The University

UNA TODAY

The University of North Alabama, since its inception as the first state-supported teachers college south of the Ohio River, has been a leader in education. With that tradition as a foundation, UNA sets the pace for the tri-state region of Alabama, Mississippi and Tennessee. UNA is meeting the challenge of the Nineties by developing a solid transition to the approaching twenty-first century. While attaining national recognition in academics, athletics and student activities, UNA has become known as one of the nation's finest regional universities. For example, the nationally-recognized Gourman Report ranks UNA second only in Alabama to the state's five doctoral degree-granting universities.

While the university's academic officials, administration and trustees are mindful of the technological demands of the Eighties, which UNA addresses, they remain steadfast in their adherence to the traditional role of a university that distinguishes it from a technological or vocational school. Therefore, a primary emphasis is placed on the arts, letters, humanities and sciences.

The University of North Alabama maintains a high-level core program in the liberal arts, a high quality teacher-training program to supply expert teachers for the state's elementary and secondary schools. Its strong preprofessional programs continue to feed quality students into professional programs at larger schools. UNA's students are motivated to continue their formal education and process the basic tools of learning necessary to perform well in professional and graduate college-level work.

The university shares the broad purpose of all institutions of higher learning and seeks to provide for the general, professional, preprofessional and technical preparation of students. Academic programs are organized under schools: Arts and sciences, business, education and nursing. Some 5,600 students are enrolled and the university employs a faculty and staff of more than 450 persons.

In the Nineties and beyond, providing degree programs based on the concept of the totally educated person is the primary goal of the University of North Alabama.

UNA HISTORY AND TRADITIONS

Since the University of North Alabama began its modern day intercollegiate football program in 1949, the school has gone by four different names — Florence State Teachers College, Florence State College, Florence State University and UNA.

But UNA traces its origins much further back, all the way to 1830 when LaGrange College became the first college chartered in Alabama.

In 1872, the school was established as a state normal school, the first of its kind in the south. Two years later it became one of the first coeducational colleges in the nation.

In 1929, the institution became a state teachers college with a four-year curriculum in elementary education and was renamed Florence State Teachers College.

In 1957 the name changed to Florence State College and in 1967 the school was removed from the jurisdiction of the state Board of Trustees. One of their first acts was to recommend that the college be given university status and in 1968 the name was changed to Florence State University.

In 1974, another significant change occurred when FSU became the University

of North Alabama, reflecting the institution's continued growth.

And as the university has developed, so has the school's athletic program, which traces its origins to the turn of the century.

No doubt the school had some type of athletic competition years before, but the first recorded score of an organized event available reveals that Florence State Normal School fielded a football team 77 years ago. It challenged only one school in that 1912 season and lost that contest 101-0 to Sewanee.

Over the next 16 years, Florence State Normal suffered similar fates and dropped its football program after losing twice to Marion Institute 86-0 and 85-0 in 1928.

For the next 20 years football was a game Florence State followers had to go elsewhere to see. But on March 30, 1949, Dr. E.B. Norton called for a student assembly to announce that football would be renewed and that the Lions would jump headlong into collegiate competition that fall.

Since that day in 1949, UNA football teams have posted a combined 227-172-15 record.

INTERIM PRESIDENT ROBERT L. POTTS

On November 15, the UNA Board of Trustees announced the appointment of Robert L. Potts as the interim president of the university.

Potts a Harvard Law School graduate, has served as general counsel of the University of Alabama system since 1984. From 1973 to 1983, he served as the attorney for UNA.

In accepting the position, Potts said, "My decision to serve as interim president was prompted by my commitment to academic excellence and my desire to serve an educational institution whose growth and progress is so vital to northwest Alabama and the entire state, as well as the tri-state region."

Potts, 45, graduated from Coffee High School in Florence, attended Newbold College in England and received a B.A. degree cum laude from Southern Missionary College in Collegedale, Tenn.

He attained a Juris Doctor (J.D.) degree from the University of Alabama School of Law in 1969. There he graduated third in his class and served as Alabama Editor of The Alabama Law Review. Following a judicial clerkship, he received a Master of Laws (LL.M.) degree from Harvard University in 1971.

