THE UCM MULTIPURPOSE BUILDING

Considered one of the finest facilities of its kind in the nation, the Multipurpose Building is in its 38th year of service to the university. The \$5.5 million facility was built at no expense to the state of Missouri, as financing was accomplished solely through student fees.

The "Multi" truly lives up to its name, as it is one of the busiest places on campus. In addition to being the home of Jennies volleyball, Mules and Jennies basketball, indoor track & field, and Mules wrestling, the facility is used by University students, faculty, and staff, as well as the general public.

The building features a spacious main arena with a six-lane track, a swimming pool, five indoor and two outdoor handball/racquetball courts, areas for free and universal weights, an activities area, locker rooms, meeting rooms, and offices for UCM's Intercollegiate Athletics staff. The main arena can accommodate four basketball or six volleyball courts at one time or all of the events for an indoor track meet.

Seating capacity in the Multipurpose Building is up to 6,000 for basketball and volleyball, making it the largest such facility in the MIAA. It also seats 1,640 fans for indoor track meets and 11,000 people for concerts.

The Multi underwent a major renovation during the summer of 1998. An inlaid-wood floor was installed in the main arena, replacing most of the original Tartan surface and eliminating the need for the portable-wood floor that had been used for basketball since 1988, while the running track was resurfaced and new jumping and vaulting pits were created for track & field.

The 2008 season saw new bleachers on both the north and south sides of the arena and in the summer of 2012, a new four-sided center-hung scoreboard and video board was added along with new scoreboards equipped with stat panels on the east and west walls.

Numerous special events take place in the Multi each year. It hosted the Missouri State High School Activities Association's state volleyball tournament from 1988 to 2008, while state high school playoff games for basketball are still played annually in the building.

In addition, the MIAA Indoor Track & Field Championships are contested every other year in the Multipurpose Building. The facility is also used for UCM's commencement ceremonies and for concerts.

The Jennies have played the majority of their home matches in the Multipurpose Building since 1987. During that time, they have compiled an impressive 311-42 home record (.881) and have hosted six NCAA Tournaments, including the Division II Elite Eight in 1996.

The first basketball game was played in the Multi on November 27, 1976, when the Mules defeated Midland Lutheran College 92-75. The Jennies played their first basketball contest in the building on December 8 of that season, dropping a 66-44 decision to Tarkio College.

The Jennies basketball team posted its first win in the facility on Jan. 7, 1977, with a 76-42 victory over Grand View College. The Multi was formally dedicated eight days later as the Mules beat Southwest Missouri State 90-62.

Millie Barnes Athletic Weight Training Facility

The Barnes Athletic Weight Training Facility was dedicated on October 26, 2001, and is designated solely for use by Central Missouri female student-athletes. Complete with cardiovascular machines and state-of-the-art weight training equipment, the facility ensures the Jennies have one of the finest strength and conditioning complexes in all of NCAA Division II athletics.

The Facility is named in honor of Dr. Mildred "Millie" Barnes, a long-time Jennies coach and UCM physical education professor.

Jennies Volleyball

Locker Room

In 2009 the Jennies' locker room underwent renovations. New wooden lockers replaced the old style metal cages. New carpet and fresh paint, as well as a DVD player and flat panel TV for film watching, completed the comfortable feel Coach Piontek wants for his players. The accommodations also include private showers and a couch.

HEAD COACH FLIP PIONTEK

Flip Piontek is in his sixth season as the Head Coach of Jennies Volleyball, and his 29th year with the program in 2014.

Named head coach before the 2009 season, after 23 years as the Jennies assistant coach, Piontek has guided the program to two NCAA Regional championships and four MIAA titles.

Last season, he led the Jennies to their fourth MIAA regular season title in the past five years and a 33-2 overall record. The .943 winning percentage is the best single-season mark in program history. The Jennies also captured the MIAA Tournament title and

four Jennies were named All-Americans and Julia Bates was named the MIAA Player of the Year.

He reached a milestone victory in 2012, earning his 100th career win with a 3-2 victory over then-No. 17 Lewis. In five seasons, Piontek has recorded a 155-24 career record, and a 84-8 mark in conference play, the best MIAA record over the past five seasons.

Piontek has seen 18 players earn AVCA All-American honors, and 32 All-MIAA Team selections. In 2011, three Jennies were named to the AVCA All-American First Team. Allie Huffman was named the MIAA Player of the Year, the first Jennie to earn the award since 1999.

In 2012, Piontek led the Jennies to their record 30th consecutive appearance in the NCAA Tournament while competing in what was easily the most competitive region in NCAA Division II. All eight teams in the regional were nationally ranked, including the Jennies, who were among the top 10 in the AVCA Coaches' Poll all season.

In 2011, the Jennies made their second consecutive NCAA Elite Eight appearance after claiming the NCAA South Central Regional title on their home court. The Jens also claimed their third straight MIAA regular season title, dropping just one conference match all season.

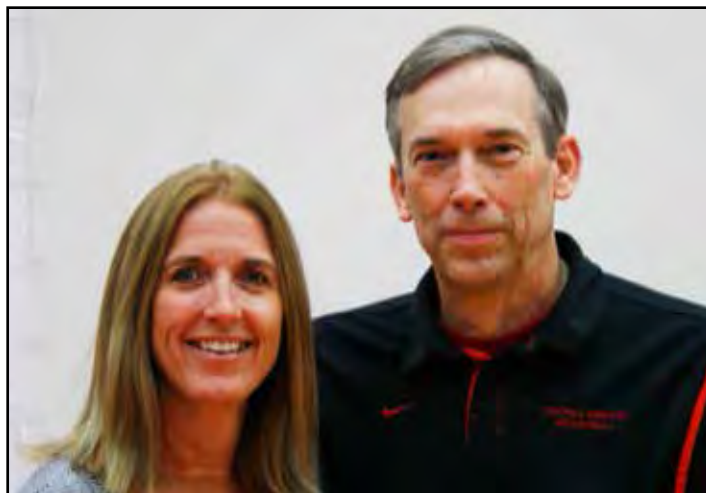

In 2010, he guided the squad to its highest postseason finish since 1987. UCM hosted a second-straight South Central Regional and were victorious, returning to the NCAA Elite Eight for the first time since 1996. In just his second season at the helm, the team worked its way to the NCAA national semifinal match, losing three close sets to second-ranked University of Tampa.

