Information Services at UCM. They are the proud parents of an eight-year old daughter, Lauren, and a four-year old son, Hayden. His mother, Carla, rounds out the families strong connection to UCM, working on campus as an Academic Advisor.

193 MIAA Titles, 7 National Titles

The University of Central Missouri has a long and rich history of excellence in athletics, both on the field of play and in the classroom.

Outstanding teams, combined with some of the finest facilities in Division II athletics give UCM's students, faculty and staff one more aspect of college life to enjoy with pride.

Always a contender for conference titles, Central Missouri belongs to the 14-member Mid-America Intercollegiate Athletics Association, which is recognized nationwide as one of the strongest conferences in all of NCAA Division II.

Since 1983, the tenure of Athletic Director Jerry Hughes, UCM has won or shared 139 MIAA championships, more than any other league school. All-time, the Mules have taken home 136 titles, while the Jennies are at 57.

Central Missouri has won five national championships since 1980 (men's and women's basketball in 1984--the first school in NCAA history to win both titles in the same season--baseball in 1994 and 2003, and women's bowling in 2003), and seven overall.

The Jennies volleyball team has been to the NCAA

Tournament every season for the past 30 years, and the Mules have won 17 MIAA Indoor Track & Field titles in the last 19 years, and 10 of the last 13 MIAA Outdoor Track & Field crowns. The Mules baseball squad has made 20 consecutive NCAA Tournament appearances, including 13 Division II World Series berths in that span.

Three UCM teams captured MIAA Championships in 2012-13 and three teams finished in the top 10 in the nation via ranking or place. Jennies Bowling finished in fifth, while Mules Indoor Track was seventh and Jennies Volleyball came in eighth.

Individually, UCM had 21 different All-American seasons and performances. They also took home two individual national championships in track and field. Erin Alewine captured the pentathlon (indoor) title, while Brent Vogel won the heptathlon crown (indoor).

UCM student-athletes once again excelled in the classroom as they were awarded 375 academic awards from the MIAA, including 33 Academic Excellence Awards for student-athletes having 4.0 GPAs and 37 Scholar-Athlete Awards with student-athletes having at least a 3.5 GPA and earning All-MIAA honors in their respective sports. In addition, 10 UCM student-athletes were named to the Academic All-Region Teams in their respective sports with eight earning Academic All-America honors.

Take a Mule Refresher and Learn What's So Special about Missouri's State Animal

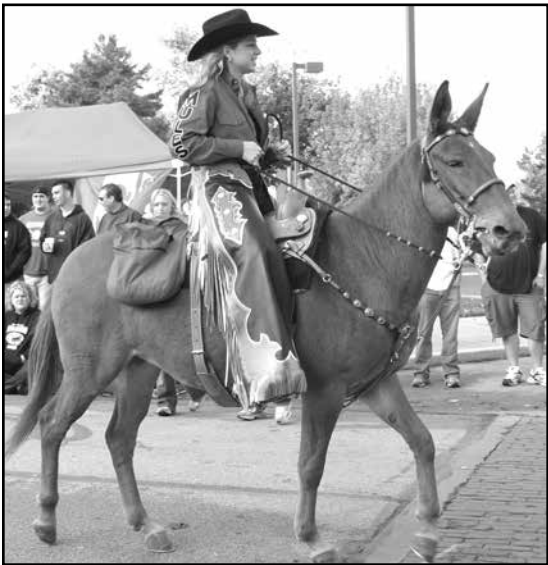

Often called mankind's most successful hybrid, mules are the offspring of crossing a male donkey or jack with a female horse or mare. Since they can't reproduce, mules have been bred one generation at a time for more than 3,000 years.

A strong, resourceful beast of burden, the mule can outwork, outpull, outlive and outsmart a horse of similar size and type.

In 1995, the mule became Missouri's official state animal, but the long-eared creatures have been known as "Missouri Mules" long before then.

The term, "Missouri Mules," was used casually until it became famous at the historic 1904 St. Louis World's Fair. At that exposition a six-mule hitch belonging to W. A. Elgin of Platte County swept all competition, and a mule from a Morgan County farm received the \$10,000 Mayor's Award.

Newspaper accounts of this show-ring prowess brought worldwide attention to the state's mule breeders and helped assure that the largest and finest animals would be known as "Missouri Mules."

Central Missouri's Mancow is the only live mascot in the Mid-America Intercollegiate Athletics Association.