He has taught at Boston University Law School, the University of Alabama and UNA.

Prior to joining the University of Alabama system, he was a partner in the law firm of Potts & Young in Florence.

The Huntsville, Ala., native has served on the boards of trustees of Alabama State University in Montgomery and Oakwood College in Huntsville.

Presently, Potts is president of The Alabama Higher Education Loan Corporation and a member of the Board of Managers of the National Conference of Bar Examiners. He has served as chairman of the Alabama Board of Bar Examiners.

Potts and his wife Irene are the parents of two children.

Coach Bobby Wallace

In just two seasons at the University of North Alabama, Bobby Wallace has taken the Lions' football program through a major rebuilding program and placed it back on solid footing for the 1990's.

Having lost more than 50 players from the program prior to beginning the 1988 season, Wallace and the Lions fought to a 2-8 finish. But the majority of that squad returned last season to go 6-5, losing two games in the final seconds, and put UNA back into the upper echelons of the Gulf South Conference.

With a quality coaching staff and three strong recruiting campaigns in place, Wallace has the Lion program on course to reach the level of success he has known throughout his coaching career.

Wallace became the fifth head football coach in school history on December 15, 1987, at the conclusion of a nationwide search. A five-member search committee reviewed more than 60 applications and university President Dr. Robert M. Guillot made the announcement that Wallace was UNA's choice.

Although the move to North Alabama presented Wallace with his first head coaching position, he brought impressive credentials from 12 years as an assistant coach on the collegiate level in some of the nation's premier programs.

A native of Jackson, Miss., Wallace was a multi-sport athlete at Callaway High School, lettering three years each in football, basketball, baseball and track. He also earned prep All-America honors before enrolling at Mississippi State University.

After lettering three years in football at MSU under Bob Tyler, Wallace earned his Bachelor of Science degree in Physical Education in 1976 and stayed the following year to serve the Bulldogs as a graduate assistant coach.

In July of 1977, Wallace joined the staff of Pat Dye at East Carolina University and would coach under Dye for the next eight years.

Wallace coached defensive backs at East Carolina from 1977-79, helping lead the team to an Independence Bowl championship in 1978.

In January of 1980, Wallace went to the University of Wyoming to serve on Dye's staff there and again coached the defensive secondary.

In 1981, Wallace went to Auburn University and coached defensive backs there until 1985. During that time the Tigers won the Southeastern Conference championship in 1983 and won bowl championships in 1982 (Tangerine), 1983 (Sugar) and 1984 (Liberty). Wallace also recruited eventual Heisman Trophy winner Bo Jackson to Auburn.

In 1986, Wallace returned to his alma mater to serve as defensive coordinator under Rocky Felker at Mississippi State and then moved to the University of Illinois in 1987 to coach the defensive secondary under Mike White.

Wallace then joined the head coaching ranks when he accepted the position at North Alabama.

With a firm footing established, Wallace will lead UNA into this 1990 season that promises to be one of the most challenging and exciting in school history.

UNA Mascots

LEO AND LEO II - A LIVING TRADITION AT NORTH ALABAMA

The Lion has been the official mascot of athletic teams fielded by the University of North Alabama for more than 40 years. And beginning in 1974, then UNA President Dr. Robert M. Guillot established a new tradition by making the school the only one in the country to have a live lion mascot living on campus.

Leo, a 35-pound cub at the time, was acquired by Dr. Guillot on July 22 of that year and spent the next 14 years "roaring" UNA on to victory.

Growing to a 540-pound supporter of the university, Leo lived in the center of the UNA campus as a majestic symbol of a proud university.

But on January 20, 1988, Leo died, leaving a void at the school.

In memory of the impact Leo had at UNA and on the community as a whole, a bronze monument was placed near the compound that served as his home for 14 years.

A great out-pouring of support from businesses and individuals in the Shoals area followed and resulted in Leo II being brought to UNA to take his place as "King of Lion Country."

