ON THE COVER:

The University of North Alabama enjoyed its most successful football season ever in 1983 and the Lions racked up numerous honors in the process. UNA received an NCAA semifinalist trophy (top center) for its second playoff appearance in four years, while Chevrolet awarded the school two \$1,000 scholarships and two plaques (center left and right) in honor of the outstanding play of quarterbacks Rusty Towery and Bobby Duncan. The Lions also made two national television appearances and CBS and ABC banners (lower left and right) now hang in the UNA training room. UNA's second Gulf South Conference championship trophy in four years serves as a back-drop, while the center-piece is the GSC "Coach of the Year" award given to UNA head coach Wayne Grubb. The University of North Alabama

Being first is nothing new to the University of North Alabama. In 1830, LaGrange College, to which UNA traces its origin, became the first college chartered in Alabama. In 1872, the school was established as a state normal school, the first of its kind in the south. Two years later it became one of the first coeducational colleges in the nation.

In 1929, the institution became a state teachers college with a four-year curriculum in elementary education. In 1947, continued academic growth brought about A.B. and B.S. degree programs in courses of study other than teacher training. A graduate program was established in 1956 and in 1967 the college was removed from the jurisdiction of the state Board of Trustees. One of their first acts was to recommend that the college be given university status and in 1968 this was done. In 1974 another significant change occurred when Florence State University became the University of North Alabama, reflecting the institution's continued growth while projecting still greater outreach in its instructional, research and service functions.

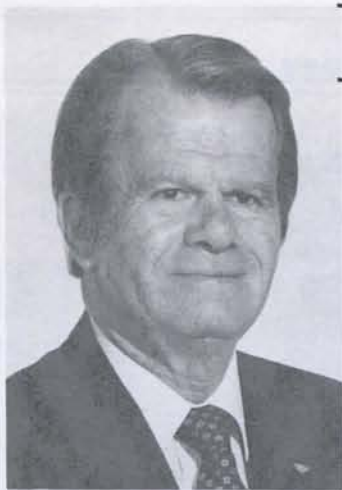

Today the University of North Alabama more than fulfills the hopes of its founders. It is a university in the truest sense, offering opportunities for its students to enjoy personal and social development as well as cultural and intellectual growth.

The university shares the broad purpose of all institutions of higher learning and seeks to provide a wide range of academic programs for the general, professional, preprofessional, and technical preparation of students. Academic programs are organized under four schools: arts and sciences, business, education and nursing. Over 5,300 students are enrolled and the university employs a faculty and staff of more than 450.

Nestled in the picturesque Tennessee River Valley, it occupies a beautiful campus of 92 acres, in a historical residential section of Florence. With a population of almost 40,000 the city is the largest of a four-city metropolitan area of 130,000 residents.

UNA's Athletic Facilities...

The University of North Alabama is recognized nationally as having athletic facilities that rank among the best in the NCAA Division II ranks.

One look at the Lions' track record shows how well respected UNA's athletic facilities are. In four NCAA playoff appearances, UNA has been selected as the host school for every game. In five trips to the NCAA basketball playoffs, UNA has hosted three regional tournaments and three quarterfinal games and boasts a perfect 9-0 home playoff record.

The Lions have also hosted numerous Gulf South Conference tournaments in golf, tennis, basketball and baseball and the school's outstanding facilities continue to grow.

For football, the Lions play in Braly Municipal Stadium.

Recently renovated, the stadium can now seat 14,500 people and has a playing surface that can rival any in the country. Its foundation is comprised of sand, which enables the field to withstand six inches of rain at one time without altering the footing.

In addition, Braly Municipal Stadium features two ultra-modern dressing rooms, concession stands, restrooms and a three-level press box. The first level of the press box has a press room that can hold up to 30 sports writers and a VIP Suite, where President Dr. Robert Guillot can entertain guests.

The second level houses coaching staffs from both schools, the Public Address Announcer, the Clock Operator and both home and visiting radio crews.

The third floor is used by television and film crews.

The home field has also been productive for the Lions as they posted a 7-1 record at home in 1983 and have gone 22-5 at Braly Stadium over the last four years.

Flowers Hall, which serves as home for UNA's men's and women's basketball teams and women's volleyball, in addition to all indoor intramural activities is also a modern facility with a seating capacity of almost 4,000.

A tri-level facility, Flowers Hall has an Olympic-size swimming pool, numerous dressing rooms, athletic areas for archery and gymnastics and offices for athletic and HPER personnel. All Physical Education classes are taught in Flowers Hall.

As the home floor for UNA's basketball program, Flowers Hall has proven to be a true advantage. The Lions men's teams have posted an incredible 117-25 record in the gym since the doors opened in 1972. Last season the UNA men were 19-1 at home, winning the GSC tournament championship, the NCAA South Region championship and a NCAA quarterfinal bout all in Flowers Hall.

