QUICK LOOK: The Central Missouri Mules and Head Coach Jim Svoboda and his staff will welcome 46 returning letterman for the 2013 season. The season opener is set for Thursday, September 5, against Missouri Western. Kickoff is scheduled for 7:07 p.m. with the game being televised on the MIAA Television Network.

A LOOK BACK: The 2012 Mules were looking to make it three straight trips to the postseason for the first time in school history. UCM returned 18 starters and 46 letterwinners from the 2011 squad that appeared in the Lower Kanza Bowl in Topeka, Kan.

The Mules jumped out to a 4-1 record to start the year, including an upset win over third-ranked Northwest Missouri in week two. Three losses in the final five games of the season, however, prevented a third straight postseason appearance as UCM finished with 6-4 record overall and in league play.

PROGRAM HISTORY: The 2013 campaign will mark the 118th season of college football at the University of Central Missouri dating back to 1895 (the university did not field a team in 1918). The Mules have an all-time record of 520-494-51. UCM has captured eight MIAA championships, with the last coming in 2003.

FOR STARTERS: The Mules return 10 players who started at least half of the games in 2012. UCM returns 14 players who started at least one game last season.

EVERY TIME OUT: The Mules had 15 players start all 10 games a season ago. Of the 15, WR **Clayton Cooper**, CB **Paul Hughes**, DL **Ramond Hunter**, WR **Anthony Kirkwood**, RB **LaVance Taylor** and DL **Rico Wilson** will return for the 2013 season. Wilson has started 21 of 22 games the past two seasons, while Hughes has started 19 and Hunter the last 16 in-a-row.

UNDER SVOBODA: The Mules are 25-11 in three seasons under Head Coach Jim Svoboda after going 6-4 in 2012. UCM has made two postseason appearances during his tenure, including a trip to the NCAA-II Quarterfinals in his first season in 2010.

WINNING MORE OFTEN: The Mules secured their sixth straight winning season in 2012 by virtue of their 6-4 record. Their streak of consecutive seasons with at least eight wins was snapped at three. It was the second time in program history that UCM had won eight or more games three consecutive seasons.

OUT OF THE LEAGUE: The Mules did something in 2012 that they'd never done before: they played all conference games on their regular season slate. While this year's schedule will consist of the same teams as last year, UCM will play nine MIAA games and one non-conference game. Original MIAA member Truman State has left the league and is now a member of the GLVC.

THE 2013 SCHEDULE: After playing all conference games in 2012, the Mules will only play nine league games in 2013 with one non-conference foe on the schedule. The schedule of teams remains the same as in 2012, but this season the schedule flips with all of last season's home games now becoming road games and vice versa.

The Mules open the season at home on Thursday, September 5 against defending MIAA champion Missouri Western. This is the second straight year UCM opens with the Griffons. The game will be televised as the MIAA Game of the Week on the MIAA Television Network.

Central Missouri hits the road the following weekend to Maryville, Mo. to take on Northwest Missouri. The Mules return home the following week for a family weekend matchup with Lindenwood. It will be the first time the two teams have ever met in Warrensburg.

After hosting the Lions, the Mules hit the road for two straight games. UCM travels to Truman State on September 28 for what could be the final regular season meeting ever between the long-standing rivals. Central Missouri then heads to Joplin the following weekend to take on Missouri Southern.

UCM returns home on October 12 to take on Pittsburg State before a stretch of three straight games against last year's conference newcomers.

This year the Mules will travel to Central Oklahoma on October 19 before hosting Northeastern State for

homecoming on October 26.

Central Missouri heads to Kearney, Neb. the following weekend for the first time since 1972 to take on Nebraska-Kearney.

The Mules close out the regular season at home on November 9 hosting Fort Hays State on Senior Day.

FILLING THE SEATS: The Mules ranked near the top of NCAA Division II in attendance yet again in 2012. UCM drew a total of 38,577 fans to five home games in 2012. That averages out to 7,715 fans per game. The average was second in the MIAA and ranked 12th in all of NCAA Division II. The Mules' total attendance number was the sixth-highest in the country among football programs that hosted only five home games during the 2012 season.

HOME COOKIN': The Mules have done a good job of protecting their home turf at Walton Stadium/Kennedy Field during the Jim Svoboda era. The Mules were 4-1 at home during the 2012 season and Central Missouri is 12-4 overall at home during Svoboda's three seasons. The Mules have had six straight seasons with a winning record at home.

NOT BAD ON THE ROAD EITHER: The Mules went 2-3 on the road in 2012, but still sport a 13-6 road record during Svoboda's tenure in Warrensburg.

MIAA SIX-PACK: The Mules recorded six MIAA wins in 2012 as they played all 10 games against conference foes. It marked the fourth straight season that Central Missouri has won at least six league games.

IN THE CLASSROOM: The Mules placed 33 players on the 2012-13 MIAA Academic Honor Roll with grade point averages of 3.0 or better. Those players named to the conference academic honor roll include returnees **Jordyn Butler, Richard Davila, Andrew Duncan, Layne Fischer, Garrett Fugate, Zach Gebhardt, Hayden Hawk, Tyler Karscig, Kellen Kempf, Garrett Larson, Tycie Linneman, Kenny Mings, Layne Moore, Adrian Perricone, Cullen Rosine, Orie Sahlfeld, Alan Shurling, Eric Siebenshuh, Colter Smith, Tevin Teamer, and Cody Wright.** Three players were named MIAA Scholar-Athletes, having earned All-MIAA honors and having a GPA of 3.5 or better and two players were awarded the MIAA Academic Excellence Award with perfect 4.0 GPAs. In addition, UCM had two players earn CoSIDA Academic All-America honors in 2012.

NOTABLES FROM 2012:

- **Aaron Jamieson** finished his UCM career with 291 points (183 PAT, 36 FG). His career point total ranks as the most all-time by a kicker and the third most overall in Mules football history.
- All-MIAA tight end **David Cannon** finished his career with 132 pass receptions, the fourth most all-time at UCM.
- All-conference safety **Patrick Lewis** finished his career tied for eighth all-time at Central Missouri with 262 tackles.

CENTRAL MISSOURI FOOTBALL

Mules look to get back to the postseason in 2013

Central Missouri returns 45 letterwinners and 16 starters from last season's squad that finished 6-4 overall, but missed out on a third straight postseason trip. The Mules look to get back to the postseason in 2013 for the third time in four years. In order to do so, UCM will need to navigate a tough 10-game schedule, including an increasingly difficult nine-game MIAA slate.

OFFENSE

Mules return talented group of skill players

The Mules offense returns 17 letterwinners and six starters from the 2012 squad that was third in the MIAA in passing offense and seventh in both scoring offense and total offense. Brian Berzanski returns after starting the final nine games of the season at left tackle. All-MIAA quarterback Colter Smith and All-MIAA running back LaVance Taylor return to an offense that also brings back wide receivers Clayton Cooper and Anthony Kirkwood. Smith threw for over 2,700 yards and 20 touchdowns in 2012, and Taylor rushed for 672 yards and eight touchdowns, while also hauling in 37 receptions for 273 yards and another score. Cooper and Kirkwood combined for 41 receptions for 511 yards and two scores. Fullback Sean Gorman also returns in 2013. He caught 10 balls for 100 yards out of the backfield and had three touchdowns on 11 touches last season.

DEFENSE

Experienced group returns to anchor defense in 2012

The defense returns 22 letterwinners and five starters from last year's squad that was fourth in the MIAA in total defense. The Mules must replace four all-conference players from a unit that was second in the league in scoring defense and third in turnover margin. Ricky Spratley returns after finishing third on the team with 53 tackles last season. Zach Quines also returns to the linebacking corps after finishing with 41 tackles in nine games. Ramond Hunter and Rico Wilson return to anchor the defensive line. The duo combined for 78 tackles, 9.0 tackles for loss and three sacks last season. Paul Hughes recorded two interceptions and five pass break-ups last year and is the only returning starter in the defensive backfield. Six other defensive backs return after gaining experience in 2012.

SPECIAL TEAMS

Mules return solid special teams group in 2013

The Mules return six specialists from the 2012 squad, including kick returners Anthony Kirkwood and LaVance Taylor, who helped UCM rank fourth in the MIAA at 20.9 yards per return last season. Central Missouri will have to replace starting placekicker Aaron Jamieson from the 2012 squad. Zach Gebhardt has handled the kickoff duties the last three years for the Mules and is primed to step in as the placekicker to replace UCM's all-time leading kicker. The Mules will also have to replace departed senior punter Matt Jordan, who led the conference in net punting and was fourth in NCAA Division II last season.

Jim Svoboda

HEAD COACH | FOURTH SEASON | 25-11 (.694) RECORD AT UCM

Jim Svoboda was named the 28th Head Football Coach of the University of Central Missouri program on January 15, 2010.

Now entering his fourth season, he has led the Mules to a 25-11 overall mark, including 20-8 in MIAA play. He has led the Mules to two postseason appearances and UCM had the second most wins in a two-year period during his first two seasons in Warrensburg.

Last season, he led the Mules to a 6-4 mark, including an upset win over No. 3 Northwest Missouri to break a nine-game losing streak in the series. The Mules missed out on the postseason for the first time during Svoboda's tenure.

In 2011, the Mules had to replace four departed All-Americans and the Harlon Hill winner, but that didn't stop UCM from still putting up big numbers. The Mules ranked sixth in NCAA-II in passing offense and finished with an 8-4 overall record and received a berth to play in the Kanza Bowl. Ten Mules earned all-MIAA honors with three players receiving All-American accolades.

Svoboda's first year proved to be the best of any coach in school history, helping the Mules to a school record 11-3 mark, and an 8-1 mark in the MIAA to finish second. He also led UCM to its second ever NCAA Playoff appearance, as well as the first home playoff game and first playoff win in school history as the Mules advanced to the NCAA-II National Quarterfinals. The offense was equally as good, breaking every school passing record, and boasting four first-team All-MIAA and All-American players, including the MIAA Player of the Year, South Central Region Player of the Year and Harlon Hill Award winner, quarterback Eric Czerniewski. The 2010 Mules also became the first team in NCAA-II history to have a 5,000-yard passer and a 1,000-yard rusher in the same season.

During Svoboda's time in Warrensburg, the Mules have broken 60 school offensive records and 20 conference offensive records. He has coached seven All-Americans and 35 All-MIAA players, including 10 first team selections. Three Mules have earned Academic All-American honors and 93 players have been named to the conference's Academic Honor Roll.

Svoboda has experienced success at every level, winning national championships at the Division II and NAIA level as an assistant coach, as well as three bowl game appearances at the FBS Division I level. He boasts a combined 238-97 record as both a head and assistant coach.

Svoboda came to UCM after three years as assistant head coach and quarterbacks coach at Division I-FCS member Montana State, and helped the Bobcats to winning seasons each year there, as well as a top 25 final national ranking in 2009.

He has also coached and recruited many great players during his career, including 36 All-Americans, a National Player of the Year, 13 NFL draft picks and signees, and numerous record-breaking quarterbacks.

Svoboda served as UCLA's quarterbacks coach from 2004-06, helping lead the Bruins to three bowl games and only their seventh 10-win season ever in that span. He served as the program's offensive coordinator in 2006. UCLA won the 2005 Sun Bowl and upset second-ranked cross-town rival USC in 2006. For his efforts, he was a finalist for the 2005 Broyles Award, presented to the nation's top assistant coach at the Division I-FBS level. He coached UCLA quarterback Drew Olson for two seasons, helping him set numerous school passing records, ranking second in the nation in touchdown passes, fifth in pass efficiency, and eighth in the 2005 Heisman voting.

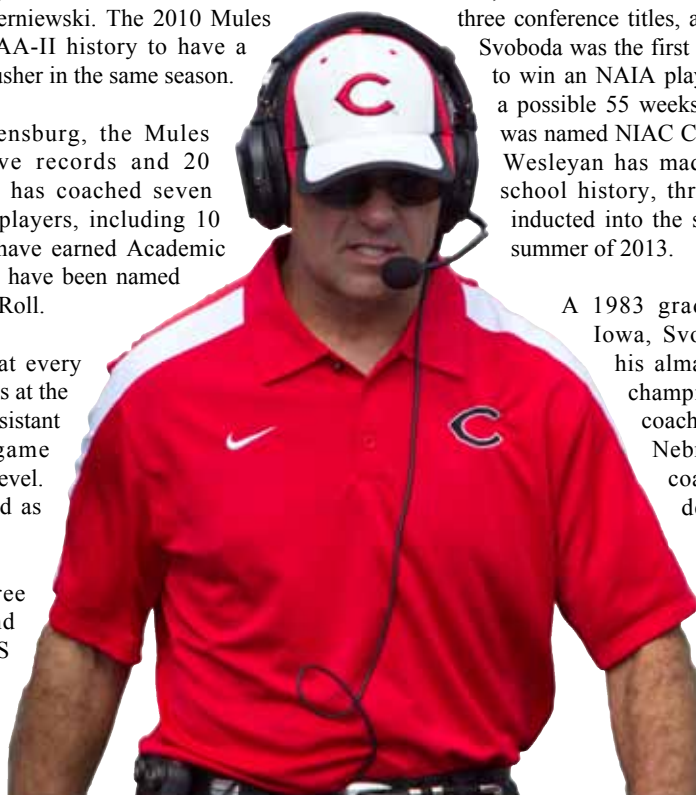

Prior to his time at UCLA, he was at MIAA rival Northwest Missouri State for 10 seasons as offensive coordinator and quarterbacks coach (1994-2003). He helped the Bearcats to back-to-back Division II National Championships in 1998 and 1999 while winning five consecutive MIAA titles and winning 41 MIAA games in a row. In a six-year span there, his prolific offenses averaged more than 450 yards and 40 points a game, leading the nation in scoring in both 1998 and 2000. His teams broke more than 70 team, MIAA, and NCAA offensive records, as well as a national mark of 15 wins in one season. He also earned American Football Coaches Magazine Offensive Coordinator of the Year honors in 1998.

