Penders was a four-year member of the UConn Captains' Council and served as that group's president during his senior year.

Penders graduated from UConn in 1994 with a degree in political science and added a master's degree from UConn in 1998 from the School of Education.

Penders worked in Washington, D.C., from 1994-96 as a political fundraiser for U.S. Senator Tom Harkin of Iowa. Penders returned to UConn for the 1997 season as a graduate assistant baseball coach and became a fulltime assistant coach for the 1999 season. He also founded and directs the Connecticut Baseball School. The popular camp holds sessions during the summer and winter vacation periods, along with a one-day fall session in October every year.

The connection between the Penders family and UConn athletics runs deep. Penders' father, Jim, and uncle, Tom, both graduated from UConn and played on the Huskies' 1965 College World Series team. Jim is a 1966 UConn graduate and recently retired as the baseball coach at East Catholic High School. He won 600 games in 43 seasons and coached his three sons. He was an infielder for the Huskies and had a career batting average of .279, including a .323 mark his senior year. He was a captain of the '65 squad and the only player to hit over .300 for the Huskies that season. Jim has won four Connecticut high school state championships at East Catholic and was named the national high school coach of the year in 1996. In the summer of 2008 he was inducted into the National High School Coaches Association Hall of Fame, and in June of 2009, the baseball field at East Catholic was named in his honor.

Tom, a 1967 UConn graduate, was the head men's basketball coach at Tufts

A native of Vernon, Conn., Penders was an all-state performer in baseball at East Catholic High School and served as his senior class president. In 2011, he was inducted into the ECHS Hall of Fame.

A daily runner, Penders completed his first marathon in Philadelphia in November 2011. Penders resides in Old Wethersfield, Conn. with his three children - a daughter, Tess Avery, and sons, James Henry "Hank", and Charles Edward "Charlie".

Connecticut '05**

Jeff Hourigan joined Jim Penders' staff prior to the 2012 season and is now entering his 14th season as an assistant coach in 2025. Hourigan, who played at UConn for two seasons, returned to Storrs after spending five years as an assistant coach and pitching coach at the University of New Haven. Hourigan is part of the longest tenured coaching staff in Division I baseball.

During Hourigan's time in Storrs, he has mentored the UConn hitters, specifically outfielders, and served as the recruiting coordinator. Since he came aboard, UConn has had 20 position players drafted or signed by MLB clubs. Hourigan has also helped mentored five All-Americans, with David Smith (2023), Erik Stock (2022), Kyler Fedko (2021), Vinny Siena (2015) and L.J. Mazzilli (2013) each earning All-American honors during their time in Storrs.

During the 2024 season, the Huskies won the NCAA Norman Regional to advance to the program's third Super Regional. Five position players (Korey Morton, Luke Broadhurst, Matt Garbowksi, Maddix Dalena and Bryan Padilla) earned All-BIG EAST honors en route to a fourth-straight BIG EAST regular season championship. Korey Morton signed a free agent contract with the Houston Astros after graduating in 2024.

Dominic Freeberger won BIG EAST Player of the Year in 2023 with the Huskies winning their third-straight BIG EAST regular season title and advanced to the program's fifth-straight NCAA Tournament. David Smith earned Second Team College Baseball Foundation All-American status and was drafted in the 14th Round of the 2023 MLB Draft by the Detroit Tigers. Five Huskies landed on the All-BIG EAST team (Freeberger, Smith, Ben Huber, Jake Studley and Luke Broadhurst). In 2022, the Huskies had five players earn All-Conference status with Stock, Korey Morton and Matt Donlan taking First Team honors while Casey Dana and David Smith landed on the second team. Under Hourigan, the Huskies won both the 2022 BIG EAST regular season and tournament championships and advanced to the Super Regionals for the first time under him. UConn scored the second most runs in a single-season with 528, hit .300 as a team for the second-straight season, led the nation with 166 doubles, which set a program record, and tied the program record with 83 home runs in a single-season. All those marks helped the Huskies set a program and New England record with 50 wins in a season.

In 2021, Kyler Fedko took home BIG EAST Player of the Year honors while five position players made the BIG EAST All-Conference team (Fedko (First Team), C. Winkel (First Team), Erik Stock (First Team), Pat Winkel (Second Team) and Reggie Crawford (Second Team)). En route to winning the BIG EAST regular season and tournament championships and the UConn coaching staff earning BIG EAST Coaching Staff of the Year, the UConn offense led the BIG EAST in batting average (.300), runs scored (384), hits (511), slugging (.476), on-base percentage (.386), doubles (106), home runs (62), and total bases (827).

