Central Missouri Basketball Locker Room

UCM Multipurpose Building -- Home of the Mules

*** 2013-14 -- No. 6 in NCAA Division II Home Attendance ***

This is the 39th season the Mules have played their home games in the Multipurpose Building. The structure was built for \$5.5 million and was paid for entirely by student fees. No state appropriations were used.

The first basketball game in the building was played November 27, 1976. The Mules opened their 1976-77 season with a 92-75 win over Midland Lutheran College of Nebraska. The official dedication game came later that season against Southwest Missouri State, with the Mules winning 90-62.

Seating capacity in the Multipurpose Building is 8,500 for basketball, making it the largest basketball facility in the MIAA. The two largest Mules' basketball crowds actually have occurred on the same date in subsequent years. On February 16, 1980, a crowd of 7,300 watched the Mules avenge their only regular season loss with a victory over Southwest Missouri. Exactly one year later, on February 16, 1981, 7,000 fans were present to watch the Mules win a crucial MIAA game against Lincoln.

In their previous 38 seasons at the Multipurpose Building, the Mules have compiled an outstanding 465-88 (.841) record. Seven times the men's NCAA Division II South Central Regional Tournament has been held in the Multi (1980, 1982, 1984, 1985, 1991, 2007 and 2009). The Multipurpose Building also has been the scene of many outstanding moments in Mules' basketball history. Central Missouri and MIAA career scoring leader Bill Fennelly had his Mules' single-game record of 54 points in 1980 against Jacksonville State in an NCAA regional tournament game. Starting with the final 17 home games of the 1982-83 season, the Mules compiled a string of 46 consecutive wins in the Multipurpose Building before Southeast Missouri snapped the streak with a 46-40 victory on February 16, 1985.

In addition to being the home of Mules and Jennies basketball, indoor track and field, Jennies volleyball and Mules' wrestling, the building is available for use by the university faculty, staff and students, as well as the general public.

Designed primarily for recreational purposes, the building contains, in addition to the main basketball floor, a six-lane track; a swimming pool; five indoor and two outdoor courts for handball or racquetball; a free-weight and universal weight area; locker rooms and meeting rooms. The main arena can be set up to accommodate four basketball or four volleyball courts at one time. The offices for Central Missouri's Intercollegiate Athletics staff also are located in the building.

Numerous special events are held in the building each year. The Missouri State High School Activities Association held the state volleyball tournament in the Multi 17 straight years until 2008. Games in the state high school basketball tournament also are played here each year. The MIAA Indoor Track and Field Championships were an annual event from 1977 through 2001 and now will be rotated every other year between Warrensburg and Joplin. The building also is

used for major concerts and for UCM commencement ceremonies.

Prior to the 2012-13 school year, the Multi was fitted with a brand new four-sided, center-hung scoreboard and video board system from SignCo of Lincoln, Neb. The new scoreboards with stat panels were added to the east and west walls. The arena was also outfitted with a new 30-foot LED scorer's table.

Before the 2008-09 season, the Multi got a huge facelift with new seating. The near \$1 million project added seatback chairs to the north end of the arena and new bleachers on the south side. In 2002-03, the Mules made several improvements to their locker and film rooms. A new, expanded locker room was built onto the existing men's locker facility, complete with carpeting, refurbished lockers and a television/VCR unit. The original locker room also underwent a substantial renovation, and is now the team video complex, player lounge, and study facility. The permanent wood floor was installed in the arena in 1998.

The Mules have also enjoyed outstanding fan support in the Multi, as attendance grew from 922 per game in 2001-02 to a national-best 3,640 fans per outing in 2006-07.

Mules Basketball Experience

The Mules Basketball experience isn't just hoops and books, players are also involved in the community. They are actively involved in the Mules and Jennies Literacy Team that visits local elementary schools to read books to local students. In the past, Mules basketball players have also participated in the Tour de Mule, a bike race down the historic Katy Trail and enjoyed dinner with the UCM President and First Family.

Being a Mule has plenty of perks as well. Thanks to a contract between UCM and Nike, the Mules wear top of the line equipment as pictured below.

In addition to playing in some of the largest crowds in NCAA-II at the UCM Multipurpose Building, the Mules basketball program also travels to exciting destinations to play in challenging tournaments. The Mules have competed in tournaments in Las Vegas, Nevada on several occasions and San Antonio, Texas. This year, UCM will once again play in the state-of-the-art Sanford Pentagon in Sioux Falls, South Dakota, they'll also play at the Sprint Center in Kansas City and the Mules will open the season on Nov. 8 at famed Cameron Indoor Stadium in Durham, North Carolina to take on the Duke Blue Devils

Prior to the 2014-2015 season, the Mules were put through an intensive, Boot Camp-style training program by the University of Central Missouri ROTC program. The team went through an intense physical-training program, including a pool workout with all of the exercises focused on team-building, team-bonding and physical conditioning.

Mules in the Pros

The Mules have had 20 players suit up in the professional ranks in the Continental Basketball Association, the Pro Basketball League of America, the United States Basketball League, the Basketball Association of America, and in Europe.

Michael Hicks led the MIAA in scoring with 21.5 points per game in 2005-06.

CENTRAL MISSOURI BASKETBALL

UCM begins Karleskint era in defense of national championship

The 2014-15 season marks a new beginning for Mules Basketball. The 2013-14 season was one for the ages, with the Mules winning the fourth national championship in program history, their third straight MIAA regular season title and winning 30 games in a season for the third time. First year head coach Doug Karleskint welcomes back eight letterwinners and two starters from last year's squad. He'll look to blend those returners with a talented crop of six newcomers as he looks to continue the winning ways of Mule Ball.

5. Drury	106	1,525	870	.637

BACK COURT

Mules return two key pieces from 2013-14 squad

The Mules lost three key members of last year's championship team from the back court in Elite Eight Most Outstanding Player Daylen Robinson and starters Jon Gilliam and Charles Hammork, an Elite Eight All-Tournament Team selection. UCM does return starter Preston Brunz and key reserve Jordan Epps to the fold. Brunz averaged just over five points per game and Epps provided a spark off the bench at nearly seven points per contest. The Mules welcome a talented crop of newcomers, including redshirt freshman Brad Woodson along with transfers Tony Cochran, Rakeem Dickerson, Taylor Johnson and Rico Richardson. Cochran comes to UCM from Harding University, while Dickerson is an Arkansas State product. Taylor Johnson redshirted last year at Central Arkansas and Rico Richardson was a talented junior college scorer.

FRONT COURT

Familiar faces return to man the post for Mules

The Mules front court will have a lot of familiar faces in 2014-15. First Team All-MIAA center Dillon Deck returns after averaging nearly 14 points and six rebounds per game last season. Brennen Hughes, TJ White and Kyle Wolf also return after solid contributions to last season's championship run. Sophomore Sean O'Brien and junior Garrett Sandbothe should also compete for more minutes this year. The Mules welcome a pair of talented junior college transfers in Donte Adams and Michael Luscombe. Adams led Cecil CC in scoring last year, while Luscombe helped Moberly CC to another Region 16 title.

Doug Karleskint begins his first season as the head coach of the Central Missouri men's basketball program in 2014-2015.

He comes to UCM after spending the previous five seasons at Great American Conference member Arkansas Tech, including the last four as head coach of the Wonder Boys.

Karleskint compiled a 90-34 record during his time as the head coach at Arkansas Tech. His Wonder Boy teams captured four straight conference championships and made four straight appearances in the NCAA Division II Tournament, including a Sweet 16 appearance in 2012.

His first team at ATU in 2010-11 went 25-6 overall and 13-1 to capture the Gulf South Conference West Championship.

Karleskint's 2011-12 Wonder Boys squad was 26-6, including 13-3 in the inaugural season of the Great American Conference. The 2012-13 squad again captured the Great American Conference regular season title, going 13-7 in league play and 18-12 overall and qualifying for the NCAA-II Central Regional.

In his final season at Arkansas Tech, Karleskint guided the Wonder Boys to a 21-10 overall mark and another GAC regular season title with a 15-4 conference record. ATU advanced to the NCAA-II Central Regional, where they fell to Central Missouri in the opening round.

He coached 11 all-conference performers during his tenure at Arkansas Tech, including one Great American Conference (GAC) Player of the Year, Defensive Player of the Year, Newcomer of the Year and an All-American.

Prior to his time as head coach, Karleskint served as the top assistant for the Wonder Boys in 2009-10 when the team went 30-2, won the Gulf South Conference title and finished the regular season ranked No. 1 in the nation.

Before ATU, he served two seasons as an assistant coach at Division I Stephen F. Austin. The Lumberjacks posted a 50-14 record in those two years and won two Southland Conference Regular Season Crowns. They advanced to the NIT in 2007-08 and the NCAA Tournament in 2008-09 after winning the Southland Conference tournament title.

Karleskint was a graduate assistant at Northwest Missouri State from 2005-07 and helped the Bearcats to a 46-17 record, an MIAA championship and two NCAA Tournament appearances.