Svoboda spent seven years as the head coach at NAIA Nebraska Wesleyan. He went there in 1986 as the running backs coach before being named head coach the following season. As the head man from 1987-93, he led Nebraska Wesleyan to a 52-19 overall record, three conference titles, and three national playoff appearances.

Svoboda was the first coach in school and conference history to win an NAIA playoff game. NWU was ranked in 52 of a possible 55 weeks during his seven year tenure, and he was named NIAC Coach of the Year three times. Nebraska Wesleyan has made five total playoff appearances in school history, three of them under Svoboda. He was inducted into the school's Athletic Hall of Fame in the summer of 2013.

A 1983 graduate of Northwestern College in Iowa, Svoboda began his coaching career at his alma mater that fall, winning a national championship at 14-0 as the running backs coach. He then moved to Dana College in Nebraska as offensive line and strength coach in 1984. He earned his master's degree from Eastern New Mexico in 1986, serving as the running backs coach there in 1985 and helping them to a runner-up finish in the Lone Star Conference.

The Denison, Iowa native and his wife, Susan, reside in Warrensburg.

Chuck Clemens **Defensive Line** **15th Year**

Chuck Clemens is in his 15th season as a member of the UCM Football staff. He came to Central Missouri in June, 1999, after 10 seasons as an assistant at his alma mater, Truman State University. Clemens coaches the defensive line and also takes care of many of the Mules community relations projects like the Fuel the Mules, Summer Camps, and the Mules Football Golf Fundraiser.

During his tenure with UCM, the Mules have had 13 winning seasons, including the 2001 Mineral Water Bowl title and the first two trips to the NCAA-II Playoffs in 2002 and 2010. In both 2001 and 2002, the Mules set school records for wins with 10 and broke that record with 11 wins during the 2010 campaign.

Clemens has coached 22 All-MIAA defensive lineman at Central Missouri, including seven first team selections, four All-Americans and one MIAA Defensive MVP in Colston Weatherington. Two of his former players, Weatherington and Roderick Green were taken in the NFL Draft and both have since been enshrined into the UCM Athletic Hall of Fame.

Clemens was an offensive assistant for Truman from 1989-1993, then was a defensive assistant from 1993-95 before being named defensive coordinator in 1995. Clemens also played at Truman (1983-86) as a tight end and earned honorable mention All-Missouri Intercollegiate Athletics Association recognition on the Bulldogs' undefeated MIAA championship team in 1985.

Following his playing career, he was a student assistant on the Bulldogs' staff, then went to Eastern Illinois University as a graduate assistant before returning to Truman in 1989.

Clemens received his bachelor's degree in physical education in 1988 from Truman State. He has a daughter, McKenzie, a freshman at the University of Nevada-Reno, and a son, Tyler, a high school junior.

Matt Jeter **Defensive Coordinator** **4th Year**

Matt Jeter is in his fourth year on the Mules coaching staff and his third as defensive coordinator.

Last season, the UCM defense ranked second in the MIAA in scoring defense and fourth in total defense. The unit also ranked third in the league in turnover margin and was sixth in the conference in sacks.

Prior to joining Central Missouri, Jeter spent eight years as member of the coaching staff of NCAA Division I Football Championship Subdivision member Drake University. He served as the defensive backs coach and recruiting coordinator for the Bulldogs.

He helped Drake win the Pioneer Football League title in 2004 under former long-time head coach Rob Ash, and served as the defensive coordinator under former head coach Steve Loney during the 2007 season. During that year his defense led the PFL in red-zone scoring and ranked fourth in the nation with 31 forced turnovers. His squad also defeated seventh-ranked Illinois State that season. He helped the Bulldogs to six consecutive winning seasons from 2004-09, including a 10-2 mark in 2004, a 9-2 record in 2006, and an 8-3 clip in 2009.

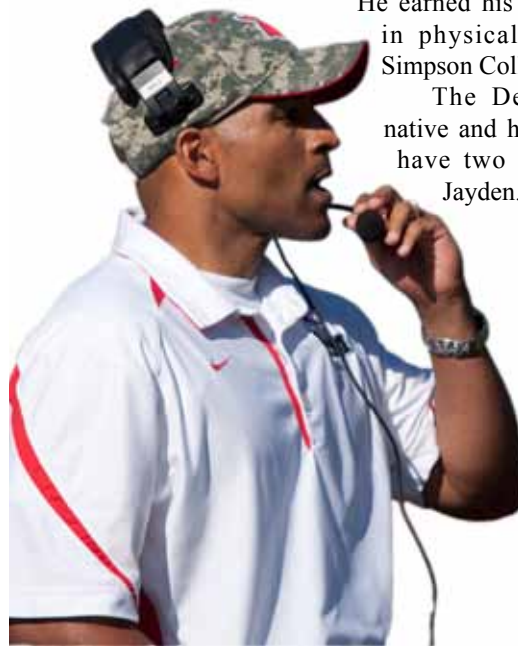

In his time at Drake, he organized and coordinated high school visits and football camps as well as developing the recruiting philosophy for the athletic department.

Prior to his time there, he was an assistant coach at North High School in Des Moines, Iowa while also serving as the Youth Program Director at the Greater Des Moines YMCA. He graduated from Simpson College (Iowa) in 1998 where he played football and helped the Storm reach the NCAA Division III Playoffs in 1996 and 1997. He was a two-year starter at cornerback and was the team captain as well. Jeter competed for the track team there as well, lettering both seasons.

He transferred to Simpson after two seasons at Iowa Central Community College, where he was a first-team all-region selection and team captain as a sophomore in 1995.

He earned his bachelor's degree in physical education from Simpson College in 1998.

The Des Moines, Iowa native and his wife, Kimberly, have two sons, Jordan and Jayden.

Josh Lamberson

Offensive Coordinator Wide Receivers Recruiting 4th Year

Josh Lamberson is in his fourth season on the Mules coaching staff and his third season serving as offensive coordinator in addition to coaching the wide receivers and being the recruiting coordinator.

Last season, the Mules' offense was third in the MIAA in passing and seventh in total offense. In 2011, the UCM offense was second in the league in and sixth in all of NCAA-II in passing. The Mules ranked fourth in the conference and 21st nationally in total offense, and fifth in the MIAA and 30th in NCAA-II in scoring offense.

Under Lamberson's tutelage, five UCM wide receivers have earned All-MIAA honors with two players, Jamorris Warren and Jamar Howard, earning first team accolades and All-America honors.

Lamberson came to UCM after two seasons at Division II Southeastern Oklahoma State University in Durant as the quarterbacks coach and recruiting coordinator. He also spent seven years as an award-winning quarterback and position coach at Northwest Missouri State from 2001-07, where he played for Mules head coach Jim Svoboda for three seasons.

In 2008, SOSU quarterbacks threw for 2,326 yards and 25 touchdowns with only eight interceptions, which was the fewest in the Lone Star Conference that year. They followed that stellar season with an even better one in 2009, tossing for 2,939 yards with 27 TDs and 12 interceptions. Both quarterbacks Lamberson coached earned All-LSC honors.

Prior to joining Southeastern Oklahoma State, he was a graduate assistant at Northwest Missouri State for two seasons in 2006 and 2007, helping them to the national championship game both times coaching the quarterbacks.

He was also an All-American quarterback on the field at NWMSU, leading the Bearcats to the National Championship game in 2005. Posting a 4.0 GPA, he was the ESPN Academic All-American Football National Player of the Year as a senior, as well as the Disney Sportsman of the Year. Lamberson also won the Ken B. Jones Award as the MIAA's top male student-athlete in 2005.

On the field he is the all-time leading passer in school history and ranks ninth in MIAA history in yards. Lamberson was also a semifinalist for the Harlon Hill Trophy for the top player in NCAA Division II. He tied the NCAA-II record with 12 consecutive games passing for more than 200 yards, and was the Division II National Championship Game's Most Valuable Player that same season. He posted a 24-6 overall record as a starting quarterback.

The Wilber, Nebraska native and his wife, Mandy, have a one-year old daughter, Kiya.

Hank McClung

Offensive Line 4th Year

Hank McClung is in his fourth year as the Mules offensive line coach and in his 26th season overall as a college coach, including 21 years as an offensive line coach. He has coached at five different NCAA Division II schools in the Lone Star Conference, and has deep roots in the state of Texas as a native of Midland.

During his time coaching the UCM offensive line five Mules have earned all-conference honors with Logan Freeman earning two first team awards. He was also an honorable mention All-American following the 2011 season and a second team Academic All-American following the 2012 season. Freeman signed a free agent contract with the Oakland Raiders following his UCM career.

McClung was named the AFCA Division II Assistant Coach of the Year following the 2011 season. His offensive lines allowed just 16 sacks in each of the 2010 and 2011 seasons, while blocking for two of the top passers in Central Missouri history. The Mules attempted nearly 1,200 passes during that time.

In 2009, he was at the University of the South in Sewanee, Tennessee but spent the previous six seasons as the offensive line coach at Angelo State University in San Angelo, Texas. While there he coached an offensive unit that broke the school record with more than 5,000 yards in a season, and 742 yards in a game, as well as two 1,000-yard rushers. One of his running backs also broke the school record with 8.9 yards per carry in a season. He also helped the Rams to a Division II Playoff appearance in 2005.

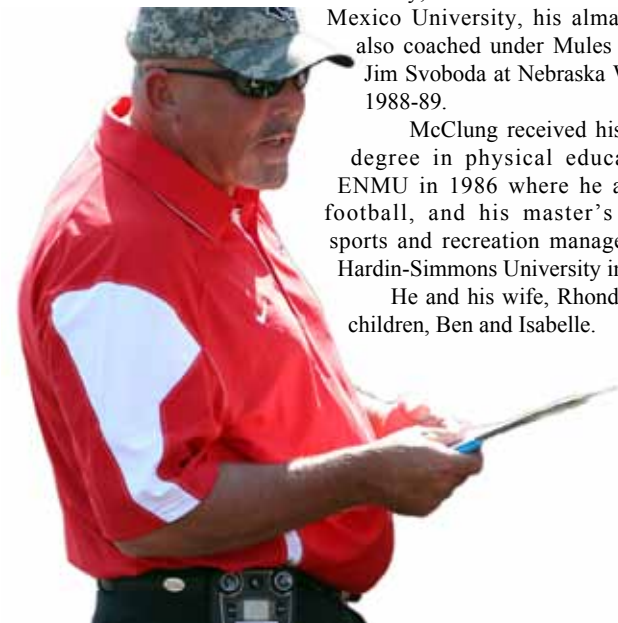

Prior to his time at ASU, McClung was at Division IAA Drake University (Iowa) from 2000-2002, where he also coached the offensive line. While at Drake, he helped lead the Bulldogs to the 2000 Pioneer Football League Championship, with his offensive line being named the team's offensive MVP for its performance in 2002.

He made a one-year stop at Abilene Christian University (Texas) in 1999 after a three-year stint as head coach at Midwestern State University (Texas) from 1996-98. While there he directed the program's move from the NAIA to NCAA Division II. He was the interim head coach there in 1995, and the offensive coordinator and offensive line coach in 1994 and 1995. During his time as the offensive coordinator, he also served as assistant head coach, and helped the team break every passing record in the books.

McClung also spent three seasons at Texas Tech, a season at Southeastern Oklahoma State University, and a season at Eastern New Mexico University, his alma mater. He also coached under Mules head coach Jim Svoboda at Nebraska Wesleyan in 1988-89.

McClung received his bachelor's degree in physical education from ENMU in 1986 where he also played football, and his master's degree in sports and recreation management from Hardin-Simmons University in 2000.

He and his wife, Rhonda, have two children, Ben and Isabelle.

Kyle Westphal **Defensive Backs** **Special Teams Coordinator** **2nd Year**

Kyle Westphal is in his second season as a member of the Mules coaching staff. He is the special teams coordinator and coaches the UCM defensive backs.

Last season, the Mules led the MIAA and were fourth nationally in net punting. The special teams unit also ranked fourth in the league averaging 20.9 yards per kickoff return. Punter Matt Jordan was a second team All-MIAA selection, while free safety Patrick Lewis earned an honorable mention nod.

Prior to coming to UCM, Westphal was the defensive coordinator and special teams coordinator at Hastings (Neb.) College during the 2011 season.

His defense at Hastings was ranked in the top 10 in the country in scoring defense, rushing defense and total defense and was No. 1 in the conference in scoring defense. Seven players earned all-conference honors under his tutelage. His special teams unit ranked first in the nation in kickoff returns and first in the conference in kickoff coverage, third in net punting and third in punt returns.

Before taking his position at Hastings, Westphal served as an assistant coach at Loras (Iowa) College from 2007-2010. During his time there he coached the defensive backs and linebackers. He was the special teams coordinator from 2008-10 and the co-defensive coordinator from 2009-10. During his time as co-defensive coordinator his units were ranked in the top three in the conference in passing defense, total defense and redzone defense. They also ranked in the top 30 in the country in total defense, rushing defense, sacks and tackles for loss.

Prior to Loras, Westphal spent two years at Northwest Missouri State, the first as a graduate assistant, coaching the wide receivers. His second year in Maryville he coached the Bearcat running backs. He was a part of two National Runner-Up finishes for NWMSU, helping the squad to a 25-5 record over two seasons and an MIAA Championship.

Westphal played collegiately at Simpson College in Indianola, Iowa. He was a three-time all-conference defensive back for the Storm and an All-American in 2003. He was a four-year letterwinner and a two-time team captain in addition to being named the Defensive MVP as both a junior and senior. He holds school records in seven different categories.

He earned his bachelor's degree in Business Management and Sports Administration from Simpson in 2005 and his master's degree in Health and Physical Education from Northwest Missouri State in 2006.

The Fontanelle, Iowa native and his wife Crystal have two kids, Zoey (10) and Kobe (6).

Sean Teter **Strength & Conditioning** **2nd Year**

Sean Teter is in his second year as the strength and conditioning coach for the athletic department at UCM. He oversees the strength and conditioning program for all 17 of Central Missouri's intercollegiate athletic programs.

