The University of North Alabama is an Equal Opportunity Employer

## THE UNIVERSITY OF NORTH ALABAMA

A state-owned institution operated under the direction of a Board of Trustees composed of the Governor, the State Superintendent of Education, and nine members appointed by the Governor with the advice and consent of the State Senate. The University of North Alabama is coeducational, offering both bachelor's and master's degrees.

Major purposes include the preprofessional and professional preparation of students in a variety of fields in the arts and science, business, education, social work, and nursing and allied health sciences.

Recognizing its responsibility to the individual as well as to society, UNA endeavors to provide an academic and social environment calculated to develop maximum individuality on the part of the students as well as those characteristics which will render them productive members of a democratic society.

Nestled in the picturesque Tennessee River

Valley, UNA is the oldest existing state-supported teacher educating institution south of the Ohio. It occupies a beautiful campus of 80 acres in a residential section of Florence. With a population of almost 40,000 the city is located just north of the Tennessee and is the largest in a four-city area that includes Tuscumbia, Sheffield, and Muscle Shoals, all located south of the river.

UNA traces its origins to LaGrange College, established in 1830 at LaGrange, Ala., by the Methodist Church on the first college charter to be issued by the new State of Alabama.

In 1872, the school at Florence was established as a State Normal School; it became State Teachers College in 1929, Florence State College in 1957, Florence State University in 1968 and the University of North Alabama on Aug. 15, 1974.

Dr. Robert M. Guillot became the University's 10th president on April 1, 1972.

## DR. ROBERT GUILLOT PRESIDENT

If you were to select one word which best describes Dr. Robert M. Guillot, President of the University of North Alabama, that word would be dynamic.

His 10 years as president of the university have brought about many changes that have shaped UNA as we know it today. Chief among these have been the name change which reflects the university's service to all of North Alabama, growth of student enrollment, academic expansion which has added additional major areas of study, new and renovated facilities on campus and a dramatic expansion of student activities.

Dr. Guillot's goal of developing the university into a major education institution included a desire to achieve national recognition for the school through its athletic program. That goal has become a reality as the University of North Alabama athletic program is acclaimed one of the best among the nation's Division II schools.

Lion athletes have captured Gulf South Conference championships in football, basketball and tennis. The Lion basketball team became the first in Alabama to claim a national title, winning the NCAA Division II championship in 1979. UNA football has advanced to the semifinals in their quest for a national crown. For the past two seasons they have appeared on ABC regional television. Other intercollegiate sports have also joined in the drive for excellence. The 1980 season saw the Lions come within a half point of claiming the GSC all sports trophy. Women athletes have seen their programs advance on all fronts claiming regional titles along the way.

While serving as president of the Gulf South Conference in 1978-79, Dr. Guillot accomplished several goals which will benefit the league for years to come.

He spearheaded the search for a full time commissioner and was instrumental in having the conference office moved to Birmingham, a more centrally located site for the eight member league.

Dr. Guillot's boundless energy and enthusiasm is evident in every aspect of the university's operation and his versatile and progressive background enables him to lead in an efficient and businesslike manner. The title of UNA's number one fan which students, faculty and staff have given him is richly deserved. No one is more active in their support of all university activities than its president.

Dr. Guillot came to Florence from Vestavia Hills where he had served terms as mayor, was president of the Alabama League of Municipalities and president of Alabama Life Insurance Companies. He was born in Headland, Alabama and finished high school at Dothan where he was alternate captain of the football team and a member of the National Honor Society.

He completed work for his B.S. degree at Auburn in absentia while in service. After three and one-half years in the Air Corps, he entered law school at the University of Alabama. He received the Juris Doctor degree in 1948. The LL.D. degree was conferred in 1977. Dr. Guillot practiced law in Dothan and upon being called back to active duty in 1951, served as a legal officer with the Air Force. He held the post of senior vice president and secretary of Vulcan Life and Accident Insurance Company in Birmingham and was president and chairman of the board of American Education Life Insurance Company of Homewood. He is a Mason, Shriner and Rotarian.

Married to the former Patty Shirley of Reform, Alabama, they are the parents of two daughters and a son.

## LIONS APPEAR ON TV FOR SECOND STRAIGHT YEAR

For the second consecutive year, the University of North Alabama and ABC-TV teamed up to broadcast regionally an NCAA Division II football game.

