The University of North Alabama is an Equal Opportunity Employer.

The University Of North Alabama

Being first is nothing new to the University of North Alabama. In 1830, LaGrange College, to which UNA traces its origin, became the first college chartered in Alabama. In 1872, the school was established as a state normal school, the first of its kind in the south. Two years later, it became one of the first coeducational colleges in the nation.

In 1929, the institution became a state teachers college with a four year curriculum in elementary education. In 1947, continued academic growth brought about A.B. and B.S. degree programs in courses of study other than teacher training. A graduate program was established in 1956 and in 1967 the college was removed from the jurisdiction of the State Board of Education and placed under a separate Board of Trustees. One of their first acts was to recommend that the college be given university status and in 1968 this was done. In 1974 another significant change occurred when Florence State University became the University of North Alabama, reflecting the institution's continued growth while projecting still greater outreach in its instructional, research and service functions.

Today the University of North Alabama more than fulfills the hopes of its founders. It is a university in the truest sense offering opportunities for its students to enjoy personal and social development, as well as cultural and intellectual growth.

The university shares the broad purpose of all institutions of higher learning and seeks to provide a wide range of academic programs for the general, professional, preprofessional, and technical preparation of students. Academic programs are organized under four schools: arts and sciences, business, education and nursing. Over 5,200 students are enrolled and the university employs a faculty and staff of more than 450.

Nestled in the picturesque Tennessee River Valley, it occupies a beautiful campus of 80 acres, in a historical residential section of Florence. With a population of almost 40,000 the city is the largest of a four city metropolitan area of 130,000 residents.

Dr. Robert Guillot, President

Dr. Robert Guillot enters his second decade as president of the University of North Alabama with a definite goal in mind. That goal is to expand the university's role of leadership to its fullest throughout the North Alabama community. Significant steps have already been taken. The newly established Industrial Research and Expansion Center has already proven itself a viable agency for community service. Additionally, the university has signed research contracts with the Tennessee Valley Authority which are expected to bring long range benefit to all of North Alabama. These steps, combined with an aggressive position in the forefront of community affairs, indicate that Dr. Guillot's leadership will bring about a more personal relationship between the university and North Alabama residents in the years ahead. If the past is an indication of what will happen in the future there's no doubt about about the direction UNA will take.

In 10 years as president of the university, Dr. Guillot has brought many changes that have shaped UNA as we know it today. Chief among these have been the name change which reflects the university's service to all of North Alabama, growth of student enrollment, academic expansion which has added additional major areas of study, new and renovated facilities on campus and a dramatic expansion of student activities.

Dr. Guillot's goal of developing the university into a major education institution included a desire to achieve national recognition for the school through its athletic program. That goal has become a reality as the University of North Alabama athletic program is acclaimed one of the best among the nation's Division II schools.

Lion athletes have captured Gulf South Conference championships in football, basketball, volleyball, softball and tennis. The Lion basketball team became the first in Alabama to claim a national title, winning the NCAA Division II championship in 1979. UNA football has advanced to the semifinals in their quest for a national crown. Other intercollegiate sports have also joined the drive for excellence. The

1980 season saw the Lions come within a half point of claiming the GSC all sports trophy. Women athletes have seen their programs advance on all fronts claiming regional and conference titles including the first GSC All Sports Trophy.

While serving as president of the Gulf South Conference in 1978-79, Dr. Guillot accomplished several goals which will benefit the league for years to come. He spearheaded the search for a full time commissioner and was instrumental in having the conference office moved to Birmingham, a more centrally located site for the eight member league.

Dr. Guillot's boundless energy and enthusiasm is evident in every aspect of the university's operation and his versatile and progressive background enables him to lead in an efficient and businesslike manner. The title of UNA's number one fan which students, faculty and staff have given him is richly deserved. No one is more active in their support of all university activities than its president.

Dr. Guillot came to Florence from Vestavia Hills where he served as mayor, was president of the Alabama League of Municipalities and president of Alabama Life Insurance Companies. He was born in Headland, Alabama and finished high school at Dothan where he was alternate captain of the football team and a member of the National Honor Society.

He completed work for his B.S. degree at Auburn. After three and one-half years in the Air Corps, he entered law school at the University of Alabama where he received the Juris Doctor degree in 1948. The honorary LL.D. degree was conferred in 1977 by Jacksonville State University. Dr. Guillot practiced law in Dothan and upon being called back to active duty in 1951, served as a legal officer with the Air Force. He was associated with several Birmingham insurance companies in executive positions prior to coming to Florence in 1972.

Married to the former Patty Shirley of Reform, Alabama, they are the parents of two daughters and a son.

Press Day

Every mid-July, representatives of the media from throughout Alabama and the southeast gather at Wheeler Lodge on the beautiful Tennessee River as guests of the university for two days of fun and fellowship.

Another Success

Coaches and players are available for interviews or just talking football. Golf and tennis tournaments have become a tradition as has the Thursday night fish fry. UNA's Sportsmen's Club is co-host for this annual event.

Wayne Grubb

Head Football Coach

Associate Athletic Director

When Wayne Grubb came to the University of North Alabama six years ago as its head football coach, he found himself thrust into the center of a major rebuilding program. The chief task was to restore the Lions' proud winning tradition and regain its position of respect in the tough Gulf South Conference. With typical enthusiasm the east Tennessee native welcomed the challenge. A break-even initial season followed by winning marks each season since. The 1980 season saw the Lions win the conference title and make the trip to the NCAA Division II national playoffs. Grubb was named Coach of the Year in the Gulf South Conference and NCAA Region 4 in recognition of the accomplishment. Off the field, the Lions' head man has been just as busy. A major expansion of Braly Stadium, the Lions' home field, has been completed and an annex to Flowers Hall will provide additional space for training and weight rooms, dressing rooms and offices for the football and baseball programs.

Coach Grubb has become one the area's most sought after speakers. It's not unusual to find him at a salesman's meeting in the morning and a quarterback club that evening. As a result of his highly visible manner, Grubb has been able to keep the attention of the public on UNA's football program. This is showing up at the gate where more and more fans are joining the ranks of season ticket holders.

Coach Grubb will be the first to tell you that he has had excellent help and support in his drive to restore UNA as a Division II power. An administration which firmly believes in the value of a winning athletic program and a supportive faculty have provided solid backing.

He has molded a truly outstanding coaching staff noted for their closeness and their dedication to a winning program.

Over the years he has seen 10 of his charges sign contracts in the professional ranks while two players have been honored by being named to all American teams.

A native of Athens, Tenn., Grubb starred at The University of Tennessee where he earned academic All-American honors as a lineman.

His first coaching assignment came at Cordova (Ala.) High School, where in five seasons his teams posted a 38-8-4 record and won the 1963 Class IIA state title.

Grubb joined the collegiate ranks at Samford University in 1966, serving as defensive coach for three years. In 1969, Grubb was named head football coach and he quickly put the Bulldog football pro-

gram on the map. In 1971, Samford won the NCAA Division II National Championship with a 20-10 win over Ohio Wesleyan in the Amos Alonzo Stagg Bowl in Phenix City, Ala.

When Samford decided to drop its football program for financial reasons two years later, Grubb joined the professional ranks of the Birmingham Americans of the World Football League, where he served as offensive line coach. In 1974, the Birmingham team captured the first -- and only -- World Bowl crown.