During the 2019 season, the Huskies scored the third most runs in The American with 369. The 2019 offense set a program-record and led The American with 294 walks including Christian Fedko leading the league with 46. John Toppa and Anthony Prato both reached the 200-hit mark for their careers becoming the 20th and 21st Huskies to accomplish the feat. The Huskies scored 37 runs in the NCAA Oklahoma City Regional, the second most they've scored in a single NCAA Tournament. (2011, 50 Runs). The 7.4 average runs per game was the most UConn has produced in a single NCAA Tournament.

Anthony Prato earned First Team All-Conference status while John Toppa, Mike Woodworth and Christian Fedko landed on the second team. Prato was drafted in the 7th Round by the Minnesota Twins and Mike Woodworth was selected in the 29th Round by the Oakland Athletics.

In 2018, four players hit over .300 with Zac Susi (.335), Troy Stefanski (.326), Anthony Prato (.324) and Mike Woodworth (.302) eclipsing the mark. Isaac Feldstein earned First Team All-Conference honors. Susi landed on the second team and Christian Fedko was named the American Conference Rookie Position Player of the Year. In the 2018 MLB Draft, Susi was drafted in the 12th Round by the Pittsburgh Pirates.

During the 2017 season, junior third baseman Willy Yahn became the 19th Husky to collect 200 hits for his career. The Huskies placed two position players on the All-Conference team with Yahn and Anthony Prato getting second-team All-Conference nods.

In 2016, UConn won its first American Athletic Conference crown with Hourigan leading the UConn offense to the top of the conference in multiple offensive categories. The Huskies ranked first in runs scored (388), doubles (108) and walks (261). Joe DeRoche-Duffin was selected the Conference Player of the Year, while four other position players earned All-Conference honors; Willy Yahn, Bobby Melley, Bryan Daniello and Jack Sundberg. Individually, Willy Yahn was first in The American in hits (88), doubles (20), DeRoche-Duffin's cranked a conference-leading 17 HR's and Bobby Melley and Jack Sundberg tied for the top spot in the conference with 53 runs scored.

In 2015, the UConn posted a slash line of .288/.388/.416 to aid in scoring a conference-leading 6.5 runs per game. The UConn offense sent five to All-Conference teams and Vinny Siena followed Bobby Melley in 2014 to give the Huskies back-to-back NEIBA New England Player of the Year winners. The Huskies also had three hitters (Blake Davey, Joe DeRoche-Duffin and Siena) earn ABCA All-Region honors.

While working at New Haven for head coach Raphael Cerrato (now head coach at Rhode Island), Hourigan helped guide the Chargers to an East Coast Conference regular season championship (2008), an NCAA Regional berth (2010), and led the pitching staff to an ERA of 2.90 that was the second best mark in the country during the 2010 season.

Prior to his coaching career at New Haven, Hourigan was a student assistant coach for UConn during the 2006 season, working closely with the first basemen and pitchers. He split his collegiate playing career between Clemson and Connecticut, playing for the Tigers during the 2002 and 2003 seasons and was part of the Husky lineup during the 2004 and 2005 seasons. **Chris Podeszwa**  
Assistant Coach

**14**

**22nd Season  
Connecticut '93  
So. Connecticut G'03**

Chris Podeszwa has been a member of his former UConn teammate Jim Penders' coaching staff since Penders took over as head coach in 2004. Podeszwa's focus is primarily on the instruction of infielders and hitters. Podeszwa is part of the longest tenured coaching staff in Division I baseball.

Podeszwa has helped develop major league talent working with Nick Ahmed, John Andreoli, Mike Olt and George Springer during his time with the Huskies.

Podeszwa was inducted into the Waterford Athletic Hall of Fame in 2016. On November 25, 2016 Podeszwa and seven others represented the sixth induction class.

UConn earned an at-large bid to its sixth-straight NCAA Tournament during the 2024 season. The Huskies won their fourth-straight BIG EAST regular season championship and advanced to the program's third Super Regional appearance by winning the NCAA Norman Regional.

