UC SAN DIEGO QUOTES [7TH PLACE GAME]

BRAD KREUTZKAMP, UCSD Head Coach

Opening statement

"It's very sentimental when you have to play the last game of the year. We have a good senior class and it was tough to lose a tight game. We wanted to knock them off and finish in the Top 10. It was a tough loss, especially for the seniors, who never stopped competing. We were a little bit slow getting into the game and we played a little down in the first quarter and it was hard to come back."

"We have tons of talent returning. There are a lot of sophomores on this team."

"I'd like to thank USC. This was a fantastic tournament and it feels very collegiate."

SARAH LIZOTTE, SR.

"This was my last game. It was hard to lose a game like that. We played hard for most of it."

"I've been here to the NCAA tournament three years now. I'm very blessed to be part of it. Every year is a new experience."