Many people assume that the relationship of mules and jennies is the same as that of siblings, but jennies are female donkeys. So, the relationship of mules and jennies is really the same as nephew/niece and aunt. Jenny is a common name but technically a female donkey is a jennet.

Popular with farmers and settlers because of its hardy nature, Missouri Mules pulled pioneer wagons to the Wild West and played a crucial role in moving troops, artillery and supplies in several wars. In fact, many of the mules used in World War I were shipped by train from Warrensburg.

The mule's affiliation with Central Missouri dates back to the early 1920s. When the 1921-22 school year began, school officials decided "Normals" and "Teachers" were no longer appropriate nicknames for UCM's athletic teams. Therefore, the school's Athletic Committee established a contest that promised the winner a three-year postgraduate subscription of the school newspaper. More than 80 suggestions were received, but the winning entry was submitted by John Thomason of Chilhowee, class of 1924, who felt at least one Missouri team should be known as "Mules."

Central Missouri's fifth mascot - Mancow - is the university's first real Missouri mule. The line-back brown mule comes from Paradise Mules in Belle, Mo. It took several months for farm manager Dave Ewing to find the perfect mule. He was determined to acquire the right mule trained to remain calm around big crowds and loud noises - that game cannon gets loud!

Mancow the Mule is the second UCM mule to be tall (14.1 hands), a result of her thoroughbred heritage. The university's first three mules were Shetland Pony breeds. She's the second mule to be presented to the university as a gift.

Erich "Mancow" Muller, '88, made a gift to purchase the new mascot. Abbedale, her immediate predecessor, was donated to the university by 1938 alumnus and well-known mule producer, Sam Smiser from Newhall, Calif. The 10-year-old mare mule represented the university at home football games and other events. UCM agriculture students care for her at Prussing Farm, a few miles east of Warrensburg on Division Road.

Following her first appearance at the 2004 Missouri State Fair, Mancow saw her first game action, as Central Missouri hosted MIAA-rival Northwest Missouri State on Sept. 11.

UNIVERSITY OF CENTRAL MISSOURI MULES WRESTLING

Warrensburg, Missouri is a friendly community of 18,000 people near the intersection of U.S. Highway 50 and Missouri Route 13. It is located just 40 miles southeast of suburban Kansas City, with its many cultural offerings, entertainment options and professional sports franchises.

The county seat of Johnson County, Warrensburg is just four hours from St. Louis and three hours from Branson, Mo., with easy access by highway, Amtrak, or Greyhound bus. Other recreational opportunities include the beautiful Lake of the Ozarks 90 minutes to the southeast.

Warrensburg is a city that emerged from a frontier gathering place more than 150 years ago. In 1833, a blacksmith from Kentucky named Martin Warren chose a well-travelled spot along an Osage Indian Trail to build a cabin and set up his blacksmith shop. His shop served as an informal gathering place for local farmers. Three years after moving to Missouri, Mr. Warren's shop was named the county seat of the newly created County of Johnson. The township was named Warren's Burg in honor of the local blacksmith, and in 1855, the township was incorporated and became the City of Warrensburg. It is that same strong midwestern work ethic displayed by its founder, and the same friendly atmosphere shown by his neighbors that may be seen in Warrensburg today.

In the late 1800s and early 1900s Warrensburg was considered the Missouri Mule Capital because of the Horse and Mule Barn operated by the Jones Brothers on Railroad Street. Mules from the area won prizes at the State Fair (located just 30 minutes east in Sedalia, Mo.) and at even larger expositions like the one in St. Louis in 1904. The mule barn carried the motto, "Through these portals pass the meanest mules on earth."

Warrensburg is home to many historic sites, including "Blind" Boone Park, the historic Johnson County Courthouse, the Missouri Pacific Train Depot, and many historical churches.

It is also the site of the Old Drum Memorial Statue, in honor of Old Drum, the hound shot and killed by his owner's neighbor in 1869. Old Drum was eulogized

by George Graham Vest on September 23, 1870:

"The one absolutely unselfish friend that man can have in this selfish world, the one that never deserts him and the one that never proves ungrateful or treacherous is his dog."

Today the city's Park Department has eight park areas with a total of 326 acres, and a Community Center which offers a wide variety of recreational activities.

Two public golf courses are available in town -- one at the Hidden Pines Country Club, and another at Pertle Springs, operated by the University of Central Missouri.