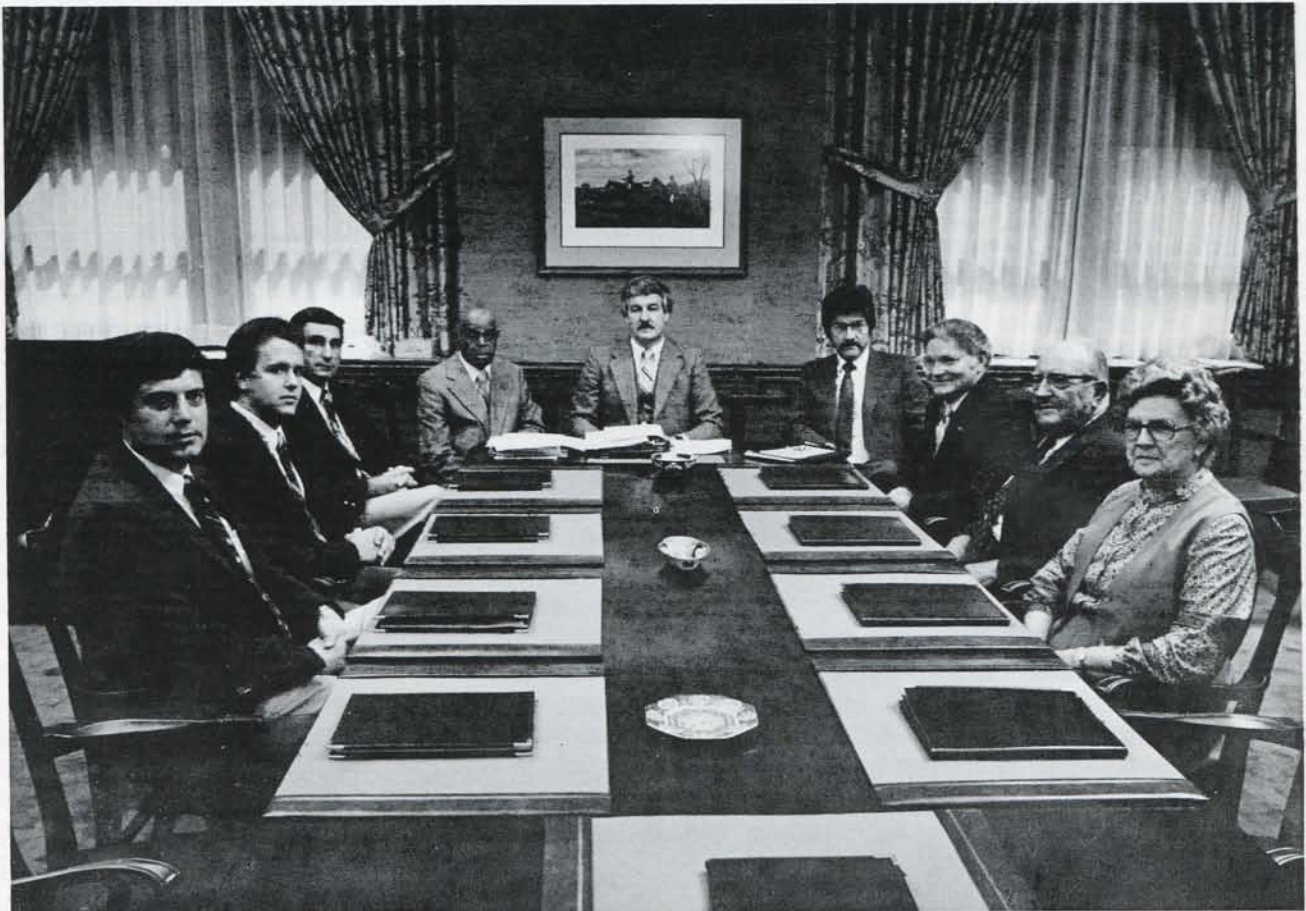

In 1980, UNA hosted Eastern Illinois University in the NCAA Division II Quarterfinals and ABC-TV was on hand to televise the contest to several states throughout the South and Midwest.

