- There is no cheering allowed in the press box. Violators will first receive a warning, and upon any repeat violation, will be asked to leave.

Any breach or failure to comply with these terms, conditions, rules and/or regulations may result in the cancellation and withdrawal of the media credential, including but not limited to expulsion from the athletics event for which it was issued, and denial of a media credential for any and all future athletics events.

COACHES & STAFF

BEN BARR, HEAD COACH

Ben Barr enters his fourth season as the head coach of the University of Maine men's ice hockey team in the 2024-25 season. In just three seasons, Barr has steadily returned the Black Bears' hockey program to among the nation's elite.

During the 2023-24 season, Barr guided Maine to a 23-12-2 record and spots in both the Hockey East Tournament championship weekend and the NCAA Tournament for the first time since the 2011-12 season. The Black Bears earned a national ranking for the first time in over three years and the team went on to sustain that success by earning a ranking for 21 consecutive weeks for the first time in nearly 20 years. The team also made a return to the national top 10 for the first time since 2012 and earned a spot in the top five for the first time since 2010.

Off the ice, the 2023-24 team recorded the program's highest fall grade point average ever last year with a 3.71. In each of Barr's first two seasons, at least 22 student-athletes earned a spot on the Hockey East All-Academic Team. Maine led Hockey East with six Hockey East All-Academic All-Star Team members in 2021-22, and tied for the most members in the 2022-23 season with four. Additionally, there have been 27 AHCA Academic All-American nods.

In Barr's first season behind the bench, Maine went 7-22-4. He won his first career game on Nov. 12, 2021 with a 6-5 victory against Merrimack at Alford Arena. In Barr's second season in 2022-23, the Black Bears improved to 15-16-5 overall.

Barr arrived at UMaine with 15 years of assistant coaching experience in Division-I programs and a tradition of success at each of his stints at five different institutions.