In his inaugural season, Piontek led UCM to its first outright MIAA championship since 1999, and earned the right to host the 2009 NCAA South Central Regional, where they advanced the regional championship game.

The Jennies have claimed 18 MIAA titles, and have been to the NCAA Tournament in each of his 27 seasons.

He specializes in teaching the technical aspects of the game, doing so during his tenure as an assistant. Piontek joined the Jennies program in time for the 1986 season. He spent three years prior to that (from 1982-84) as an assistant at the U.S. Air Force Academy, where he helped the Falcons win two league titles and finish third at the 1983 NCAA Division II Tournament.

While this is his first head coaching job at the collegiate level, Piontek has several years of experience in the club and professional ranks. In the summer of

Piontek with his wife, former Jennies All-American, Stacy Piontek.

2001, Piontek coached the Missouri/Kansas High Performance Team to a third-place finish at the inaugural USA Volleyball High Performance Colorado Cup.

In 1998, Piontek served as co-head coach of the Kansas City Lightning, the first professional women's volleyball team in Kansas City. He helped the Lightning to a 7-1 record and a regular-season league title before they fell in the semifinals of the playoffs to the eventual champion Nebraska Tornados. In the winter of 2013, Piontek joined USA Volleyball's Heart of America Havoc professional team as an assistant. The Havoc went 6-3 at the PVL Championships with a fifth place finish.

An Air Force veteran who played volleyball while in the service, Piontek is active in the sport as he has helped several teams qualify for the USAV Nationals as a player and was a nationally certified referee and scorekeeper. He also served as a line judge during the beach volleyball competition at the 1996 Summer Olympic Games in Atlanta.

Piontek earned his bachelor's degree in history from the Academy in 1975. He also received a master's degree in history from Indiana University later that same year and a second master's degree in business administration from Central Missouri in 1988.

Piontek and his wife Stacy have three sons. Joe (24), a 2012 UCM graduate who lives in Boulder, Colorado, Matt (22), who graduated from UCM in May 2013 and joined the Air Force in August, and Nick (18) is a freshman at the Air Force Academy. They also have two daughters, Hally (16), a sophomore at WHS and Shilpa (14), in ninth grade at WHS. Hally was a member of the 2013 and 2014 USA Gymnastics Junior National Trampoline & Tumbling Teams and is the junior national trampoline champion.

Stacy is the head of the PE department at Warrensburg High School. A member of Central Missouri's Athletic Hall of Fame, she was a two-time First Team All-American for the Jennies after transferring from the Air Force Academy, and capped off her two-year career by helping UCM to a runner-up national finish in 1987. She also played for the Kansas City Lightning in 1998.

ASSISTANT COACHES

CAITLIN PANKRATZ

ASSISTANT HEAD COACH (2ND SEASON)

Caitlin Pankratz is in her second season as a full-time assistant coach, and her 10th season overall as a member of the UCM volleyball program in 2014. Pankratz returned to UCM in the winter of 2013 as a full-time assistant coach after spending the 2012 season as an assistant coach at Spring Hill College, in Mobile, Ala., where she worked under former Jennies Hall of Fame head coach Peggy Martin.

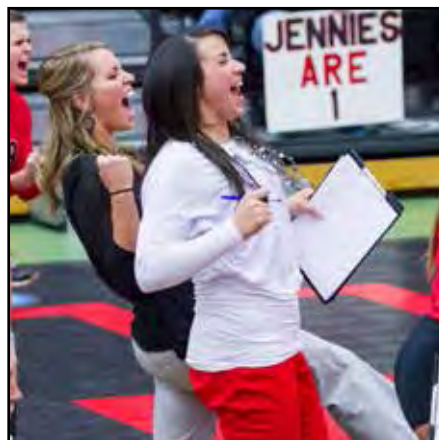

Prior to her post at Spring Hill, Pankratz was the Jennies' graduate assistant coach during the 2010 and 2011 seasons.

In 2009, she finished a five-year career for the Jennies ranked No. 2 all-time in assists with 5,502, the seventh highest career mark in MIAA history. She was named an AVCA All-American and first-team All-MIAA that year after guiding the Jens to the NCAA South Central Regional as the No. 1 seed and host of the tournament.

During her career at UCM, Pankratz led her teams to a 149-39 overall record playing for legendary Head Coach Peggy Martin from 2005-08 and her successor, current head coach, Flip Piontek in 2009. She was the starting setter for four years and a team captain for two, helping the team win 81 percent of its matches. The volleyball program's 2009 conference championship was the first since 2000, but the Jennies earned a bid to every NCAA postseason tournament during her career. Pankratz recorded double-figure assists in over 35 games in each of her four seasons, collected 47 double-doubles in her career and over 30 games her final three seasons of 30+ assists.

In the classroom, Pankratz was just as impressive. She made the Dean's list every semester at UCM and was an MIAA Presidential Honor Roll member numerous times for a 4.0 GPA. She made the MIAA Commissioner's Academic Honor Roll and the CoSida Academic All-District team three times. She was a two-time Academic All-MIAA honoree. She also received the prestigious NCAA Post-Graduate Scholarship, was named Outstanding Graduate for Accounting and was a finalist for the UCM Charno Award in 2009-10.

Pankratz was an active member of SAAC, as the past-president. Pankratz also managed to compete in a second sport, her senior season, as a member of the Jennies softball team. The Buhler, Kansas native graduated with a degree in accounting from the University of Central Missouri, holding a 3.88 GPA. She earned her master's degree in exercise science in the spring of 2012.