Leo II, an orphaned lion cub, came to UNA in July of 1988 from a Texas ranch after his mother died giving birth.

Now living in the renovated compound that once housed Leo, Leo II has been hand-raised from birth and has grown to a weight of more than 400-pounds by his second birthday.

Leo II celebrates his birthday in April with a party that became an area-wide tradition with the original Leo and is now being carried on by the new "King of Lion Country."

UNA's other mascot, a student who dons a lion costume to cheer the Lions and entertain the crowd, also represents the school at athletic games and other university functions. Tryouts are held each year and the identity of the student is kept secret for as long as possible.

Braly Municipal Stadium

Braly Municipal Stadium is recognized across the nation as one of the top college football facilities in the NCAA Division II.

The 13,000 seat stadium has been the site of numerous University of North Alabama football victories and has served as host for six NCAA playoff games. In every NCAA playoff game that UNA has participated in except one, the Lions, and Braly Municipal Stadium, have been chosen as the host. The only playoff game UNA didn't host was at a pre-determined site — the 1985 Division II Championship Game in McAllen, Tex.

But four years ago, Braly Municipal Stadium began hosting the NCAA Division II Championship Game as well, and will host it for the fifth consecutive year this December.

Renovated in 1980, the stadium now seats 13,000 and has a playing surface to rival any in the country. It's foundation is comprised of sand which enables the field to withstand six inches of rain at one time without altering the footing.

In addition, Braly Municipal Stadium features two ultra-modern dressing rooms, concession stands, restrooms and a three-level press box. The first level can hold up to 30 sports writers in the press room, and there is a VIP Suite. The second level houses coaching staffs from both schools, the public address announcer, the clock operator and both home and visiting radio crews. The third floor is used by television and film crews.

Another of the UNA football facilities is the Flowers Hall Annex, which provides almost 18,000 square feet of space for the Lions' football program, with coaches' offices, equipment rooms, film rooms and indoor practice facility, a modern weight room and more.

Spacious dressing rooms, a sauna, walk-in whirlpool and an expanded training room and other extras give UNA plenty of room to supervise the care of its student athletes.

The UNA athletic facilities have kept pace with the Lions' athletic program as UNA continues to prove it has one of the premier programs in the country.

Junior quarterback Craig Bryant of Birmingham will direct an experienced Lion offense in 1990

YOUNG LIONS FIGHT BACK IN 1989 . . . MAKE JUMP IN GSC

The University of North Alabama Lions took their share of lumps in 1988, finishing eighth in the Gulf South Conference with a team composed primarily of freshmen and sophomores.

And the lessons learned in that first season under Bobby Wallace paid dividends in 1989 as the Lions fought back to finish 6-5 and jumped to fifth in the Gulf South Conference.

UNA also lost two games in the final seconds and a win in the season-finale over Valdosta State, which the Blazers stole 24-21 with a touchdown with 18 seconds left, would have placed the Lions third in the league behind national finalists Jacksonville State and Mississippi College.

Extremely young in 1988, the Lions went into 1989 with only 10 seniors and seven juniors and began to regain the respect the UNA program has known in recent years.

"To have a winning season when you've got 57 sophomores and freshmen, I feel like we had a decent year," said Wallace. "The only thing that hurts is that we were so close to a lot more. But we have to take it step by step. I think our players played hard and they matured."

The most obvious improvement on the Lion squad came on defense when UNA had finished last or near the bottom in every defensive category in the GSC in 1988.

But in 1989, the Lions defense roared, giving up just 14.1 points and 264.4 yards per game.

Those figures placed UNA third in the GSC in both scoring and total defense, and the Lions were also third in rushing defense. In each category, the only teams ahead of the Lions were Jacksonville State and Mississippi College.

Drastic improvements were also made offensively as the 50 turnovers that plagued the Lions in 1988 dwindled to 28 in 1989 with a sophomore quarterback and virtually an all-freshman corp of runningbacks.