Midway through the next season, however, the WFL folded and Grubb became the public relations director for the Birmingham Bulls of the World Hockey Association.

It was in December of 1976 that Dr. Robert M. Guillot offered Grubb the head football coaching position at the University of North Alabama and Grubb quickly accepted.

Grubb's overall collegiate coaching mark is 69-39-4, with 43 of those wins coming at UNA.

He and his wife, Becky, are the parents of two children, Christina, 18 and Rob, 16.

UNA Athletic Facilities Among Nation's Best

Work is underway on a new one and one-half million dollar Flowers Hall Annex which will house dressing and equipment rooms for football and baseball, athletic training facilities, and offices for members of the football coaching staff.

The new annex will help relieve the overcrowding of Flowers Hall, perhaps the most used building on campus. Flowers houses the department of health, physical education and recreation, and the teaching facilities required in the program. It also is used daily by the university's growing intramural and recreation program. All intercollegiate athletic offices and facilities are housed at Flowers Hall which is also the scene of several musical concerts, convocations and commencement ceremonies each year.

According to Roy Stevens, UNA executive vice president, construction of the annex will permit better utilization of the main Flowers Hall building. "We will also be able to give our women's athletic programs more room and better facilities with which to function," Stevens said.

The new annex will contain almost 18,000 square feet and has been designed to take full advantage of every inch of space. Upon completion, UNA's athletic facilities will rank among the finest in the Gulf South Conference, according to Stevens. The Lions' home playing field is newly renovated Braly Municipal Stadium with a seating capacity of 15,000.

It Should Be An Exciting Year

Finding replacement at the linebacker and wide receiver and offensive line positions are three of the main objectives University of North Alabama head football Coach Wayne Grubb and his staff will face when the Lions begin their 1983 fall drills.

Grubb, who directed a young UNA squad to an impressive 7-3 record a year ago, will have 30 lettermen and several highly regarded transfers on hand for the opening of the work outs.

"Our main purpose is to find our best football players and get them into the first 22 slots," he said. "From there, we will try and develop the skills and techniques they need to compete and win in the Gulf South Conference.

"After that, we've got to concern ourselves with building depth. We had more injuries this past season than we've had in the five previous seasons I've been at UNA and that got us into trouble. We know we've got to build our depth from freshmen and redshirts, this will be one of our goals."

Offensively, UNA returns 14 lettermen, many of whom were spot-starters a year ago. Quarterbacks include senior Rusty Towery (6-2, 185), junior Bobby Duncan (6-3, 200), sophomore Dallas Metcalf (6-3, 185) and Michael Landrum (6-2, 200).

In the backfield, spot-starter Stanley Gill (5-10, 190) and sophomore Greg Cunningham (6-0, 200) will see action at fullback, while junior Clarence Johnson (5-8, 145), and junior Thomas Calhoun (6-0, 185) will all log playing time.

Along the offensive line, Grubb has to find a replacement for All-American center Don Smith and veteran Chris Yeager, who will miss the 1983 campaign with a knee injury. Candidates include tackle Dexter Rutherford (6-5, 265, Sr.), senior All-GSC guard Mike Rollins (6-2, 220), senior Jeff Claunch (6-2, 255), sophomore Randy Bigoney (6-5, 230), sophomore Jack Gipson (6-1, 235), junior Mike Frederick (6-3, 240), and junior Kevin Nauman (6-1, 210). Transfer Scott Shirley (6-3, 270, Jr.) and Tony Shirley (6-4, 295, So.) and redshirts George Looney (6-2, 235, Fr.) and Brent Reese (6-1, 215) will also compete for a starting slot.

The wide receiver positions are relatively wide open, with the exception of the tight end slot, where spot-starters Mike Gilley (6-2, 220, Sr.) and Chuck McCarley (6-6, 225) both return for their senior campaign. Other wide outs will come from sophomore Brian Patterson (5-11, 170, So.), senior Germaine Young (5-11, 175), junior Jeff Sims (6-0, 180), sophomore Butch Morrison (6-1, 176), sophomore Lewis Billups (5-10, 176), and redshirt Greg Law (6-1, 208).

"Offensively, we've got to find help at the receiver slot," Grubb said. "We lost all of our ex-

perience in Melvin Brown and Dewayne Williams, plus a fine receiver in Mike Hearon. We feel like we've got some quality athletes at the position, but it's just a question of getting them ready to compete in this league."

Defensively, 12 lettermen also return. The ends will come from starter Charlie Glass (6-0, 210), sophomore Billy Witt (6-5, 235), and redshirt Kirk Ethridge (6-1, 210), while the tackles will include starter Dean Sanders (6-5, 250), sophomore Mike Marks (6-5, 260), junior Vincent Bryant (6-3, 235), and redshirts David Watkins (6-2, 245) and Boo Boo Scott.

Starting noseguard Robert Moore (6-0, 235, Sr.) missed most of the spring due to a knee injury. Moore will be pushed for playing time from transfer Alan Underwood (6-3, 260, Jr.).

The linebacking position will be another questionable area. North Alabama must find a replacement for two-time All-GSC linebacker Frank Condon. Candidates will come from starter Clifford Mason (6-0, 215), sophomore Dexter Hunt (6-2, 225), junior John Harris (6-1, 230), senior Richard Porter (6-0, 200), and redshirt Roland Wilson (6-1, 215).

The secondary returns in tact with starters Gary Davis (6-0, 185, Sr.), Bruce Jones (6-0, 185, So.) senior Rod Brooks (6-1, 185) and junior Darryl Smith (6-1, 180) all back for another campaign. Other possible starters include redshirts Reger Curry (5-11, 180, Jr.), Kelvin Washington (5-11, 175), Chris Evans (6-0, 190), Sheppard Terrell (5-11, 175), Eddie Houch (6-0, 205, Fr.) and senior Tim Holt (6-0, 200).

Both kickers return in sophomore Harlow Fikes (6-0, 175) and sophomore James Knowles (6-1, 230).

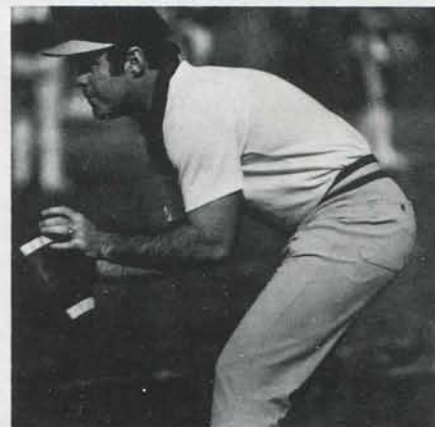

"I guess we should feel more confident as far as experience goes, but when you lose your depth and backup people, it's kinda scary," Grubb said. "When you only have 28 lettermen coming back, and two of those are kickers, then you've got a lot of rebuilding to do. Our players have a great attitude, a lot of enthusiasm and are willing workers. We could not ask for a lot more. It will be an interesting fall to say the least."

Rusty Towery

Senior—6'2"—190 lbs.—Pensacola, Florida Has had an up and down career at UNA. Showed his ability against Alabama A&M in 1982 where

he was 16 for 19 for 229 yards and 3 TD's. Was 58 for 105 for 729 yards and 7 TD's with only three interceptions in 1982. Rushed for another 147 yards. Needs to have a good senior year. Can run well and a fine thrower. Played high school football for Coach Carl Madison at Tate High School. All conference caliber player.

