About the Susan G. Komen Foundation:

The Susan G. Komen Breast Cancer Foundation was established in 1982 by Nancy Brinker to honor the memory of her sister, Susan G. Komen who died of breast cancer at the age of 36. The Foundation is a non-profit organization with a network of volunteers working through local affiliates across the country, fighting to eradicate breast cancer as a life-threatening disease by advancing research, education, screening and treatment. Since its inception in 1982, the Susan G. Komen Foundation has raised and disbursed over **one billion dollars** to advance that mission. Thank you!

The San Diego Affiliate of the Komen Foundation was founded in 1995 and provides grants to organizations and medical clinics that serve individuals in San Diego County, addressing all ages and economic backgrounds, while placing special emphasis on the medically under-served. Seventy-five percent of the net proceeds raised stay here in our local area to provide the grants that will educate, screen and provide services for the medically under-served. Twenty-five percent is sent to the National office in Dallas, Texas and is contributed to the National Research Program.

In honor and in memory of our sisters, mothers, daughters, grandmothers, aunts, nieces, teammates, friends and neighbors; for the men and the 1 in 8 women who will be diagnosed with breast cancer, and those victims and survivors below: we Row for a Cure in 2011.