Individually, junior linebacker James Davis continued to make his presence known, equalling his own school record with 156 tackles in 1989. He also came up just one stop shy of his own single-game mark when he made 23 tackles against Jack-

Freshmen runningbacks Brian Satterfield (left), Darryl Green (center) and Tyrone Rush (right) combined for 1,344 rushing yards and scored 12 touchdowns in 1989 to lead the UNA offense.

sonville State.

He earned All-GSC and first-team All-America honors and defensive back Sedric Barnett was All-GSC and second-team All-America.

UNA opened the season at Birmingham's Legion Field before a crowd of more than 12,000. The game, scheduled as Alabama A&M's home game, was moved to Birmingham and for the first time in almost a decade, the Lions played on astroturf.

The surface proved to UNA's liking as the Lions rolled to a 19-7 win, with the Bulldogs' only score coming on a blocked punt that was recovered in the end zone.

Two Mike Berry field goals, a touchdown run by freshman Tyrone Rush and a TD pass from Craig Bryant to Derrick Coffey provided the offensive punch.

With an opening win under their belts, the Lions felt the redemption process was underway, but the Mississippi College Choctaws had other thoughts as they awaited in Clinton.

In the GSC opener for both schools, UNA turned the ball over seven times, with four leading directly to MC scores and the Choctaws pounded the Lions 34-0.

The UNA offense moved the ball for 258 yards but lost three fumbles and threw four interceptions. The defense was also dazed as Wally Henry passed for 233 yards.

The Lions' home opener awaited in week three and a non-conference win over 19th ranked Albany State provided the spark to get the Lions back on track.

UNA picked up a 17-3 win as the defense swarmed again,

holding Albany to 169 total yards and forcing three turnovers. Bryant completed 7-of-12 passes for 112 yards and a touchdown and ran for 60 yards and scored another TD.

At 2-1 overall and 0-1 in the GSC, UNA pounced on Delta State 31-12 and pushed itself into the Division II top twenty for the first time in two years. Bryant hit on 13-of-19 passes for 163 yards and freshmen Brian Satterfield and Darryl Green combined for 186 yards rushing as UNA rolled up 393 yards offensively.

The game was no easy ride, however. UNA saw a 10-0 lead disappear as the Statesmen went up 12-10 and were driving for another score just before the half when Troy Nelson picked off a pass and raced 75 yards to the end zone for an 18-12 halftime lead for UNA.

A 43-yard touchdown run by Satterfield and a 60-yard TD

scamper by Green in the fourth quarter put the game out of reach.

Playing at home for the third straight game, UNA saw a pivotal 17-16 decision to Central Florida slip away as the Knights scored a touchdown with just 58 seconds left to snatch a last-minute win over the Lions for the second straight years.

With UNA up 16-10, UCF's Shane Willis hit Shawn Jefferson with a 26-yard TD pass to make it 17-16. But Bryant came off the bench to lead UNA all the way to the Knights' 17 yard line. Mike Berry, who had already hit three field goal attempts in the game, was then called on with only seconds remaining but missed wide right.

UNA rebounded again with a 28-6 pounding of Tennessee-Martin and held the Pacers to two yards rushing to move to 4-2 overall.

arch-rival Jacksonville State the following week proved to be the difference as the Gamecocks escaped Braly Stadium with a 12-3 win.

With JSU leading 10-3, UNA took its first possession of the fourth quarter and marched to the JSU one. After failing to score on two runs but moving the ball within inches of a score, UNA fumbled trying to go around the right end on third down and the threat was dead.

JSU later picked up a safety to pad the lead.

The most disappointing outing of the season followed at Troy State as both teams turned in lack-luster performances and TSU came away with a 23-16 win.

UNA led early but fell behind 23-9 before rallying for a late score. UNA failed to benefit from five Troy State turnovers.

AT 4-4 with three games remaining, the Lions set their goal to sweep the final three games and close the year at 7-4, and it almost happened.

First the Livingston Tigers were trounced at Braly Stadium as UNA rolled to a 30-0 win, picking up 359 yards rushing and 539 total yards, while holding Livingston to only 130 yards of

offense.

Senior quarterback Mark Humphrey led the way to earn GSC Player of the Week honors. He rushed for 86 yards and a touchdown and passed for 180 yards and another score.