KASEY KIRCHHOFER

GRADUATE ASSISTANT COACH (1ST SEASON)

Kasey Kirchhofer is in her first season as a graduate assistant with Jennies Volleyball.

Kirchhofer played collegiately as a setter first at East Central College and then at Nicholls State. She appeared in two matches for Nicholls State during the 2011 season after transferring from ECC.

She was named All-Conference, All-Region and All-American in each of her two seasons at East Central. She helped lead ECC to a Midwest Community College Athletic Conference championship in 2010, as well as back to back NJCAA Region 16 Championships in 2009 and 2010.

The Hermann, Mo. native earned her bachelor's degree in Speech Language Pathology, graduating cum laude from NSU. She is currently pursuing a master's degree in Speech Language Pathology at UCM.

2014 JENNIES PREVIEW

Jennies looking to improve on last season's finish

The 2014 Jennies bring back three starters and a libero from last year's squad, which had the best record in Central Missouri Volleyball history and led NCAA-II in winning percentage. The team returns two of four All-Americans, but was plagued with injuries in the spring, creating a close competition for several starting positions. This year the Jennies will look to stay atop the MIAA, and make their 32nd-straight NCAA Tournament appearance.

Outside Hitter

Carly Sojka proved to be an intricate part of the Jennies' team, starting every match last season. The Junior Second Team All-MIAA selection was named MIAA Hitter of the Week once, and averaged 3.03 kills per set with a .242 attack percentage. She had the most double-double performances on the team, and recorded a personal best 26 kills in the finals of the MIAA Tournament against Nebraska-

Carly Sojka

Kearney. Sojka is an all-around player that will see playing time in the both the front and back row.

The Jennies lose hard hitting First Team All-American Taylor Goodness, but have several players capable of filling the other outside spot. Juniors and former high school teammates, Lauren Dudgeon

and Shelby Winkelmann top the list of replacements. Dudgeon played in 18 sets for the Jennies last season, with two starts, while Winkelmann returns to the sport after two years off. Winkelmann last played volleyball at the University of Nebraska, where she appeared in 20 matches for the Huskers in 2011. She is also a member of the Jennies basketball team. Redshirt Freshman Molly Lawrence and junior college transfer Jessica McDougald could also work their way onto the court.

Becca Blaise looks to reclaim her starting position at rightside, but may be delayed in her return as a result of a summer surgery. Blaise averaged 2.05 kills per set, and 0.52 blocks per set. She had two double-doubles, and had double figure kills in 11 matches last year as a true freshman. Ashley Jurgens will switch in at rightside if Blaise is not cleared by the start of the season. Jurgens has appeared in 13 sets in her career with the Jennies.

Middle Hitter

Haley Thompson returns at the net for the Jennies after starting all 35 games last season. Thompson was an All-MIAA and Daktronics All-Region Second Team selection, and was named Honorable Mention AVCA All-Region and All-America. She played in every set for the Jennies last season. As a freshman, she had the second best attack percentage in the MIAA at .337, and the most blocks on the team with 98 total.

Maddie Jones also returns this season, but her playing status is still up in the air after a spring injury. Jones had the highest blocks per set average, 0.81, and reached a team-high eight blocks in a single match three times last season. If Jones is not cleared by the start of the season, sophomore Mackenzie Harding or freshman Alissa Schovanec will play the middle. Harding had three starts last season, and played in 11 sets, with a career high five kills against Washburn and Southwestern Oklahoma State.

Haley Thompson

Setters

The Jennies will have to replace departed MIAA Player of the year, Julia Bates at setter. She was a three-time All-American and four-time All-MIAA selection, and was named MIAA Specialist of the Week three times last season. She finished her career fourth all-time in Jennies Volleyball history with 5,347 career assists and is the first Jennie to average more than 11 assists per set for her entire career. Lauren Overby was expected earn the starting spot after redshirting last season, but a fall injury that required spring surgery could push back her first game as a Jennie. While Overby was injured, Kourtney Thompson filled the setter position and gained valuable experience playing spring ball. The competition for the starting position is expected to be high between the two. Macki Pankratz is also a setter, but will redshirt this season after transferring from Emporia State in the spring.

Libero/Defensive Specialist

Annie Reilly returns to anchor the Jennies' defense. The Junior was the only member of the team to be named a Daktronics All-America honoree last season, and was also named to the AVCA All-America Second Team. Reilly averaged 0.59 serving aces per set, the highest average in the MIAA, and recorded two or more aces in 20 matches last season. She finished the year with a .979 return percentage, and averaged 5.29 digs per set. Freshman Lindsey Buehler and Katie Carlson will also compete for playing time in the back row.

Annie Reilly

Schedule

The Jens will once again face one of the toughest schedules in the country in 2014. UCM will face last year's No. 2 and No. 3 teams in the nation, Tampa and BYU-Hawaii, in their first two weeks of play at the Tampa Spartans Classic and the Colorado Premier Challenge.

Following the season-opening tournaments, UCM will jump into conference play, with two road games against Missouri Western and Southwest Baptist. September 20 the Jennies will host Pittsburg State in the home opener, with another home match on September 23 against Lindenwood. Next, the Jennies will take on Emporia State and Washburn in back-to-back road games on September 26 and 27. October will begin with a weekend of home matches against Fort Hays State and Nebraska-Kearney. The Jennies will play four of their next five matches on the road, returning to the Multipurpose Building for a rematch against Southwest Baptist on October 17. The rest of October is split between road and home games, finishing the month against Northwest Missouri in Maryville, Mo.

November 1 and 2 the Jennies will be on the road, playing Nebraska-Kearney and Fort Hays State before returning home for the final four games of the regular season. UCM closes out the regular season hosting Missouri Southern, Central Oklahoma, Northwest Missouri and Missouri Western. The NCAA-II Central Regional Tournament is scheduled for November 20-22 at a campus site to be determined.