He came to Central Missouri in December of 2010 as a graduate assistant in strength and conditioning. He worked closely with the Mules Baseball team on their strength and conditioning program, while assisting with Mules Football and Jennies Basketball.

Prior to coming to UCM, Teter was a strength and conditioning intern at Mid-America Nazarene University in Olathe, Kan.

He was a two-year football letterman at Butler Community College before transferring to the University of Kansas.

He holds his USA Weightlifting certification and CSCCa certification.

He earned his bachelor's degree in Sport and Exercise Science from Kansas in December 2010 and is pursuing his master's in kinesiology from UCM.

Kollin Ahern **Graduate Assistant/Tight Ends**

Kollin Ahern is in his second season as a graduate assistant with the Mules after serving the previous two seasons as an assistant coach at Warrensburg High School. Ahern works with the Mules' tight ends.

He coached the quarterbacks and linebackers during his time at Warrensburg High School, coaching for former UCM assistant Scott Grinde.

He was a linebacker for the Mules from 2008-09, appearing in two games as a freshman. He was named to the MIAA Academic Honor Roll as a redshirt freshman.

A three-year letterman at St. Thomas Aquinas High School in Overland Park, Kan. He was an all-state selection as a senior.

Ahern graduated in May of 2012 from UCM with his bachelor's degree in criminal justice. He is currently pursuing his master's degree in sports management.

Tommy Corwin

Graduate Assistant/Running Backs

Tommy Corwin is in his second season as a graduate assistant with the Mules coaching staff following a five-year career in the cardinal & black. He will work with the UCM running backs again during the 2013 season.

He was an honorable mention All-MIAA pick in 2011 at quarterback after throwing for nearly 3,800 yards and 34 touchdowns. He tied the UCM and MIAA record with six passing touchdowns in a win over Missouri Southern and accounted for six touchdowns in a game twice.

Corwin earned his bachelor's degree in social studies education in 2011 and is currently working on his master's degree.

Ke'Andre Sams

Graduate Assistant/Cornerbacks

Ke'Andre Sams is in his third season as a graduate assistant with the Mules after a playing career at Eastern Illinois. He will work with the Mules' cornerbacks this year after working with the safeties the past two seasons.

Sams was a team captain and a two-time All-Ohio Valley Conference pick as a defensive back for the Panthers. He was a second team all-conference selection as a junior when he was fourth on the team with 67 tackles and had two interceptions from his strong safety position.

As a senior he led the team with 74 tackles and added 3.5 tackles for loss with three pass break-ups.

Sams received his bachelor's degree in Kinesiology/Sports Studies and Business Management from Eastern Illinois and is currently working toward his master's degree at UCM.

Evan Knight

Graduate Assistant/Defensive Line

Evan Knight is in his first season as a graduate assistant with the Mules coaching staff following a four-year career as a linebacker for UCM. He will work with the defensive line in 2013.

Knight appeared in 42 games during his UCM career, making 28 starts. He recorded 179 total tackles with seven tackles for loss and 1.5 sacks. He also had seven pass break-ups and one interception during his career. He recorded a career-best 72 tackles as a junior in 2011. Had a career-high 10 tackles in three separate games.

He was a four-year member of the MIAA Academic Honor Roll and earned his bachelor's degree in Physical Education from UCM in May of 2013. He is currently pursuing a master's degree in sports management.

Damon Paul

Volunteer Assistant/Wide Receivers

Damon Paul is in his second season with the Mules as a volunteer assistant coach working with the UCM wide receivers. He spent the previous 12 seasons as the head coach at University Academy in Kansas City. He also served as the Athletic Director for the school from 2005-2012.

While at University Academy, he directed the program to three straight district titles and four consecutive playoff appearances from 2008-2011.

Paul was a linebacker at Northwest Missouri State in 1984, helping the Bearcats to an MIAA championship. He served in the United States Army from 1985-89 and earned his bachelor's degree in business from the University of Missouri-Kansas City.

He and his wife, Carolyn, have a daughter, Erin, and three sons, Deonte, Desmond, and Drake.

Adam Peterson

Graduate Assistant/Offensive Line

Adam Peterson is in his second season as a graduate assistant with the Mules working with the offensive line.

Prior to coming to Warrensburg, Peterson served two seasons as the linebackers coach and special teams coordinator at Bethel College (Kan.) and coached three all-conference players during that time.

As a player, he was a second team all-region and two-time all-conference selection as a three-year starter at safety for Wayne State (Neb.).

Peterson earned his bachelor's degree in mathematics and in interdisciplinary studies with a basis in physics from Wayne State in 2006 and a master's degree in physics from the University of Texas at Dallas in 2009. He is currently pursuing a master's degree in sports management.

The 2012 Mules Football team entered the season with plans on making their third straight trip to the postseason, a feat which had never been done in Central Missouri history. The Mules returned 18 starters and 46 letterwinners from the 2011 squad that finished 8-4 and earned a berth in the Kanza Bowl. What happened in 2012 was a season of ups and downs.

The Mules dropped their season opener at 18th-ranked Missouri Western 38-26. Aftering falling behind 28-0 in the first half, the Mules forged a furious late-game rally but came up short.

UCM returned home the following week and beat third-ranked Northwest Missouri 31-21 for their first win over the Bearcats in nearly a decade. The Mules led 24-7 at halftime and rolled to their first win over a top-five ranked opponent since the 2010 NCAA Playoffs.

That win helped propel the Mules to wins on the road at Lindenwood, at home over Truman State in front of a national television audience on the CBS Sports Network Division II Game of the Week and over Missouri Southern. UCM was 4-1 as they traveled to take on top-ranked and defending national champion Pittsburg State. The Mules rallied from an early 14-point deficit to take the lead late in the third quarter, but their upset bid came up short as they fell to the Gorillas 30-21.

The Mules responded with a convincing 47-17 win over Central Oklahoma on homecoming the following week. The game started as any normal game would, but took two days to complete because of lightning delays. The game was delayed on Saturday following one quarter of play with Central Oklahoma leading 10-6. The Mules out-scored UCO 41-7 on Sunday to roll to the 30-point win.

UCM jumped out to a 23-7 halftime lead the following week against conference newcomer Northeastern State in Tahlequah, Okla. The second half was a different story, however, as the RiverHawks stormed back with 17 second half points, including the go-ahead touchdown with under two minutes to play to stun the Mules 24-23.

The Mules dropped another heartbreaker the following week against Nebraska-Kearney on Senior Day. The Lopers out-scored UCM 19-8 in the second half and scored the game-winning touchdown with just over five minutes to play in the game.

With the postseason now out of reach, the Mules closed out the season at Fort Hays State. Central Missouri jumped out to a 14-3 halftime lead, then withstood a second half rally by the Tigers to claim a 14-12 win and secure the sixth straight winning season for Mules Football.

Individually, 11 Mules received All-MIAA honors with senior offensive lineman Logan Freeman earning first team accolades. Second Team honors went to senior defensive linemen David Bax and Latavious Davis, and senior punter Matt Jordan.

Honorable mention accolades went to junior quarterback Colter Smith, junior wide receiver Ronrei Lloyd, sophomore running back LaVance Taylor, senior tight end David Cannon, senior offensive lineman Mark Schroeder, senior linebacker Joe Carter and senior defensive back Patrick Lewis.

Lewis finished his UCM career tied for eighth on the school's all-time tackles list with 262. Teammate Aaron Jamieson finished his career as the highest scoring kicker in UCM history and the third most points overall with 291 (183 PATs and 36 FGs), while tight end David Cannon ended his career with 132 pass receptions, the fourth most in school history. He also finished 10th on the UCM career receiving yards list with 1,561.

Freeman piled up more postseason honors as he was named second team all-region by two different media outlets

Freeman and fellow senior, defensive back, Brett Ginn were both named to the CoSIDA Academic All-Region First Team. Both earned Academic All-America honors, with Ginn becoming the first Mule in school history to earn First Team Academic All-America honors twice.

Freeman went on to sign a free agent NFL contract with the Oakland Raiders.

Logan Freeman was an All-Region and Academic All-America selection in 2012.

* - Meeting in NCAA-II Playoffs

All-time series records reflect Central Missouri's records against four-year colleges and universities. Games against junior colleges and non-collegiate opponents are not included. Overall Record vs. Opponents is in parenthesis next to school name, while records since 1966 (including home, away and neutral records) are at columns to the right.

In the Beginning . . .

by Andy Sims -- Former Assistant Coach and Player, Central Missouri

Football is arguably one of the most popular sports in the world. Thousands of fans have packed stadiums every Saturday morning for the past 150 years. During the sports' early years, football changed considerably. In Warrensburg, Mo. college football underwent drastic changes between 1894 and 1902.

Football at Warrensburg Normal was without direction or supervision until physical education started to take hold on campus. Margaret Jones, instructor of English in 1892-93, was something of a gymnast, and under her direction some students organized into groups for gymnastic drills. This must have proved to be very tiresome for some of the male students who preferred to go outside and kick around an association football instead. From those innocent beginnings, the present day Mules football team was born.

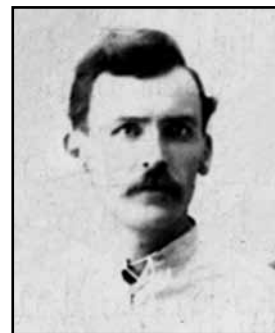

It all began one fall day

According to Max Aber, "When autumn of 1894 came around, I was the Official Court Stenographer for this county; I hungered for foot ball. I went to

campus hoping to get in on a game; I found about a dozen husky students kicking a foot ball about the field. On inquiry I learned none of them knew nothing about real foot ball."

Aber was a native of Ohio, but moved to Indiana where he later attended DePauw University. According to a letter written by Aber, which was found on the back of an old picture, he had been both a manager and player on the DePauw football squad. "I had been Manager of the foot ball team which to that time had made the best record ever. My part as a player was not outstanding."

Despite Aber's status as a player, when the students learned he had been around the sport of football at another university, they asked him to assist them in organizing a team at the Normal.

Jerry Boyce - 1957-60

"I assembled them, got them interested, and appointed myself coach and captain, thus organizing the first foot-ball eleven ever on Johnson County soil."

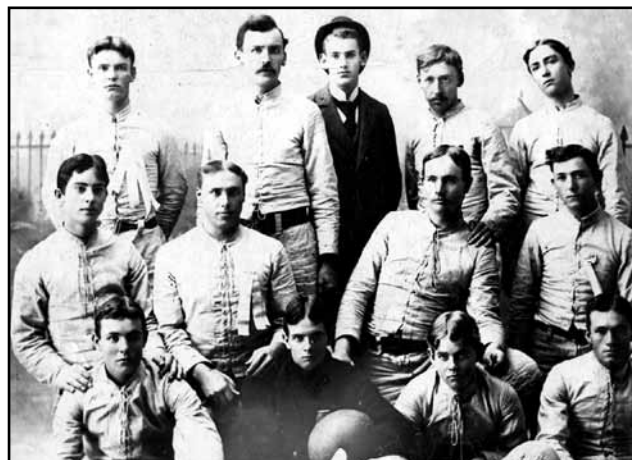

Of course, Aber was not able to organize a team by himself, so he called on the assistance of Nick M. Bradley, a former student and football player at the University of Missouri. With the help of Bradley, Aber developed the first football team at Warrensburg Normal.

The first football teams were made of both Normal students and local people from the town of Warrensburg. The first football game was played during the fall of 1894. "Aber's Colts" got off to a shaky start, losing to Sedalia's town team 72-6. Later that season during a game with Clinton's town team, Normal's Wycliff Ray suffered a broken leg. He became the first student-athlete to be injured representing Normal on the gridiron.

If you build it ...

Even though football fever had spread through the Normal school, it was not being given serious attention, and the lack of a worthy football field was one of the main reasons why.

Not everyone ignored the problems that faced this new football program however. In 1895, those sick with football fever organized the Athletic

Association on campus, hoping it would help to improve football at Warrensburg Normal. Its first goal was to secure the much-needed athletic field. The athletic field had to be located on campus, but the campus was filled with trees. John D. Donlap, president of the Association, went to talk with George Osborne, president of Warrensburg Normal from 1876 to 1898 about cutting down trees to clear space for the athletic field. Osborne did not think that physical education had any place in higher education, but he eventually gave in and agreed to have a few trees removed from the campus.

The students already had a small field, and the few trees that Osborne was willing to let go were not enough to allow the football team ample practice space. Dunlop organized some men who liked sports and told them to come to the field ready to do some manual labor. While the faculty was away in a meeting, the boys, armed with appropriate equipment, cut down the trees agreed upon by President Osborne, but they did not stop there. They also decided to extend their work until a sizeable area had been cleared. When the faculty and the president came out of their meeting, they could not believe the amount of land the boys had cleared. President Osborne was furious, but no one was expelled. The field started from the present day Administration Building and extended south to where Morrow and Garrison gymnasiums currently stand.

And the development continued

In 1896, even without much attention from President Osborne, the boys had firmly established football at Warrensburg Normal. The football team, as in previous years, was composed of Normal students, coaches, faculty and some townspeople. This combination of players led to frequent fights among the members of the team. The Normal boys got together and decided townspeople should not be allowed on the team. This decision did not go over very well with the townspeople, who wanted to play, but did, however, set the standard for who would be allowed to play at Warrensburg Normal.

The 1897 and 1898 teams plodded along through their seasons, playing some larger schools such as the Universities of Kansas and Missouri. Despite some strong showings against prestigious opponents, football still received little attention until the Normal officially installed physical education in 1899.

Physical education developed at Normal when financial troubles caused Dr. George Howe, president of Warrensburg Normal from 1898 to 1901, to ask for a physical education director and football manager. The school accepted former athletic standout Joseph Ferguson. Ferguson had been a good player in football, but it was in track that he really excelled. He established track on the Normal campus by organizing the first track team in 1895. That year he went to Missouri University for its annual field days where he dominated the competition. He almost broke the state record in the long jump on the way to winning four events. Ferguson left after graduation, but returned in 1899 to become the school's first Director of Physical Education and also manager of all athletic teams, despite having only had one season of football experience.