A 27-17 win over West Georgia in Carrollton pushed the record to 6-4 as UNA overcame a 17-10 halftime deficit and dominated the second half, giving up a mere 52 total yards defensively.

The Lions were then set to close the season in style with a home win over Valdosta State but the Blazers Tye Cottle dashed those plans with 190 yards passing, including the final scoring toss.

Derrick Coffey closed his career at UNA as the seventh leading receiver in school history with 1,070 yards, including nine touchdowns.

Craig Bryant became the eighth UNA quarterback to pass for 1,000 yards in a season and the first to do so since 1984.

Four Lions earned GSC Player of the Week awards, seven were chosen either first or second team All-GSC and three were Academic All-GSC selections.

NORTH ALABAMA 19 ALABAMA A&M 7

BIRMINGHAM - After a slow start, North Alabama rebounded to open its second season under Bobby Wallace with a win at Birmingham's Legion Field. Roderick Isaac put A&M on top early when he recovered a blocked UNA punt in the end zone for a touchdown in the first quarter. But the UNA defense held A&M scoreless the rest of the game while the offense added 10 points in the second quarter. Mike Berry added his second field goal of the day with 2:37 to go in the third quarter to give UNA a 13-7 lead going into the fourth quarter. On fourth and one at the A&M 41, Henry Thomas blocked an A&M punt and Ricky Thomas recovered the ball at the A&M 10. Craig Bryant hit Derrick Coffey across the middle on third and goal from the 13 to seal the victory with 13:17 left in the game. A crowd of 12,500 was on hand.

1990 Preview

With 37 returning lettermen from a squad that made its presence known in the Gulf South Conference race a year ago, the 1990 University of North Alabama football squad has the look of a contender.

The Lions finished 6-5 in 1989 with a squad composed of 57 freshmen and sophomores and only 17 junior and seniors. That included playing a sophomore quarterback, virtually all freshmen runningbacks and young, and for the most part, inexperienced players backing up everywhere else.

Add to that the fact that the Lions lost two other games in the final minute and still jumped to fifth in the GSC race after going 2-8 in 1988.

The 1989 season promises to be one of redemption for the Lions, and head coach Bobby Wallace says it is time for UNA to take the next step.

"I think we're close now to being contenders in the conference race and that's the next step," said Wallace. "Getting as close as we did last year should make us hungry and more determined."

"We've come a long way from where we were entering 1988 and our stability as a program is much better."

"We won't be satisfied going 6-5 this year. If we can be going into the last weekend of the season competing for the conference championship or for the playoffs, that's where I expect us to be."

Of the Lions 37 returning lettermen, 22 are on offense, led by junior quarterback Craig Bryant who accounted for more than 1,300 yards of total offense last season. Bryant has received starting action in each of the last two seasons and completed almost 52 percent of his passes for 1,073 yards and seven touchdowns in 1988. He also rushed for 272 yards and two scores.

Also returning are sophomore runningbacks Darryl Green and Brian Satterfield who combined for 735 yards rushing as freshmen.

Green gained 345 yards, averaged 5.2 yards per carry and scored one touchdown as a back-up to Tyrone Rush at tailback, while Satterfield picked up 390 yards, averaged 4.4 yards per carry and scored four times as the starting fullback.

The offense also gains strength with the move of three 1989 defensive starters back to offense.

All-GSC tight end Bennie Jennings will back in his familiar spot after playing linebacker last season, and will be joined on the offensive line by Sherman Johnson, who started at defensive tackle a year ago.

Junior Troy Nelson, who was

UNA's leading receiver in 1988 but played cornerback last season, has also moved back to a wide-out post.

Nelson pulled in 39 passes for 441 yards and two TDs in 1988 and is one of the most dangerous return men in the country. He was the only player in the GSC to rank in the top five last season in both punt and kickoff returns and ranked 11th nation-

ally in kickoff returns.

Wallace says UNA will also count on the receiving skills of junior college transfers Lawrence Haynes and Dejuan Singleton.