Other attractions in the area include Powell Gardens, a 1,250+ botanical garden just 12 miles west of Warrensburg on Missouri Highway 50 that contains hiking trails, picnic areas, and seasonal displays; Whiteman Air Force Base in Knob Noster, Mo., home of the B-2 Bomber; Knob Noster State Park; and the Missouri State Fair, held each August in Sedalia, Mo.

Of course, visitors to Warrensburg can also take in the exciting athletic events and various cultural experiences provided at the University of Central Missouri.

The Mid-America Intercollegiate Athletics Association, a 15-member conference (beginning in 2012-13) of NCAA Division II institutions in Missouri, Kansas, Oklahoma, and Nebraska, was first organized in 1912 as the Missouri Intercollegiate Athletic Association.

Over the past 100 years, the MIAA has gained the reputation of being one of the top NCAA Division II conferences in the nation. MIAA student-athletes have won 15 NCAA team championships and, since 1964, more than 160 individual national titles. The MIAA currently conducts championships in eight sports for men and nine for women.

For the men, champions are crowned in football, cross country, basketball, indoor and outdoor track & field, baseball, tennis and golf. The women compete for titles in volleyball, cross country, soccer, basketball, indoor and outdoor track & field, softball, golf and tennis.

The MIAA turned a new page on July 1, 1992, when the NCAA Division II conference changed its name from the Missouri Intercollegiate Athletic Association to the Mid-America Intercollegiate Athletics Association.

The decision to make the change originated in 1989, when Pittsburg State University and Washburn University became the first schools outside the state of Missouri to gain membership in the MIAA.

The conference was first organized in 1912 with 14 member institutions. Of those original members, the University of Central Missouri, Truman State University, and Northwest Missouri State University still remain a part of the MIAA.

The first change in membership came in 1924, when the MIAA reorganized to include only the five regional Missouri state colleges: Central, Truman (at the time known as Northeast Missouri State), Northwest, Southeast Missouri State University and Southwest Missouri State University (now Missouri State).

Over the next 56 years, three schools joined the membership: the Missouri School of Mines (later the University of Missouri-Rolla) in 1935, Lincoln University in 1970, and the University of Missouri-St. Louis in 1980.

The 1980s brought the biggest changes in the conference. In 1981, Southwest Missouri State University opted to move to NCAA Division I and the MIAA appointed its first full-time commissioner, Ken Jones, in July.

He would be in the position for 16 years, retiring in 1997. Former Gulf South and Metro commissioner Ralph McFillen succeeded Jones, serving 10 years before his retirement in 2007. Jim Johnson succeeded McFillen in July of that year and served as commissioner until September of 2010. Dr. Bob Boerigter succeeded Johnson in September 2010.

Southwest Baptist University brought membership back to eight schools in 1986, before the major expansion of the conference in 1989. Pittsburg State, Washburn, Missouri Southern State College (now University) and Missouri Western State College (now University), formerly members of the Central States Intercollegiate Conference, began competition in the 1989-90 season.

Southeast Missouri State left the MIAA following the 1990-91 season to move on to NCAA Division I, and was replaced by Emporia State University in the 1991-92 season.

In August 1991, Judy Willson was hired as the MIAA's first full-time sports information director. She left in 1994, and was succeeded by Matt

He left in the summer of 2012 and was replaced by Josh Slaughter, formerly the assistant sports information director at Emporia State. A third full-time staff member was added in 2005, as former Emporia State track and field athlete Natasha Oakes was hired as the assistant to the commissioner for compliance. She became the Assistant Commissioner for Compliance and Internal Operations/SWA before being succeeded by Renee Hultgren in 2010. The current MIAA Assistant Commissioner for Compliance and Internal Operations/SWA, Amber Feldman, replaced Hultgren in 2011. Larry House joined the staff in August 2007 as coordinator of external affairs, and is now the Assistant Commissioner for Championships and Business Development.

The membership of the MIAA was at 11 schools during the 2011-12 school year with the departure of Missouri-St. Louis in 1996 and Missouri-Rolla in 2005, the forfeiture of membership by Lincoln in 1999, the addition of Fort Hays State University in 2006 and the University of Nebraska Omaha in 2008, the re-joining of Lincoln in 2010, and the departure of Nebraska Omaha in 2011.

In 2012-13 the MIAA membership increased to 15 with the addition of the University of Central Oklahoma, Lindenwood University, the University of Nebraska-Kearney, and Northeastern State University.

The membership dropped to 14 when founding member Truman State departed the league following the 2012-13 academic year.
