## ▶2018-19SEASON OUTLOOK

**COLLEGE PARK, Md.** - The 2018-19 Maryland women's basketball season will be highlighted by student-athletes ready to leave their mark on one of the nation's most dominant and consistent programs. With a roster filled with talent, hard workers and student-athletes ready for the opportunity, head coach Brenda Frese and her staff will have 10 Terrapins ready to make the most of their minutes on the court. This year's Terps bring more experience in big time games to the table.

"I really love what I've seen from this team so far," Frese said. "They have a chance to have a really special season. We can be a more complete team than we were last year, because we frankly had some deficiencies we couldn't hide. I'm certain we'll shoot the ball better. One key part of it will be getting a healthy Blair Watson back on the court.

This is a very motivated and competitive bunch. Their fitness level is high as we start the preseason. We owe a big thanks to Kyle Tarp and our Basketball Performance staff for that. They're going to be fun to coach and I think they're going to be fun to watch and support. We've added some phenomenal people and players to our Maryland family and our fans are really going to enjoy getting to know them. And to those fans, I'll add that you not only take the ride with us, but you give us the fuel."

"Last season was a great opportunity for growth for all of us," Frese said. "Kaila Charles became our leader and had to produce every game. That's a responsibility not every person embraces and she welcomed it. Blair Watson was becoming a terrific two-way player until she got injured. Channise Lewis got her baptism by fire as a freshman. I could go on about other players that had to produce for us to have a chance to win. None of that is easy. I think it was a valuable year in terms of us learning what it takes to bring it every

play, every posession, how to close out games, how to battle back from being down, all of those valuable lessons that build winners."

## **New Faces**

The Terrapins welcome four newcomers in freshman Shakira Austin, Taylor Mikesell and Olivia Owens and junior Sara Vujacic. Austin is a 6-5 forward that was ranked No. 3 in the country. Mikesell is a knock-down shooter that won the national three-point competition and Owens was ranked No. 33 in the class.

"With the newcomers on our roster, there's a lot to like," Frese said. "Shakira Austin gives us size and ability unlike any player we've probably had at Maryland in the frontcourt. She picks things up quickly and brings a lot of energy.

Taylor Mikesell is going to be a very good player for us. She comes with the reputation as a terrific shooter, but she's a lot more than that. She might be the most vocal freshman point guard I've ever coached. She already knows where players are supposed to be.

I can't wait for our fans to meet Olivia Owens. She is a really engaging, fun person. She's got a chance to grow into a very good player for us. She's learning every day and she's a bright young lady."

Vujacic is a shooting guard that played two seasons in community college in Tennessee and averaged 16.7 points per game.

"Sara Vujacic is one of the hardest workers you will see," Frese said. "She really appreciates everything around her. I think she really has a chance to impact the game for us. She can really shoot the ball and is a very fluid athlete."

### **Point Guards**

The Terrapins will look to Lewis and Myers to help distribute the basketball this season, but fans will also see Mikesell help run the floor as well. Last year, Lewis was the No. 2 freshman in the country in assists (4.7).

"We have some really smart players that can fill the point guard spot," Frese said. "Last year it was a big unknown entering the season. Over time, we saw Channise Lewis can steady the ship. She understands who to get the ball to in situations. Sarah Myers, I can't say enough great things about her as a team player. She does whatever we need her to do.

Taylor Mikesell will add a new dimension to the position. Defenses will have to honor her ability to shoot the ball. She can get points in a variety of ways and she can help her teammates score as well."

## Wings

Maryland has the most depth at the wing position with multiple players with a variety of strengths to contribute. Their wings can rebound, shoot and drive with the best in the country. The wing position will start with Charles, Watson, Vujacic and Mikesell.

Watson was averaging 13.9 points per game and was leading the Big Ten in three-point percentage and was the most improved scorer in the league before suffering an ACL tear Jan. 10 in practice. She has been hard at work in rehab and recently, on the court.

"On the wing, we'll have good options and versatile players," Frese said. "It will be great to see Blair Watson back on the court. We're going to be smart with her and not rush it, because experience shows that each player has their own timeline for when they get back to 100 percent physically and mentally."

Charles was forced to play more in the frontcourt last season, but with more depth this year, she will be able to play more on the wing as well. She averaged 17.9 points per game and shot over 50 percent from the field.

"Kaila Charles will show off her versatility again this season," Frese said. "She will play all over the court. I had a highly respected WNBA coach tell me that her versatility might be her greatest value.

Sara Vujacic is going to help a lot. She will be a threat from three and she can drive and pull-up. Sarah Myers and Taylor Mikesell can both also slide to the wing. I like the idea of having two or three shooters on the perimeter together."