Returning to the offensive line are starters Chuck Holt, Jeff Thompson and Barry Hampton, as well as experienced back-ups Nathan Killen, Brian Kennemer and Eric Kolb, who have also seen starting action.

Defensively, UNA returns only four starters to the unit that finished third in the GSC in both total defense and scoring defense last season, but there are 15 returning lettermen, including 1988 starting tackle Malcolm Hall.

"We'll be more inexperience than we've been defensively, but we've got a lot of good football players over there," said Wallace.

All-American linebacker James Davis leads the unit after equalling his own school record with 156 tackles last season. He has 381 career stops which is also a school record.

Along with Hall on the line will be sophomore Tony Holley, who started as a freshman a year ago. Holley made 49 tackles with two sacks, while Hall was in on 51 stops and made three sacks in 1988.

The secondary returns starters Harvey Summerhill and Myron Miller who combined for 99 tackles and three interceptions last season.

Wallace is counting on help from junior college transfers to close the gaps at the linebacker slots.

Transfers George Cullars, Marvin Oglesby and Buck Patterson should be in the picture, along with returnees Ronnie Claiborne, Conner Farmer, Mike Williams and Skyla Hutchins.

Transfer Arthur Brandon and junior Walter Tipton should fill the remaining two secondary spots.

The Lion schedule features the traditional eight Gulf South Conference games, with home dates against Mississippi College, Tennessee-Martin, Troy State and West Georgia and road contests against Delta State, Jacksonville State, Livingston and Valdosta State.

The Lions also face non-conference foes Alabama A&M at home and Albany (Ga.) State on the road.

SMALL COLLEGE ATHLETE OF THE YEAR

University of North Alabama defensive back **Daryl Smith** was named Alabama Small College Athlete of the Year in 1984 by the Alabama Sportswriters Association. Smith was named to the Kodak, Associated Press and Football News All-America teams and was also the first athlete in school history to play in the Blue-Gray Classic and Senior Bowl All-Star games.

CHEVROLET SCHOLARSHIPS

Excellence on the football field has benefited UNA off the field as well as quarterbacks **Rusty Towery** and **Bobby Duncan** each had \$1,000 scholarships donated in their names to the university by Chevrolet. Towery was selected Most Valuable Player by Chevrolet in UNA's 42-21 win over Troy State in 1983 in a game that was televised by CBS. Duncan was named MVP in UNA's 27-24 loss to Central State of Ohio in the NCAA playoffs later that season in a game televised by ABC. In 1980 and 1981, UNA also received \$1,000 scholarships in the name of quarterback **Fred Riley** who earned MVP acclaim in televised games against Eastern Illinois and Troy State.

ALABAMA SPORTS HALL OF FAME

Perhaps the two most prominent figures to ever play football for the Lions also hold membership in the Alabama Sports Hall of Fame. Harlon Hill, a letterman from 1950-53 who was an NAIA All-American and was later named Rookie of the Year and Most Valuable Player in the National Football League while playing with the Chicago Bears, was the school's first inductee when he was chosen for membership in 1976. Then, in 1983, George "Goobar" Lindsey, a football letterman in 1950 and 1951 who went on to television fame on the **Andy Griffith** and **Hee Haw** shows, was selected for membership. Another Lion, former basketball standout Winfrey "Wimp" Sanderson, was inducted this past spring.

POST-SEASON ALL-STAR GAMES

Defensive back **Daryl Smith** was a consensus All-America pick in 1984 and became the first athlete in school history to play in post-season all-star competition at the Blue-Gray Classic in Montgomery, Ala., and the Senior Bowl in Mobile, Ala.

Another UNA defensive back, **Lewis Billups** of Ft. Walton Beach, Fla., was selected for post-season competition in 1985. Billups was selected for the Blue-Gray Classic and the Senior Bowl and was a starter in the secondary for the South squad in both games.

ACADEMIC ALL-AMERICA

UNA offensive lineman **Don Smith** of Huntsville was selected to the first team of the 1982 College Division Academic All-America team as selected by the College Sports Information Directors of America.