Bobby Duncan—Junior—6'3"—200 lbs.—Lake City, Florida

Noted more for his throwing than his running but is a strong runner. Played in a backup role in

1982 but started three games. Was 38 for 63 for 426 yards and 2 TD's. Had a good spring game. Adds depth to the QB position. Will see plenty of action on 1983. Played for Coach Bobby Simmons at Columbia High School. Majoring in Criminology.

Dallas Metcalf—Soph.—6'2"—180 lbs.—Odessa, Texas

Was back up in 1982. Played sparingly.

Moved the team well. Was 5 for 8 for 70 yards and 1

TD. Rushed 64 yards for 2 TD's. Need experience and must get stronger and faster. Finished spring as the #3 quarterback.

The Count's on his way...

Tailbacks

Clarence Johnson—Junior—5'8"—155 lbs.—Huntsville, Alabama

One of the most exciting players in the Gulf South Conference. As a freshman he gained 546 yards, scored 3 TD's and caught 12 passes for 144 yards. As a soph. he gained 741 yards, scored 9 TD's and caught 15 passes for 111 yards. All Gulf South Conference Selection in 1982. Expected to repeat in 1983. Good speed 4.57 in the 40 and great quickness. A big play man. Played for Coach John Inman at Johnson High School.

Thomas Calhoun—Junior—6'0"—185 lbs.—Alpine Alabama

A very strong runner, rushed for 435 yards as a freshman and scored 7 TD's. Although slowed by injury, rushed for 263 yards and scored 4 TD's in 1982. Has averaged 5.5 yards per carry over the last two seasons. Should help give the running back position good depth. Played for Coach Dan McCrimmon at Winterboro High School where he was All-State and Honorable Mention - All American.

Fullbacks

Stanley Gill—Junior—5'10"—185 lbs.—Hartselle, Alabama

Although small, Stanley is a fine inside runner. Showed leadership and hard work through the off season and spring. Had a great spring making many long runs and fine blocks. A big part of the UNA running game. Rushed for 305 yards and scored 3 TD's in 1982. Averaged 3.9 yards per carry. Played for Coach Don Woods at Hartselle High School where he was an All-State selection. A potential All-Conference performer.

Richard Cunningham—Sophomore—6'2"—205 lbs.—Vero Beach, Florida

Although only played sparingly as a freshman, shows signs of becoming a fine fullback against Valdosta State when he rushed for 98 yards in just one half. Needs to work on his quickness but has shown he will work. Finished the spring at the #2 position but is expected to see playing time in 1983. Played for Coach Bill Livings at Vero Beach High School.

Greg Law—Freshman—6'1"—210 lbs.—Jacksonville, Alabama

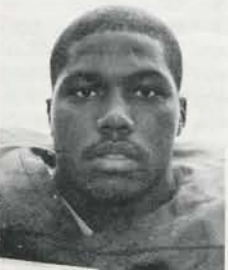

Redshirt freshman. Moved to several positions as a redshirt but found a home in the spring at the fullback position. A very physical football player. Good inside runner. Needs to work on blocking to become a complete fullback. Finished the spring tied for the #2 fullback position. Played for Coach Robert Peppers at Jacksonville High School.

Tight Ends

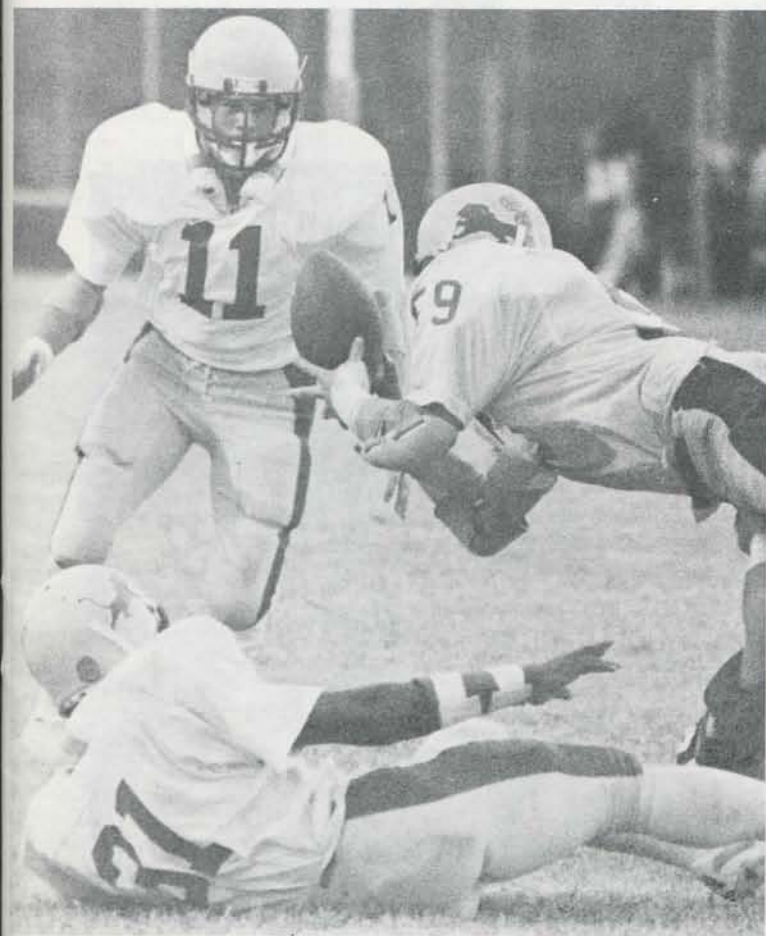

Chuck McCurley—Senior—6'6"—210 lbs.—Pensacola, Florida

One of the toughest players on UNA's team. Has fine hands and will catch the ball in a crowd. For the past three seasons has teamed with his roommate Mike Gilley to give UNA one of the finest TE positions in the GSC. With Gilley being moved Chuck will have the TE position by himself in 1983 and is expected to do a fine job. Caught 11 passes for 141 yards in 1982 scoring 2 TD's. Had a great spring game as the leading receiver, five catches for 95 yards. Played high school football for offensive coordinator, Mike McGowan at Escambia High School. Majoring in management information systems. An expected All-Conference player in 1983.

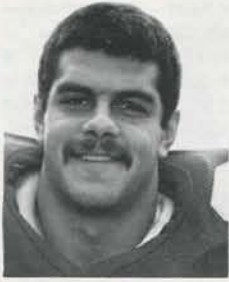

Barry Banks—Freshman—6'2"—205 lbs.—Lithonia, Georgia

A redshirt in 1982, Barry needs work in catching the football. He showed signs of improvement late in the spring. Experience and preparation is what Barry needs to reach his potential. Finished the spring at the #2 TE. Played for Coach Phil Knight at Lithonia High School.

Receivers

Mike Gilley—Senior—6'3"—215 lbs.—Phil Campbell, Alabama
Had an outstanding 1982 season catching 15 passes for 193 yards and 4 TDs. Averaging 12.9 yards per catch. Bench presses 325 lbs. and has added weight and strength in the off season. Was first team All-Gulf South Conference in 1982. Expected to repeat. Was moved in the spring from TE to slot back to take advantage of his blocking and receiving ability. Looking for an outstanding 1983 season. Played for Coach Monk Romine

at Phil Campbell where he was an All-State performer. A physical education major.