Last season, the Lions once again graced the television screen as ABC televised regionally the UNA-Troy State game from Troy, Ala. North Alabama, which lost its first-ever television appearance to Eastern Illinois, bounced back to even its screen record with a 24-13 victory over the rival Trojans.

Former UNA quarterback Fred Riley was awarded the Most Valuable Player honors for his school for both television appearances. His impressive performance gave the school two \$1,000 scholarships in his name, presented by Chevrolet.

# WAYNE GRUBB

## HEAD FOOTBALL COACH

### ASSOCIATE ATHLETIC DIRECTOR

Ever since Wayne Grubb took over a struggling football program at The University of North Alabama, the Lions have earned the respect of everyone in NCAA Division II football circles.

In the five short years Grubb has been at the helm, UNA has averaged over seven wins a season, has won a Gulf South Conference championship, and has a third place finish in the nation to its credit.

How has Grubb been able to accomplish the impressive turnaround in such a short time?

For one, he has surrounded himself with outstanding people, both players and coaches alike. No less than 10 Lion players have gone on to sign professional contracts, and countless more have gone on to earn their degree and pursue their life's goal.

And his staff is one of the most dedicated, hard-working group of people in the country. Grubb demands -- and gets -- the most from his assistant coaches, and they have answered the challenge.

Grubb, himself, is very public-relations minded. He constantly puts the University of North Alabama football program in front of the people of the Shoals area, and interest in the program is at an all-time high. His players compete with pride, character and determination, which is a reflection of the UNA head coach.

But most of all, Grubb has turned the program around because he is a winner, and winner's will somehow, someday get the job done.

A native of Athens, Tenn., Grubb went on to star at The University of Tennessee, where he played both guard and center. While at UT, Grubb earned Academic All-American honors.

His first coaching assignment came at Cordova (Ala.) High School, where in five seasons his team's posted a 38-8-4 record and the 1963 Class 2A State title.

Grubb went on to join the collegiate ranks at Samford University in 1966, serving as defensive coach for three years. In 1969, Grubb was named head football coach, and he quickly put the Bulldog football program on the map. In 1971, Samford won the NCAA Division II National Championship with a 20-10 win over Ohio Wesleyan in the Amos Alonzo Stagg Bowl in Phenix City, Ala.

When Samford decided to drop its football program for financial reasons two years later, Grubb joined the professional ranks of the Birmingham Americans of the World Football League, where he served as offen-

sive line coach. In 1974, the Birmingham team captured the first -- and only -- World Bowl crown.

Midway through the next season, however, the WFL folded, and Grubb became the public relations director for the Birmingham Bulls of the World Hockey Association.

It was in December of 1976 that Dr. Robert M. Guillot offered Grubb the head football coaching position at The University of North Alabama, and Grubb quickly accepted.

Grubb's overall collegiate coaching mark is 62-36-4, with 36 of those wins coming at UNA. His overall record, including five years at the high school level, is 100-44-8.

He and his wife, Becky, are the parents of two children, Christina, 17, and Rob, 15.

## UNA'S FACILITIES RANK AMONG THE FINEST IN THE GSC AND . . .

Over the past few years, the University of North Alabama has done considerable work in upgrading its athletic facilities. And today, UNA ranks among the finest in the Gulf South Conference.

For football, the Lions play in Tom Braly Municipal Stadium. The University got together with the City of Florence two years ago to perform a complete overhaul at the stadium, and today it is a thing of beauty. Seating capacity is now 14,500, and the playing surface, Tifton 31-Bermuda, is one of only five like it in the country. It's foundation is comprised of sand, which enables the field to withstand six inches of rain at one time without hurting a players footing.

In addition, Braly Municipal Stadium features two ultra-modern dressing rooms, concession stands, restrooms and a three-level press box. The first level of the press box is for the sports writers, and also houses a VIP Suite, where UNA President Dr. Robert Guillot can entertain guests.

The second floor houses coaching staffs from both schools, the Public Address Announcer, the Clock Operator, and both home and visiting radios.

The third floor is where the television cameras and film crews do their work.

Flowers Hall, which houses UNA's men's and women's basketball programs and women's volleyball, in addition to all the indoor intramural activities that are planned for the students, is also a modern facility. A tri-level facility in itself, Flowers Hall has an Olympic-size swimming pool, numerous dressing rooms, athletic areas for archery and gymnastics, and offices.