Gulf South Conference

The Gulf South Conference is recognized as one of the premier Division II conferences in the nation, boasting 22 national champions in eight sports since 1970 and winning 14 national crowns during the 1980s.

In addition, the GSC annually places its squad in the championship tournaments of virtually every sport in NCAA competition.

The GSC was born in the summer of 1970 when representatives from six institutions - Delta State University, Florence State University (Now North Alabama), Jacksonville State University, Livingston University, the University of Tennessee at Martin and Troy State University - convened in Birmingham, Ala., to form the Mid-South Conference, the forerunner of today's GSC.

Scheduling problems in the first year permitted competition only in football with Jacksonville State winning the league's first championship.

In 1971, Southeastern Louisiana and Nicholls State joined the conference, bringing the membership to eight. The league also changed its name to the Gulf South Conference.

The following year, Mississippi College and Northwestern Louisiana were admitted to the conference. Northwestern withdrew two years later, followed by Southeastern Louisiana and Nicholls State in 1979.

The conference continued with seven teams until 1981 when the league's presidents voted to admit Valdosta State College. The ninth member, West Georgia College, joined in June of 1983.

The GSC's first commissioner, Stan Galloway, retired in 1979 and, with the naming of Jim McCullough as commissioner, the league office was moved from Hammond, La., to its present location in Birmingham, Ala. The league named its third commissioner, Hayden Riley, in 1982 and he served two years before retiring at the end of the 1983-84 school term. Ralph McFillen, now the commissioner of the Metro Conference,

GSC Commissioner
Sonny Moran

served as the GSC commissioner until 1987, and G.E. "Sonny" Moran now serves as the league's fifth commissioner.

The GSC sponsors championships in football, basketball, baseball, golf, tennis and rifle. In addition, women's teams compete in basketball volleyball, softball and tennis. Banner seasons have become common for the GSC. Numerous student athletes continue to be honored on All-America and Academic All-America teams.

Several former GSC athletes are on rosters with professional football teams and others have participated on the United States team in the Olympics.

Football gained the majority of the attention for the Gulf South Conference in its early years, but the league has excelled in other sports as well.

Previous national champions from the GSC include Delta State in women's basketball (1974-75, 1975-76, 1976-77, 1988-89, 1989-90); Livingston (1970), Troy State (1984, 1987) and Mississippi College (1989) in football; Troy State in baseball (1986, 1987); North Alabama (1979) and Jacksonville State (1985) in basketball; Troy State in golf (1976, 1977 & 1984) and women's golf (1984, 1986 & 1989); Jacksonville State in women's gymnastics (1984 & 1985); and former member Southeastern Louisiana in track (1975). In addition, GSC school Troy State serves as the host for the Division II baseball World Series in Montgomery and North Alabama will host the Division II National Championship Game in football for the fifth consecutive year.

The Harlon Hill Trophy

Harlon Hill

A native of Killen, Ala., Harlon Hill is a prime example of the unknown small college player with tremendous talents who went on to prove his greatness in the National Football League — competing with the top players in the game.

A small college All-American receiver at Florence State Teachers College (now the University of North Alabama), Hill was drafted in the 15th round of the NFL draft by the Chicago Bears — a team willing to take a chance on a player that scout Clark Shaughnessy only heard about from a man in the press box at the annual Blue-Gray Classic in Montgomery.

The Bears didn't have to wait long for the skinny boy from Flor-

ence State to make their gamble pay off, however.

In 1954, Hill caught 45 passes for 1,124 yards and 12 touchdowns and was named National Football League Rookie of the Year. The following year he caught 42 passes for 789 yards and nine touchdowns and was the recipient of the Jim Thorpe Trophy as the NFL Most Valuable Player.

In nine years in the NFL, Hill caught 233 passes for 4,717 yards and 40 touchdowns and is still regarded as one of the greatest receivers to ever play the game.

The 54-year-old Hill now serves as principal at Brooks High School in Killen, only a few miles from Florence.

Creation of the Trophy:

The top player in college football each season has long been honored with the presentation of the Heisman Trophy.

An award symbolic of the best.