The Fort Scott, Kan. native earned his bachelor's degree from Mid-America Nazarene University in 2003. He and his wife, Kyla, have two sons, Jadin and Jackson.

Ryan Hellenthal

Assistant Coach

Ryan Hellenthal is in his first season as an assistant coach with Central Missouri. Hellenthal comes to UCM after spending the previous four seasons at Division I Long Beach State. He spent last season as an assistant coach with the 49ers after serving the previous three seasons as the 49ers' director of basketball operations under head coach Dan Monson.

Before Long Beach State, Hellenthal spent two seasons at Boise State where he served as the director of basketball operations for the Broncos, helping them to an appearance in the 2009 CBI Tournament.

While at Boise State his duties included coordinating all aspects of film exchange, team travel and the men's basketball budget. He served as the assistant academic coordinator for the men's basketball student athletes and was responsible for the planning and execution of all on-campus recruiting. He also assisted the coaching staff with scouting, game preparation and player development.

Before working at Boise State, Hellenthal served as an assistant coach and recruiting coordinator at Coffeyville Community College with head coach Jay Herkelman from 2005 to 2008. While at Coffeyville he helped lead the Red Ravens to a third-place finish at the NJCAA National Tournament in 2007 and a seventh-place finish in 2006. Coffeyville won the Region VI championship in both 2006 and 2007 and was Jayhawk Conference champions in 2006, 2007 and 2008.

During his three seasons at Coffeyville the Red Ravens compiled a 90-19 record. Hellenthal recruited the 2007-08 Street and Smith Preseason NJCAA Player of the Year and a 2006-07 NJCAA All-American, while also coaching or recruiting five all-conference players. Coffeyville was ranked in the top 25 nationally during all three of Hellenthal's seasons with the Red Ravens, reaching as high as fifth in the country.

Hellenthal started his coaching career at Garden City Community College in 2002. The Broncbusters won 60 games during his three seasons at the school, while also winning the school's first Jayhawk West Conference Championship since 1952. Hellenthal recruited and signed one NJCAA All-American at GCCC, as well as two all-region selections.

Hellenthal graduated from the University of Illinois-Chicago in 2002.

Nate Johnson

Assistant Coach

Nate Johnson is in his second season as an assistant coach with the Mules after serving as an assistant coach at the University of Missouri-Kansas City.

Johnson helped lead the Mules to their third straight MIAA regular season championship last season and the 2014 NCAA Division II National Championship.

Before going to UMKC, Johnson was an assistant coach at Moberly (Mo.) Area Community College for three seasons, helping the Greyhounds to a pair of regular season conference titles. He got his coaching start during the 2008-09 season as a graduate assistant for both the men's and women's teams at Trinity Valley Community College in Texas.

The Kansas City, Mo. native started his playing career at MACC, where he earned second team All-America honors and led his squad to a fifth place finish at the national tournament. He averaged 10.2 points, 7.3 assists, 3.1 steals and 3.0 rebounds per game and was named Region XVI Most Valuable Player.

Johnson moved on to the NCAA Division I level and played his final two seasons at Florida State, where he started all 62 games during his career. As a senior, he led the ACC in assist-to-turnover ratio at 3.2 and assists per game at 3.8. He earned his bachelor's degree in social science from FSU in 2004.

After his college career, he played professionally in Europe for three years in Slovenia, Germany and England. He also played in the CBA from 2007-08.

Johnson is a graduate of Ruskin High in Kansas City, where he averaged 25.0 points and 7.0 assists per game as a senior earning all-metro and all-district honors. He is the nephew of former Jennies basketball player and UCM and MIAA Hall of Famer Rosie Jones.

Chris Richardson
Graduate Assistant • 1st season

Chris Richardson is in his first season as a graduate assistant with the Mules after spending the previous two seasons as the head assistant at Delta State.

At DSU, Richardson helped engineer one of the nation's most impressive two-year turnarounds, taking a program that won just six games during the 2011-12 season and winning 38 games over

the next two seasons and culminating with a berth in the NCAA South Region Finals last season.

As recruiting coordinator, he signed 2014 GSC Freshman of the Year Devin Schmidt and 2014 Gulf South Player of the Year Willie Readus.

Richardson also served as an assistant coach at Fairmont State, the University of Charleston, and Arkansas Tech University, where he worked alongside Karleskint in helping the Wonder Boys to a 30-2 record and number one national ranking during the 2009-10 season.

In six seasons of college coaching, Richardson has been a part of have an overall record of 112-65, which includes three 20-win seasons, two conference championships, two NCAA tournament appearances and one conference tournament championship. During that span he has coaches 11 all-conference players and three All-Americans.

Richardson began his career as an intern with the NBA's Memphis Grizzlies, where he worked for General Manager Chris Wallace. With the Grizzlies, Richardson was responsible for assisting Wallace and the basketball operations staff in preparations for the NBA Draft and summer free agency period. He also assisted the Grizzlies media relations staff with production of the team's media guide and content for Grizzlies.com.

The 2008 West Virginia University graduate is a native of Charleston, W.Va., and is currently pursuing a Master's of Kinesiology from UCM with a concentration in Sport Management.

2013-14 Season Recap

The 2013-14 Mules basketball season was one to remember as the Mules made a magical run to their second NCAA Men's Basketball National Championship and the fourth overall national title in program history.

Along the way, the Mules captured a share their third straight MIAA Regular Season Championship and finished with a 30-5 record, the third time UCM has won 30 or more games in a season.

The Mules tipped off the season with a pair of in-region wins at the Sanford Pentagon Basketball Showcase in Sioux Falls, S.D. The Mules edged Northern State 66-65 in the season-opener before a 75-63 win over Augustana.

Central Missouri opened the season 5-0, including a thrilling one-point win at Quincy, before suffering the first defeat of the season. UCM fell 81-78 in overtime to St. Mary's in San Antonio, but salvaged a split in the Thanksgiving Classic with a 75-66 comeback win over Southeastern Oklahoma State. The Mules trailed by 20 points in the first half, but rallied for the nine-point victory.

The win jump started a five-game winning streak, including a 93-85 overtime win over No. 15 Fort Hays State to open MIAA play and a 72-70 win at Central Oklahoma.

Central Missouri dropped the final game of 2013, a one-point loss at Northeastern State, but got 2014 started with three straight conference victories.

Double-digit losses at Emporia State and Northwest Missouri, sandwiched around a win at home over Missouri Western, gave the Mules a 14-4 overall mark and a 6-3 conference record with 10 games to play in the regular season.

An 89-61 win at Lincoln, followed by three straight home wins started a streak that would last the rest of the regular season. The Mules won their final 10 games, including a 76-64 win over Northwest Missouri in the regular season finale to grab a share of their third straight conference championship and earn the No. 1 seed in the MIAA Tournament.

The Mules got a rematch with Northeastern State in the MIAA Tournament Quarterfinals, but came up short against the RiverHawks. UCM trailed by as many as 15 before rallying to within two points late, but couldn't make it all the way back and suffered the first round upset.

The loss in the MIAA Tournament dropped UCM to the No. 2 seed in the Central Regional and sent the Mules to Mankato, Minnesota.

In the opening round of the regional the Mules overcame a poor shooting performance with possibly their best defensive effort of the season in a 56-44 win over Arkansas Tech. The semifinal round matchup with Missouri Southern mirrored the first two meetings of the season with the Mules holding off the Lions 94-84 to advance to the regional final and set up a rubber match with Northwest Missouri.

The Mules and Bearcats needed overtime with a Daylen Robinson free throw with 2.4 seconds left proving to be the game-winner as UCM advanced to the Elite Eight with a 60-59 win.

Charles Hammork was named the Central Regional Most Outstanding Player and was joined on the All-Tournament Team by Dillon Deck.

Central Missouri came into the Elite Eight as the lowest ranked team remaining at No. 20. In the first matchup, UCM had five players score in double figures as they beat No. 4 Southern Connecticut State 98-88.

The Final Four matchup pitted the Mules against the No. 1-ranked Metro State Roadrunners. UCM led by as many as 11 in the second half, but needed a TJ White layup with one second left to upset MSU and advance to the national championship game.

The title game against No. 7 West Liberty saw 14 ties and nine lead changes. UCM led by nine early on only to see the Hilltoppers come back and grab a nine-point lead of their own. The Mules seized control late in the second half with an 11-4 run and they went on to win 84-77 to claim the 2014 National Championship.

Robinson was named the Most Outstanding Player of the Elite Eight and was joined on the All-Tournament Team by Deck and Hammork.

After the season, head coach Kim Anderson was named the Division II National Coach of the Year.

Three Mules earned postseason honors with Deck being named First Team All-MIAA and NABC Second Team All-District. Robinson was named to the all-conference third team and Hammork earned honorable mention accolades.

The Mules once again ranked near the top of the MIAA and NCAA-II in attendance, averaging 2,257 fans per game. That mark was second in the MIAA and sixth best in all of NCAA Division II.

The place was Springfield, Mass., the birthplace of basketball. The date was March 24, 1984. On that night basketball history was made, history that will never be repeated. For on that night, the Central Missouri Mules and Jennies BOTH won national championships on the same floor.