The UNA Lady Lions were also productive at home, rolling to a perfect 12-0 mark at home.

Construction on UNA's new baseball press box was recently completed in time for the Lions to host the championship round of the GSC tournament for the first time, a tournament title UNA won for the first time with a 16-5 win over Mississippi College to complete a sweep of the league's major crowns in 1983-84.

The University tennis courts are adjacent to Flowers Hall and a modern Rifle Range, completed just two years ago, serves as home for the UNA rifle team.

...Just Keep Getting Better

But those improvements in UNA's baseball and rifle facilities are just the beginning.

Work was recently completed on UNA's Flowers Hall Annex and the university's football administrators are now firmly in place.

The one and a half million dollar annex provides almost 18,000 square feet of space for the Lions' football program, with coaches offices, equipment rooms, film rooms, an indoor practice facility, a modern weight room and a racquetball court all open for use.

The annex also gives UNA athletic training facilities that rank among the best in the nation.

A new training room with a sauna, walk-in whirlpool and other extras give UNA trainer Johnny Long plenty of room to supervise the care of the school's student athletes.

Spacious dressing rooms are also a part of the new annex, which gives the university better use of Flowers Hall for basketball and women's sports as well as intramural activities and other events.

UNA's Baseball facilities were upgraded in 1984 with the addition of a new press box and scoreboard that told the story of the Lions' first Gulf South Conference championship baseball team. Below, the recently completed dressing rooms in the Flowers Hall Annex will serve as home to the 1984 UNA football team as it strives to repeat as GSC Champs.

"It's something we can all take a lot of pride in," said football coach and Associate Athletic Director Wayne Grubb. "I think the new facilities will enhance our total athletic program."

"We're better organized which gives us a better working situation, and we have the kind of attractive facilities that stick in the minds of

recruits. It's without question a tremendous boost for our program."

Over the past four years UNA has had the winningest college football team in the state with a 36-8-1 record and Grubb feels even greater things are in sight as the Lions continue to prove they have one of the premier athletic programs in the country.