Germaine Young—Junior—5'10"—175 lbs.—Birmingham, Alabama
Has great speed with a 4.5 in the 40-yard dash. Had one of the best springs among all the receivers. Finished at the #1 wide receiver position. Finished the 1982 season with a 15.2 yards per catch average, also led the team in kickoff and punt returns. Worked hard which has contributed in making him a complete receiver (speed, hands, and blocking ability). Played for Coach Jim Berryman at McAdory High School. Majoring in physical education. A likely All-Conference performer.

Jeff Sims—Junior—6'—185 lbs.—Pensacola, Florida
A fine utility player. Has been a backup slot back and TE, holds on field goals and plays on all speciality

teams. Is a good blocker and has fine hands, but needs to work on his speed. Will see playing time behind Gilley in 1983. Another one of three UNA players who played for Coach Mike McGowan at Escambia High School. Majoring in business.

Lewis Billups—Sophomore—5'10"—185 lbs.—Niceville, Florida
Moved from defensive back in the spring. Was second team corner-back as a

freshman. Has great speed 4.45 one of UNA's fastest players. Also strongest of all backs and receivers 335 lbs. bench press. A fine athlete but had a hard time making the adjustment from defense to offense. Just needs work to be a good receiver. Played high school football for Coach Frank Sorralis at Niceville High School.

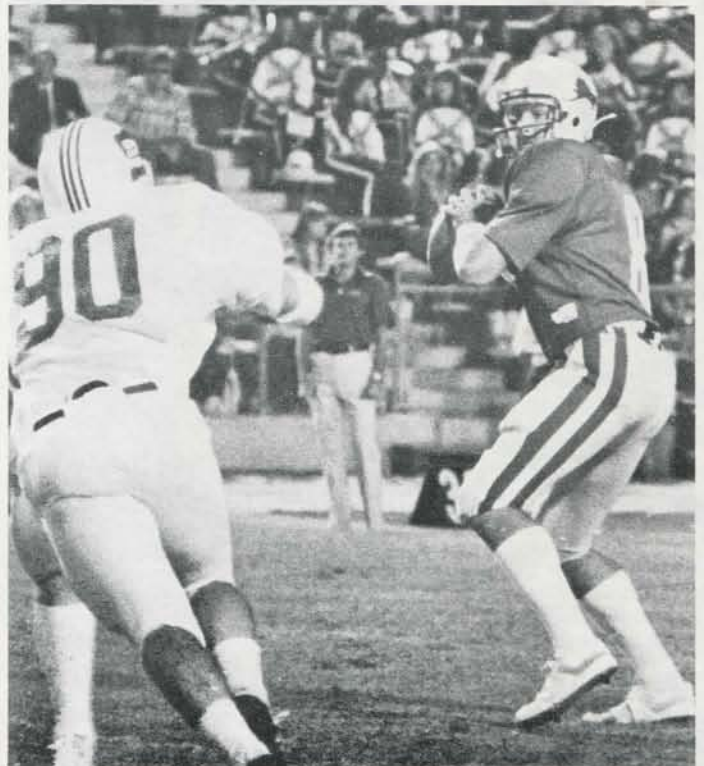

Butch Morrison—Sophomore—6'1"—185 lbs.—Killen, Alabama
Has very good speed. Was moved from slot back to wide receiver in the spring.

Learning a new position will take time. If keeps improving could push for back-up role in 1983. Played for Coach Jack Weaver at Brooks High School. Was state champion in 440 dash and long jump. Majoring in business.

Brian Patterson—Junior—5'11"—175 lbs.—Dalton, Georgia
Was a walk-on in 1982, and earned a scholarship in 1983. Will push for a starting role. Although not blessed with great speed, does have quick feet, excellent hands and runs a disciplined pass route. Had 8 catches for a 19.3 yards per catch average in 1982, the best on the team. Likes to catch the ball in a crowd and will share playing time with Young. Played for Coach Bill Campbell at Dalton High School.

Tackles

Dexter Rutherford—Senior—6'5"—260 lbs.—Hatton, Alabama
Big, strong, and a good drive blocker. Very good lower body strength. Very intelligent football player. Needs to be a leader in 1983. Played for Coach Danny Stallings at Hatton High School. Transferred to UNA from Alabama. Was starter in 82. Expected to perform at All-Conference level.

Scott Shirley—Junior—6'4"—270 lbs.—Gordo, Alabama
Had an excellent spring until injured. One of UNA's strongest blockers both on the run and the pass. Could become one of the best in the Gulf South Conference. Has size and speed needed in the offensive line. Played for Coach Waldon Tucker at Gordo High School where he was an All-State selection. Transferred to UNA from Mississippi State.

Tony Shirley—Freshman—6'4"—280 lbs.—Gordo, Alabama

Started a little slow in the spring because of excess weight, but as the weight dropped the performance picked up. Very good drive blocker. Finished the spring strong and will be one of four tackles fighting for starting role. Played for Coach Waldon Tucker at Gordo High School. Transferred to UNA from Clemson.

Mike Fredericks—Junior—6'1"—240 lbs.—Tallahassee, Florida

Missed part of 1982 season and all of spring due to a knee injury. Was a solid first team performer in 1982. Must work hard to be ready to play in 1983. A much needed player with experience. Played for Coach Gene Cox at Leon High School.

Jack Gipson—Sophomore—6"—240 lbs.—Fyffe, Alabama

Played a back-up role as a freshman. A very determined player but needs more body strength. Will be one of several fighting for the tackle position. Played high school football for Coach Ronnie Haushalter at Fyffe High School.

Guards

Mike Rollins—Senior—6'1"—225 lbs.—Lithonia Georgia
Had a very good junior season named All-Gulf South Conference. Was injured in the spring game and must work hard to get back. A starter in 1982 and a determined, dedicated football player. Played for Coach Phil Knight at Lithonia High School where he was an All-State selection. Majoring in marketing.

Randy Bigoney—Junior—6'4"—245 lbs.—Huntsville, Alabama
Has good size and speed. Had a good spring and finished as the #1 guard. Seems to have had a great attitude change which could help in becoming a very fine offensive guard. Another big lineman with experience. Played high school football under Coach Paul Glover at Huntsville High School. Will contend for All-Conference honors.

George Looney—Freshman—6'3"—245 lbs.—Birmingham, Alabama
Missed both fall and spring with injuries. Needs to stay healthy. Could be a good player. Has the tools. Needs a good start in the fall. Played high school football for Coach Steve Savarese at Ensley High School.

Brent Reese—Freshman—6'2"—225 lbs.—Birmingham, Alabama
Red shirt freshman. Came on very strong in the spring. A hard worker. Needs to gain weight and strength. Expected to add depth to the offensive line. Played football for Coach Joe Campbell at Leeds High School.