The Mules beat St. Augustine's of North Carolina 81-77 to win the men's NCAA Division II national crown. Just a couple of hours later, the Jennies defeated Virginia Union 80-73 to claim the women's Division II national title.

Since then, the University of Connecticut is the only other school to win both titles in the same season (2004), but UCM stands alone as the only school with two national championships on the same court.

For head coach **Lynn Nance's** Mules, the championship capped an exciting season that saw the team go 11-0 in games decided by five points or less en route to a 29-3 record. In fact, the Mules won their semifinal game against North Alabama in heart-stopping fashion, downing the Lions 89-85 in overtime.

The honors for both teams were numerous. **Ron Nunnelly** was voted the Outstanding Player in the tournament and was joined on the all-tourney team by teammate **Brian Pesko**. Nunnelly scored 71 points in the final two games and went on to be named first-team All-American by *Basketball Weekly*, while Pesko added 55 after averaging just 7.2 during the regular season.

Pesko was named Outstanding Player in the regional to lift the Mules to the championship tournament, despite being stricken with an acute stomach ailment following the first round game. He spent the rest of the night and most of the next day in the hospital, but was released about two hours before the regional championship game, and then proceeded to lead the Mules to the title game.

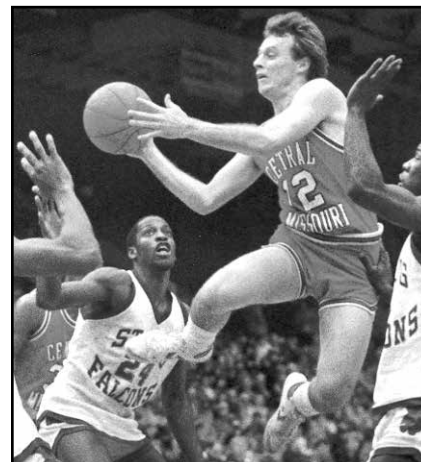

Nance was named NCAA Division II Coach of the Year by the National Association of Basketball Coaches.

The 1983-84 UCM Mules joined the Jennies in doing something that had never been done before, and will never happen again: win the national championship in the same year, on the same day, on the same basketball court (since 1984, the men's and women's championships have been held separately). Their accomplishment elicited some pretty high visibility. In fact, the President of the United States sent a telegram (right) to congratulate CMSU's basketball teams. The 1984 Mules team members are: Front row (L-R): Tim Eaton, Brian Pesko; Second row: Ron Nunnelly, Tyrone Lee, Kenny Southworth, Tyrone Hardy; Third row: Trainer - Ron VanDam, Assistant Coach - Rich Jankovich, Rance Glasper, Rudy Horton, Mark Lolar, Manager - Bob Boatwright; Back row: Assistant Coach - Jim Wooldridge, Brian Kincheloe, Fred Dunn, Head Coach - Lynn Nance, Manager - Mike Corbin.

While Nunnelly, who has since had his jersey No. 14 retired at UCM, will go down as one of the greatest players in Mules history, it was the supporting players like **Rudy Horton, Tyrone Lee, and Mark Lolar** who brought the title back to Warrensburg.

Congratulatory messages came to Central from the highest places. At the March 26 Mules and Jennies Appreciation Day ceremony, attended by more than 3,000 fans, CMSU President Dr. James Horner brought a roar from the crowd when he read a telegram of congratulations from President Ronald Reagan.

Brian Pesko shot the Mules to the 1984 national championship by hanging 25 points on St. Augustine's in the championship game. He hit 6-of-12 from the floor and 13-of-14 from the free throw line.

ADDRESS & TELEPHONE NO. Central Missouri State University

CITY - STATE & ZIP CODE Warrensburg, MO 64093

Nancy and I are delighted to send warm greetings and congratulations to the students, faculty, and especially members of the men's and women's basketball teams of Central Missouri State University. Having just won the NCAA Division II titles -- the first time this has ever been accomplished by two teams from one school -- you have a good deal to be proud of. The talent and hard work of the players, coupled with the enthusiasm and support of the fans, have definitely paid off for you. We wish you the very best for an enjoyable celebration and, again, CONGRATULATIONS!

Signed: Ronald Reagan

1984 National Championship

In 2004, the University of Connecticut joined Central Missouri as the only two schools to win both the men's and women's national championships in basketball. No one, though, will ever match UCM's feat of winning both titles on the same date in the same location.

The Mules and Jennies were especially dominant at home, winning a combined 37-of-38 games at the UCM Multipurpose Building.

For the Mules, it was a year of living dangerously, as they played 11 games that were decided by five points or less. As champions do, they were great in those contests, winning all 11, including the semifinal game against North Alabama, 89-85 in overtime.

Ron Nunnelly (right) paced Central Missouri throughout the year, averaging 23 points per game, while Tyrone Lee (22) and Mark Lolar (44) played key supporting roles.

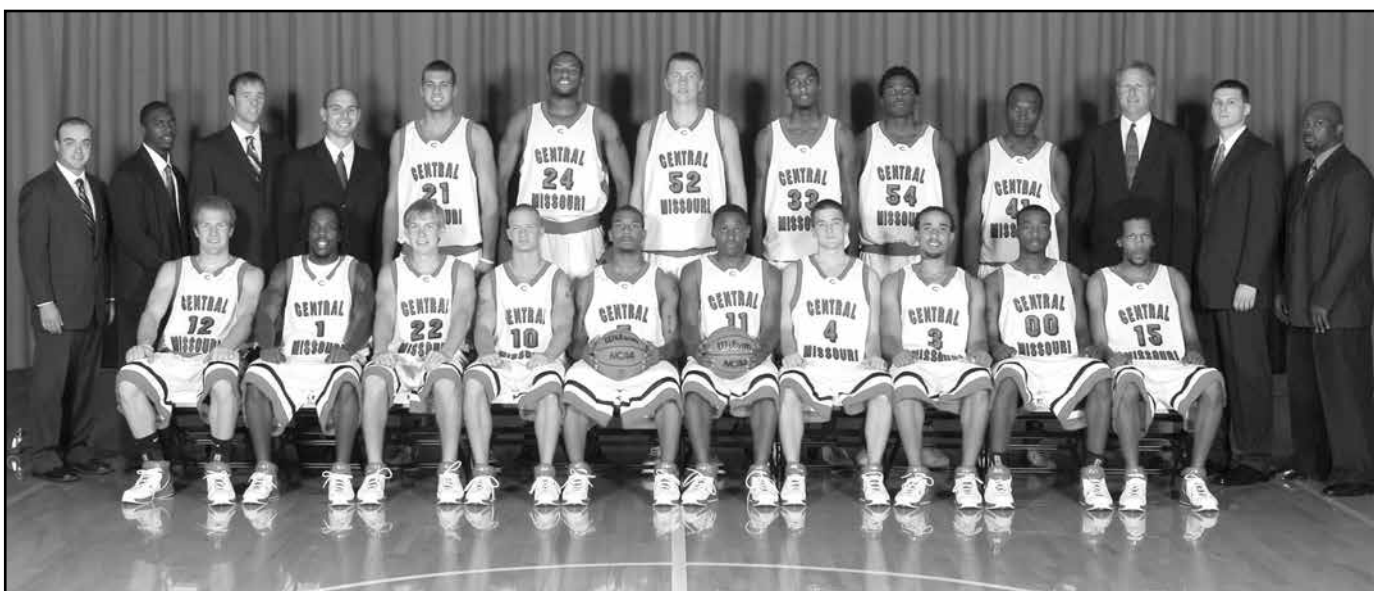

First came the South Central Regional in Warrensburg at the Multipurpose Building. The crowds were waiting in line more than two hours before the championship game to get tickets and some fans even tailgated beforehand. It was the biggest crowd of the entire NCAA Division II Tournament at 6,300. It was also the largest crowd to see a basketball game in Warrensburg since the 80s.

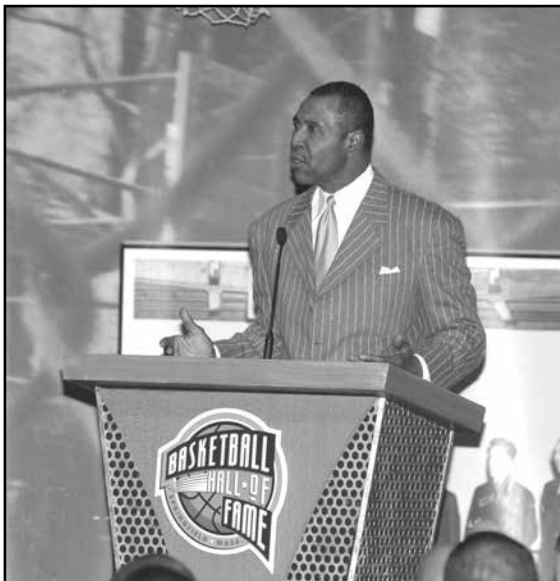

On Tuesday, March 13 2007, the Central Missouri Mules defeated Southeastern Oklahoma State by a score of 67-54 to take the regional title and cut down the nets (below). After the conclusion of the game, the students stormed the floor and celebrated with the team (bottom left).

