What to Note

Kansas City Notes

- The Roos open up the month of October with their final non-conference matchup of the year, a meeting on the road with No. 8 Louisville. It will be Kansas City's third match so far this season against a nationally-ranked opponent, the first against a team within the top-10.
- A strong schedule has been an emphasis of Coach Ryan Pore since arriving on campus. This will be the Roos' 12th match against a top-25 team since the start of the 2021 season. In those games, KC has earned three draws, but is still looking for its first victory.
- The Roos' last win against a top-25 team came in 2008, a 1-0 defeat of No. 3 Creighton on Sep. 13. Kansas City would go on to win the Summit League that season, the Roos' most recent appearance in the NCAA Tournament.
- Kansas City is still searching for its first road win of the season. The Roos hold an 0-2-2 record away from Durwood Soccer Stadium so far this season, with draws coming against Bradley and St. Thomas, and losses to Utah Valley and UCSB. In games played at home, KC is 2-1-2.
- Luke Hoelting reached the scoresheet in the Roos' most recent match, a draw with St. Thomas. It was the second goal of the season for Hoelting, and the second of his career. Both goals have come in eventual 1-1 draws.
- With an assist on Hoelting's goal in St. Paul, Brice Middleton tied himself for the team lead in total points with six. He joins both Hector Taboada and Julien Le Bourdoulous at that mark.

Louisville Notes

- The Cardinals enter tonight's meeting with a 6-2-1 record, but are coming off their worst loss of the season, a 3-0 defeat at the hands of Virginia.
- These two programs have met just once before, a 1-0 win for Louisville on Sep. 5, 2004. That game was also played at Louisville.
- The Cardinals have three results over top-25 teams so far this year, wins over No. 16 Tulsa and No. 19 Kentucky, as well as a draw with No. 4 Syracuse.
- Louisville's Gage Guerra is a goal scoring machine, notching six goals in seven appearances and ranking ninth nationally in goals per game.

Hoelting Scores in Draw

9/29/23

ST. PAUL, Minn. - Still seeking its first road win of the season, Kansas City Men's Soccer traveled to St. Thomas this afternoon and settled for a draw, 1-1. The Roos got a goal from Luke Hoelting midway through the first half and had opportunities to add more, but were unable to capitalize. A goal in the 66th minute from the Tommies tied things up, and sent both teams home with a point.

KEY MOMENTS

11' / 0-0 | The Roos first opportunity of the day came as Hector Taboada sent a through pass to Julien Le Bourdoulous on the right side of the goal, but the shot opportunity was just wide of the mark.

22' / 1-0 | Brice Middleton forced a turnover by the Tommies in the attacking third and immediately went to work. He eventually sent a pass to the foot of Hoelting, who latched onto the ball and sent it into the top netting for the goal.

23' / 1-0 | The Roos wanted another goal right after the first, building possession and finding Brevyn Cole up the right sideline. Cole pushed in to the middle of the field and let a left-footed shot fly, but it was collected by the UST keeper.

43' / 1-0 | St. Thomas applied pressure in the final minutes of the first half, resulting in a cross to the front of the goal mouth. A header was sent towards the net, but Stefano Camerlengo was in the correct position and made the save.

Camerlengo Named DPOW

9/25/23

KANSAS CITY - Notching a game-high four saves and leading Kansas City Men's Soccer to a Summit League opening draw with Omaha, Stefano Camerlengo was named the Summit League TicketSmarter Defensive Peak Performer of the Week for the week of Sep. 18-24. It is the first time in Camerlengo's Kansas City career that he has earned the league's weekly award.

"Stefano has been solid in goal for us all year and I'm happy to see our whole back line gets recognized," Head Coach Ryan Pore said. "We will need to be better in certain areas in the defense but Stefano is a large part of what we can achieve back there."

64' / 1-0 | After Samuel Nagy drew a foul just outside of the box, Le Bourdoulous sent a beautiful service to the middle of a crowd, finding Seth Kacich. Connecting with a header, Kacich's shot sailed just above the crossbar.

66' / 1-1 | A free kick bounced around the box before it was put into the net by the Tommies for an equalizing goal.

67' / 1-1 | The Tommies had another opportunity on a free kick shortly after their first goal, but the shot was easily handled by Camerlengo.

82' / 1-1 | Kansas City applied pressure on the UST kicker and forced a turnover, as Middleton sent the ensuing pass towards a soaring Murguia, but he could not quite make use of the open goal.

STATS TO NOTE

Six Roos attempted shots on the day, led by Le Bourdoulous with three and Christian Koffi with two.

Griffin Cook did not play in the first half, but made a substitution at halftime and played the full second half.

Kacich maintained his streak of full-time games, playing the full 90 minutes, as he has in each game so far this year.

Hoelting's goal was his second of the year, with the first coming in the Roos' 1-1 draw with No. 18 SIUE on Sep. 8.