Centers

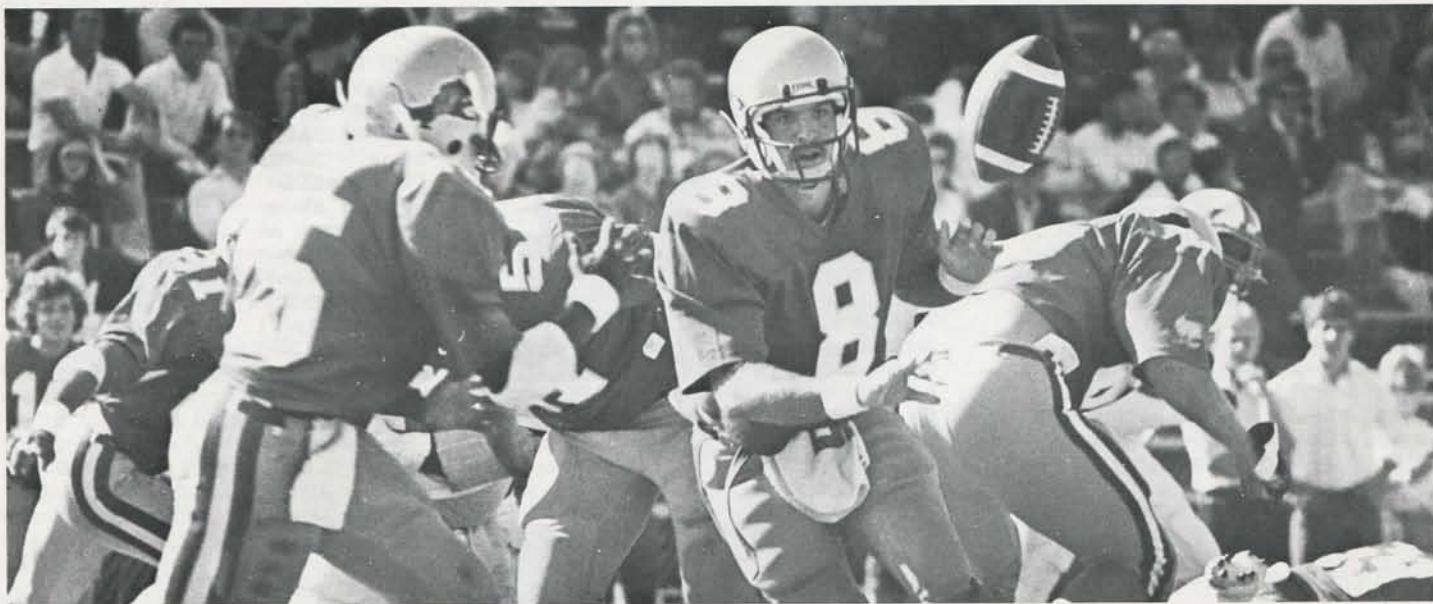

Kevin Nauman—Sophomore—6'2"—220 lbs.—Enterprise, Alabama

Worked hard in the off-season and spring. Had a great spring game. Finished as the #1 center. Has good quickness. Still needs to gain some size. Played for Coach Bill Bacon at Enterprise High School--the 1979 state champions.

Jeff Claunch—Junior—6'—245 lbs.—Sheffield, Alabama

Has outstanding strength. Moved from guard to center in the spring. Will give needed size at the center position. Finished the spring as the #2 center, but is expected to see much playing time. Played for Coach Wayland Blake at Sheffield High School.

Kickers

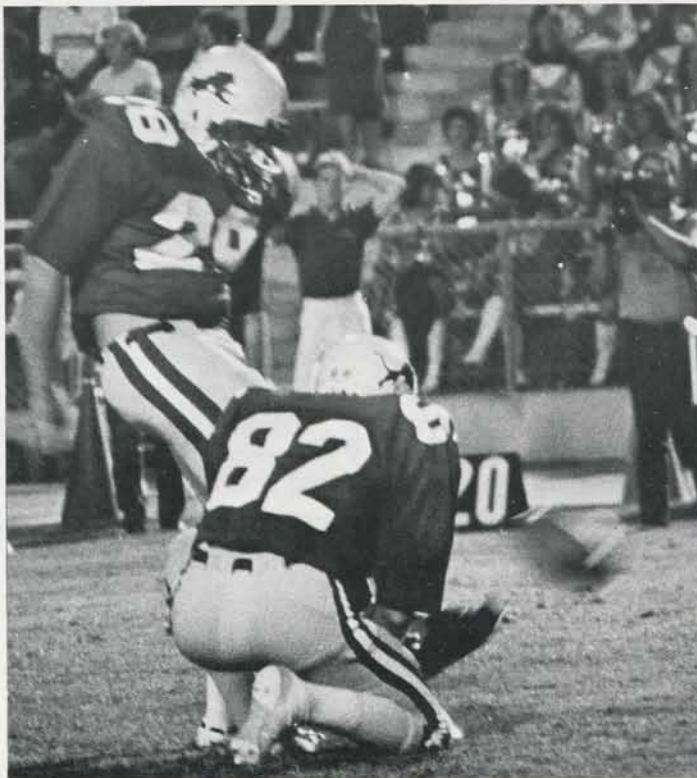

James Knowles—Sophomore—6'1"—230 lbs.—Alabaster, Alabama

Had an outstanding freshman season. Led team in scoring with 34 of 36 PATs and 10 of 14 field goal attempts. Strong leg makes him a threat inside enemy territory. Had a good spring. Potential to become best ever in UNA and GSC history. Should be All-Conference again this season.

Harlow Fikes—Sophomore—6'—180 lbs.—Athens, Alabama

Had excellent freshman season and should become better with experience. Strong leg. Needs to work on consistency. Had 39.8 average as freshman. Should repeat as All-Conference selection this year. Has potential to be outstanding.

STEVE CARTER
Graduate Assistant

Former University of North Alabama standout Steve Carter will be one of two graduate assistants on this year's Lions football staff.

Carter, a native of Savannah, Tenn., was a three-year letterman and starter for the Lions at both defensive end and defensive tackle. He came to UNA after one year at the University of Tennessee.

Not big as far as defensive tackles are concerned, Carter went on to earn All-Gulf South Conference honors on two different occasions. He was selected Captain of UNA's 1980 team that won the Gulf South Conference championship and competed in the NCAA Quarterfinals. In that year, Carter was fifth on the team in tackles with 66 and was credited with six quarterback sacks, which was second highest on the team.

Carter will handle the defensive ends for the Lions this season.

DANNY HAYES
Graduate Assistant

Danny Hayes will handle the defensive tackles while he serves Wayne Grubb and his staff as a Graduate Assistant this season.

Hayes, a native of Leeds, Ala., where he played for Coach Joe Campbell, lettered three years at defensive tackle for the Lions. His lack of size (5-10) kept him from earning starting role, but his tremendous upper body strength earned him considerable action during his junior and senior seasons.

Like Carter, Hayes was a member of North Alabama's 1980 Gulf South Conference championship squad. He made two unassisted tackles, assisted on nine others, and recovered one fumble.

Billy Witt—Sophomore—6'6"—240 lbs.—Russellville, Alabama
 Played a great deal as a freshman. He has good speed and quickness for a big man. He had 35 tackles and assists with five QB sacks. He should be a starter in 1983. Should be an outstanding player in the GSC. He played high school football for Coach Don Cox, Russellville, Alabama.

Charlie Glass—Junior—6'1"—205 lbs.—Sweetwater, Alabama
 Started as a freshman. One of the quickest players on the team. Has been hampered with injuries throughout career. Had 34 tackles and assists with three sacks and one interception as a sophomore. Should provide much needed leadership. Should return to starting role if he can stay free from injury.

