2017 BRADY KEEPER 2019

Brady Keeper, a sophomore defenseman for the Black Bears, was signed as a free agent at the conclusion of the 2018-19 season. The Florida Panthers came to terms with the Cross Lake, Manitoba, native after Maine's season ended in the 2018-19 Hockey East playoffs.

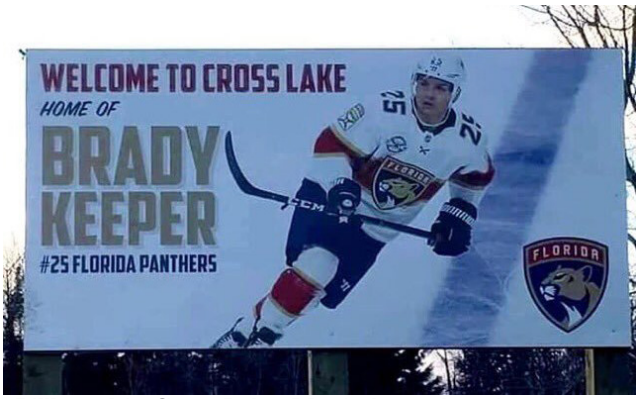

"He's one in 30 million," Alfie Michaud said. "It's remarkable."

"Brady is a promising puck-moving defenseman who possesses strong offensive instincts and plays a physical game," said GM Dale Tallon. "He has been a leader for the University of Maine and found success as one of the team's top defenders. We are excited for Brady to join the Panthers and continue to grow his game."

In his final season, the 22-year-old Keeper appeared in 36 games with the University of Maine, leading all Black Bears defensemen in goals (7), assists (15) and points (22). The 6-foot-2, 194-pound native of Cross Lake, Manitoba, played two seasons for the University of Maine (2017-18 to 2018-19), appearing in 73 games and producing 44 points (13 goals and 31 assists).

Prior to his collegiate career, Keeper played 161 games for the Opaskwayak Cree Nation Blizzard of the Manitoba Junior Hockey League (2013-14 to 2016-17), recording 133 points (52G/81A) and was named the league's top defenseman and most valuable player in 2016-17.

Keeper is currently on the Panthers' active roster and figures to play a roll in new head coach's, Joel Quenneville, defense.

UNIVERSITY OF MAINE SPORTS HALL OF FAME CLASS OF 2017

1993 NCAA National Championship Team

Last year marked the first time that a team was ever inducted into the University of Maine Sports Hall of Fame, with that same 1992-93 National Championship squad leading the way once again. The team - arguably the greatest team in the history of college hockey - went 42-1-2 en route to the national title.

After going unbeaten through the first 32 games of the season, the Black Bears dropped a 7-6 overtime contest on Feb. 19 to Boston University. That would be the only loss on the year, though, as the team reeled off 12-straight wins, including a 5-4 win over Lake Superior State in the NCAA Championship game.

In the title game, the Black Bears jumped out to a 2-0 lead on goals by Patrice Tardif and Chris Ferraro before Lake Superor scored four unanswered goals to take a 4-2 lead into the third period. Jim Montgomery then scored a hat-trick in a span of four minutes and 35 seconds, with Kariya - the first freshman to the win the Hobey Baker Award - assisted on all three of the captain's goals for the epic comeback win.

That season, the Black Bears averaged 6.5 goals per game while only alloweing 2.4 goals per game.

From that team, the late head coach Shawn Walsh, forwards Jim Montgomery, Paul Kariya, goaltenders Garth Snow and Mike Dunahm and defenseman Chris Imes have already been inducted into the UMaine Sports Hall of Fame as individuals -- and this year are joined by their legendary assistant coach from that championship season, Grant Standbrook.

Assistant Coach Grant Standbrook

Grant Standbrook spent 21 seasons behind the bench at UMaine, serving as an assistant coach on Maine's 1993 and 1999 National Championship teams. While at Maine, he racked up an impressive 506-234-69 record as an assistant and was the 2005 recipient of the Terry Flanigan Award, presented by the American Hockey Coaches Association to honor an assistant coach's career body of work. In total over his career, he coached and mentored 34 All-Americans, eight U.S. Olympians and two Canadian Olympians and a pair of Hobey Baker Award winners (Scott Pellerin, Paul Kariya). In total over his 38 seasons in collegiate coaching, Standbrook developed 69 future National Hockey League players.