WAYNE GRUBB

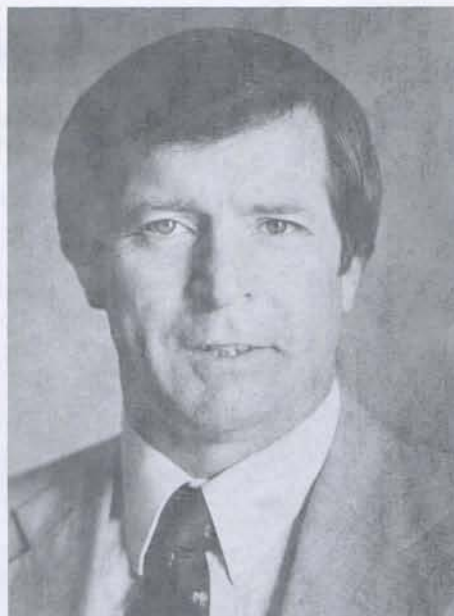

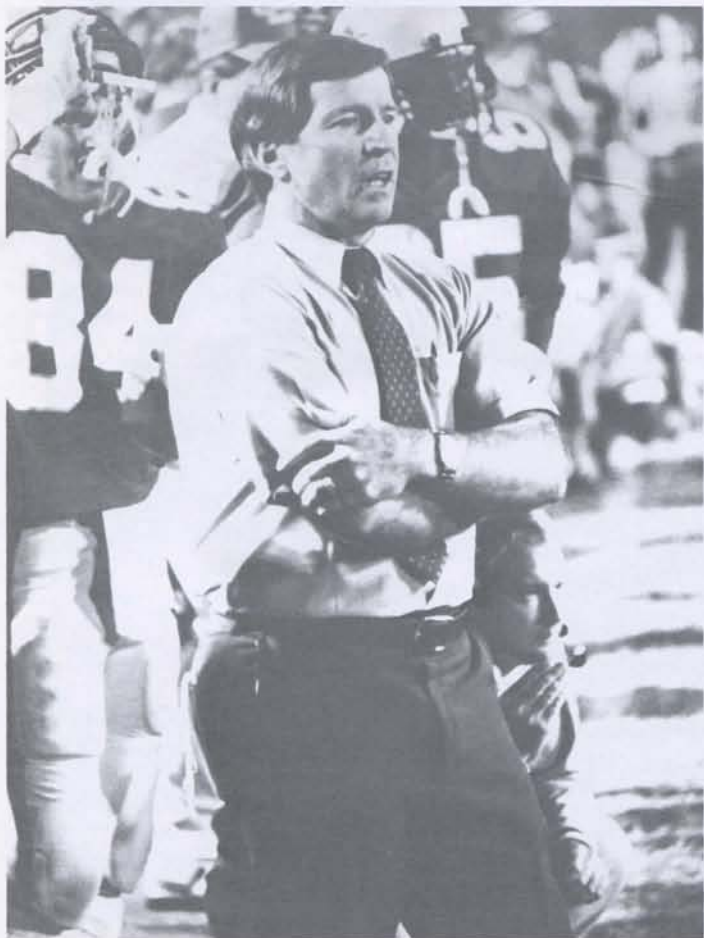

Head Coach

Last season the University of North Alabama football team enjoyed the most successful campaign in the 35-year history of the school's athletic program, going 11-1-1, advancing to the semifinals of the NCAA Division II playoffs and making national television appearances on both ABC and CBS.

That success was no surprise, however, to those who have followed the UNA football program since Wayne Grubb took charge in 1977. It was instead just more evidence of a program moving toward the top of the college football ranks.

When Grubb came to UNA seven years ago he faced a major rebuilding task, with his primary objective to restore a winning tradition and earn a position of respect for the Lions in the tough Gulf South Conference. Over that seven year period, the UNA program has shown steady improvement, set new records and taken giant strides toward national prominence. Among the Lions' accomplishments under Grubb are the first two GSC championships in school history, the first two NCAA playoff appearances by a UNA football team, the two winningest seasons in school history, four television appearances, six consecutive winning seasons and an overall 54-20-2 record. And over the last four seasons, UNA has the best record of any college football team in the state at 36-8-1.

Twice during that time Grubb was named GSC "Coach of the Year" and once NCAA District 4 "Coach of the Year."

The UNA football facilities have also kept pace, with a major expansion of Braly Stadium, the Lions home field, and a new annex to Flowers Hall that provides additional space for training and weight rooms, dressing rooms and offices for the athletic program, as the two most prominent additions.

The revitalization of the UNA program is another chapter in the success story that Grubb has written since he began coaching football.

A native of Athens, Tenn., Grubb starred at the University of Tennessee where he earned academic All-America honors as a lineman.

His first coaching assignment came at Cordova (Ala.) High School where, in five seasons, his team posted a 38-8-4 record and won the 1963 Class 2A State Championship. Grubb continued his winning ways in the collegiate ranks when he joined the coaching staff at Samford University in 1966, serving as defensive line coach for three years. In 1969 he was named head coach at Samford and quickly put the Bulldog football program on the map. After 2-6-1 and 5-5 seasons, Samford went 10-1 in 1971 and won the NCAA Division II National Championship with a 20-10 win over Ohio Wesleyan in the Amos Alonzo Stagg Bowl in Phenix City, Ala. When Samford decided to drop its football program for financial reasons two years later, Grubb moved on to the professional ranks with the Birmingham Americans of the World Football League.

As an offensive line coach, he helped lead the team to the first and only World Bowl crown in 1974. Midway through the next season, however, the WFL folded and Grubb became public relations and sales director for the Birmingham Bulls of the World Hockey Association.

Then, in December of 1976, Grubb became the fourth head football coach in UNA history and led the Lions to a 5-5 record in his initial season. A 7-2-1 record the following season got the attention of football fans across the state as the Lions' posted their best record in 17 years. A 6-5 mark followed in 1979, but the best was yet to come.

In 1980, in only his fourth season at the school, Grubb led UNA to its first 10-win season and a spot in the national playoffs. After a 17-8 win over Virginia Union in the opening round, UNA appeared before ABC television cameras in a semifinal bout with Eastern Illinois.

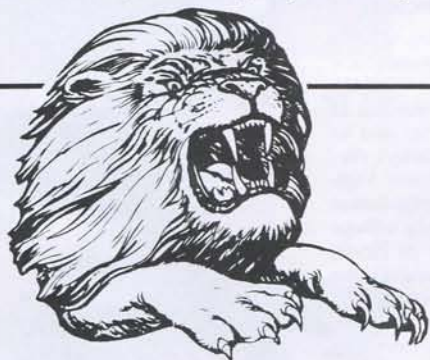

The following season the Lions were back on ABC, defeating Troy State 24-13. In 1983, Grubb took the Lions farther still, finishing the regular season with a 10-0-1 mark, defeating Virginia Union in the NCAA playoffs, then coming within three points of advancing to the national championship game in a 27-24 loss to Central State of Ohio on ABC-TV.

Over the past few years, Grubb has also become one of the area's most sought after speakers. It's not unusual to find him at a salesman's meeting in the morning and a quarterback club that evening. As a result of his highly visible manner, Grubb has been able to keep the attention of the public on UNA and the school's athletic programs. He also serves as the school's Associate Athletic Director.

Grubb has molded one of the most respected coaching staffs in college football into a solid unit noted for its closeness and dedication to a winning program. He also credits the school's football success to an administration which firmly believes in the value of a winning athletic program.