The win made it 23 in a row for the Mules at the Multi and capped a perfect 18-0 season at UCM in 2006-07 (the first time since 1984).

The next step was the Elite Eight in Springfield, Mass. and the Mules made their second ever trip to the Final Four after an 86-69 win against Montevallo (Ala.). They lost to defending national champion and the No. 1 team in the nation, Winona State (Minn.), by an 90-85 score in overtime. Zack Wright scored 33 points in the game and was named to the Elite Eight All-Tournament Team for his play.

The 2006-07 Mules broke a school record with 31 wins, advancing to the second Final Four in school history.

The guest speaker at the banquet was legendary Hall of Famer JoJo White of the Boston Celtics (above).

While in Springfield, the Mules made a community service trip to Westover Air Force Base and toured the biggest plane in the U.S. fleet (above and right).

The Elite Eight opening banquet was held at the Basketball Hall of Fame in Springfield (right). There the Mules got to see the history of the game and eat their banquet meal on the Hall of Fame's Center Court.

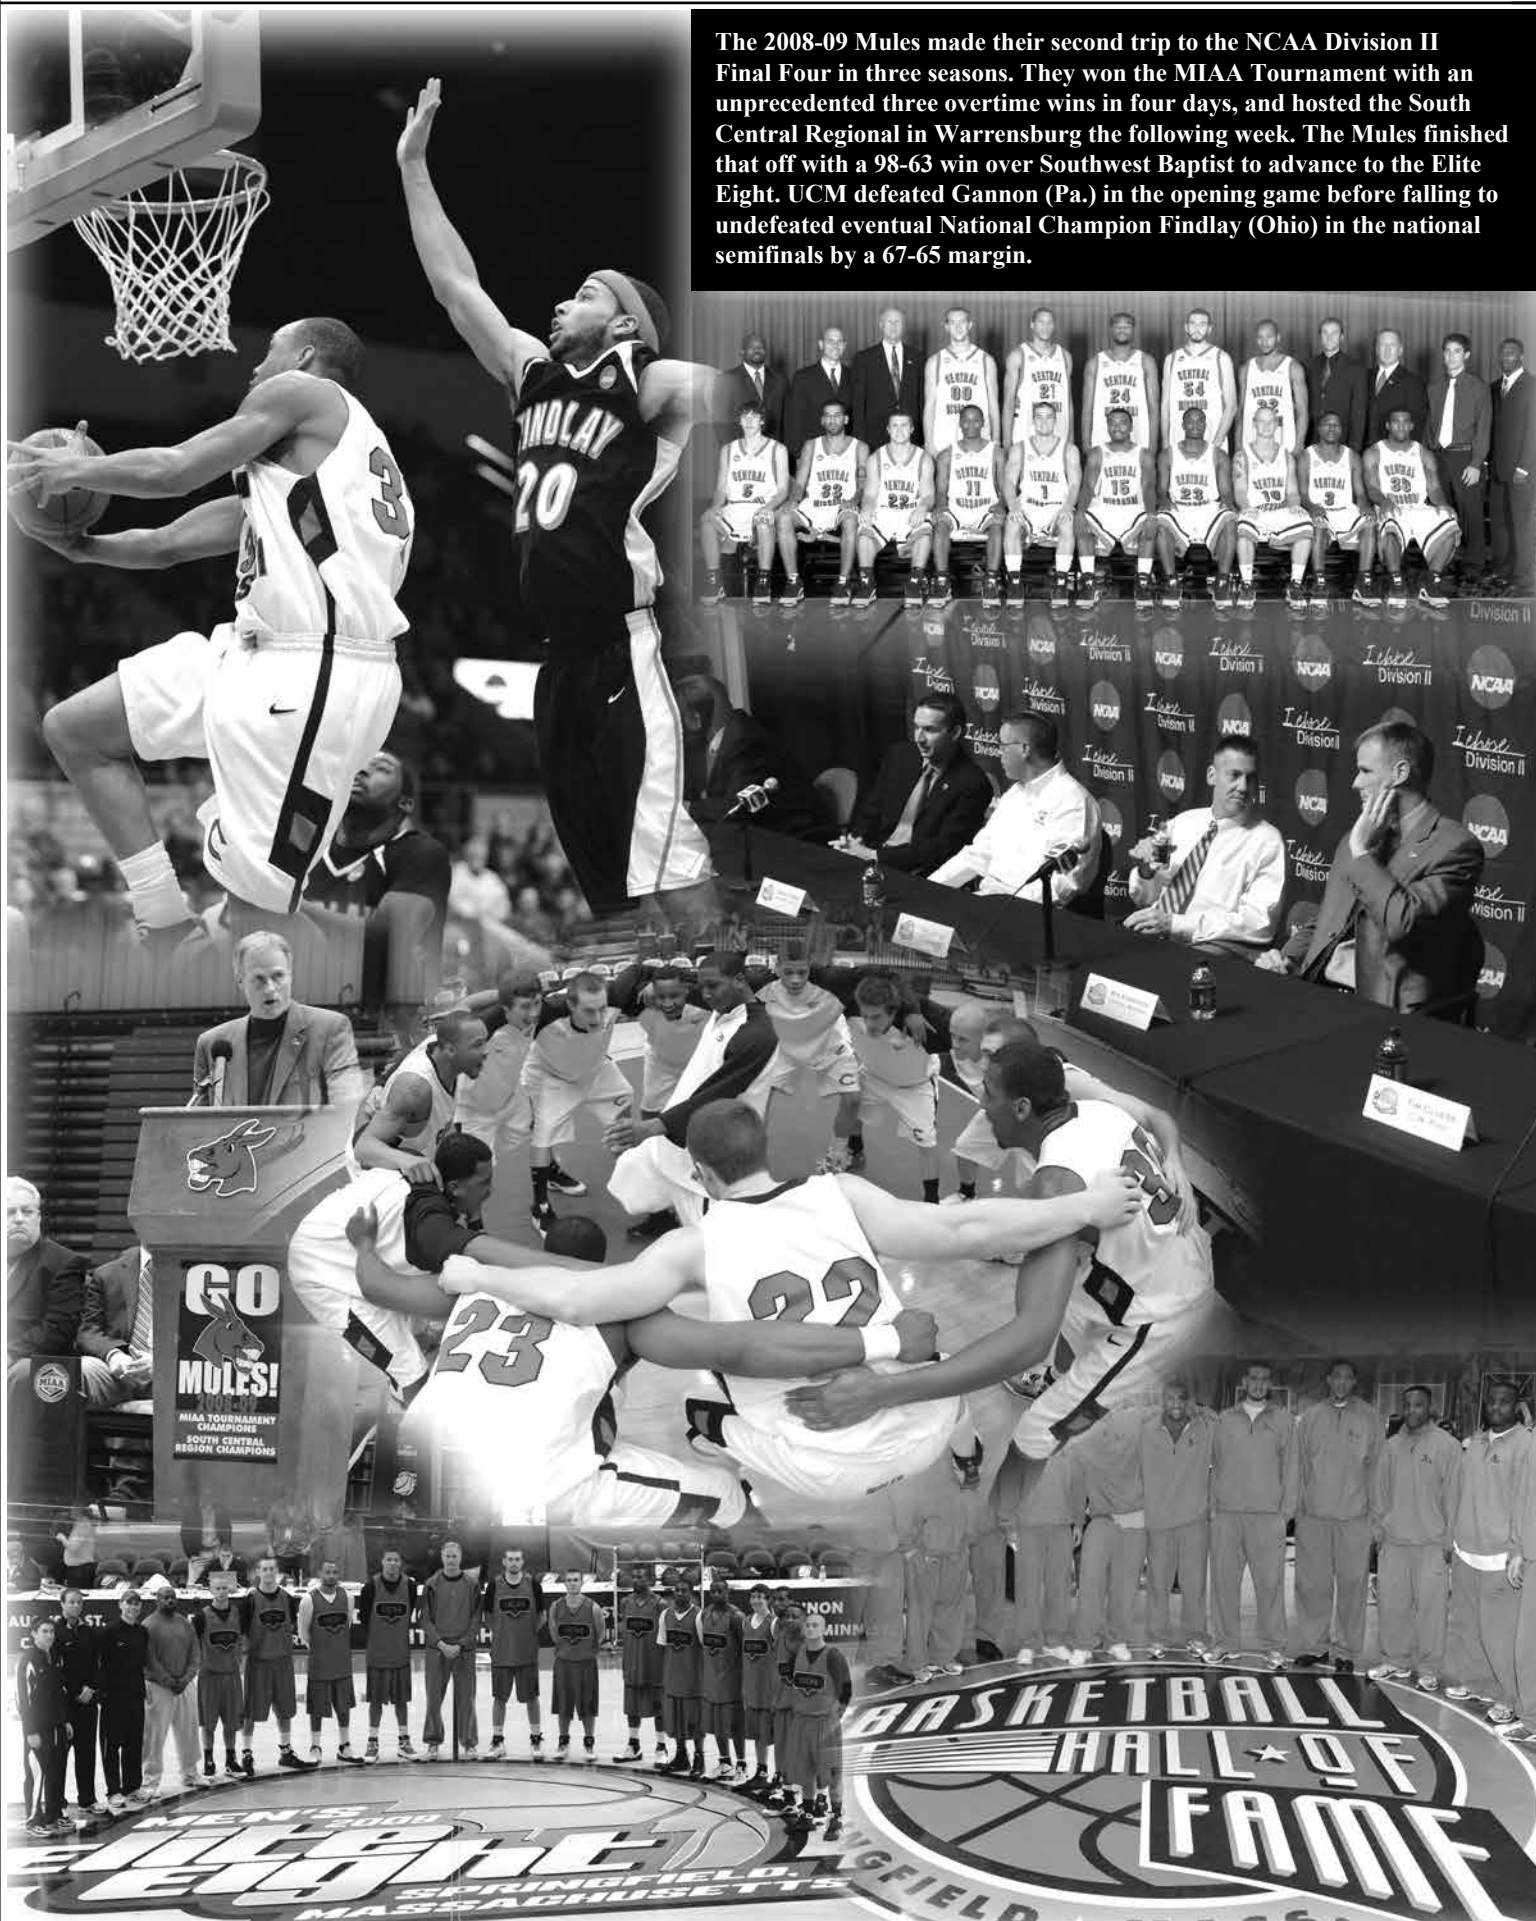

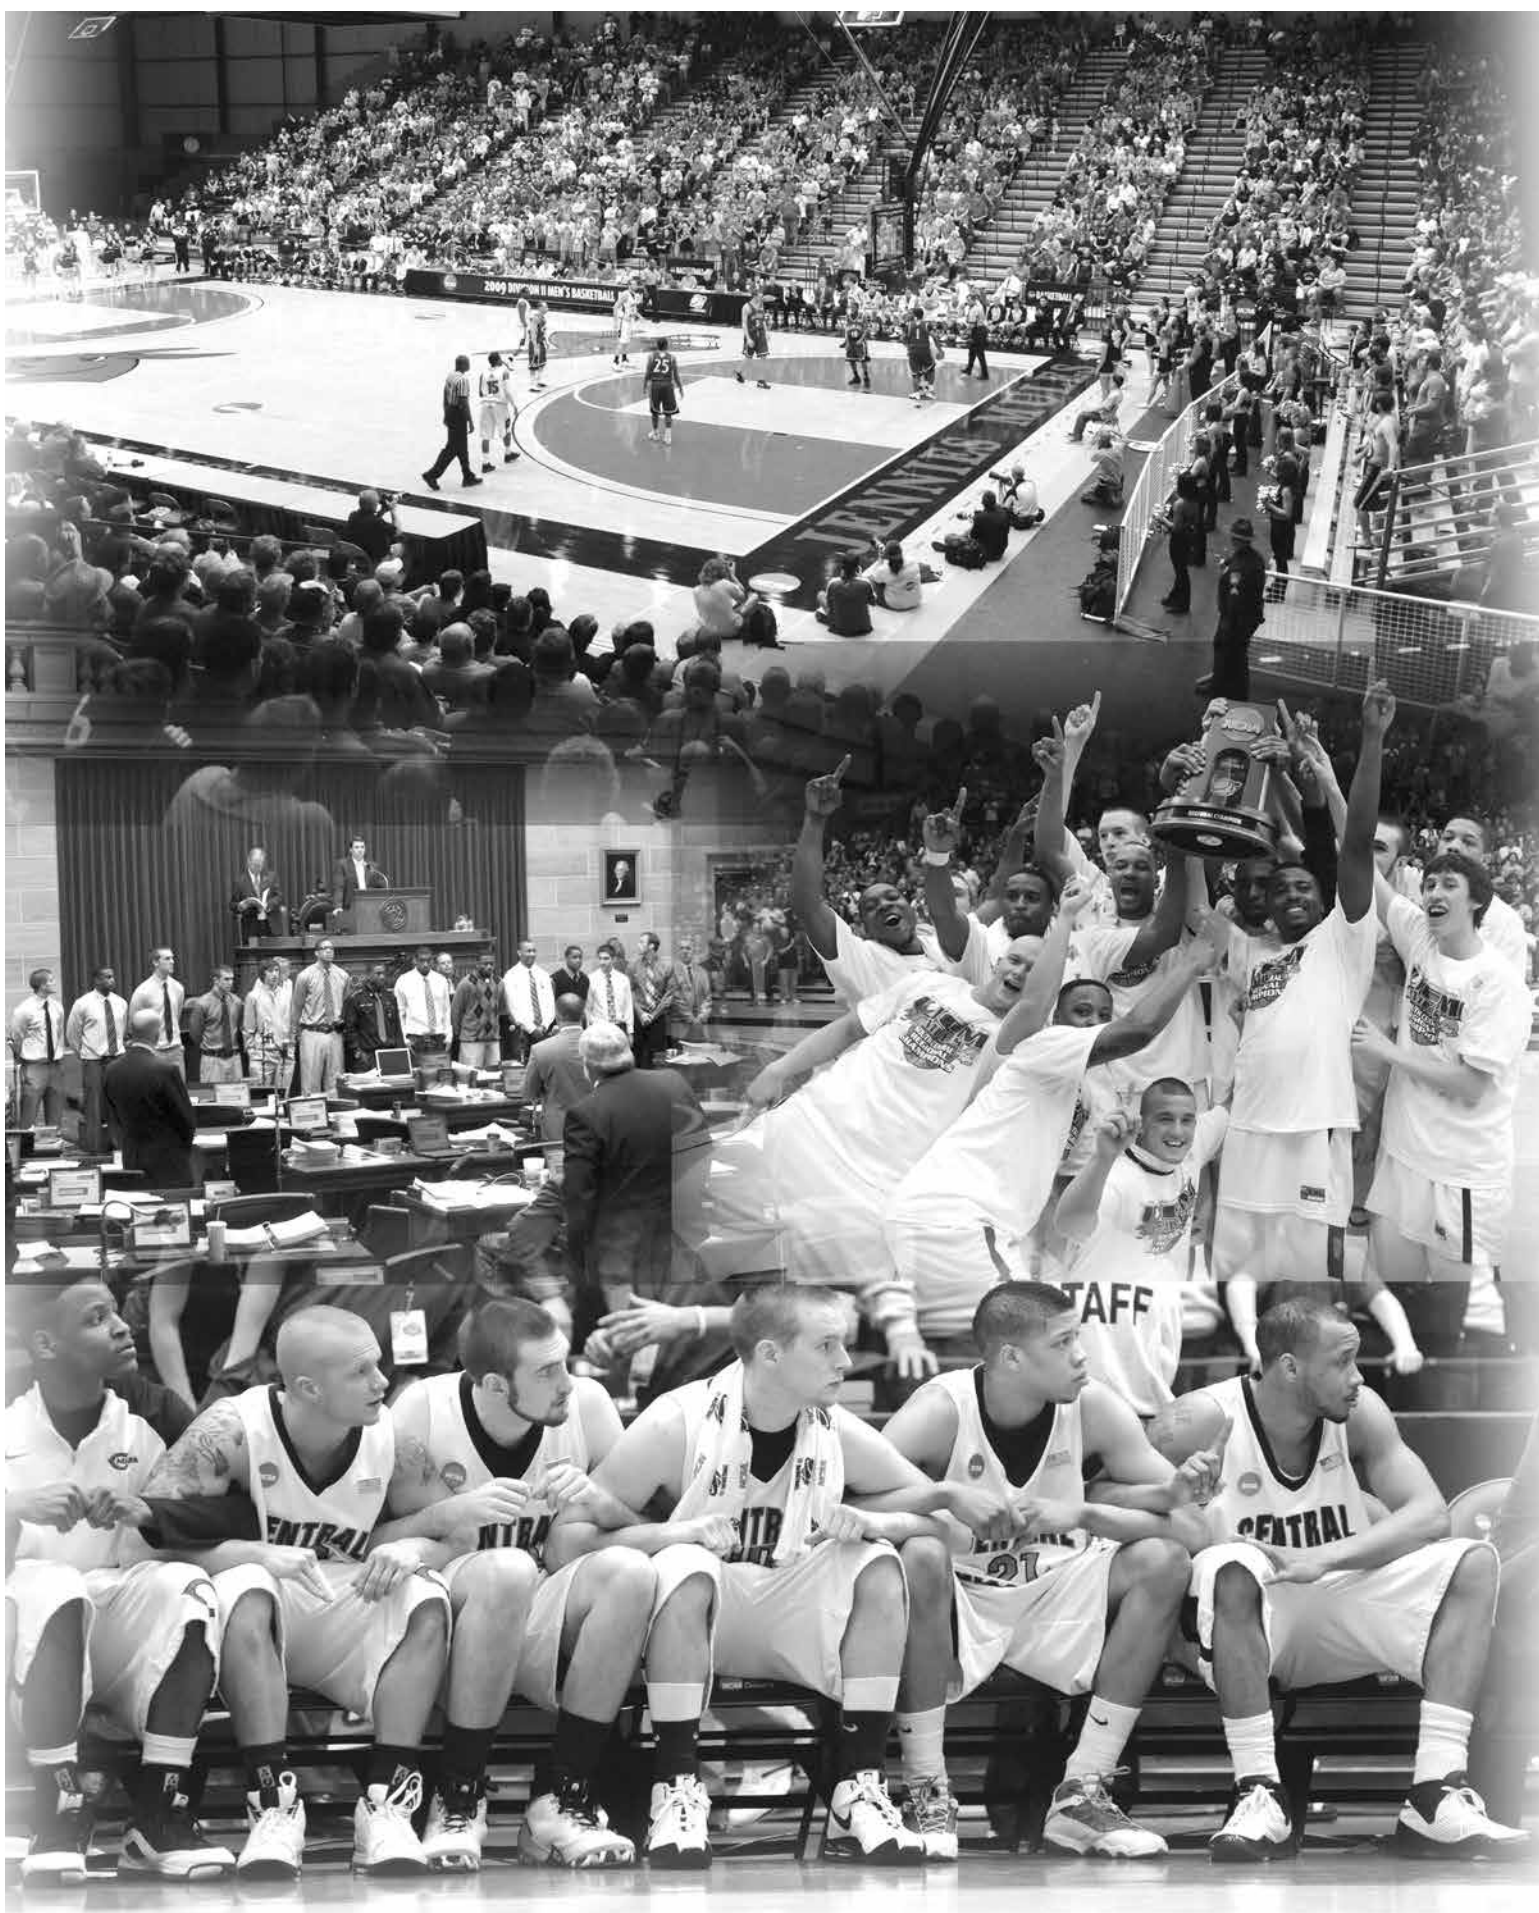

Great national exposure for the Mules and the University of Central Missouri came with all the winning. The pre-tourney press conference (right) was also held at the Hall of Fame. After the Mules win 86-69 over Montevallo, the Mules were on national television in the Final Four. Coach Anderson was interviewed by Dan Bonner prior to the game (left).

The 2008-09 Mules made their second trip to the NCAA Division II Final Four in three seasons. They won the MIAA Tournament with an unprecedented three overtime wins in four days, and hosted the South Central Regional in Warrensburg the following week. The Mules finished that off with a 98-63 win over Southwest Baptist to advance to the Elite Eight. UCM defeated Gannon (Pa.) in the opening game before falling to undefeated eventual National Champion Findlay (Ohio) in the national semifinals by a 67-65 margin.

The 2013-14 Mules won the second NCAA Division II National Championship in program history. The Mules won their third consecutive Division II National Championship and then went on the road to win the Midwest Regional in Mankato, Minnesota to qualify for the Elite Eight round. Entering the Elite Eight round, the Mules beat fourth-ranked Southern Connecticut State 71-69 and seventh-ranked West Liberty 84-71.

The Mid-America Intercollegiate Athletics Association, a 15-member conference (beginning in 2012-13) of NCAA Division II institutions in Missouri, Kansas, Oklahoma, and Nebraska, was first organized in 1912 as the Missouri Intercollegiate Athletic Association.

Over the past 100 years, the MIAA has gained the reputation of being one of the top NCAA Division II conferences in the nation. MIAA student-athletes have won 15 NCAA team championships and, since 1964, more than 160 individual national titles. The MIAA currently conducts championships in eight sports for men and nine for women.

For the men, champions are crowned in football, cross country, basketball, indoor and outdoor track & field, baseball, tennis and golf. The women compete for titles in volleyball, cross country, soccer, basketball, indoor and outdoor track & field, softball, golf and tennis.