#### **Front Court**

The Terps will look to continue to be a dominant inside team after leading the league and being among the best in the NCAA in rebounding. Fraser, Jones and Charles led the way in the paint last year and all are ready to do even more.

Fraser scored in double figures in 20 games last year and has shown even more of her athleticism.

"Brianna Fraser has shown us all what she's capable of doing on the court and she has brought it this preseason. She is playing like a senior," Frese said. "She has a lot of ability and can make some highlight type plays."

Stephanie Jones led the Terrapins in field goal percentage at 58.8 percent with 10.8 points and 6.5 boards per game.

"Stephanie Jones always seems to be in the right spots at the right time," Frese said. "Like her big sister, she's very easy for a coach to trust, because she knows what she is supposed to do."

Newcomers Austin and Owens will make an impact on the Terps' post game.

"Shakira Austin is the big addition to this group," Frese said. "She has what it takes to impact most phases of the game. Olivia Owens has a chance to be a true low post player, which would make her unique."

## **Staff**

The Terrapins will welcome new faces and new evergy to the sidelines in 2018-19. Assistant coach Shay Robinson will enter his fifth season in College Park, while Frese hired Karen Blair as an assistant and Kaitlynn Fratz as an interim assistant. Blair brings over 19 years of experience with time at VCU and SMU. Former assistant Terry Nooner accepted a job with the Cleveland Cavaliers in August and Frese promoted staff member Kaitlynn Fratz to the interim role.

"We have some new faces on our staff and I really, really like what they bring to our program," Frese said. "Karen Blair is very sharp and will be a terrific voice on our team. She is a basketball junkie and has a lot of ideas. I like ideas, because I want to be challenged and I want our staff to feel empowered.

We were happy for Terry Nooner when he got the call from the Cleveland Cavaliers to rejoin his childhood friend Tyronn Lue. When he told me about the opportunity, I told him I totally understood. It's an amazing dream come true for him.

Filling Terry's spot on staff, I didn't want to make a rushed hire. Experience has taught me that the right fit is worth the wait. That being said, we have a young star in Kaitlynn Fratz sliding into the role. She has terrific energy, loves people, works hard and she loves Maryland."

Frese promoted Director of Video Sean Ehlbeck to also oversee the Terps' scouting.

"Danielle Hemerka left to go to Physical Therapy School and now that assignment goes to Sean Ehlbeck," Frese said. "Sean started out on the ground floor with us as one of our male practice players when he was a student here."

Former Terrapin Anjale Barrett was hired as an assistant at LIU Brooklyn.

"Finally, we were thrilled for Anjale Barrett when she got hired as an assistant coach," Frese said. "That created a vacancy we filled with Tori Jankoska. After coaching against her, I'm glad to have her on our side. Our fans should remember her as a star player at Michigan State. We got to know her during our time at the World University Games in Taiwan. I was really impressed with her and knew I would love to have her energy around our team."

Jankoska earned All-Big Ten honors in all four years and First Team honors in 2017. She became the Michigan State career scoring leader and the first Spartan women's basketball player to eclipse the 2,000-point mark. Jankoska also became Michigan State's all-time leader in three-pointers made with 320 and free throws made with 478. She was also second in career assists with 489.

She was drafted ninth overall by the Chicago Sky in 2017 and played professionally in Poland last season.

Feb. 6, 2014.

 The Terps won 48 straight home games starting Nov. 9, 2007 with a 76-52 season-opening win over Princeton. The streak ended on Jan. 21, 2010 with an 80-77 loss to Miami.

### Overtime is Our Time

The phrase, "Overtime is our time!" became one of the catch phrases from the Terps' 2006 NCAA title run. That 2005-06 team went 6-0 in overtime games and won the national title in extra time vs. Duke.

- The Terrapins currently have the longest active streak in the country without an overtime game at 195 straight games. Their last overtime game was a 92-81 win over Wake Forest in the ACC Tournament Quarterfinals on March 8, 2013.

- In the 2007-08 season, Frese was not on the sidelines for two of the Terps' overtime games. She missed a 97-86 double overtime loss at North Carolina on Jan. 26, 2008 and a 74-71 win at Virginia Tech on Feb. 4, 2008, due to her pregnancy with her sons.
- The Terps' only overtime loss with Frese on the sidelines was a 95-91 loss at Florida State on Jan. 16, 2005.