Over his collegiate coaching career, Grubb has won 79 games, lost 40 and been tied five times. And in seven years at UNA he is 54-20-2.

He has two children, Christina, 18, and Rob, 16.

Assistant Coaches

Offense

MIKE McGOWAN

Acting Offensive Coordinator

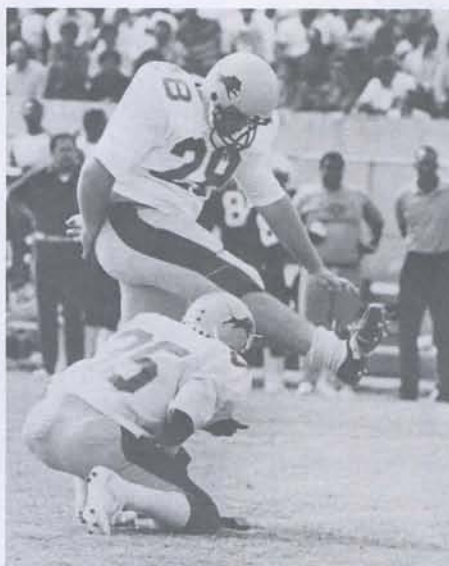

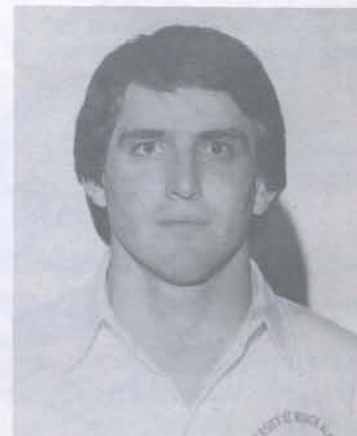

Coach McGowan served as offensive coordinator for the most powerful offensive squad in Gulf South Conference history last season as the Lions shattered 48 school and conference records. He joined the UNA staff in February of 1979 as a wide receiver coach and assumed the duties of offensive coordinator as well last season. McGowan served as an assistant coach at Leon High School in Tallahassee, Fla., for five years and was head coach and athletic director at Escambia High School in Pensacola from 1977-79. History of the Gulf South Conference

The Gulf South Conference is recognized across the nation as one of the premier Division II conferences in the nation, boasting 11 national champions in seven sports since 1970 and annually placing teams in the championship tournaments of virtually every sport in NCAA competition.

The GSC was born in the summer of 1970 when representatives from six institutions - Delta State University, Florence State University (now North Alabama), Jacksonville State University, Livingston University, the University of Tennessee at Martin and Troy State University - convened in Birmingham, Al., to form the Mid-South Conference, the forerunner of today's GSC.

Scheduling problems in the first year permitted competition only in football with Jacksonville State (10-0) winning the league's first championship.

In 1971, Southeastern Louisiana and Nicholls State joined the conference, bringing the membership to eight. The league also changed its name to the Gulf South Conference.

The following year, Mississippi College and Northwestern Louisiana were admitted to the conference. Northwestern withdrew two years later, followed by Southeastern Louisiana and Nicholls State in 1979.

The conference continued with seven teams until 1981 when the league's presidents voted to admit Valdosta State College. The ninth and newest member, West Georgia College, joined in June of 1983.

The GSC's first commissioner, Stan Galloway, retired in 1979 and, with the naming of Jim McCullough as commissioner, the league office was moved from Hammond, La., to its present location in Birmingham, Al. The league named its third commissioner, Hayden Riley, in 1982 and he served two years before retiring at the end of the 1983-84 school term. Ralph McFillen is the new GSC Commissioner.

The GSC sponsors championships in football, basketball, baseball, track, golf, tennis, cross-country and rifle. In addition, women's teams compete in basketball, volleyball, softball, tennis and cross-country. Banner seasons have become common for the GSC. Numerous student athletes continue to be honored on All-America and Academic All-America teams.

Several former GSC athletes are on rosters with professional football teams and others have participated on the United States team in the Olympics.

Football gained the majority of the attention for the Gulf South Conference in its early years, but the league has excelled in other sports as well.

Previous national champions from the GSC include Delta State in women's basketball (1974-75, 1975-76, 1976-77); Livingston in football (1970); North Alabama in basketball (1978-79); Troy State in golf (1976, 1977 and 1984) and women's golf (1984); and former member Southeastern Louisiana in track (1975). In addition, the GSC has been represented in the Division II baseball World Series for the last 10 years.