The MIAA turned a new page on July 1, 1992, when the NCAA Division II conference changed its name from the Missouri Intercollegiate Athletic Association to the Mid-America Intercollegiate Athletics Association.

The decision to make the change originated in 1989, when Pittsburg State University and Washburn University became the first schools outside the state of Missouri to gain membership in the MIAA.

The conference was first organized in 1912 with 14 member institutions. Of those original members, the University of Central Missouri, Truman State University, and Northwest Missouri State University still remain a part of the MIAA.

The first change in membership came in 1924, when the MIAA reorganized to include only the five regional Missouri state colleges: Central, Truman (at the time known as Northeast Missouri State), Northwest, Southeast Missouri State University and Southwest Missouri State University (now Missouri State).

Over the next 56 years, three schools joined the membership: the Missouri School of Mines (later the University of Missouri-Rolla) in 1935, Lincoln University in 1970, and the University of Missouri-St. Louis in 1980.

The 1980s brought the biggest changes in the conference. In 1981, Southwest Missouri State University opted to move to NCAA Division I and the MIAA appointed its first full-time commissioner, Ken Jones, in July.

He would be in the position for 16 years, retiring in 1997. Former Gulf South and Metro commissioner Ralph McFillen succeeded Jones, serving 10 years before his retirement in 2007. Jim Johnson succeeded McFillen in July of that year and served as commissioner until September of 2010. Dr. Bob Boerigter succeeded Johnson in September 2010.

Southwest Baptist University brought membership back to eight schools in 1986, before the major expansion of the conference in 1989. Pittsburg State, Washburn, Missouri Southern State College (now University) and Missouri Western State College (now University), formerly members of the Central States Intercollegiate Conference, began competition in the 1989-90 season.

Southeast Missouri State left the MIAA following the 1990-91 season to move on to NCAA Division I, and was replaced by Emporia State University in the 1991-92 season.

In August 1991, Judy Willson was hired as the MIAA's first full-time sports information director. She left in 1994, and was succeeded by Matt Newbery, formerly the assistant sports information director at Pittsburg State. He became the assistant to the commissioner for media relations in 2005. Kellen Coleman replaced Newbery in 2009 as the Director of Communications. He left in the summer of 2012 and was replaced by Josh Slaughter, formerly the assistant sports information director at Emporia State. A third full-time staff member was added in 2005, as former Emporia State track and field athlete Natasha Oakes was hired as the assistant to the commissioner for compliance. She became the Assistant Commissioner for Compliance and Internal Operations/SWA before being succeeded by Renee Hultgren in 2010. The current MIAA Assistant Commissioner for Compliance and Internal Operations/SWA, Amber Feldman, replaced Hultgren in 2011. Larry House joined the staff in August 2007 as coordinator of external affairs, and is now the Assistant Commissioner for Championships and Business Development.

