#### WINNING THE BIG 12 NO CAKEWALK

If you think KU's success in the Big 12 is due to playing in a non-competitive conference, think again. The stats show that this is anything but the case. Over the last 19 seasons, the Big 12 has proven to be one of the toughest leagues in the NCAA, making KU's run of 15 league titles since 2004 even more impressive.

Beginning in the 2003-04 season, the Big 12 has ranked as the nation's No. 1 conference in the RPI/NET rankings six times and in the top-three on 11 occasions. The Big 12 was the only league that ended the 2020-21 season with seven teams and 70 percent of its membership in the top 36 of the NCAA NET ratings.

The stoutness of the league is also highlighted by KU's strength of schedule during this stretch, which has been among the toughest every season. The Jayhawks have posted a top-10 strength of schedule 10 times in Bill Self's 18 years at KU, which includes the nation's strongest schedule five times, including 2019-20.