Dr. Charles E. Smith of the University of Tennessee at Martin is the current GSC president. Past presidents of the GSC have included Dr. Vernon F. Galliano of Nicholls State, Dr. Aubrey K. Lucas of Delta State, Dr. Larry McGehee of Tennessee-Martin, Dr. Ernest Stone of Jacksonville State, Dr. Clea Parker of Southeastern Louisiana, Dr. Ralph Adams of Troy State, Dr. Lewis Nobles of Mississippi College, Dr. Robert M. Guillot of North Alabama, Dr. Asa Green of Livingston and Dr. Kent Wyatt of Delta State.

"A Major Sweep"

1983-84 Gulf South Conference All-Sports Champions

The University of North Alabama has won virtually every championship and award the Gulf South Conference has to offer, but until last season, one award had proven elusive to the Lions - the GSC All-Sports Trophy.

But with a sweep of the league's three major championships, UNA captured the All-Sports title and made NCAA playoff appearances in football, basketball and baseball. It was the first time in league history that one school had won all three major sports outright in the same year and it served to boost UNA to an overall athletic record of 203-115-2 for a 63.5 winning percentage.

UNA finished first in football, baseball and basketball, second in tennis and rifle and fourth in golf to edge Troy State by one and a half points for the All-Sports crown. The Lions set school records for the most wins in a season in four sports, were nationally ranked in five sports and had four NCAA tournament teams.

In addition, Wayne Grubb was GSC football "Coach of the Year," Bill Jones was GSC basketball "Coach of the Year," Mike Lane was GSC baseball "Coach of the Year" and Ande Jones was GSC volleyball "Coach of the Year."

In football, Clarence Johnson was the NCAA Division II national scoring champion and the school received two \$1,000 scholarships from

In basketball, Maurice Stafford was GSC "Player of the Year" after shattering the all-time NCAA Division II record for field goal percentage with a 75.0 showing. Robert Harris was also voted "Freshman of the Year" to make UNA the first school in conference history to sweep all three post-season basketball awards.

In women's basketball, UNA went 25-5 and advanced to the finals of the NCAA South Region before falling in double overtime. LaConger Cohran was chosen for the Kodak All-District team and was the nation's fifth leading scorer.

In tennis, junior Brice Bishop won the GSC NO. 1 singles crown to reign as conference champion.

UNA was the only school in Division II to place a team in the Final Four in both football and basketball and the Lions went a step further when the baseball team made it to the final of the NCAA Central Regional.

It's the kind of year everyone dreams about but few ever experience.

1983 — A Year in Review

Since the University of North Alabama began an intercollegiate football team in 1949, 35 teams have taken to the gridiron in search of regional and national honors. But none did it any better than Wayne Grubb's 1983 Lions.

From the first day of fall practice, Grubb's troops were tabbed as the team to beat in the rugged Gulf South Conference and the Lions didn't give their fans anything to be disappointed about.

From a 38-0 rout of Miles College, to record-breaking wins over Central Florida and Delta State, to a 28-0 rout of previously No. 1 ranked Mississippi College and on to a loss in a flood to Central State of Ohio in the NCAA semifinals, the Lions took the season one game at a time and overcame as much adversity as any team in school history to post the best record ever 11-1-1.

Not only did the Lions win a record number of games, they won big, breaking or tying 48 school and conference records in the process. UNA won the GSC by the biggest margin ever - three full games - and led the league in five of the eight team statistical categories.

UNA was tops in scoring offense and scoring defense, scoring an average of 32.1 points per game, while allowing only 14.0. Both of those figures also ranked UNA high in the national standings.

The Lions were also No. 1 in total offense, giving up 232 yards per game; rushing offense, picking up 220 yards per contest; and rushing defense, allowing only 88 yards per game on the ground.

UNA also possessed the nation's leading scorer in tailback Clarence Johnson who scored a GSC record 17 touchdowns and became the first back in UNA history to surpass the 2,000-yard career rushing mark as a junior.

The Lions received additional national exposure from two television appearances. UNA routed Troy State 42-21 in a game televised regionally by CBS. Then ABC came to Florence to televise UNA's semifinal bout with Central State in the NCAA playoffs. It was the Lion's fourth NCAA playoff game in four years and also their fourth television appearance.

UNA was impressive in a slaughter of Miles College in the regular season opener but had to come from behind in the final

