### BENEFITING THE SUSAN G. KOMEN BREAST CANCER FOUNDATION

On the first Sunday of each November, the San Diego Affiliate of the Susan G. Komen Breast Cancer Foundation hosts the Race for the Cure in Balboa Park. Since rowers are unable to participate in this event because of our season, we decided to put together the Row for the Cure on the last Sunday of October. This way, our community can participate in raising awareness and funds for breast cancer. Participating in the Row for the Cure is the first step in supporting the cause. Raising pledge dollars from family, friends and colleagues is what really makes a difference in supporting local programs and national research efforts!