2013 IN REVIEW

Senior Julia Bates earned the third All-America honor of her career and was named MIAA Player of the Year in 2013

Jennies Volleyball regained their top spot in the MIAA in the 2013 season as they captured a share of the MIAA Regular Season Championship with a 15-1 conference record. It was the fourth regular season title in five years under head coach Flip Piontek and the 23rd conference crown in the storied history of Jennies Volleyball. The Jens also captured the MIAA Tournament Championship and qualified for their 31st straight NCAA Tournament as they went 33-2 on the season and led NCAA-II with a .943 winning percentage.

Central Missouri opened the season by sweeping four games at the Hilltopper-Rattler Classic in San Antonio, Texas, including a win over 23rd-ranked Adams State. The Jens followed up that performance a week later by winning all four games at the Peggy Martin Challenge with another win over a ranked opponent, 23rd-ranked Ferris State. The Jennies won their first seven games without dropping a set and 11 of their first 12 wins were 3-0 sweeps.

UCM won 22 straight matches to open the season with four wins coming against ranked opponents, including a thrilling five-set come from behind win at No. 18 Truman State after trailing 2-0. The Jennies swept 12th-ranked Washburn on the road for win No. 22 before falling 3-1 at Emporia State for their first loss of the season.

The Jens rattled off seven straight wins to close out the regular season and earn a share of the MIAA Championship and the No. 1 seed in the conference tournament by virtue of their win over Washburn. The Jennies swept through the conference tournament, including a 3-2 thriller against No. 11 Nebraska-Kearney to earn the league tournament crown.

Central Missouri earned the No. 2 seed in the Central Regional and a third matchup with Nebraska-Kearney. The Jens dropped the first two sets to the Lopers, but won the next three to earn their third win over UNK in a three week span. UCM ran into seven-time national champion Concordia-St. Paul in the regional semis and fell 3-0 to finish the season at 33-2 overall.

Seven Jennies were named to the All-MIAA team, including senior setter Julia Bates earning MIAA Player of the Year honors. She was joined on the first team by outside hitter Taylor Goodness and libero Annie Reilly. Second team honors went to outside hitter Carly Sojka and middle hitter Haley Thompson. Right side hitter Becca Blaise

and middle hitter Maddie Jones were both named to the honorable mention squad.

Bates, Goodness, Reilly and Thompson all earned All-Region honors by both the AVCA and Daktronics. Bates, Goodness and Reilly earned First Team AVCA honors with Thompson earning honorable mention, while Reilly earned First Team accolades from Daktronics with the other three earning second team nods.

Goodness was named a First Team AVCA All-American with Bates and Reilly earning second team honors and Thompson earning honorable mention. Reilly was also named to the Daktronics Honorable Mention All-America Team. Bates became the seventh Jennie to earn three career All-America honors.

The Jens also excelled in the classroom with 16 players being named to the MIAA Academic Honor Roll with grade point averages of 3.0 or better. Bates, Blaise, Reilly and Thompson were all named MIAA Scholar-Athletes with GPAs of 3.5 or better and having earned all-conference honors. Mackenzie Harding was a MIAA Academic Excellence Award honoree with a perfect 4.0 grade point average. In addition, Bates was named a First Team CoSIDA Academic All-American.

Note: Matches against junior colleges and junior-varsity teams have not counted in the Jennies' win-loss record since 1981, but any played since then are included solely for historical purposes.

In 1987, All-American Pat Hempen and AVCA National Coach of the Year Peggy Martin led the Jennies to a 42-4 record, clinching the MIAA Championship and reaching the NCAA national championship match.

*Record includes one win by forfeit. †Acting coach while Martin was on an academic leave of absence. DNP = Did not place. Note: The Jennies began competing in the Mid-America Intercollegiate Athletics Association (formerly Missouri Intercollegiate Athletics Association) and on the NCAA Division II level in 1982. Prior to that, they were AIW (Division II since 1980) members on the state, regional and national levels. The MIAA champion has been determined by a double round-robin schedule since 1993; prior to that, a single round-robin schedule (one weekend from 1983-88 & two weekends from 1989-92) was used only for seeding purposes for the MIAA Tournament, which determined the conference champion. UCM's finish in the single round-robin standings is indicated in parenthesis. The AVCA (formerly CVCA) has conducted a Division II poll since 1986.

The Jennies have produced 48 All-Americans, including 38 AVCA All-Americans, fourth-most in Division II.

UCM has been ranked in every AVCA poll since 1986 -- a record 357 straight weeks. The Jens also have been in the final poll 28 times, most in Division II.

The Jennies have won 23 MIAA Championships, and have never finished lower than third in the MIAA.

The Mid-America Intercollegiate Athletics Association, a 15-member conference (beginning in 2012-13) of NCAA Division II institutions in Missouri, Kansas, Oklahoma, and Nebraska, was first organized in 1912 as the Missouri Intercollegiate Athletic Association.

Over the past 100 years, the MIAA has gained the reputation of being one of the top NCAA Division II conferences in the nation. MIAA student-athletes have won 15 NCAA team championships and, since 1964, more than 160 individual national titles. The MIAA currently conducts championships in eight sports for men and nine for women.

For the men, champions are crowned in football, cross country, basketball, indoor and outdoor track & field, baseball, tennis and golf. The women compete for titles in volleyball, cross country, soccer, basketball, indoor and outdoor track & field, softball, golf and tennis.

The MIAA turned a new page on July 1, 1992, when the NCAA Division II conference changed its name from the Missouri Intercollegiate Athletic Association to the Mid-America Intercollegiate Athletics Association.

The decision to make the change originated in 1989, when Pittsburg State University and Washburn University became the first schools outside the state of Missouri to gain membership in the MIAA.

The conference was first organized in 1912 with 14 member institutions. Of those original members, the University of Central Missouri, Truman State University, and Northwest Missouri State University still remain a part of the MIAA.

The first change in membership came in 1924, when the MIAA reorganized to include only the five regional Missouri state colleges: Central, Truman (at the time known as Northeast Missouri State), Northwest, Southeast Missouri State University and Southwest Missouri State University (now Missouri State).