During the 2023 season, he helped the Huskies win 44 games and win their third-straight BIG EAST Championship.

In 2022, he helped the program set a program record with 50 wins and a trip to the program's second Super Regional after capturing the 2022 NCAA College Park Regional title.

In 2019, Podeszwa helped the program earn its fifth at-large berth to the NCAA Tournament and second-straight season. The Huskies have eclipsed 30 wins in 15 of the 18 seasons under Coach Dez and eight times in the past 12 seasons have posted 35 wins or more.

Podeszwa helped the Huskies capture their first-ever American Athletic Conference crown in 2016, helping guide the program to a 38-25 overall mark and its fourth NCAA Tournament appearance in the last seven seasons.

The 2014 Huskies finished in the top-100 nationally in on-base percentage, placing fourth in The American with a .364 mark. Podeszwa also helped three hitters (Blake Davey, Max McDowell, Bobby Melley) earn All-Conference nods, while Melley was named 2014 NEIBA New England Player of the Year.

In 2013, the Huskies finished with a .270 team batting average and an impressive .365 on-base percentage. UConn scored 318 runs in 63 games, averaging out to 5.05 runs per game. Podeszwa also guided second baseman LJ Mazzilli to an All-America season before he became a fourth round draft pick of the New York Mets.

Podeszwa was an integral part of the 2011 UConn club that won the program's first-ever BIG EAST Regular Season Championship and advanced to the NCAA Super Regionals for the first time.

In 2010, Podeszwa helped the Huskies' set new single-season records in hits, runs scored and RBI, besting the records the club set in 2009. UConn recorded 750 hits, 542 runs scored and 492 RBI in 2010.

After graduating from UConn in 1993, Podeszwa served as an envoy coach for Major League Baseball International in New York and Europe. His responsibilities included preparing the German Junior National Team for the European Championships while organizing coordinated clinics for youth players and coaches.

In 1995, Podeszwa moved to Sweden to play and coach for the Skelleftea Bears Baseball Club in Skelleftea, Sweden. His stay in Scandinavia was highlighted by both of his teams capturing the Swedish National Championship.

In 1996, Podeszwa was hired as the assistant baseball coach at Mitchell College in New London, Conn., and in 1998, he became the assistant baseball coach for the University of Connecticut's Avery Point branch under head coach Roger Bidwell. At Avery Point, Podeszwa helped lead his squads to the NJCAA Region XXI Championship in 1999 and 2000. Avery Point also captured the Northeast Region Championship in 1999 and earned a trip to the NJCAA Division II World Series.

In between summer evaluation and recruiting assignments for the Huskies, Podeszwa continues to serve as an assistant baseball coach for Yarmouth-Dennis of the Cape Cod Baseball League. He coached 15th seasons with the Red Sox, who won the league championship in 2004, 2006 and 2007.

Podeszwa played at UConn from 1990-93. He was part of the 1990 BIG EAST Championship club and played every position for the Huskies except center field. He and Penders were teammates at UConn for three seasons.

was presented to him in 1945 and again in 1959. He also received the "Gold Key", given by the Connecticut Sportswriters Alliance (1959) for outstanding contribution in Connecticut state sports. On April 29, 1960, the UConn Club presented "Christy" its annual outstanding contribution award. He was president of the American Association of College Baseball Coaches in 1960; and chairman of the NCAA District One Baseball Selection Committee, completing his term in 1958. He is in the ABCA Hall of Fame.

His active coaching career began in 1926 at Eveleth and included 28 years at the University of Connecticut, all as head baseball coach. A native of Roland, Iowa, he was educated in Wilmar, Minn., schools, and attended Hamline University and the University of Minnesota. Christian passed away on October 21, 1979, at the age of 81. He and his wife Corinne had three daughters, Marion, Anne, and Claire.

## J.O. CHRISTIAN

J.O. Christian began coaching football and baseball at UConn in 1934 following an eight-year term as head coach of all sports at Eveleth (MN) College, where his football team compiled a fantastic record, losing only once from 1929-33.

His baseball nines were in the NCAA College World Series in 1957 and 1959; and his 1958 club lost the chance when it bowed out to Holy Cross, 2-1, in 10 innings in a game for the New England representation. The 1959 team (rated by Christian as his best ever) had a 20-1 record, being undefeated in New England competition. He won nine out of 14 Yankee Conference pennants and two New England titles. His baseball teams recorded 258 wins, 170 losses and seven ties. During his 16 years as head football coach, he led his Huskies to 66-51-4 overall record. He served as interim basketball coach for part of the 1936 season.