But while that award may have recognized the top player in the NCAA, no one playing at a school below the Division I level had ever received recognition for their accomplishments in the voting.

Players like Walter Payton, Neil Lomax, Ken O'Brien, John Stallworth and others played in the NCAA Division II, and would have never achieved recognition, had they not gone on to outstanding careers in professional football.

That began to change in 1986, however, when a group of Shoals area residents, with the sponsorship of Coca-Cola and Herff-Jones, Inc., worked to establish the Harlon Hill Trophy — to be presented each year to the top player in the NCAA Division II.

The originators of the award didn't feel that accomplishments in professional football should have to be the measuring stick for talent in Division II. So the award was created to honor players whose achievements have placed them among the top players to ever play the game.

The Harlon Hill Trophy is an award that is given annually to the player selected as the "best" in Division II by the sports information directors at the 100-plus Division II schools which play football, and is presented during the week of the NCAA Division II Football Championship Game in the Shoals.

The Trophy:

The Harlon Hill Trophy, creat-

Harlon Hill

ed by Herff Jones, Inc., is 30 inches tall and weighs 63 pounds. The football is a life-size replica of a real football and sits on a solid walnut base.

Bentrim and Bailey:

North Dakota State quarterback Jeff Bentrim was the first recipient of the Harlon Hill trophy in 1986, receiving 133 total points and 32-first-place votes in the balloting by sports information directors.

A senior from Andover, Minn., Bentrim quarterbacked the Bison of NDSU to a 39-4 record as a starter and three national championships. The Bison also played in a fourth national title game but lost on the game's final play.

Bentrim broke Walter Payton's Division II career touchdown mark with 64, led Division II in scoring three consecutive years, finished as the school's all-time leading rusher and scorer and led the Bison into the Division II title game four consecutive years.

The man who finished second to Bentrim in the initial Hill balloting in 1986 came back to claim the award three straight times in 1987, 1988 and 1989. Texas A&I runningback Johnny Bailey easily led the voting after leading the nation in rushing as a sophomore and junior and finished his career as not only the career rushing leader in Division II but the all-time rushing leader in collegiate football history. He also established a new record for all-purpose yardage and finished as the fourth all-time leading scorer in the game.

The sensation from Houston, Tex., set over 200 Division II, Lone Star Conference and school records and averaged seven yards per carry over his four year career.

NCAA Championship

For the fifth consecutive year the Shoals area will host the NCAA Division II National Championship Football Game at Braly Municipal Stadium in Florence, with the University of North Alabama serving as the host institution.

Last year an enthusiastic crowd filled the stadium, in spite of three inches of snow, to watch Mississippi College pull out a 3-0 win over Jacksonville State for the national crown.

An additional audience watched on ESPN as the game was carried on nation-wide television by the sports network.

The championship game moved to the Shoals in 1986 after five years in McAllen, Tex., where it was known as the Palm Bowl.

With the move to the Shoals, the game was renamed simply the NCAA Division II National Championship game, emphasizing that the game is more than a bowl game - it is a national championship contest.

The NCAA has had 17 Division II football championships, beginning with the Camelia Bowl in Sacramento, Calif., in 1973. Since then, the game has been played in six locations un-

der five different names.

Previous national champions include Louisiana Tech in 1973, Central Michigan in 1974, Northern Michigan in 1975, Montana State in 1976, Lehigh in 1977, Eastern Illinois in 1978, Delaware in 1979, California Polytechnic at San Luis Obispo in 1980, Southwest Texas State in 1981 and 1982, North Dakota State in 1983, Troy State in 1984, North Dakota State again in 1985 and 1986, Troy State in 1987, North Dakota State for a fourth time in 1988 and Mississippi College last season.

Bobby Wallace (above) is set to begin his third season as head coach at North Alabama with All-American tight end Bennie Jennings (86) helping to lead the way. Quarterback Craig Bryant (top right) will guide an experienced offense that promises excitement in 1990, as does the always popular pre-game and half-time performances by the Pride of Dixie Marching Band and the Majorettes and Lionettes (right).