Over the next 56 years, three schools joined the membership: the Missouri School of Mines (later the University of Missouri-Rolla) in 1935, Lincoln University in 1970, and the University of Missouri-St. Louis in 1980.

The 1980s brought the biggest changes in the conference. In 1981, Southwest Missouri State University opted to move to NCAA Division I and the MIAA appointed its first full-time commissioner, Ken Jones, in July.

He would be in the position for 16 years, retiring in 1997. Former Gulf South and Metro commissioner Ralph McFillen succeeded Jones, serving 10 years before his retirement in 2007. Jim Johnson succeeded McFillen in July of that year and served as commissioner until September of 2010. Dr. Bob Boerigter succeeded Johnson in September 2010.

Southwest Baptist University brought membership back to eight schools in 1986, before the major expansion of the conference in 1989. Pittsburg State, Washburn, Missouri Southern State College (now University) and Missouri Western State College (now University), formerly members of the Central States Intercollegiate Conference, began competition in the 1989-90 season.

Southeast Missouri State left the MIAA following the 1990-91 season to move on to NCAA Division I, and was replaced by Emporia State University in the 1991-92 season.

In August 1991, Judy Willson was hired as the MIAA's first full-time sports information director. She left in 1994, and was succeeded by Matt Newbery, formerly the assistant sports information director at Pittsburg State. He became the assistant to the commissioner for media relations

in 2005. Kellen Coleman replaced Newbery in 2009 as the Director of Communications. He left in the summer of 2012 and was replaced by Josh Slaughter, formerly the assistant sports information director at Emporia State. A third full-time staff member was added in 2005, as former Emporia State track and field athlete Natasha Oakes was hired as the assistant to the commissioner for compliance. She became the Assistant Commissioner for Compliance and Internal Operations/SWA before being succeeded by Renee Hultgren in 2010. The current MIAA Assistant Commissioner for Compliance and Internal Operations/SWA, Amber Feldman, replaced Hultgren in 2011. Larry House joined the staff in August 2007 as coordinator of external affairs, and is now the Assistant Commissioner for Championships and Business Development.

The membership of the MIAA was at 11 schools during the 2011-12 school year with the departure of Missouri-St. Louis in 1996 and Missouri-Rolla in 2005, the forfeiture of membership by Lincoln in 1999, the addition of Fort Hays State University in 2006 and the University of Nebraska Omaha in 2008, the re-joining of Lincoln in 2010, and the departure of Nebraska Omaha in 2011.

In 2012-13 the MIAA membership increased to 15 with the addition of the University of Central Oklahoma, Lindenwood University, the University of Nebraska-Kearney, and Northeastern State University.

The membership dropped to 14 when founding member Truman State departed the league following the 2012-13 academic year.

The University of Central Missouri transforms students into lifelong learners, dedicated to service, with the knowledge, skills and confidence to succeed and lead.

Future-Focused Academics

The world moves at a faster pace than ever before. UCM's innovative programs use new technologies to keep students up to date on the latest changes in their fields of study.

Our faculty members are accomplished in their fields as well. They bring their experiences in industry and academia to their classrooms for our on-campus students in Warrensburg and Lee's Summit, as well as to their virtual classrooms through our online programs.

Hands-on Experience

Learning by doing is a cornerstone of our 150 academic programs. Through hands-on experiences, students take their knowledge from the classroom and apply it in real-life situations.

Whether it's conducting research with faculty members, developing a business plan for a local company or battling it out in a national criminal justice competition, UCM students graduate well prepared for the future with practical, applicable experience.

Culture of Service

For more than 140 years, UCM's motto, "Education for Service," has been embodied by students who volunteer countless hours assisting communities, businesses and non-profit agencies.

This tradition continues today when student groups clear debris after a tornado or build homes for local families through Habitat for Humanity. Service has always been a foundation of the university. By learning at a university that values that service, UCM students continue to make an impact on their communities long after they graduate.

Global Perspective

UCM values diversity in thought, culture and people. As a result, the university takes a worldly perspective on education and prepares students to thrive in a globalized economy.

UCM's International Studies major examines global issues affecting human development, peace and security. The university's study abroad programs connect students with more than 60 countries and 285 universities worldwide. UCM also has nearly 600 students from 47 different countries represented on campus. Experiencing these different ideas, cultures and people gives our students a unique perspective and prepares them for today's global society.

President Barack Obama spoke to a crowd of UCM students, faculty and staff, and Warrensburg residents on July 24, 2013 at the UCM Student Recreation & Wellness Center.

Dr. Charles Ambrose *University President*

Charles M. Ambrose, Ed.D., became the 15th president of the University of Central Missouri on Aug. 1, 2010. A career educator who is a fervent advocate of servant leadership and engaged learning, he is committed to promoting academic quality, excellence in teaching and the collegiate experience.

During his first year at UCM, President Ambrose helped guide the institution through the building of a new Strategic Governance Model in partnership with the Association for Governing Boards. He also provided leadership through an extensive administrative and academic review process designed to provide a stronger, more viable educational experience for students, while also cutting operational costs.

Ambrose sought to build student enrollment, an effort that continues to pay off with the largest enrollment in the university's 140-year history. He has also begun a major initiative to encourage and provide assistance for students to graduate college within four years with less debt.

The president continues to build strong relationships with the men and women who serve this country. This includes the establishment of the Whiteman Advantage Program, which brings together personnel from Whiteman Air Force Base and the university to work cooperatively in creating new educational opportunities for military members. The university also developed the Military Tuition Package, which provides savings on an education for military men and women currently serving their country, as well as their spouses and dependents, and veterans.

Under his direction, the university developed a new strategic positioning initiative to provide a more articulated understanding of what makes UCM unique and helped guide the institution in establishing its future priorities. In fall 2012, Ambrose launched the new Missouri Innovation Campus, in collaboration with the Lee's Summit R-7 School District and private industry, which will allow students to begin college during their junior year of high school and complete a degree in four years with little or no debt.