The Connecticut Alumni Association's Outstanding Service Award "as the man who has done the most for the University" was presented to him in 1945 and again in 1959. He also received the "Gold Key", given by the Connecticut Sportswriters Alliance (1959) for outstanding contribution in Connecticut state sports. On April 29, 1960, the UConn Club presented "Christy" its annual outstanding contribution award. He was president of the American Association of College Baseball Coaches in 1960; and chairman of the NCAA District One Baseball Selection Committee, completing his term in 1958. **Larry Panciera**  
**1962-79**

## Larry PANCIERA

Larry Panciera was a member of the UConn athletics staff for 30 years. Panciera served as head coach of baseball at Connecticut for 18 years (1962-1979). He compiled a 297-160-5 record as head coach, was named NCAA New England Coach-of-the-Year six times and led Connecticut to the College World Series three times (1965, 1972, 1979). In 1979, his final Husky team recorded 31 wins as the Huskies won both the ECAC Division I New England Championship and the NCAA Northeast Region title to advance to the College World Series for the fifth time in school history. In his final year of coaching, Panciera was honored as the 1979 NCAA Northeast Regional Coach of the Year.

At Connecticut, Panciera was part of all five of UConn's trips to the NCAA College World Series, twice as an assistant in 1957 and 1959, and three times as head coach in 1965, 1972 and 1979. During his tenure as head coach, 40 student-athletes who played for Panciera at Connecticut went on to sign professional baseball contracts.

He spent his retirement years at his home in the Weekapaug section of Westerly, R.I., before passing away on September 8, 1998, at the age of 76. He was survived by his two sons, David and Michael.

## Andy BAYLOCK

**Andy Baylock**  
**1980-2003**

Andy Baylock retired in 2003 after 24 years at the helm of the baseball program. In January of 1996, Baylock was honored with induction into the American Baseball Coaches Association Hall of Fame at the national convention in Nashville, Tenn. Baylock's tenure was the winningest period in the illustrious history of Connecticut Baseball, leading the UConn program to 556 wins over his 24 seasons, averaging over 23 wins per season during his tenure.

Baylock's 24th season as the head coach of the Huskies was his 39th year of consecutive service to the Husky baseball program. Prior to the start of his head coaching career, Baylock spent 15 years as the top assistant coach to then-head coach Larry Panciera and also served as head freshman football coach. When Baylock's assistant coaching tenure is taken into account, he has been part of an overall UConn record of 812-614-11 during the past 39 seasons. The New Britain, Conn., native has personally coached 1,447 of the 2,327 games (62 percent) that have ever been played involving the University of Connecticut baseball program.

In the summers of 1985 and 1989, Baylock was the pitching coach for the U.S. Senior National Team that competed against other national teams in the United States, Cuba, Puerto Rico, Japan, Korea and Canada. He also was pitching coach for the U.S. squad that finished second in the International Harbor Tournament in Taiwan in the fall of 1988.

A graduate of Central Connecticut State University, Baylock and his late wife, Barbara, have three children, all of whom attended the University of Connecticut - Jennifer, Jeffrey and Andrea. He remains at UConn as the Director of Alumni and Community Relations for the UConn football program.

## Jim PENDERS

**Jim Penders**  
**2004-Present**

Jim Penders is in his 22nd season as head baseball coach after taking over for longtime Husky coach Andy Baylock in 2004. Penders, a 1994 graduate of the University of Connecticut, was a member of Baylock's most successful teams. Penders' teams qualified for three BIG EAST Tournaments (1992-94) with all three teams advancing to the BIG EAST Tournament Final. Penders captained the 1994 squad that captured the BIG EAST Tournament Championship. The 1993 and 1994 teams advanced to the NCAA Regional with the 1993 team earning only the second at-large berth in the history of the BIG EAST Conference. In Penders' four-year playing career, his teams tallied a record of 99-76-2.

Penders returned to UConn in 1997 to become an assistant coach and take over the Husky recruiting efforts. Since he took over as head coach at UConn, Penders is the all-time winningest coach at UConn and has compiled an overall record of 735-477-5.