All Physical Education classes are taught in Flowers Hall.

Other work has been done to improve Lion's baseball facilities, and a completely new Rifle Range was opened this past year for the UNA Rifle Team.

## THERE'S EVEN MORE ON THE HORIZON . . .

A one million dollar expansion of Flowers Hall, which houses the University of North Alabama athletic department, has been approved.

The expansion will provide some 12,000 square feet of additional space for Lion athletes. The new facility will be modern in every respect and will house offices, locker rooms, and training facilities for UNA's football and baseball programs. The expansion will be located so as to provide direct access to the Lions' practice field for both sports. Training and equipment rooms will be larger and

more convenient than at present. Coaches offices, meeting rooms and areas for screening film will be included.

The areas of Flowers Hall now occupied by football and baseball will be remodeled to provide additional space for basketball, women's sports, golf and tennis.

Final drawings are now being prepared by architects and it is expected that work on the new addition will be underway in the fall of 1982 with occupancy during 1983.

# A REBUILDING YEAR AHEAD FOR '82 LIONS

Wayne Grubb doesn't have to look up the meaning of "rebuild" in the dictionary. He's been living with the word ever since the final horn had sounded ending the University of North Alabama's 1981 football campaign.

Grubb, who has put together one of the most successful football programs in the country over the past two seasons, must rebuild:

- An offensive line that lost two starting tackles and two starting guards.
- An entire offensive backfield.
- A defensive line that has no proven tackles.
- A linebacking corps that has only one returning starter.
- A secondary that was totally wiped out by graduation.
- And a completely new kicking game.

In other words, the 1982 edition of the UNA Lions will be young and inexperienced.

"I would definitely say that we've got our work cut out for us this season," said Grubb, who is beginning his sixth year as the Lion boss. "When you lose as many quality football players as we did, you practically have to start all over. We tried to do that in the spring, and I think we got a lot accomplished. But, with all the new faces we have around here, we've still got a long way to go."

The depth that UNA has built during the past few years will now be counted on to fill most of those holes. Only three starters return on offense, two defensively.

The offensive line may be Grubb's biggest problem. At tackles, Dexter Rutherford (6-5, 260) and Mike Frederick (6-1, 235) were ahead at the end of spring. Rutherford could become one of the finest players in the Gulf South Conference. Depth will come from Scotty Scott (6-5, 215), Jeff Claunch (6-2, 230) and Ken Wilson (6-1, 225).

The guards will likely come from Mike Rollins (6-1, 224), Randy Bigoney (6-4,

225), David Schmitt (6-2, 221), Richard Kohler (6-0, 225), and Dwight Collins (6-0, 230). Rollins and Schmitt are both two-year lettermen.

The center position is about the only stable one along the line. Chris Yeager (6-0, 205), and Don Smith (6-2, 234), were both part-time starters last season. If Yeager can come back from off-season knee surgery, then Smith could possibly be moved to another position. Kevin Nauman (6-1, 205), will add depth.

Unlike the other offensive positions, there is quantity and quality at the wide receiver positions. Senior Melvin Brown (6-1, 194) is an All-American candidate at the flanker slot, while Dwayne Williams (6-2, 185), can play either wingback or wide receiver. Jeff Sims (5-11, 170), and Butch Morrison (6-2, 190) will play a backup role.

At wideout, veteran Mike Hearon (5-11, 170), and speedy Germaine Young (5-10, 175) are the top two candidates, along with swift James Robinson (6-1, 170). Other wide outs are Brian Patterson (5-11, 175), Bill Mock (5-11, 170), and Anthony Chandler (5-10, 175).

Chuck McCurley (6-6, 205), and Mike Gilley (6-2, 202) give UNA the best pair of tight ends in the league. Both were considered starters last season. Isadore McGee (6-1, 200), will provide depth.

Although the entire backfield must be replaced, Grubb can pick from a handful of seasoned lettermen. Quarterback Bobby Duncan, who played sparingly in '81, leads the candidates at that position. Alabama transfer Andy Martin (6-2, 195) and letterman Mark James (6-3, 185) could push for a starting role.