Richard Porter—Senior—6'—220 lbs.—Oakland, California
 A starter in 1982. He had 47 tackles and assists. He led team in sacks with 10. He had 3 fumbles recovered, should have even better year in 83. Played for Coach Fulton at Pensacola Catholic High School. Also played junior college football at East Mississippi Junior College. Majoring in physical education.

Robert Moore—Senior—6'—230 lbs.—Hartselle, Alabama
 A two-year starter who was sidelined by a knee injury the latter part of the season. Will move to end from tackle to take advantage of his quickness. Robert had 31 tackles and five QB sacks in just eight games. Will push for starting job. Robert played high school ball for Coach Don Woods at Morgan County High School.

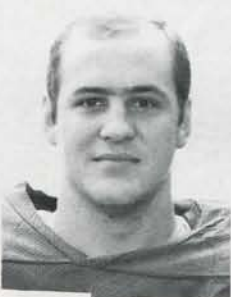

Tackles

Vincent Bryant—Sophomore—6'1"—240 lbs.—Birmingham, Alabama
 He saw much action in 1982 and matured into a quick aggressive tackle. He has the ability to become an outstanding player. Played high school football for Coach Morris Higginbotham at Hueytown, Alabama.

Dean Sanders—Junior—6'5"—250 lbs.—Huntsville, Alabama
 Started at tackle in 1982 and had 39 tackles and assists and recovered one fumble. He is very strong and should be one of our team leaders in 1983. He has the ability to be All-Conference. A solid player. Played for Coach Mike Gerry at Bulter High School.

Alan Underwood—Freshman—6'3"—270 lbs.—Tuscumbia, Alabama
 A transfer from the University of Alabama, Alan has all the tools to make him a great player. He has great strength and speed to go with his size. If he keeps improving as he did in the spring he will be a great asset to this team. Alan played for Coach Jimmy Lockett at Deshler High School. Should be a strong player in the GSC.

Linebackers

Clifford Mason—Junior—6'1"—218 lbs.—Courtland, Alabama
Started in 1982 and loves contact. He had 62 tackles and assists with one fumble recovery. He has good speed for LB position. He should be a leader in 1983. He played high school football for Coach Lewis White at Courtland High School. The most experienced LB on the team.

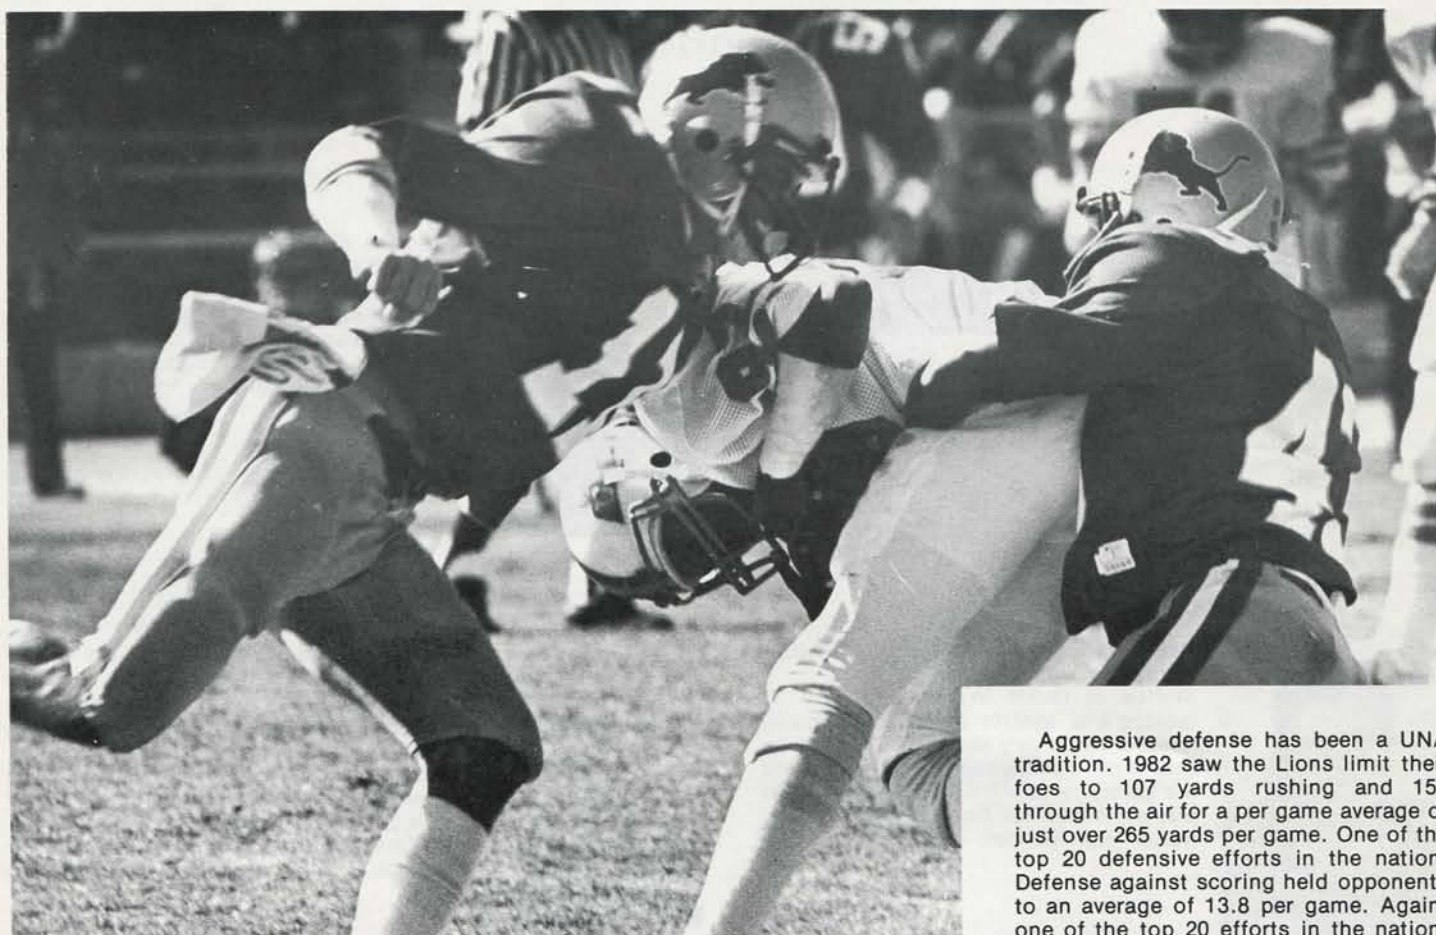

John Harris—Junior—6'1"—225 lbs.—Pensacola Florida
Finished spring at #1 middle linebacker, although he played tackle in 1982. One of strongest players on team. He has size, speed, quickness at the middle linebacker position. Should be a starter there in 1983. Played for Coach Terry Haynes at Escambia High School. Has potential to be All Conference player.

Dexter Hunt—Sophomore—6'1"—220 lbs.—Jackson, Alabama
Part-time starter as a freshman who had 35 tackles and 2 sacks. Could play several different positions because of his ability and willingness to work. A smart player who's biggest asset is being a "hitter." Played on State Championship team at Jackson High School under Coach Barry Pennington. Dexter is majoring in social work.