The UConn baseball program has had several players, as well as former head coach Andy Baylock, involved with Team USA and USA Baseball.

Most recently, first baseman/left handed pitcher Reggie Crawford (2021), left-handers Mason Feole (2018), Tim Cate (2016 & 2017) and Anthony Kay (2015) played for the USA Collegiate National Team. Feole threw 11 scoreless innings in three appearances and two starts and racked up 11 strikeouts and only allowed three hits.

Cate became the first Husky to pitch for the red, white and blue for multiple seasons. Cate led the team with 20 strikeouts in 12 innings of work and recorded a 0.75 ERA in international competition.. Kay appeared in four games , including making one start. Recorded a 1.93 ERA in 9.1 innings, adding 13 strikeouts.

In 2011, second baseman LJ Mazzilli served as an alternate on the USA Collegiate National Team. George Springer and Matt Barnes played for the USA Collegiate Baseball Team during the 2010 summer. Barnes was 3-0 and held an ERA of 1.42. In 19 innings of work, he allowed three earned runs, while striking out 26 batters, which was second-best on the team. Springer led Team USA with seven doubles and 18 RBI. He batted .292 in 18 games and his grand slam against Japan lifted USA to a 4-2 win to advance to the gold medal game of the V FISU World University Baseball Championship.

In the winter of 1999, former Husky and 1988 Olympic Gold Medalist Charles Nagy was named to the 15-member All-Time USA Baseball team. Among other players named to the same team were former major leaguers Nomar Garciaparra, Mark McGwire, Robin Ventura and Will Clark. Husky catcher Brian Esposito trained with the United States Baseball program, joining the squad for USA Baseball tryouts in June of 1999.

Former Husky standout Jason Grabowski made two appearances at USA Baseball Camps in 1995, joining the program for USA Baseball tryouts in June and then attending the 1995 Fall Baseball Trials in November in Homestead, Fla.

In November of 1994, Grabowski and pitcher Mike Galati joined the long line of Huskies to train or compete with the United States National Baseball program. The pair joined a select group of 72 players invited to participate in the USA Baseball National Fall Trials in Homestead, Fla., from November 2-6, 1994. Connecticut was the only school from the Northeast represented and was one of only 16 Division I schools across the nation to be represented by two or more players.

In 1993, former Husky John Kelly was a member of the USA Baseball squad that represented the U.S. in Nicaragua at the Pan-American Qualifier for the 1994 World Championships. Kelly finished his stint with the team with a record of 2-0 and a 2.81 ERA.

In 1988, Connecticut had a trio of performers for USA Baseball. Charles Nagy was a member of the USA Baseball team that traveled to the 1988 Seoul Olympics and captured the gold medal. Nagy made 19 appearances for Team USA in 1988, going 3-1 with a 1.05 ERA and a team-leading six saves. He appeared in two games in the Olympics, pitching 2.0 innings and earning a save. UConn was also well-represented on the fall 1988 USA team that finished second at the Kaohsiung International Harbor Baseball Tournament in Kaohsiung, Taiwan. Former Husky shortstop Brian Specalski appeared in seven games, while former UConn coach Andy Baylock served as pitching coach. Baylock served three stints with Team USA as a pitching coach, in 1985, fall of 1988 and 1989.

## Elliot Ballpark

Elliot Ballpark becomes the new home of the Huskies in 2021 after the Huskies previously played at J.O. Christian Field from 1968-2019. Elliot Ballpark is named after Doug Elliot, a UConn baseball player from 1979-82 who was named Lawrence R. Panciera MVP during his playing career, and his family (wife, Sheila, and children, Doug and Jaclyn) for their support of the stadium project and the UConn baseball program.

The field's dimensions are 330' down the left field line, 400' to straight-away centerfield and 330' down the line in right field.

The entire field is covered in AstroTurf OPS and allows the Huskies to practice and play in a variety of weather conditions.

Elliot Ballpark features 1,351 seating capacity that features both seatback and bleacher seating behind home plate and along the first and third base lines. There will also be additional seating on the large berm area that extends all the way down the right field line. The Matt Barnes bullpen features three turf mounds for the Huskies and is named after 2011 UConn All-American and current Red Sox pitcher Matt Barnes. The visiting bullpen contains turf mounds and one dirt mound the Huskies can use prior to traveling to ballparks with dirt mounds. The press box features radio and TV booths, along with space for PA/Scoring and the press. Elliot Ballpark also features a video/scoreboard in right field. Lights will allow playing of night games for first time in program history.