## **BrendaFRESE**

## 501-150 (20th year)/444-120 (17th year at Maryland)

There was no better fit for the University of | sophomore to be named Maryland women's basketball program than head coach Brenda Frese. The 2002 Associated Press (AP) National Coach of the Year arrived in College Park with great expectations and has not disappointed. Reviving a onceprominent women's basketball program back to the national stage, her high work rate and positive attitude has resulted in three Final Fours, 14-straight top 15 recruiting classes and a National Championship in 2006. Frese has balanced that strong work ethic with a fun and family-friendly environment, also becoming a wife and a mother of twin boys, giving birth to them in the midst of one of the most successful seasons in the program's history. With the birth of her twins in February of 2008, she becomes one of only six coaches to win a national championship and be a parent.

Now in her 17th season at Maryland, Frese has guided Maryland to a National Championship in 2006, three Final Fours, 15 winning seasons, 14-straight 20win seasons, seven 30-win campaigns and 14 trips to the NCAA Tournament. In 2013, she signed an extension for many years to come.

Frese and her staff led the Terrapins to an unprecedented level of success in their first year in the Big Ten in 2015. After losing five seniors, including three starters and a three-time All-American, Maryland led the league in scoring with 80.2 points per game, en route to a perfect 18-0 conference record in a new league and a 24game win streak over three months. The Terrapins were the first team to go undefeated in conference play since Purdue went 16-0 in 1998-99 and Ohio State went 18-0 in 1984-85. The Terps were the first Maryland team, men's or women's, to stay perfect in conference play. Frese was named Big Ten Coach of the Year for the second time in her career

Former Athletics Director Deborah A. Yow courted the 2002 AP National Coach of the Year because of Frese's reputation for making amazing turnarounds and her relentless work ethic in recruiting. Described as dynamic, overachieving, determined and enthusiastic, the 44-year old coach is one of college basketball's stars. Standing atop the podium in Boston in 2006, Frese became the fifth-youngest coach (age 35) in NCAA history to win a national title and only the ninth to win in her first trip to the Final Four.

Frese has built the team's success around recruiting, hard work and a positive atmosphere. The instant she arrived on campus, she determinedly worked the recruiting trails in an effort to reclaim the elite status Maryland once had in the 1980s. Success came quickly and early. Before she even coached a game in the newlyconstructed XFINITY Center, she received commitments from a pair of high school All-Americans, including Shav Doron, who went on to become a three-time All-ACC pick and a WNBA Draft selection. In all, 30 high school All-Americans have donned a Maryland uniform under Frese's reign.

Thirteen of Frese's recruiting classes at Maryland have been ranked in the top-15, including 12 rated in the top-10 and seven in the top five. The landmark signings of Crystal Langhorne, Laura Harper, Jade Perry and Ashleigh Newman were rated No. 2 in the country, while the class of Marissa Coleman and Kristi Toliver was ranked No. 4 - the core of the Terps' national championship team. Her 2010 batch of Terrapins included three high school All-Americans and a No. 2 national ranking.

Frese's recruiting classes have lived up to their billing and her pupils have earned numerous accolades. In 2012, Alyssa Thomas became the first Maryland

a WBCA All-American, and was also named to the AP All-American First Team and the USBWA All-American Team. The first Terp in 17 years to garner All-American nods in 2006, Langhorne was a threetime AP and USBWA All-

American, the program's first multiple All-American. She was selected a WBCA All-American in 2007, the first in school history since 1989, and then again received the accolade in 2008.

Toliver repeated Langhorne's AP, WBCA and USBWA All-American "trifecta" in 2008. The legendary point guard, however, became the first Terp in school history to be named to the AP's All-America First Team as a senior in 2009 - to go along with another set of WBCA and USBWA All-American laurels. Coleman, Toliver's classmate, also earned AP, WBCA and USBWA All-American honors at the conclusion of her illustrious senior campaign in 2009.

Frese's players have also received numerous conference honors. Thomas was named ACC Player of the Year as a sophomore in 2012. She is just the second sophomore in the history of ACC women's basketball to earn the league's most prestigious honor and went on to win the ACC Tournament MVP honor that year. Thomas garnered the league's top honor in her junior and senior seasons as well and was just the second player in history to earn the honor three times. In her final season, Langhorne was selected the ACC's Player of the Year, the first Terp to win the award in nearly 20 years. Toliver followed suit in 2009 - the third Terp ever to win the award. In 2005, Langhorne became the program's first ACC Rookie of the Year since 1991. Coleman followed in her footsteps by nabbing the honor during the Terps' championship campaign in 2006. Center Lynetta Kizer and Thomas made it four Terps in six years to be named the league's top freshman when they won in 2009 and