The membership of the MIAA was at 11 schools during the 2011-12 school year with the departure of Missouri-St. Louis in 1996 and Missouri-Rolla in 2005, the forfeiture of membership by Lincoln in 1999, the addition of Fort Hays State University in 2006 and the University of Nebraska Omaha in 2008, the re-joining of Lincoln in 2010, and the departure of Nebraska Omaha in 2011.

In 2012-13 the MIAA membership increased to 15 with the addition of the University of Central Oklahoma, Lindenwood University, the University of Nebraska-Kearney, and Northeastern State University.

The membership dropped to 14 when founding member Truman State departed the league following the 2012-13 academic year.

This is Central Missouri

The University of Central Missouri transforms students into lifelong learners, dedicated to service, with the knowledge, skills and confidence to succeed and lead.

Future-Focused Academics

The world moves at a faster pace than ever before. UCM's innovative programs use new technologies to keep students up to date on the latest changes in their fields of study.

Our faculty members are accomplished in their fields as well. They bring their experiences in industry and academia to their classrooms for our on-campus students in Warrensburg and Lee's Summit, as well as to their virtual classrooms through our online programs.

Hands-on Experience

Learning by doing is a cornerstone of our 150 academic programs. Through hands-on experiences, students take their knowledge from the classroom and apply it in real-life situations.

Whether it's conducting research with faculty members, developing a business plan for a local company or battling it out in a national criminal justice competition, UCM students graduate well prepared for the future with practical, applicable experience.

Culture of Service

For more than 140 years, UCM's motto, "Education for Service," has been embodied by students who volunteer countless hours assisting communities, businesses and non-profit agencies.

This tradition continues today when student groups clear debris after a tornado or build homes for local families through Habitat for Humanity. Service has always been a foundation of the university.

By learning at a university that values that service, UCM students continue to make an impact on their communities long after they graduate.

Global Perspective

UCM values diversity in thought, culture and people. As a result, the university takes a worldly perspective on education and prepares students to thrive in a globalized economy.

UCM's International Studies major examines global issues affecting human development, peace and security. The university's study abroad programs connect students with more than 60 countries and 285 universities worldwide. UCM also has nearly 600 students from 47 different countries represented on campus. Experiencing these different ideas, cultures and people gives our students a unique perspective and prepares them for today's global society.

President Barack Obama spoke to a crowd of UCM students, faculty and staff, and Warrensburg residents on July 24, 2013 at the UCM Student Recreation & Wellness Center.

Dr. Charles Ambrose University President

Charles M. Ambrose, Ed.D., became the 15th president of the University of Central Missouri on Aug. 1, 2010. A career educator who is a fervent advocate of servant leadership and engaged learning, he is committed to promoting academic quality, excellence in teaching and the collegiate experience.