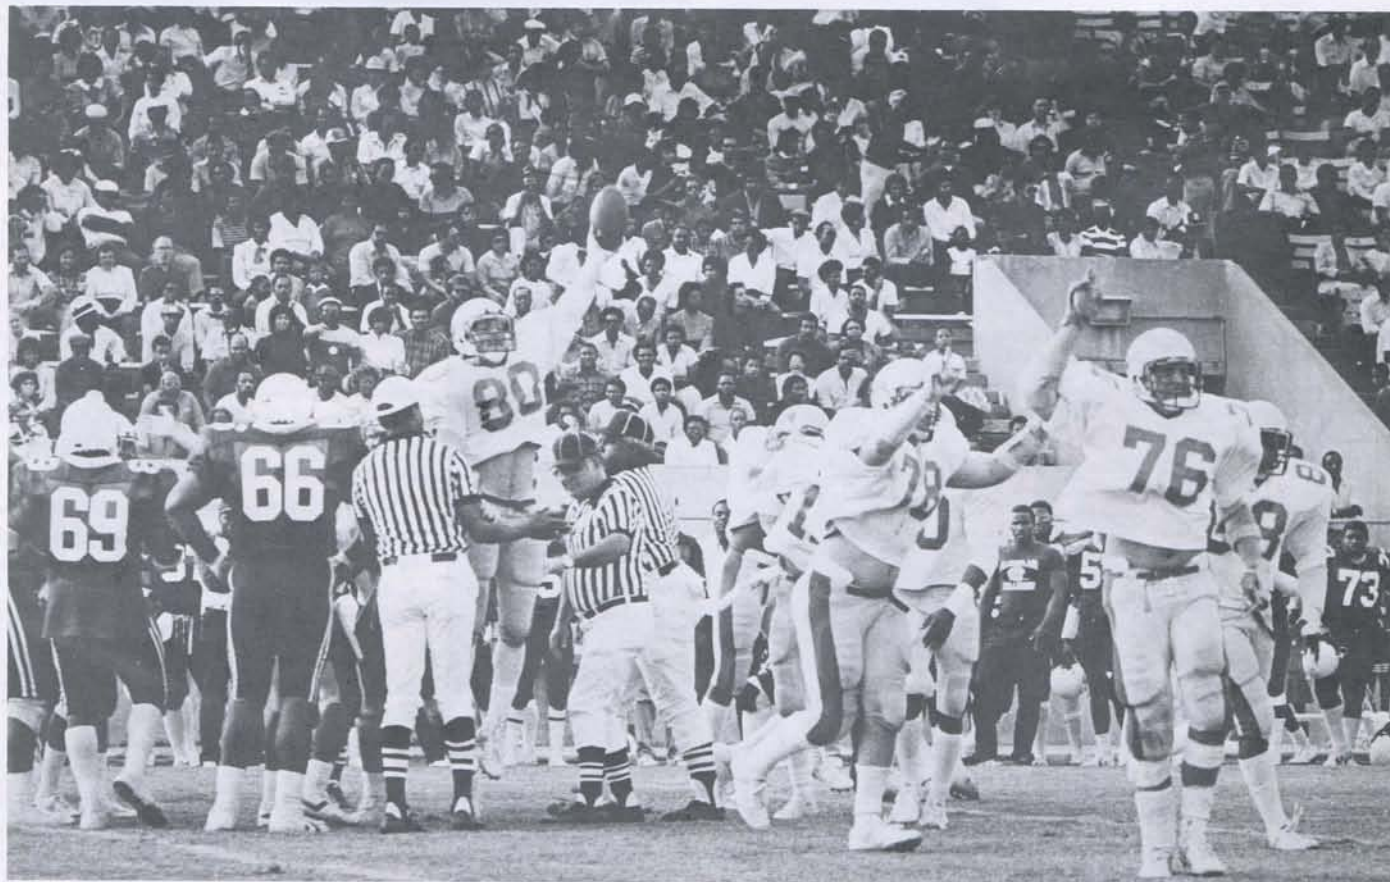

minute to defeat Livingston the following week. That may have been the pivotal win for the Lions as they went on to score 100 points the next two weeks in a 47-20 thrashing of Central Florida and a 53-33 free-for-all with Delta State.

A tie with Alabama A&M slowed an impressive roll, but the Lions came back to win their next seven straight games, including back-to-back shutouts of Valdosta State (27-0) and Mississippi College (28-0), a 24-21 come-from-behind win over rival Jacksonville State and an NCAA quarterfinal win over Virginia Union (16-14).

Wayne Grubb was named GSC Coach of the Year and five Lions were first team All-GSC selections.

The football success also carried over into UNA's other sports as the Lions won GSC championships in basketball and baseball and clinched the first GSC Men's All-Sports Trophy in school history.

It was a roller-coaster season that carried the Lions to within three points of playing for the national championship but left them with a goal for 1984 - to win the Division II crown.

Turnovers played a pivotal role for UNA in 1983 as the Lions intercepted 28 passes and recovered 26 fumbles, while committing only 26 total turnovers.

1983 — Game-By-Game Review

NORTH ALABAMA 38, MILES COLLEGE 0

FLORENCE — Tailback Clarence Johnson scored three touchdowns on runs of three, one and three yards to keep head coach Wayne Grubb's record perfect in season openers at UNA. The visitors were held to 144 total yards including only two yards rushing in the first half.