Ferguson takes charge

In spite of his limited knowledge of the game, Ferguson and his charges got off to a strong start in 1899. Recognizing he would need more knowledgeable men to

help him continue to succeed, Ferguson took subscriptions from townspeople and paid a professional to coach the team.

The Warrensburg Normals had played the University of Kansas in previous years, but now they were not looking for a game from the Jayhawks. Instead, they needed a coach. They found Arthur St. Leger Mosse. Mosse had been a star guard and a punter at Kansas University for four years. Ferguson made a deal that would pay Mosse \$150 for the next three weeks.

Under the guidance of Coach Mosse, the 1899 football team played six games and lost only one to the University of Missouri. The biggest win that year came when the Normals took on the Haskell Indians of Lawrence, Kan. Most of the boys on that '99 squad had never played in a game before that year, and some had not even seen one. The Haskell Indians went on later that year to win the Kansas State Championship. Opposite Mosse on the Indians' sideline was Coach "Shorty" Hamill. Hamill had been the other four-year starting guard at Kansas University when Mosse played.

During the first few minutes of the game, the Normals' halfback received a concussion from one of his own players, but continued to play. According to Ferguson, "That halfback was crazy--even more so than usual." While dazed, the player scored twice, but did not know until he regained his senses and the

History and All-Time Roster

quarterback told him. The Normals scored one final time on a zany ninety-yard punt play, and the final tally was 17-5 in favor of the Normals. Mosse received his victory for his school and some bragging rights for himself against his old teammate Hamill. Without a doubt, the 1899 squad overcame much adversity and could serve as an inspiration to all future teams that believe the obstacles before them are too great to overcome.

A new century, and a new enthusiasm

The first Normal team of the 20th Century made a statement that football was in Warrensburg to stay. With the '99 season in the past, the Warrensburg Normals looked ahead to the upcoming year with a lot of enthusiasm. However, the 1900 season saw many key players out from illness and injury. Despite the physical struggles, the group of boys, along with Coach Mosse, posted a winning record of seven wins and four losses. With two years of triumph over a formidable opponent called adversity, the young team was filled with confidence. That confidence combined with the hopeful return of many key players made the upcoming 1901 season very promising.

In 1901, Coach Mosse was expected back, but instead left for a chance to play with one of the first professional football teams in Pittsburgh, Penn. Without a

coach, the Normals again looked to the University of Kansas. Ferguson called Earnest Quigley, previously captain on the Kansas team, for the job. Smart and outgoing, Quigley thought that if he played and coached, he should be paid. Ferguson made the same deal with Quigley as he had with Mosse for the sum of \$150.

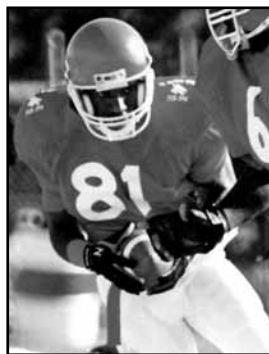

Under the stern hand of Coach Quigley, the Normals had one of the best teams in Normal history. The Normals dominated almost every opponent that was willing to face them. After getting off to a quick 3-0 start, the Normals went to Jefferson City, Mo., for a game against the Missouri Tigers. Before the start of the game, the Normals were concerned with the eligibility of the Missouri Tigers' players. The Normals protested that they would play only if three of the Tigers' players were removed, but the Tigers denied these allegations and refused to remove the players. Understanding that this argument could drag on all night, the Normals were willing to allow the Tigers players to stay, but the Tigers still refused to play. It was obvious that the Tigers wanted no part of the Normals that year and decided it would be better to be a "living coward than a dead hero." With the Tigers out of the way, the Normals steamrolled through their season with a 9-1 record and won the Missouri-Kansas Inter-State Championship.

Despite the success Quigley experienced in his first year as coach, he decided

not to stay for a second. He spent the winter and spring at St. Mary's College, played professional baseball in the summer and then accepted a position as athletic instructor at St. Mary's College. Quigley enjoyed more success later in life when he was first an umpire for the National Baseball League and then the General Supervisor over all umpires.

Once again, the Normals were left without a coach for the upcoming season, but a familiar face reappeared in 1902 when Coach Mosse returned for his third and final year with the Normals. The 1902 team faced a tough schedule, but was confident that victory would go their way under the leadership of Coach Mosse. The boys played hard and won six of nine games, including a trip down south where they beat the University of Arkansas 15-5.

Even with success against many tough opponents, Mosse was unable to stay. Mosse went to Pennsylvania for a couple of years, but returned to Lawrence and had tremendous success as the football coach of Kansas University. The Normals were back in a familiar spot once again--in need of a coach--but in the upcoming years they established an excellent football program.

These first eight years of Mules football were the foundation that the football program has been built upon. It is remarkable how much these pioneer teams accomplished in the face of so much adversity. It would have been simple for everyone involved to give up when the breaks were just not going their way.

Warrensburg Normal football survived two World Wars, numerous rules and eligibility changes, and many other obstacles through the years. In 1912, Warrensburg State Teachers College became one of 14 charter members of the Missouri Intercollegiate Athletics Association (now the Mid-America Intercollegiate Athletics Association), and a dozen years later saw reorganization of the league to include only the five regional state colleges--Central, Northwest,

Northeast, Southwest, and Southeast. The MIAA changed shape many times over the next decade, but the Mules have remained one of the top contenders, winning or sharing eight conference titles and making five trips to the postseason.

If it had not been for all the hard work, sacrifice, and love for the game, Mules football might not be here now. As Max Aber wrote: "From that seedling grew the present organization of Mules; Long May They Kick!!!"

The 1901 Warrensburg Normal's -- 9-1 and champions of the Missouri-Kansas Inter-State championship. Quigley is back row, second from the left, and Ferguson is back row, far right.

Note: Every player since 1960 who was listed on an official in-season roster has been included on the Mules' all-time roster. (including redshirt and hardship seasons). The player must have completed at least one full year with program. Starting in 2007, only players that received a letter were listed.

Any additions or corrections should be made to the UCM Athletics Media Relations Office.

Jeff Wright became the first Mules player to make an active NFL roster. He played seven seasons for the Buffalo Bills and started at nose guard in four Super Bowls.

The Mules' most successful pro football player is **Jeff Wright**, who played for seven seasons (1988-94) with the Buffalo Bills and was their starting nose tackle in four Super Bowls. Chosen in the eighth round of the 1988 NFL Draft, Wright became the first player from Central Missouri to make an NFL team's regular-season roster.

A two-time first-team All-MIAA selection, he was MIAA Defensive Player of the Year as a senior. Wright was also a first-team All-American as a senior and led the team with 119 tackles and 7.5 sacks. Wright is the only Mules' football player to have his uniform number (79) retired. He also has established a football scholarship in his name at UCM and was a 1994 inductee into the UCM Athletic Hall of Fame.

Roderick Green, who was selected in the fifth round by the Baltimore Ravens in the spring of 2004, is the highest any UCM football player has ever been drafted. He saw action in five NFL seasons, playing his first two in Baltimore and the last three with the San Francisco 49ers, finishing his career after the 2008 season. He was a 2013 inductee into the UCM Athletic Hall of Fame.

Wide Receiver **Delanie Walker** is the Mules most recent draft choice (sixth round), signing with the San Francisco 49ers in 2006. Last year in his seventh full season he played in all 16 games, and recorded 21 catches for 344 yards and three touchdowns. He helped the 49ers win the NFC Championship and recorded three catches for 48 yards in Super Bowl XLVII. He signed a four-year, \$17.5 million contract in the summer of 2013 with the Tennessee Titans.

Wide receiver **Todd Devoe** had a stint with the Denver Broncos where he caught his first NFL touchdown pass in 2005, and he has played with Toronto in the CFL. He also played in the Arena League for the Orlando Predators.

Two other former Mules were also active in the Arena Football League. **Colston Weatherington** was drafted in the seventh round of the 2000 NFL draft by the Dallas Cowboys. Weatherington, who decided to pass up his final year of eligibility with the Mules, was the 207th player taken in the draft. He was released by the Cowboys in 2003, but signed as a free agent with the Dallas Desperados of the Arena Football League. He was a four-time first-team All-AFL pick on defense and was named the

AFL Lineman of the Year in 2008. He was inducted into the UCM Athletic Hall of Fame in 2012.

Kevin Nickerson, meanwhile, was named to the AFL All-Rookie team in 2005. His last action was with the Orlando Predators in 2008 and he had 73 receptions for 871 yards and 13 touchdowns as a wide receiver/defensive back and has been named All-Arena League two times. He also played with the Saskatchewan Roughriders of the Canadian Football League, and in 2003 he pulled in eight passes for 103 yards. He has played for three different teams in the Arena League. He was a 2008 inductee into the UCM Athletic Hall of Fame.

The Mules have had 10 players drafted by NFL teams and 51 have signed professional free agent contracts.

The year listed for the draft picks is the last year each player competed with the Mules. The year listed for the free agents is the UCM school year in which they signed.

1950 - Mirza Shrine Bowl December 2, 1950 at Pittsburg, Kan.

Breaking loose in the final quarter, the Central Missouri Mules came from a 14-7 deficit to defeat the Pittsburg State Gorillas 32-21 in the first Mirza Shrine Bowl at Pittsburg, Kan.

The Mules capitalized on two Pittsburg State fumbles and two pass interceptions to score four touchdowns in the fourth quarter.

UCM was up 32-14 with :45 left when Ted Hoffman scored on a 90-yard pass. It was one of two passes the Gorillas' completed (in 11 attempts). The Mules, meanwhile, picked off four passes.

In the third quarter, PSU seemed to be driving for a touchdown when the Mules recovered a fumble and drove for **Kelly Meyer's** score-tying one-yard plunge early in the fourth quarter. Central Missouri scored three-more times in the period, once on a **Dick Volkmer** to **Bill Ray** touchdown pass (their second TD connection of the game). **Johnny Gieringer** rumbled 40-yards for another score, and **Kenny Webster** sprinted 64 yards for the Mules' final tally of the game.

While Pittsburg State struggled converting through the air, the Mules completed 14-of-22 passes against the stiff Kansas wind. The Gorillas did chalk up 417 yards on the ground, to 371 for UCM.

The game was played as a benefit for the Shrine crippled children's hospital in St. Louis.

1968 - Mineral Water Bowl November 30, 1968 at Excelsior Springs, Mo.

A tough defensive game saw the Central Missouri Mules fall 10-0 to the Doane College Tigers in the 20th Annual Mineral Water Bowl in Excelsior Springs, Mo.

More than 7,000 fans descended on Excelsior Springs to witness defense against defense, as neither team could muster much of an attack.

On a damp, slick day the only points came in the second and fourth quarters for Doane, out of Crete, Neb.

Doane came in having gone a combined 28-0-1 the previous three seasons and ranked in the top 10 in the NCAA College Division polls.

Ron Sallier put the Tigers on the board first on a 38-yard run just before the half. Doane added a field goal in the final period.

Central Missouri did come away with two of

the three individual player awards. Senior safety **Larry Moore** earned the Defensive Player of the Game, while All-MIAA defensive end **Herb Robinson** was named Lineman of the Game.

The entire Mules' defense could have been honored. Doane came into the game leading the nation with 457.1 yards and 52.9 points per game. Against CMSC, though, the Tigers managed just 256 yards and 10 points.

Larry Johnson led the Mules rushing attack with 50 yards on 16 carries. **Steve Eckinger** saw first-hand why Doane was the sixth-ranked defensive team in the country (allowing just 138 yards and 2.9 points per game. He lost 18 yards on nine attempts, including sack yardage, and completed just 5-of-19 passes for 61 yards. **Clark Frost** caught two of Eckinger's aeriels for 43 yards.

Sallier was named Offensive Player of the Game for Doane.

1970 - Pecan Bowl December 12, 1970 at Arlington, Texas

Just two seasons after appearing in their first NCAA-sanctioned bowl game, the Mules got back to the postseason. This time it was the prestigious Pecan Bowl in Arlington, Texas. The opponent: the No. 1 ranked Arkansas State University Indians.

Arkansas State came away with a 38-21 win, and with it the NCAA Midwest College Division title. The Pecan Bowl was one of only four College Division Championship games representing a section of the United States.

The Indians were appearing in their third consecutive Pecan Bowl after winning the Southland Conference and posting a 10-0 regular season record.

The Mules, meanwhile, were coming off a 9-1 regular season and the Missouri Intercollegiate Athletic Association co-championship.

UCM made a statement on the Indians' opening drive. After Arkansas State drove to the Mules' one-yard line, Earnie Harris and Gary Simpson stopped ASU's Calvin Harrell on fourth-and-one.

The Indians got on the board first on a 37-yard field goal with 4:30 left in the first quarter.

They added a touchdown pass before **Steve Eckinger** and **Reggie James** connected to make it 10-7, Arkansas State.

The Indians, though, answered with another touchdown pass and a 17-7 lead with 1:28 left in the half. A third Arkansas State aerial on the Indians' second possession of the second half made it 24-7. It marked the first time all year the Mules had been

scored on in the third quarter.

The Mules fell behind 31-7 when **Russ Weber's** punt was blocked and recovered in the end zone.

Harrell's touchdown and the ensuing extra point made it 38-7 before the Mules finally were able to get back on the scoreboard.

After recovering an ASU fumble, the Mules made it 38-14, as Eckinger found **Ron Culp**.

The Mules final score came with just :38 remaining in the game. Taking advantage of another Arkansas State fumble, **Ira Clemons** hit pay dirt.

Eckinger completed 22-of-44 passes for 216 yards and two touchdowns, and the Mules' ballcarriers tacked on 110 yards and a score.

2001 - Mineral Water Bowl December 1, 2001 at Excelsior Springs, Mo.

A 9-2 regular-season record led the Mules to the 36th Mineral Water Bowl in Excelsior Springs, Mo. There, the Mules captured a 48-17 win over Northern Sun Intercollegiate Conference runner-up Minnesota-Duluth.