During his first year at UCM, President Ambrose helped guide the institution through the building of a new Strategic Governance Model in partnership with the Association for Governing Boards. He also provided leadership through an extensive administrative and academic review process designed to provide a stronger, more viable educational experience for students, while also cutting operational costs.

Ambrose sought to build student enrollment, an effort that continues to pay off with the largest enrollment in the university's 140-year history. He has also begun a major initiative to encourage and provide assistance for students to graduate college within four years with less debt.

The president continues to build strong relationships with the men and women who serve this country. This includes the establishment of the Whiteman Advantage Program, which brings together personnel from Whiteman Air Force Base and the university to work cooperatively in creating new educational opportunities for military members. The university also developed the Military Tuition Package, which provides savings on an education for military men and women currently serving their country, as well as their spouses and dependents, and veterans.

Under his direction, the university developed a new strategic positioning initiative to provide a more articulated understanding of what makes UCM unique and helped guide the institution in establishing its future priorities. In fall 2012, Ambrose launched the new Missouri Innovation Campus, in collaboration with the Lee's Summit R-7 School District and private industry, which will allow students to begin college during their junior year of high school and complete a degree in four years with little or no debt.

President Ambrose attended Furman University, where he was a four-year letterman and captain of the soccer team. After graduating from Furman with a bachelor's degree in sociology, he earned two advanced degrees in higher education administration, a master's from the University of Louisville and a Doctor of Education degree from the University of Georgia.

Ambrose and his wife, Kris, are active in the community and have participated in charitable bike rides to raise funds and awareness for poverty, hunger and disease.

The Ambroses have two children; Charlie, a December 2013 UCM graduate, and Kathryn, a college sophomore.

Jerry Hughes Athletics Director

Under the leadership of Jerry Hughes, UCM's athletics program has enjoyed unprecedented success, highlighted by the dual NCAA basketball championships in 1984 by the Mules and Jennies, the 1994 and 2003 NCAA baseball championships, the 2003 women's Intercollegiate Bowling Association national title and the 2014 men's basketball national crown. In 2005, Hughes was inducted into the

Missouri Sports Hall of Fame.

Entering the 2014 fall semester, the Mules and Jennies have won 146 Mid-America Intercollegiate Athletics Association championships, six national championships, had 44 other top four NCAA finishes, and made more than 250 NCAA post-season appearances during Hughes' tenure. The Central Missouri athletic program also won the Mid-America Intercollegiate Athletics Association All-Sports Trophy each year from 1998-99 (the year of the award's inception) until the award was discontinued in 2002-03. UCM finished second in the NACDA Director's Cup in 2010-11, the best finish in school and MIAA history after finishing third the previous two years.

Hughes was named Central Region Athletics Director of the Year for the 1998-99, 2001-02 and 2010-11 seasons as selected by the National Association of Collegiate Directors of Athletics (NACDA). He is the first three-time winner - at any NCAA level--in the history of the Athletics Director of the Year program.

Hughes has been Central Missouri's athletics director since Jan. 25, 1983. Prior to that, Hughes had served as associate athletics director since July of 1981. In 1991-92, he served as the Mules' interim head basketball coach and guided the team to a 15-13 record.

Hughes has been a Division II member of the NCAA Executive Committee and chairman of the Division II Championships Committee. He also served a term as NCAA Vice President for Division II and has been a member of the NCAA Council, making him the only person to twice hold the highest-ranking office available to athletics administrators in NCAA Division II. Other NCAA committees on which he has served are the Membership Structure Committee, Administrative Committee, and Post-Season Football Subcommittee. He has chaired the NCAA Division II Management Council and Membership Growth Project Team and been a member of the NCAA Budget and Finance Committee and NCAA Administrative Review Panel, as well as the NACDA Sears Directors Cup Committee.

He has spearheaded fund-raising efforts for major renovations of the Central Missouri football and baseball stadiums, as well as the development of UCM's South Recreation Complex and Keth Memorial Golf Course Clubhouse. He is the founder of the Las Vegas High Desert Classic, a highly regarded NCAA Division II basketball tournament, which was held each December for 17 years in Las Vegas, Nev.

In addition to his service at Central Missouri, Hughes has served as Regional Director of the Show-Me State Games, and on the Governor's Council on

University of Central Missouri Director of Athletics Jerry Hughes and his wife, Vici.

Physical Fitness and Health.

Hughes has been at Central Missouri since October 1979, when he took a position as business placement director. The following year he became director of student recruitment. In 1981, Hughes was chosen for the new position of associate athletics director.

A native of Versailles, Mo., Hughes received his bachelor's degree in physical education in 1971 from Central Missouri, with a minor in safety education. He was a three-year letterman on the Mules' golf team, receiving All-MIAA honors in 1971. He also obtained a master's degree in secondary school administration, which he received in 1979 from Central Missouri. Following his graduation in 1971, Hughes spent a year of active duty in the Army National Guard.

In 1972, he returned to his hometown and took a position as physical education instructor, head golf coach and assistant basketball coach at Morgan County R-2 High School. From 1977-79, he served as the school's athletics director and assistant principal.

He and his wife, Vici, have four children – Greg, Chad, Parker, and Ashley. They have eight grandchildren – Tanner, Rylie, Dalton and Wyatt from Greg and his wife Catrina; Fallon, Kaiser, and Logan from Chad; and Sofija from Ashley and her husband Matt Ruzich. Vici works for UCM as Director of the Midwest Center for Urban Education and Charter Schools.

Take a Mule Refresher and Learn What's So Special about Missouri's State Animal

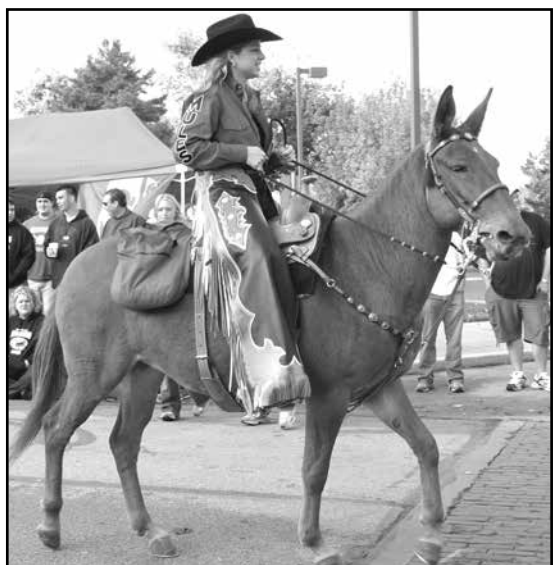

Often called mankind's most successful hybrid, mules are the offspring of crossing a male donkey or jack with a female horse or mare. Since they can't reproduce, mules have been bred one generation at a time for more than 3,000 years.

A strong, resourceful beast of burden, the mule can outwork, outpull, outlive and outsmart a horse of similar size and type.

In 1995, the mule became Missouri's official state animal, but the long-eared creatures have been known as "Missouri Mules" long before then.

The term, "Missouri Mules," was used casually until it became famous at the historic 1904 St. Louis World's Fair. At that exposition a six-mule hitch belonging to W. A. Elgin of Platte County swept all competition, and a mule from a Morgan County farm received the \$10,000 Mayor's Award.

Newspaper accounts of this show-ring prowess brought worldwide attention to the state's mule breeders and helped assure that the largest and finest animals would be known as "Missouri Mules."

Central Missouri's Mancow is the only live mascot in the Mid-America Intercollegiate Athletics Association.

Many people assume that the relationship of mules and jennies is the same as that of siblings, but jennies are female donkeys. So, the relationship of mules and jennies is really the same as nephew/niece and aunt. Jenny is a common name but technically a female donkey is a jennet.

Popular with farmers and settlers because of its hardy nature, Missouri Mules pulled pioneer wagons to the Wild West and played a crucial role in moving troops, artillery and supplies in several wars. In fact, many of the mules used in World War I were shipped by train from Warrensburg.

The mule's affiliation with Central Missouri dates back to the early 1920s. When the 1921-22 school year began, school officials decided "Normals" and "Teachers" were no longer appropriate nicknames for UCM's athletic teams. Therefore, the school's Athletic Committee established a contest that promised the winner a three-year postgraduate subscription of the school newspaper. More than 80 suggestions were received, but the winning entry was submitted by John Thomason of Chilhowee, class of 1924, who felt at least one Missouri team should be known as "Mules."

Central Missouri's fifth mascot - Mancow - is the university's first real Missouri mule. The line-back brown mule comes from Paradise Mules in Belle, Mo. It took several months for farm manager Dave Ewing to find the perfect mule. He was determined to acquire the right mule trained to remain calm around big crowds and loud noises - that game cannon gets loud!

Mancow the Mule is the second UCM mule to be tall (14.1 hands), a result of her thoroughbred heritage. The university's first three mules were Shetland Pony breeds. She's the second mule to be presented to the university as a gift.