NORTH ALABAMA 15, LIVINGSTON 12

FLORENCE -- On a fourth-and-12 play at the Livingston 47 yardline with two minutes to play, quarterback Rusty Towery hit Chuck McCurley with a 20-yard pass to sustain a desperate UNA drive. Then, with 1:05 left, Towery again found McCurley in the endzone with a seven-yard pass that gave UNA a 15-12 win in its Gulf South Conference opener.

NORTH ALABAMA 47, CENTRAL FLORIDA 20

ORLANDO -- The Lions put on an awesome display against the highly touted Knights scoring six touchdowns and adding a pair of field goals before a crowd of over 8,300 in the Tangerine Bowl. Clarence Johnson scored three times and Rusty Towery completed 16 of 22 passes for 238 yards. Johnson finished with 141 yards on 16 carries. Towery was named GSC "Player of the Week" for his efforts.

NORTH ALABAMA 53, DELTA STATE 33

FLORENCE -- For the second straight week the UNA offense showed the way, picking up 616 yards, while scoring the third highest point total in school history. Clarence Johnson scored four times on one, nine and five yard runs and a 55-yard pass reception. Rusty Towery completed 13 of 22 passes for 287 yards to again be named GSC "Player of the Week." Johnson finished with 131 yards.

NORTH ALABAMA 20, ALABAMA A&M 20

ATHENS -- The UNA offense that had scored 100 points in the previous two outings failed to capitalize on several early scoring opportunities as the Lions struggled to a 20-20 tie with the Bulldogs. UNA reached the A&M 10 yardline with 25 seconds left in the game but a Rusty Towery pass was intercepted in the end zone. A Clifford Mason interception gave UNA one last chance but James Knowles' 47-yard field goal attempt came up just short on the game's final play.

NORTH ALABAMA 35, UT-MARTIN 7

MARTIN -- The Lions defense sparked the win with four interceptions, including one that was returned 25 yards by Bruce Jones for a touchdown, heading the attack. There was no score with just over seven minutes left in the half but UNA went up 21-0 before halftime and led 35-0 before allowing a UTM score.

NORTH ALABAMA 42, TROY STATE 21

TROY -- In front of a regional television audience on CBS, the sixth ranked Lions spoiled the Trojans homecoming in a game that UNA controlled 35-0 at one point. Rusty Towery ran for two touchdowns and passed 60 yards to Mike Gilley for another and Dean Sanders went 20 yards with an intercepted pass.

NORTH ALABAMA 27, VALDOSTA STATE 0

FLORENCE -- After a scoreless first half, UNA capitalized on five VSC second half fumbles to blow the game open. James Knowles kicked two field goals and Clarence Johnson scored on 15 and 17 yard runs, while Thomas Calhoun added a four-yard TD run.

NORTH ALABAMA 28, MISSISSIPPI COLLEGE 0

FLORENCE -- The "Game of the Year" in the GSC never materialized as the third ranked Lions put on one of their best performances of the year in a rout of the Choctaws on homecoming. Clarence Johnson and Stanley Gill scored two touchdowns each as UNA clinched at least a share of the conference crown.

NORTH ALABAMA 49, WEST GEORGIA 7

FLORENCE -- The Lions clinched the GSC championship with an impressive 603 yard, seven touchdown offensive explosion. UNA scored on three of its first four possessions and Clarence Johnson picked up 122 yards on 16 carries and tied a GSC record for touchdowns in a season with 16. He also crossed the 2,000 yard rushing mark for his career.

NORTH ALABAMA 24, JACKSONVILLE STATE 21

FLORENCE -- James Knowles kicked a 26-yard field goal with 6:07 left in the game to give UNA a come-from-behind win. UNA outgained JSU 482 yards to 139 but the Gamecocks scored on a blocked punt, an interception return and a short pass following a UNA fumble. The win capped UNA's first undefeated regular season ever at 10-0-1.

NORTH ALABAMA 16, VIRGINIA UNION 14

FLORENCE -- James Knowles kicked three field goals, including a 47-yarder with 8:53 left to give UNA a win in the opening round of the Division II playoffs. The UNA offense was stifled by the Panthers but fullback Stanley Gill managed 119 yards on 25 carries to lead the attack.

NORTH ALABAMA 24, CENTRAL STATE (Ohio) 27

FLORENCE -- UNA came within three points of playing in the Division II championship game, but a roughing the kicker penalty in the final minutes on a blocked punt attempt left UNA short of the win. In an incredible rain storm, both teams had trouble with the kicking game but Central State broke on top 24-10 at the half and led 27-10 before UNA came back. The Lions closed within three but couldn't quite pull out the win in the Division II semifinal.

1984 - A Look Ahead

With 39 lettermen back from perhaps the most powerful team in Gulf South Conference history, the University of North Alabama appears ready to defend its league title in 1984.