The bowl win marked the first time in school history a Mules team had reached 10 victories.

The Mules jumped out to a 20-0 lead on the Bulldogs after one quarter. **Todd Devoe** grabbed two touchdown passes, one from junior wide receiver **Don Robinson** on a flanker option for 39 yards and the other from **Dennis Gile** that went for a Mineral Water Bowl-record 99 yards. In between, **Lee Thompson** was able to cash in from 10 yards.

UMD rallied to cut the Mules lead in half just minutes into the second quarter. After getting a 75-yard return on the kickoff following Devoe's second touchdown, the Bulldogs scored on a two-yard run by running back Andrew Bungum.

Minnesota-Duluth then executed an onside kick and recovered at the UMD 45. The Bulldogs settled for a 37-yard field goal by Chad Gerlach to make it 20-10 with 12:27 left in the first half.

The Mules had an answer, going 71 yards in six plays, with **Mike Carter** catching a Gile pass for a nine-yard score.

UMD linebacker Adam Skinner picked up a Gile fumble and put the Bulldogs back within 10 on a 32-yard return to make it 27-17.

Duluth returned the favor when UCM's **Greg Zerr** scooped up a fumble by wide receiver Tim Battaglia and ran 19 yards to make 34-17, where it stood at halftime.

UCM wrapped up the scoring with Thompson scoring on a 5-yard run, and **Joey Robinson**

returning an interception 80 yards for a score.

Devoe set a bowl record with 163 receiving yards and earned Offensive MVP honors. Joey Robinson had three pass breakups to go with his interception return to pick up the Defensive MVP.

2002 - NCAA Division II Playoffs November 23, 2002

at Greeley, Colo.

Central Missouri had such a good experience in the 2001 postseason, the Mules made an extra effort to advance in 2002. And advance they did, earning their first ever trip to the NCAA Division II Playoffs. A thrilling 23-20 overtime victory at MIAA-rival Pittsburg State University ensured the Mules their first playoff berth and, while the outcome was not what Central faithful had hoped for (a 49-28 loss at the University of Northern Colorado), it set the stage for the Cardinal & Black to move among the elite teams in the NCAA Division II ranks.

After the opening kickoff went into the end zone for a touchback, UCM needed just 22 seconds to get on the board, as **Don Robinson** launched a pass to a wide open **Todd Devoe**, who raced the rest of the way untouched for the score.

After stopping the Bears on three-and-out on their own 24 yard line, the Mules' **Pat Nussbeck** squirted through to block the punt, and when Devoe scooped it up and ran in, it was 14-0 Central Missouri.

The Mules defense again held and forced UNC to punt, and UCM again struck quickly, **Dennis Gile** hitting **Mike Carter** for a 76-yard pitch and catch and a 21-0 Central Missouri lead.

But then UNC woke up, scoring 28-unanswered points to take a 28-21 halftime lead. Eric Nelson scored on receptions of 29 and 54 yards from Mark Passard, Ron Scott plunged over from a yard out, and Adam Matthews went 23 yards for a score.

In the second half it was more of the same, as Passard connected with Brad Pyatt from 21 yards out at the 12:08 mark of the third quarter, and then hit Nelson on a 51-yard screen pass.

UCM finally got back on the board with 13:54 to go in the ballgame, as **Nate Thomas** took a UNC punt 79 yards up the right side line to give the Cardinal & Black some hope.

But then Nelson stuck a dagger in the Mules' heart, as he needed just one play on Northern Colorado's next possession to go 70 yards to make the final score 49-28.

Devoe nabbed eight passes for 150 yards and a score to lead the Mules

2010 - NCAA Division II Playoffs November 20, 2010 at Warrensburg, Mo.

The No. 8 Central Missouri Mules football squad made history, winning its first playoff game ever in a 55-35 rout over No. 14 West Texas A&M on Saturday at Walton Stadium/Kennedy Field.

The Mules (10-2) scored the contest's first four touchdowns and never looked back in the win. UCM tied the school record for wins in a season with 10, and scored the most points in a postseason game in team history as well. West Texas finished the season at 8-4.

Central Missouri made it 28-0 with 5:27 left before the break on a one-yard rush from senior fullback Brent Boehringer, his first ever rushing TD. The play was set up by a 32-yard Eric Czerniewski-to-Jamorris Warren connection down to the one.

WTAMU got on the board after an eight-play, 70 yard drive that saw Taylor Harris find Stephen Burton on a deflected pass in the back of the endzone that Burton picked out of the air, just before getting a foot in bounds from 14 yards out.

Although the score came with only 1:48 on the clock, the Mules still took advantage, taking the ball 65 yards down field in just 1:23, capped by a 10-yard strike from Czerniewski to Seth Mason to make it 35-7 just before the break. It was Mason's second multiple TD game of the year, and third of his career.

The Mules out-gained the Buffs 373-to-219 in the half, while Czerniewski tossed four TD's on 23-of-28 passing. Stewart had 169 receiving and rushing combined yards in the half.

The third quarter started with a bang for the Mules as well, with senior Joseph Bangali picking off Harris on the first possession. UCM punched it in with a one-yard rush by Anthony Stewart on fourth down, making it 42-7 with 12:45 left in the third quarter.

The two teams traded scores in a long third quarter, with Stewart running one from 17 yards away for a TD. West Texas answered again to make it 49-21 on a 57-yard TD catch by Brittan Golden with 2:48 left. The Buffs tried to make a game of it just after the score, recovering an onside kick.

Instead, Paul Stephens delivered the dagger, picking off a deflected Harris pass and returning it 52 yards for a touchdown, making it 55-21.

Central Missouri cruised from there, running as much clock as possible in the fourth quarter. Stewart finished with more than 100 yards rushing and receiving for the second time in his career, with 112 on the ground, and 131 though the air. Czerniewski tallied 368 yards and the four TDs on 33 of 42 attempts.

2010 - NCAA Division II Playoffs November 27, 2010 at Abilene, Texas

The No. 8 Central Missouri Mules continued their historic run through the playoffs with a 55-41 upset over the No. 2 Abilene Christian Wildcats on Saturday at Shotwell Stadium, setting the school record with 11 wins, and defeating a No. 2 ranked opponent for the first time in school history.

Central Missouri (11-2) jumped on the Lone Star Champion Wildcats (11-1) from the start, racing to a 21-0 first quarter lead. After ACU got on the board with a Mitchell Gale touchdown pass, but the Mules added 14 straight points to open a 35-6 lead.

The Wildcats notched two more touchdowns in the quarter to pull within 35-21 at halftime.

ACU took its opening drive of the second half and went 91 yards in nine plays for a touchdown to make it 35-28.

The Central Missouri defense held on the next possession, forcing the Wildcats to kick a field goal from 38 yards out to cut the lead to only four. The defense came up huge again and forced the Wildcats to kick a 27-yard field goal to make it 35-34 with 26 seconds left in the quarter.

The momentum shifted at the start of the fourth quarter as Czerniewski found Jamorris Warren on a 61-yard bomb for a score. The extra point was blocked though, and gave UCM a 41-34 lead.

Czerniewski found DeMarco Cosby for a 28-yard strike to the eight yard line, and two plays later he tossed one up to Warren in the corner of the endzone for his UCM-record-tying sixth TD pass of the day and a 48-34 lead.

The Wildcats got a 32-yard TD pass to Edmund Gates with 2:23 left, but the Mules recovered the onside kick. Two plays later, Anthony Stewart broke a 42-yard touchdown up the middle to seal the win.

Czerniewski finished with 477 yards passing on 29-of-46 completions with six touchdowns. It was the sixth 400-yard game of his career, and second-highest total ever at UCM. There have only been seven 400-yard games in school history, and he owns six of them.

2010 - NCAA Division II Playoffs December 4, 2010 at Maryville, Mo.

The No. 3 Northwest Missouri State Bearcats built a first half lead and never let it get away on a cold, windy day at Bearcat Stadium in the NCAA-II Quarterfinals, ending the No. 8 Central Missouri Mules historic playoff run by a 37-20 score.

The NWMSU defense put up its most impressive performance of the season, getting pressure on MIAA and Super Region 4 Offensive Player of the Year Eric Czerniewski, and holding him to a season-low 212 passing yards, but also with the aid of a 20-30 mph wind.

The opening period started with more points on the first two drives than the entire first half of the first meeting earlier in the season. The Bearcats (12-1) took the opening drive 80 yards in nine plays, capped by a 23-yard strike from quarterback Blake Bolles to wideout Tyler Shaw against the wind. Central Missouri (11-3) didn't panic though, and put together an 11-play, 68 yard answer. Czerniewski hit senior running back Anthony Stewart from seven yards out of the backfield for the touchdown.

UCM managed only 25 plays in the first half for 83 yards, while the Bearcats ran 46 plays for 202 yards.

The Central Missouri defense clamped down in the second half, but the offense couldn't take advantage, with the Bearcats making the big plays on their defense.

The Mules held Northwest to only 18 yards in the third quarter, even with the wind at their backs. UCM forced punts on each possession, and went into the final quarter with the wind, down only 24-14. Another significant moment in the quarter was when Czerniewski hit DeMarco Cosby for a five-yard first down, giving him the NCAA-II single-season passing record at 5,100 yards, passing Keith Null of West Texas A&M's record of 5,097 yards in 2008.

NWMSU built the lead back to 16 at 30-14 following a 58-yard catch and run by Jake Soy. The Mules were able to pull within 10 again at 30-20 on a Taylor Dyer TD grab, but could get no closer.

NWMSU iced the game on a fourth down touchdown run by Bolles with 3:03 left to make it 37-20.

The Mules held the Bearcats to only 103 yards in the final half, while gaining 178. Czerniewski finished his season with an NCAA-II record 5,207 yards, and his career with 12,847 yards to rank fourth in NCAA-II history.

2011 - Kanza Bowl November 27, 2011 at Topeka, Kan.

Missed opportunities in the red zone proved too costly to overcome as the Central Missouri Mules fell to West Texas A&M 26-7 in the Third Annual Lower Kanza Bowl at Hummer Sports Park. UCM turned the ball over three times near the goal line in the loss as they were making their second straight postseason appearance.

The Buffaloes (8-3) got on the board first on a four-yard touchdown run by Khiry Robinson. The run capped a seven play, 81-yard drive to put WTAMU up 7-0 with just about nine and half minutes left in the opening quarter.

The Mules (8-4) responded with a touchdown of their own on the ensuing drive. Completions of 23 yards to Anthony Kirkwood and 24 yards to Jamar Howard set UCM up inside the West Texas A&M 20 and three plays later LaVance Taylor bulled into the end zone from a yard out to tie the game at 7-all with 5:47 to play in the first quarter.

The Mules defense came up big on WTAMU's next possession when Sosaia Taufa tipped a pass to himself for an interception. UCM took over at the West Texas 40 yard line. Central Missouri drove to the WTAMU four yard line and had a first and goal, but Tommy Corwin's pass was intercepted in the end zone by Mario Goins and UCM came away with no points.

The defense came up with another big stop early in the second quarter. The Buffaloes drove to the Central 10 yard line, but the defense held and forced a field goal attempt. West Texas A&M tried a fake on fourth and goal, but Marlon Douglas stopped the ball carrier at the five yard line and UCM took over on downs.

The Buffaloes got the ball right back when two plays later Goins picked off his second pass of the game to give WTAMU the ball at the Central Missouri 44 yard line. It took the Buffaloes one play to capitalize as Dustin Vaughan connected with Brittan Golden for a 44-yard scoring strike. Douglas blocked the extra point and the lead was 13-7.

The Mules look poised to take the lead on the next drive as they drove to the WTAMU one-yard line and faced a second and goal, but an interception by Curtis Jefferson in the end zone halted another potential scoring drive.

Robinson broke free for a 65-yard run on the first play following the interception and the Buffaloes were able to score right before half on a Tommy Hampton eight-yard run and WTAMU led 20-7 at halftime.

West Texas A&M extended the lead to 23-7 on a 21-yard field goal from Sergio Castillo, Jr. on their first possession of the second half. A 62-yard completion from Vaughan to Lance Ratliff on the first play of the drive got WTAMU out from deep in their own territory and all the way to the UCM 19.

The Mules offense stalled on their next drive, but Matt Jordan pinned the Buffaloes deep inside their own 10 yard line. On a third and five, Garrett Smith and David Bax combined on a sack and forced a fumble, which Brandon Tett recovered at the Buffaloes' three yard line. UCM look ready to make a game of it, but West Texas A&M stuffed the Mules from the one yard line on third and fourth downs to force a turnover on downs.

Castillo, Jr. added a 26-yard field goal with just over two minutes left in the fourth quarter to extend West Texas A&M's lead to 26-7.

The Mules were held to 273 yards of total offense, their second lowest output of the season. UCM managed just 50 yards rushing, while throwing for 223 with four interceptions.

Corwin finished the day 25-of-42 for 223 yards and the four picks. Corwin finishes the season second on UCM's single-season passing charts with 3,798 yards and 34 touchdowns.

Taylor gained 31 yards on 14 carries with a rushing touchdown. Kirkwood led UCM with five catches for 63 yards. Howard had four catches for 55 yards, giving him 71 receptions for 1,199 yards this season. His 71 grabs are tied with DeMarco Cosby for the third most in a single season in Central Missouri history, while his 1,199 yards and 13 touchdowns are the second most in a single season.

Defensively, Colin Hanna led the Mules with nine tackles. Brett Ginn had eight.

The Buffaloes racked up 522 yards of total offense, including 347 through the air. Vaughan was 23-of-42 for 347 yards with a touchdown and two interceptions. Robins finished with 163 yards on 24 carries with a score. Ratliff had six catches for 116 yards and Golden finished the game with six grabs for 101 yards and a score.

About the MIAA

The Mid-America Intercollegiate Athletics Association, a 15-member conference (beginning in 2012-13) of NCAA Division II institutions in Missouri, Kansas, Oklahoma, and Nebraska, was first organized in 1912 as the Missouri Intercollegiate Athletic Association.

