Sunday, September 25th • Triton Soccer Stadium
UC San Diego vs. Cal State San Bernardino
(Women @ Noon • Men @ 2:30pm)

Club Trophy Competition

UC San Diego is pleased to invite all local soccer clubs to join us for the first annual Triton Soccer Kickoff which will feature the 2011 conference home openers for both the UCSD women's and men's teams.

Among the festivities will be a 10-event competition between the participating clubs with a specific point system per event determined by the total number of clubs involved. The club compiling the most overall points will win the perpetual trophy which it can keep in its trophy case for the next year. Here are the competitions.

Attendance – Club member sign-in will be at table located above the stands. Order of finish will be determined strictly by number of members checking in between 11:00 AM and 3:00 PM.

The following events will take place at halftime of the women's game and will involve girls from each of the clubs. They will also take place at halftime of the men's game and will involve boys from each of the clubs.

Four-person dribbling relay – Shuttle race through pole/cone course with each team required to have one player from each of these divisions—U-8, U-10, U-12, U-14.

Two-person juggling – Two U-10s or U-12s will kick a soccer ball back and forth for 30 seconds or until the ball hits the ground. As soon as the ball hits the ground, the team is out. If more than one team completes the 30-second segment there will be a "playoff" to determine order of finish.

Target Shot – One player (U-8) will get one shot from approximately 50 yards at a designated target on the soccer field. Closest shot to the target is the winner.

The following competitions will take place in the "Interactive Area," south of the field and will be open to anyone wishing to participate. The top finishing player from each club will be used as that club's representative.

Individual Headers – How many consecutive headers can a player perform in 20 seconds?

Individual Juggling – Rules to be available on site.

One more additional event will be determined later