The tailback slot looks to be in good shape with last year's surprise player Thomas Calhoun (6-0, 185), the leading candidate. He will be hard-pressed by sophomore Clarence Johnson (5-8, 145), who had an outstanding freshman campaign two seasons ago. Reger Curry (5-11, 175), will provide relief help.

Milton Taylor (5-10, 195) had a great spring and appears to have nailed down the fullback position. But Stanley Gill (5-10, 185) will play a great deal. Michael Great-house (6-1, 196), will provide depth.

Defensively, things don't look much better, although great strides were made during the spring drills. Ends Lonzie McCants (6-0, 200) and Charlie Glass (6-1, 200) are both solid performers. McCants has been a two-year starter, while Glass started the beginning of last season before suffering a broken arm. Other end candidates include senior Richard Porter (6-0, 215), Davis Jordan (6-2, 215), Danny Lott (6-0, 210), and Wade Bobo (5-10, 190).

Dean Sanders (6-5, 230) and Tim Mack (5-10, 230) are the leading tackle candidates, although veteran Robert Moore (6-0, 230) will see considerable action. Vincent Bryant (6-1, 235) had a good spring, and may see action, as well.

The linebackers are headed up by All-Gulf South Conference performer Frank Condon, who will be starting his third season. Condon (6-0, 200) was UNA's second leading tackler and leading interceptor a year ago. Big John Harris (6-1, 220) has great strength and appears ready to handle the job at middle linebacker, while youngster Keith Shoulders (6-1, 220) has great athletic ability. Other linebacking candidates include Steve Rogers (5-11, 200), Angelo Johnson (5-10, 205), Dexter Hunt (6-1, 220), Clifford Mason (6-1, 205), Jay Oliver (5-9, 190) and Tony Henderson (6-3, 205).

The secondary has some talent, especially in the speed department, but is very inexperienced. Hopefully, Ron Harris (6-0, 205), an All-GSC linebacker last year who has since been moved to safety, will be the glue that holds the unit together. He'll team with Rod Brooks (6-1, 180), who has been a spot-starter in his two-year career. Other safety candidates are Jim Barnes (5-11, 190), Tim Holt (5-11, 195), Clint Satterfield (5-10, 168) and David Cobb (5-10, 170).

At the corners, only Gary Davis (5-10, 170) returns as a starter last year. Darryl Smith (6-0, 180), the fastest player on the team, will likely man the other cornerback slot. David Ward (5-10, 185), and Bruce Jones (6-0, 185) are pushing for playing time.

The kicking game will have to be completely revamped due to the graduation of All American place kicker Nelson McMurray and punter Mitch Rollins. Andy Wallace (6-1, 180) and Ben Cregeen (5-10, 160) are the leading candidates to handle the placekicking chores. The punter will come from Steve Compton (6-1, 180) or Cregeen.

Graduate Assistant

Danny Hayes will handle the defensive tackles while he serves Wayne Grubb and his staff as a Graduate Assistant this season.

Hayes, a native of Leeds, Ala., where he played for Coach Joe Campbell, lettered three years at defensive tackle for the Lions. His lack of size (5-10) kept him from earning a starting role, but his tremendous upper body strength earned him considerable action during his junior and senior seasons.

Like Carter, Hayes was a member of North Alabama's 1980 Gulf South Conference championship squad. He made two unassisted tackles, assisted on nine others, and recovered one fumble.

## STEVE CARTER

Graduate Assistant

Former University of North Alabama standout Steve Carter will be one of two graduate assistants on this year's Lions football staff.

Carter, a native of Savannah, Tenn., was a three-year letterman and starter for the Lions at both defensive end and defensive tackle. He came to UNA after one year at The University of Tennessee.

Not big as far as defensive tackles are concerned, Carter went on to earn All-Gulf South Conference honors on two different occasions. He was selected Captain of UNA's 1980 team that won the Gulf South Conference championship and competed in the NCAA Quarterfinals. In that year, Carter was fifth on the team in tackles with 66 and was credited with six quarterback sacks, which was second highest on the team.

Carter will handle the defensive ends for the Lions this season.

## JOHNNY LONG — THE UNSUNG HERO

It's easy to take a person like Johnny Long for granted. His job as head trainer at The University of North Alabama is sort of a behind-the-scenes type of situation, but every coach on the UNA staff knows without Long and the young men and women who make up the Lions training staff, it would be very hard to field a competitive team.