In all, 35 Terps have received All-Conference citations in Frese's years, including a school-record four in 2008 when Langhorne, Coleman, Toliver and Harper were selected and in 2012 when Thomas, Tianna Hawkins, Laurin Mincy and Lynetta Kizer were honored. Six Terps have been First Team All-ACC selections 13 times in Frese's tenure. Langhorne became Maryland's first three-time, first team all-conference selection and the first to be named All-ACC four times. Coleman joined Langhorne as the lone Terps to ever be selected to an All-ACC team four times, stamping her three secondteam honors with a first-team selection in 2009. Thomas was also a four-time selection and three-time first team honoree

Numerous Terps have also garnered national recognition under Frese. Toliver became the first Terrapin to earn the highest point guard honor in the country, winning the Nancy Leiberman Award in 2008, after being a finalist the previous year. Several have earned spots on national player of the year candidate lists, making history in the fall of 2006. That year, for the first time ever, four players from the same team were selected preseason candidates for the WBCA's prestigious Wade Trophy when Doron, Coleman, Langhorne and Toliver were put on the Watch List. All five starters were tabbed preseason honorees for the Naismith Award, also a first in the history of the award.

Maryland has rewritten several records over the last few seasons. In 2007-08, the Terps became the first team in NCAA history to have four active players with at least 1,000 points on the same roster. That year, school records were broken for most home wins (21), which is also believed to be an NCAA record. The team opened the 2006-07 campaign winning 18-straight games, setting the program record for best start to a season. Maryland ended the 2008-09 campaign having won a school-record 36-straight home games, thanks to undefeated home marks in two successive seasons, and 40-consecutive non-conference games at the XFINITY Center. In the 2009-10 season the Terrapins extended that streak to 48, a Maryland men's and women's basketball record.

In 2005-06, the team's 34 wins set a school record, shattering the previous mark of 29. The championship squad also set new standards for highest road winning percentage (.900), points (3,166), field goal attempts (2,363), 3-point field goals (216), 3-point attempts (540), free throws (690), free throw attempts (924), team free throw percentage (.747), rebounds (1,720) and blocked shots (195).

Numerous individual records have also fallen in recent years. Among the most notable are the career scoring and rebounding records, which now own to Thomas. Langhorne shattered the previous marks, becoming the first-ever Terrapin to score 2,000 points and to grab 1,000 rebounds - an elite list of which Coleman later joined.

Maryland's rise into the upper-echelon of the country has bolstered the excitement surrounding the team. Over the last ten years, the program has ranked in the top-25 in the nation in attendance, including top-10 rankings in five of the last 10 seasons. In 2007, Maryland recorded the nation's largest one-season improvement in home attendance, averaging 9,533 fans in 16 games, almost double the average from the previous season (4,183) - with more than 150,000 people making their way through the XFINITY Center turnstiles, a school-record. By the end of the '07 campaign, the Terps were sixth in the nation in average attendance and fourth in overall attendance, as 241,280 spectators filled the stands at home and on the road to watch the Terps play in 34 games. In 2008, Maryland hosted over 160,000 fans in 21 games and was ranked eighth in the nation in average attendance that year, followed by a No. 6 ranking in 2009 (133,336 in 15 games).

One of the highlights of the 2006-07 campaign was the announcement of two sellout games in XFINITY Center, the first- and second-ever in the young facility. The stands were filled to capacity when the Terps hosted North Carolina on Jan. 28, 2007, breaking the ACC's single-game record, the first women's basketball sellout since 1992. The record was matched in the regular-season finale on Feb. 18, 2007, when Duke came to College Park.

In the classroom, the Terps have also been all-star students. Frese's Terps have earned 40 Academic All-Conference honors, while five have received Academic All-American nods by ESPN The Magazine/CoSIDA.

## Assistant Coach • 1st year • SMU '99

Maryland head women's basketball coach Brenda Frese announced the hiring of assistant coach and recruiting coordinator Karen Blair in May 2018. Blair brings over 19 years of coaching and recruiting experience to College Park.

Blair coached at Virginia Commonwealth for the past three seasons. Prior to her time in Richmond, Blair served as an assistant and interim head coach at UT Arlington, and an assistant at Colgate, North Texas, and her alma mater, Southern Methodist.

"I am thrilled to welcome Karen into our Maryland family," Frese said. "She fits our team and program and makes us stronger. Karen brings a wealth of experience on all fronts, which will elevate us in all areas. She's a triple threat with her

knowledge of the game, organization of recruiting and her connection to her players. As excited as I am about what Karen will bring to our program, our fans are going to enjoy her because she's even better as a person."