Steve Rogers—Sophomore—5'11"—205 lbs.—Cummings, Georgia
Played a lot in 1982. Lacks size but more than makes up for it in speed. A hard nosed aggressive player. Should log much more playing time in 1983. Played at Forsythe County High School. Majoring in business.

Aggressive defense has been a UNA tradition. 1982 saw the Lions limit their foes to 107 yards rushing and 156 through the air for a per game average of just over 265 yards per game. One of the top 20 defensive efforts in the nation. Defense against scoring held opponents to an average of 13.8 per game. Again, one of the top 20 efforts in the nation.

Backs

Gary Davis—Senior—5'10"—170 lbs.—Huntsville, Alabama

A starter at corner all year in 1982. He has the speed to play corner with the best in the GSC. Could be one of best UNA has had. Should be a leader in 1983. Played for Coach John Inman at Johnson High School. Majoring in computer science. An All-Conference prospect.

Rod Brooks—Senior—6'1"—190 lbs.—Huntsville, Alabama

Started at free safety all year in 1982. He led team with 71 tackles and assists in 1982, also led team in interceptions with six. One of leaders of the defensive unit. Has a good eye for the football. Should be an All GSC performer this year. Played for Coach John Childress at Lee High School. Majoring in P.E.

Daryl Smith—Junior—6'—180 lbs.—Opelika, Alabama

A great athlete who's biggest asset is his speed. Runs 40 yards in 4.4 seconds. Was a starter as a sophomore. Had 31 tackles and led team with passes broken up. Has a tremendous desire to improve his skills and techniques. A very hard worker and team leader. Could be one of the best cornerbacks in GSC. Played at Opelika High School where he was also All-State in track. Another All-Conference prospect.

Bruce Jones—Sophomore—6'—180 lbs.—Courtland Alabama

Has made adjustment from cornerback to strong safety well. A true hitter. Has good speed and range. Finished spring as #1 strong safety. Should continue to improve with experience. A part time starter as a freshmen with 34 tackles, one fumble recovery, one interception and was second on team with five passes broken up. Played for Coach Louis White at Courtland High School. Bruce is majoring in physical education.

Chris Evans—Freshman—6'—190 lbs.—Atlanta, Georgia

A red-shirt freshman with lots of ability. A converted LB who should be outstanding at DB. Has good speed and is physical enough to be outstanding at strong safety. His speed and quickness should make him a candidate for depth on the UNA team. Played for Coach Charlie Brannon, Douglas High School.

Reger Curry—Sophomore—5'11"—180 lbs.—Birmingham, Alabama

After spring training was one of the top DB's. He has good speed which is a necessity to play DB. He can cover man on man and is physical enough to tackle. Should play a lot. He played at Wenonah High School, Birmingham. Majoring in P.E. Has made great progress, could play RB if needed.

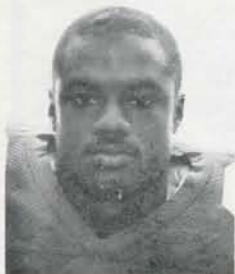

Tim Holt—Junior—5'11"—195 lbs.—Tuscumbia, Alabama

A utility player who can play several positions in the secondary. A very smart football player. Should play a lot in 1983. He has good range and very aggressive. Played for Coach Jimmy Lockett at Deshler High School, where he was a state champion wrestler.

Shepard Terrell—Freshman—5'10"—165 lbs.—Atlanta, Georgia

A red shirt freshman with great quickness. Had a good spring but must continue to improve. An extremely hard worker with a super attitude. Should see playing time and get much needed experience. Played high school football for Coach Charlie Brannon at Douglas High in Atlanta.

Broadcast Plans

Live play by play broadcasts of University of North Alabama football games, home and away, will originate over WVNA-FM, Tuscumbia. The 100,000 watt outlet will be the flagship station for the twelfth consecutive year for UNA football. Producer of the game broadcasts will be Jim Hall. Announcers have not been designated at this time.

Television coverage calls for the complete playback of each game, home and away, on

Group W Cable in the Shoals area. In addition, Group W will also carry the Wayne Grubb Show on Monday evenings highlighting players, coaches, and action in the GSC.

The Coach Wayne Grubb Show with game highlights will be seen throughout North Alabama and South Central Tennessee over WAAY-TV, Channel 31, Huntsville on Sunday afternoons following each game. This will be the sixth year for this regional playback show to air.

Johnny Long.... Head Trainer

Highly dedicated to his profession, Johnny added a new dimension to the Lion athletic program when he became the school's first full time trainer in 1971. Johnny received his B.S. degree from UNA in 1972 and his Masters in 1974. A native of Moulton, Alabama, he attended Lawrence County High School where he starred in football, basketball and baseball. He enrolled at UNA in 1969 and worked as a student trainer until the full time post became available.

Long is more than just a trainer at UNA, however, as if his training duties weren't enough to keep him busy. He arranges and coordinates travel plans for the Lion football, basketball, baseball, and other teams which request his services.

Each Saturday morning before a UNA home football game, Long and his staff are at Braly Municipal Stadium bright and early, rain or shine, setting up equipment. The night before, he would have already taken care of getting the game uniforms cleaned and dried, and placed in their proper places.

And then there's what Johnny does best — athletic trainer. He's so good at his job that he has served the annual Blue-Gray football game in Montgomery each of the past three years. In addition to giving several lectures each year, Long also serves as the host to the Kramer Sports Medicine Clinic held each year on the North Alabama campus.

Johnny is married to the former Jane Cox. The couple has one son, Ty.

HAYDEN RILEY - COMMISSIONER

HISTORY OF THE GULF SOUTH CONFERENCE

The Conference was born in the summer of 1970 when representatives from six institutions — Delta State University, Florence State (now North Alabama), Jacksonville State University, Livingston University, University of Tennessee at Martin and Troy State University — convened in Birmingham, AL., to form the Mid-South Conference, the forerunner of today's GSC.

Scheduling problems in the first year permitted competition only in football with Jacksonville State (10-0) winning the league's first championship.

In 1971, Southeastern Louisiana and Nicholls State joined the Conference bringing the membership to eight and the league changed its name to the Gulf South Conference.

The following year, Mississippi College and Northwestern Louisiana were admitted to the Conference. Northwestern Louisiana withdrew from the Conference two years later followed by Southeastern Louisiana and Nicholls State in 1979.

The Conference continued with seven teams until 1981 when the league's Presidents voted to admit Valdosta State College as the Gulf South Conference's eighth member. Valdosta State joined Delta State, Jacksonville State, Livingston, Mississippi College, Troy State, North Alabama and Tennessee-Martin in forming one of the strongest NCAA Division II leagues in the country.

The Conference's first Commissioner, Stan Galloway, retired in 1979 and with the naming of Jim McCullough as Commissioner, the league office was moved from Hammond, LA., to its present location in Birmingham, AL.

The Gulf South Conference named its third Commissioner, Hayden Riley, in 1982 when McCullough was named Associate Commissioner of the Southeastern Conference.

Sponsoring league championships in football, basketball, baseball, golf, track, cross-country and tennis, banner seasons have become common for the GSC. Numerous student-athletes continue to be honored on All-America and Academic All America teams.

