The Cause

Organized by the Triton Athletic Associates Board of Directors, all of the net proceeds generated by this annual golf event will go directly to support UC San Diego Athletics. The funds are used for a variety of programmatic needs including championship travel, equipment and facilities.

UCSD sponsors a 23-sport intercollegiate athletic program that competes at the NCAA Division II level. Its teams have won 30 National Championships and in eleven years, at the NCAA Division II Level, UCSD has finished in the top eight of the Division II Director's Cup competition (which ranks the best overall programs in the nation) ten times.

Balance is an integral part of the UCSD athletic philosophy and more than 65% of UCSD's 600-plus athletes carry cumulative GPA's of 3.00 or better.

Additionally, UCSD student-athletes, coaches and staff participate in and initiate a variety of community service projects every year. So, your involvement in this tournament does much more than just provide a great day on one of San Diego's finest courses. It supports a program that consistently turns out young people who are today's standouts and will be tomorrow's leaders.