President Ambrose attended Furman University, where he was a four-year letterman and captain of the soccer team. After graduating from Furman with a bachelor's degree in sociology, he earned two advanced degrees in higher education administration, a master's from the University of Louisville and a Doctor of Education degree from the University of Georgia.

Ambrose and his wife, Kris, are active in the community and have participated in charitable bike rides to raise funds and awareness for poverty, hunger and disease.

The Ambroses have two children; Charlie, a December 2013 UCM graduate, and Kathryn, a college sophomore.

Jerry Hughes Athletics Director

Under the leadership of Jerry Hughes, UCM's athletics program has enjoyed unprecedented success, highlighted by the dual NCAA basketball championships in 1984 by the Mules and Jennies, the 1994 and 2003 NCAA baseball championships, the 2003 women's Intercollegiate Bowling Association national title and the 2014 men's basketball national crown. In 2005, Hughes was inducted into the Missouri Sports

Hall of Fame.

Entering the 2014 fall semester, the Mules and Jennies have won 146 Mid-America Intercollegiate Athletics Association championships, six national championships, had 44 other top four NCAA finishes, and made more than 250 NCAA post-season appearances during Hughes' tenure. The Central Missouri athletic program also won the Mid-America Intercollegiate Athletics Association All-Sports Trophy each year from 1998-99 (the year of the award's inception) until the award was discontinued in 2002-03. UCM finished second in the NACDA Director's Cup in 2010-11, the best finish in school and MIAA history after finishing third the previous two years.

Hughes was named Central Region Athletics Director of the Year for the 1998-99, 2001-02 and 2010-11 seasons as selected by the National Association of Collegiate Directors of Athletics (NACDA). He is the first three-time winner - at any NCAA level--in the history of the Athletics Director of the Year program.

Hughes has been Central Missouri's athletics director since Jan. 25, 1983. Prior to that, Hughes had served as associate athletics director since July of 1981. In 1991-92, he served as the Mules' interim head basketball coach and guided the team to a 15-13 record.

Hughes has been a Division II member of the NCAA Executive Committee and chairman of the Division II Championships Committee. He also served a term as NCAA Vice President for Division II and has been a member of the NCAA Council, making him the only person to twice hold the highest-ranking office available to athletics administrators in NCAA Division II. Other NCAA committees on which he has served are the Membership Structure Committee, Administrative Committee, and Post-Season Football Subcommittee. He has chaired the NCAA Division II Management Council and Membership Growth Project Team and been a member of the NCAA Budget and Finance Committee and NCAA Administrative Review Panel, as well as the NACDA Sears Directors Cup Committee.

He has spearheaded fund-raising efforts for major renovations of the Central Missouri football and baseball stadiums, as well as the development of UCM's South Recreation Complex and Keth Memorial Golf Course Clubhouse. He is the founder of the Las Vegas High Desert Classic, a highly regarded NCAA Division II basketball tournament, which was held each December for 17 years in Las Vegas, Nev.

In addition to his service at Central Missouri, Hughes has served as Regional Director of the Show-Me State Games, and on the Governor's Council on Physical

Central Missouri Athletic Director Jerry Hughes, left, here receiving his plaque from Jerald Andrews, chairman of the Missouri Sports Hall of Fame Board, was inducted into the Missouri Sports Hall of Fame in the spring of 2005.

University of Central Missouri Director of Athletics Jerry Hughes and his wife, Vici.

Fitness and Health.

Hughes has been at Central Missouri since October 1979, when he took a position as business placement director. The following year he became director of student recruitment. In 1981, Hughes was chosen for the new position of associate athletics director.

A native of Versailles, Mo., Hughes received his bachelor's degree in physical education in 1971 from Central Missouri, with a minor in safety education. He was a three-year letterman on the Mules' golf team, receiving All-MIAA honors in 1971. He also obtained a master's degree in secondary school administration, which he received in 1979 from Central Missouri. Following his graduation in 1971, Hughes spent a year of active duty in the Army National Guard.

In 1972, he returned to his hometown and took a position as physical education instructor, head golf coach and assistant basketball coach at Morgan County R-2 High School. From 1977-79, he served as the school's athletics director and assistant principal.

He and his wife, Vici, have four children – Greg, Chad, Parker, and Ashley. They have seven grandchildren – Tanner, Rylie, and Dalton from Greg and his wife Catrina; Fallon, Kaiser, and Logan from Chad; and Sofija from Ashley and her husband Matt Ruzich. Vici works for UCM as Director of the Midwest Center for Urban Education and Charter Schools.

200 MIAA Titles, 8 National Titles

The University of Central Missouri has a long and rich history of excellence in athletics, both on the field of play and in the classroom.

Outstanding teams, combined with some of the finest facilities in Division II athletics give UCM's students, faculty and staff one more aspect of college life to enjoy with pride.

Always a contender for conference titles, Central Missouri belongs to the 14-member Mid-America Intercollegiate Athletics Association, which is recognized nationwide as one of the strongest conferences in all of NCAA Division II.

Since 1983, the tenure of Athletic Director Jerry Hughes, UCM has won or shared 146 MIAA championships, more than any other league school. All-time, the Mules have taken home 140 titles, while the Jennies are at 60.

Central Missouri has won six national championships since 1980 (men's and women's basketball in 1984--the first school in NCAA history to win both titles in the same season--baseball in 1994 and 2003, women's bowling in 2003 and men's basketball in 2014), and eight overall.

The Jennies volleyball team has been to the NCAA Tournament every season for the past 31 years, and the Mules have won 17 MIAA Indoor Track & Field titles in the last 20 years, and 10 of the

last 14 MIAA Outdoor Track & Field crowns. The Mules baseball squad has made 20 NCAA Tournament appearances in the last 21 seasons, including 13 Division II World Series berths in that span.