The Conference has also seen several of its athletes represent the United States in the Olympic Games in track and field.

Football gained the majority of the attention for the Gulf South Conference in its early days, but the league has excelled in other sports as well.

Previous national champions from the Conference include Delta State in women's basketball (1974-75, 1975-76, 1976-77), Livingston in football (1970), North Alabama in basketball (1979-80), Troy State in golf (1976 and 1977), and former member Southeastern Louisiana (1975), in track. In addition, the Gulf South Conference has been represented in the Division II baseball World Series for the last eight years.

Dr. Charles E. Smith, Chancellor of the University of Tennessee at Martin, is the current President of the Conference. Past Presidents of the GSC have included Dr. Vernon F. Galliano of Nicholls State, Dr. Aubrey K. Lucas of Delta State, Dr. Larry McGehee of Tennessee-Martin, Dr. Ernest Stone of Jacksonville State, Dr. Clea Parker of Southeastern Louisiana, Dr. Ralph Adams of Troy State, Dr. Lewis Nobles of Mississippi College, Dr. Robert M. Guillot of North Alabama, Dr. Asa Green of Livingston and Dr. Kent Wyatt of Delta State.

Self Retires

The man who started modern day football at UNA, Henry Hal Self, better know as "Coach Self," retired from the university at the end of the summer term. Self served 33 years as head football coach, athletic director and member of the HPER faculty. Self, a native of Decatur, was a star quarterback at the University of Alabama. He came to UNA after a successful stint at Athens High School to build a football program from scratch. He accomplished this task admirably. In 21 years as head coach, Self compiled a record of 109 wins, 81 losses and 8 ties against some of the toughest small college teams in the nation. Most of these years the coaching staff consisted of only Coach Self and his long time associate George Weeks. Coach Self and his family were honored with a reception in Flowers Hall recently which brought together many former players, faculty, staff and community leaders to say thank you for his contribution to football at UNA.

Game By Game - 82

North Alabama - 17
Southwest Missouri - 3
September 4, Braly Stadium

The Lions spotted the visitors from Missouri a first quarter field goal, then closed the door defensively. Meanwhile, the inexperienced offensive unit rolled up 295 total yards, 138 on the ground, 157 through the air. Lion quarterback connected on 13 of 19 passing attempted. Leading receiver was tight end Mike Gilly with five catches.

North Alabama - 45
Miles College - 6
September 11, Braly Stadium

The Lions' ground game was in command all the way as they amassed 244 yards on the way to a satisfying win. Leading rusher was Chris Goode with 64 yards. The Lions' defense was awesome holding Miles to 182 total yards. Through the air the Lions were 8 of 14 for 108 yards.

North Alabama - 3
Livingston University - 14
September 18, Tiger Stadium

The first road trip and conference outing was a solid disappointment. Despite three drives inside the Livingston 20, UNA was only able to cash in for three points. Meanwhile, the Tigers reeled off a solid 308 total yards of offense which accounted for two second half touchdowns and a conference win.

North Alabama - 27
Delta State - 19
October 2, Delta Field

The Lions' defense led the way with a fumble recovery in the end zone and a blocked punt recovered for a touchdown in a hard fought win over the Statesmen. Tailback Clarence Johnson had his best effort with 127 yards and one touchdown in a hard fought win over the Statesmen. Rusty Towery passed to Melvin Brown for another score.

North Alabama - 38
Alabama A&M - 17
October 9, Braly Stadium

This series is fast becoming one of the most exciting in the nation. On UNA's first play, Towery hit Melvin Brown for a 71 yard TD. The fans had not settled into their seats before A&M's Gipson ripped over tackle for a 61 yard TD run on their first play. With less than 30 seconds gone, both teams had points. The Lions had a total offense of 462 yards with Johnson picking up over 200 on the ground and through the air. The Bulldogs amassed 396 yards with Harris passing for 270 of those.

North Alabama - 33
UT-Martin - 10
October 16, Braly Stadium

A beautiful day, lovely homecoming queen, hundreds of old grads back to celebrate set the stage for exciting conference victory for the Lions. Closer than the score would indicate.

North Alabama - 38
Troy - 6
October 23, Braly Stadium

The Trojans took advantage of an early North Alabama fumble but were held to a field goal. The Lions then scored on their next possession to set the tempo for an important conference victory. Freshman kicker James Knowles ties a school record with a 49 yard field goal while the Lions accumulated an impressive 374 yards total offense.

North Alabama - 53
Valdosta - 7
October 30, Cleveland Field

The Lions put on a record shattering performance setting new conference and school marks in a number of categories. However, it was an expensive evening as the Lions lost three more starters due to injuries. A total of six players who held starting positions were lost for the season. Two Lion tailbacks, Clarence Johnson and Gary Newsome, had 100 yard plus performances.

North Alabama - 20
Mississippi College - 28
November 13, Robinson Field

Both teams slugged it out for three and one half quarters of hard fought football. With just over eight minutes to go, MC Daryl Posey hit wide receiver Steve Jordan with a 34 yard scoring strike which iced the game for the Choctaws. Mike Hearon was leading pass receiver with five catches for 69 yards.

As it so often does, this traditional game determined the GSC championship. On a field soaked by several days of rain, neither team was able to dominate and the Lions took a 10-7 lead into halftime. Jacksonville took the third quarter lead and was ahead 14-10 going into the fourth period. The wet field all but erased the Lions' ground game but 18 of 39 pass completions accounted for 207 yards through the air.

A small percentage of college athletes receive national recognition for their athletic accomplishments. Another very small segment is recognized for their scholarship as well as athletic ability. For one player to receive both All American recognition and academic All American in the same year is truly unusual. That's what Don Smith accomplished during the 1982 season. While playing three different offensive line-man positions at various times during the season, Don also maintained a solid 2.3 grade point average in marketing. Coach Grubb praised Don's accomplishment calling him a true team player who has contributed greatly to the UNA program during his four year career.

To The Press

Welcome!! We appreciate your interest in the University of North Alabama and its athletic program. We want to help in every way we can.

Admittance to the press box at the University of North Alabama home football games is by press box tickets only. This ticket gains admittance to the pressbox elevator.

The press box is to be occupied by certified working press, coaches, scouts, photographers, statisticians, support personnel, Gulf South Conference and University of North Alabama personnel working in an official capacity.

Working press is defined as official representatives of daily or weekly newspapers which publish on a regular basis, official representatives of licensed television or radio stations which broadcast to the general public on a regular schedule and official representatives of magazines or periodicals who are covering the game for inclusion in a published article. Members of the working press are those persons described above who are on assignment to cover the game in whole or in part.

Requests for space in the press box or on the sideline must be made in advance (not on game day)

to the University of North Alabama Office of Information Services. Assignments will be made and credentials issued on a "space available" basis at the discretion of the director.

Requests for radio broadcast space for play by play must be made in advance. Only one visiting play by play broadcast can be accommodated.

Press will be furnished complete statistics and quarter by quarter written play by play.

Requests for photographs, player or coaches special interviews should be directed to the Office of Information Services.

Normally, the best time to reach Coach Grubb by phone is Monday through Thursday between 1:00 and 2:30 p.m.

Please call on me if I can be of service.

Bill Mapes, Director
University Information Services