The Huskies will also have their new player's locker room, lounge and coaches' offices in the new Rizza Family Performance Center, adjacent to Elliot Ballpark down the left field line. Five batting and pitching tunnels, an athletic training room and strength and conditioning area will also be featured in the Performance Center. There will also be a room that the team can utilize for meals and film.

## Facilities

### Mark R. Shenkman Training Center

Thanks to alumnus Mark R. Shenkman, the University of Connecticut joins the ranks of major universities nationwide with an indoor training facility that is utilized by all Husky teams and also by recreational services.

Shenkman's \$2.5 million gift, one of the largest ever to the UConn Division of Athletics, helped to build an intercollegiate, intramural and recreational facility that serves the entire UConn community.

The 85,000 square foot Mark R. Shenkman Training Center rivals similar facilities at other large universities. Featuring a 120-yard long synthetic playing surface, an 18,000 square foot strength and conditioning area and state-of-the-art video capabilities, the indoor training center provides UConn's teams with the most technologically advanced training equipment.

The UConn baseball team uses the facility primarily to work on its defensive drills. Thanks to the luxurious spatial confines provided by the Mark R. Shenkman Training Center, the Huskies can recreate a full infield diamond and a good portion of the outfield in order to facilitate their practice needs.

The University contracted with the Hartford-based firm of Jeter, Cook and Jeppson and with HOK Sport + Venue + Event, an internationally-renowned architectural firm based in Kansas City, to provide architectural and engineering services for the Mark R. Shenkman Training Center. The Mark R. Shenkman Training Center became the University's first project

certified as meeting the Leadership in Energy and Environmental Design (LEED) standards for "green" buildings. LEED designation is a process certifying that a building project meets a wide range of environmentally friendly criteria.

The new construction marks the first college or university athletic project in the nation to earn the designation.

A resident of Greenwich, Conn., Shenkman graduated from the Wilbraham & Monson Academy in Wilbraham, Mass. He received a bachelor's degree in political science from UConn in 1965 followed by a master's degree in business administration from The George Washington University.

Shenkman is the founder and president of Shenkman Capital Management, Inc., a registered investment advisor with offices in New York City and Stamford, Conn. He has served on the UConn Foundation's Board of Directors for eight years and has been a member of its investment committee. Shenkman was elected to the UConn School of Business Hall of Fame in 2002 and has endowed a classroom and the e-Commerce Chair for the business school.

Groundbreaking for the Mark R. Shenkman Training Center took place in the fall of 2004, with the doors opening in the summer of 2006.

### Rizza Performance Center

The University of Connecticut opened the Rizza Performance Center in January of 2021. The facility contains a five tunnel batting cage with state of the art technology for the team to use. The Huskies utilize HitTrax and many other data collecting and performance enhancing technology.

The facility also is home to the team clubhouse, coaches offices, weight room and athletic training room.

## UConn Dugout Club

### THE UCONN DUGOUT CLUB

The UConn Dugout Club is a group of friends of the University of Connecticut baseball team and aims to enhance the entire program with integrity while acting in the best interest of the University. The Club exists at the pleasure of the coach and the Athletic Administration. Established in 1991, as a booster club, the organization has grown from 19 founders to include over 500 active members.

The Dugout Club is UConn Baseball's "Margin of Excellence". The efforts of the membership have enabled the Husky program to benefit from a widely enhanced scholarship base, some of the best training facilities on the East Coast and first-class travel accommodations.

The UConn Dugout Club was conceived as a means (1) to enhance the UConn baseball program in achieving consistent respect as a conference competitor and (2) to provide its members opportunities to socialize at Storrs and to be kept abreast of the latest UConn baseball news.

#### MEMBERSHIP

Membership is open to anyone interested in supporting the efforts of UConn Baseball and the Dugout Club. Members are invited to attend the fall and winter socials, an annual golf day and meetings throughout the year. Also, in exchange for their dues, members receive gifts, several informative baseball newsletters and invitations to UConn baseball events.

Most importantly, members gain the satisfaction of adding to the "Margin of Excellence" by being an active ingredient in continuing the 100+ years of UConn Baseball's winning tradition. Good rallies always start in the DUGOUT!