COACHES/STAFF

RED GENDRON, HEAD COACH

Red Gendron enters his seventh season as head coach of the University of Maine men's ice hockey team. He led the Black Bears to a mark of 15-17-4 and a 6th place finish in the conference in the 2017-18 season. #9 Northeastern hosted UMaine in the Hockey East Quarterfinal Round. The Huskies defeated the Black Bears 2-1 in each of the two games in Boston.

Gendron coached the Black Bears to a 16-15-4 record and a spot in the Hockey East quarterfinals in his inaugural 2013-14 season. During the 2014-15 season, he coached a pair of Second Team All-American selections in Ben Hutton and Devin Shore during the 2014-15 season. The duo also earned Hockey East First Team honors and were each selected All-New England as well. During the 2016-17 season, Gendron guided the Black Bears to a 11-21-4 record. At the end of the 2017-18 season, Coach and the Black Bears earned a 18-16-4 record. They hosted and defeated New Hampshire in the first round of the Hockey East playoffs. Providence College, who played in the conference championship series, knocked off the Black Bears in the second round.

Gendron, who has won two NCAA Hockey National Championships and a NHL Stanley Cup as an assistant coach, was named University of Maine head men's ice hockey coach on May 28, 2013. The hiring of Gendron linked the success of Maine's past with the promise of the future, as his first college hockey coaching experience was with the Black Bears, where he assisted Coach Shawn Walsh with the 1993 NCAA Division I National Championship team.

"I am fully aware of what this program means to our current players, our alumni, the university and to our fans throughout the state, and I am equally aware of the championship-caliber results they demand from their Black Bears," said Gendron, adding how life-changing the experience was.

"All of the wonderful things that have happened to us since that time would not have been possible if not for the University of Maine, Shawn Walsh, Grant Standbrook, and all of the champion players and coaches who were part of our first Maine experience. The energy and passion within and surrounding this program are inspiring and have not diminished in my absence," Gendron said.

In his 34-year coaching career, Gendron has worked with championship teams at all levels.

Before being named the head coach of the Black Bears, Gendron was associate head coach at Yale University; the Bulldogs earned the 2013 NCAA Division I National Championship. Prior to Gendron's two seasons at Yale, from 2005-11, he was an assistant coach at the University of Massachusetts, helping the Minutemen reach the 2007 NCAA Tournament.

Gendron spent 11 seasons in professional hockey with the New Jersey Devils organization. From 2002-04, he coached the Albany River Rats of the American Hockey League. From 2000-02, he scouted for the Devils and from 1996–2000, Gendron was an assistant coach of the Albany River Rats, leading the team to two appearances in the AHL conference finals.

From 1994-96, Gendron was assistant coach for the New Jersey Devils, where his responsibilities included on-ice practice and video/statistical analysis. The team won the 1995 Stanley Cup after finishing as Eastern Conference finalist in 1994. During the 1993–94 season, he was a technological specialist for the Devils. Gendron earned three NHL championship rings as a coach and has twice had his name engraved on the Stanley Cup. He was an assistant coach for the New Jersey Devils when they captured the Stanley Cup in 1995, and was an assistant and head coach, respectively, with their AHL team in Albany when the Devils won the Stanley Cup in 2000 and 2003.

Gendron's previous stint at UMaine began in the fall of 1990, where he was an assistant coach for three seasons. His responsibilities included bench coaching, practice planning, and coaching the forwards and power play on one of the best teams in college hockey history.

For 11 years, Gendron was a head and assistant coach in Vermont and New Hampshire. Gendron also has international coaching experience. He has guided eight USA Hockey Teams, including the U.S. National Junior Team on three occasions. In the 2004–05 season, Gendron was head coach and general manager of the Indiana Ice of the United States Hockey League. At Bellows Free Academy in Vermont, he guided squads to four state championships in the 1980s.

Gendron earned a master's degree in education from UMaine in 1993. USA Hockey uses Gendron's book, "Coaching Hockey Successfully," as the advanced-level manual for its coaching education program.

Gendron is fluent in French and speaks some Russian. He graduated in 1979 from New England College in Henniker, N.H, where he was a three-year hockey captain.

He and his wife, Janet have two daughters, Katelyn and Allison.