The Roos' league-opener was action packed, filled with weather delays and physical play. Camerlengo was a steady force for the Roos in the net, and after allowing a 31st-minute goal he did not let the Mavericks reach the scoreboard again. In the second half, as the Roos searched for an equalizing goal, he made three key saves including an 82nd-minute save that let KC stay in the match.

On the season, Camerlengo ranks first in the league with an average of 4.57 saves per game. He is also third in the league at a .711 save percentage and is one of just three Summit League keepers with a shutout on the season.

The Roos are back in action this week in Minnesota, traveling to St. Thomas for a meeting with the Tommies on Friday afternoon.

Roos Draw with Mavericks

9/25/23

KANSAS CITY - Kansas City Men's Soccer battled through weather delays and physical play in the team's Summit League opener, fighting to a 1-1 draw with Omaha this afternoon. After a slow start offensively, the Roos picked up in the second half, attempting 12 shots and culminating in an 89th minute equalizing penalty kick for Edson Murguia.

KEY MOMENTS

8' / 0-0 | Julien Le Bourdoulous fired off the Roos' first shot of the match, hitting low and center on Omaha goal to attempt to take the lead, but it was saved by the Omaha keeper.

31' / 0-1 | Omaha owned the advantage in possession for most of the first half, and it caught up in the 31st minute as the Mavs found the back of the net.

47' / 0-1 | The Mavericks looked to strike again early in second half action, but Stefano Camerlengo had no issue with the save.

76' / 0-1 | Christian Koffi shot a laser from the right side of the goal in efforts to tie things up, but the ball pounded off the crossbar and ricocheted across the pitch. Shortly after the shot, the game was sent into a lightning delay that kept both teams off the field for over an hour.

Middleton Named OPOW

9/18/23

SIoux FALLS, S.D. - After scoring his first two collegiate goals in the span of five days, including the equalizing goal in the Roos' eventual 2-1 victory over Creighton, freshman Brice Middleton has been named the Summit League Offensive Peak Performer of the Week.

"Brice has improved tremendously over the course of the season so far and deserves this recognition," Head Coach Ryan Pore said. "We look forward to his continued improvement and for him to be the consistent attacking threat that we know he can be. The best part is, Brice is a team player and recognizes the support and trust his teammates have shown in him."

Seeing his playing time consistently increase throughout the season, Middleton played a season-high 59 minutes in the win over the Bluejays, taking three shots and placing each of them on goal. The best one came in the 64th minute, as Hector Taboada sent a ball to the back post, finding Middleton for a tap-in goal to equalize.

89' / 1-1 | In the final minutes of play, the Roos looked for Brice Middleton in the box, who was spun around and flung to the ground, resulting in a penalty kick opportunity. Murguia stepped up and calmly deposited the ball into the left side of the goal while the Mavericks keeper lept to the right, equalizing the game.

STATS TO NOTE

Murguia's goal was his first of the season and the third of his Kansas City career. His most recent goal came on Nov. 10 of last year as the Roos defeated Oral Roberts in the Summit League Semifinals.

The Roos attempted 14 shots on the game, with 12 coming in the second half. Their 14 shots total marks the fifth-straight game that KC has attempted at least 11 shots.

Camerlengo finished the day with four saves, bringing his season total to 32.

In the Roos' narrow loss at the hands of UC Santa Barbara, Middleton proved an attacking force again, taking two shots and placing both on frame. He found the back of the net in the 80th minute, taking another pass from Taboada and sending a blazing shot past the Gauchos' keeper.

With two goals and an assist, his five points place him third on the Kansas City squad and tied for 10th in the Summit League. He leads the team in shots on goal with eight, good for third in the league.

This is the first weekly award of Middleton's young career. The Roos are back in action for the start of Summit League play this week, hosting Omaha on Saturday evening.

HEAD COACH RYAN PORE

Ryan Pore Coaching File

Experience: 2023 is his 11th season (4th as Head Coach)

Kansas City Record: 16-22-15 (4th year)

Career Record: Same

- 2017-19: Associate Head Coach, Tulsa
- 2013-16: Assistant Coach, Tulsa
- 2005-12: Player, Portland Timbers/ Montreal Impact/KC Wizards

On Jan. 14, 2020, Kansas City Director of Athletics Dr. Brandon Martin announced the hiring of Ryan Pore as the new Roos head men's soccer coach. Pore played professionally for seven years, including four seasons from 2005-08 with Sporting Kansas City. He came to Kansas City from the University of Tulsa, where he had been on the coaching staff since 2013. Pore enters his third year at the helm for Kansas City Men's Soccer in 2022. In three seasons as the Roos' head coach, he has posted an 15-20-11 record, including an 11-7-6 mark in Summit League play.

Pore led Kansas City to a 7-5-5 record in the 2022 season, the program's first winning season in 12 years. The Roos posted a 4-1-3 mark in conference play, including a draw with No. 8 Denver, the first result over a top-ten nationally-ranked team since 2008.

