TOURNAMENT HISTORY: The 2012 Fred Marx Invitational marks the 13th time the tournament has been held and the third time since a brief hiatus in 2009. ULM's men's team began the tournament, but the women's team took it over in 2006 during their innagural season. ULM's top finish came in 2006, but they placed third last year thanks in part to carding the school's 54-hole record. Troy University is the defending two-time champion.