UNA, which won the GSC crown in 1983 by the widest margin ever - three full games has 20 lettermen back on offense and 19 on defense. The defensive unit should be the driving force of the team with nine starters back from the squad that was tops in the GSC against the run, and ranked first in scoring defense and total defense.

UNA's offensive unit should also be solid with seasoned quarterback Bobby Duncan at the controls and numerous talented runningbacks behind him.

"We've got a very talented group coming back but they'll have to go a long way to prove themselves this season," said UNA head coach Wayne Grubb. "Of course you love to have experienced people coming back but you also expect them to show improvement and help push the rest of the team. That's what we're going to be looking for in our players."

On defense, All-Gulf South Conference tackle Dean Sanders heads a front line that can line up with anybody in Division II. The 6-5, 250 senior is joined on the front by left end Billy Witt (6-6, 235, Jr.) of Russellville, right end Alan Underwood (6-3, 270, Jr.) of Tuscumbia and right tackle Mike Marks (6-6, 265, Soph.) of Florence.

That group is backed up by a linebacking corp that has everyone back from 1983. Seniors Clifford Mason (6-1, 220) of

Courtland, John Harris (5-11, 220) of Pensacola, Fla., and Charlie Glass (6-1, 208) of Sweetwater. The backups are veterans as well with Dexter Hunt (6-2, 220, Jr.) of Jackson, Tony Campbell (5-11, 200, Soph.) of Leighton and Roland Wilson (6-2, 205, Soph.) of Atlanta, Ga. heading the list.

Two-time All-GSC pick Rod Brooks is gone from the secondary but the Lions have excellent replacements in Chris Evans (6-0, 195, Soph.) from Atlanta, Ga., and Thomas Rankin (6-1, 185, Jr.) from Mobile at free safety.

At the corners, UNA has speed to burn with All-America candidate Daryl Smith (6-0, 180, Sr.) of Opelika and Reger Curry (5-11, 180, Sr.) of Birmingham leading the way. Veteran Bruce Jones (6-1, 195, Jr.) of Courtland returns at strong safety.

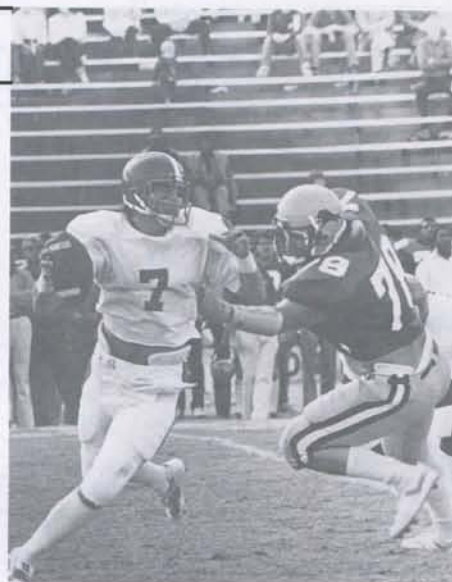

On offense, seven of the Lions' top eight runners from a year ago return along with leading receiver Germaine Young and top punt returner Brian Patterson. The Lions also have kicking specialists Harlow Fikes and James Knowles back for their third seasons.

Bobby Duncan (6-3, 208, Sr.) from Lake City, Fla., will be at the controls after completing 34 or 51 passes for 480 yards and six touchdowns last year in a backup role.

Two-year starter Stanley Gill (5-9, 180, Sr.) of Hartselle returns at fullback after gaining 698 yards and scoring six TDs in 1983. He was the Lions top rusher in the NCAA playoffs. Thomas Calhoun (6-0, 185, Sr.) of Alpine, Wesley Scott (5-10, 175, Soph.) of Lucedale, Miss., Glenn Ivy (5-10, 225, Soph.) of Okolona, Miss., and Rich Cunningham (6-2, 205, Jr.) of Vero Beach, Fla., should all see considerable action carrying the ball this season.

Young, a 5-10, 170 senior from Bessemer, leads the Lions receiving corp, while Brian Patterson (5-10, 165 Jr.) from Dalton, Ga., and Barry Banks (6-1, 205, Soph.) from Atlanta, Ga. will start at the wide-out and tight end positions respectively.

On the offensive line, cousins Scott and Tony Shirley will anchor the right side of the line, while veterans Kevin Nauman, Jack Gipson and Mike Fredericks also provide strength and leadership.

Punter Harlow Fikes returns for his junior season, already established as one of the top punters in the GSC. The Athens native averaged 38.9 yards per kick last season. James Knowles of Montevallo is also back for his junior year after starting the last two years. He tied a GSC record for points scored by a kicker in a season with 82 points in 1983, and he provided the winning points with long-range field goals in UNA's wins over Jacksonville State and Virginia Union.

Experience is the word for the 1984 UNA Lions and another successful campaign appears to be on the horizon for Wayne Grubb's squad.