Long is more than just a trainer at UNA, however, as if his training duties weren't enough to keep him busy. Long, a Moulton, Ala., native, arranges and coordinates travel plans for the Lion football, basketball, baseball, and other teams which request his services. You take somewhere in the neighborhood of 100 young athletes on an overnight trip, feed them three square meals a day, and make sure you have enough rooms to sleep everyone, then you can realize the job that faces him each road trip.

And it's just not on the road, either. Each Saturday morning before a UNA

home football game, Long and his staff are at Braly Municipal Stadium bright and early, rain or shine, setting up equipment. The night before, he would have already taken care of getting the game uniforms cleaned and dried, and placed in their proper places.

And then there's what Johnny does best -- athletic trainer. He's so good at his job that he has served the Annual Blue-Gray Football Game in Montgomery each of the past two years. In addition to giving several lectures each year, Long also serves as the host to the Kramer Sports Medicine Clinic, held each year on the North Alabama campus.

The first one to work and probably the last one to leave, it's a wonder how Long has time for his wife, Jane, and son, Ty, and for his favorite hobby, jogging. But somehow, Johnny Long gets it done. Just like he does his job.

## THE GULF SOUTH CONFERENCE

During the sports year 1981-82 the Gulf South Conference continued to uphold its reputation as the strongest Division II Conference in the country by sending teams in football, basketball, baseball, cross country and golf to compete in national post-season play. In addition to being represented in the team sports the GSC sent individual athletes in track to national competition.

GSC football continued to be a dominate force among NCAA Division II schools in 1981-82. The Conference had two schools, Jacksonville State (8-3) and North Alabama (8-2), ranked in the top ten most of the year and was represented in the national play-offs by league champion Jacksonville State.

For the second time in the last two years the Conference crown was decided on the last week of play when Jacksonville State met North Alabama. Going into the game Jacksonville State was ranked fifth in the nation while North Alabama was ranked seventh.

The game was billed as a barnburner and the capacity crowd wasn't let down as Jacksonville State rode the arm of All-American quarterback Ed Lett to a 21-14 victory. Lett had a brilliant day completing 27 of 39 for 327 yards and two touchdowns.

The Gulf South Conference was far from being a two-team league though as evident by the league's sterling 15-4 (78.9%) record against non-conference foes. In the 19 games against outside competition GSC schools outscored their opponents by a margin of 527 to 244.

The Conference had many outstanding football players with Jacksonville State's Lett and Simon Shephard being named All-American. Lett, holder of virtually every GSC Passing record, ended the season as the nation's second ranked passer while Shephard (LB) was the leader of the stingy defense.

The GSC appeared on ABC television for the second straight year when the network covered the North Alabama vs. Troy State game. The school's two quarterbacks, UNA's Fred Riley and

TSU's Doug Brown, were tabbed by ABC as the "Chevrolet Most Valuable Players" of the game.

Basketball, as always, was another strong aspect for the conference. The GSC sent two schools, Livingston (20-10) and UT-Martin (20-11), to the NCAA Tournament. Both schools advanced to the finals of their respective regions where Livingston fell to Florida Southern 86-79 in 3 OT's in the South Regional while UT-Martin bowed to Southeast Missouri 56-53 in the South Central Regional.

Livingston won the regular season and the GSC tournament titles in roundball compiling a 7-2 regular season record and going 3-0 in the tournament. They won the tournament crown by downing UT-Martin 49-47 before a packed house at Livingston.

The GSC champions slick point guard, Will Cotchey, was named the leagues Player of the Year as well as the tournament MVP while Jacksonville State's Robert Guyton was tabbed the Freshman of the Year.

Baseball was a sport that saw two league teams, Delta State (41-19) and Jacksonville State (33-11), participate in the NCAA tournament with Delta State selected as the host school for the NCAA Regional Tournament.

**The Conference baseball tournament was held at Jacksonville State with Troy State winning the title 5-2 and 14-2 over the host school. Troy State's slick fielding second baseman Pedro LaTorre was named the tournament MVP.**

Delta State defeated Jacksonville State in the regional tournament and went on to finish third in the college world series at Riverside, California.