Blair helped the Rams sign a top 30 recruiting class and the top class in the Atlantic 10. Over her time in Richmond, the Rams made a WNIT appearance and recorded the second-most wins in school history with 23.

"I'm extremely honored to have the opportunity to work at the University of Maryland and to be part of one of the premier programs in the country," Blair said. "Coach Frese and her staff have done a remarkable job of building a culture of success, competing at a high level year in and year out. What impressed me the most during this process is the family atmosphere. I immediately felt right at home, and I am excited to represent Maryland Women's Basketball. I would like to express my gratitude to Coach Frese and the hiring committee for the amazing opportunity to be part of the Terp family."

Blair spent two seasons at North Texas, where she led the development of the Mean Green's guards and assisted with game strategy, scouting and served as the team's defensive coordinator.

A Michigan native, Blair spent two seasons as the top assistant and eventually, interim head coach, at UT Arlington from 2011-2013. Blair coordinated the Mavericks' national recruiting efforts and headed the signing of an ESPN Hoopgurlz.com recruit and a National Junior College Athletic Association All-American. She coached UT Arlington in its final eight games of the 2013 season and led the team to a win over eventual WAC Champion Idaho.

From 2009-2011, Blair served as assistant coach and recruiting coordinator at Colgate.

After graduation, Blair spent 10 years coaching at her alma mater, SMU. She helped lead the Mustangs to a pair of Conference USA regular season titles, two NCAA Tournament appearances and two WNIT bids. SMU reached the second round of the NCAA Tournament in 2000.

Blair was a three-year starting point guard for the Mustangs from 1995-1999 and led SMU to NCAA Tournament berths in 1996, 1998 and 1999. A two-year team captain, Blair was named Second Team All-WAC in 1998. She racked up academic accolades and graduated cum laude with a degree in business administration from SMU in 1999.

# KaitlynnFRATZ Interim Assistant Coach • 1st year • Cal U '15

Head coach Brenda Frese of the Maryland women's basketball team promoted Maryland native Kaitlynn Fratz to interim assistant coach in the summer of 2018

Fratz, a native of Accident, Md., joined the Maryland staff last summer and served as the Director of Recruiting Operations for this past season. She helped the Terrapins to a record of 26-8, 12-4 in Big Ten play and their fourth straight Big Ten championship game. They advanced to the NCAA Second Round.

opportunity. She has a tremendous knowledge of the game and a wealth of experience for what our program needs. In addition, she has a terrific rapport with our players and staff. I know she will continue to make a mark on our team and program."

"It's hard to put into words how thankful, humbled, and excited I am for this opportunity," Fratz said. "There are few programs in the country that have the adoration and following like we are fortunate to have here. Thanks to that passion, it is impossible not to carry an immense about of pride while wearing the M on your chest. I have to thank Coach Frese and all involved in the hiring process for allowing me to take the next step in my career, and I look forward to another year as part of the Terp family."

Prior to her time in College Park, Fratz spent two years as a graduate assistant at Valdosta State. In her second season, she helped the Lady Blazers to a record of 22-10 and the 2017 Gulf South Conference title. They earned a bid to the NCAA South Region Tournament.

Fratz played her junior and senior seasons at California University of Pennsylvania, where she led the Vulcans to the 2015 Division II NCAA championship. Fratz was named the Most Outstanding Player of the NCAA Tournament. She averaged 14.4 points, 2.9 rebounds, 2.6 assists and 2.0 steals in 34.2 minutes per game in her senior season.

Fratz played her high school career at Northern Garrett High School, where she was a four-year letter winner. She earned four straight First Team All-Conference honors, was named Conference Player of the Year twice. She was also twice named Cumberland Times-News All-Area Player of the Year and the Cumberland Times-News Athlete of the Year. Fratz holds career school records for points, assists and steals. Head coach Brenda Frese and the Maryland women's basketball team announced the hiring of University of Maryland alum and longtime member of the program, Libby Ellis, in August of 2013. Ellis was named as the program's director of basketball operations.

Ellis, a 2012 graduate of the University, was a fouryear manager for the Terrapins. In her senior season, she served as a director of operations intern, assisting with all responsibilities of scheduling, travel planning and general program operations.

She earned her degree in kinesiology and after graduation, she was hired as the coordinator of recruiting operations.

"We're ecstatic for Libby to move into our director of basketball operations position," Frese said. "She is more than ready for this next step in her career. Libby is highly organized, relates extremely well with our players and staff and is passionate about our team and program. She is a rising star in the making."

Ellis earned her Masters of Business Administration from UMUC in 2018.