Erich "Mancow" Muller, '88, made a gift to purchase the new mascot. Abbedale, her immediate predecessor, was donated to the university by 1938 alumnus and well-known mule producer, Sam Smiser from Newhall, Calif. The 10-year-old mare mule represented the university at home football games and other events. UCM agriculture students care for her at Prussing Farm, a few miles east of Warrensburg on Division Road.

Following her first appearance at the 2004 Missouri State Fair, Mancow saw her first game action, as Central Missouri hosted MIAA-rival Northwest Missouri State on Sept. 11.

Top 10 Reasons to Admire a Mule

10. Affectionate and loving as a dog
9. Can carry heavy loads, up to 300 pounds
8. Rarely miss when they aim to kick something
7. Jump amazing heights from a stand-still start (go watch a mule jump at a county fair - it's amazing!)
6. Have a laid-back style and won't be rushed
5. Valued so highly, once bought sight unseen
4. Inspire attitudes - cum mula peperit (when a mule foals), similar to once in a blue moon
3. Knows when to quit (hence its reputation for stubbornness)
2. Intelligent and not afraid of working
1. Because it became our mascot in 1922, over the skunk, bobcat and hippopotamus!

Warrensburg, Missouri is a friendly community of 18,000 people near the intersection of U.S. Highway 50 and Missouri Route 13. It is located just 40 miles southeast of suburban Kansas City, with its many cultural offerings, entertainment options and professional sports franchises. The county seat of Johnson County, Warrensburg is just four hours from St. Louis and three hours from Branson, Mo., with easy access by highway, Amtrak, or Greyhound bus. Other recreational opportunities include the beautiful Lake of the Ozarks 90 minutes to the southeast.

Warrensburg is a city that emerged from a frontier gathering place more than 150 years ago. In 1833, a blacksmith from Kentucky named Martin Warren chose a well-travelled spot along an Osage Indian Trail to build a cabin and set up his blacksmith shop. His shop served as an informal gathering place for local farmers. Three years after moving to Missouri, Mr. Warren's shop was named the county seat of the newly created County of Johnson. The township was named Warren's Burg in honor of the local blacksmith, and in 1855, the township was incorporated and became the City of Warrensburg. It is that same strong midwestern work ethic displayed by its founder, and the same friendly atmosphere shown by his neighbors that may be seen in Warrensburg today.

In the late 1800s and early 1900s Warrensburg was considered the Missouri Mule Capital because of the Horse and Mule Barn operated by the Jones Brothers on Railroad Street. Mules from the area won prizes at the State Fair (located just 30 minutes east in Sedalia, Mo.) and at even larger expositions like the one in St. Louis in 1904. The mule barn carried the motto, "Through these portals passed the meanest mules on earth."

Warrensburg is home to many historic sites, including "Blind" Boone Park, the historic Johnson County Courthouse, the Missouri Pacific Train Depot, and many historical churches.

It is also the site of the Old Drum Memorial Statue, in honor of Old Drum, the hound shot and killed by his owner's neighbor in 1869. Old Drum was eulogized by

George Graham Vest on September 23, 1870:

"The one absolutely unselfish friend that man can have in this selfish world, the one that never deserts him and the one that never proves ungrateful or treacherous is his dog."

Today the city's Park Department has eight park areas with a total of 326 acres, and a Community Center which offers a wide variety of recreational activities.

Two public golf courses are available in town -- one at the Hidden Pines Country Club, and another at Pertle Springs, operated by the University of Central Missouri.

Other attractions in the area include Powell Gardens, a 1,250 acre botanical garden just 12 miles west of Warrensburg on Missouri Highway 50 that contains hiking trails, picnic areas, and seasonal displays; Whiteman Air Force Base in Knob Noster, Mo., home of the B-2 Bomber; Knob Noster State Park; and the Missouri State Fair, held each August in Sedalia, Mo.

Of course, visitors to Warrensburg can also take in the exciting athletic events and various cultural experiences provided at the University of Central Missouri.

200 MIAA Titles, 8 National Titles

The University of Central Missouri has a long and rich history of excellence in athletics, both on the field of play and in the classroom.

Outstanding teams, combined with some of the finest facilities in Division II athletics give UCM's students, faculty and staff one more aspect of college life to enjoy with pride.

Always a contender for conference titles, Central Missouri belongs to the 14-member Mid-America Intercollegiate Athletics Association, which is recognized nationwide as one of the strongest conferences in all of NCAA Division II.

Since 1983, the tenure of Athletic Director Jerry Hughes, UCM has won or shared 146 MIAA championships, more than any other league school. All-time, the Mules have taken home 140 titles, while the Jennies are at 60.

Central Missouri has won six national championships since 1980 (men's and women's basketball in 1984--the first school in NCAA history to win both titles in the same season--baseball in 1994 and 2003, women's bowling in 2003 and men's basketball in 2014), and eight overall.

The Jennies volleyball team has been to the NCAA Tournament every season for the past 31 years, and the Mules have won 17 MIAA Indoor Track & Field titles in the last 20 years, and 10 of the

last 14 MIAA Outdoor Track & Field crowns. The Mules baseball squad has made 20 NCAA Tournament appearances in the last 21 seasons, including 13 Division II World Series berths in that span.

Seven UCM teams captured MIAA Championships in 2013-14, the most of any school in conference history and the second time UCM has accomplished the feat. Six teams finished in the top 10 in the nation via ranking or place. Mules Basketball won the NCAA-II National Championship, Mules Golf was fifth, Jennies Volleyball was sixth as was Jennies Outdoor Track & Field, Jennies Bowling finished in seventh as did Jennies Indoor Track & Field.

Individually, UCM had 31 different All-America seasons and performances. They also took home three individual national championships. Erin Alewine captured the pentathlon (indoor) title, while Heavin Warner captured the hammer throw crown (outdoor) for track & field and Frank Cagnina won the 149 lb. national title for Mules Wrestling.

UCM student-athletes once again excelled in the classroom with a department-wide cumulative GPA of 3.0. UCM had 220 student-athletes named to the MIAA Academic Honor Roll, including 17 Academic Excellence Awards for student-athletes having 4.0 GPAs and 41 Scholar-Athlete Awards with student-athletes having at least a 3.5 GPA and earning All-MIAA honors in their respective sports. In addition, 12 UCM student-athletes were named to the Academic All-Region Teams in their respective sports with seven earning Academic All-America honors.

Central Missouri Athletic Training

The Dr. Ron “Doc” VanDam Athletic Training Facility was dedicated on January 22, 2011. In his 30-year tenure at Central, Doc treated and advised thousands of athletes, was an integral part of 78 MIAA Conference Championships, 41 MIAA Conference Tournament Championships, 26 NCAA Regional Championships and 3 NCAA National Championships as well as leading, teaching and mentoring the athletic training students at Central Missouri. Doc was foundational in setting the standard for success within the Athletics Department and the Physical Education Department at Central Missouri. His leadership was respected and appreciated while he served as the President of the Missouri Athletic Trainers’ Association, and as a member of the Missouri State High School Activities Association Sports Medicine Advisory Committee.

The Dr. Ron “Doc” VanDam main Athletic Training Facility as well as the Athletic Training Education Program occupies combined 6,000-square foot of the newly renovated, state-of-the-art Morrow-Garrison Student Recreation complex. The facility features state-of-the-art therapeutic modalities including the latest Electrical Stimulation/Ultrasound units, rehabilitation equipment including advanced Biodex isokinetic and balance/proprioception units, a hydro therapy area, advanced cardiovascular conditioning equipment, an on-site team physician office, and a corresponding athletic training student lab and classroom.

There will also be several network cable lines available for home basketball, baseball, and football games as well as wireless internet in those three venues.

Student-Athlete Interviews

Student-Athlete interviews during the week must be arranged through the Athletic Media Relations Office. Please make arrangements in advance. Home telephone and cell phone numbers, and email addresses will not be released.

All postgame interviews are to be conducted outside of the locker room area following a customary 10-minute "cooling-off period."

Athletic Media Relations Office

The UCM Athletic Media Relations Office is located upstairs in Room 203 of the Multipurpose Building. Telephone number is 660-543-4312. Fax number is 660-543-8034.

Follow the Mules and Jennies on KMOS-TV

During the season, media and fans can also keep up with the Mules and Jennies on "Sportspage," your weekly one-hour inside look at UCM Athletics on KMOS-TV, UCM's Public Television Station. Hosts will visit with Central Missouri coaches and student-athletes and review highlights of each week's action.

Mules & Jennies on the Internet

Media members and fans can access information about the Mules and Jennies around the clock, as information about Central Missouri Athletics, the MIAA, and NCAA Division II is available via the Internet. Access information at www.UCMathletics.com.

UCM football, men's and women's basketball, and select baseball, softball and volleyball game broadcasts may also be heard on the Internet by going to the link on the UCM Athletic Web Page or to www.warrensburgradio.com.

The Central Missouri Athletic website is maintained by the UCM Athletic Media Relations office, Mike Knipper director.

Fans can also receive updates via their cell phone by signing up for textcaster on the UCM athletics website.