Seven UCM teams captured MIAA Championships in 2013-14, the most of any school in conference history and the second time UCM has accomplished the feat. Six teams finished in the top 10 in the nation via ranking or place. Mules Basketball won the NCAA-II National Championship, Mules Golf was fifth, Jennies Volleyball was sixth as was Jennies Outdoor Track & Field, Jennies Bowling finished in seventh as did Jennies Indoor Track & Field

Individually, UCM had 31 individual All-America seasons and performances. They also took home three individual national championships. Erin Alewine captured the pentathlon (indoor) title, while Heavin Warner captured the hammer throw crown (outdoor) for track & field and Frank Cagnina won the 149 lb. national title for Mules Wrestling.

UCM student-athletes once again excelled in the classroom with a department-wide cumulative GPA of 3.0. UCM had 220 student-athletes named to the MIAA Academic Honor Roll, including 17 Academic Excellence Awards for student-athletes having 4.0 GPAs and 47 Scholar-Athlete Awards with student-athletes having at least a 3.5 GPA and earning All-MIAA honors in their respective sports. In addition, 12 UCM student-athletes were named to the Academic All-Region Teams in their respective sports with seven earning Academic All-America honors.

Take a Mule Refresher and Learn What's So Special about Missouri's State Animal

Often called mankind's most successful hybrid, mules are the offspring of crossing a male donkey or jack with a female horse or mare. Since they can't reproduce, mules have been bred one generation at a time for more than 3,000 years.

A strong, resourceful beast of burden, the mule can outwork, outpull, outlive and outsmart a horse of similar size and type.

In 1995, the mule became Missouri's official state animal, but the long-eared creatures have been known as "Missouri Mules" long before then.

The term, "Missouri Mules," was used casually until it became famous at the historic 1904 St. Louis World's Fair. At that exposition a six-mule hitch belonging to W. A. Elgin of Platte County swept all competition, and a mule from a Morgan County farm received the \$10,000 Mayor's Award.

Newspaper accounts of this show-ring prowess brought worldwide attention to the state's mule breeders and helped assure that the largest and finest animals would be known as "Missouri Mules."

Central Missouri's Mancow is the only live mascot in the Mid-America Intercollegiate Athletics Association.

Many people assume that the relationship of mules and jennies is the same as that of siblings, but jennies are female donkeys. So, the relationship of mules and jennies is really the same as nephew/niece and aunt. Jenny is a common name but technically a female donkey is a jennet.

Popular with farmers and settlers because of its hardy nature, Missouri Mules pulled pioneer wagons to the Wild West and played a crucial role in moving troops, artillery and supplies in several wars. In fact, many of the mules used in World War I were shipped by train from Warrensburg.

The mule's affiliation with Central Missouri dates back to the early 1920s. When the 1921-22 school year began, school officials decided "Normals" and "Teachers" were no longer appropriate nicknames for UCM's athletic teams. Therefore, the school's Athletic Committee established a contest that promised the winner a three-year postgraduate subscription of the school newspaper. More than 80 suggestions were received, but the winning entry was submitted by John Thomason of Chilhowee, class of 1924, who felt at least one Missouri team should be known as "Mules."

Central Missouri's fifth mascot - Mancow - is the university's first real Missouri mule. The line-back brown mule comes from Paradise Mules in Belle, Mo. It took several months for farm manager Dave Ewing to find the perfect mule. He was determined to acquire the right mule trained to remain calm around big crowds and loud noises - that game cannon gets loud!

Mancow the Mule is the second UCM mule to be tall (14.1 hands), a result of her thoroughbred heritage. The university's first three mules were Shetland Pony breeds. She's the second mule to be presented to the university as a gift.

Erich "Mancow" Muller, '88, made a gift to purchase the new mascot. Abbedale, her immediate predecessor, was donated to the university by 1938 alumnus and well-known mule producer, Sam Smiser from Newhall, Calif. The 10-year-old mare mule represented the university at home football games and other events. UCM agriculture students care for her at Prussing Farm, a few miles east of Warrensburg on Division Road.

Following her first appearance at the 2004 Missouri State Fair, Mancow saw her first game action, as Central Missouri hosted MIAA-rival Northwest Missouri State on Sept. 11.

Top 10 Reasons to Admire a Mule

10. Affectionate and loving as a dog
9. Can carry heavy loads, up to 300 pounds
8. Rarely miss when they aim to kick something
7. Jump amazing heights from a stand-still start (go watch a mule jump at a county fair - it's amazing!)
6. Have a laid-back style and won't be rushed
5. Valued so highly, once bought sight unseen
4. Inspire attitudes - cum mula peperit (when a mule foals), similar to once in a blue moon
3. Knows when to quit (hence its reputation for stubbornness)
2. Intelligent and not afraid of working
1. Because it became our mascot in 1922, over the skunk, bobcat and hippopotamus!

Warrensburg, Missouri is a friendly community of 18,000 people near the intersection of U.S. Highway 50 and Missouri Route 13. It is located just 40 miles southeast of suburban Kansas City, with its many cultural offerings, entertainment options and professional sports franchises.

The county seat of Johnson County, Warrensburg is just four hours from St. Louis and three hours from Branson, Mo., with easy access by highway, Amtrak, or Greyhound bus. Other recreational opportunities include the beautiful Lake of the Ozarks 90 minutes to the southeast.

Warrensburg is a city that emerged from a frontier gathering place more than 150 years ago. In 1833, a blacksmith from Kentucky named Martin Warren chose a well-travelled spot along an Osage Indian Trail to build a cabin and set up his blacksmith shop. His shop served as an informal gathering place for local farmers. Three years after moving to Missouri, Mr. Warren's shop was named the county seat of the newly created County of Johnson. The township was named Warren's Burg in honor of the local blacksmith, and in 1855, the township was incorporated and became the City of Warrensburg. It is that same strong midwestern work ethic displayed by its founder, and the same friendly atmosphere shown by his neighbors that may be seen in Warrensburg today.