Over the past 100 years, the MIAA has gained the reputation of being one of the top NCAA Division II conferences in the nation. MIAA student-athletes have won 15 NCAA team championships and, since 1964, more than 160 individual national titles. The MIAA currently conducts championships in eight sports for men and nine for women.

For the men, champions are crowned in football, cross country, basketball, indoor and outdoor track & field, baseball, tennis and golf. The women compete for titles in volleyball, cross country, soccer, basketball, indoor and outdoor track & field, softball, golf and tennis.

The MIAA turned a new page on July 1, 1992, when the NCAA Division II conference changed its name from the Missouri Intercollegiate Athletic Association to the Mid-America Intercollegiate Athletics Association.

The decision to make the change originated in 1989, when Pittsburg State University and Washburn University became the first schools outside the state of Missouri to gain membership in the MIAA.

The conference was first organized in 1912 with 14 member institutions. Of those original members, the University of Central Missouri, Truman State University, and Northwest Missouri State University still remain a part of the MIAA.

The first change in membership came in 1924, when the MIAA reorganized to include only the five regional Missouri state colleges: Central, Truman (at the time known as Northeast Missouri State), Northwest, Southeast Missouri State University and Southwest Missouri State University (now Missouri State).

Over the next 56 years, three schools joined the membership: the Missouri School of Mines (later the University of Missouri-Rolla) in 1935, Lincoln University in 1970, and the University of Missouri-St. Louis in 1980.

The 1980s brought the biggest changes in the conference. In 1981, Southwest Missouri State University opted to move to NCAA Division I and the MIAA appointed its first full-time commissioner, Ken Jones, in July.

He would be in the position for 16 years, retiring in 1997. Former Gulf South and Metro commissioner Ralph McFillen succeeded Jones, serving 10 years before his retirement in 2007. Jim Johnson succeeded McFillen in July of that year and served as commissioner until September of 2010. Dr. Bob Boerigter succeeded Johnson in September 2010.

Southwest Baptist University brought membership back to eight schools in 1986, before the major expansion of the conference in 1989. Pittsburg State, Washburn, Missouri Southern State College (now University) and Missouri Western State College (now University), formerly members of the Central States Intercollegiate Conference, began competition in the 1989-90 season.

Southeast Missouri State left the MIAA following the 1990-91 season to move on to NCAA Division I, and was replaced by Emporia State University in the 1991-92 season.

In August 1991, Judy Willson was hired as the MIAA's first full-time sports information director. She left in 1994, and was succeeded by Matt Newbery, formerly the assistant sports information director at Pittsburg State. He became the assistant to the commissioner for media relations in 2005. Kellen Coleman replaced Newbery in 2009 as the Director of Communications. He left in the summer of 2012 and was replaced by Josh Slaughter, formerly the assistant sports information director at Emporia State. A third full-time staff member was added in 2005, as former Emporia State track and field athlete Natasha Oakes was hired as the assistant to the commissioner for compliance. She became the Assistant Commissioner for Compliance and Internal Operations/SWA before being succeeded by Renee Hultgren in 2010. The current MIAA Assistant Commissioner for Compliance and Internal Operations/SWA, Amber Feldman, replaced Hultgren in 2011. Larry House joined the staff in August 2007 as coordinator of external affairs, and is now the Assistant Commissioner for Championships and Business Development.

The membership of the MIAA was at 11 schools during the 2011-12 school year with the departure of Missouri-St. Louis in 1996 and Missouri-Rolla in 2005, the forfeiture of membership by Lincoln in 1999, the addition of Fort Hays State University in 2006 and the University of Nebraska Omaha in 2008, the re-joining of Lincoln in 2010, and the departure of Nebraska Omaha in 2011.

In 2012-13 the MIAA membership increased to 15 with the addition of the University of Central Oklahoma, Lindenwood University, the University of Nebraska-Kearney, and Northeastern State University.

The membership dropped to 14 when founding member Truman State departed the league following the 2012-13 academic year.

The University of Central Missouri transforms students into lifelong learners, dedicated to service, with the knowledge, skills and confidence to succeed and lead.

Future-Focused Academics

The world moves at a faster pace than ever before. UCM's innovative programs use new technologies to keep students up to date on the latest changes in their fields of study.

Our faculty members are accomplished in their fields as well. They bring their experiences in industry and academia to their classrooms for our on-campus students in Warrensburg and Lee's Summit, as well as to their virtual classrooms through our online programs.

Hands-on Experience

Learning by doing is a cornerstone of our 150 academic programs. Through hands-on experiences, students take their knowledge from the classroom and apply it in real-life situations.

Whether it's conducting research with faculty members, developing a business plan for a local company or battling it out in a national criminal justice competition, UCM students graduate well prepared for the future with practical, applicable experience.

Culture of Service

For more than 140 years, UCM's motto, "Education for Service," has been embodied by students who volunteer countless hours assisting communities, businesses and non-profit agencies.

President Barack Obama spoke to a crowd of UCM students, faculty and staff, and Warrensburg residents on July 24, 2013 at the UCM Student Recreation & Wellness Center.

This tradition continues today when student groups clear debris after a tornado or build homes for local families through Habitat for Humanity. Service has always been a foundation of the university. By learning at a university that values that service, UCM students continue to make an impact on their communities long after they graduate.

Global Perspective

UCM values diversity in thought, culture and people. As a result, the university takes a worldly perspective on education and prepares students to thrive in a globalized economy.

UCM's International Studies major examines global issues affecting human development, peace and security. The university's study abroad programs connect students with more than 60 countries and 285 universities worldwide. UCM also has nearly 600 students from 47 different countries represented on campus. Experiencing these different ideas, cultures and people gives our students a unique perspective and prepares them for today's global society.

Dr. Charles Ambrose *University President*

Charles M. Ambrose, Ed.D., became the 15th president of the University of Central Missouri on Aug. 1, 2010. A career educator who is a fervent advocate of servant leadership and engaged learning, he is committed to promoting academic quality, excellence in teaching and the collegiate experience.

During his first year at UCM, President Ambrose helped guide the institution through the building of a new Strategic Governance Model in partnership with the Association for Governing Boards. He also provided leadership through an extensive administrative and academic review process designed to provide a stronger, more viable educational experience for students, while also cutting operational costs.

Ambrose sought to build student enrollment, an effort that continues to pay off with the largest enrollment in the university's 140-year history. He has also begun a major initiative to encourage and provide assistance for students to graduate college within four years with less debt.

The president continues to build strong relationships with the men and women who serve this country. This includes the establishment of the Whiteman Advantage Program, which brings together personnel from Whiteman Air Force Base and the university to work cooperatively in creating new educational opportunities for military members. The university also developed the Military Tuition Package, which provides savings on an education for military men and women currently serving their country, as well as their spouses and dependents, and veterans.

Under his direction, the university developed a new strategic positioning initiative to provide a more articulated understanding of what makes UCM unique and helped guide the institution in establishing its future priorities. In fall 2012, Ambrose launched the new Missouri Innovation Campus, in collaboration with the Lee's Summit R-7 School District and private industry, which will allow students to begin college during their junior year of high school and complete a degree in four years with little or no debt.

President Ambrose attended Furman University, where he was a four-year letterman and captain of the soccer team. After graduating from Furman with a bachelor's degree in sociology, he earned two advanced degrees in higher education administration, a master's from the University of Louisville and a Doctor of Education degree from the University of Georgia.

Ambrose and his wife, Kris, are active in the community and have participated in charitable bike rides to raise funds and awareness for poverty, hunger and disease.

The Ambroses have two children; Charlie, a college senior, and Kathryn, a college freshman.

Jerry Hughes Athletics Director

Under the leadership of Jerry Hughes, UCM's athletics program has enjoyed unprecedented success, highlighted by the dual NCAA basketball championships in 1984 by the Mules and Jennies, the 1994 and 2003 NCAA baseball championships, and the 2003 women's Intercollegiate Bowling Association national title. In 2005, Hughes was inducted into the Missouri Sports Hall of Fame.

Entering the 2013 fall semester, the Mules and Jennies have won 139 Mid-America Intercollegiate Athletics Association championships, five national championships, had 44 other top four NCAA finishes, and made more than 250 NCAA post-season appearances during Hughes' tenure. The Central Missouri athletic program also won the Mid-America Intercollegiate Athletics Association All-Sports Trophy each year from 1998-99 (the year of the award's inception) until the award was discontinued in 2002-03. UCM finished second in the NACDA Director's Cup in 2010-11, the best finish in school and MIAA history after finishing third the previous two years.

Hughes was named Central Region Athletics Director of the Year for the 1998-99, 2001-02 and 2010-11 seasons as selected by the National Association of Collegiate Directors of Athletics (NACDA). He is the first three-time winner - at any NCAA level--in the history of the Athletics Director of the Year program.

Hughes has been Central Missouri's athletics director since Jan. 25, 1983. Prior to that, Hughes had served as associate athletics director since July of 1981. In 1991-92, he served as the Mules' interim head basketball coach and guided the team to a 15-13 record.

Hughes has been a Division II member of the NCAA Executive Committee and chairman of the Division II Championships Committee. He also served a term as NCAA Vice President for Division II and has been a member of the NCAA Council, making him the only person to twice hold the highest-ranking office available to athletics administrators in NCAA Division II. Other NCAA committees on which he has served are the Membership Structure Committee, Administrative Committee, and Post-Season Football Subcommittee. He has chaired the NCAA Division II Management Council and Membership Growth Project Team and been a member of the NCAA Budget and Finance Committee and NCAA Administrative Review Panel, as well as the NACDA Sears Directors Cup Committee.

He has spearheaded fund-raising efforts for major renovations of the Central Missouri football and baseball stadiums, as well as the development of UCM's South Recreation Complex and Keth Memorial Golf Course Clubhouse. He is the founder of the Las Vegas High Desert Classic, a highly regarded NCAA Division II basketball tournament, which was held each December for 17 years in Las Vegas, Nev.

In addition to his service at Central Missouri, Hughes has served as Regional Director of the Show-Me State Games, and on the Governor's Council on Physical Fitness and Health.

Central Missouri Athletic Director Jerry Hughes, left, here receiving his plaque from Jerald Andrews, chairman of the Missouri Sports Hall of Fame Board, was inducted into the Missouri Sports Hall of Fame in the spring of 2005.

University of Central Missouri Director of Athletics Jerry Hughes and his wife, Vici.

Hughes has been at Central Missouri since October 1979, when he took a position as business placement director. The following year he became director of student recruitment. In 1981, Hughes was chosen for the new position of associate athletics director.

A native of Versailles, Mo., Hughes received his bachelor's degree in physical education in 1971 from Central Missouri, with a minor in safety education. He was a three-year letterman on the Mules' golf team, receiving All-MIAA honors in 1971. He also obtained a master's degree in secondary school administration, which he received in 1979 from Central Missouri. Following his graduation in 1971, Hughes spent a year of active duty in the Army National Guard.

In 1972, he returned to his hometown and took a position as physical education instructor, head golf coach and assistant basketball coach at Morgan County R-2 High School. From 1977-79, he served as the school's athletics director and assistant principal.

He and his wife, Vici, have four children – Greg, Chad, Parker, and Ashley. They have seven grandchildren – Tanner, Rylie, and Dalton from Greg and his wife Catrina; Fallon, Kaiser, and Logan from Chad and his wife Jennafer; and Sofija from Ashley and her husband Matt Ruzich. Vici works for UCM as Director of the Midwest Center for Urban Education and Charter Schools.

Kathy Anderson

Senior Associate Athletics Director for Internal Operations

Phone: 660-543-4310

Email: klanderson@ucmo.edu

It could be said Kathy Anderson's athletic life has come full circle. She was an All-America student-athlete at the University of Central Missouri, she's had her number 32 retired in Jennies basketball, and is a member of the UCM Athletic Hall of Fame.

Now Anderson helps UCM student-athletes achieve their own goals, as she begins her ninth year at her alma mater. She was elevated to Senior Associate Athletic Director for Internal Operations and Senior Woman Administrator in 2011 after serving the previous six years as Associate Athletic Director for Internal Operations and Senior Woman Administrator.

Anderson had served previously as Assistant Athletic Director for Compliance and Student Services at Northwest Missouri State University.

Prior to assuming her role at Northwest, Anderson served a brief stint as admission and eligibility coordinator at the University of Washington. She added those duties in the summer of 2002 to her responsibilities as operations coordinator for men's basketball for the Huskies. In addition, Anderson was assistant basketball coach in 2000 for the Seattle Storm and in 1998 for the Phoenix Mercury of the WNBA.

Her coaching career began in 1980, when she was hired as assistant women's basketball coach at California State-Fullerton. She served there from 1980-85 before moving on to the University of Washington as assistant basketball coach from 1985-96, and as assistant director of basketball operations from 1996-98.

Anderson received a bachelor's degree from UCM in 1980, graduating cum laude in physical education and mathematics.

While wearing the Cardinal & Black, she lettered four years in basketball, three years in softball, and once in track & field. In 1979-80 she was named second-team Academic All-American, and in 1980 she was honored as UCM Outstanding Senior Female Student-Athlete and Outstanding Senior in Physical Education. With the Jennies belonging to the Association of Intercollegiate Athletics for Women (AIAW) and playing today what would be considered a Division I schedule, she helped lead the Jennies to an 82-31 record. She also was named to the Jennies Basketball All-Decade Team for 1970-80 and the Jennies Basketball Silver Anniversary Team for 1970-95.

Perhaps her most outstanding accomplishment was being a member of the USA Women's National Basketball program for the three years leading to the 1980 Olympics which the USA boycotted. In 1977, Anderson served as captain of the USA Women's Junior Basketball team to Taiwan. In 1978 and 1979, she was a member of the USA Women's Senior Basketball teams that traveled to China, Hong Kong, South Korea, Japan and Russia. In 1979, Anderson also was selected as an alternate to Team USA for the Pan-American Games.