For the second-straight year, the Roos took the fourth seed into Summit League postseason play, matching up with top-ranked Oral Roberts in the Semifinal round. The Roos battled to a 2-2 draw in regulation, and a beautiful free kick by Arne Neufang found the back of the net in overtime and sent the Roos into the league finals for the first time since 2009.

Pore led Christian Koffi and Kazuki Kimura to First Team All-Summit League Honors, while Kotaro Hirokawa was placed on the Second Team and Cooper Clark earned All-League honors for the third-straight year, being named to the Honorable Mention list.

"We are excited to have Ryan join our KC Athletics family," said Kansas City Director of Athletics Dr. Brandon Martin. "Ryan's pedigree as a player, proven success in recruiting, and commitment to the holistic development of student-athletes, made him the ideal fit for our program. I'm excited for our future in men's soccer."

In the 2021 season, the Roos took on a gauntlet of nationally-ranked opponents, playing a program record six teams that were ranked-or-receiving-votes in the national polls. Against No. 15 Virginia Tech on Aug. 26, KC picked up a 2-2 tie, the first result against a ranked opponent since 2013.

The Roos picked up the No. 4 seed heading into the Summit League Men's Soccer

Championship, where they took on No. 1 seeded Denver. Kansas City battled for 110 minutes of scoreless soccer before the Pioneers advanced in a 4-3 penalty shootout.

Cooper Clark was named Summit League Goalie of the Year for the second-straight season, while Arne Neufang and Kazuki Kimura each earned All-Newcomer and Second Team All-Summit Honors.

Pore turned heads around the League in his first year, finishing fourth in the Summit League standings at 5-4-1. Pore guided the Roos to their first in-conference winning record in five seasons and highest conference finish in eight years.

Pore picked up his first career head coaching win on Feb. 22, 2021 in his Durwood Soccer Stadium debut, defeating Summit League opponent Omaha by a score of 3-1. The Summit League success proved no fluke, as the Roos went on to sweep Omaha and Western Illinois and take four points from Eastern Illinois.

At the end of the season, Pore brought home 2020 Summit League Coach of the Year honors. Additionally, Cooper Clark won Goalkeeper of the Year and was named First Team All-League, four Roos were named Second Team All-League and four more were named to the All-Newcomer Team.

In his time at Tulsa, Pore began as an assistant coach and was promoted to associate head coach in his final three seasons (2017-19). Under the direction of head coach Tom McIntosh, Pore helped TU post a 56-49-23 (.527) overall record in seven seasons, claim three American Athletic Conference championships and advance to the NCAA Championship three times. Also, he helped mentor five players who would eventually go on to play professionally, including Tony Rocha, the 73rd overall pick by Sporting KC in the 2015 draft.

"I want to thank Dr. Martin for trusting in me to lead the next chapter of this program," said Pore. "There has been great success here over the years and I want to add to that foundation. Also, I want to thank the University of Tulsa for helping me in my professional development and to coach McIntosh, who has been a mentor over the past few years and a lifelong friend."

Pore has familiarity with the Kansas City culture and soccer in the region. After being drafted 16th overall in the 2005 SuperDraft by Sporting KC, he would go on to play in 58 career games scoring three goals in a four-year span with the professional club. He cited that experience nearly 15 years ago as an attractive quality of taking this position.

"Obviously, I have a history with Kansas City living there for four years. I'm familiar with the city and the University is in a beautiful part of the city. Academically, the University has great things going for it to attract the quality student-

athlete that I'm looking for. The area has a rich history of soccer. In just my short time there, you can feel the passion of the fans."

The 2020 soccer season will bring a different kind of change as the Roos become full members of the Summit League – a conference they were a part of from 1994-2013. That change is something that Pore is looking forward to.

"Moving to the Summit League will be exciting giving us the ability to renew some regional rivalries and get to the NCAA Tournament, which is ultimately what we want to do. I think it helps in recruiting, the overall awareness of the game and the great sport of soccer. I think it's a great move for us and I'm looking forward to it."

In three seasons (2002-04) as a player at Tulsa, Pore became the program's only two-time All-American, and finished his career ranked second in points (123) and goals (51). As a junior, Pore set TU's single-season record for goals (22) and points (55), and the single-game mark for assists with five. He was a two-time Missouri Valley Conference Player of the Year in 2003 and 2004 and a two-time All-MVC First-Team performer (2003 and 2004). Pore was tabbed to the All-Midwest Region First Team twice, while concluding the 2003 campaign as the nation's second-leading scorer and was the top scorer in the country in 2004.

While he played professionally, he also had coaching stints with the Blue Valley Predators (2008), Bridlemile Soccer Club (2009-10) and Tulsa Soccer Club (2012), as well as serving as a volunteer student assistant coach during the 2012 season at Tulsa.

Pore earned his bachelor's degree in organizational studies from Tulsa in 2013. He is married to Ashley and they have one son, Luca, and a daughter, Stella.