In the late 1800s and early 1900s Warrensburg was considered the Missouri Mule Capital because of the Horse and Mule Barn operated by the Jones Brothers on Railroad Street. Mules from the area won prizes at the State Fair (located just 30 minutes east in Sedalia, Mo.) and at even larger expositions like the one in St. Louis in 1904. The mule barn carried the motto, "Through these portals pass the meanest mules on earth."

Warrensburg is home to many historic sites, including "Blind" Boone Park, the historic Johnson County Courthouse, the Missouri Pacific Train Depot, and many historical churches.

It is also the site of the Old Drum Memorial Statue, in honor of Old Drum, the hound shot and killed by his owner's neighbor in 1869. Old Drum was eulogized by

George Graham Vest on September 23, 1870:

"The one absolutely unselfish friend that man can have in this selfish world, the one that never deserts him and the one that never proves ungrateful or treacherous is his dog."

Today the city's Park Department has eight park areas with a total of 326 acres, and a Community Center which offers a wide variety of recreational activities. Two public golf courses are available in town -- one at the Hidden Pines Country Club, and another at Pertle Springs, operated by the University of Central Missouri.

Other attractions in the area include Powell Gardens, a 1,250+ botanical garden just 12 miles west of Warrensburg on Missouri Highway 50 that contains hiking trails, picnic areas, and seasonal displays; Whiteman Air Force Base in Knob Noster, Mo., home of the B-2 Bomber; Knob Noster State Park; and the Missouri State Fair, held each August in Sedalia, Mo.

Of course, visitors to Warrensburg can also take in the exciting athletic events and various cultural experiences provided at the University of Central Missouri.

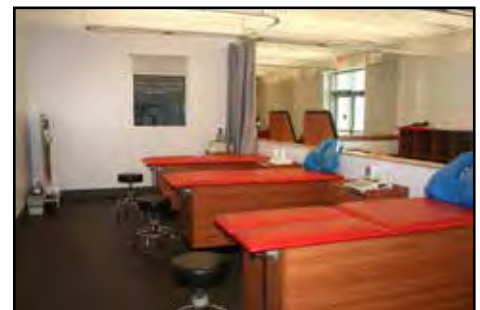

Central Missouri Athletic Training

The Dr. Ron “Doc” VanDam Athletic Training Facility was dedicated on January 22, 2011. In his 30-year tenure at Central, Doc treated and advised thousands of athletes, was an integral part of 78 MIAA Conference Championships, 41 MIAA Conference Tournament Championships, 26 NCAA Regional Championships and 3 NCAA National Championships as well as leading, teaching and mentoring the athletic training students at Central Missouri. Doc was foundational in setting the standard for success within the Athletics Department and the Physical Education Department at Central Missouri. His leadership was respected and appreciated while he served as the President of the Missouri Athletic Trainers’ Association, and as a member of the Missouri State High School Activities Association Sports Medicine Advisory Committee.

The Dr. Ron “Doc” VanDam main Athletic Training Facility as well as the Athletic Training Education Program occupies combined 6,000-square foot of the newly renovated, state-of-the-art Morrow-Garrison Student Recreation complex. The facility features state-of-the-art therapeutic modalities including the latest Electrical Stimulation/Ultrasound units, rehabilitation equipment including advanced Biodex isokinetic and balance/proprioception units, a hydro therapy area, advanced cardiovascular conditioning equipment, an on-site team physician office, and a corresponding athletic training student lab and classroom.

Media Credentials

All requests for press, photo, or broadcast credentials and press box space for Central Missouri home games should be made at least two days in advance to the Athletic Media Relations Office, Mike Knipper, Assistant Athletic Director for Media Relations:

Phone - 660-543-4312; **Fax** - 660-543-8034;

Email - knipper@ucmo.edu

Radio/Television Broadcasts

Approval for radio/television broadcasts of all Central Missouri home games must be received in advance from the Media Relations Office.

The Athletics Office at Central Missouri provides one telephone line for use by visiting radio stations on a reciprocal basis. Stations wishing to use the line should contact the Media Relations Office at least one week in advance.

Television stations seeking videotape highlights may wish to contact KMOS-TV.

Photographers

Photo credentials allow access to both the sideline and press box/row areas, and must be displayed at all times. NCAA rules require photographers to remain in their designated areas. Any questions should be referred to the UCM Athletic Media Relations Office.

Game Services

Working media members are provided with a program, pregame notes, and statistics, as well as complete final game statistics and play-by-play accounts.

Telephones/Internet

A limited number of telephones and telephone lines for electronic transmission of stories are available on a first-come, first-served basis. There will also be several network cable lines available for home basketball, baseball, and football games as well as wireless internet in those three venues.

Student-Athlete Interviews

Student-Athlete interviews during the week must be arranged through the Athletic Media Relations Office. Please make arrangements in advance. Home telephone and cell phone numbers, and email addresses will not be released.

All postgame interviews are to be conducted outside of the locker room area following a customary 10-minute "cooling-off period."

Athletic Media Relations Office

The UCM Athletic Media Relations Office is located upstairs in Room 203 of the Multipurpose Building. Telephone number is 660-543-4312. Fax number is 660-543-8034.

Follow the Mules and Jennies on KMOS-TV

During the season, media and fans can also keep up with the Mules and Jennies on "Sportspage," your weekly one-hour inside look at UCM Athletics on KMOS-TV, UCM's Public Television Station. Hosts will visit with Central Missouri coaches and student-athletes and review highlights of each week's action.

Mules & Jennies on the Internet

Media members and fans can access information about the Mules and Jennies around the clock, as information about Central Missouri Athletics, the MIAA, and NCAA Division II is available via the Internet. Access information at www.UCMathletics.com.

UCM football, men's and women's basketball, and select baseball, softball and volleyball game broadcasts may also be heard on the Internet by going to the link on the UCM Athletic Web Page or to www.warrensburgradio.com.

The Central Missouri Athletic website is maintained by the UCM Athletic Media Relations office, Mike Knipper director.

Fans can also receive updates via their cell phone by signing up for textcaster on the UCM athletics website.