During the summer of 2010, Anderson was inducted into the inaugural MIAA Hall of Fame class for her outstanding accomplishments at UCM. Along with her brother, UCM head men's basketball coach Kim Anderson, she was honored by the Missouri Sports Hall of Fame as one of the 2011 "Filbert Five" honorees.

Anderson has also served as past chair for the Division II softball committee and Chair of the Institutional Representatives for the MIAA. She is currently Chair of the NCAA Division II women's basketball committee.

Anderson earned a master's degree in sports administration from Seattle Pacific University in 2000.

Shawn Jones

Senior Associate Athletics Director for External Operations

Phone: 660-543-8091

Email: sjones@ucmo.edu

Shawn Jones is UCM's Senior Associate Athletic Director for External Operations and his efforts have made the department a recognized leader in NCAA Division II across his many areas of responsibility. Jones has implemented many new initiatives during his tenure

and his responsibilities include the oversight of external and revenue generating functions of the department to include the Mule Train athletic annual fund, corporate sponsor program, athletic marketing and promotions, media and public relations, special events, video board operations and broadcasting. He also took over direction of the university-wide licensing program for UCM in 2011. In addition, he serves on the department's senior leadership team.

He was originally hired by his alma mater in 2000 as Manager of Athletic Marketing/

Broadcasting. From 2003 to 2005, he served as the Assistant A.D. for Marketing and Broadcasting. Jones spent six years as Associate Athletic Director for External Operations and was elevated to his current position in 2011.

As the Voice of UCM Athletics, he serves as the lead play-by-play announcer for Central Missouri Athletics on radio, and as the host and coordinating producer of UCM's weekly one-hour television show, Central Missouri Sportspage. He also emcees and coordinates special events in addition

to other administrative duties. During his time at UCM, Jones has served on the committees that have brought seven current head coaches and several full-time staff members to campus.

A member of the National Association of Collegiate Marketing Directors, Jones launched and now oversees UCM's highly successful corporate sponsor program. He has played a major role in the success of UCM's biggest fund raising event, the Celebrating Central Missouri Athletic Auction. That event has raised over \$1.4 million in net profits for UCM Athletics in its 12-year history. UCM's efforts in promotions have been recognized by the NCAA News, NACMA and the NCAA Division II Community Engagement Initiative. In 2012, UCM was honored as both the NCAA Division II and MIAA Game Environment Award winner for promotional and community engagement efforts surrounding the football home opener. Jones also holds membership in the International Collegiate Licensing Association, nearly doubling licensing royalty revenues for UCM since taking over the program in 2011.

2012 was a big year for his External Relations team. The department launched its first dot com website, UCMAthletics.com, creating a modern web presence and a new revenue generation vehicle. Additionally, new video scoreboards were added to Walton Stadium/Kennedy Field and the Multipurpose Building, providing a high-level fan and student-athlete experience in the venues. The addition of the new boards also allowed Jones and his team the vehicle to secure the largest corporate sponsorships in department history. His team also worked with faculty and students from the Department of Communication & Sociology to launch and coordinate video webcasts of many UCM sporting events through the UCM Media Network. This group, along with staff from KMOS-TV, were awarded the 2012-2013 AVCA Grant Burger Media Award in the Broadcast Category for excellence in advancement of coverage of volleyball.

Jones served a four year term on the NCAA Division II Football Committee, as the co-chair of Super Regional Four. He was twice elected to serve as National Chair, serving in that role from Sept. 1, 2009 to Sept. 1, 2011, the longest allowable tenure under NCAA regulations. Jones was one of the youngest chairs in NCAA Division II football history. In January of 2009, Jones served as a featured panelist at the NCAA Convention in Washington, D.C., speaking on the topic of Building Relationships and Telling Stories: Engaging the Local Media. In January of 2010, in Atlanta, Georgia, Jones once again served as a panelist at the NCAA Convention, speaking on the topic of Fans: How to Find and Keep Them.

Prior to his time at UCM, Jones worked for ESPN Regional in the University of Kansas Athletics Department. He served on the broadcast team for Jayhawk Baseball with the legendary Tom Hedrick and as the host of the Marian Washington Show on KLWN radio in Lawrence. As an Account Executive for ESPN Regional, he sold sponsorships for KU Athletics on the Jayhawk Radio and Television Networks. Jones also provided radio play-by-play for UMKC women's basketball during the 1999 season.

In 1998, Jones was Business Development Manager for the Golf Course Superintendents Association of America, where he created new revenue streams for the 20,000 member organization.

While a student, the Moberly, Mo., native worked at KOKO Radio in Warrensburg as assistant sports director covering Warrensburg High School and UCM sports. He also worked as a student assistant in the sports information office.

Jones holds bachelor's and master's degrees from UCM, earning his bachelor's degree in Organizational Communication from UCM in 1997. He also earned his master's degree in Physical Education/Exercise and Sport Science with specialization in Athletic and Sport Business Administration from UCM.

He and his wife, Melissa, live in Warrensburg. Melissa, who holds an MBA from Central Missouri, is the Technology Development Manager in Information Services at UCM. They are the proud parents of an eight-year old daughter, Lauren, and a four-year old son, Hayden. His mother, Carla, rounds out the families strong connection to UCM, working on campus as an Academic Advisor.

Shawn, Hayden, Melissa and Lauren Jones

Mike Knipper

Assistant Athletic Director for Media Relations

Phone: 660-543-4312

Email: knipper@ucmo.edu

Mike Knipper is in his third year as a full-time staffer at Central Missouri and his second as Assistant Athletic Director for Media Relations. He is in his fifth year overall with the department after serving as a graduate assistant in the UCM media relations department from 2007-09.

Knipper is a member of the College Sports Information Directors of America (CoSIDA). He is responsible for all publications (media guides, game day programs, camp/fundraising brochures, etc.), press releases, and the UCM athletics website, UCMathletics.com, as well as the statistics and staffing of home athletic events. Interview and media requests also go through Knipper.

In the summer of 2012, Knipper spearheaded the redesign of the UCM Athletics website and the move to website host, SIDEARM Sports.

The UCM Athletic Media Relations office was honored in the spring of 2013 with the AVCA Grant Burger Division II Central Region SID of the Year Award for their work with the UCM volleyball program.

Prior to rejoining UCM, he was the Assistant Sports Information Director at Washburn University in Topeka, Kan., where he served as the media contact for the volleyball, women's basketball and baseball programs. In his two plus years at Washburn, Knipper received six CoSIDA publication awards for his media guides, including three "Best in the Nation" awards.

He graduated with his bachelor's degree in communication from Luther College in Decorah, Iowa. As a collegiate wrestler, he was a part of four teams that placed in the top 20 at the NCAA-III National Championships, including fourth and fifth place finishes during his sophomore and senior seasons, respectively.

The Iowa City, Iowa native earned his master's degree in Athletic Administration from UCM in the spring of 2009.

Bob Jackson

Marketing & Promotions Director

Phone: 660-543-8194

Email: jackson@ucmo.edu

Bob Jackson has been employed at the University of Central Missouri since 1999, but has been involved with the University's athletic department since September of 1981.

Jackson currently serves as the Mules and Jennies Marketing and Promotions Director. He is also part of the broadcast team on the Central Missouri Sports Radio

Network.

In addition, Jackson coordinates the advertising sales for UCM's football and basketball game programs.

He came to Warrensburg in 1981 to serve as sports director at KOKO Radio. There he was the play-by-play voice of Mules football, basketball, and baseball and for Jennies basketball, a position he filled until joining the staff at UCM in 1999.

Prior to assuming his role at KOKO, Jackson was sports director at KWOS Radio in Jefferson City from 1976-81, where he provided play-by-play for Lincoln University football and basketball.

Jackson's wife, Sherri, is employed with the Warrensburg School District. They have two daughters, Cassie and Jamie. Cassie graduated from Central Missouri in 2012 with a degree in corporate communications with a minor in public relations, while Jamie is a sophomore at UCM.

Ron DuBuque

Head Athletic Trainer

Phone: 660-580-0035

Email: dubuque@ucmo.edu

Ron DuBuque became Central Missouri's Head Athletic Trainer in August of 2010. He has more than 30 years experience at the college and professional ranks, and has spent most of that time in the state of Missouri.

DuBuque came to UCM after serving the previous three years as the Director of Sports Medicine at the University of Missouri-St. Louis, while also teaching at St. Louis University and doing rehabilitation consulting

with the St. Louis Rams of the NFL since the summer of 2009.

Prior to that, DuBuque spent a season as an athletic trainer for the world famous Harlem Globetrotters.

From 1995-2006, he was an athletic trainer with the St. Louis Rams, and was present for both of their Super Bowl appearances in 2000 and 2002. DuBuque was also the Head Athletic Trainer for the St. Louis Blues of the NHL in the fall of 1994.

He also spent 11 years from 1984-1994 at the University of Missouri as the trainer and travel coordinator for the men's basketball program, working with legendary head coach Norm Stewart. During his time there, he also worked with UCM Head Men's Basketball Coach Kim Anderson. He was a part of three Big Eight regular season titles, and four Big Eight tournament crowns, as well as several NCAA Tournament berths.

During his time at Mizzou, he also served as a sports medicine consultant for the Columbia Orthopedic Group and as a member of the Community Advisory Committee at Columbia Regional Hospital. He is listed as one of the co-authors of the 1985 book, 'Missouri Power Basketball'. Since 1985, he has been a National Athletic Trainer's Association Certification Test Examiner as well.

DuBuque was at the University of Colorado in 1983 and 1984 as a graduate assistant, and spent a season in 1982 with the Montreal Expos Single-A affiliate in Jamestown, New York. He also interned with the Rams in 1980 and 1981 during training camp.

The Webster Groves, Missouri native attended the University of Missouri from 1978-82 and received his bachelor's degree in education with an emphasis in physical education. He earned his master's in education with an emphasis in human performance from Mizzou in 1987.

Crystal Meeks

Assistant Athletic Trainer

Phone: 660-441-0914

Email: cmeeks@ucmo.edu

Crystal Meeks came to the University of Central Missouri in January of 2008 from St. Joseph's College in Rensselaer, Indiana. She also worked for Jasper County Hospital and Rensselaer Central High School while there.

Prior to her time there, Meeks was at the University of Arkansas where she earned her masters degree in kinesiology. She worked with the football, men's basketball, track and field, and gymnastics programs while also helping at Bentonville High School. She has also been involved in several post-season events, including the SEC Men's Basketball Tournament and the SEC and NCAA Track and Field Championships.

Meeks earned her bachelor's degree in exercise science from Ball State (Ind.) University in July of 2004. She also ran cross country and competed for the Cardinals track and field squad from 2000-04.

After college, she also served as an EKG technician at Washington Regional hospital in Indiana.

The Demotte, Ind. native is a BOC Certified Athletic Trainer.

Take a Mule Refresher and Learn What's So Special about Missouri's State Animal

Often called mankind's most successful hybrid, mules are the offspring of crossing a male donkey or jack with a female horse or mare. Since they can't reproduce, mules have been bred one generation at a time for more than 3,000 years.

A strong, resourceful beast of burden, the mule can outwork, outpull, outlive and outsmart a horse of similar size and type.

In 1995, the mule became Missouri's official state animal, but the long-eared creatures have been known as "Missouri Mules" long before then.

The term, "Missouri Mules," was used casually until it became famous at the historic 1904 St. Louis World's Fair. At that exposition a six-mule hitch belonging to W. A. Elgin of Platte County swept all competition, and a mule from a Morgan County farm received the \$10,000 Mayor's Award.

Newspaper accounts of this show-ring prowess brought worldwide attention to the state's mule breeders and helped assure that the largest and finest animals would be known as "Missouri Mules."

Central Missouri's Mancow is the only live mascot in the Mid-America Intercollegiate Athletics Association.

Many people assume that the relationship of mules and jennies is the same as that of siblings, but jennies are female donkeys. So, the relationship of mules and jennies is really the same as nephew/niece and aunt. Jenny is a common name but technically a female donkey is a jennet.

Popular with farmers and settlers because of its hardy nature, Missouri Mules pulled pioneer wagons to the Wild West and played a crucial role in moving troops, artillery and supplies in several wars. In fact, many of the mules used in World War I were shipped by train from Warrensburg.

The mule's affiliation with Central Missouri dates back to the early 1920s. When the 1921-22 school year began, school officials decided "Normals" and "Teachers" were no longer appropriate nicknames for UCM's athletic teams. Therefore, the school's Athletic Committee established a contest that promised the winner a three-year postgraduate subscription of the school newspaper. More than 80 suggestions were received, but the winning entry was submitted by John Thomason of Chilhowee, class of 1924, who felt at least one Missouri team should be known as "Mules."

Central Missouri's fifth mascot - Mancow - is the university's first real Missouri mule. The line-back brown mule comes from Paradise Mules in Belle, Mo. It took several months for farm manager Dave Ewing to find the perfect mule. He was determined to acquire the right mule trained to remain calm around big crowds and loud noises - that game cannon gets loud!

Mancow the Mule is the second UCM mule to be tall (14.1 hands), a result of her thoroughbred heritage. The university's first three mules were Shetland Pony breeds. She's the second mule to be presented to the university as a gift.

Erich "Mancow" Muller, '88, made a gift to purchase the new mascot. Abbedale, her immediate predecessor, was donated to the university by 1938 alumnus and well-known mule producer, Sam Smiser from Newhall, Calif. The 10-year-old mare mule represented the university at home football games and other events. UCM agriculture students care for her at Prussing Farm, a few miles east of Warrensburg on Division Road.

Following her first appearance at the 2004 Missouri State Fair, Mancow saw her first game action, as Central Missouri hosted MIAA-rival Northwest Missouri State on Sept. 11.

Top 10 Reasons to Admire a Mule

10. Affectionate and loving as a dog
9. Can carry heavy loads, up to 300 pounds
8. Rarely miss when they aim to kick something
7. Jump amazing heights from a stand-still start (go watch a mule jump at a county fair - it's amazing!)
6. Have a laid-back style and won't be rushed
5. Valued so highly, once bought sight unseen
4. Inspire attitudes - cum mula peperit (when a mule foals), similar to once in a blue moon
3. Knows when to quit (hence its reputation for stubbornness)
2. Intelligent and not afraid of working
1. Because it became our mascot in 1922, over the skunk, bobcat and hippopotamus!

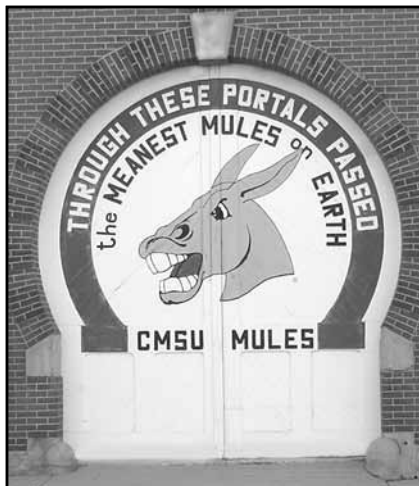

Warrensburg, Missouri is a friendly community of 18,000 people near the intersection of U.S. Highway 50 and Missouri Route 13. It is located just 40 miles southeast of suburban Kansas City, with its many cultural offerings, entertainment options and professional sports franchises.

The county seat of Johnson County, Warrensburg is just four hours from St. Louis and three hours from Branson, Mo., with easy access by highway, Amtrak, or Greyhound bus. Other recreational opportunities include the beautiful Lake of the Ozarks 90 minutes to the southeast.

Warrensburg is a city that emerged from a frontier gathering place more than 150 years ago. In 1833, a blacksmith from Kentucky named Martin Warren chose a well-travelled spot along an Osage Indian Trail to build a cabin and set up his blacksmith shop. His shop served as an informal gathering place for local farmers. Three years after moving to Missouri, Mr. Warren's shop was named the county seat of the newly created County of Johnson. The township was named Warren's Burg in honor of the local blacksmith, and in 1855, the township was incorporated and became the City of Warrensburg. It is that same strong midwestern work ethic displayed by its founder, and the same friendly atmosphere shown by his neighbors that may be seen in Warrensburg today.

In the late 1800s and early 1900s Warrensburg was considered the Missouri Mule Capital because of the Horse and Mule Barn operated by the Jones Brothers on Railroad Street. Mules from the area won prizes at the State Fair (located just 30 minutes east in Sedalia, Mo.) and at even larger expositions like the one in St. Louis in 1904. The mule barn carried the motto, "Through these portals pass the meanest mules on earth."

Warrensburg is home to many historic sites, including "Blind" Boone Park, the historic Johnson County Courthouse, the Missouri Pacific Train Depot, and many historical churches.

It is also the site of the Old Drum Memorial Statue, in honor of Old Drum, the hound shot and killed by his owner's neighbor in 1869. Old Drum was eulogized by

George Graham Vest on September 23, 1870:

"The one absolutely unselfish friend that man can have in this selfish world, the one that never deserts him and the one that never proves ungrateful or treacherous is his dog."

Today the city's Park Department has eight park areas with a total of 326 acres, and a Community Center which offers a wide variety of recreational activities.

Two public golf courses are available in town -- one at the Hidden Pines Country Club, and another at Pertle Springs, operated by the University of Central Missouri.

Other attractions in the area include Powell Gardens, a 1,250+ botanical garden just 12 miles west of Warrensburg on Missouri Highway 50 that contains hiking trails, picnic

areas, and seasonal displays; Whiteman Air Force Base in Knob Noster, Mo., home of the B-2 Bomber; Knob Noster State Park; and the Missouri State Fair, held each August in Sedalia, Mo.

Of course, visitors to Warrensburg can also take in the exciting athletic events and various cultural experiences provided at the University of Central Missouri.

Audrey J. Walton Stadium Vernon Kennedy Field

Central Missouri's football facility received a new name and look in 1995, becoming Audrey J. Walton Stadium/Vernon Kennedy Field. Mrs. Audrey J. Walton, from Versailles, provided the lead gift of \$1 million to help fund the stadium project. A new grandstand had become necessary after engineers had determined that the original structure was becoming unsafe due to aging.

Construction began in November of 1994 and, while construction was not totally complete, the facility was able to be used for the Mules' 1995 season opener on September 7. Formal dedication ceremonies, with Mrs. Walton and her family present, were held on October 7, 1995. Seating in the grandstand accommodates approximately 5,800 spectators. The three-level tower in the center of the grandstand contains luxury suites available for use by donors on the lower and middle levels and the actual working press box area on the top level. Also included in the project was a new lighting and sound system for the stadium.

In the fall of 2004, the Eph and Mary Jane Markey Lobby was completed and dedicated, thanks to the generosity of Janne Walker, daughter of Eph and Mary Jane Markey. The lobby now serves as the Mules Football museum and as a meeting and reception area for football alumni and Mule Train boosters.

Further renovations took place in the summer of 2005, as Kennedy Field received a face lift. The natural grass surface was replaced with SprintTurf, a ground-tire based synthetic surface that looks and plays like real grass. In addition, the existing six-lane track was resurfaced and expanded to eight lanes.

Also finished prior to the 2006 season was a renovation of the press box thanks to a generous donation by D&H Media. It is now fully carpeted and counters were installed in the booths and the main press area.

The current site was first constructed in 1928 with just the original main grandstand. The Mules' head coach at that time, Tad Reid, was an engineering graduate from Kansas University, and he engineered construction of the original stadium. The facility was formally dedicated as West Campus Field on Oct. 19, 1928, with the Mules losing to Northeast Missouri 13-7. However, the first game played at the new site actually was played on Sept. 28, 1928, with the Mules beating Central College of Fayette 7-3.

The following year, on Oct 11, 1929, the first night college football game in Missouri was played there with the use of large flood lights. The Mules lost to Missouri Valley 27-0.

On Sept. 25, 1954, West Campus Field was formally renamed and dedicated as Vernon Kennedy Field, in honor of the man considered to be Central Missouri's finest athlete. The Mules beat State College of Arkansas 33-0 in the dedication game. Kennedy was a three-time All-MIAA football player (1926-27-28) for the Mules. However, his greatest athletic accomplishments came in track and field and baseball. In 1927, he won the decathlon at the prestigious Penn Relays. After college he spent 12 seasons in major league baseball, pitching a no-hitter for the Chicago White Sox in 1935, winning 21

games in 1936 and making the American League All-Star teams in 1936 and 1938. An inaugural inductee into Central Missouri's Athletic Hall of Fame in 1992, Kennedy died in a farming accident in January, 1993, at his home in Mendon. He was 85.

The Mules' football record at this site is 217-178-13 in 82 seasons. In addition to being the home of Mules' football, the stadium also serves as the outdoor track and field facility for the Mules and Jennies.

The Mules have ranked in the top 15 in NCAA Division II in attendance each of the past four seasons and set a new MIAA on-campus attendance record twice. First, in 2010 when 13,096 turned out to see the Mules battle Northwest Missouri and again in 2011 when 14,377 fans showed up to watch the same two teams square off.

In 2012, the stadium underwent another upgrade with the addition of a new SignCo scoreboard and videoboard system.

The Gear

Central Missouri boasts one of the very few all-sport apparel deals in NCAA Division II, as all UCM teams are equipped with the most current gear from Nike. The Mules football team gets everything from uniforms to pads, to workout gear and shoes (pictured on the right).

The Fighting Mules Locker Room Facility

Central Missouri's current football locker room received a much needed renovation in the spring of 2008 with a redesigned layout that created more locker space, along with new flooring and fresh paint (pictured in the bottom right two photos). The new lockeroom (pictured on next page) will be built under the stadium and will be completed in time for the 2014 season.

The D&H Media Press Box

Central Missouri's press box is one of the best in NCAA Division II (pictured below). It is furnished with two radio suites, two coach's boxes, a game operations booth, and the athletic director's suite, along with a two-level main press area. It was completely finished in 2006 thanks to a generous donation by D&H Media.

The Walton Stadium Luxury Suites

Central Missouri also has 12 luxury suites available to donors during football season. Eight of them can comfortably seat 12 while the other four have spots for 22 (pictured at extreme bottom left). Each is furnished with a television, sink, microwave, and refrigerator. The radio broadcast can also be heard in each suite thanks to a built-in speaker system.

Mules for Life:

The Walton Stadium Improvement Project

You're invited to be part of Mules for Life, a \$6-million fundraising drive being conducted by the UCM Foundation to complete Walton Stadium and provide updated major facilities for Mules Football.

Construction has already begun to finish the stadium's lower level, turning the 15,000 square feet into a new locker room, team meeting room, sports medicine center, and strength and conditioning area. There also will be an office for the strength coach, a physician's exam room, equipment and laundry rooms, restrooms and storage.

"We've always taken pride in the quality of our athletic facilities here at UCM. For us to compete in the tough MIAA and Division II, it's exciting to be part of updating facilities that are more than 50 years old," said Mules Coach Jim Svoboda.

All fans are encouraged to get behind the Mules Football Locker Room Plaque Project. In the new locker room, the lockers will have plaques highlighting jersey numbers. For a gift of \$5,000, which can be paid over five years, you can have your name on a plaque or you can honor a former player, coach or fan. There also are naming opportunities for the various rooms and areas.

To make a gift toward the project, go to ucmo.edu/mulesforlife or contact Ryan Bowie at the UCM Foundation at 660-543-8000. Learn more about this exciting project at UCMathletics.com.

Central Missouri Athletic Training

The Dr. Ron “Doc” VanDam Athletic Training Facility was dedicated on January 22, 2011. In his 30-year tenure at Central, Doc treated and advised thousands of athletes, was an integral part of 78 MIAA Conference Championships, 41 MIAA Conference Tournament Championships, 26 NCAA Regional Championships and 3 NCAA National Championships as well as leading, teaching and mentoring the athletic training students at Central Missouri. Doc was foundational in setting the standard for success within the Athletics Department and the Physical Education Department at Central Missouri. His leadership was respected and appreciated while he served as the President of the Missouri Athletic Trainers’ Association, and as a member of the Missouri State High School Activities Association Sports Medicine Advisory Committee.

The Dr. Ron “Doc” VanDam main Athletic Training Facility as well as the Athletic Training Education Program occupies combined 6,000-square foot of the newly renovated, state-of-the-art Morrow-Garrison Student Recreation complex. The facility features state-of-the-art therapeutic modalities including the latest Electrical Stimulation/Ultrasound units, rehabilitation equipment including advanced Biodex isokinetic and balance/proprioception units, a hydro therapy area, advanced cardiovascular conditioning equipment, an on-site team physician office, and a corresponding athletic training student lab and classroom.

193 MIAA Titles, 7 National Titles

The University of Central Missouri has a long and rich history of excellence in athletics, both on the field of play and in the classroom.

Outstanding teams, combined with some of the finest facilities in Division II athletics give UCM's students, faculty and staff one more aspect of college life to enjoy with pride.

Always a contender for conference titles, Central Missouri belongs to the 14-member Mid-America Intercollegiate Athletics Association, which is recognized nationwide as one of the strongest conferences in all of NCAA Division II.

Since 1983, the tenure of Athletic Director Jerry Hughes, UCM has won or shared 139 MIAA championships, more than any other league school. All-time, the Mules have taken home 136 titles, while the Jennies are at 57.

Central Missouri has won five national championships since 1980 (men's and women's basketball in 1984--the first school in NCAA history to win both titles in the same season--baseball in 1994 and 2003, and women's bowling in 2003), and seven overall.

The Jennies volleyball team has been to the

NCAA Tournament every season for the past 30 years, and the Mules have won 17 MIAA Indoor Track & Field titles in the last 19 years, and 10 of the last 13 MIAA Outdoor Track & Field crowns. The Mules baseball squad has made 20 consecutive NCAA Tournament appearances, including 13 Division II World Series berths in that span.

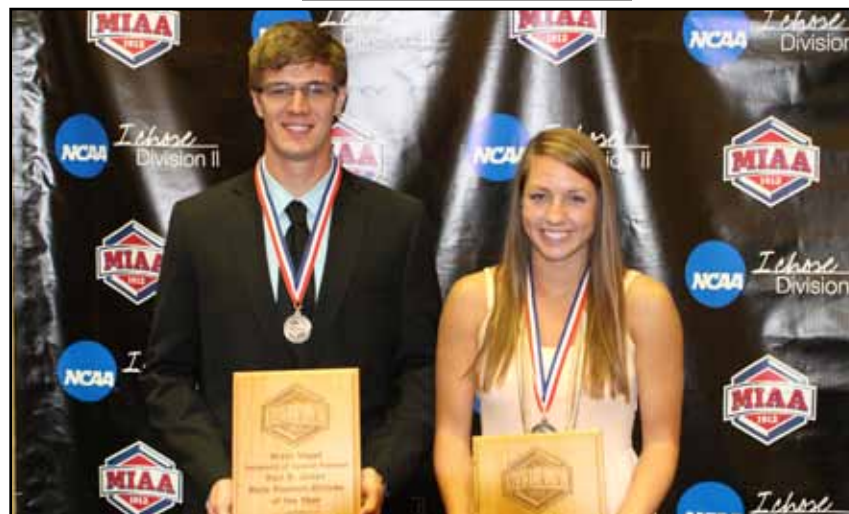

Three UCM teams captured MIAA Championships in 2012-13 and three teams finished in the top 10 in the nation via ranking or place. Jennies Bowling finished in fifth, while Mules Indoor Track was seventh and Jennies Volleyball came in eighth.

Individually, UCM had 21 different All-American seasons and performances. They also took home two individual national championships in track and field. Erin Alewine captured the pentathlon (indoor) title, while Brent Vogel won the heptathlon crown (indoor).

UCM student-athletes once again excelled in the classroom as they were awarded 375 academic awards from the MIAA, including 33 Academic Excellence Awards for student-athletes having 4.0 GPAs and 37 Scholar-Athlete Awards with student-athletes having at least a 3.5 GPA and earning All-MIAA honors in their respective sports. In addition, 10 UCM student-athletes were named to the Academic All-Region Teams in their respective sports with four earning Academic All-America honors.
